

-once upon a time in the city of Las Vegas-

Becca; Hey guys! You're never going to guess what Joey and i did last night!

Justin: had sex?

Lance; Dear god sis settle down.

Becca: No stupid! We snuck into this really hot nightclub.

-Jc was messing with his hair. FLAMER!-

Jc: why wasn't I invited?!

Becca; we didn't want a double date again Jc. we'll take you next time.

Lance; just be glad I won't tell mom and dad.

Becca; Tell then and you're a dead man.

Justin: come on Bass let loose

-he was a big jock-

-along with Chris-

Lance; I just want my sister to be safe. Where is that big lug anyways?

-Chris is listening to his iPod.-

-Chris comes skidding up to them. they were outside in the court yard-

-he takes out his ear phones-

Becca: Hi Chris! -hugs him along with the others. she's done this to them sine kindergarten-

Chris: hey, guess what?

Becca; What what what? Tell me! -jumps up and down-

Lance; No more candy for you-

Chris: Levi Litteral is going to our school now

Becca: OMG! -squeals like a fangirl-

-he was famous himself, because he did make an album a year ago, thanks to backstreet-

Chris: dude he's over they're surrounded by all those chicks

-they couldn't see him-

Becca; Well that was nice hearing about now I'm bored. Lets go to class.

-the bell rings-

Lance; I'm surprised that joey and he have even been dating this long. Then again it would take a guy like him to hold her attention.

-Levi is sitting down in the grass trying to avoid the crowd. the girls are shoed away-

-Levi is able to stand. he is in jeans, a black long sleeve shirt and a leather jacket. his sunglasses are on and he is listening to his iPod-

-Levi walks over tot he table-

Inner Lance; He looks pretty good.

Levi: any one know where..... 213 is?

-he puts his iPod away-

Lance; my first period class. Come on I'll show you.

Levi: thanks

inner Levi: thank god they are freaking out

-Lance leads Levi to the class room and shows him around-

Levi: nice school. not as big as where I'm from

-the world knows Levi to be damn well straight-

Lance; this is one of the smaller schools in Vegas. It's for gifted high GPA kids.

Levi: thanks for showing me around

-Levi sits down in the front-

Lance; No prob. -he sits two seats down-

-class starts. Levi was in advanced math and science, but taking normal English and history-

-he also was in band-

-NOT in choir which shocks most of the girls in first period-

-Lance had choir, AP science and math, normal history, English, and home economics

-there were two choir classes, and the girls in first hated he wasn't in theirs-

-second period comes along and ALL the guys and beck are in it-

Becca; there you are Joey! -hugs- where were you?

Becca; so where were you Joey? You missed first period.

Joey: oh just skipping

Joey: had some things to do ya know?

Becca; Okay -kisses him on the cheek before going to her seat-

Chris: where's Levi? thought he'd be in this class. was he in first period?

Lance: Yeah he was.

Chris: so he is in choir first period

Lance: no he was in my first period, history

Becca: Well either way it looks like he's not coming to second so why should we care?

Chris: if he's not in choir where is he?

Becca; Maybe the strings room?

-the door opens and Levi is there-

Levi: wait this isn't band. where is the band room?

Levi: I feel lost

Becca; Well speak of the devil. It's next to the choir room I'll show you there if you like. -she sounds bored-

-a couple girls go googly eyed-

inner Becca; really what's the fuss?

Levi: I can get there.

-he leaves, going down the ramp to the band room-

Becca; here's a map. -hands it to him-

-he takes the map-

Becca; -when he leaves- I really don't understand why they're going gaga over him.

inner Levi: at least someone is acting normal

Girl: he is a celebrity. he released an album a year ago at age 15!  
he's wonderful

Girl 2: I know everything about him. maybe he'll ask one of us to the dance coming up

Becca; Just cause he talented and famous doesn't make him anything to swoon over.

Girl 3: yay!

Becca; I'm going to sleep now this conversation is getting boring.

lance; Becca did you take your meds?

-the second bell rings for class to begin-

Becca; Nope. ADHD all the ooh butterfly!

-later that day-

-Becca is screaming out be kind to your web-footed friends and  
Lance is looking mortified-

Lance; Please Becca for the love of god just take your meds like  
your supposed to.

-Levi comes down the hall, with guess how many people behind  
him?-

Levi: I love web-footed animals, and people

Becca; Like me! -hugs-

Lance: Yes yes now get off!

-Levi laughs and girls giggle. he groans continuing down the hall  
with them scurrying along-

Lance; for crying out loud where is your boyfriend!? Latch onto  
him for pity's sake! Joey!

Girl: do you listen to your dad's music? they are so in now

Levi: um... I like some of the songs by backstreet but not because my dads in it

-the bell rings and he darts into his English class-

-he sits down in the front corner-

Becca; breaks over back to work!

-Becca has the class with her-

Lance; freedom.

-Becca still has her iPod in her ears-

Becca: THE CITY IS AT WAR PLAYTIME FOR THE YOUNG AND RICH!

-Levi is tapping his fingers. once again.... many girl sits by him passing hi notes-

-except the hyped up Becca-

Levi: leave me alone, I need to learn

Girl" come on your so smart already

Levi: no wonder I should be doing online. but I wanted a normal life!

-Levi puts his head on the desk-

Becca: BANG BANG SHOOT EM UO SHOOT EM UP YEAH!

-the bell rings for class-

Teacher; that will be all out of you miss Cerridwyn.

Becca; SORRY TEACH! FORGOT MY MEDS TODAY!

-Becca explodes into a loud giggle fit-

-Levi laughs at how she's acting-

-the girls laugh to-

-beck thinks they are making fun of her-

Girl: I never though he'd go for the psycho bitch from hell type.

-She shrinks back into her seat secretly in her mind plotting to burst into song again-

-class starts-

-lunch-

Lance; so you started screaming sound of music right there in the middle of class?

Becca: Yup. Right in that mean girls ear.

Jc: You show 'em girl.

Justin: dork, wish I was there

-Chris is humming some song he's had stuck in his head for a while-

Justin: I learned I have science with the new boy. the girls were surrounding him all throughout and he looked annoyed. thought he'd be happy

Justin: god knows I would be

Becca; if I were him I'd hate having all those flakes around me. I'd probably die of suffocation due to the toxins in the air that they emit. You know that mustard gas they call perfume/ body spray?

Jc: wow..... your are in need of serious pills girl

Lance: And I live with her.

-suddenly many girls begin to scream-

Lance; And you guy think Chris is bad when he's on caffeine. Dear god what are they screaming about now?

Levi: LEAVE ME THE HELL ALONE DAMN IT!

-Levi runs outside-

Lance; and now we know.

-and the girls run after him-

Jc: I still wonder how all these girls made it into this school

Becca; Okay this is holding my attention. Lets watch from a distance!

Chris; Daddy's money that's how.

-the girls keep screaming running off, but Levi is able to get back into the school. many guys are glaring-

Levi: what, no pussy action?

-he goes into the kitchen, starving-

Becca; get me chocolate big brother!

Joey: Sweetheart that's the last thing you need. Here's your meds. -hands her a bottle of pills- your mom called me and asked me to give these to you.

-Levi comes out of the kitchen with his food. the girls still haven't come back in-

-Levi walks over to their table-

Levi: um... mind if I sit here? if the chicks come back in they might not notice

Becca; Hi person-oooh shiny! -goes to grab penny-

Joey; sure. ignore her. she needs to take her meds.

-Levi sits down and starts to eat-

-Joey grabs Becca and makes her take her Pill while Chris watches. He's still humming the song-

Becca; you know this thing isn't going to take effect for at least an hour?

joey: I know I just want you calm. I think a lot of us want you calm.

-Levi watches them-

Justin: hi I'm Justin. we have science together, if you remember

Inner Chris; I wish she'd look at me that way.

Levi: I saw you, hi I'm Levi

-Lance shows up-

Lance: I'm lance. the guy over there is Chris and the girl is my sister Becca. usually Chris is the hyper one but I think they've switched brains for the day.

Levi: hi

Becca; we're usually both like this but unlike him I'm insane!

-the girls come inside-

joey: I'm joey.

Girl: where did he go?

-Levi slams his head to the table covering it with his arms-

-the guys and girl move places so tat the girls can't see him they just pass them by without a second glance-

Levi: \*muffled\* are they gone?

Lance; Yeah. I think they gave up.

-Levi lifts his head-

Levi: thank you

Chris; No prob.

Jc: Forgot to introduce myself. I'm Jc.

Levi: it really wasn't like this at LA, just a lot of dates

Levi: his Jc, I'm Levi

Jc; Believe me sweetheart Las Vegas is a hell of a lot different.  
the girls here are total psychos. just look at our Becca here.

Levi: I've noticed.

Lance; isn't living with an adhd sibling wonderful? -his voice  
oozing with sarcasm-

Levi: she seems nice to me

Lance; She's not naive. She's just free spirited and gets bored  
easily. she's actually the top student here.

Levi: that's cool. so you're in choir?

Lance; In other words she's an eccentric genius. And yes I'm in  
choir.

Levi: yeah I've been lost a little all day today

Jc: We've noticed Hun.

Levi: band room is big though

Lance; Yeah. It's almost unfair.

-Levi seems really shy-

Jc; Hey Levi. Maybe if we can get you away from the fangirls after school....perhaps you'd like to come over to our hang out? We usually hang in Lance and Becca's basement.

-Levi stares at his juice-

Levi: I'd like that. only place I'm use to here is the city

Lance; There's not much for teens to do in the strip I'm afraid. Unless you're Joey and Becca who can get their hands only anything even get fake ids.

Levi: \*laugh\* my mother would kill me if I did that. most people just let me in anyways

Becca; Big brother I want coffee! -she says this in a mock whine-

Levi: \*laugh\* are you able to say no to her?

Becca; Pweeeese?

Joey; not when she makes that face.

-He kisses her on the cheek-

Chris: Excuse me for a moment everyone.

-Chris heads off to the bathroom-

Chris; Rick Springfield you have read my mind. Only this time it's not Jesse's girl but Joey's girl that I want.

Levi: what's wrong with him?

Joey: I'm kind of worried about Chris. It may be just me but he's been acting kind of distant lately.

Lance; Probably just worried about his mom. Or something else.

Levi: what's wrong with his mom?

Joey; We've known each other for years though. if he was having problems he would have told me.

Justin; His mom is really sick. So he has to take care of her and his sisters.

Levi: doesn't have a dad does he?

Lance: if he did he never told us about him.

Levi: how many sisters?

Becca; We've known each other since kindergarten so we kind of know a lot about each other.

Justin: Four. He's the oldest.

Levi: oh my god I wish there was something I could do to help.  
where do they live?

Lance; Currently in an apartment building above the minimart across the street.

-Levi nearly spit his juice all over the table-

Jc: That about sums up our reaction at first.

Levi: man I never knew lives could be that horrible.

Lance; he's been through worse. he's trying to get the best job he can so he can take care of them. The doctors are saying she'll get better soon but until that happens Chris is the one taking care of them all.

-Chris returns-

Chris; Hey guys. has Becca settled won yet/

Joey: Yeah she's calm now.

Levi: I've got to go now guys. I'll meet you outside the school  
after wards okay?

-everyone: later.

-after school-

Man: come on child you can get his autograph later!

Girl: fine

-girls start to get into their daddy's big trucks and drive away.

Levi feels like his hand is about to fall off-

Levi: do I have to get a body guard or something?

-a car pull sup and its his dad-

Levi: hey dad

-he shakes out his hand-

Brian: hey kid. how was your first day?

Levi: scary. girls couldn't leave me alone. but I met some really cool people that seemed cool about me

Levi: I seemed like a new kid instead of a celebrity around them

Brian: that's really good son

-he pats his back-

Levi: I'm meeting them out here and I'm going to go to one of their houses. mind if I take the car to school tomorrow?

Brian: sure if you don't crash

Levi: I'll be daddy's little angel

Brian: that's for girls, not guys

Levi: I'm your only child though

Brian: not for long

-brian gets into the car, waving to him-

Levi: wait what do you mean by that?!

-brain drives off-

Levi: dad is mom pregnant?! she can't be she's too dang old!

Brian: see ya tonight boy

-Levi stares at the retreating car dumbfounded-

Levi: I'm gonna be a big brother or is my dad being weird again?

-Levi sits down against a pillar-

Chris: There ya are.

-Levi likes writing songs and has a good voice. so he wrote and recorded because his dad and second cousin helped him out. he released the album for fun and now he was huge. he never was in choir, only in band. he is very good at the piano and bass clarinet. he heard at this school pep band allows bass clarinet-

Levi: hey

-he seems dumbfounded rubbing his wrist-

Chris: You okay?

-Levi is also very talented at sight reading-

Levi: um... I signed a bazillion autographs so the chicks would leave me alone, and my dad is playing with my head or I'm going to be a big brother

Chris: Wow.

-Levi looks up at him-

Levi: my mom is too old! she like 38 almost

Chris: Anyways I was gonna go lead you to Lance and Becca's place.

Levi; and so is he

-Levi stand up fixing his shoulder bag-

Chris: That ain't to old trust me.

Levi: still. oaky shall we go?

Chris: And we're off.

-they walks to their place-

Levi: so Becca and Lance are siblings? don't really look alike

Chris: Step sibs. His mom married her dad. Her dad is a widower and his mom was divorced. but they consider each other siblings since they were both babies when their parents got married.

Levi: ahh. grew up together.

Chris; Lance is only nine months older but he acts three years older.

Levi: how'd you all meet?

Levi: and end up in this school?

Chris; We all went to the same kindergarten. Becca fell off the slide and was crying and some Bullies were picking on her. Well Lance played the hero and tried to fight them off. Meanwhile Jc helps her to her feet and joey is beating the bullies up and I'm sitting there not knowing what to do. later she starts crying again cause she broke the yellow crayon and I gave her some of my snack to cheer her up. We ended up trading lunches together and we became friends from there. And as for how we got into the same high school. Well Becca and lance are upper middleclass and have good grades. Jc and Justin are pretty smart too and have some money involved as well. And I'm there purely on grades. Joey and I have been buds all our lives and we're both in varsity football. Justin and Jc are basket ball

junkies. Though Jc is the last person you'd expect to find on a sports team. He's a total flamer. Becca's on the track team. She's hyper enough that she could outrun all of us.

Levi: eheh, I'm gonna be on track too. I'm also in cross country but with the move I have to wait till next year. I'm really good at running, and I love running long distances.

Levi: I'm glad that track isn't during pep band season

Levi: that means I'm going to be at all your games huh?

Chris: I guess that means Becca will have someone to play tag with then.

Chris; I guess.

Levi: and with how the teacher explain it, I'm going to make it to all the games we are playing at for basketball.

Levi: did you think I was in choir?

Chris; I don't really care about celeb life. I didn't really know about you until today. But I guess it would make sense.

Levi: you see, I really like writing music and playing it on the piano. so my dad and cousin said is should record it and put it on

CD. when I did that, my mom and the rest of the b-boys said to just make an album out of it. I did and look where I am now!

Levi: before that I just liked play bass clarinet and running

Chris: Cool. Jc does some song writing and I kind of do music.

Levi: still do it, but it gets in people magazine now

Levi: we can write stuff together. don't worry I wont make it go on an album. planning on not doing that for years to come. want to get my phycology degree and write a book.

Levi: maybe write an album for fun

Chris: I don't think i'll be making any real stuff. half of my songs are old poems from middle school English.

Levi: whatever works. I wrote a song from the stuff I find on bathroom walls!

-Levi blushes-

Levi: oaky little too much?

Chris: whatever works I guess.

Chris: And we're here. -stops in front of a house in a fancy looking suburb-

Levi: I'm not use to actually hanging out with people who don't care I'm world wide known

Levi: its actually nice, just like before the album

Chris; I'm not used to hanging with a guy who's been around the world and back.

Levi: damn nice house. I live out in the hills

-the door opens and Becca leaps out glomping Chris who staggers back-

Levi: most of it is from following my dad. lots of touring during the summer

Becca: YOU'RE FINALLY HERE!

Levi: hi beck. is it okay if I call you beck? I can call you rebecca or Becca

Becca; I don't care as long as it's not Becky.

Levi: beck it is then

Becca; Come on in guys. -gets off Chris- We were playing ddr.

Becca; Stacy's over.

Levi: who?

Becca; Lance's older sister. She graduated highschool when we were in third grade.

Becca; Lance's older sister. She's in college.

Levi ahh

-they head inside and Levi covers his ears at sudden screaming-

Stacy: god damn it lance!

Becca; lance won again.

-they go into the basement-

Stacy: god you suck ya knowthat? and you say you can't - stacy stops staring at Levi-

Becca; You freak out you get tossed out of the basement for all eternity!

Levi: hi guys. you have a nice home

Lance; Thanks.

-Levi stares back at her-

Stacy: Thanks.

-she goes and sits down-

Stacy: omg is it really him?

lance; yes now remeber no freaking out. we came here to relax  
not have to deal with screams.

Levi: Hi I'm Levi

-he holds out his hand to her-

Stacy; Nice to meet you. -shakes his hand- Stacy.

Levi: nice name

-Levi puts his bag in the coner-

lance: You want a turn?

Levi: can I just sit out and watch you guys dance? I suck

Lance; We all do. Come on get up here.

Levi: uh-uh

-Becca goes over to Joey and gets in his lap. He's eating a cookie and has crumbs on his face that she licks off-

lance: Suit yourself. Chris?

Chris; No thanks.

inner Chris: Why me god?

lance; Jc?

Jc: Gladly. -gets up and sets the song-

Levi: heh they have backstreet boys on this one

-he laughs-

Jc; that one's really easy.

Levi: the really easy ones are really hard for me

Jc; -he's talking while dancing.- even on beginner mode?

Levi: I'm that bad. I've gotten teased for how bad I am

Jc: nobodies perfect.

Levi: and by professionals nonetheless

Levi: I can slow doance pretty damn good

Joey: I bet. -goes back to makeing out with Becca while Chirs  
watches out of the corner of his eye-

-Levi sits there quietly staring att eh floor. he srot of doesn't feel  
welecome-

-he wonders if he should just head home-

-Becca sees this and goes overto him-

Becca; Can I get you anything? Water? Snack?

Levi: um... what kind of snacks?

Becca: You name it we've got it.

Levi: I like cookies

Becca: what kind you want/

Levi: chocolate's good

Becca; i'll be right back.

-she's back a minute later with a ton of cookies-

Levi: my mom made them all the time when I was growing up.  
she spoiled me with chocolate

Becca; lucky dog.

Levi: my dad jokes that is she didn't feed me so much sugar I  
wouldn't be a big runner

Lance; You have no room to complain Becca. You got spoiled on  
cupcakes and gummy bears.

Becca: You run?

Levi: cross country and track. I have to wait till next year for  
cross country though because of the move

Becca: Poopy. I was hoping we could train together.

Lance; She's been looking for a training partner for months.

Levi: cross contry and track. I have to wait till next year for cross country though because of the move

Becca: Wanna train together?

Levi: mkay. what do you do in track?

Becca: short and long distance running. Sped type type stuff.

Levi: long jump and the long and short ditance. I might just to the thing where you runa nd have to jump over stuff

Becca; Okay.

-make the long jump thing to pullvalt-

Becca; So whatcha think/

Joey: Please man! Keep her entertained!

Levi: why not? my place has a big trail we can run on

Becca: Awesome!

Levi: have to schedule around pep band though

Becca; That's okay. I need to schedule around ap english stuff too.

Joey; don't you have regular english Becca?

Becca: I took a regular english class as an elective cause I was bored.

Levi: wow.....

-Levi looks at the floor again-

Becca; What's wrong?

Levi: I like staring at floors I guess

Becca: Oh.

Levi: I'm just not used to all of this. in LA everyone was dragging me around and just wanted to hang out with me because of the damn celebrity thing. and now.....

Joey; You're getting used to being treated like a normal person aren't you?

Levi: its been a year

Levi: one of the reasons we moved so I could just..... start over

Lance; It's okay man. Just be yourself here.

Levi: heh that mgiht worry you

Joey: We don't care what you do we just want you to be who you are.

Becca: You don't do drug do you?

Levi: I make a lot of jokes and make funny faces and sounds.....  
and am a giant pervert

Joey: You'll fit right in.

Justin; Welcome to the group man.

Levi: thanks

Joey; Finally someone I can share my porn with!

-Levi nods slowly stareing at the ground again-

Levi: totally

inner Levi: this is going to be interesting

-a few hours of talking video game playing and snack scarfing  
later It's time for everyone to go home. They all start going.  
Becca and Joey have a quick makeout session before Joey  
leaves-

-Levi calls up his parents but no one answers-

Levi: damn it. I am definitely taking the car tomorrow

Levi: they must be out

Joey: Need a ride man?

Levi: can you?

joey: Sure. come on. -turns to Becca.- Bye baby!

Becca; Bye!

-Levi walks over to jory-

joey

Joey: Lets go. leads Levi to the car.

-they get in and Levi points out to the hills-

Levi: so..... how long have you dated beck?

Joey: Okay.

Joey: We've just started going out. this summer actually. I've always kind of had a crush on her. and It wasn't until now that I got the guts to ask her out.

Levi: seems serious. it looks like Chris likes her too

joey; You were talking to Chris earlier weren't you? Can you keep an eye on him okay/ I'm kind of worried about him.

Joey: I guess you could say e're serious.

Levi: well I just could see Chris watching you guys a lot

Joey; He's always been protective of her.

Levi: seems that he really likes her but is such good friends with you he doesn't want to say anything

joey: I just wish he'd be a little more forward.

Joey: Ultimately though it's up to Becca.

Levi: my opinion though. turn left right up here

joey: Okay. -turns.- and here we are.

-its is a really big gate and really big yard surrounded by trees  
and a big driveway leaning to a big mansion-

joey: nice place.

Levi: yep. see ya later man

Joey: Later/

-Levi gets out and goes up to the gate punching in a code-

-the gate opens and Levi walks in waving as joey drives away-

Levi: I'm home!

-he goes into the kitchen where his parents are talking-

Levi: be glad I got a ride. why didn't you pick up?

Mom: Oh sorry sweetie.

Levi: uh-huh

-he gets a glass of water-

Levi: okay so what's the scoop

Mom: Well you see your father and I had to go to the obgyn to check some things out.

Levi: oh dear god dad wasn't joking was her?

-Levi pouts-

Mom: You're not acting jelous are you?

Levi: your too old to be knocked up

Levi: I thought at this age dad went sterile or something

mom: Quite the contrary.

Mom: So you're saying I shoul'n't be allowed to have a baby?

Levi: that's not it..... its just, I'm going to be a very big brother

Levi: when is the kid due

Brian: You won't be the first.

Mom: April

Levi: great

-Levi sits down at the bar and drinks his water-

Levi: how far are you long, my brain is tired

Mom ;About two months. Don't worry you'll be a great big brother.

Levi: when do you find out if it sticks out or goes in?

Mom: It's a girl.

-Levi hits his head on the table a few times-

Brian; Something wrong with that?

Levi: 'big brother will you play dress upw ith me?' 'big brother come play dolls' 'big brother come to my tea party'

-he mocks a little girls voice-

Mom: She could turn into a little tomboy you know. and besides

by the time that happens you'll be in college.

Levi: yeah but i'll still have a phone so she'll call me like crazy and then there are vacations

Brian: How can a baby use a phone. And you don't have to play with her if you don't want. You're getting worked up over the unknown.

Levi: does backstreet know?

-Levi rests his head in his hands-

Brian: Yup

Mom: come here sweetie

-Levi shuffles over to her. she wraps her arms around him-

Mom: no matter what you're always gonna be my baby boy. you'll like her, just it's gonna take a while to get used to it

Levi: just don't send me at two in the morning to get you ice cream and I'm fine. just because I can drive doesn't mean I'm gonna play messenger

-Levi rests his head on her shoulder-

mom; so how was school?

Levi: too many girls

Levi: who don't have a brain to save their life and this is a really smart school

Mom: That might be problematic.

Mom; did you meet any girls with a brain?

Mom: Anyone with a brain for that matter/

Levi: one, but she's taken. I was at her and her brothers house with four other guys.

mom: That sounds like fun. See. you're making friends already.

Levi: they are all intelligent and don't give a flip I'm a 'celebrity'

-Levi picks his head up-

Mom: That's wonderful honey/

Levi: yeah. still wondering if I need to hire a body guard for a few weeks.

Mom: I wouldn't worry about that too much kiddo. They'll get over it eventually.

Levi: oh and I have a schedule for all these upcoming football games I have to be at for pep band. a lot of people are shocked to hear I'm not in choir!

Brian; They'll just have to get used to that won't they.

-he puts this piece of paper on the fridge-

Brian; You'll be pretty busy.

Levi: i'll beat anyone who pisses me off with my bass clarinet

Brian: I can see the headlines already.

-Levi walks towards the living room-

Levi: um... mom? dad?

Parents: Yes?

-Levi hesitates, wondering if he should tell them-

Levi: nevermind. I'm gonna be in the room if you need me

Parents: Okay.

inner Levi: I'm not even sure about ti myself

-the next day-

Becca; Another day another song to burst into.

Levi: another day another song to learn

-Becca is outside his car. he gets out and follows her inside-

-Joey and Chris are talking inside-

Levi: can I ask you a question beck?

Becca: Yeah?

Levi: was is everyone sexual oriontaion? its just something I  
want to know

Levi: you don't have to tell me

Becca: Well I think I'm bi. I could go either way. Big brother and  
Jc are both gay. Jc is a total flamer. Chris I think might be bi but  
if not then he's straight but Joey is as straight as a person can

get.

Levi: mkay

Becca; Why?

Joey: Nice pool. You on a swim team?

Becca: Less talk more trail

Chris: Yes! Trail

trees high in the hill. there is a trail leading into it-

Levi: warning, this trail is about three miles

Levi: lots of hill. I like taking my bike through

Becca: Kick ass

Levi: it takes a loop through the hills and comes back over their

Becca: Cool. I love running uphill.

-he points to the tiny trail coming out of the trees by the pool-

Levi; do you want to go on it? some of you look like you might die half way in

Levi: no offence

Becca: I wanna go!

Lance; Sure. we need to get the caffeine out of her system.

Jc: cool.

Joey: Lets go.

-Becca takes off-

Joey: Get back here!

Levi: oh boy

-Levi walks in and the others follow-

Levi: if we go slow, the hike will be about two hours

-They can hear Becca running off in the distance-

Levi: I can get through in an hour on my bike

Levi: when we moved here it was the first thing I explored. my mom and dad have to go through and fill some pot holes and ditches because I nearly flew off my bike

Lance; Something tells me that Becca will want to be coming over every day.

Joey: I'm just waiting for her to trip.

Levi: there is this one spot up ahead that is very slippery, its sort of a.....

-a loud scream is heard-

Levi: cliff

Jc: Crap.

-Levi takes off-

Joey; BECCA!

-runs off-

-when they get there beck is trying to hold on. she fell of the cliff  
and is holding onto a branch-

Chris: HANG ON!

Lance: Becca!

Levi: ah shit

Becca: Crap!

-Levi digs throuhg his bag finding some rope. he get a clip on one  
end and send it down-

Levi: clip it onto your jeans and hold on!

Becca: Okay. -clips onto belt loop and gets up-

Levi: guys hold onto the rope. on a count of three let go and we'll  
pull you up

-beck's pretty far down-

-the guys hold onto the rope-

Levi: one two three!

Becca; Remind me to bring climbing gear next time!

Chris: Just hang on!

-they pull more-

-Levi grabs her hand and lifts her over the cliff-

Levi: are you okay, any sprains or something?

Joey: You okay?

-they were a mile in already-

-Levi sets her on the ground and starts to work on her ankle  
carefully-

-and he cleans up her shin placing a bandage on it-

Joey; You're bleeding?

Levi: really, next time don't run off

Chris; Please be careful Becca.

-Levi helps her to her feet-

Levi: get on my back were gonna head on home

Lance: Big brother won't be able to help you all the time.

Becca: Okay.

-she gets on his back-

Levi: lets go

-They walk back-

-they start down the hill and Levi holds tightly to ehr legs-

-once they get back ontot he lawn his dad is right there-

Chris; Hey.

Brian: heard the screaming and nearly came in for ya

Becca; Taht was me.

Levi: she fell off the cliff and twisted her ankle

Becca: I can walk you know.

Levi: already took care of everything but she should get in x-rayed just in case

Levi: who knows how bad it is

-he puts her back on the ground blushing a bit-

Joey: I'll drive her.

Becca; Thanks Joey.

-Becca tries to walk but falls over winceing in pain-

Levi: I'll get you to your car

-Levi gets her on his abck againa nd puts her in the car they came in-

-the others get in the car too-

Chris; Seriously Becca you're too reckless.

Levi: sorry beck I should have warned you a bit more about it

Becca; It's okay.

-he felt bad-

Levi: no really its my fault. its dangeruos and we ahv eto put up a fence or something

Levi: we should have not gone of the trail at all

Levi: you should get her to the docs

Becca; it was fun though.

Joey: we'll get there. Chris call Becca's dad He'll want to know where we are.

-Levi runs intot he house. brian leans over and looks in the driver window-

Brian: levi's a little..... shy

Jc: We noticed.

Justin; He does seem a little quiet.

Brian: he's not use to having friends who share what he's into

Jc: We love having him around. He's a total doll.

Becca: He's a nice guy.

Brian: heh, just wait till you get to know him better

Joey; He told us he's a perv so he should fit in with the guys.

Brain: perv is the least of it all

-brain sstands up-

Brian: have a safe drive and I'll see ya later

Chris; We don't care as long as he's himself. See ya. -they drive off-

-the next day-

-everyone is sitting at their table when Becca and lance come in.  
Becca's leg is in a cast and she's on krutches-

Becca; My first broken bones! I feel so special!

Justin; You're being really optimistic about thsi Becca.

-Levi walks inn the doors, sees Becca and runs to the library-

Jc; well you shouldbe off the cast by spring so you'll be fine.

Levi: damn it damn it damn it!

Becca; Hi Levi...Where are you going?

-he gets to the library and sits at a table-

-Jc goes over to the library-

-lots of girls swarm him and just start talking to each other-

Jc: Out of the way ladies. man to man talk happening here! -the girls leave-

Jc; WHats wrong?

Jc: You know it's not your fault.

Levi: yeah it is

-he puts his head on the table-

Jc: You don't know Becca. Even if you had warned her a million times she would have fallen. She's just reckless like that.

Levi: I could have NOT let you guys on the trail. I was reckless of thinking it be fine when in the end all of you could have fallen

Jc: We probably wouldn't have gone but Becca would have gone anyways. Believe me she listens to no one.

-Levi sighs-

Levi: I have so much going on in my life right now I should have not..... uhg

-he covers his head with his arms-

Jc: You can't beat yourself up. If you need someone to talk to I'm right here. I'll leave you alone for a bit. But trust me when I say that it's not your fault. -he leaves-

inner Levi: my mom's pregnant I'm in a new school girls won't leave me alone I broke some chicks leg..... and I think I'm bisexual

Jc; If it makes you feel better this isn't the first time Becca's gotten herself hurt. you should have seen the time she jumped off my roof. That was rich.

Jc; Now ladies please give your idol some space! The man's going through some stuff right now and if you were good fans you'd leave him alone! -the girls leave. they know not to argue with Jc-

-after school the guys want to see Levi so they head up to his house-

-they left Becca behind so she wouldn't do anything stupid-

Mom: hey guys. surprise surprise.

Lance; Hello ma'm.

Mom: Levi didn't say you were coming over. wheres rebecca?

Lance; We're keeping her home so she doesn't wreak your place and get herself hurt again. I think she was eyeballing your roof yesterday. You know how it overhangs the pool?

Mom: yes Levi was wondering if he could do that when we moved here

Lance; She does something reckless wherever she goes.

Mom: by the way he is in the pool, swimming laps. you can go around and see him

Chris; Okay.

Joey; Thanks.

-they go around the house to find Levi swimming fast laps around the pool-

Lance: Nice job.

-just in his swimtrunks-

Inner Lance; WOW He's hot.

-Levi stops suddenly sort of freaks out-

Levi: how did you get in here?!

-he wipes his face-

Justin: Your mom let us in.

Levi: of course

-Levi floats on his back. he has a very nice chest and tan-

-by the way his hair is red with blond highlights here and there-

Lance; You okay?

Levi: why do you think I'm swimming laps?

-he starts up again-

Joey: Stress maybe. So I think it's safe to assume you're unhappy.

-Lance notices he has some strong arms-

Levi: pretty \*head underwater\* much

-he decides to stop and lean over the edge of the pool-

Levi: what made you guys come up here? and where is Beck?

Lance; We wanted to make sure you were okay. You were avoiding us like the plague during school. And I'm keeping Becca home so she doesn't do something stupid and blow this place to smithereens.

Lance: She has a bad habit of jumping off things and I think she wanted to jump off the third story into the pool.

Levi: heh I nearly did but my mom screamed bloody murder

-Levi sighs climbing out of the pool. JC and Lance stare-

-his trunks are low on his hips-

Joey: She and Chris are the daredevils of the group.

Chris: Hey!

Jc; Well it's true hun after all you and Beccahave always been more adventureus.

Justin: so what is it that's bothering you Levi?

-Levi stands ther letting the water drip from his body. you'd think lance and Jc were counting the drops on his chest-

Levi: well my mom's prego I'm at a new school I can't have a personal life naymore I broke a chicks ankle I have girls drooling over me everywhere I go and..... something else

-Levi grabs his towel drying himself off-

Jc: What's that?

Levi: its..... nothing at all

Levi: I think

Jc; Yu're bi arent you.

Jc; I have a gaydar and I'm not afraid to use it.

Levi: uh

-he looks scared-

Lance: Chill dude it's cool.

Levi: not in my life its not

Jc; In case you haven't noticed sexual orientation isn't a big deal for us.

joey; scared your parent will find out?

Levi: but as a celebrity I just, if I say I'm bi -he says is softly- who knows how many people will hate me and shit and my life will be horrible

Jc: And who knows how many more people will start to love you.

justin: If you don't want anyone to find out it's okay. Yoursecret is safe with us.

Levi: its not like I care if I'm a celebrity. if I wasn't I'd be out already, but because I am who knwos how many people will start joking about mea nd being a big jerk. more then they are

-Levi stis on the ground-

Levi: I haven't even been witha guy yet

Jc; I know the feeling well. I've been called a fag quite often. Ahh  
if I had a dollar.

Lance; Neither have I and I'm gay.

Levi: guys want to come inside? I need to change

-he opens the door leading intot eh dining room-

-the back door-

Joey; Okay. Do you have anything to drink?

-they follow him in-

Levi: whatever is int he fridge help youself

-points into his kitchen-

Levi: just not eh alcohol

Joey: Thanks. -he goes over andgrabs a soda-

-Levi jogs upstairs coming back down a while later in shorts and a t-shirt-

Joey; no duh. I'm the one driving and Becca's dad is a cop. I'd like to keep dating her for a while.

Levi: so you guys don't hate me for breaking Beck's ankle?

Jc: Not in the least bit dollface.

Lance; Actually I thought it was kind of funny.

Chris; it was only a matter of time before she did something like that.

Joey; We can't hate you for a little thing like that.

Justin: Nope.

Levi: wow

-Levi laughs a bit-

Lance; Sometimes I wonder if she was a kite in a past life.

-the next day-

Girl: oh Levi ask me to the dance

Girl 2: no ask me

girl 3: ask me god damn it!

Becca; Get in line for dissapointment boys! I'm taken!

Levi: um.....

Girl 4: hi Levi

-the most propualr girl ins chool and richest comes walking up  
in a mini skirt and high heels-

Levi: uh. hi?

Girl 4: you can call me chrissy

Levi: hi chrissy

-Becca clears off not wanting to talk to her-

Chrissy: you know my boyfriend is being such a pain in my butt  
ya know? I like hoping that maybe like you could take me. I'm  
been like low all week

-she pouts-

Levi: okay

Chrissy: great! come on I want to show you to my friends

Inner Becca; Oh crap. this aint good.

-she hooks her arm with his and drags him off-

inner Levi: I didn't say okay to the dance

-Becca goes over to her table with the guys-

Justin: dude where did Levi go and why are there a ton of girls pouting?

Becca; Bad news guys the bitch squad got him.

Chris; Chrissy and her lot?

justin: lets hope he gets away before he suffocates.

-they see her giggling down the hall with elvi alughing too-

Becca; We're tool late.

inner Levi: this is weird

-Levi looks over at them and makes a funny face at Chrissy who turn to look at him and he smiles-

Joey; I'm not worried about him but you know how clingy Chrissy is.

-the bell rings and Chrissy wraps her arms around his neck, kissing him good and hard and leaving with her lot-

-Levi is blushing a bit-

Becca; Don't tell me you're falling for her?

Levi: no she gave me her gum

Levi: that was in her mouth

Becca: Ew

-he pulls it out throwing it into the trash-

Levi: tell me, when did I say yes to her?

Becca: Almost immediately.

Becca: Or if you're talking about the dance you never did say yes.

Levi: uhg. lets get to class. I hope this lipstick shit is not waterproof

Becca; I think she wears the 8 hour dtuff.

Levi: ahh man!

-the dance that night-

Becca: I have some make up remover sheets if you want some?

-the dancet hat night-

-Levi comes in in a tux and his a really suttu girl attached to him-

Chrissy: oh I love this song lets dance

Levi: I can't dance to fast songs

-but he is already in the middle of a crowd of girls who grinding against him like its time to make babies-

-Becca and Joey arrive.- Chris comes in alone and Justin has his girlfriend. Lance stayed home and JC brought his boyfriend-

Becca; I feel sorry for the poor guy.

-Levi is able to break free panting-

-Lance doesn't like dances-

Levi: if I was supposed to get horny off of THAT I am gay

Levi: where's Lance?

Becca: He hates dances.

-Levi looks disappointed-

Joey; He's at home.

inner Levi: I would have danced with him

Levi: this sucks I'd ditch her but

-she comes running over with her boobs ready to pop out of her dress-

Becca; After the dance we're heading over to my house to hang

out. Wanna come?

Chrissy: come slow dance with me!

-she says this when Chrissy isn't around-

Levi: if I can get away from eh yes!

-he is yanked in and a circle forms. he dances with ehra nd  
people are awwwing?-

Joey: Don't worry about that dude.

Justin: want to dance britney?

Britney: alright

-Becca takes a bottle out of her dress and dumps it's contents  
into the punch-

-they slow dance-

Joey: Juju, brit, you guys should avoid the punch at all costs.

Jc: Joey and Becca spiked it.

Jc: want to dance nick?

Nick: Of course.

-they slow dance-

-suddenly the door opens and a nurse comes in-

Chris; I wish Dani hadn't left.

Becca; Big brother!

Lance; my mother forced me here

Chris: don't touch the punch, guess her spiked it?

-hobbles over to him. even without crutches her leg is still in a cast and she's tripping over her dress-

Becca; bingo.

Lance: guess Levi's enjoying himself

Becca; And I added some other ingredients. Chrissy is going to have a bad night for sure.

Becca; Hardly.

-Levi looks content-

Joey goes over to him.-

Joey; So you enjoying the dance? Don't tell me you drank the punch?

Levi: save me joey, save me I think ehr hand is on my ass

Joey: Punch.

Joey: Give her at least three glasse.

Levi: she wants me to come over to her house afterwards! god knows who has been up her dress

Levi: wnat some punch chrissy?

Chirry: Of course. What a gentleman.

-Levi smiles going over-

Levi: do they have big glasses or just these small ones?

-Levi fills one and smells it-

Joey: doesn't matter just give her a lot.

Levi: okay with ehr pufume she won't notice this

joey: It's Becca's special mixture.

-Levi takes it to chirssy-

Levi: here ya go doll

-Chrissy chugs it-

-Levi gets her tow more-

Chrissy: Mm this is good...-she falls over asleep people rush over to her wondering what's wrong-

-Levi sneeks away-

Becca: Now that everyone is distracted -more people are falling over- we can enjoy ourselves. they'll be fine but most of them won't wake up till morning. Chrissy won't be up till monday morning.

joey: Lets get outof here.

Levi: I'm with you

-they clear out-

Levi: its nice out tonight

Lance; Yeah. It almost makes up for how much Becca's dress cost. I still don't understand why a girl needs a new dress for every dance she goes to.

Levi: yeah chrissy bought her dress so it would match my tux.  
its a black tux, anything goes with black!

Lance; That girl is bad news.

-Levi undoes his bow tie and pops a button on his shirt-

-Becca and Joey get into his car and rive off. Lance leads Levi to his car-

Lance: Wanna ride with me?

Levi: don't I know it. I should just dump her, because like the whole freakin' shcool think we are dating

Levi: sure

Lance: Dump her in front of everyone. She already looks like a fool in front of them all so you dumping her will make perfect sense to them.

Levi: sounds like a plan. beck said you hate dances. why'd you come?

Lance: Mom made me. Dad didn't really care one way or another but mom wants me to find someone. Seriously she's been trying to set me up with guys ever since I came out.

Levi: wow \*chuckle\* when I told my mom about the dance she squealed. I think its because of the horomones

Lance; Dosen't suprise me. you should have seen Mom when Joey came to Pick Becca up. I though she was going to have a heart attack. Dad was cleaning his gun as susal. He likes all our friends but when it comes to who's dating his little girl he makes no exceptions.

Levi: scary scary scary

Levi: you know these really big guys were yeing me the entire dance and that made chrissy groap me more. who's her x?

lance: Rock Springer. He's on the football team. He's okay to us cause Chris and Justin are on the team but he's a total jackass.

Chrissy has more exs than you can shake a stick at.

Levi: does he have a histroy of.... beating up epople?

Lance: He's kicked the shit out of a few guys.

-Levi gulps-

Lance: It's gotten suspended a few times and kicked off the team once but he managed to get back on.

-Levi gulps again-

Lance: Don't worry. If you dump Chrissy you won't have anything to worry about.

-they get to the house everyone else is already there-

Becca: Hey guys you're right on time. Our parents aren't home so we have theentire place to ourselves.

Lance; I'm surprised the house is still standing.

Levi: I'm scared

-he does seems a little pale-

Lance: I wouldn't worry about rock if I were you. he knows better than to go after kids with power.

Lance; Now lets go enjoy ourselves.

Levi: at the dacne with allt he guys galring.... I know I am at the top of every guys enemy list

-he sits down and they try to have fun. they end up getting wasted-

Justin: lets play spin the bottle!

Chris: no no no juju, 7 minutes in ehaven!

Becca: Sevn minutes!

nick: Okay.

Lance; I'll go grab the bowl.

-he comes back with a large bowl-

Lance; Okay now everyone put something of yours in it -they all obey-

Lance; Now who wants to go first?

-Levi puts in his bow tie that's bright red-

Levi: me!

-he was really jumpy-

Lance: Okay. Reach in.

-Levi digs in and pulls out a watch-

Levi: whose is this?

Lance; Wow. me. off we go.

Justin: oh yeah!

-they are put into a big closet-

Levi: now what do we do?

-side note. Becca's friend Kelly is there-

Lance; Dunno. Can I tel you something?

Levi: yeah

Lance: I have the biggest crush on you. I think you're smokin hot.

-Levi giggles-

Levi: I knew that when you were like staring at my chest when I got out of the pool

Lance: Let make out.

Levi: totally, but how do you do it with a guy?

Lance: Same way you do it to a girl. -kisses Levi hard-

-Levi groasn kissing him back-

Levi: I like kissing guys a lot more then girls. maybe I'm gay cause I feel like it

Lance: Maybe. -continues kissing him-

-a few minutes later-

Becca: Okay guys time to come out.

-they come stumbling out-

-levi's shirt is wide open-

Becca: Have fun in there?

Levi: uh-huh

Levi: I like boys

-he is really drunk-

Kelly: Bravo

-Becca takes a swig of booze-

Becca: Man who brought the alcohol?

Joey: me, Justin and JC

-Lance comes out without a shirt on-

Lance: where did my shirt go?

-he is flushed and laughing-

Becca: How should I know? Anyways, Joey goes next. Since it was

his idea. -hands the bowl to him-

-Joey reaches in and pulls out a bracelet-

-levi's tiw is still in there-

Becca: Looks like Kelly's up.

-Joey and Kelly go in-

Levi: kinky. can we watch?

Levi: I won't get horny I swear, I'm gay!

Becca: Hidden camera in there.

Levi: ayay something to jerk off to later

Levi: maybe I can get some mores guy in there with me

Becca: We'll get to watch it next weekend. Our parents will be on a busnies trip for the next couple eeks so we'll havethe place to ourselves.

Lance; Oh joy. Babysitting you for two weeks.

-Seven minutes later Joey and Kelly come out. they both look

slightly buzzed and their hair is messed up-

Becca; Who's next?

Levi: go Jc!

Jc : Alrighty then -he reaches in-

-pulls out a red bow tie-

Levi: that's me that's me

Jc; Ooh lucky day. -drags Levi in-

-Levi pins him tot eh ground instantly-

Jc: Okay now no beating around the bush. -grabs his face and  
kisses him hard-

-levi's hand goes down his patns. he didn't do this with lance-

Levi: wow, this feels nice

Jc: Not enough time for that sweetie. maybe next time. -kisses  
him more and gropes Levi-

-seven mintues are upa dn Levi comes out and he isn't wear a

Levi: lance I found your shirt!

Lance; Thanks.

-Levi sits down next to him-

Becca: Whos next?

Levi: mkay

-Becca grabs an empty coke bottle and spins it-

-its lands on Levi-

Levi: I already went

Becca: Fine -she spins again-

-lances on lance-

Becca: You wanna go or pass?

Lance: I'll go

Becca: okay

Chris: crap

Lance: yay you get to see if you bi or not

Becca; Have fun boys!

-Lance drags Chris in and shuts the door-

Lance: this is nice. just kissing will do

-lance kisses him softly-

-they're like that until they move to mouth to mouth and they're  
like that until their seven minutes are up-

becca: First time for everyithing.

Levi: you were my frist and it..... it wasn't the ebst. i mean, i came thats something but.....

Levi: i guess girls just won't please me

Becca: The first time is never the best.

Levi: unless i can get the toehr guys and girl in ehre to i'll know for sure

Becca; We'll just have to find out. -she zips up her pants and they walk out-

Becca; That was fun. Lance you get to spin now.

-later the night-

Levi: i have an announcement to make!

Chris: lets hear it.

Levi: i came so many time tonight, and the only ones that felt like heaven was when i guy did it. girls just can't please me like guys can. i think i'm gay. i really knew i was bi but now i just don't see a woman pleasing my in my future like men can

-he is very wasted by now-

-everyone is-

Joey: Bravo.

Levi: even if i'm wasted i still think its true when i'm sober

Becca: That's nice now on with the game! or shall we play a different one? I know wone that will be tons of fun if we're bored with this.

Levi: what one?

Becca: Well four of the guys need to go into one of the bedrooms. We have four so it should be fine. Then the rest of us have to draw fom the bowl and then go to that room. We spend a couple

hours in there then we switch it around so that the guys who were waitng before have to draw.

Levi: oh boy

Levi: LETS DO IT!

Chris; I'm in.

Justin; Awesome!

lance; this should be interesting. First lets hide the booze in case mom and dad show up unexpectedly. I know they're on a plane headed to orlando right now but still.

Joey: Okay. -he grabs the booze and takes it to his trucck and comes back-

Jc: Now lets have some fun!

Becca; Okay who wants to do the waitng?

Levi: i want some action

Becca; Chris, Lance, Jc, and Joey you head up to the rooms. I have a number for each room already. now the rest of us draw as soon as they are gone.

-they do so-

Kelly: Lets draw! -reaches in and pulls out Joey's pen-

Levi: oh yeah

-she pulls out a three-

Becca: Me next! -pulls out a two-

-reaches in and pull out a one-

Becca; Wow my own room.

-justin pulls the four-

Becca; Okay people lets go!

-levi goes upt ot eh room one and opens the door. its alnce's room and he's sitting on his bed-

Levi: yay

Lance; Hey.

Levi: someone whose actually gay

-levi shuts the door-

Lance; lets have some fun.

-justin opens the door to another room and finds jc-

Jc: Het big boy. -wasted to the max-

Justin: heh i'm bi so hell yeah

-nick left the party an hour or so ago. he lives next door-

-beck gets chris-

-actually nick was never there he went home before it started-

becca; Hey Chris.

Chris: oh.....

Inner Chris; Someone up there must either hate my guts or really like me. I mean I like her like that but joey....I'm really not drunk enough.

-Kelly gets Joey-

Chris: beck your dating joey. i really don't know.....

Becca; We don't have to do anything serious. But at least let me change into my pajamas while I'm here. -she goes over and changes right in front of him not careing if he can see everything-

-chris can't help but stare and once she's change he doesn't care about joey either-

Chris: i'm fine now

-pins her tot eh floor-

Becca; ow! wow you really don't like to beat around the bush don't you.

-meanwhile-

Levi: heh i was hoping i'd get you

inner levi: i really don't know.....

Lance; I was hopeing i'd get you. Now enough small talk. -kisses Levi.

-some of the drunkenness has worn off already since a while ago-

-levi holds lance's arms, then goes green-

Levi: i'm gonna be sick

-he runs from the room-

Lance; Crap.

-levi is able to find the bathroom and hurls-

inner levi: this is a bad idea i'm being really stupid. i just lost my oral virginity already and i can't do anything else. i need to go home

-Lance comes in. he's sober-

inner levi: i'm drunk and i can't think straight. whatever went on here was an act of drunkenness

Lance: I'm so sorry.

-yeah right-

-well he's sobering up-

Levi: please just call my parents

-levi keeps hurling-

Lance; got it.

Levi: thsi was a really big mistke

-lance calls them and they pick him up-

-menawhile beck is on ehr knees and chris is..... you can  
guess where-

Lance: i know. I can't belive i did that with Chris-

Brian: hello?

-he's at the door-

-levi is still in the bathroom-

Lance; Mr. Litterel? Levi's not feeling to good. h'es in the  
bathroom right now.

Brain: i really should be angry..... but i'm not

Lance; What?

-he goes up and find levi crying sitting on the toilet-

Levi: i'm sorry dad \*cry\*

Inner Lance; I'm so dead. We're all so freakin dead.

Levi: i made a big mistake i'm sorry i did some stupid stuff i  
just.....

Brian: lets get you home

Lance; I'm so sorry.

-he is able to find his shirt and get it on him. everyone else is  
watching from the stairs. levi isn't able to stop crying and can't  
look at anyone. brian puts levi in the car and comes back in-

Brian: i want to know who brought the beer

Justin: It was me.

Brian: i'm really disappointed

-Justin doesn't say anything-

Brian: i'm not going to tell anyone, that's for you guys too.

Brian: and this is rebeccas and lance's hosue

-he looks at thme-

-they say nothing-

-Becca looks guilty-

Brian: i'm not going to tell your parents, but you are

Lance; Yes sir.

Brian: you know something horrible coul dhave happened here.  
you could ahve gotten alcohol poisoning and even pregnate

-brian rubs his face-

-Becca still says nothing-

Brian: and now my son is..... i don't even know what happened

-brian leaves and gets levi home-

Lance; We're so dead.

Joey: We'd better get going.

Jc: ya think?!

Lance: I'll call mom and dad. Becca you go to bed.

Chris; Later.

Jc: wea re all not in a good state to be int eh streets. we should stay

Jc: sleep oever then elave int he morning

Chris: fine.

Becca; You're all staying in the basement. -she goes to her room and sobs-

Inner Becca; This is all my falut. i was the one who got them in trouble.

-the next day-

-is saturday-

Lance: Well now not only will we never be allowed to talk to levi again but Becca and i are grounded for six months.

-the others all leave-

-meanwhile-

Mom: I can't believe you would do something like that.

Levi: neither can I

Mom: I got a call from Rebecca and Lance's parents. They're on restriction for six months. Your father and I won't ban you from speaking to them because they're your friends but we're giving you the same punishment as them.

Levi: I understand

Brian; Now go to your room. We'll call you when dinner is ready.

-Levi is barely able to get up the stairs. His dad comes into the room later finding him staring out the window-

Brian; can you tell me what exactly you kids did?

Levi: 7 minutes in heaven. I made out with Alnce, JC, and I had a 69 with Beck

Brian; Somehow that doesn't surprise me with her.

Levi: then we did this other game where four of the guys went

intot he rooma nd we ahd to draw numbers. i was supose to be with lance and i really thought i wanted to ahve sex but i got really sick

Brian: She's a good kid but i think she feels the need for that kind of attention. I have a feeling her home life isn't as good as you she says.

Levi: had lots of beer

Levi: her aprents are never there

Brian; So you guy played sex games and got drunk.

Levi: yes

-levi was crying again-

Levi: dad i think i'm gay

Brian; Girls who don't have good father daughter bond will look for any kind of male affection.

Brian: i wish you could have come out under better circomstances.

Brian: But at least you're accepting it.

Levi: i thought i was bi i really thoguht it.

Brian: I think we all go through a bi phase before really figureing it out.

Levi: and i was scare do years just.... dating so many girls i made myself belive okay your bi just look at guy just don't do anything with them

Levi: then at the aprty i felt..... it was so much better with guys and i still think it is.....

-he puts hsi arms ont he window sill crying into them-

Brian: levi your mother and i love you. we don't care if your gay. You're our son. -goes over to the window and rubs his back-

Levi: i'm just scared. i'm a celebrity and if people find out it can just.... people hate gays out there and will amke jokes about me and crap. i shouldn't care but i like the fact eople know me for my music and now they'll know me for being gay

Brian; You wouldn't be the first. But belive me you'll be rakeing in fans by the thousands. And trust me the fan that will leave because you're gay will be very few.

Brian; You wouldn't believe how many jokes people make about me and the guys being gay.

Levi: i've heard them all i think

-levi chuckles-

Brian: Even that parody song. That one was pretty funny actually.

Levi: did i ever tell you dad my life plan?

Brian: Nope I don't think you did.

Levi: i want to get a degree in psychology and write a book, and write music and release some more albums. maybe go on tour and do college online. i don't have everything figured out

Brian: You'll figure it out.

Levi: jc wants to go into music

Levi: and chris can write

Levi: all of my friends are in choir

Brian; Always room for new talent.

-flashback-

Lance: Becca can sing but she prefers her strings

-end flashback-

Levi: well i think beck's in strings

Brian; They're all good kids. I like them all. but you all made a mistake. All teenagers do that.

Levi: yeah but the mistakes you make effect who you become.  
my mistake helped me accept the fact i'm gay

Brian: And I'm gald you've come to terms with it.

Brian: What about your friends? what do you think they learned?

Levi: maybe chris came to terms with becca dn jeoy's  
relationships dn might have found something with justin who  
seems to like men mroe then britney. becca probably is going to

clean up ehr act and not act so much like this. and jc  
probably..... might not drink ever again

Levi: i can be really off though

Brian; Who knows. Well I'll leave you alone now. We'll call you  
when dinners ready.

Levi: mkay

-monday rolls around. Becca is hideing in the library crying  
when luch comes-

-levi goes over to her-

Becca; What do you want?

Levi: can we talk?

Becca; Fine.

-levi sits donw-

Levi: i told my parents i'm gay

Becca; Congrats. Joey broke up with me.

Levi: wait.... WHAT?

Becca: You heard me. He broke up with me.

Levi: its not meant to be

Becca: I guess he realized he just wanted Kelly.

Levi: what about chris?

Becca: What about him?

Becca; i'm not dateing anyone for a while.

Levi: you guys had fun and it seems your relationship was only sex

Becca; Joey was there. He cared about me.

Levi: well i think chris really likes you and cares about you, and if you do date anyone in the future i think it could be him. he can wait

Levi: of course he cared, he's been friends with you for years. but you guys couldn't really bump up to the next level entirely

Becca; levi. Don't tell anyone about this but after my six month

sentance is over I'm running away.

Levi: yeah right. your not running away

Levi: i'll get you alot of caffiene if you stay

-levi was trying to joke-

Becca; I can't take this anymore. I love it here and all but there are some things that i can't control right now.

Levi: give ti time. we are juniors. colege isn't too far away

Becca; I don't know how much time i have. -she gets up and wipes her eyes-

Levi: beck come on. i'm starting to wonder if you don't just have adhd

Levi: have you ever wondered if you have depression?

Becca; Trust me thats all. They tested me for it and I don't have it. excuse me. -she leaves-

Levi: i know this stuff and it seems maybe you all hiper now but when your calm something else switches on

Levi: see ya beck

-becca heads to her next class-

-levi walks out of the library-

-levi's next calss in annual-

Becca; i won't let anyone near me. I can't let anyone near me.

-over the next few weeks there is an akward feeling in the group-

inner levi: there is something more going on with her. adhd i've seen, but now its like..... she needs mroe help

-levi begs his apretns and all of his friends parents for them to all come over to his palce and go on the hike-

lance; Hey Levi.

-they allow it, but only if they come to make sure nothing happens-

-so the apretns hang out and talka nd alugh while the kids get ready for the hike-

Levi: hey. paretns are haivng fun. can you help me pack the bags?

Lance; This is really what Becca needs. She's been locking herself up the the bathroom for days. I can hear her swearing in there.

Becca; Stuff it Lanceten!

Levi: lanceten?

Lance: My equivilant of becky.

Becca: Say that again and you die!

Levi:r eebcca i am not taking you ont he hike with a sweater on. i have to make sure no one dies of heat stroke

Becca: Fine. -she takes it off. Her shirt is baggy. It's not like her to wear something that doesn't fit-

Lance; Okay lets go.

-levi doesn't feel right about the hike but they ehad out anyways-

Levi: bye parents!

Parents: Bye.

-they ehad ont he trail-

-Becca and Lance's parents don't even pay attention-

Levi: so how you liking it so far beck?

-they were in front-

Becca; it's nice.

-there is a warm wind that hits them and beck's shirt goes tight against her and levi can tell-

inner levi: ahh shit. not going to say anything

Becca; Fantastic. -she pulls her sleeves down-

-levi stops hima nd beck-

Lance: We're used to it.

Levi: how do they know if they are obeying their groundation?

Becca: Dad calls us frequently from the house. we have to answer the phone if it's him.

Lance; Other than that they have no clue and i don't think they really care.

Lance; You forgot your meds again didn't you.

Levi: who me?

Levi: i'm not on any meds

Lance; No Becca.

Becca: I'm done with them.

-levi picks up lance's hand and sucks on a few fingers and looks a little like a baby-

Lance: Becca it's dangerous for you to just go off them.

Levi: binky

Becca; I know.

Becca; I need cheese. real cheese and not this plastic that they give us.

Levi: LANCE SAVE ME!

Becca: You are a dead man!

Lance; Becca chill!

Levi: HELP CELEBRITY BEING CAHSED BY CRAZY FAN!

-Lance and a few other people crack up laughing. Lance lets levi hide behind him and holds Becca back. the other people who laughed go back to eating-

Levi: how dare you laugh at me! -he says it low and evil-

-levi dives under the table and cowwers at lance's feet-

Lance: Becca it's okay chill. Whateve levi did it probably wasn't personal.

-Becca glares at Levi and sits down-

Levi: save me my big and strong handsome man

-levi runs his hands up lance's legs-

Lance: Enough hornyness for one day. -hoists levi up and sets him down-

-levi pouts-

Levi: fine

-the rest of the day goes normal except thta Becca is giving Levi the silent treatment-

Levi: i can act serious if you like

Levi: hey beck. i could easily tell everyone else

Becca: No.

Levi: jsutin knwos your prego same with chris, but only chris and i know your cutting yourself

Becca; No.

Levi: f ace it you need to talk witht eh FATHER about it -he sounds out father-

Becca; I don't need help. Chris has enough on his plate as it is without haveing to take care of a baby.

Levi: i know his family has alot of problems. if you want i can sign a check for 10000 bucks, that can help his family. i have the money

Levi: i can buy his family a house. coem on face it beck you can't do this alone.

Levi: chris can't be the only one to take care of his family

Becca; You don't know chris. he won't take charity. I can do this on my own.

-levi decides to go tot eh hosptial and talk with chris's mom himself. she seems really sick and he talks with his parents about the diea. levi writes out the check, making sure it works, and sends it to chris's house anonomously-

-he did that all that day-

-Chris's mom calls Chris and tells him to accept the money. Chris reluctantly does and a week later the doctors happily say that Chris's mom's cancer is outta there and will probably never be back.-

-at levi's house-

Mom; Levi. Can i ask you something?

Chris; Yeah.

Levi: yes?

Mom: It's about your friend Rebecca. Is she alright?

Levi: um... depends on what you mean by alright?

Mom: It's just that she's been acting alot more distant. She's usually bouncy and happy. But lately when ever I've seen hershe just seems off. Is there something going on with her?

Levi: i need to tell someone. mom, the night we went over tot heir house and did that stupid stuff beck and chris had sex her first time and she got pregnate and she has been cutting ehrslef. i think she has depressoiona dn ehr paretns don't give a shit. pardon my french

Mom: Don't worry I probably would have said it the same way. Levi how long has she been this way. We needto get her checked out.

Levi: started after that party. joey dumped her for kelly and well

chris and jsutin knwo she's rpeginate too. only chris and i know about the cutting.

Levi: thats why i sent the check to chris becasue i wanted him to help ehr out. his family needs help mroe then he can give and i gave it to them and now he can help beck.

Mom: Get her over here now. i'll call Christopher.

-levi drives to beck's hosue and knocks-

-Lance opens the door-

Levi: i'm kidnapping your sister

Lance; Alright. It's not like mom and dad are gonna call anyways. BECCA! GET DOWN HERE! IT'S LEVI.

-Becca comes dwon the stairs. Shes wearing a baggy sweater and is glareing at Levi.-

Becca: What!?

Levi: i had to you need help kid~!

-Lance looks confused.-

Levi: want to come to lance your the uncle

Lance; Becca? What's going on.....?

-they go to Levi's car-

-on the way up beck explains everything to lance-

-once they get there chris is already there-

-by the time she's done she's crying.-

Lance; I'm not angry at you Becca. I just wish you had told me.

levi: good thing i sent the check to chris

mom: Okay now that we're all assembled. lets go into the living room.

-levi packs getting back out of the car-

Chris: Wha?

Levi: i'm thirsty anyone thirsty?

Mom: there's some drinks in the living room. now everyone sit down.

-levi sits down next to lance-

Mom: Now lets start from the beginning. Levi why don't you start.

Levi: where?

Mom: The beginning. Just tell us what you know.

Levi: okay. we were on the trial and i pulled beck aside so we could talk. i found out then. afterward in the ktichen ti spilled out to chirs then jsutin walked in eharing something about a kid and figured it out. i've been trying to get beck to say something since then and then i told ehr they knew. then when she was stubborna nd wouldn't tell chris what was going on i went to see chris's mom -c-

Chris: So my mom knows about this?

Levi: when i saw how bad she was and she told me how she hated what was going on with chris, nos he doesn't know, i wnet

home and wrote the check for 10000 dollaors so his family could get a better palce get food and crap. and that emant chris could finally help beck witht eh kid and beck could maybe come to her senses

Levi: thats it

-levi pulls his knees to his chest-

Levi: oh and on the way up beck told alnce everything

Levi: i'm done

Mom: Okay.

inner levi: beck could give the baby up for adoption

Chris: The pregnancy I can handle. But what hurts me is the cutting. Becca we all care about you. And the trth is that i've had a crush on you since middle school. Only I was too much of a wuss to say it.

Becca; Really?

Chris; I've been waiting for a while now to say it. where did you think I got all those ideas for songs?

Becca: I thought it was dani.

Chris; Not even close.

Lance: So what now?

mom: Well it's too late to terminate the pregnancy.

Becca; i wouldn't have done that anyways.

Mom; But there are options. One of them is adoption.

Becca: I don't know what i should do.

-levi nods. he looks at his mom. she was already 4 monthes along and was getting big and more moody-

Mom: Well you'll have time to think about it. In the meantime we should get you to an obgyn and see how the baby is doing. from the sounds of it you're two months along. -stands up- We're takeing your car Levi. Come on.

Levi: fine, seems i'm been playing chofur for a hwile now

Mom: Deal.

-levi gets into his car and is able to fit is mom int he front-

-the other three are in the back-

Levi: its a small car. do you think dad will give me his truck?

-Becca is in the middle . Chris rubs her back-

mom: He took it when he went to work. Lets go.

Levi: eh thinks. maybe AJ will like me and buy me a bigger car

-levi pulls out and gets to the hospital his mom points out-

-Becca looks stone faced the whole time-

-they go in and an hour later they come out-

Chris: So what happened?

Levi: glad i don't have to deal with this stuff

Mom: they couldn't tell the sex but they think it's going to be a boy. I was right about her being two months along. It's also somewhat underweight.

Becca; And I'm keeping it.

-they look at her-

Lance; You sure?

Becca: Yes.

Levi: i'm happy for her

Chris; Becca i'm so sorry i did this to you. -hugs her-

Becca: Not your fault. Mine.

Levi: rubbers

-Becca leaves crying-

-beck waits outside-

-the doc starts the tape-

-flashback-

Levi: what are you doing here?

Daddy: Getting payback brat! Have at him boys.

Rock: I'll go first.

Levi: what the hell are you talking about?

-he opens his car door-

Daddy; Atta boy. Show the kids who's boss.

-and gets his head slamming inside of it-

Levi: shit

-he falls to the ground-

-Rock pulls him out and starts punching him-

Rock; Anything else coach wallace?

Levi: let me go

Wallace: The boy likes it in the ass. Dave. You have a go at him.

-one by one after calling them by name they have their way with Levi and give him a few swift kicks-

Levi: please no

-Finally Wallace has his way-

Levi: leave me alone.....

Wallace: Lets go. Give him a few more kicks and then we can leave.

-he gets kickc int he jaw and left ont eh ground-

-jake is able to video tape his stuggling to his feet and getting in his car-

-end flashback-

Rock: Make some copies for kirkpatrick and fatone. They'll want to see this.

Jake: i'm sorry if i elave here they'll come after me and beat me

Doc: The police will put you into protective custody.

-the camera nods and shuts off-

Jake: i ignored them and came here

Lance ear god leci

-he is in tears-

Chris; -he's stone faced but you can see the anger in his eyes-  
You swear to god you didn't touch him Jake?

Brian: damn it i am sueing him for doing this to my son!

Chris: Sue them all.

Jake: i swear i wouldn't. he's a cool guy and i didn't know what  
he outing was at all

-meanwhile-inner levi: please god let me die.....

Becca: How could this happen? I knew it would. -she's sobbing  
outside the door- Ow -the baby is kicking like crazy- I know  
you're scared. Mommy's scared too. -she goes in to see Levi.-

Becca; Please Levi. Don't leave us. We'll find them.

-since the video was quite long, beck was able to go in and see  
him after she was listening outside the door-

-levi was staring att eh ceilging blankly, bandaged up. beck could  
see he has a black eye and his nose is broken-

Levi: no internal injuries..... -his voice was raspy and soft-

Becca: Thank god. Trust me Levi those sons of bitches are going to pay dearly for this.

Levi: i don't care anymore

-his voice stayed at soft and raspy-

Becca; Remember when you found out I was cutting? How I said no one would cry over me? You said that you would. If you died levi all of us would cry over you.

Levi: they sent in for STD/HIV tests. don't know when they will be back.....

Becca: Lets hope for the best.

Levi: they didn't use any protection. funny, and they just used their spit

Becca: Pigs the lot of them.

-the door opens and the doctor and the others come into the room-

Doc: The police are on their way to the homes of the assailants.

-it was jc lance brian doc chris and joey-

Levi: how did you find out?

Chris; If I ever see those bastards I swear....

-remember his voice is still soft and raspy. if it isn't i'll say otherwise-

Joey; a kid on the team. Jake. You know the runt of the team?

Levi: my science partner

-enter Jake-

Jake: Levi I'm so sorry! Please forgive me. I wanted to stop them but they would have killed me! I was the one who told.

Levi: i'm not angry at anyone. not even those who shoved their dicks so far up my fuckin ass

-levi shuts his eyes holding back the tears-

Doc: We'll give you some space. -turns to the others- We should leave him alone for a bit.

Levi: where's my mom?

-they leave. Becca and is crying and Chris has his arm around her-

Brian; Your mom is in the waiting room.

Levi: i want mom

-he is in tears now-

Brian; Okay son.

-they leave and a couple minutes later Leighanne comes in-

Leighanne: my baby. -she's crying.

Levi: hold me momma please

-he is crying too-

-She holds him as best she can-

Levi: i'm such a baby

-he is sobbing into her chest-

Leighanne: But you're brave. Don't worry. I'm right here. It'll be alright.

Levi: we move here and i go to this school. i want people to treat me right and i get these friends and everything just starts to change then people start to hate me then i get beatne and raped

Levi: i nearly lost my foot getting chased by girls i've never seen before in my life! because i wanted them there!

Leighanne; Life is like that. A rollercoaster. You just have to hold on and ride it out. Things get better eventually.

-later brian comes back in finding his mom lying on the bed holding levi who is fast asleep in her arms-

Brian: our poor boy

Leighanne: He's been through something that no one at his age should ever have to go through. In fact no one at any age should have to go through that.

Brian: i remember when you told me you were pregnant with my son. man it was just like rebecca and chris

Leighanne: But we managed. I just hope it's not as rough for

them as it was for us.

Brain: i rememebr take you and him on tour and we lost him for a while, but he was five eyars old and helping out the stage crew.

-brian laughs through the tears-

Leighanne; Yes. I rember that. He was helping with the sound check and set up. The crew loved haveing him there.and I think the show that night was the best one of the tour.

Brian: he has grown so much and has found these wonderful people to be his friends. he deserves them

-brian pets his sons head-

Leighanne; But he's acting like he's ready to give up entirely. I just hope he'll pull through.

Brian: Levi you are a strong boy, don't give up. push throguh like you have done in the past

Leighanne: I'll stay with Levi. You get home.

-when Levi leaves the hospital next morning, all his fans are out there and they are silent. a few little kids actually get past the gaurds and hug him around the legs-

Little Kid: You'll be okay.

Levi: yeah i know i will

-one little kid gives him a bear-

Levi: thank you

-he hugs the little kid-

Little Kid: He'll help you get better. -hugs Levi back then goes  
back into the crowd-

-levi stares out the window blankly on his way home. his mom  
and dad are in the front-

Levi: can i tell you guys something?

Leighanne; Of course.

Brian; yes.

Levi: when i was leaving the hospital, i felt like i wanted to die. i  
was so humiliated and didn't want to go out into this world in my  
state now. but when i found the crowd quiet and just..... sad, i felt  
so much better. i'm always going to keep this bear. i wonder

what that kids name was

Leighanne: I think there's a card on it.

-levi looks at the bear, finding a card attached-

-on the card in scratchy childish hadnwriteing there's the nae of the kid-

Levi: Tommy

Leighanne: That was thoughtful of him.

Levi: i'm going to name this bear Tommy.

Brian; That's a good name for a bear.

Levi: so much has happened, most people would just hide away wanting to die. but i don't, i want to tell people that no matter whats happens the grass is greener

Brian; Don't worry. You'll get to.

-levi holds the teddy bear to his chest and stares out the window-

Levi: i'm going back to school

Brian: Good. You're showing them you're not afraid.

Levi: but i am so fuckin afrid dad. i've never been mroe scared in my life!

Brian: And thats alright. But you can't let them see that. And I was going to tell you this later today but i think you should know now. The poliece arrested them all. The court date is next week.

Levi: i have to testify don't i?

Brian; You don't have to but it would really help if you want to help put them behind bars for life.

Levi: i'll do it. lets just get home

Leighanne: Alright.

-once they get back everyone is sitting around in the living room, including chris's mom and sisters-

-even kevin and his wife and kids since they are family-

-Becca is sitting next to Chris and he has his arms around her waist-

Chris; Welcome back Levi.

Levi: you two together yet?

Becca; i think you could say that. we're dateing in a way.

Levi :hey girls. how you feeling/ -looks at chris's sisters-

Girl 1; We're fine

Levi: thats good

-levi walks over to lance who he hasn't seen in a while-

-he has his cane with him-

Levi: Hi Bass

Lance: Hey.

Girl 4: Chris and Becca were kissing earlier. Ewwwww.

Chris: That's what you get for walking in without knocking.

-Lance looks at them and laughs-

Kevin: Good to have you back squirt.

Levi: it feels good to be back

-Aaron is there too-

-he wraps his arms around alnce's waist leaning against his chest-

Aaron: Lunch? There's some pizza we saved for you.

Levi: thanks. is it my favorite? garlic chicken?

-looks at the dining room table where the boxes are-

Becca: No one else touched it actually.

Levi: yay

-levi elts go of lance and dives into his moaning and goraning att he taste-

Levi: i'm in heaven

Nick: We knew you'd like it.

Becca: I think the baby's happy you're back. It's kicking like

crazy again.

-aaron and levi sort of grew up together, though aaron is slightly older than him-

-levi finishes his slice of pizza and hugs the teddy bear to his chest again-

Girl: 2: So cute. What's its name?

Levi: tommy. and its my teddy

-hugs it tighter sounding like a little kid-

Levi: best gift in my life

Chris: Wow. I thought my sisters were clingy around their stuff.

Levi: hey you would be too if a little kid who looks like a little justin gives you a teddy. there was a huge crowd and you'd think they'd be screaming out my name but instead it was silent.

Levi: everyone cares so much

Becca: True fans.

Levi: don't care i'm gay either

Howie: They were showing respect.

Brian; True fans won't care if you're gay.

Levi: yeah. lov ehtme all

-later that week johnny calls saying oprah wants to interveiw  
levi-

Levi: oprah? totally!

Jc: Ironic. Levi tells his oprah story on oprah.

-he goes on and makes a very heart touching speach about what  
ahppened to him-

-next mouth, march-

Levi: track is good so far. wish you were in it too beck

-he was msotly healed fromt he incident, but still wouldn't let  
lance touch his body at all-

Becca; I know. But with the belly here that's kinda out of the  
question. -ow-

Baby; kick kick kick kick kick kick kick.

-levi starts to rub his foot that got broken and looks at the scar-

Levi: that kid will be in soccer

Becca: I just want it out. And that's not happening till June.

Levi: he can be with my sisters! can't believe my mom is 8 months already

Becca: Don't forget they're still having trouble figuring out the sex.

Levi: true. they know one's a girl

Chris: And that kid is still being modest.

Levi: the other one they thought was a girl and now don't know fully

Becca: I'm going in for another appointment tomorrow. Hopefully we can find out then.

Levi: you know what? people can call me an absterd cause i am one! born out of wedlock

Becca; -sarcastically- thanks. need I be reminded?

-levi's mom knows they will have one girl but now the docs aren't sure about the other twin. beck still doesn't know what the baby is-

Levi: quick chris marry her so your kid isn't a bastard like me!

Chris; We talked about that already. We're not going to do that till after we've graduated highschool.

Levi: took my parents a year to get married after me

Levi: wow that kid will have a lot in common with me.

Becca; I just hope I can still get into law school.

Chris; I wouldn't be too worried about that if i were you.

Levi: you will

-the next week levi is at a track meet and the others are in the stands watching him-

Levi: look at me mommy i can jump!

Leighanne; Yes i see you.

-levi is getting ready for the pullvault-

Inner Leighanne; Please don't mess up your foot again.

-his mom starts to feel something going on in her gut-

Levi: see ya!

-levi runs off stretching-

-he was up next-

Brian: levi you better not do somethin stupid

Leighanne: Okay you two I know you want to get out soon but please wait till after your brother is done here.

Brian: wiat WHAT?

Leighanne: Sit down and take a few deep breaths. the contractions are still irrgegular. I'm not fully in labor yet but I'm close. We just need to be careful.

-levi grabs his pullvualt and gets ready-

-and he runs and stoves the stick down flinging himself over the

high bar and into the mat. he went high-

Levi: hell yeah

-levi looks over at his parents. his mom doesn't look comfortable and his dad looks ready to pass out-

Levi: HELLO UP THERE!

Leighanne; Hello Levi! -she smiles and waves before playfully slapping Brian- Will you stop being a baby Brian. I'm fine.

Brian: hi son -he still is freakin out a bit-

-after levi runs his long and short distances, coming in second and first, he goes over to his parents-

Levi: what is wrong with you two?

Levi: i didn't die ya know

Leighanne: No and we're very happy about that. You're father is just makeing mountains out of molehills because yours siblings wanted to see you in action I guess.

Levi: wait, don't tell me you aren't in labor?!

Leighanne: Not quite but close.

Levi: holy shit i'm gonna be a brother soon

Brian; how can you be so calm about this!?

-looks at his friend-

Leighanne: I'm just ready to have them out is all.

Levi: crap dad you are freakin' out. woman are always the ones clam when this happens.

Levi: lets get you to the hospital shall we?

-puches and his mom and pale father towards the car. his friends follow-

Levi:w aht did you think guys? was i okay?

Leighanne: yes. You did fine. ow. okay that was five minutes they're getting more even now.

Levi: damn it move along please

-gets them in the car-

Levi: go i'll be over soon. i took my car remember?

Brian: Yes I know.

Brian: bye son. i'm gonna be a father again. oh dear

-they leave-

Levi: hey friends, what did you think of me? was i okay?

Becca; yeah you were great. -she looks a little jelous-.

Levi: come on you can do it next year. you kid can watch tehn!

Becca; I know. But still. Hey we're Brian and Leighanne?

Chris: I saw them earlier. Brian looked kinda freaked out.

Levi: momma's in labor

Becca; Really?! That's great!

Levi: she was the entire time by the looks of it

Levi: i'm gonna head over there and try to keep my father calm.

call ya guys and tell you if its a boy and girl or two grils

Chris; Okay. We'll head down to the house.

-levi kisses lance really hard grabbing his bag still in his track clothes-

Lance; Wow....

Levi: eyah, adrnaline rush. if my mom ent into labor another time i rpoabbly would be scared shitless like my dad

-he laughs and goes to his car driving to the hospital-

Levi: she has to ahve a c-section dad?

Brian; Yeah. Not enough room in the birth canal I guess. That and the contraction aren't speeding up like they should.

Levi: wow thought she'd do it like she did with me. didn't you have to hold up her legs and watch me show my face to the world?

Levi: you cut my cord too. surprised you didn't pass out

Brain; -shudder- Yes. I'm suprised I didn't pass out too. I never thought those things could strech that wide.

Levi: come on dad i'm sure you've seen mom naked and her legs spread wide plenty times before

Brian: Never like that before though. that time it was different. When you have kids you'll understand. You know if you and lance get a surrogate or something.

Levi: who knows we might adopt, if we even end up having kids together.

Brian; You never know.

Levi: but i've heard you can shove really big stuff up there that are bigger than a babies head

Brian: Those things are pretty resilient. Anyways I'd better go scrub in so I can be with your mom when she has the twins. Wana come?

Levi: okay..... -he is a little hesitant but goes anyways-

Levi; hi mommy. something for science ya know?

Leighanne; Very funny.

Levi: i'm gonna watch them cut you open. maybe i can help!

-levi goes around her head and to her other end-

Leighanne: Don't even think about it mister. I don't trust you with sharp pointy things.

Doc: Okay we're makeing the first incision. They'll be out in a few minutes.

-the doc begins to open her up. leighanne is awake but can't feel a damn thing-

Levi: this is wicked! -he is watching as they dig into her gut-

Brian; Our son has a twisted sense of humor.

Leighanne: He gets it from me.

-they open up her womb and levi can see the kids-

Levi: dude.....

Doc: Baby number one. Girl. And she's out! -pulls out baby-

Levi: ahh.... ew did i look like that?!

Brian; You were more wrinkled.

Levi: i was a rasin when i was born?!

Leighanne; Pretty much.

-the doc pulls out the next one and its a boy-

Levi: yes we have a boy!

-levi dances around in circles-

Levi: someone to pass on my secrets to!

Doc; calm down. we still have to cut the cords and sew your mom back up.

Levi: well come on dad cut the cords

Doc; Mr. Litterel? Would you do the honors?

Brian: Alright.

-levi watches-

Levi: you shouldn't trust your husbadn with sharp things either.  
he cuts too good

-insert baby screaming noises here-

-levi starts to realize this won't be a fun time for him-

Levi: bye bye sleep

Leighanne; There's a reason earplugs were invented.

-the babies are soon wrapped up in cloth and levi is hold his siter who is stare at him with blue eyes-

-he walks over and shows him mom-

Levi: she's giving me the eye mom

Leighanne: She loves her big brother.

Levi: she's glaring like she's trying to say, 'i will kill you you are a scaring big brother' i would want to kill me too

Levi: um... what are the boy and girl gonna be named? unless you want to call them boy and girl

Leighanne; You two have more in common than you think.

Brian: Tyler and Angelica Litteral

Brian: well, Angelica Leighanne Litteral and Tyler Tommy Litteral

Levi: you gave her mom's name for a middle name?

Leighanne; She's not the first and not the last.

-levi is staring at his sister. he puts his finger near her hand and she grabs it tightly-

Levi: hi sissy. i'm your big brother

-she squeezes his hand tighter-

-she puts his finger in her mouth and sucks on it-

Levi: okay.....

Brian: Your mom was right. She does love her big brother.

Levi: where is Tyler?

Brian: I've got him right here.

-leighanne is still being shown up-

-levi looks at him. he stares at him too-

Levi: can i hold them both?

Leighanne; You're got your arms full with angelica.

Levi: they are tiny and i have big strong arms

-he flexes his right arm-

Brian: Alright. here he his. -hands tyler over-

-levi cradles them both and they stare at him too-

-they begin to get fussy and just out of instinct he bounces them a little and starts to hum one of the abckstreet boy songs-

Inner Tyler: Who is this weirdo?

Levi: 'show me the meaning of bein lonely, id this the feeling i need to walk with, tell me why i can't be there where you are. there's somethin missin in my heart'

-a few days later Leighanne and the twins are able to come home. There is a welcomeing party wating for them-

Levi: there are the butts now

Levi: butt head one and butt head two, their new nicknames

becca: They can't be that bad can they?

Levi: they gave me the death glare!

Levi: but they did fall asleep when i sang to them

Jc: Awwwww.

Lance; Quiet flamer.

-they come inside leighanne and brian both carring one-

Becca; So CUTE!

Brian: welecome tot he family babies

Chris; Oh geeze.

Levi: its pregnancy right?

Brian; Yeah.

Levi: a prego or woman thing?

Leighanne: Pertty much. Just wait till the post pardom kicks in.

hormone overload.

Levi: ah shit

Brian: watch it around the kids levi!

-levi flinches at his fathers tone-

Leighanne: And you'll be putting up with that and Becca and three babies.

Joey; That's right Becca's due in two months.

Levi: uh oh protective father here. can i run away?

Leighanne; yes son.

Justin; Run Levi!

Levi: i'm gonna go pack. help me lance

Lance: Nuh uh. I want you to stay here. I'll protect you.

-drags him upstairs-

Levi: you pack to then

Lance; I have to help my sister.

-shuts his bedroom door locking it-

Levi: who is more important, me or beck?

-wraps his arms around his neck-

Lance: Both of you are equal in importance to me. please stay? I promise I'll protect you from the babies and the over protective parents.

Levi: fine.

-levi kisses lance softly running his hands down his back-

Lance: I love you you know that? I can't say it enough times.

Levi: i love you too

-levi slides his hands into lance's abck pockets-

-Lance places his hands on Levi's waist kissing his lips softly-

-levi kisses him back-

-there's a knock at the door-

Justin; You're mom told me to come get you two. it's dinner time.

Levi: comming

-levi pulls away from lance really quickly running down the stairs spinning past justin-

Justin: what the heck?

Lance; hungry

Justin: no thats not hungry. hungry is more levi pretending to be a monster. he looked like he watned to get away from you

Justin: what the hell did you do to him?

Lance: We were just kissing. For a moment I thought things were back to normal. It's been a long time since he's even let me touch him. I don't think he ever recovred from that night.

Justin: poor dude. come on, food smeels devilishly good right now

Chris: More milk for Becca.

-justin goes down the stairs. at the table levi seems scared-

Becca; come on chris that's my third glass. You know i hate that stuff.

Chris; Come on drink up. The baby need this.

Levi: just drink the damn milk rebecca!

Levi: suck it up

Chris; What the heck Levi?!

Levi: oh shut up chris

-levi stares at his plate-

-Becca looks stunned and chugs the milk before excuseing herself. Chris goes with her-

-the rest of the meal is eaten in akward scilence-

-levi leaves the table, shoving his chair against the wall. he goes up the stairs and when he slams his door a picture falls to the ground-

Justin: what the heck is up his butt?

Lance; Again he hasn't recovered from that night.

Leighanne; And we thought he was making progress.

Jc: he seems so energetic, then after he goes up with you he goes all scared and meanlike

Brian: The first court date is tomorrow. He can testify against them and maybe get some closure.

Lance: I wonder if when we started kissing he had flashbacks.

-a few minutes later chris comes back down-

Brian: how's becca?

Chris: Crying her eyes out. She's a bit of a crybaby to begin with but now that she's prego it's ten times worse.

Brian: god damn it levi. sorry kids

-looks at the babies near the table-

Chris; I came down here to ask if I could bring the rest of her dinner up here. She doesn't want to come back down.

-the babies look clueless-

Brian: go ahead chris

-brian puts his head in his hands-

Chris: Thanks. -he takes the plate and takes it upstairs-

Brian: i have two new babies i have to worry about, and now my son has god knows what going through his mind. he seems so fine one minute then after a make out session he is scared and a jerk

-levi is in his bathroom gutting himself. he's never done this before until now-

Brian: what am i to do with him?

Leighanne; Well testifying in court might help him a bit. Maybe we should get him into counseling?

Brian: i don't know. i'm going to go up and talk with him

-jc, justin and joey have already left-

-brian leaves the table-

-they hear alot of yelling and brian drags his son downstairs  
completly worried-

Brian: look what he did to himself

Leighanne; Oh god Levi.

-shoves levi's arms out-

Levi: leave me along beck did it

-he is fuming-

Leighanne; She stopped. And she got help! You need help too  
Levi.

Levi: no i don't damn it!

-levi rips his arms from his father-

Levi: i'm fine, never felt better

Brian: You're not fine. If you're cutting yourself and turing into a  
total jerk to your friends after a makeout session with your  
boyfriend then something is wrong! You need help!

Levi: i hate you

-he is glaring at thme-

Levi: just take care of the damn twins. your more ovrried about them

-levi goes out the backdoor running fast out and into the trial-

Brian: Levi!

-the twins are crying-

inner twins: WHAT THE HECK IS GOING ON!?

-Brian goes up the trail after him-

-lance sits at the table-

Lance: do you need help with the babies leighanne?

-he was sort of in tears trying to hide them-

Leighanne; Yes Lance. If you could feed them and then put them to bed that would be wonderful -she's crying-

-lance takes the twins upstaris and begins to feed them-

Lance: what is wrong levi? why are you change all of a sudden?

-the twins are still fussy after they've been fed, burped and put to bed. they know somethings not right-

Inner twins: You people are really bad at pretending everythings fine. Where's the weirdo? WHERE IS HE!?

-a while later lance and leighanne are sitting in the living room. leighanne is still crying and lance's face is wet-

-Becca is asleep and Chris is laying next to her-

-brian comes in with levi being dragged behind him-

Brian: he finally wore himself out.

-levi glares at them all-

-his arms are smeared with blood-

-the twins are stil fussing in ther room-

Brian: clean yourself up and get your sister and brother to calm down

-brian pushes levi up the stairs. he is cursing them under his

breath-

-he washes his arms and bandages them-

-then he goes into where his siblings are and glare at them too-

-when he picks them up though thier cries turn into happy coos and gurgles-

Inner Twins: There you are weirdo. Where were ya?

Levi: what is wrong with you?!

-puts them down and they begin to cry-

Levi: why are you acting like this i'm just a shitty brother

-he picks them up again-

Inner Twins: We love you too weirdo. you're not perfect. Nobody is. Hell we're not even a week old and we know that. Just keep holding us like this kay?

-levi rocks them singing one of his own songs to them-

Levi: -singing gardian angel-

-while singing he just thinks about everything..... alot-

-the next day-

Brian: Wake up everyone. We got to get to the courthouse by nine.

-levi didn't budge from his bed-

Chris; Come on Becca. -shakes her gently- you can sleep in the car. Lets go.

-Becca gets up and gets dressed-

-levi goes as slow as hell-

Brian; Levi come on.

Levi: we'll get there

-levi dresses into a suit without the jacket-

-Becca is about to protest the milk but upon seeing levi she just drinks it. Shes still upset about last night-

-he spikes his hair and stares at himself in the mirror-

-Lance passes him and about to say he looks nice but then decides against it and walks by-

-levi groans slamming his bedroom door with him inside.  
everyone is downstairs wondering what the hell he is doing.  
they already saw him in his suit-

Brian: If he's cutting again...

-levi comes down the stairs. he is in jeans and a t-shirt with a  
ambercrombie jacket on-

-he stares at them-

Brian: Okay we ready? Lets go.

-they go. at the court house people are holding up signs saying  
things for levi to win-

inner levi: why bother i'll win either way

-he still felt bad and didn't know why-

Levi: 'i'll stand up for you forever'

Levi: 'even if saving you sends me to heaven'

-the court session goes perfectly. everyone testifys and the defense only has some very weak arguments. in the end all are found guilty. jake is found guilty of conspiracy to commit assault and rape but is only given probation due to the fact that he told everyone what happened. Coach Wallrd was givein two life sentences without parol and became big bubbas prison bitch-

-along with all the other football players who went to prison-

-in the car where everyone is-

Chris: The bastards got what they deserved.

Levi: i don't feel happy

Lance: Why not?

Levi: it didn't do anything. they just go their punishment. how the hell is it suppose to make me feel good they are rotting in prison?

Lance: I wouldn't know.

Levi: turnt he car around i need to do something

-they stop the car and levi gets out running tot eh court house-

-levi runs up to the court house finding the guilty people going into a truck and he runs up to it-

-everyone turns to face him video taping it-

Levi: hey i want to say something to you! all of you!

-they all look at him-

Levi: i just wanted to say you are all good people and i want to know what amde you do that to me

Levi: you just ruined your lives because of what you did. no more football, no maor seeing your family, your daughter chrissy won't have her father any more!

Levi: i forgive you, all of you! what about you, coach?
