-a few minutes later Chirs is about to penetrate when-

Laura: No.

Chris: huh?

Laura: No. I can't. I'm scared.

-chris sighs-

Chris: how am i suppoe to get rid of this erection?

Laura: I'm sorry. -she gets out from under him-

-chris hugs her-

inner levi to himself: i didn't have friends when i was little

Jc: smooth

Chris: have you..... Laura..... gone..... all the way?

Inner Laura: I've kept my word Chris. I've saved myself.

-chris holds her hand-

Laura; My hymen is still intact.

Chris: i've really missed you

jc; Awwwww.

Justin: TMI

Joey: Get a room!

-levi stands and leaves the table. he bumps into some guy who was talking with several girls. he is wearing sunglasses. he grunts and the girls shove elvi away from him-

-levi hurries to the study hall-

Lance; hey. Be nice to him

-note that the school is like a very nice college with dorm rooms and everything-

-Lance gets up and follows Levi-

-the girls shrug and keep walking-

Lance; Hey.

Levi: um... hi -sits at the piano-

Lance; Hey sorry for how those girls were acting to you.

Everyone trips.

Levi: its my fault

inner levi to himself: yeash i was watching wher eiw as going.

they weren't

Lance; It's no big deal. I'm Lance.

Levi: Levi

Lance; It was nice to meet you Levi.

Levi: no one says that -plays a scale-

Lance; Well I just did.

-levi doesn't talk anymore-

Lance; Well I'll see you around. -grins and leaves-

inner levi to himself: yeah right

-levi starts to play one of his songs-

inner Lance; That sounds really nice.

-meanwhile-

Chris: you think i can kiss you? no one is around

-they are outside-

Laura; yeah. none of our family members are around. -kisses
him-

-chris puts his arms around her-

Chris: your lips are stills weet

Laura: i didn't haven't have any breakfast this morning.

CHRIS: then is wasn't the cake last time -kisses her again-

-they keep makeing out-

Laura: I've missed you so much.

Chris: same here. i don't want you to go again

Laura: I hope I don't. But dad has been having more and more
guests over lately. i think he's trying to find a guy for me.

Laura; I'm scared of being put in arranged marriage.

Chris: i won't let that happen. my mom has been talking about that and the only person i want is you

Laura: maybe we can run away someday?

Chris: maybe..... but let worry about school

Laura; Okay. -kisses him- So what do you know about this problem here?

Chris: um... let me look at it

-meanwhile levi is in his dorm room and jc is yammering on about random guys he saw that day-

Jc; And this one guy had a sweet ass. I swear he was a brick house.

Jc: And then I saw Lance Bass walk by. Dayum!

-their new roommate was hadn't shown his face yet. ti was the first day back to school so-

Levi: you are such a flamer

Jc: You know you like it.

Levi: not really

Jc; Deal with it. I'm nit turning straight any time soon.

Levi: tis sophomore year and i wish i only had to share a room with you. your the only person that seems to give a shit about what happens with me. well ins choo at elast

Jc; You're loved here. Don't worry.

-there's a knock at the door-

Levi: yeah right. time for me to fake sleep -cruls up under the sheets-

-levi wasn't a social eprson AT ALL-

Jc; Come in. -says it in flamer voice-

-levi chuckles into hsi pillow-

-the door opens-

Jc; Oh hi!

Lance: Hey.

-levi hides his whimpers. he didn't want to deal, of all perople, with someone popular-

Jc: Awesome! Your bed it over there.

Lance; Cool. Hey person. Hey you're levi. -waves- See. we see eachother again.

-levi snores-

-lance smiles and shrugs and goes to his bed takeing out his homework-

Lance; Hey...Do you guys think you could help me with my homework?

Jc; What subject?

Lance; History. It's about the relations between vampires and the others creatues of darkness over history.

-levi snores louder. he didn't want jc to make him help him-
-note levi is only 15-

Jc: Levi get your lazy butt up and help the poor boy.

-levi doesn't twitch-

inner levi: can't people leave me alone?

Jc; Fine. You leave me no choice. -throws a pillow at Levi-

inner levi: damn it. not moving still

Jc: Okay. Time for butt fun. -goes over to Levi and lays on top of him-

Levi: jc cut it out!

Levi: i will throw you out the window

Jc; Help him and I will.

Levi: huh?

Jc: This boy needs help with his homework. I know nothing about the subject. But you're smart. Help him please?

Levi: he has friend that can help him. go away
-levi also can become a very unfriendly person-

Lance geeze. What's you're problem?

Levi: you help him -throws jc to the floor and leave the room to the kitchen for snacks-

Jc; Sorry hun you're on your own.

Lance; That's fine. Seriously what's his problem?

Jc; Dunno.

-Lance shrugs and gets to work-

-later that day they have an assembly-

-Lance is sitting with the rest of the group near the front-

-levi hides off into the corner jc sitting next to him and naming off hot guys that walk into the hall-

-chris and Laura and Justin and Joey are near them-

Justin: jc cut it out

jc: Nick Carter, AJ McLean, Brian Littrel, Howie Dorough, Brendon Urie, Ryan Ross, Jared Leto...

Jc: No! -sticks out tongue-

-the room is quieted when the principal walks out-

Laura; Principal Richardson is kinda scary looking.

Chris: your telling me

Principal: Welcome one and all to a new year at Vampire High. This year's class is showing great promise and I hope to see you all succeed in your lives from the education we give you. and now everyone. We have two very important guest speakers. The Lord and Lady of our kind. Our King and Queen. -c-

inner elvi: HOLY SHIT! i suddenly have to take a long bathroom break

Principal: I expect nothing less than the highest respect when they are speaking to you. Now here they are.

Jc: Stay Levi. -places a hand on his arm-

inner levi: god and the council too. yeah all the popular kids are just gonna start to look all proud and their parents are just gonna smother them in affection and EVERYONE wants to be near them. puke

-levi pulls his hood over his head and works on a song in his head-

Laura: I didn't know mum and dad were gonna be here.

Chris: i forgot. your parents are in the council

-levi looks at Laura then goes back to writing in his head-

Laura: I just hope I don't get swamped by those insufferable popular kids.

-the council members give long speeches-

-you can see pride over their kids faces and it leaking from their ears-

-Laura tries to shrink back-

-she shrinks back into chris's arms-

Inner Laura: It's like he's scanning the crowd for a suitable man.

-finally the assembly comes to an end.-

Principal: i hope these words stay with you throughout your lives. Now go to bed all of you. Tomorrow you will learn.

-levi hurries from the hall. but his parents, in his head, are calling for him strenly-

Levi: have to pee jc -walks off back toward the hall to one of the confrencerooms-

Jc: Hurry back! -goes to his dorm room-

-leiv shuddered at the huge crowd sworming the kids and their parents-

-that night-

-levi gets back into his room before lance.-

Jc; So what was all that about?

Levi: had a really full bladder. thats all

Jc; Okay...-gets in bed- Try not to wet the bed.

-levi rolls his eyes and goes to bed-

-meanwhile-

CHris: i want to see Laura

Justin: good luck with that

joey: Dude aren't your families old enemies? I mean if you get caught in the girls dorm it's bad enough but if your families are at each others thoughts you could get killed.

Chris: i love her though

Joey: Just be careful dude.

-chris hurries from his room and sneaks into the girls. Laura had her own room-

Laura; what's going on? -wakes up and goes to her window-

Chris: hi baby -waves. he went outside since going through the halls was probably gonna get him caught-

Laura; oh my god. -opens the window- Are you trying to get caught?

Chris: not really. i can't sleep. i want to be with you. is that a bad thing?

Laura: No. Now get inside. It's cold out.

-he goes into half form and climbs the wall going through her window-

Laura; You've turned into such a stud since we last saw each other.

Chris: i know -kisses her turning back to huamn form-

Laura; Lets do it. Now.

CHris: sex? all the way? if i knew that i would have brough a condom

Laura: Pregnancies for our kind are a rare occurance though. The only reason there's so many of us in our generation is because of the last great fight beetween vampires and Slayers. The battles that caused the treaties.

Chris: true -he kisses her laying her on the bed- i've waiting to be with you for so long

Laura; Why do our families hate eachother?

CHris: i don't know. probably some romeo and juliet thing probably

Laura; I asked dad about it...he said it was the laments of old men. I just hope it dosen't leadto what happened between romeo and juliet.

Chris: i'm not worry -he holds her kissing her-

-elsewhere-

Lance; yawn

-he finally gets to his drom room-

Lance; I swear. Mom worries too much.

-he passes by chris's justin's and joey's dorm. justin gets out to take a piss-

Justin: dude are you finally getting abck? what were you doing banging someone behind a bush?

Lance: I wish. Mom and Dad were talking to me about random shit.

Justin: oh poor popular boy -goes tot he bathroom-

Lance; -sigh- I can't belive this. You'd think that all this popularity would make me happy.

Justin: find a girl then buddy

Lance: yeah right. that was one of the things my parents wanted to talk to me about. They're thinking about hooking me up with

the daughter of the highest bidder.

Justin: i'm glad my parents don't do that with me. i'm gay

Lance: Good for you.

Inner Lance: I've been starting to wonder though.

Justin: wonder about what? -lance forgot to make sure that was only for him. theya re all vamps in training- about being gay? you? gay?

Lance; i'm not so sure about it myself. just keep it under wraps okay?

Justin: boy scouts honor

Lance: I'll hold you to it. later. -goes into the dorm room-

-jsutin pees-

-in lance's drom room-

-jc is moaning up a storm-

Lance: Jc? Are you jerking off?

-Lance looks at Jc uneasily-

Jc; Oh? Yeah. -grins-

Lance; Wow. This is gonna be an interesting year.

-Lance goes to bed and Jc goes back to jerking off-

Levi: i ahd to deal with it last year. i turn it into music. litterally
-the next morning-

-levi wake sup to jc's butt in his face-

Levi: um...

Jc: morning sexi. -grins-

Levi: why are you butt naked?

Jc; It's comfortable.

-levi slaps his ass-

Levi: move

Jc; Oh yeah! -gets up-

-levi sits up, stretches, a dns tands up. he sleeps in boxers or
tighty-whities. whatever is clean. today it is tighty-whities-

Levi: don't get any idea Jc

-Jc is shakeing his ass-

-levi shudders and goes to their mini bathroom that has a
shower a toiet and sink. thats it-

-and cubbord-

Lance; Oh god my eyes! ~

Levi: get use to it! -pees-

Jc; You like it! -gets dressed like a stripper-

-levi showers then gets dressed in boxers sweats and a button-up white shirt and throws a tie with it-

-the sweats are grey, tie black-

-Jc gets dressed and heads for class.-

Lance: ew. He didn't shower.

Levi: hey i shwoer every other day. so does he. this is my day. tomorrow is his. you can take nights buddy -leaves with his bag over his shoulder-

Lance: Oh my god. -dresses and leaves-

inner elvi: he sin't use to not beign pampered

-at breakfast-

Laura: I hear there's a dance coming up.

-levi sis ilent all day like usual-

Chris: can i ask you to it?

Laura: sure.

Jc: careful you two.

Joey: So did you guys get all -thrusts his hips a bit-?

Justin: i think we are more worried about you Jc

Jc; How so?

Chris: not saying anything

Justin: you name off every hot guy that walks into the room.

you jerk off every night. need i say more?

Chris: he jerks off cause he doesn't get any

Jc: What? So I shouldn't?

Joey: maybe you should actually find a guy and stick to one?

Justin: you know its kinda sick that we talk about sex when we are either 15 or turning 16

Laura; I just turned 16

Joey: you hooked up with an old lady.

Justin: i turn 16 in januray. it seems 16 is the number that means you can fuck when you want

Chris: i truned 16 a few weeks before her

Laura: Behind the adults backs anyways.

Justin: tisd weird cause if you have sex before you are 16 irs
sort of wrong but if you have sex after your 16 it is fine.

Joey: Try telling ten year old Laura and Chris that.

Justin: chris was the one who asked.

Chris: the most we did was oral

Chris: in olden tiems when i girl started her period it was time
for ehr to marry., some girls start when theya re eight

Jc: Still. For kids.

Joey; eww.

Justin: totally eweth

Jc: The sad thing is that our kind still do arranged marriges.

Chris: we know about that -looks at Laura-

Laura; It's mostly just the aristocracy.

Chris: but my family isn't. we are part of the few

Laura: At least your family is going into the 21st century

Chris: sort of

Laura: I'm going to be heading to the council annual ball in a couple of months.

Justin: let us change the topic. levi whoa re you gonna ask to the dance?

-levi shakes his head not looking up from his notebook-

jc; Tell us!

Chris: he doesn't talk. he didn't go to the dances last year he isn't going to this year

Laura; You don't need to be shy.

Chris: Laura let us introduce you to levi. he is the quietest and smartest kid in the school

Laura: Nice to meet you.

Chris: not at all social and only talks with jc

Chris: i only hear his voice when he is writing music and sings. rarely does he speak

Chris: but he writes the greatest songs

Justin: well he doesn't do anything else

Laura; I'd like to hear some of your songs sometime.

inner elvi: figured she say that

Jc: he's a nice guy really.

inner elvi: shocking he says that when he deosn't even try to
communicate with me outside of school

Justin: jc who are you gonna ask since levi doesn't speak

Jc: I'm gonna ask Nick.

Justin: good luck

Jc: I won't need it.

Joey: You're awefully confident.

Justin: because you know he is gonna say no

Jc; He'll say yes.

Justin: yeah right! he's straight! and has a girlfriend!

Chris: jc thinks he is int he closet

Jc: Who should I ask then?

CHris: and i think justin wants you to ask him

justin: no i don't

Jc; Well though luck. -gets up and leaves in a huff-

Laura: I think you hurt his feelings Justin.

Justin: i always do that -pokes his blood pack-

-Laura finishes hers-

inner levi: thats how he shares his feelings. he wants jc to ask him without having to hint

inner levi: i'll do it for him then

Chris: come on maybe we can catch levi singing in the study hall. alot fo epoeple go in to ehar him practise then elave once he's done. he doesn't like people to bug him and no one wants to

-levi leaves-

Chris: come on guys

Justin: why not.

Joey; Right.

Laura; Okay.

-breakfast ends-

-they head to the study hall where levi ahd sat down at the paino and was playing scales-

-Laura was reading the karma sutra-

-chris looks over her shoulder-

Laura; this position looks fun.

Chris: oh yeah

Joey: So you guys did go all the way last night.

Chris: yeah

-levi keeps playing different scales at different speeds-

Laura: It was the best night of my life.

Chris: same here -holds her- damn that looks kinky

Laura: And uncomfortable.

inner levi: god for some people they think sex is the only way to
express love

Chris: for me but you have control in that one

Laura: I suppose.

-chris rests his head on ehr shoulder-

Chris: levi quit with the scales! Laura wants to ehar something

fun!

inner levi: i'm sure that book is enough fun for her

Laura: Chris be nice to him.

Chris: i am!

-levi pulls out his notebook and flips through it-

-Laura goes back to reading-

Chris: play that song that goes -strats to hum it the ebst he can-

inner levi: i'm just your servant aren't i

Laura: Play whatever you like Levi. Just ignore him.

Chris: yeah thats it

-others gather round and listen-

inner levi: yeash they are making a stage puppet. i wish i could just be freakin alone! but ic an't cause this is a pubic room and i don't ahve those rights

Laura: It sounds wonderful Levi.

-others applude-

-levi gathers hsi things together and heads to class-

Laura: He's got alot of talent. I don't understand why he's not more social.

Justin: he just isn't. do you guys think that jc might ask me to the dance?

Chris: ask him yourself

Laura: it can't hurt to ask. The worst that'll happen is he'll say no.

Justin: thats the thing. i want him to ask me cause i'm gonna say yes.

Laura: Well that might not work. You need to ask him. He seems stubborn.

Justin: i'm chicken -the bells ring- class time

-Laura rolls her eyes and goes to class-

-chris doesn't ahve alot of classes with ehr so he goes another way-

-the day goes by smoothly. well until 3rd period when their is a fight in the hallways-

peoples: fight fight fight fight fight!

-some are videotaping-

Justin: who is it!

Laura: I have no idea!

-Joey pushes his way to the front of the crowd to get a better look-

-its jc and nick. nick said no. very much so-

Justin:w ell jeoy?

Joey: Jc got rejected

Justin: holy crap jc's fighting? -pushes his way tot eh front-

Jc; Leave me alone dick! You could have said no and left it at that!

-Jc blocks a punch-

Nick: you are a sick guy and i'm gonan get rid of you!

-levi pushes his way to the front-

inner levi: oh boy

Jc: There's nothing wrong with me! I'm not a freak!

Jc: There's nothing wrong with being gay!

Nick: oh, yeah there is! -kicks at him-

-that is when levi rolls his eyes and walks forward-

levi: go to class Nick

Jc: go to hell! -punches Nick-

-nick ducks and hits jc hard-

-Jc falls to the ground-

-levi grabs nick around the throat and picks him off the floor-

Nick: help!

-the teachers break it up-

Teachers: Levi you of all people! -drag him to the office. nick
snickers and heads to class with his buddies and girl-

Jc: aagh. damn this hurts.

Justin: what?! -justin goes to jc- who started this?

Inner Jc: I'm so sorry Levi. I shouldn't have got you into this.

Jc: Nick. I asked him out and he freaked.

inner levi to jc: dude i choose it

Justin: you want to go together instead?

-Jc's eyes are brimming with tears-

Jc: Sure. -wipes his eyes off- Sounds fine.

Justin: sweet. come on -helps himt o hsif eet. jc heals- all better

Justin: dude why don't you go save levi's ass and get nick's ass
bruned

Jc; Nobody is gonna belive me. Nobody is gonnna belive the fag
flamer

Justin: yeah they will

Chris: i'll go with ya buddy. saw the whole thing

Chris: any other witnesses?!

Laura; me too.

Joey: I saw the whole thing.

Justin: i did

-the others walk away-

Lance: I saw the whole thing. -shows up-

Chris: you? of all people?

Lance; Why shouldn't I? I don't really know the guy that well
and he's not my friend but I hate seeing injustice.

-chris smiles and they head to the office-

-levi si sitting outsdie chewing his nails. the princible is in his
offic eand is talking loudly with someone-

Levi: don't go in

Justin: you speak!

Levi: shut up -rolls his eyes-

Jc; Levi we need to help you. We're gonna prove you're innocent.

Levi: my parents are in there. don't go in

Joey: So what? they won't care. -heads for the door-

-levi blocks it-

-he shakes his head-

Joey: Why are you so hellbent on this?

Levi: don't. go. in.

Chris: move levi i'm saving your skin -pushes him past and
opens the door-

Chris: we know -holy crap!

-he gets on his knee-

-levi covers his face-

Laura: oh my. -bends down-

Chris: your majesty -bows his head-

Lance; my lord and lady.

-levi starts to pound his head against the wall HARD-

Jc: I think I know why you didn't tell us.

Justin: whao -bows-

Joey: Sir. Ma'am. -nods-

king; It's good to see you have well mannered friends.

Levi: they aren't friends

Queen: Levi. it appears they have come to your aid. Let them have their say.

Levi: not what i think at least

Levi: oh go ahead. can i go to class i have a test

Laura; What exactly do you have against us?

king; do tell?

Levi: nothing okay? seriously. i have test.

King; Go.

-levi leaves-

-they explain what they saw-

Justin: jc asked a guy out he said no freaked and wanted to kill jc. he finally gets a hit at jc and levi nearly kills him and teachers rushed to conclusions since nick is the son of one of the council members

Chris: if people knew you guys were his parents they probably would have sided with him. probably why no one knows

king: i see. I'll have to tell lord and lady carter to keep their brat under control.

Queen; Levi has always wanted to be modest about himself. But he does it to a fault. It makes him seem very cruel.

Jc; He's a good friend.

Queen; Please. Watch over him. He needs friends now.

Justin: jc is the closest to him

Justin: we are just there

King: We need to go now. We'll send your families our regards.

-they bow and the king and queen go poof-

Lance; why is he so ashamed of the fact that his parents are the leaders of our kind?

Laura: I can understand not wanting to advertise it to the

world. but it's no excuse to be so unkind.

Jc; What do you think Justin?

Justin: its just Levi. thats who he is

jc: Still. He could have been honset.

Jc: I can keep a secret can't I?

Joey; It's unlike you but yes.

-they head back to class-

-lunch-

-levi skips and just goes outside for a run-

-Lance is out on the track practiceing-

Inner Lance; 30 seconds. Okay. Now lets try for 15.

-sprints-

-levi watches-

inner levi: i'm faster. but i don't do sports

Lance; Damnit. -is panting-

Lance: Why can't I go faster? -starts chugging water.- Myabe
the coah is right.

inner Lance: Maybe I should be sweating more of this crap out
of me.

Levi: you push yourself too hard

Lance: I like to compete.

Levi: you're gonna hurt yourself

Levi: but then again vampires heal

Lance: What should I do then?

Levi: slowly drop it down one second instead of a ton

Levi: you can do it at 30. try to keep it at that. then when you think you can go faster make it a goal to be around 25 seconds

Levi: that's what I did

Lance; -smiles- Thanks.

Levi: I was in track before I moved here

-they are in Nevada-

Lance: Where were you before?

Levi: LA. that's where I live

Lance: Awesome. there's another academy there right?

Levi: yeah. I was there from sixth grade till eighth

Lance; Cool. Hey. We should run together sometime.

Levi: don't count on it. i work by myself

Lance: i can respect that.

Lance: But if you ever change your mind you know where to find me.

-levi sets himself then sprints down the track in 10 seconds flat-

Lance: Damn. You are good. You should join the team.

Levi: hate sports! -walks off-

inner levi: it gonna end just like last time. not risking it

Inner lance: What is with him? I'm trying to be nice. -shrugs and goes back to practicing-
-meanwhile-

-justin is out finding a nice outfit for the dance with joey-

Justin: do i look good in pink?

Joey: Sorry. But Jc is the only guy I know who can pull that off.

-justin pouts and keeps looking-

joey;I guess I'm going as a single man again.

Justin: i thoguht you asked that Kelly girl

Joey: Yeah...she didn't answer me.

Justin: did she hear you?

joey: Well it's hard to miss haveing 'hey kelly come to the dance with joey' written all over the chalk board in third period.

Justin: oh my god -laughs- thats who you asked her? i wouldn't say anything either

Joey: Hey it's direct and to the point.

Joey: Am i supposed to hire a skywriter?

Justin: when we get back your gonna ask ehr directly

Justin: so she isn't compeltly scared to say anything inf ront of everyone

joey; meep

Justin: hey i asked Jc so you can ask kelly. yes my color -picks out a baby blue button up-

Justin: now for the tie

Joey; navy.

Justin: i'm thinking white -grabs one- you do navy shirt and a black tie. you do good in dark colors

Joey: Okay.

Justin: nwo for patns that match the tie -goes into another area in the store-

Inner Joey: Please god. Not baby blue.

Justin: i said tie not shirt! holy crap they have baby blue pants

Justin: i'm gonan buy those for fun -grins- and the white pants.
i'm done!

inner Joey: Crap

Joey: Come on lets go. We're gonna be late for class.

-justin nods and they pay and hurry back to school-

-elsewhere-

Chris: jc chill! yeash do you like justin or do you like him

Jc; Juuuuussssstttttiiiiinnn....-drools-

Laura: This isn't good.

Chris: -shivers-

Chris: get a pink shirt jc you look good in pink -throws one at him- with a black tie

Jc; Okay.

Laura; What about pants?

Chris: not pink!

Jc; Not wearing em. -grins-

Jc: oohhh. Pink pants. Nice.

Chris: your wearing them. black so it matches the tie -goes to find it- holy crap really pink pants

Jc: Okay. i'll wear black pants. But I'm not wearing underwear.

Chris: as long as i don't see your ass man -throws the pants at jc-

Jc: ehehehehehehehe

Laura: Oh god.

Inner Laura: -only to herself- Maybe I shouldn't wear underwear.

CHris: okay lets pay

Chris: jc stop plotting!

Jc; Hehehehe. Alll Niiiight Loooong.

Laura: Oh god.

-they pay-

Laura: I'm gonna do my dress shopping on friday.

Chris: yummy -starts to plot-

Laura: You're not coming.

Jc: awww.

Laura: You can come Jc. I was talking about the straight guy here.

Chris: damnit

-they head back to class-

-meanwhile in vamp councilville-

Council member one: So you're certain there's going to be another slayer uprising?

person: Yes. Our leader has been trying to keep it under control but there are still some that wish to return to the old ways.

Cousil memeber five: stupid slayer rebels

Council member 2: What do you say m'lord?

Queen: Husband...our son. He may be a victem. As well as the families of the other council members.

Council member five: where is your son now? after that horrible incident at the LA vamp junior high academy..... you won't tell us where he is now

King: we'll have to place tighter security on the schools. All of them.

Queen: Husband. As much as I want to respect our sons wishes as much as you do...

King: I understand. We'll keep undercover agents in all the schools. But the one in Nevada is top priority. That one has the most council family members in it.

Council member one; Have the other races been alerted?

Person: Yes.

Council member five: i don't want my son hurt! -he is the father of lance-

King; We understand that jim.

B-Dad: My daughter is at that school as well.

Jim: but king i know your son is probably at highest risk. if you tell us where he is we can alert everyone there to watch over him

Queen; All of you have permission to have your personal bodyguards working in the school. But they must understand

that secrecy is of the utmost importance. As for our son he wishes for his life to be as normal as possible. In the meantime we'll have undercover agents working at the schools

King: And we'll have security tightened at all of them.

Jim: as you wish

Queen: Now go all of you. The meeting is over.

-they bow and leave-

-back at the school-

-there is yet another assembly-

Justin: what is it this time?

Principal: -walkign up on stage- This is a matter that has been presented to all academies for all the races. There have been rumors of a slayer uprising. Keep in mind that these are merely rumors at this point in time but you are all to keep on your guard at this point in time.

Principal: As a precaution safety and security is being tightened in this and all the other schools.

-he then proceeds to list off all the new safety measures-

inenr elvi: tis jsut because counsil emmebrs kids are here

-levi doesn't lsiten to the precautions-

Laura; -bites her lip- I'm scared.

Joey: It's just rumors.

Chris: i'll protect you -holds her-

Justin: they're only doing this because this school has all the council members' kids in it

Jc; Still. Is it so wrong that council members want to protect their kids?

Justin: yeah but they spoil them. they're probably gonna have body guard following them around

Justin: wait... what about -points at levi- he ya know

Joey: no. But they don't need to be so paranoid over every little rumor that happens here. there's bound to be rumors. Some of the older slayers are probably still bitter about the treaty.

-Laura looks away from Justin-

Jc: I'm not worried about it. Levi will be fine.

Jc: Joey's right. Nothing more than whispers in the dark.

-levi changes into half form and scratches some words into the wall until a teacher hits him on the head and he changes back to human-

-the assembly ends-

Girl of one council member: i wonder what is going to happen to the king's son.

-Laura reads the words on the wall-

Girl of another: i'm not worried. no one knows where he is
-the words say: if anyone finds out about me its gonna turn into
ewan all over again-

Inner Laura: Ewan? I wonder...-she heads to the library-

Girl of another council: i heard he's gay. like something
happened to him which made his basically disappeared

Laura; Shut up all of you. It's none of your business. if he
wanted to be known he would have said something by now. He's
got his reasons so just let it be. If anything it's probably a good
thing he's keeping hidden.

Girl of one council member: wherever he is i wish i could meet
him. he said to be drop dead gorgeous! maybe he's bi!

Laura: Don't count on it. -leaves-

-levi hurries to the study hall and stares out the window as the
security people start to surround the place-
inner levi: caged in

Inner Laura: So much for running away.

-levi silently sings-

Jc: This is freaky.

Joey: I know. It's gonna be almost impossible to relax.

Justin: i'm not worried. if they mess with the dance thought i'm
gonna be pissed

Chris: same here

lance: You won't be the only one.

Justin: who did you ask Lance?

Jc; Hey where did Laura dissapear too?

Lance; Marie.

Lance; I doubt she's gonna show up though.

Justin: she the biggest air ehad here if you ask me. but your one
too so it works

Chris: smooth justin

Lance; The thing is she's engaged.

Jc; Who?

Lance: josh.

Jc; what?

Lance: nOt you.

Chris: you asked someone who is taken?

Lance: she won't be getting married till she graduates. besides it happens all the time here. Ask the majority of the council member's kids. They'll be going out with someone but be promised to another one.

Justin: i'm glad i'm not a council kid. well for the vamps anyway

Chris: what do you mean by that?

Lance: Are you a lycan?

Justin: my moms a lycan council member. dads a vampire. i was born a vampire

Justin: but my siblings are lycans

Lance: I think I might have met your mom once.

-meanwhile with Laura-

Laura: Ewan...Ewan...Ewan. God I know I've heard that name before. -is pouring through resraech files-

Laura; Okay. Here he is....what the? He's deceased?

Laura: Okay. Wrong guy. Okay here he is.

Inner Laura: Well he is quite the stud. I can see how people

would fall for him.

Inner Laura: So what exactly happened. I'm gonna need to do a little investigateing.

-she goes back into the study hall. levi is at the piano singing-

-Laura silently watches-

inner Laura; -to herself- It's beautiful.

-levi doesn't know anyone else is in there-

Levi: god and i keep playing that damn song even though he won't ever be in my life again

Inner Laura; -to herself- You'll find someone. save it for them.

Levi: stupid Ewan. i didn't do anything wrong. i didn't do anything to him in the first place. he's the devil

Levi: just likes to put people down -pounds on the keys-

Laura; Sounds like a real son of a bitch.

-levi jumps-

Levi: what the heck!

-Laura applauds-

Laura: Up until the ranting bit it sounded awesome for lack of a

better word.

Levi: god.... -he rests his his elbow ont he keyboard then rests the side of hsi ehad on his hand-

Laura; The song can still be with you. Save it for another.

Levi: go away

Levi: there won't be another

Laura: There will. Trust me. You just need to have faith that there's someone out there for you. I know it worked for me. - walks away-

Levi: lot different situation Beck

-Laura turns-

Laura: At least you have a say in who you get to love.

Levi: i'm not going to love anyone. your probably going to runa way with chris so shut it got it Beck?

Laura; You're such an ass. -runs-

-levi stares out the window-

Levi: one of those gaurds isn't a vampire

-levi opens the window-

Levi: hey guys?!

Guard 1: What!

Levi: that guy right there isn't a vampire. his hand is in his coat pocket and i know it isn't cause he needs a smoke

Guard; You. -points gun- hands where I can see em.

-levi shuts the window before that guy decides to shoot darks at him-

inner levi: thank you mommy for the gift

-levi sits back down. he ehars gun fire and looks abck out. that guy was slayer, and was now dead. another gaurd was giving that one vampire with the gun anti-venom cause he had a knife in his chest-

Levi: told ya -heads to his dorm-

jc; hey Levi.

-levi waves and flops onto his bed-

Levi: they aren't rumors if your wondering

Jc; Shit. Would that have anything to do with why Laura is sobbing her eyes out into Chris's shoulder?

Levi: no

Jc: Just wondering -gots back to reading-

-levi passes out-

-the door quickly burst open however-

Chris: levi you are a dick!

Levi: -muffled by pillow-

Jc; Oh geeze. Chirs chill!

Chris: hell no! he has no right to be a bastered! -yanks levi to his feet- go say your sorry!

Levi: she walks into it -gets a punch to the face- violence isn't the answer -hits him again- dude you have anger problems -hits again- fuck this hurts

Jc: He dosen't have to apologize if he dosen't want to.

Chris: he will if he wants me tos top -keeps punching levi-
-levi just keeps making comments-

Jc: STOP IT! -goes into full form dragging Chirs away from Levi-

Chris: let me take him out! -struggles then gives up-
-levi yawns and goes to bed. he stops himself from crying-

Jc; Go back to your girlfriend. Hell fuck her a few times. Maybe that'll shut you guys up.

Chris: shut up -walks back to Laura-

Jc; I hate this. Being caged up. It's driveing me insane.

Levi: go play outside then -rubs his eyes-

Levi: what were the rules anyways?

Jc; We're not allowed out after five pm.

jc; It's five thirty.

Levi: watch me! -he opens the window and sits in the window sill- i'm inside, now outside, now inside, nwo outside

-he was leaning in and out-

-Jc smiles-

Jc; This is one of the reasons I like you.

-levi is silent and rubs his eyes-

-Jc goes to sleep-

-levi stays in the window sill-

inner levi: alnce is probably is banging some chick yet again

-lance meanwhile-

Lance: I'm sorry. I just can't get the damn thing up.

Girl: come on. just thinkt here is mroe then one of me -grins and stroks him-

Lance's Dick: I...Ahh. Nope. Not gonna happen.

Lance; i hate my dick right now. Listen. Lets try again some other time.

Girl: if you can't get it up now there is gonna be no other time

Lance; then fuck off. -leaves-

Inner Lance: why am i in such a bad mood?

Lance's Dick: Cause the little guy ain't gettin any.

Lance: I seriously need to jerk off.

-heads to dorm room-

Lance; Yo. Jc. Can i borrow one of your magazines?

Jc: Sure.

Levi: ew. he cums on those

Inner Lance; This is gonna prove it all.

lance :That's the idea.

Levi: remember those are GAY mags.

-leans in and out of the window again chanting in now out now in now out-

Lance: I need to clarify a couple things in my mind. -grabs a magazine and starts jerking off-

Levi: yes just leave the door open that helps everyone -jc jerks off too- oh man i'll be outside if you need me -jumps out the window-

-Lance -goes over and shuts the door before he keeps jerking off-

Lance: i guess that settles it then. I'm gay.

Jc; Congrats. Now clean yourself up and get some sleep. It's gonna be another long day.

-levi meanwhile is sitting in a bush chewing on some random branch for fun-

-he is in normal form-

-guards are talking-

Guard: So any word from your boss? Or is he like mine and acting like a total psycho over his kids.

Guard 2: yep. he is gonna hook Lance up with some chick.

-levi's ear litterly perk up-

guard: Really? Which one?

Guard: i beleive ehr name is Laura. the daughter of your boss

Guard; Oh this is gonna be rich. From what I'm hearing from the schoolkids she's been hanging around with this kirkpatrcik kid. Think he's bev's son?

Guard 2: damn. thats gonna be messy. jim wants lance married soon cause he isn't finding alot fo girls if you get my drift

Guard: Ahh. You know I've got no problem with gays. But if a parent finds out thier son likes men they should just leave it be. He shouldn't be trying to get his son to fuck a girl just cause he wants an heir.

Guard 2: it sucks but hey i'm jsut supsoe to watch over him.

Guard 2: hey... i've been eharing things around but i think the king and queen's son is here at this school

Guard 2: why else would this be more secure? just because there are mroe council kids? i don't think so

Guard: That's what I've been hearing too. But those guys are masters of disguise. There's no way we can know for sure.

Guard 2: well if he is here and someone who shouldn't know knows..... -makes the sound of someone's throat being cut-
-levi gulps-

Guard; Yeah. Did ya hear? They found a slayer impersonating Randall?

Guard 2: yeah i did. i saw the whole thing too. a kid said he was one. i don't get how he knew
inner levi: cause i'm special!

Guard; man and i thought the queen was good at sensing shit.

Guard 2: wait you don't think.....

Guard: There's more than just the royal family who can do it.
We should go back to our jobs now.

Guard 2: yeah but only the royal family is really freakin good at it

-they go back to their jobs-

inner levi: and i thought they never would leave

-levi stand up and pops his back. he feels something stuck in his butt and pulls it out-

Levi: shit!

Levi: i'm getting dizzy.....

Levi: 'mary had a little lamb'

Guard; Hey kid...Oh damnit I think we've got a dart here!
Simmons! Get some anti venom!

Levi: ngihty night mommy -hits the ground hard-

Guard 2: on it -gets it and injects it into his abdomen- he should
be wkaing up soon

-levi gorans-

Levi: dart int he ass ain't cool

Guard: I've seen weirder shit in my day kid. Now get to bed. It's
not safe this time of night.

Levi: chewing on braches is fun so i'm gonna take some to bed -
picks up a few and goe sinto half form climbing the wall and
back into hsi window-

Guard 2: and he is the definit of weird
definition

Guard: We've got no room to talk. You and I are former humans.
We've can't really say what's weird or not.

Guard 2: still... chewing on branches?

-they go back on duty-

-meanwhile-

Levi: man my gut and butt are gonna be sore tomorro w

jc: What happened?

Levi: well i landed in the bush, hearing that lance and Laura are gonna get amrried, then when i stood there wa s a dart in my butt. must have landed on it. banches taste nummy -chew son one-

Lance; What!

Lance: Oh god. Just when I figured out I'm gay.

Levi: have fun with that -says it with ehr mouth full or bark-
-with his mouth full fo bark-

Jc; Laura's not going to take to kindly to this. Lets hope she and Chris don't do anything dumb.

Levi: they probably will -levi shuts the window and goes into bed. they listen to the curnch of bark between his teeth-

Jc; do you have something against them? Just wondering/

Levi: me? no. just have this feeling they will run off when Laura finds out who her husband is gonna be -points at lance widly to make a suddel hint-

Lance: I hate my life.

Jc; who dosen't.

-Lance goes to sleep-

-levi chews on bark all night. the antivenom made him hiper.. it
oddly did that to him-

Jc; Try to calm down dude. It's gonna be along day tomorrow. -
goes to sleep-

-next day-

Justin: why is it a long day Jc?

Jc: Lets just say shit is going down.

joey: Care to be more specific?

-a scream is heard. Laura slams her things down on the
breakfast table. You can tell she's holding back tears-

Chris: whoa what happened?!

Justin: i'm guessing you know the shit but we about to find out

Laura; I got a letter from home this morning.

-Jc sips bloodpack-

Joey; what's wrong?

Laura: My parents promised me to someone. I don;t know who
but I'm not marrying them!

Jc; He's a blond hun. there's your hint.

-levi sits down at the table. he bounces in hsi seat-

Justin: um... levi? you okay?

Levi: high

Jc; what's on your mind?

Justin: hi to you too

Jc; He got a hit of anti venom last night.

Chris: dude you seem..... dude are you high?!

Joey: That's what he said.

Justin: what? hgih? antivenom? levi explain

Levi: got shot in the bum with a dart. got shot in the bum in the dark.

Joey:

Levi: Laura is marrying lance! can i be your maid of honor
Laura?

Laura; SHUT UP LEVI! -starts crying-

Joey: Geeze. Marrying twinkle toes? I'd be crying too.

Jc: and there's no way out of it?

Levi: i'm gonna paly the piano at the wedding -starts to sing the
wedding march-

-Laura punches Levi-

-chris hits him square in the face and he flies back into the wall-

Chris: SHE SAID TO SHUT UP DICK!

-levi hits the ground and doesn't move-

Justin: um... i'm gonna go have some tea

jc: go ahead.

-justin hurries off-

Chris: Laura i won't let you marry him

-Laura walks away sobbing-

-chris follows her-

-levi still doesn't move-

jc: -walks over- Levi?

-he doesn't move-

Jc: You okay? -pokes him-

Jc; Yo dude. Wake up.

Levi: fuck off -it was a deep growl. he stands up and walks off with his bag-

-he goes to his dorm and sits on his bed being sick for the rest of

the day-

-he let teh drugs finally wear off-

Jc: Fine.

-Laura hides in the library for most of the yday-

-Joey and the guys provide a cover story for her-

-that night-

-levi walks the halls only wearing sweat pants. he was too alzy
to put a shirt-

-he walks downt he guy halls the girl halls and every hall in the
building-

-some of the girls nearly faint-

Girls: ohhh! -faint-

Levi: and one is down for the count

-levi couldn't believe he was thinking it but eh wanted to find
Laura. he wans't making much of an effort to actually find her-

-there is crying coming from the liberary.-

Levi: bingo -walks in. another girl faints-

Levi: god i'm not THAT hot!

Laura: -sniff- You'd be suprised what some women find
attractive.

Levi: well... i want to say i'm sorry for earlier. i was as high as a kite. that's what anti-venom does to me. a side effect that runs in my dad's family. it's fun in a way. but yeah i usually would of just stayed quiet. but at least you know who the mystery guy is. trust me lance isn't happy about it either cause he's gay. don't ask me how he found out cause it's nasty

Laura; -sniff- I don't want him. I never wanted him.

Levi: i can very much tell.

-levi scratches his stomach. Laura notices this red line over where his heart is. it was faint but there-

Laura; I don't know what I'm going to do. Running is almost impossible with all the security.

inner Laura; What the?

Levi: i'm going to go back and wonder the hall. tally up how many girls hit the floor

Laura: -nods- why are you apologizing? I thought you didn't approve of chris and I being together.

Levi: who said i didn't approve? -turns back to look at her- stops staring at my scar

-it's impossible for vampires to have scars-

Laura: Oh. Sorry. It's just that. When chris and i were reading that book together...I got the impression you didn't approve. And you always seemed exasperated whenever he and I were together.

Levi: cause i had that once

-levi leaves-

Laura; Oh.

-Laura curls up and goes back to crying-

-levi goes down the girls hallway again. a ton fo girls walk otu fot eh showers only in their towels-

Levi: good evening ladies

-one girls towel drops-

Gril: eek!

Levi: i'm gay darling -picks up her towel and covers her- not hot to me

-chris coems down the hall-

Chris: levi where is Laura?

-the girl looks disheartened and leaves-

Levi: think that girl wanted me to be striaght. why do you ask?

Chris: cause you owe her an apology!

Levi; i already gave it to her

Chris: well you owe me one

Levi: no i don't. if anything you owe me one

Chris: i ahve a better idea. i'm gonna chase you and kick your

Levi: i don't like that diea too much

-chris takes off after hima nd levi runs-

-they skid down halls-

Laura; Chris stop it!

Chris: his ass is mine!

Laura: Chris leave him alone!

-chris stops running and levi pants-

Laura; Chris please. Baby. I don't want anymore trouble. Lets
just go.

-chris hugs her-

Chris: okay. okay.

-levi groans and puts his hand over hsi ehart-

-Laura and Chris go.-

inner elvi: god even thought it isn't there anymroe it aches

when ever is ee them

-levi keeps walking down halls-

-Lance is helping himself to a midnight snack-

-levi walks into the cafeteria area and sits down in a corner-

-Lance is sucking on a human's neck.-

Levi: thats sick

Lance; Want some? -holds it up-

Levi: i don't drink from a human. the whole blood doll thing is
holding them again their will

Lance: Sure. -puts the human on the ground.-

-levi leans back and rubs a finger up and down his chest-

Levi: is it just me or is it hot

Lance: It's always warm here.

Lance: What's with the scar? I thought that we didn't get those things?

Levi: -looks down- there are some cases though....

Levi: its there cause it isn't fully healed. its missing something

Lance; Ahh. Okay. I won't pry any further.

Levi: yeah cause you might puke

lance: as it is I already feel like it.

Levi: then puke that way -points away from him-

Lance; Metaphorically speaking. You tell me how it feels. Being stuck with a chick you don't even think is cute.

Levi: Laura hates it too

Lance; We both hate it. But what choice do we have? and what options are there?

Lance; -sigh- No matter. anywyas what's keeping you up?

Levi: nightmare.....

Lance: we all get those.

Lance: Couldn't sleep last night

Justin: wonder why. i notised you hang out with us mroe now

Levi: i love you... i don't care i f we are 12... please?

Levi: what are you..... NO! -levi shoots awake panting-

Lance; it's okay dude. It was just a dream.

-levi pushes his way out of the cafeteria walking the halls again-

Justin: just leave him alone

Jc: That might be best.

-justin sits down-

Justin: who the fuck si Ewan? sounds foreign

joey: Whoever he was it sounds like he hurt Levi bad.

-meanwhile-

Chris: we are married!

Laura: Finally. -kisses him hard-

-chris kisses her back-

Chris: come on lets head back

Person: make one move and you both die. -a gun is pointed at thier heads-

Chris: um... okay

Laura: ReLaura.

Chris: Chris

Person: It's them alright. Yo Jake!

Jake: yeah?

Person: Looks like that vampire scumbag Ewan was right. There were a couple council kids here. come on. The boss is gonna want these brats.

Chris: meep

Laura: Oh god. -clings to Chris-

Jake: got it -grabs them and drags them off-

-elsewhere-

-levi was chewing on a branch in his dorm room taking a shower-

inner levi: stupid dad for being half lycan. some doggies traits here

-there is an announcement over the intercom but the shower muffles it-

Levi: okay i got to go to rehab for stick chewing -throws the stick in the trash and shuts the shower off drying off-

Jc: Damnit! -throws book to the ground- There's 500 bucks down the drain.

Jc: levi? What's up?

Levi: Laura and chris won't stop scremaing in my ehad for help

Lance: eh?

Jc; What sort of trouble did they get themselves into this time?

inner levi to Laura and chris: what the hell happened?

Lance: How so?

Levi: just goa way. i'm not talking -he finishes getting dressed-

Jc: You're not an idiot. You're just a coward. A coward who won't

do the right thing cause he's scared.

-Jc gets up and leaves the room-

Levi: yep thank you jc

Lance; So you're gonna let those people kill Laura and Chris?

Levi: i can't go find them

Lance: You can try. Trying is better than doing nothing. You know. I was starting to like you a bit. now...Now that's all gone. -
he storms out-

Levi: whatever -curls up on his bed-

Levi: Ewan... you used me... you used me even more than I
thought

-meanwhile-

Justin: hey Jc. whats up?

Justin: i'm pissed about the dance

Jc: Levi needs to get over his pain. and we know where chris
and Laura are. They've been kidnapped. Apparently they eloped
but got dragged off before they could make it to thier
honeymoon.

Justin: oh geeze

Jc; And Levi is being a baby and not doing a damn thing. He's a heartless monster who needs to die.

Justin: wow

Joey: Dude you don't really mean that.

jc: I'm just pissed at him. I know he had a shitty past. But he can't let that get in his way. I've had my share of bad times.

Levi: yeah i'm heartless alright -pops up out of no where almost-

Joey: what do you want?

Levi: you all ahve a heartbeat right?

Justin: yeah -feels his chest- yep. thumpt hump

Jc; The majority of the world does.

Levi: 3 years ago i went to the LA Vampire Junior Academy. I was eleven and very popular. everyone knew about who iw as and i was so happy. i was in my favorite sports, iw as doing well in school, and i had tons of friends, i had a boyfriend.....

joey: Okay...

Levi: year later when i'm 12 and we had been dating for a year i

asked him if he would make love to me. i loved him with everything i had. so we did. he laid me ont eh ebd and we made sweet sweet love. next day at school everyone was whispering behind my backa dn giving me death galres. i enver told anyone iw as gay. no one knew i ahd a boyfriend. well my boyfriend had told everyone that i raped his sorry ass and that i was crazy saying how much i loved him with everything i had

Jc; that sucks.

Levi: i found himt alking with my friends. they all palnned it. they ahted me and wanted me to suffer. oh thats not the wrose aprt. i screamed and sobbed at ewan for doing this to me. he just hcuckles and pulls out a knife and my 'friends' pin me to the ground

Joey: I'm not likeing where this is going.

Levi: he says "did i rip your heart out?" he cuts open my chest. "did i rip it t shreads?" he cut out my heart and stabbed it. i felt everything even when ti wasn't in me. then they threw it int eh trasha dn walked off. i healed..... barly

Lance; that explains alot.

Levi: run home and burst threw the door with my chest partly still open. my mom enarly passed out and is obbed my eyes out

explaining everything that had happened to me. my chest healed over but my ehar it gone and the scar is there - until my heart is put back. i didn't want it back.

jc; So you'd rather be a total jackass for life?

Levi: now you can say how much fo a dick i am and how much of a socialess jerk and basterd ive been but..... IT WAY BETTER THEN WHAT I AHD!

Justin: wow.....

Lance: I'm sorry that happened to you. You didn't deserve that.

Levi: the whole time iw as with him i tlked alot about what was going on witht eh vampires. i screwe dup big time ebcause he is the one leading this whoel thing witht eh slayers. he used me so bad and i can't face him... i cna't and i won't
-tears fall from hsi eye and he wipes them away as they appear-
eyes

Lance; you will. You're going to get closeure.

-levi shakes his head and walks back to his room-

Lance: -sigh- You leave me no choice then. -knocks levi on the back of the head knocking him out-

-he hits the floor like a dead weight-

Justin: what was that for!

Lance; Come on guys. We've got a flight to catch.

Jc; Wow..

Justin: creepy

Joey; but we've got no idea where they are.

Lance; Lets start in Canada.

Jc; uh...

-levi groans-

Joey: Justin? YOU're opinion?

Justin: i'm too shocked right now

-Lance grabs Levi and drags him off-

-remember that they are all sophomores-

Joey: oh my god.

Justin: what?

Joey: i can't believe I'm actually going along with this.

Justin: same here. come on

-they go-

-a couple hours later-

-levi finally wakes up-

Jc: You think they've noticed we're gone yet?

Levi: what..... where am i? what happened?

Lance: Well we're on the plane.

Joey; We're on our way to Canada.

Levi: i can easily jump off of this plane and fly back ya know!

Lance; I'll knock you out first.

Joey: We're gonna get this chapter of your life over and done with.

-levi scrambles away from them-

Levi: no. stay away from me.

Lance: Why are you so against getting back at him?

Levi: i'm not that kind of person that's why!

Justin: sorry dude -htis him int eh abck of the ehad again-

Lance: It's for his own good.

Jc: so are we agreed on the plan?

Justin: sadly -picks levi's body up and palces it next to him-

Justin: i hope his parents don't fidn out we did this to him

Lance; They'll get over it. Besides. If they give us any trouble we'll just explain the situation to them. they know the laws.

Lance: A heart for a heart.

Jc: really?

Lance: Yeah.

Justin: huh?

Lance; Well technically for what Ewan did he could be killed. You see. Just hursting Levi isn't enought to get him arrested. but ripping out his heart and throwing it away is grounds for it. He'll have to give up his own heart. And give to levi.

Justin: oh. you think levi would take it?

Lance; We'll just knock him out.

Jc: Won't the heart have to be purified?

Justin: we can't force levi to take his heart

Lance: we can find a witch to do the job.

Lance; then what should we do?

Justin:t here is alot of emotional stuff going onf ro Levi and you guys of obviously ignoring it. he's hurt ya know! lance if you really like him you'd be treating him alot better

Lance: Should we just let him suffer?

Justin:t hena gain i hit him on the freakin head

Lance: what do you suggest we do?

Justin: you can help him in a different way lance!

Lance: How! YOu're not telling me!

Justin: don't force him into all this cause then guess what? levi ahtes your guts and is emotional scared MORE!

Lance: Fine! I just want to help him!

--Lance punches a wall-

Justin: i don't know how lance oakly? your the only one who really wants to help him

Justin: i'm just coming along to save chris's ass

Lance; I JUST WANT TO FUCKING HELP HIM! EVERYONE SAYS I'M DOING IT WRONG BUT HOW ABOUT INSTEAD OF TELLING ME WHAT I'M DOING WRONG YOU TELL ME HOW TO DO SOMETHING RIGHT!

Justin: thats the thing YOU AHVE TO FIGURE OUT THE RIGHT WAY YOURSELF!

-the plane lands-

Justin: i just think this way is very stupid and probably gonna give elvi brain damage picks up elvi throwing him over his shoulder-

Lance: Shut up.

-they get off the plane-

Lance; Leave levi here. this is obviously pointless.

Justin: oh okay -drops levi tot he floor-

Jc; Don't tell me you're giving up on him.

Lance; well that seems to be the only thing I can do. I'm starting to get a crush on him but HE FUCKIN HATES ME AND I DON'T KNOW WHAT TO DO! -he storms off-

-Joey sighs and writes down a quick note to Levi leaveing it in Levi's hand-

Justin: wowo Jc i think eh takes after you in the flaming area -
mimks a tantrum-
-justin follwos after lance-

jc; Justin. Now is not the time.

-an hour later-

Levi: fuck i hurt. dude they don't realize i might get brain
damagE? -stumbles to his feet and then stis down heavily- huh?
-looks at his hand- a note. figured they leave em UNCONCIOUS
ONT HE FLOOR OF AN AIRPORT! -reads-

Levi. Dude we're sorry. Lance and Justin had an argument on
the way here. Lance really wants to help you get better but he's
not doing it right. He got frustrated. He really does care about
you. We're gonna try and save chris and Laura. You can help if
you want. You can go home if you want. the choice is yours.

Levi: joey is the sane one. jc is the flamer. lance is the angry one.
justin is the dork.

-levi throws the ntoe away and rubs his head-
-meanwhile-

Jc; No luck. I've tried asking the people at the chruch they got
married in. But they didn't remeber a damn thing. anyone here
have any powers that can help in this situation?

Justin: nope.

joey: Nada.

Lance; I sadly no.

Jc: Wait a minute. Laura can send visions to people. Maybe if we try and contact her she can tell us.

Justin: oaky. here i'll try -tries to summond Laura-

-he gets a reply.-

Jc; You getting anything?

Justin: yeah i did

-the vision she sends if screaming and several men raping her and what looks like an old government building is-

Joey: what did you get?

Justin: oh god. they were..... well raping here. is there an old government building here?

Old man; Just the old sanitation building. What would you kids want with that?

Justin: just want to check it out. come on guys

Lance: okay.

-they get there. it's heavily guarded by slayers-

Justin: shit

Justin: what do we do? we can't transform cause its sunny here

Justin: i don't want tod eal with blisters

Jc: maybe....-looks at Lance-

Lance: what?

Jc; You're a council member's kid.

Justin: oh boy

Justin: pretend your parents are dragging you to your wedding

-drags lance off witht eh guys-

Lance: LET GO OF ME YOU JACKASSES!

Joey: shut it vampire!

inner justin: harsh

Guard: Got another one?

Inner Lance; it works.

Justin: yep

Guard: Fine. Get him in.

-justin holds tightly to him-

-justin drags him inside and they hurry in-

-they hide in a tiny room-

Justin: nice. now i know what to expect when your parents force you to marry

Lance; Okay. Lets go.

Joey: I'll be sure to not cross you.

-they sneak down the halls-

-meanwhile-

levi: damn it. how am i supposed to get in?

-levi sits behind a bush and chews on a branch-

Levi: why am i doing this?

guard 1: How long are we gonna be stuck here?

Guard 2: i don't know. come on lets take a nap

-leans against the wall falling asleep-

Guard 2: Sure. I wanna bang that bitch again. Watch that guy suffer while watching.

-goes to sleep-

Levi: oh boy.....

-the other guards pass out too-

-levi scurries in-

Levi: now what?

-meanwhile-

Justin: where are we again?

Lance; I dunno.

Joey: Just go in the direction where you hear bad stuff happening.

-a slayer comes down the hall-

Justin: hide!

-they scramble into a room-

-they peek out the mini window-

Levi: excuse me sir? -says it in a nerdy voice-

Lance; eh?

Justin: who si that?

Joey; Oh hey Levi.

Slayer; yeah? what?

Levi: do you know where the prisoners are being kept? i'm lost

Slayer: -sigh- fine. last door on the right. Though how you plan on haveing your way with that girl I'll never know.

Levi: your sick -says it in his normal tone-

Slayer; wait a second...

-levi jumps up grabbing a pipe ont eh ceiling. he hangs from it
and kicks with his feet right into hsif ace-

Levi: sweet dreams -runs down the hall-

Slayer; agh! -falls-

Joey: lets go.

-they run out-

-levi bursts into the rooma nd shuts the door quickly locking it
so no one else cna get it-

Levi: surrpised the others aren't ehre yet. hole crap naked

Laura

Jc; shit.

Levi: and other girls

-Laura is tied down to a table he legs cuffed so that they're apart.
chris is curled in a ball tied down and beathen to a pulp.-

Girl; Please help us.

Levi: that table is very gross. and i will -goes into half form-
alrighy then -start sto let eople free-

-Laura gets off the table pulling off the gag that was on her-

Girl: thank you

CHris: -muffles-

-knocking-

Levi: i now think slayers are really nasty

joey: Yo. Let us in!

Levi: oh -goes and unlocks it going abck to untying girls and

jc; Okay. Get some clothes on ladies and lets go.

Guy: thanks man - gasps- dude your..... your magesty -bows
the best he can-

Levi: i'm not king

Girl: its the rpince

Levi: no i'm not!

Guy: eys you are you went tos choolw ith me rememebr?

Levi: not helping

Lance; Everyone focus on the issue at hand. You can thank him
later. Lets focus on getting you all home!

Voice; Oh I'm afraid that won't be happening.

-levi's body trembles at the voice-

Ewan: Long time no see Levi. Still as pathetic as ever I see.

Lance: You son of a bitch! -goes to attack but Joey stops him-

Justin: what the hell do you think your doing dude?

Lance; I'M GONNA BEAT THAT SON OF A BITCH TO A PULP!

-ewan torments levi but touching him lightly and sensitively on the arms and neck. evli shivers-

Chris: -muffles again-

-Lance meanwhile is trying to get at ewan-

Jc; Oh sorry dude. -goes over and ungags chirs-

Chris: finally! Ewan Justin asked you a question -goes to Laura holding her tightly-

-Laura is crying into his chest...again-

-chris hands her her clothes-

Ewan; What is wrong with me? I simply got angry. I can't stand

al the rules of our kind. I wanted it to go back to the way it was. i wanted the power for myself.

Ewan: But in order to do that I needed to get close to the royals.

Jc: You were an evil ten yearold.

-levi chokes a sobs but hides it-

Ewan: so I hurt the heir to the throne. I hoped he would die. But it appears I was wrong. Oh well. Now I can finish the job!

Lance; TOUCH HIM AND YOU DIE!

-lance breaks free from Joey and tackles Ewan going into full form-

-levi rips lance off of him instatly-

Levi: don't kill him!

Everyone in the room: WHAT?

Lance; Levi he caused you so much pain. he desrves to die.

Levi: not yet. you'll be tried for murder. not yet -ewan quickly grabs levi and drags himf romt eh room running somewhere-

-levi is screamign to be let go-

Lance: LEVI!

Justin: fuck!

-they runa fter them-

Laura: Chris go with them. I'll be okay.

Chris: gets these peopel out of ehre baby -kisses her deeply and rusn after them-

Lance: levi! -is speeding down the hall after ewan-

-ewan throws levi into a corner and has his slayers get ready to fire darts-

Levi: meep

Lance: nO!

-Lance skids in front of Levi his arms streached out-

Ewan: So you've got a death wish? Fine. You can die with the brat.

Levi: lance your being really stupid right now

Lance: So I should let you die? Nuh uh.

Levi: you'll just die with me that works perfectly

Lance; I'm not going to let them hurt you!

-Joey and the others start tackleing slayers-

-but a couple are able to fire. levi shoves lance away and they all

hit him-

Lance: You idiot!

Justin: damnit!

levi: better me then you!

-gets dizzy-

Lance: No! -runs to levi.- Don't go. Please. Don't go.

-levi picks up a dart-

levi: move

Inner Lance; I nevergot to tell him how I felt.

-levi stumbles over to ewan-

-Lance moves-

Levi: okay so i'm gonna die right now

Ewan: Good.

Levi: i don't wish for you to feel what i felt

Ewan: still as soft hearted as ever I see.

Levi: i think hell will be enoguh -stabs the dart into his chest-

Levi: brun hell you ROTTEN BASTERED!

Ewan: AAAAAAAAAAAAAAAAAAGGGGGGGGGGGGGGGHHHHHHH!

-stumbles against the wall-

Joey: Somebody get some antivenom now!

Jc: Ewan is a vampire...Or was. He's got to have some.

Levi: its too late

Lance; No!

-levi blinks-

-Jc digs around for the antivenom-

Levi: yeah things end horribly

Jc: here we are. -throws it at Lance- Catch!

-levi pulls out each dart one by one-

Lance: Levi hold on! -injection!

-its too late-

-levi hits the floor and lays next to ewan-

Lance: damnit! Levi I love you.

Levi: i figured that much

Lance; Please. Live.

-levi nods-

Levi: okay -stand sup-

Lance; wha? -looks shocked-

Levi: that day when i had that dart in my butt? and i was really high all day? well i was but there was another reason

Jc: do tell.

Justin: holy crap its a miracle

Levi: justin knows

Justin: he's now a hybrid!

Laura: I got the last of them out of here. Oh levi. YOU're alive.

Good.

Justin: the injection didn't kill him. it got into his system and the anti-venom was given too late but even he didn't know.

Levi: i was tranforming the entire day

Levi: so yeah. i realized a few secodns ago that i was because i was perfectly fine

Lance; yes! -hugs Levi- i was so scared.

-counsil memebtrs flood intot eh building along with the king and queen-

Levi: that was the point

King: Search the entire area!

Jim: lance thank god you are oakly!

Queen: levi! -runs to him hugging him- Oh my baby boy. You're safe! -kisses him repeatedly-

Levi: mom!

-tries tog et away-

-Laura shrinks into the shadows-

Queen:I'm a mother. This is my job.

-chris goes upt o ehr hugging her from behind-

Chris: don't worry

Levi: bleck -wipes ht elistick off of him- he was the one behidn it if your wondering -pointing to ewan's body ont he floor

Queen: He shall be fed to the crows.

Jc: that's more than what he deserves.

Justin: what about that heart deal?

Queen; We can find a donor. Many vampires were organ donors.

Justin: no there was that thing Lance said that because ewan cut out elvi's heart ewan's heart is cut out and given to levi

Queen: that's right.

King: Salvage that bastards body.

-levi holds onto his mom-

Levi: he sued me even more than i thought

-a few council members cut open ewans body and extract the heart-

Levi: but i still love him is that wrong?

-levi takes a knife and pulls off his shirt looking at his mom-

Queen: no. things like this happen.

-levi sighs and cuts open his own chest, despite the horrible pain, and puts ewans heart right where his once was-

-it attaches tot eh vessels and begins to beat-

Laura: Oh my god.

-it was black but now its very red-

Joey: wow...

Justin: eww

Lance; cool.

-levi's chest heals up and there isn't a scar-

Jc:

Levi: i feel.....

Queen: yes dear. -kisses his head again-

Levi: different. Ewan is litterlly a part of me

-drops the knife onto ewan's crotch-

-justin pukes-

Jc; serves the asshole right.

Lance;

Inner Lance: do I ask him out? Or wait/

-levi sighs-

Levi: i feel whole

Levi: cna i go abckt os chool now i need a frekain nap

King: Yes that would be best.

Laura: Chris?...What do we do?

Chris: tell them. or run really fast

Jim: Lance have you met your fience yet?

Laura: The latter sounds alot easier. My parents aren't going to take kindly to this.

Lance; Yeah. Dad. I'm gay.

Jim: what?!

Chris: i thinkt he amrriage is gonna not happen

Lance: I found it hard to belive myself...but I'm just not interested in women. Besides. My 'fiance' is already married.

Laura: Chris lets run. Now.

CHris: yes lets -her dad is giving him the death galre-

Levi: stop!

-chris stops-

-Laura stops and nearly trips-

-levi goes over to Laura's dad-

Levi: okay you want the best for your daughter right?

B-dad: Yes. That's why I arranged for her to be with Lance.

Levi: Lance isn't the best for her. Chris is. They love each other so much. I can't explain it. I felt what they had once but hopefully I feel it again and for the rest of my life

Levi: they are so committed they ran off to Canada and married and were going to hide from you.

King: I think it's time yours and Bev's families put this silly feud behind you two.

B-Dad: Sigh. Go on you two.

Chris: you mean it?

B-Dad: Go on! -goes to him- Take care of my little girl for me.

Chris: thank you sir. I won't let anything bad happen to her
-Chris is stills cared shitless-

Laura: Lets go.

Levi: now Jim. what is so wrong about being gay? your son is happy. that's what you want for him right?

B-Dad: i'll call a car for you two.

Jim: yeah... i do.

Levi: you'll still ahve grandbabies sooner or later. cerigate or adoption ya know

Lance; Dad...please.

Jim: just... be smart. how am i going tot ell your mather this?

Lance; maybe later this evening when she's done doing the dishes.

Jim: that would be good

-he hugs his son-

Jim: so um... i can tell you like someone else. who is it?

-levi puts his shirt back on-

Lance: -points to Levi- Please don't kill me.

-levi looks at lance-

Jim: well i think yuor mom would like it if you became king one day

Queen; awww. You'd look so cute togeather!

Levi: mom!

King: Honey please.

-levi blushes a bit-

Queen; I'm sorry. Just the hormone overload. You can thank levi's baby sister for that.

Levi: wait what?

king: Your mother is pregnant.

Levi: dear god THANKFULLY I AM AWAY FROM HOME!

Jc: Uh...shouldn't we be heading back to school now?

Joey: yeah.

Levi: yes! -hurries away from his prego mother-

-by the time they get back to school it's dark out-

Levi: i think Laura and chris are having fun on their honeymoon

Jc; Yeah. Her dad sent them to this Island somewhere.

Lance: Lucky bastards.

-levi nods-

Levi: no more guards!

Justin: ayay! freedom!

Joey: Yeah. Now that the uprising is over.

-levi puts his hand on his heart-

Jc; This means the dance is back on!

Lance: Wanna go Levi?

Levi: oh..... um sure. that would be nice

Lance: yes!

-levi chuckles-

Justin: lets get inside -runs inside with jc. joey walks-

-levi holds lance's hand-

Levi: its soft

Lance: You hand is warm. Sorry I was such an ass to you.

Levi: i use to be very cold without a heart. in more ways then one

Lance: Lets get some food. There's no hurry.

levi: i ahve other plans

Lance; Like what?

-levi pulls lance to him and places his ahdns on his waist. he
kisses him not wanting to let go-

Inner Lance: I can live with this. -holds Levi kissing him-

-few weeks later at the dance-

levi: i hate that everyone knwos who i am now -pouting int he
corner watching jc and jsutin dance crazily-

Joey: And she's not pregnant! Bravo Chirs nice job!

Lance: Come on Levi. Lets dance.

CHris: shut up joey -hodls Laura-

Levi: i can't dance. trust me your not the only person who has
asked

-another girl runs over and asks him-

Laura: He's gay hun. It's not gonna happen!

Levi: i can't dance either

-the girl pouts and walks off-

Levi: i feel bad about that. i actually ahve a heart! as you can see
ewan's heart has actually brought my old self back. without one
i am missing emotions

Lance; i like you better with it.

-levi pulls lance into hsi lap wrapping his arms around hsi waist-

Lance: I like cuddleing. We should go somewhere cold for chirstmas break.

Levi: yes we should

Lance; Maybe Canada. I hear they have awesome slopes there.

Levi: Utah is still int eh US though

Lance: Okay.

-levi rests his ear against lance's chest hearing his heartbeat-

Lance: You feel nice and warm.

Levi: okay maybe i can try a few moves on the dancefloor. but can all of you cure a little question i've always been having?

Chris: ask away

Laura; Sure.

Lance; What is it?

Levi: you guys really do care about me right? and your never going to hurt me on purpose?

Justin: hell no -came off the dancefloor with jc-

Laura: No.

Chris: fuck no. your the funniest guy i've met

lance; never.

Joey: No. Why?

Levi: just wanted to be sure ya know

Laura: I'm not likeing where this is going.

Lance; what's going on Levi?

Levi: you know with ewana nd my old school it hrut so much. i came ehre and jc was off the bat the only guy who would actually talk with me no matter how much i tried to stay away from hsi flaming ass. i just wanted to make sure that i'm not dreaming all this that i can actually ahve a great life again

Jc; Of course you can.

Levi: okay.

-levi pushes lance off of him-

Levi: elts dance

Lance; yay! -drags levi onto the dance floor-

-its a slow song-

Chris: come on wife -drags Laura out-

Justin: round five jc -drags him-

Joey: Here goes nothing. -walks up to kelly- May I have this dance?

Kelly: -smiles- i thgouht you'd never ask!

Joey: Lets go. -takes her onto the dancefloor-

Kelly: i heard from a friend that you asked me tot eh dance on the chalk board in 3rd period. i was sick that day

Joey: You're right. i did. Sorry.

Kelly: i kept trying to find you but before i did someone else asked me. and they never showed up tonight

Joey: Jackass.

Kelly: yeah he is

-meanwhile-

Laura: Chris? How are we gonna handle the blue moon?

Chris: ahh you havne't stepped on my toes yet

Chris: huh? oh um... like i do every eyar

Laura: I;m not that big of a klutz. And what do you do every year?

Chris: i'm a bat vampire. blue moon doesn't effect me like other vampires

Laura; oh...-bites her lip- Can you just makes sure I don't do anything horrible.

Chris: sure baby -kisses her forehead-
-meanwhile-

Justin: jc are you wearing underwear?

Justin: i'm a virgin still. and we are both 15. well i'm 16 in january and you turn 16 in august

Jc; Well you can lose your virginity but you'll still have the box it came in.

Justin:w ait huh?

Jc; You lose your virginity but keep the box it came in. you still have an ass.

Justin: i'm not ready to loose it jc. i know your freakin horny on elgs but... i'm not ready yet

Jc: Okay. I've been ready for a long time but I can wait.

Justin: thank you -rests his head on his shoulder-
-meanwhile-

Levi: do i suck at dancing?

Lance; Chris is worse. Look at him -nods in chris's direction- i swear why did Laura choose that guy?

Levi: why did I choose Ewan?

Levi: you can't question people

Lance; Point taken.

Levi: they are in love. they were destined for each other sicne they were kids basically. they had oral sex at ten!

Lance: yeah. That takes guts. I've never really belived in the idea of soul mates but knowing these guys it kinda changes my mind on it.

-levi nods and rests his ahdns on lance's shoulder-

Lance; I love you. -kisses levi-

Levi: i know

Lance; Wanna dissapear for a bit?

Levi: we need to talk

Lance: Sure. What about?

Levi: first of all i'm not ready to say i love you. second of all i'm 15 and i'm not going to do what i did at 12 for a very long time. i'm too young and i feel i should mroe older when i'm mroe amture about it... and when we can make love to each other

Lance: Okay. i was just suggesting a make out session but okay.

Levi: even that -levi rests his ehad against lance's chest- i don't want to screw this up. i'm scared and i jsut want to knwo that we are gonna be alot more then what i had with ewan. i was young and really stupid

Lance; You're allowed to make mistakes. It's normal. Don't worry. we'll be fine.

Levi: i hope -holds lance-

-the song ends.-

Laura: Hey guys. I wanna talk to ya'll tomorrow morning.

Levi: okay

Justin: got it

Lance: Okay. see you in the morning.

Joey: Okay. Night.

Jc; me need to go sleepy.

Levi: night

-they ehad to their rooms-

-the next morning-

Laura; Hey everyone.

Joey: Morning. So what was it that you wanted to talk about?

Levi: what did you want tot alk about?

Chris: i didn't knock you up did i?

Laura: I've been thinking about starting a group. No Chris you didn't knock me up. i would have told you first before these guys.

-chris sighs in relief-

Justin: a group?

Laura; yeah. Like music wise. You're all really talented and with Levi's help we could actually make it big.

Levi: what do you mean my help?

Laura: You're good at song writing. You might be able to help us out.

-levi rubs the back of his neck-

Justin: so all seven of us in a group?

Laura: I was thinking the five of you. But if Levi wants to join he's more than welcome.

Chris: what about you?

Laura: chirs I can't sing worth shit. You know that.

Chris: yes i do

Justin: so levi do you want to do it with us?

Levi: give me time to think

Laura; Okay. just thought you guys would want to know. -heads to study hall-

-chris heads to his room to shower-
-justin follows so he can change-

lance; what do you think Levi? I sounds like fun.

Levi: yeah.....

Lance; What's wrong?

Levi: like i said..... tiem to think about it

Lance: Okay. Hey maybe after classes today we can go out for

a white tutle neck and sweats-

Levi: this place is warm

Lance: yeah. they've got the fireplace and everything.

-levi sits on the one bed-

Levi: guess we are gonna be sharing

Levi: i don't mind -pulls lance on the bed and kisses him-

Lance: This is gonna be awesome. Three whole weeks together.

Levi: okay never talk again -kisses him stroking him hard-
-and fast-

Laura: ah ah ah ah ah Ah Ah AH AH! -cums-

Joey: I'm gonna hide now.

Jc; Ditto. I'm not into straight porn.

-justin drags jc to the fireplace-

Chris: fuck!

Justin: everyone run!

-Joey scrambles into his room locking the door-

Jc: Let go. -grabs Justin by the hand and takes him to thier room-

-there is alot of 'banging' around afterwards-

-only levi and lance seem to not loose any clothes-

Lance; I'm jelous of them.

Lance: Wanna turn on a movie to drown out the cumming?

Levi: please!

-Lance turns on the tv and blasts the volume-

Lance: Why did it have to be porn?

Levi: i don't know. why did it ahve to be gay

Lance: Good point. -kisses Levi- Lets just enjoy the show.

-levi nods and they snuggle-

-they stay like that for several hours until there is a loud knocking-

Levi: huh? -looks up- i'll get it- stands and goes tot eh door-

Vamp Dude: My lord. -gets on his knee- i have grave news for you.

Lance: Levi? What's wrong?

Levi: what happened

Vamp Dude: The king and queen...Your mother and father...They are gone.

-levi froze-

Lance: What?

Levi: what? -it was barly audible-

Lance: Oh god.

Vamp Dude: You are now our king. My lord.

Lance; Levi...

Levi: explain! -it was a very loud scream that rumbled the house-

-levi was in tears-

Vamp Guy: We are still investigating this as we speak. Your sister princess angelica is alive and well though.

-Lance goes over and stands by Levi-

-the others come out-

Jc; What happened?

Levi: i want tot know! where were they! what the heck were they doing!ck was with them and supsoe to protect them! -the screaming and power and deepness in his voice shock the cabin so bad that the snow fell off the roof-

Vamp Dude; I know as much as you do on the subject. I was merely sent here to tell you the news. I assure you that we will send word whe nwe get a break in the case.

Levi: where is my sister -his voice was calmer - the tears haven't stopped at all-

Vamp Dude; she is being sent here. For her safty as well as yours.

Levi: okay. leave

Vamp Dude; Yes sire. -leaves-

-levi shuts the front door slowly-
-the others come down and stare-

Laura: Oh god Levi...i'm so sorry.

Justin: did we have an earthquake?
-levi was turning red-

Lance: No...worse.

-his fists were clenched-
-he was trembling-

Chris: i think he's gonna blow

Lance: They're gonna find who did this Levi. They'll find em and
imprison them. -hugs Levi-

-Laura takes a step back-

-levi screams throwing lance across the room. he changes into a
lycan and runs out the back door and into the trees and snow-

Chris: leave him lance

Justin: you okay man?

Lance; Yeah. I'm fine. -stands up- Chris is right. He needs to be
alone.

Justin: okay. i'm gonna make dinner -heads into the kitchen-

Chris: i'll try and help -follows-

-lance sits back the window that faces where levi ran and watches looking worried and depressed-

-most of all compassion-

Lance; Please be okay.

-joey pats his back-

Laura: Do you think He'll come back?

Joey: He's gonna be fine. Don't worry.

Jc: He'd better be. I don't want to see a regent on the throne.

Laura: Jc's right. Angelica is too young to take the throne and there are lots of council members who'd gladly overthrow the royal family. I wonder if the king and queens deaths weren't an attempt at a coup de tat.

Chris: the wha?

Laura: A cou day ta. Its essentially a government takeover.

Jc; It is possible. But most council members aren't like that.

-Laura goes back to chopping veggies-

-meanwhile-

-levi couldn't stop running. he wanted to keep going. but his four elgs gave out and he fell sideways in the snow panting like the

dog he is-

inner levi: why... i want my mommy i want my daddy. i'm too young to be king and i can't raise my baby sister all alone! and once i get back all the mouths i'm gonna ehar is 'we are here for you' but seriously... god..... who what where when why how!

-levi howls up at the half moon loud and hard-

-he hear others reply. not knowing if they were wolves or lycans-

Voice 1: They don't know who.

Voice 2: It was one of our kind though.

Voice three: It happened shortly after you and your friends left.

voice 4: It was an attempt to destroy the royal family.

Voice 5; It happened with venom.

inner levi: who am i hearing? -still panting-

Voice 1: we are your family on your fathers mothers side. I am your grandmother.

inner levi: oh yeah. i'm half lycan. and now AM half lycan. hi grandma

g-ma: It's been so long since I last saw you. When I last saw you you were only a pup. And your howl was not more than a squeak. Look how you've grown. You look so much like your father.

inner levi: i howled?

g-Ma: Yes. Right after you cried. Both your mother's and fathers families were there to witness it. It was one of the greatest days of my life.

inner levi: how can i howl when i was born full vampire?

G-Ma; You still have lycan heratige.

inner levi: odd

G-Ma; Besides. It matters not. Come. The pack isn't far from where you are. YOu can stay with us for the time.

inner levi: i want to be alone

G-Ma; Very well. Just like your father at that age. But if you need anything. YOu'll know where to find us.

-levi whimpers and tries to sleep. it doesn't last long. he wakes up freezing cold and litterly burried under the snow-
-meanwhile-

Justin: lance stay!

Lance: He hasn't come home yet! i need to look for him! YOu saw the snow that was falling! He could be freezeing to death out

ther!

Laura: He will come back when he is ready!

Chris: let him go. levi will just bite his head off once he finds him

-Lance runs from the cabin looking for him-

Laura; Chris! How can you say that!

Lance: Levi! Levi! Where are you!?

-he keeps running around-

Chris: you think we were gonna stop him?

-meanwhile-

-levi shivers and tries to move his body-

inner levi: i'm a rock.

Lance: leeeeeeeviiiiiiiiiiiiii!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

-he keeps trying to move, or at elast transform-

-he transforms back to human and the snow pile he was under goes poof and he climbs out of the snow very blue. lanc eis there-

Lance; There you are! Thank god you're alive! -runs over holding him-

Levi: chatterchatterchatterchatterchatterchatterchatterchatterchatter
chatterchatterchatterchatterchatterchatterchatterchatterchatterchatt
erchatterchatterchatterchatterchatterchatterchatterchatterchatterch

atterchatterchatterchatterchatterchatterchatterchatterchatterchatter
chatterchatterchatterchatterchatterchatterchatterchatterchatterchatt
erchatterchatterchatterchatterchatterchatterchatterchatterchatterch
atterchatterchatterchatterchatter

-Lance picks Levi up and takes him back to the cabin-

Lance: We'll get you all warmed up.

Justin: holy crap we have an ice pop -staring at the blue levi-

Chris: throw him int he fire

Laura: I'll get a warm bath started. Chris be nice! -goes into the
bathroom-

Lance: Hurry.

Chris: i was!

Jc; Now now married couples shouldn't fight.

-levi was sort of stuck in one position. he could only move his
eyes and jsutinw atched-

Justin: now that is creepy as hell

-Laura draws the bath and Lance puts Levi in-

Laura: I'll get something hot for him to drink.

-clothes off-

-his dick was a aquard shape of purple-

Lance: That's something you don't see everyday.

inner levi to himself: shut up

-Laura leaves the room-

Lance: Sorry Levi. Just had to say it.

-one hour later-

Lance: How you feeling?

-levi was un frozen and in very comfy warm clothes sitting in
front of the fireplace-

Levi: don't know

Lance: I'm sorry about what happened. I can't imagine how hard
it is...I'm gonna shut up now.

Levi: that would be good

-stares at the flames-

-there is a knock at the door-

Justin: i'll get it

Laura: OKay.

-he goes into the entry way and answers it. there is some quiet

talking then the door shuts. justin coems abck in a bag over his shoulder and a tiny two month old baby in his arms-

Justin: your sissy is here

-levi looks up-

Laura; She's beautiful.

Baby: Yawn.

Chris: don't get nay ideas Laura!

-justin offers angelica to levi-

Laura; I want one!

-levi takes her-

-she wakes up and squirms-

Levi: its okay sissy. your safe with me -holds her to his chest-

-she seems to know something is wrong and whimpers a little-

Levi: i know

inner Angie; You smell funny. You not mommy.

Levi: vampires don't age as fast as lycans

Levi: i'm your brother angelica, Levi

Inner Angie: Me hungry. I want food.

-she starts crying-

-levi digs in the back and pulls out some breast milk-

Lance; Is there any baby formula?

Levi: here. mothers milk -feeds her. vampires and lycans as babies only drink milk then go to either raw meat or blood-

Levi: there is like a ton of bobbie milk in there. i'm not worried
boobie

Lance; Your mom really planned ahead didn't she.

Levi: its like she knew something was going to happen -tears
falls and lands on angelica's forehead-
tear falls

-Angelica flinches and goes back to sucking-

-levi goes back to staring into the flames-

Inner Laura; -to herself- I want one.

Jc; She's so cute.

Joey: Kinda looks like you Levi.

Levi: we take after mommy

Angie: -very loud burp-

Levi: and that is from daddy

Jc; Did you get that from her?

Jc; Never mind.

Levi: my moms is worse

-Angelica goes to sleep. Laura goes to her's and Chris's room to take a nap-

-levi walks to his and lance's room to put her to bed-

-levi lays down and burries his face into the pillows-

-Lance gives Levi his space knowing that He should probably be alone for the time being-

-next morning-

-angelica is sucking on her toes-

Laura: Aww. You're just adorable.

Chris: Laura we are 17!

Jc; -going into the kitchen- Chris seriously careful.

Laura; So I'm not allowed to think a baby is cute?

Chris: you want one though

Laura; Is that bad?

Laura; Alot of girls and women want kids.

Chris: with me yes. cause i might just accidently knock you up

Laura; Why are you so opposed to the idea? We'll be eighteen soon. And we'll be graduating next year. I don't see the problem.

Chris: i'm not ready

-levi comes downstairs looking deader then George Washington-

-Laura sighs and goes back to playing with Angie-

Lance; Careful where you step Levi. The married couple is having their first fight.

Inner Angelica: meh. -sucks on foot- Where's the nice lady?

Jc: Sometimes I think that she knows more than she looks like she knows.

Levi: i'm her brother i can read her mind

Jc: So she does know more than she lets on?

Joey: Yes now stop whining. By the way the cookies are burning.

jc: SHIT! -runs-

Justin: ah man!

-Laura comes down the stairs from her nap. Chris went into town to get some stuff-

-he fills up the sink with nice warm water-

Joey: Damn that kid is loud.

Levi: what did you say?!

Joey: blah blah blah blah blah.

Inner Laura; he's already acting like a parent.

-he undresses angelica and throws away ehr diaper cleaning ehr off. then puts her int eh water-

-she is struggleing with all her baby mihgt-

Levi: you are weak kid. -starts to splash water on her and cleaning her off-

Justin: what will tit ake to shut her up!

joey: Levi just let her go!

Laura; She'll wear herself out eventually.

-angelica cries throughout the bath-

-levi starts to sing-

-she continues to fuss but it has calmed down considerably-

-jc joins at the choruos harmonizing with levi-

-Laura buries her head in the pillow shutting it all out-

-she calms down just sniffleing-

-levi keeps washing ehr off then lifts her out of the water and wraps a soft twoel around her body-

Levi: you'll be oaky sissy. i love you

inner Angelica; Wanna play with lady.

Levi: lets get you dressed first chubby

Inner Angelica: I AM NOT FAT! -squaks indignantly-

Levi: is aid chubby. tis a good thing -goes to hsi room and dresses her-

Jc: Laura....-pokes her- Laura?

-one of Laura's powers is the ability to shut out all of the outside world and go into her own mind. she's doing this now-

Joey: Crap. She's giving us the silent treatment.

Lance; Leave her alone guys.

-levi has a crap load of abilitys but the one thing that is jsut his is the gift of being able to write music that fits any mood and is able to change their mood-

-levi coems back out dressed himself and bottle feeding angelica who is all pretty in black-

Angelica; suck suck suck suck suck suck suck.

Lance: She is pretty cute.

Jc: She's got her momma's good looks...Shutting up now.

Inner Jc: -to himself- I'd better not mention Levi's parents around him.

Joey: Hey what time did Chris say he'd be back?

-levi sits down and is silent-

Justin: he just left

Joey: Okay...So that means we've got about an hour...Maybe a little more. Okay anyone know how to invade minds?

-chris comes into the cabin with some baby stuff and chocolate and flowers-

Levi: are those for me? -bats his eyes-

Inner Joey: crap.

Chris: keep dreaming. there are for her -hands a sack to levi full of baby toys and baby supplies-

Levi: well thanks -grunts and sets it down-

Jc: aww. Look at that little dress! Angie is gonna look so cute.

Inner Lance: -top levi- How are we gonna wake her up?

-Laura rolls over-

Levi: beats me-

-chris holds the flowers in front of ehr nose-

-she sneezes-

Chris: waky waky

Laura; Meh. I liked being in wonderland. -that's what she calls her subconciuous world-

Chris: i got your faves ya know -offers the chocolates-

Laura: Thanks. What'd you do? Kill someone? Run over my puppy? Eat my stash of snacks?

Chris: we fought. didn't we?

Laura;As much as I hate to admit it.

Chris: i know you want kids and i do to! but not for a long time

Laura. not for another couple of years

Chris: its scares me that you want a kid at such a young age...

my mom made that mistake with me and i just don't want to turn into my dad

Chris: running away scared

Inner Laura; -to herself- This is exactly why I went into wonderland. The last time it happened i nerly didn't come out.

Laura; -sigh.- Okay. But please don't freak out every time I play with Angelica. Well it probably dosen't matter anymore. Levi

won't let me near her anymore.

Chris: Laura. -he puts his hands on her waist- dor ealize that he is probably scared for his life - litterally.

Laura; You don't think I don't know that? i'd never hurt him. Or his sister.

Chris: i don't think he wants angelica out of his sight. his parents were killed. he is responicble for angelica at 16

Chris: i know levi knwos that but that isn't gonan change anything.

Laura: As stubborn as he is. -flops over in bed- God this is like middle school all over again. I never thought this would happen to me. I'm only supposed to use that place when my physical body is in danger.

Chris: what place?

Laura; Wonderland. At least that's what I call it. It's one of the ablities in my family. Mostly cause we have witch or wiccan in us.

-chris nods and pulls out a chocalte placing it near ehr mouth-

-Laura takes a bite out of it-

-chris smiles-

Chris: next thing ya know people are gonna suddenly swarm the house and try to kill us

-he spoke to late-

Laura; knowing who our families are it wouldn't suprise me.

Chris: everyone run!

-Laura goes into full forn and flys waiting for Chris-

-Lance nods and goes into full form-

-Chris and the others go after her and Levi does as well holding Angelica-

-he goes up and is tugged back down. he drops Angelica at the sudden jerk and a lycan catches her running off-

Levi: ANGELICA!

Laura: DAMN IT! -flies after the lycan-

-everyone attacks runs with him-

-Levi changes into a lycan and chases, running after them-

-but they disappear-

Levi: ANGELICA! -it's an howl-

-Laura is grabbed by one of the attackers and is beaten till she's left on the ground bleeding-

Chris: Laura!

G-ma: -howling to Levi- We will send all our allies to find her
Levi!

-goes to Ehr with anti-venom that they also had on hand just in case-

Levi: please! I have to protect her!

-Laura went into wonderland again-

-levi tries to keep running but lance holds him back as he howls and cries out for angelica-

G-ma: I will find my granddaughter! These traitors will pay for what they have done! -howls in anger and there is soon howling heard in many places. the lycan's are on the hunt-

-levi changes back and is sobbing-

Lance; Don't go after her Levi. You need to stay alive. -holds him-

Levi: i want my mom! i want my dad! i want my sister! i just want everything to be normal again!

-pounds on lance's chest in anger-

Lance: i know. I know. i wish I could make things go back to normal. Really I do.

-it soon becomes quiet except for levi's crying. they go back to the cabin that is trashed-

Justin: we have to protect Levi at all cost. if he dies someone else will take over and i think that is a BAD thing

Joey: Is Laura alive?

Je; that's not the issue right now. Justin is right. our main priority is Levi.

Lance: Exactly.

Chris: she's fine

-is holding her-

-meanwhile in wonderland-

Laura; my body is healed now. I think it's safe for me to go back.

character from Laura's mind: see you next time.

-Laura goes back up the rabbit hole-

Laura; uhh.

Chris: hey baby -pets her face-

Laura: The mad hatter says hi.

Chris: okay

-levi is staring at the fire-

-he is trying hard to try to ehar angelica's thoughts-

inner levi: come on sissy! your alive i know it!

inner levi: say anything for pete sakes

inner Angleica; I want milk.

inner levi: sissy? what do you see?

Inner angelica; i see a fireplace. Lots of raw meat...and people.
Lots of them.

-leviw as trying so hard to cominicate with angelica the wall that
he had built over hsi mind over all these years was taken down
so he can talk with her-

inner levi: are you safe?

inner Angelica; Yeah. I'm fine. These people are being really nice
to me. There's lots of people fussing over how cute I am.

inner levi: of course. uhg. what are they talking about?

inner Angelica; Something about teaching me to hate some
people. You included I think. And about killing you.

-do know that many people want he royals or whoever is next in
line DEAD. angelica isn't a worry but they don't want her to
remember about her family and raise ehr as their own so she
doesn't become queen-

inner levi: figured

-levi sighs staring deeper intot eh flames-

Inner angelica; Please brother. i wanna go home. I wanna be
with you again.

inner levi: angelica these people aren't nice. theyw ant the

throne. i don't know why but just

inner levi: i know

Inner angelica; Please help.

inner levi: i'll sing to you sissy -sings in his head-

-angelica goes to sleep-

Lance; Did you find her?

Levi: not really. just know she's alive and they want me dead

Levi: this is so out of the blue.

Lance; Okay.

jc: We'll find her. We'll find her and make those bastards pay.

Levi: thats what everyone says

Jc; But it's true.

-levi rubs hsi temples-

Levi: i just want to be alone. i just wish iw as back at school.... at the beginning of the eyar. i felt so much better then

inner lance; and you were cruel and unkind. and heartless.

inner levi to himself: thats a lie. iw ant it to be back to when

lance was kissing me yesterday. whenw e were int eh snow
inner levi: that protected me from all this lance

Laura: it does get better. I've been through some bad stuff in my
life. I nearly locked myself up in a fantasy world for all eternity
because of it. But it does get better.

Levi: well you aren't sunddely in charge of all the vampries
when your 16. -he rubs his temples more-

Inner Laura; sorry i said anything. I was just trying to help.
-looks away from him-

jc: so what do we do?

Joey: I'm gonna research any areas that may be the hideing
place for our would be kidnappers.

-goes upstairs-

-levi's headache gets worse-

Justin: levi you need to calm down

Levi: SHUT UP I DON'T NEED YOUR FUCKING HELP!

Lance: Just try to relax. -flinches when Levi yells-

Levi: i can't fucking relax! god its like someone is breaking into
my ehad with hammers and naisl!

Lance: what? Is it the person who kinsnapped angelica or is it us?

Levi: probably your fucking voice is the cause! nag nag nag -
paces groaning and holding his head-

-lance stands up and goes outside-

Chris: lance! levi seriously shut up!

-chris glares at levi and then gasps-

Chris: he's bleeding! out of his ears!

Inner Laura: I'd say something but what good would it do. -goes
to head for her room then goes to Levi- Levi...-touches his
forehead to see if she can see into his mind-

Jc: eh?

-levi groans more-

Chris: i think someone is trying to breka into levi's head

Laura: I'll try and see if I can fight them off. Levi this may hurt
abit. But bear with me. -concentrates on finding the person in
his head-

-levi screams-

Levi: get out of my ehad!

Laura; I'm not going to let them kill you!

Levi: no one is in my ehad! your making my headache worse!

Chris: okay. guys help me hold him down

-they hold levi back-

Levi: let me go! -he howles-

-Laura continues searching his mind-

Inner Laura:

Inner Laura: Come on this bastard has to be here somewhere.

-she soon finds it. its the whole group using angelica to get into his mind. but Laura doesn't know that. she just finds angelica-

Inner Laura; Angie stop it! You're hurting your brother!

Inner Angelica; I can't They're making me!

-there is a tiny levi in his ehad that is crying out in pain-

Inner Laura; You can stop them. Here. I'll show you. Just shut your mind off to all of them.

Inner Angie: Okay. -builds an imaginary wall between her and the attackers-

Inner Angie: I think that took care of them.

-levi falls limp-

CHRIS: holy crap dead weight -they all hit the ground-

inner Laura: Okay. just keep focused on that wall. -goes over to

the little Levi-

-its whimpering-

Inner Laura; It's gonna be okay. -rubs it's back.-

-elvi smacks her hand away-

Inner levi: go away

-he starts to build the wall around his mind fast-

Inner Laura; Why won't you let me help. i saved your life!

inner levi: get out before your sealed in

-Laura sighs and leaves-

inner levi: i know what is best for me now get out!

Laura: no you fuckin don't you stubborn selfish jerk. -gets out of his mind and storms out-

-levi seals up his mind-

Chris: Laura! -goes after her-

Chris: yeah why are you always throwing tantrums!

Laura: Because no matter what we all do for him. no matter how much we try to help he insists on acting like a child and not

letting us.

Laura; I wonder why I helped him. when i was in his mind he slapped my hand away and nearly sealed me in as well. i tried to help him and he wasn't in the least bit grateful.

Laura: I won't tell him what I saw. I won't tell him I know who angelica's kidnappers are.

Laura; Oh who am I kidding. -sinks to her knees- i'll tell him cause that's the fool I am.

Inner Laura; Chris is going to scold me now. I know it. -braces herself-

Chris: Laura Laura Laura -holds her to his chest- that levi ahs to protect himself. why do you think hew as like that before hand? at the beginning of the last year? he had to he was scared. he still is. he lsot his mom dad and now is sister is in danger

Chris: i'm not going to scold you. you just ahv eto face it that not everyone is gonna let you try to help them

Chris: you can expect to be everyone's hero.
can't

Laura: I never expected any of that. I just wish he would stop hurting the people who care about him. now lance has run off somewhere.

CHris: he isn't. hello Laura -s omeone was attacking him in his head! he isn't gonna be rational

Laura; I'm not stupid. I know.

Chris: he had to save himself and you before something else happened. every thought that? if you didn't elave and he didn't get his wall back up something could have happened again and you would be hurt

Chris: he cares. if he didn't he'd let them kill him

Inner Laura: -to herself- Why can't I do something right for once? -buries her face in Chris's chest-

Jc: You guys okay? -follows them out-

Chris: yeah. go find lance

CHris: how is levi?

Jc; Right. -leaves-

Jc; He's Levi. What more can you say. He's still stareing at the fire and is giving everyone the silent treatment-

-chris sighs and pets Laura's head--meanwhile-

inner levi: i have to get them to safty. they won't listen to me - try to stick up for me saying they will protect me. no they can't. they are going into a place i won't let them go. i have to make them leave and there is only one way..... god i love them all so much. expecially lance. i don't want to hurt him but iw ant him safe

-levi goes to his room and packs his bag and gets dressed for

snow-

-he goes to the kitchen getting some food-

Joey: Going somewhere?

Levi: away from you all assholes -he says is harshly and brittly
and i a snapy tone-

Joey: What the hell? We were trying to help you.

Levi: bull shit

-levi pulls on his gloves-

Joey: Fine. Go back to your old sorry life. -goes back to reading-

Levi: i was better off when you guys ignored me and i never
talked and iw as by myself. i felt alot better then
-the othes come in along with jc and lance-

Chris: levi?

Levi: don't fucking talk to me.

-Laura goes to her room tears in her eyes-

Levi: your wife nearly killed me

Chris: what! she saved you!

Levi: whatever

Laura: SHUT THE FUCK UP YOU UNGRATEFUL SON OF A BITCH! GOD I CAN'T DO A DAMN THING RIGHT! -runs slamming the door-

Joey: Levi if you're going to be like this then just go. Now.

Levi: fare well. hop you all rot -storms fromt eh cabin driving away-

-levi looks heartbroken-

-justin thinks thats how levi felt when ewan hurt him. justin felt anger bubble inside him-

Jc: What the fuck was all that about?

Justin: levi is now the person who hurt him in the frist place. he should suffer like ewan

Joey; I don't know. He's still my friend...He'll come back. It's going to take time though.

Lance: -showing up in the doorway- He's not coming back ever. - he sounds and looks dead- He dosen't care anymore. -goes to his room-

joey: Chris go talk with your wife.

Chris: he's fucking right. god i hope levi does die
-chris goes to Laura-

Inner Laura: I can't do anything right. I try to be with the man i

love and we have marriage problems in the first year. I try to save a friend and look what happens. What am I doing wrong?

-Chris holds her-

Chris: it isn't you! Levi is a selfish jerk

Laura: I hate him. Because of all his bullshit I'm going through the same crap I thought I had dealt with years ago.

Chris: I promise that no one will ever hurt you baby -holds her-
love you so much

Laura; It's the Defarges. They're the ones.

Chris: huh?

Laura: I saw the faces of the angels captors remember?

Laura: The Defarges are an old French family. One of the oldest council families out there.

Chris: oh.

Laura; From what I saw it was the current heads of the family. Not surprising though. They lost to Levi's family during the fight for who would become vampire leader. But supposedly they had sworn absolute loyalty. It would have been easy for them to get their assassins in there to kill the king and queen.

Laura; They're probably holding Angelica in one of their two main areas. They're both in France not surprisingly.

Laura; I don't give a damn if Levi lives or dies. But we need to save Angelica.

Chris: okay. but first we all need to breathe. especially Lance. God he looked so hurt

Laura: No doubt. Levi is a bad person though. Lance deserves someone better. -holds Chris-

Chris: he's had bad things happen to him -goes to sleep-
inner Chris to himself: something is up. Levi is doing something - probably the smart thing too. I don't think he wants us to go after her. I think he wants us safe and pushing us far away is smart cause everyone would stay with him anyways no matter what. -Chris sighs and sleeps-

-Laura goes into her little world-

-Lance ends up holding back tears all night-

-next morning-

-Chris is drinking his coffee while everyone is planning to save Angelica-

Laura: the one in France is probably our best bet. I've got some friends in Europe so getting there won't be a problem. Now they

think our families are clueless and not suspecting them. So infiltrateing them won't be a problem either.

Lance: What's the use?

Laura: Not a word out of you.

-chris finishes his coffee-

inner chris: this isn't a smart idea

Laura; Chris are you suggesting we just leave angelica to suffer?

inner chris: that was for my mind on;y

Laura; Well i heard it anyways. So what do you suggest we do then?

Joey: Seriously dude we need your input here.

jc: but after we get angie back then what?

Laura: we tell the council of the defarges betrayal.

Chris: you can't!

inner chris to himself: god i hope i'm right

Laura; Then what do we do?

Chris: go abck to our lives and leave them be

Laura: I don't know about you Chris but I don't want to be sitting here doing nothing! i don't want them to take over!

Lance: Chris is right.

Chris: they won't! we just enjoy our christmas break then head back to school

Laura: Oh don't tell me you're giving up on her too!

-Laura goes back to her room-

Inner Laura: -to herself- I'm takeing matter's into my own hands. I won't let them keep angie.

Lance: Again. You're right Chris. Babies are a dime a dozen. So what. Who cares about that little snot. -goes to his room-

Jc: I just don't feel right about it. I mean if not us who's going to save angelica?

Joey: Someone will.

Chris: levi wants us out of his life. us going after angelica means we are gonna ahve tos ee him

Jc: but..

Joey: Just leave it be.

-Jc hangs his head and sighs-

-that night-

-chris is mumbling in his sleep while Laura is getting ready-

-she leaves a note. kissing Chirs before she leaves-
Inner Laura; I love you. Don't forget that.

-morning-

Jc; Hey everyone.

Joey: So what are we doing today.

-chris comes running down the stairs-

Chris: hey is Laura down here?

Lance: I'm heading to mississippi.

Jc; We thought she was with you.

Justin: thought you guys were fucking

Chris: she's gone

Justin: you want to ehad to mississippi. nice place

Lance; i'm done with this place. Too many memories. I'll be gone
by noon.

Justin: we'll miss you

Chris: what about Laura!

Lance: She's a big girl. she can take care of herself. knowing her
she must have left a note. -goes to his room to pack-

Joey: did she?

-chris looks around-

CHirs: right here- reads it - Laura I TOLD YOU TOS TAY!

Jc: Since when does she take orders from anyone?

Joey; Jc does have a point there.

Justin: she's gonna get herself killed

Chris: i don't know what to do. she is gonna find angelica and
uhg..... i promised..... -he doesn't finish-

Justin: rpomised? promised who?

Jc; What?

CHris: nothing..... nobody.....

Joey: Spit it out. if this will help us keep her safe then tell us.

Chris: i could tell how levi was acting that he doesn't want us
involved with what is going on. he told me with his mind that i
had to protect ebcca..... and watch over lance

Chris: he can only trust me

joey: Protect Laura from what? And Lance isn't going to be
happy if he hears that. I saw him last night. He was smashing
and buring every picture he had of him and Levi.

Chris: levi knows he is being hunted. he doesn't want us to get
int eh way cause he knows something we don't. and now Laura

is out there. i think levi wants lance to be hating him. the farther away he wants to be from levi.... the safer he is

jc;but what happens when the danger passes? When the Defarges are taken out of the picture?

Chris: levi is king..... and i don't know. i'ms cared now cause angelica won't be killed but levi is going to fidn ehr. now ebcca is gonna get hurt!

JOey: well as angry as I am at levi for doing this we need to find Laura and bring her back.

CHris: i'm trying to contact her but she won't contact back
-suddenly the door bursts opena nd levi storms in throwing Laura on the ground-

Chris: Laura! thank god your safe!

Laura; KYA!

Levi: you bitch! stay away! just stay ya dumb dog

-chris goes and hugs Laura-

Chris: what the hell ahppened!

Laura: I WAS TRYING TO DO THE RIGHT THING AND BRING HER BACK! WHY WON'T ANYONE LISTEN TO ME!

Levi: STAY OUT OF MY LIFE! ALL OF YOU!

-he turns and lance is standing there. levi's heart tears a bit-

-Laura's body starts to go limp. she's going into wonderland-

Lance: how could you...

CHris: no Laura stay with su! you can't always run! O-shakes
her-

Levi: don't look at me like i'm a dog who bit you.

Inner Laura; Baby....I'm sorry. I can't deal with this world
anymore.

inner chris: yes you can!

inner chris: don't elave me

Lance: You are. You hurt me. You hurt us all.

Levi: yeah well that isn't my fault

Inner Laura: Join me then. There's always room for one more at
the table.

inner chris: i can't go. and you won't go

Lance: Just go.

Levi: just planning to -walks towards the door-

Inner Mad hatter: She shouldn't be here. You can bring her out...But it will take time.

inner chris: your not going! you have to stay!

Lance; we wanted to help you. we're not afraid of death. Why do you think we risked our lives to save you and get your sister back?

Inner Laura: What good would come of it? I wanted to do the right thing but instead I get dragged back and told I should sit back and do nothing. What should i do?

Levi: oh no one risked anything. she has nothing to risk

Levi: she was trying to find my sister - i want you all out of my life wasn't that clear!

Joey: leave then. and when something happens to you. don't come crying to us.

Levi: if any of you try to get into this situation you will be locked up. including you. ya slut -points at Laura and leaves-
-chris holds Laura tighter-

Chris: don't leave me baby

inner Laura; You hear him don't you chris. he wants me gone.

and what the brat prine wants the brat prince gets
-there;s a pireceing bloodcurdleing scream that rips through levi
and levi alone. Laura takeing revenge-

-levi falls to his knees in the snow-

Inner Laura: never call me a slut again you dogs child. now get
out of here. If I see or hear you again your corpse will be fed to
the crows.

inner levi: you'll be six feet under by the time my sister is in my
arms

-Laura dissapears into wonderland-

Levi: chris why you love that mental case who rusn frome
verything i'll never know -stands up dusting off the snow-

Joey: get. the. hell. out.

Levi: i'm not scared -walks off-

-jc closes the door behind him-

Joey: She's comatose isn't she/

Chris: yes.

-chris was quiet holding her-

-chris feels anger bubbling inside him. horribly-

Lance; why. I don't give a fuck if he's trying to protect us. Why does he have to be so cruel?

Justin: you ehard that?

Joey: It's levi what do you expect. I hope he gets killed by the defarges.

Lance: Of course I did. you don't think i don't hear the shit that goes on while I'm in my room?

Justin: then you'll know that if levi is doing then something deeper is going on. and if he has anyone close to him they will get hurt

Joey: Justin. Help Chris get Laura to thier room. we'll keep her there till we can figure out how to wake her up.

-justin helps chris get Laura to her room-

Lance; i don't care. I'm not afraid of death. I know I sound like a fool but it's true. I want to help him. But i hate being away from him. God what the fuck am i saying. I'm an idiot. -sits on the couch-

-a wekk passes and its christmas eve-

-Laura is still comatose-

-chris is silent alot-

Lance; Hard to believe that this time last year we were all happy.

Justin: yeah. just hope Angelica is okay

Jc: I don't care anymore.

Joey: I'm leaving the country after all of this. I don't want Levi after me.

Jc; No doubt he'll want us all executed.

-justin chews on his nail-

Lance; can we not talk about this.

Justin: sthe christmas tree looks pretty. makes me feel really good when i look at christmas trees

Joey: Yeah.

Jc: what do you think santa's gonna bring us.

Joey: You still believe in him?

Justin: santa ain't real

Jc; Yes he is. I don't care what anyone says.

-justin chuckles and hugs levi from behind-

-chris sips his cocoa in front of the fire-

-hug JC from behind-

Voice: I want some tea.

Justin: huh?

-looks around-

-there is a strange rabbit that is standing there near the fireplace-

Justin: ahh its so cute!

mad Hare: I am the mad march hare. You may know me from alice in wonderland? Well I've come here on holiday from reLaura's mind.

Justin: creppy

-it has a british accent. an aristocratic one-

Hare: Now about that tea?

Justin: i'm gonna faint soon -holds JC tighter-

Hare; Oh don't tell me you're frightend?

Joey: No...It's just that talking hares aren't exactly a daily occurrence in this world.

CHris: how is Laura doing?

Justin into jc's ear: thank god it isn't a fuzzy pink bunny

Hare; well enough considering. She misses all...well most of you terribly. That brat prince, I dare not say his name for fear she might banish me, is no longer welcome in her mind. She's afraid for her life you see. that's why she came to our world. Well part of the reason anyways.

Jc: What do pink busses have anything to do with this?

Justin: don't ask

Hare: Oh are you talking about Richard? And how is old Dick?

Joey: wow...

-justin faints-

Jc: wuss.

-chris gets the hare tea and they talk. jeoy naps in front of the fire and jc tries to revive justin-

-lance is.....-

-standing in the snow-

-wish..... for levi-

-lance didn't go back to mississippi yet. he dosen't know what's stopping him-

Inner Lance; Star bright start bright. first start I see tonight. I wish I may. I wish I might. Grant me this one wish tonight.

Please let levi be safe and come back to us.

Inner Lance: God why do I care anymore? I should be getting him out of my head.

-he sits in the snow looking up at the sky-

-the tree russel and lanc elooks up. he sees something moving in the trees. he stand sup and readies himself. a man who is badly wounded is stumbling out holding a tiny thing to hsi chest-

Lance; Sir? are you okay? -walks over-

Man: the princess..... save her..... i wouldn't let them..... they attacked me cause iw asn't on their side..... give back the princess. i didn't eman to hurt her - i stopped them -hits the snow and lance catches the thing he was holding. the snow becomes bloddy and then the body goes poof-

Lance: Angleica...Oh god Levi is going to kill us all. -he takes angelica and takes her inside-

-chris looks up-

Chris: Angelica?

-stands up walkign to lance-

Lance: She was brought back tos us. The ashes of the mans body are outside. You guys know how to do t=our kinds burial rites don't you?

Joey: Oh god. Levi's gonna come here and kill us all!

Chris: he couldn't he wouldn't. we didn't goa fter her she was brought to us. what did the man do?

CHris: did levi send him?

Lance; He came out of the woods beaten and bloody. It looked like he had been hit by a train at least ten times. He handed her to me. He said they attacked cause he wouldn't be on thier side. Apparently they tried to hurt her and he wouldn't let him. He also said he didn't mean to hurt her.

Lance: Then he fell over dead...

Jc; Levi's gonna jump and make an assumption. You know how he is.

CHris: come on. get ready. we ahv eto get angelica to safty then get ourselves back here

-chris goes and gets ready-

Hare: I'd best be going then. Good day.

inner Angelica; bunny!

-justin wakes up and jc explains. jsutin whimpers as he is dragged to his room and dressed-

-angelica snuggles up to lance staring at him-

-the hare dissapears in a puff of smoke-

Inner angelica; You and brother belong to eachother. I hope you two stay togeather forever.

Lance:I don't know what's going on in that head of yours...But i bet it's better than what your brother is thinking now.

Joey: So what do we do about Laura?

Chris: we take ehr with us -carries her down the stairs all ready-

-jsutina dn jc come down as well-

Justin: lets go.

Joey: We can't really carry a corpse with us.But oh well. So do we put her in a coffin for easy transporation? that's how our ancestors did it.

jc; watch it Jc. Okay. Lets go. -they head out-
watch it Joey

-lance holds angelica to his chest-

-they travel to where the vampire headquarters is-

Council member: What are you all doing here? State your business!

Lance; we have the princess with us. She's alive and well.

Joey; We also know who is responsible.

Chris: we didn't kidnap her if your wondering buddy

Council member 2: the king already know who is responsible

Jc: what?

Council member 2: he has been searching for them. they keep moving. the group that starts with a d

Joey: The defarges?

Council member 2: that's it

Lance: We know about them. Anyways. Here is his little sister back. Tell him it was some people he once knew. He'll know who we are. -hands the baby over- Lets go guys.

Council member 2: he's in meeting right now and we can't hold onto her. besides, you have to give her back so he can question you. he'll get pissed if you guys leave -they open the doors and let them in-

Council member: Why is that girl asleep?

Justin: my life is passing before my eyes!..... its really boring

Jc: Long story.

-they enter. Lance bouncing angelica in his arms-

Inner Angelica: Brother? Brother?

-chris holds Laura tightly as they head in. a guard shows them into levi's office that is a living room with a fireplace and a desk too and tv. chris sits down on the couch and holds Laura-

inner levi: angelica! where are you!

-levi holds up his hand to shush the meeting-

Inner Angelica; i'm home brother! Isn't it wonderful! Lance and the others brought me back home! This man saved me from being killed by the defarges. He brought me to Lance and the others and told them to protect me. They kept their word. Now I'm home. but I'm kinda sad also because when I tried to talk to Laura she wasn't there...I'm still searching for her.

Levi: i have to go this meeting is dismissed -run to his office-

-levi bursts in through the doors-

Levi: Angelica!

-Lance doesn't look at Levi.-

-angelica coos happily-

Jc: Long time Levi.

-levi picks her up hugging her tightly-

Levi: oh god i missed you sissy! man i am never letting you go. i won't let our parents down-

Inner Lance to himself: whatever. He doesn't even care that we brought her back.

Lance: -standing up- Our work here is done. Lets go.

Levi: thank you! -he was in tears-

-Lance stops-

-he kisses angelica's head-

Lance: anytime.

Levi: thank you all..... -he bounces angelica in his arms-

Inner Jc: But the promise Levi made...about killing Laura...

Jc: You're welcome.

Justin: no prob

Chris: yeah.....

Joey: you're welcome. We'll be going now.

-levi grabs a bottle and feeds angelica watching as they go but
chris stops at the door-

Chyris: i want Laura back. we all do. you put her there and your
going to bring ehr back -walks over to levi-

Levi: -starting to get defesive- chris leave now

Chris: shut up you dick! -he freezes- i know you wnat us tos tay
as far away so we don't get hurt but your pushing with the
comments! now your gonna bring Laura back thenw e will leave
you the fuck alone! you want us safe and not hurt but your
hurting us alot! alot mroe then you intended!

-levi looks at his feet and chris lays Laura down-

-he grabs levi byt he coller or his shirt and stares him in the
face-

Chris: do it now or i'll be sure to make you suffer like we are!

inner angelica: Brother....You made Laura like this? -her lip
trembles- why? I tired to reach her but that place is so scary. It's
dark and it was once beautiful but now it's horrible. Why
brother? Why?

inner levi: angelica don't cry

-chris's eyes were filled with anger pain and fear, as well as
compassion-

Inne Angelica; How can I not? She was like a mommy to me. now
she's there. -starts crying-

-levi grabs chris's wrist but chris lifts levi off the ground high-

Chris: do it or your gonna hurt bad!

Levi: i can't.....

Inner angelica; bring her back! I want her back!

-chris snaps. it was horrible. he throws levi to the ground-

-angelica screams-

Chris: alrighty then. i'll make you. -he grabs a knife-

Justin:c rhsi what are you doing!

-levi scrambles back-

-chris grabs him ripping his shirt-

Lance; STOP! ALL OF YOU JUST STOP!

joey: You IDIOT!

Chris: GIVE Laura BACK TO ME!

-they run after chirs to try and stop him-

-but for some reason they all just stop-

Levi: no

-chris ctus open his chest. levi howels in pain as chris cuts into him. he cuts out hsi heart and points the knife at it. his ahnds

inner levi: angelica you don't know what i've gone through. i can't... nto right now..... i'm done for.....

-levi lies on the ground. his chest was still wide open-

inner levi: god angelica i should be healed by now

Inner angelica; Please try...that's all I ask of you...wait...no it wouldn't work. We'd need Laura to do it.

inner levi: your too smart for a two month old!

inner angelica; I get it from mommy.

-levi shuts his eyes and stops moving. stops breathing. lance sobs-

Lance; kill me now god. I don't want to live.

Jc: No lance!

-meanwhile-

Levi: Laura? -knocks on the door in ehr head- ya know as king i can minipulate others powers only when its nessasary

-a little frog in a suit opens the door-

Frog: Hello?

-levi is dripping blood. but he has no wounds and is fully dressed. its scary as hell-

Levi: i need Laura

Frog; come in. it's a big world though. worked on it since childhood you see. but it's become quite barren as of late.

-the frog opens the door-

-levi nods and walks in. everything he touches he leaves a blood mark. it means he is dying-

-the place starts off as a nice looking forest but as he ventures further it turns into a dark barren flat area. Laura is there.

She's wearing a long white nightgown that looks tattered. She's a mess and is on her side in the fetal position.-

-a lot of things stare at levi as he walks to her and what he leaves behind. a lot of blood that's for sure-

Levi: Laura>?

-Laura looks at him and gets up quickly trying to back away-

Levi: Laura come on lets get back to the real world

Laura: No. You'll kill me.

-walks to her grabbing her hand-

-she snatches it away-

Levi: if you stay away i won't
-her hands i now covered in blood-

Laura: You told me to go away. So I did. i left it all.

Laura: The world. it's cold.

Levi: god you take things to literal

Levi: yeah cause its snowing where you are

Laura: calling me a slut didn't sound to figureative.

Levi: i pushed you away didn't i?

Laura; and to top it all off...Yes. You did push me away. that was your goal though right? Push us all away? Protect us? Well congratulations. You succeeded.

Laura: I wanted to escape the world. But I couldn't. Look what's happened? This world I created here. It's dying. i can't stop it.

Laura: How did you get here?

Levi: not my fault

Levi: as king i can manipulate powers if nessacary. i'm here cause chris wants you back. he's sobbing over your freaking body. he compeltly snaped and ripped my heart out again. i'm not healing..... and i won't ever

Laura: Then why bother bringing me back?

Levi: my sister is going to be left alone. new people are going to take over. thanks to you going in here you were killing chris till he basically killed me

Levi: i'm bringing you back so someone can be happy

Laura: I screw up no matter what I do. Fine. I'll come back. But I'll only be makeing things worse for me.

-she stands up. she has a hard time walking though-

-she grabs levi to help but her hands are suddenly slippery from the blood covering-

Laura; I'll heal your body. If you promise to never call me a dog or a slut ever again.

Levi: what? ic an't ehar you

-Laura growls-

-he fades-

-Laura goes out the door leaving it open for him-

-more and more blood show up-

Laura: I'm going to heal your body. -flash of light-
-real world-

-levi disappears-
-levi was white except for the blood-

Laura: damn. I hope I'm not too late.

jc: Laura!

Chris: Laura!
-holds her tightly-

Laura: Not now. -gets upo going to levi's body.- chris unpin levi's
heart and help me put it back in him.

-chris looks shocked-

CHirs: what?!

Laura; I promised him. He brought me from the brink of death
now I'm returning the favor. Now hurry up. we haven't got much
time.

-chris goes to the wall and and unpins his heart-
-levi's body goes poof-

Laura; DAMNIT!

-chris is standing their frozen-
-the heart was beating and he freaks-
Justin: he's.....

Lance: NO! -sinks to his knees sobbing-
Laura; Chris...You killed him...-she looks at him horrified.

Chris: i..... i.....

-angelica is crying hysterically-

-jc goes to ehr holding her also in tears-

Council member: take him away!
Laura: No!

-chris drops the beating heart-
Chris: why the hell si it still beating!

Council member: what the?
Justin: fi you think about it that is ewan's heart. but ewan's
dead. but he didn't go poof. wait is ewan still alive ro seomthing?
is levi? i'm sof cukign confused
-its silent for a logn time-
-except for angelica crying-

-the guards start to drags Chris away-

-Laura follows after them-

-jc follows with angelica-

-joey and justin too-

-lance is left in the room-

-Lance stays with Levi's heart-

-he wanted to know why it was still beating-

Lance; Come back. Please. Come back. -holds it-

-the heart stops thumping-

-well slowly stops-

Lance; no! Please baby! stay with me!

-starts massaging it trying to get it to start again-

-a hand lands on lance's shoulder-

Lance; why? Why did he have to go?

Voice: i don't think he needs that heart anymore

-lance turns around-

Lance: LEVI!

Levi: who is naked -lance hugs him totally confused-

Lance: I don't understand. You went poof. Then your heart. Then...Oh what the fuck. Just don't ever scare me like that again! -hold him crying tears of joy-

Levi: well the organ being removed from my body sort of presevered me. i was stuck between life and death when my body went poof. then i got a bad scolding by my parents.

-lance nods-

Levi: anyways they told me alot of stuff. and i was expecting to die but instead they said that it wans't my time and they gave me a new life. so everything went white and heart beat in my ears faded out and they i wake up on the couch with this body, whole and new and perfected... before Ewan.

Levi: so that heart that was on the floor now i was before

Levi: iguess

Lance: that's amazeing. oh god I can't tell you how scared i was...But the others don't know you're alive again. They're arresting chris. He'll be killed!

Levi: oh... but can i do something first?

Lance: What?

-levi looks at his left hand that has his dad's and mom's wedding ring on it - on the ring finger. they are both imbedded with a rare jewel. luck had it that they were the birth stone for the month of may and the month of august-

-levi pulls them both off-

Levi: will you marry me?

Levi: if you can forgive me.....

Lance; yes. A thousand times yes! -hugs Levi again-

Council member: It can't be. We saw you die!

Levi: you know that sunlight thing is a torture only. doesn't kill

Levi: tis a really freaking long story

Levi: why were you gonna torture chris?

Guard: To have him in as much pain possible before we
