

-we open our scene with the siblings Becca and Jordyn sitting around at home-

Jordyn: I'm bored

-she was watching House, her favorite TV show that she owned all seasons on DVD-

Becca; Same here -staring at a picture of Chris from their date the week before-

Becca; When did Daddy say he'd be back?

Jordyn: they'll be back late. you know you can get in big trouble if they find out about you and Chris

Jordyn: that's why I'm not risking it with Bass

Becca; I don't care. Why can't I be with someone?

Becca: Everyone else in the world gets to find a person close to them but yet we're not allowed to.

Jordyn: he's human for one thing... and second they don't know about us

Jordyn: we have to find someone like us

-Jordyn sounded sad herself-

Becca: I just wish i could turn him. Tell him the truth.

Jordyn: I've liked Bass for a long time and he's liked me too. if you really loved Chris you wouldn't tell him and STOP dating him

Becca: And be doomed to be alone forever? -she gets up and goes to her room-

-the door opens and Nick walks in-

-Jordyn lies down on the couch watching House blankly-

Jordyn: hi Papi

Nick: Hey kiddo. The house is still standing so I guess it's safe to assume that you and

your sister got along today.

Jordyn: dad she is risking her life

Nick; Your father isn't going to be back for another couple hours and what?!

Jordyn: she is in love with a human. and its one of our best friends -Jordyn rolls onto her back staring at him-

Nick; Oh man....i was wondering what got into her. It's that Chris kid isn't it.

Jordyn: yeah. and none of our friends know who we are, shockingly after being friends since preschool

Nick; Brian is gonna have a heart attack.

-Jordyn looks sad-

Jordyn: they've been dating for a week now. Chris loves her as much as she loves him..... they both have no clue what love really means

Nick: I know. It's gonna be hard for her. You guys haven't been alive that long. Your father and I have been around for centuries. just talk to her. Remember we need to make sure she doesn't go to far with him.

-Jordyn watches the TV as House shoves a knife into a socket-

Nick: I'm gonna call your father. We're gonna need to talk to her.

Jordyn: I have been telling her that if she really cared about him that she'd stop dating him now so he doesn't get confused years later that she suddenly 'can't date him anymore' and is sentenced to death

Nick: We're gonna need to give some tough love.

Jordyn: at least i am controlling myself better

-Nick goes over to the phone and calls up Brian who comes over in half an hour-

-Jordyn changes into a bat and flies around the house-

Nick; Rebecca. Please come down here.

Nick; You too Jordyn.

-Jordyn is a bat thanks to her mom. the dads are human vampires-

Jordyn: squeak

inner Jordyn: coming!

-they can hear her thoughts when she wants them to-

-half an hour later-

Nick: Okay are we all assembled?

Becca; Yeah. What is it?

-Jordyn hovers above Becca's head-

Nick: Jordyn told us you've been dating a human.

Nick: Becca you know our laws. We need to follow them.

Becca; What! Jordyn! What the heck!?

-Jordyn flies to the other side of the room when Becca tries to squish her-

inner Jordyn: i had to okay? i care about you and DON'T want to witness your head getting ripped off!

Nick: Girls we know this is hard for you but the laws clearly state that you can't be involved with humans in that way. You're already going out on a limb by being friends with them. Rebecca we're putting you on restriction for a month and we want you to break up with Chris.

Brian: i am extremely worried about you Rebecca!

Becca; So you guys want me to be miserable and alone?

inner Jordyn: this is why i make Lance think I'm not interested in him

Nick: No. You're exaggerating. We just don't want you getting hurt.

-Becca ignores them and goes up to her room and hides in her closet-

-Jordyn changes back-

Nick: If he were a vampire I'd let him date her any day but we can't risk violating our laws.

Nick: Brian? what do you think?

Brian: i want the best for her, and i wish it was Chris

Nick: Go talk to her. She'll listen to you.

-Brian nods and goes upstairs. Jordyn sits down on a chair-

Nick: I'm proud of how you're handling this Jordyn. I know it's hard but trust me things do work out in the end.

Jordyn: daddy you know how you said I've had the power to sense things about people? -she speaks softly-

Nick: Yeah? -sits down on the couch-

Jordyn: i know for a fact that Chris and Beck are soul mates.....

-upstairs-

Brian: Rebecca?

Becca: Leave me alone -still in her closet-

-Brian sits down outside her closet door-

Brian: honey if i was a irresponsible parent i would let you date Chris

Becca: You and dad just want me to be alone.

Brian: yes that is exactly it -sarcasm-

Becca; But instead you're being responsible and keeping me away from someone who I care about.

Brian: who said you can't be friends with him?

Brian: can't you care about him that way?

Becca; Fine. But i don't want to be a virgin forever you know that.

Becca: And he'll die and then I'll be alone again. God, Jordyn has it easy.

Brian: honey i know for a fact... okay TMI... your sister is suffering hard. she has the power to convince people about how she is feeling. Lance believes she doesn't want to date him but Nick and i know for a fact she wants to kill herself

Becca: Well she's free to join the club.

Brian: honey while your pouting and complaining about your own problems you have missed your sister trying to commit suicide

Becca: It's not going to work. Unless she gets a hold of Lycan venom.

Brian: honey..... you really have been wallowing in yourself pity

Brian: she's lucky I'm a doctor

Becca: Fine. I'll break up with him.

Brian: I'm really sorry honey. i wish you could be with Chris. i really do

-He can hear Becca sobbing through the door-

-Nick comes in-

Nick: So she listened?

-Brian opens her closet door and holds her tightly-

Brian: sort of

Nick; sweetie we're doing this because we care about you.

-Becca keeps crying holding onto her dad-

-the next day at school-

Jordyn: hey guys -she is in her usual guy clothes-

Joey; what the heck Becca? I thought you guys were doing good.

-Becca had broken up with Chris the night before over the phone. She couldn't face him-

Becca; I don't want to talk about it Joey so shut it.

Joey; Hey Jordyn.

Jc; Hey.

Jordyn: oh Beck quit being like this -she hits her upside the head-

Becca; Okay -puts on fake grin which goes back to pissed in a second.-

Jordyn: dorkus. hey where is la Bass?

Jc: Chris is still moping in the library. Lance and Justin are trying to cheer him up.

-Jordyn skips off into that direction-

-at the library-

Lance; Oh hey Jordyn. Can you ask your sister what her problem is?

-Jordyn sighs doing her best with her 'powers'-

Justin; Lance cool it. They're still our friends. Sorry Jordyn, Chris is still moping.

Jordyn: you see Beck really cares about Chris, but she doesn't love him as much as she thought. she might have put it on Chris a bit too hard, but i swear on my life that is the truth

-she holds up her right hand and puts her left hand flat in the air to show she isn't crossing her fingers-

Lance; Okay.

inner Jordyn: god your so hot when you look like that Bass

Justin; Now just to explain that to him -points to Chris who is flopped over on the table-

-Jordyn goes over and says the same thing to Chris-

Jordyn: why can't we be all friends?

Chris; I still love her.

Jordyn: then be her friend

Lance; Come on man. Snap out of it. You could have any girl you wanted but you're stuck on her.

inner Jordyn: wow Lance you tell Chris what you need to tell yourself

Justin: Come on.

-Lance and Justin pick Chris up by each arm and start trying to get him out of the library-

Chris: I'm coming I'm coming

-Chris throws them off of him and they head out-

Joey: And he finally comes out of his swamp of misery!

-Jordyn walks next to Lance-

-Chris looks at Becca-

-Becca looks miserable-

Joey; Come on guys. -picks up chocolate and dangles it in front of Becca's face-

-Jordyn snatches it eating it whole-

Jordyn: i win -with her mouth full-

Jc: This is why I hate it when friends date each other

Jordyn: your gay with a crush on Joe so quit being a hypocrite

-Becca jumps up and starts digging in her pockets-

Jc; At least I'm not actually dating him.

Becca; Guys quiet phone! -grabs it and answers-

Joey: wait you like me?!

Jc; Yeah so what? I know you're not gay.

-Jordyn makes a loud shushing sound-

Jordyn: that's what you think!

Becca; Hello?...Oh Hey Dad....No I'm not disappointed to hear from you.....Okay.....Fine.....Okay eight o'clock.....I'll tell her.....Bye dad. -hangs up-

Becca: They're taking us to this social event going on tonight. We have to go so no complaints.

Jc; Have fun you two.

Jordyn: hurray! -sarcasm-

-Jordyn throws her hands in the air and then her chair falls over with her in it-

-she groans/laughs-

Justin; You okay?

Jordyn: ugh, never better

-the bell rings-

Jordyn: class time!

Becca; off we go.

-Jordyn hurries to band-

-Becca goes to English-

-Lance watches Jordyn-

Joey: hey you okay man?

Lance: I really like her and i want to ask her out but she's not interested and the last thing i want is to end up like Chris.

Joey: I'm sorry man. i really think she likes you with how much she hangs out with yo

Lance: But not in the way I do.

-Joey sighs and heads to PE with Chris-

-Lance goes to Spanish. and Jc goes to art and Justin heads to band with Jordyn-

inner joey: is there something going on that we don't know about?

-after school-

Jordyn: tra la la

Becca; You're awfully cheerful. what's gotten into you?

Jordyn: nothing -Jordyn holds onto a pencil in her hand-

Becca: I wonder what our parents are trying to pull with this social event?

-Jordyn shrugs and they head off-

-at social event-

Jordyn: why am i in a dress?!

Becca; Dad what the heck is going on?

Brian: Nick you want to explain?

Nick: we just figured that you girls should get to know more vampires your own age.

-Jordyn groans-

Becca; Brilliant Dad.

Jordyn: Papi your head vampire why can't you change the laws for your wonderful girls?

Nick: Security risks. The last few times vampires have become involved with humans it ended in disaster.

Jordyn: i know Becca wants to change Chris. why can't you change that law?

Nick: if she wants to risk killing him instead then fine go right ahead.

Nick: Speaking of which where is your sister?

Jordyn: in hiding which is where i should be

Nick: Okay just humor us and mingle for a bit. This will be over in a couple hours.

Brian: have fun

-Jordyn goes towards the punch-

Becca: It's blood flavored.

-Jordyn groans-

Becca; Remind me to kill our parents when we get home.

-Jordyn nods-

-two guys walk over-

Becca; And two guys approach.

Jordyn: hi guys. I'm Billy Bob -she says it in a hick accent-

Becca; Funny. This is my sister Jordyn.

Becca; I'm Becca. You are?

Kevin: Kevin. this is AJ

Becca: Nice to meet you.

-Jordyn rolls her eyes-

Inner Becca; Please at least try to be civil Jordyn

AJ; Nice to meet you. -looks at Jordyn- You girls don't look to happy to be here.

Jordyn: why wouldn't we -fake smiles ad sounds sarcastic-

AJ: It wasn't our idea to come here either. We just come here for the punch.

Jordyn: excuse me i have to piss -goes to the bathroom-

AJ; So are you guys bloodlines or were you turned?

Becca; Bloodlines.

AJ; You're sister's cute.

Becca; Cute but deadly so be careful.

-Jordyn goes into the last stall and sits down pulling out the pencil from her cleavage-

Kevin: do you want to dance?

Becca; Listen you seem really nice but I just went through a breakup and i really don't want to get into another relationship right now.

Kevin: its okay. do you want us to go?

Becca; You can stay if you want.

Kevin: i think we should go. AJ might just start hitting on you anyways -drags him away-

Becca: later

-while later-

-Becca goes over to the bathroom to find Jordyn-

Becca: -opens the door and calls in- Jordyn? They're gone now. You can come out.

Brian: so how are you handling this? -walks over to her-

Becca; Fine -monotone-

Brian: hey where is your sister. saw her go into the bathroom an hour ago, where did she go?

Becca: I tried looking for her. i think she's still in the bathroom.

Brian: go get her. guess we'll go now

Inner Becca: Finally.

-she goes into the bathroom-

Becca: Jordyn, we need to go now.

Jordyn: go away I'm constipated

Becca; You can be that in the car. Come on Dad and Daddy are getting pissy. We've got to go.

-a pencil rolls out from the stall-

Jordyn: damn it!

-Becca picks it up. Falling out of it was a needle-

Becca; Oh crap. DAD! DADDY!

-Brian burst into the bathroom-

Brian: sorry other ladies but what?!

Becca: I think she tried to kill herself again!

Brian: Jordyn?!

-Nick comes in having heard Becca from across the ballroom-

Jordyn: go away -her voice is strained and growled-

Nick: Brian do you have any spare anti-venom with you?

Brian: yeah in the car

-he runs outside-

Jordyn: go away! no men in the girl's bathroom!

Nick: Jordyn listen. i need you to come out here now. Nothing is worth killing yourself over.

Jordyn: it is when you know who people are meant to be with!

Nick: Please Jordyn if you care about Lance you'll stay alive. killing yourself isn't going

to help I know it hurts but it will get better I promise you.

Jordyn: no it won't! -she cries-

-Brian comes back with the anti venom-

Brian: get her out of there!

-Nick tears down the stall door and takes the anti venom injecting it into her side-

-Jordyn screams-

Jordyn: i hate you -she stares at Nick with red eyes-

Brian: love you too -runs a hand through his hair-

Nick: We know. Come on girls. We're taking you both home now.

-they go home. Jordyn goes into her room AFTER they searched it-

-Becca gets locked up in her room and is not allowed out-

Nick: I just hope we're doing the right thing for them.

Brian: i hope so too

Nick: And with the blue moon coming in two days we need to be careful.

inner Jordyn: the window... I ain't locked in

-Jordyn changes and goes out the window flying to Lance's place. she goes into his back yard changing back and throwing rocks at his window-

Lance: meh.....

Jordyn: -whisper- Bass!

-Lance opens his eyes and sits up in bed-

Jordyn: -harsh whisper- BASS MAN!

-Lance goes to his window-

Lance; What are you doing? I thought you guys were at a party

-Jordyn shrugs-

Jordyn: come down here

Lance; Okay hang on. -he goes down and comes out the back door- So what do you want?

-Jordyn pulls him over to her and sits in the grass-

Jordyn: I'm bored

Lance; And i need to get to sleep. I have a project due Monday.

Jordyn: Bass i am thinking up a story line here

Jordyn: about vampires

Lance: Sounds cool. What about vampires?

Jordyn: okay listen closely. Girl and guy love each other. the girl is a vampire, guy is human. there is a law saying humans and vamps can't date

Lance; Why can't they date?

Jordyn: another law states girl can't change guy into vampire, unless blue moon happens and.... i haven't thought that part of the story line through. they can't date cause it is risking the life of the humans i guess

Lance; I see.

Jordyn: what would YOU do if you were the guy? I'm very bored right now if your wondering

Lance; Well first I'd want to know what was going on. Then I'd want to know whether or not she loved me back. Then I'd ask if she could change me when the blue moon

came.

-Jordyn nods-

Lance; While we're on the subject can I tell you something totally crazy?

Jordyn: go for it!

-she grins staring at him-

Lance; I've had this crush on you for the longest time.

-Jordyn stops grinning-

Lance; I know you don't feel the same way. Just thought I'd get it out there.

inner Jordyn: i should just do it now..... just do it and leave. make him end his crush

-Jordyn leans over kissing him-

Lance: What the -cut off by kiss-

-Jordyn pushes him to the ground lying, on him, and arching her back breaking the kiss momentarily-

Lance: What are you doing?

-Jordyn continues kissing him pushing up his shirt-

Jordyn: raping you now shut up

Lance; Okay off. -pushes her off-

Jordyn: what?!

Lance; This isn't like you.

Jordyn: um... yeah it is -pulls off her shirt kissing him again-

Lance; i really have been living under a rock.

-Jordyn keeps kissing him pushing him back to the ground. she pulls off his shirt and pushes off his boxers-

-she unhooks her bra while kissing him-

-they basically have sex in his back yard-

-meanwhile-

Becca: That's it. I'm turning Chris if it's the last thing I do.

Nick; What was that Becca?

Becca; Nothing dad.

-meanwhile-

Jordyn: damn -falls onto the cool grass-

Lance; Holy crap.....

-Jordyn sits up and dresses-

Jordyn: i was bored

Lance; I can see that. if our parents find out they'll kill us.

inner Jordyn: you have no idea

Lance; Well I'd better get going. I'll see you tomorrow? The guys and I are all heading out to a movie. i think Joey was gonna invite you guys.

Jordyn: weird how all guy friends would wonder about inviting their girl best friends from preschool!

-Jordyn stands helping Lance up. his face is right in her's-

Jordyn: I'll see ya tomorrow then? -she says it softly

Lance; Sure. Jc's gonna pick us all up.

-she nods and for the last time kisses Lance running off-

Nick; Where's Jordyn? I haven't heard her all night.

-Jordyn flies back to her house and room-

Brian: maybe she fell asleep

Nick: I dunno. Well I'm gonna go get the house ready. once Sunday night rolls around Becca and I aren't gonna e able to control ourselves.

-he starts securing the house-

Brian: don't forget me too!

Nick: You're not as bad as us though. And don't forget Becca's got an intended target if we know her.

Brian: Well lets just hope she comes to her senses.

-meanwhile-

Becca: And...Sent. This trip to the movies is gonna be fun.

-Jordyn's in her bed shaking violently. something was up and she didn't know what-

-Nick goes in to make sure she is in her bed-

Nick: Jordyn? Are you alright? Oh god.

-Jordyn's eyes are open and white-

Jordyn: Papi..... I'm scared

Brian: what's going on? -comes into the room-

Nick: Just try to relax Jordyn.

-Brian goes over to her checking her out-

Brian: Jordyn what did you do earlier?

Jordyn: Lance's..... i just.....

Nick: Don't tell me you did it with him.....

-Brian takes Nick into the hall-

Nick: This is bad.

Brian: ugh. with bat vampires, when they have sex with a human and get pregnant their body does this for a while. its because its a mix of bat and human and it takes a while for the body to either reject it or accept it.

-Becca comes out of her room-

Nick: We are the leaders of the vampire world! This can't be happening!

Becca; Dad what's going on?

Nick; You're sister broke the laws. We won't know if she'll be alright until tomorrow.

Brian: honey just -a scream of pain is hear in Jordyn's room- dear god! -he runs in-

Nick: Rebecca go to your room and stay there.

Becca; Okay. -goes back into her room-

Nick: Jordyn please hang on sweetie -leans against the wall in her room-

-Brian soothes Jordyn till she stops shaking and passes out. she checks her out again-

Nick: Well what do you think?

Brian: because vampire pregnancies happen in three to four months, this stage goes quick so we'll know by tomorrow

-Brian groans and leans against the wall-

Nick: Please god. If she gets pregnant it'll mean not only imprisonment or death for her and possibly for all of us.

Brian: ugh they kill the baby, kill her, and wipe Lance's memory clean

Nick: Unless we turn Lance.

Brian: your the king Nick... wait what?

-Becca is listening through her wall-

Nick: But even then it would be risky. If we tell the council why it's imperative that he be turned then they'll listen. You know the loophole. If a human must be turned to save the life of another vampire then if the human gives consent it will be allowed.

Inner Becca; So all I need to do...No I can't. Dad said it's risky. I can't take that risk.

Brian: we have to tell Lance about us

Nick: You take him here. I'll watch Jordyn.

-Brian goes-

Nick: This is bad.

-10 minutes later-

-Brian arrives with an confused as hell Lance-

Brian: is Jordyn awake Nick?

Nick: Hello Lance. Come in sit down. Would you like anything to drink?

-Brian rolls his eyes, hating when Nick ignores him like that-

Lance: Um no thanks-sits in one of the chairs- Why am I here? And why did you not tell my parents where you were taking me?

Nick: Oh don't worry. They'll be fine.

Brian: long story

Brian: how is Jordyn?

Nick: We need to talk to you about something.

-Brian growls at Nick who still ignores him-

Lance; what about?

Nick; We know you were with her tonight Lance.

Lance: What!

Nick; And she might be pregnant.

-meanwhile Jordyn is waking up, stumbling to the bathroom puking-

Nick; in fact she is.

-Brian goes upstairs and brings her down-

Nick: We need to tell you something about our family... -transforms into half form-

Lance; What the!?! -feels ready to pass out-

Jordyn: what's going - PAPI WHY ARE YOU DOING THAT WITH LANCE RIGHT THERE!?!?

Brian: honey you had sex with Lance didn't you?

Nick: Stay in your seat. Lance. We're vampires. And what you kids did could get this entire family imprisoned or killed unless you make a decision.

Lance; What? What do i need to do?

Jordyn: um... i was going to fuck him. then in the morning I was going to make it seem like i was using him so he'd stop loving me

Brian: that's a stupid plan cause you are pregnant

-Jordyn goes pale-

Nick: And now if you want to live Lance has to be turned.

Jordyn: you mean I'm basically dead along with the kid and Lance's memory will be wiped

Nick: Yes.

Nick: Unless Lance decides to become one of us within 48 hours.

Lance: Oh my god....I can't believe it.

-Jordyn wants to cry but can't, instead holds her stomach. because of her power she can feel the life inside her and its spirit forming-

Jordyn: i. am. going. to. Die -speaks softly-

Nick: You have twenty four hours to decide.

Brian: you just said 48 Nick

Nick: 24 to decide and 24 to inform one of our kind that he is ready to be turned.

Nick: 48 total.

Nick: You're not going to die Jordyn not unless Lance backs out.

Lance; So really this is all on me?

Jordyn: yeah I'm screwed

-Jordyn goes upstairs-

Lance; I'll do it.

Nick: Okay -confused slightly at how fast Lance responded-

Jordyn: Beck i need to say my farewells!

Becca: Didn't you hear it? Lance is going to go through with it.

-Jordyn stops and looks down the stairs-

Jordyn: err?

Nick: Lance. Tomorrow after you and your friends are done with the movie I want you to come to this house. Then you can change. If you want to back out then call us.

Lance: Jordyn I don't want you to get hurt.

Jordyn: you mean killed

-Jordyn was still making him believe she didn't like him in that sense-

Lance; Still. I care about you and I need to take responsibility for my actions. I'll do this.

-Lance looks at Nick and Brian-

Nick: Alright then. Tomorrow evening. Don't be late.

Jordyn: technically i was the one who raped you cause i want you to quit loving me

Lance; Not gonna happen. You may be stubborn but two can play at that game.

Lance: I'll do this and I'll never stop loving you.

Becca; You know it's pointless to argue Jordyn.

-Jordyn rolls her eyes and goes to her room-

Becca; I'll see you at the movies then.

Lance; Yeah. See ya.

Brian: alright I'll take you home now

-Brian takes Lance home and the others go to bed-

Nick: And Rebecca do not get any ideas from this.

Becca: Fine.

-next day-

Jc; Okay guys hurry up! Geeze what is it with women and taking forever to get ready?

Joey; You should talk pretty boy. You took a while to get that hair just right.

Chris: your both freaks

-Jordyn comes out slightly green-

Jordyn: bleck not eating that again

Lance; You sure you're feeling okay? -Jordyn ignores him-

Becca: Sorry guys -gets in car- Couldn't find a thing to wear.

-Becca's wearing an outfit that Chris got for her and that she used to only wear around him-

inner Jordyn: stupid morning fucking sickness

Jc: Whatever. Lets roll out.

Becca: Jordyn, daddy said you needed to start taking more dietary supplements.

Jordyn: i ain't fat!

-she glares at Becca-

Becca; It's for just regular health benefits.

Jordyn: bull shit

Jordyn: no one takes diet pills for regular heath whatever

Becca: I used to.

Jc; Yeah right. You took them to make your boobs bigger.

Becca; Oh b quiet.

Lance: Can we start this without arguing?

-they get to the theater. They have the whole place to themselves. They take seats near the back-

-Jordyn was annoyed that Lance sat next to her-

Lance; Why are you so pissed at me?

-Jordyn watches the movie-

-Becca sits in the back not really watching the movie. She's jealous that Jordyn can be with the guy she likes and that she acts like she hates him. Meanwhile she's forbidden to be more than friends with the guy she likes.-

-Chris looks at her and moves to sit next to her-

Chris: are you okay?

Becca; Never better.

Becca: She's so ungrateful. Fate is much kinder to her and yet she acts like she hates it.

Chris: you talking about Jordyn? how is she ungrateful?

Becca; I can't be with you but she can be with him.

Chris: wait they are dating? i thought she didn't like him like that

Becca; She does. For a long time. But she's pretending to hate him. And when he's willing to do anything to be with her she still acts like she hates him... the ungrateful brat.

Chris: how do you know she's ungrateful? maybe she's doing something right

Becca; How so?

inner Jordyn: god i don't want Lance a damn vampire. but now he willing to change no matter what cause HE WANTS ME ALIVE!

inner Jordyn: i love him and I want him to have a LIFE instead of a never ending existence

Chris: i don't know ask her

Becca; i still love you. But we can't be together like that. i think I might join a convent.

Chris: -laugh- bull shit

Becca: You have no idea about the fantasies I've had about you.

Becca; This movie sucks. The actors have no talent.

Chris: want to hang outside?

Becca: Sure.

-they head out-

Becca; One thing i hate about movie theaters. It always hurts your eyes when you come out.

-they go into the trees by the theater away from everything else-

Chris: yeah it does suck

Becca: So why are we here?

-Becca starts to get ideas-

Chris: beats me i wanted the trees i guess

-Becca grabs Chris by the collar and kisses him-

-Chris gasps-

Chris: whoa! random

Becca: Like I said I still love you. i broke up with you because of things beyond my control. But for once. Just this once I want that to not have anything to do with us. lets do it.

Chris: for one thing i don't have a condom

Becca: I don't care. Fuck me.

Chris: no Becca. the one thing my mom taught me was to always use protection. are you on the pill?

Becca; Yes.

-for once she's good at lying-

-Chris sighs-

Chris: i trust you Becca

-Becca strips right there in front of him then kisses him hard-

-Chris wants to go ALOT slower but Becca drops his pants and fucks him quickly-

Chris: Becca is there something wrong because you just rushed that! -out of breath-

Becca; No. I've just been waiting for this for so long. -leans down and kisses his neck-

Chris: yeah so have i but i didn't want my first time to be like this

Chris: Rebecca something has changed about you. something you aren't telling me

Becca: -sitting up on him- How did you picture it?

Chris: Rebecca please get off of me -Chris was serious-

-Becca sighs and gets off him-

Chris: what is going on!

Becca: You're right. There is something I'm not telling you. But I can't tell you right now. You'll find out in about 24 hours.

Chris: Rebecca! -Chris dresses. he only calls her Rebecca when he is serious about something-

Becca; fine. But if we get killed then don't say I didn't warn you. I'm a vampire. The reason i broke up with you was because of a law that says humans and vampires can't be anything more than friends.

Chris: Becca why are you making this up?

Becca: I broke that law. And why the hell would i make something like this up to you Christopher?

Chris: are you using me or something? you didn't act like this before when we dated

Becca: Chris I love you. I wanted to be able to be with you one more time.

-she gets up and dresses-

Chris: Becca i need to go I'm just.....

Becca: But i guess that won't be happening.

-she leaves-

-Chris leaves quickly-

-later that night-

Jordyn: Lance do not change yourself

Becca; Damn!

Lance; Jordyn I don't want you killed. I'm going to do this.

Jordyn: Becca i know you fucked Chris outside the theater yesterday -points a finger at her-

Nick: Okay. Lance you do understand the seriousness of this.

Nick; I'll deal with you later. -looks at Becca-

Lance; I know. I'm going through with it anyway.

Jordyn: don't do it Lance! god isn't there a way i can say no to the changing?!

Nick: You can get killed. I don't want to loose my daughter Jordyn!

Jordyn: i don't care i want Lance to forget about vampires about me everything so he can have a normal life!!!

Lance; And i want you alive. Jordyn nothing you can say can get me to change my mind.

Jordyn: Papi don't do it!

Nick; The matter is settled then. Alright Lance come with me.

Nick: He wants it Jordyn.

Jordyn: no god damn it!

Jordyn: I'll kill myself and make him regret it!

Lance: Would you rather die!

Jordyn: if it means giving you the life your meant to have yes

Lance; What if I'm meant to have this life?

Jordyn: your not no one should have this life

Lance; I don't care. I'm doing this anyways. lets do this.

Nick; Alright Lance. Come with me.

-Jordyn pulls out a 'pencil'-

Jordyn: I'm going to do this!

Nick: Jordyn you do that and we'll have the anti venom ready -glares at her-

-she stabs herself in her arm then changes into a bat flying out the back door-

Lance: You IDIOT!

inner Jordyn: i don't care!

Brian: god damn it she flies faster then any of us. there has to be something up why would she do this?!

Lance: She wants me to live a normal life. She thinks that's showing love. just turn me already.

Brian: we can't now

Brian: if she is killing herself then there is no way for you to save her Lance

Lance: So we just let her get killed!?

Lance: damn it!

Brian: i can't think of anything we can do -Brian sits down trying not to cry-

Nick: send out a search party. We're going to find her -summons vampires in the local area using his mind-

-Lance slams his fist down and collapses to the floor trying to hide the tears-

-then, summoning all his strength, Lance stands up and goes out the back door trying to find her-

Brian: god i am a terrible father

Nick: we should have kept them away from humans entirely.

-meanwhile-

-Jordyn ends up transforming back falling through the trees landing on the ground-

Jordyn: grr.

AJ; Hey! Are you there? Hey!

Jordyn: what the fuck? -she stands up trying to run-

-AJ is faster and goes over to her-

-Jordyn falls down against a tree-

AJ: why are you running? hold still -he takes out a vial of anti venom and injects her-

AJ; You know both times we've met you've tried to kill yourself.

-Jordyn lashes out clawing AJ's face and he falls to the ground. her eyes should be red but they are pitch black-

AJ: Gah! Why are you doing this!?

-Jordyn claws him again in the chest-

-AJ changes and pins her down-

AJ: Hold still! You're acting like a child!

-Jordyn is stronger throwing AJ far and against a tree-

AJ: stop!

-she goes into a full sprint-

AJ: well she isn't going to die of venom but we have something a lot bigger on our hands. Kevin call the king. She's possessed.

-AJ quickly heals up-

Kevin: yeah, but by what and why? -Kevin goes back to the house-

AJ: That's what I'd like to know.

-Lance arrives back the house his search hopeless-

Lance: If I still wanted to change, could I... hypothetically?

Brian: not giving you ideas. Kevin hey what did you guys find?

Kevin: AJ found her and gave her the anti-venom

AJ: We gave her the anti venom but she's possessed.

AJ; Tomorrow's the blue moon and if we're gonna find her it needs to be now.

Brian: i knew something was wrong. what is possessing her and why?

AJ: Wish I could tell you.

Nick: I want every available vampire and our allies searching for her. Along with exorcists.

Kevin: see, Lance is the name? on the blue moon human and bat vamps change into their full forms. human vamps can't control themselves and whatever human they bite is changed. bat vamps are luckier and if they feed before hand they can control themselves, but stay in vampire form

AJ: But from the looks of it she's not feeding anytime soon. And as a pregnant female...

-AJ's voice trails off and he looks freaked out. Nick's message was very detailed-

Brian: its fact vampire females pregnant are dangerous, more then vamps on the blue moon

Nick; Speaking of which have you checked on the other daughter?

Brian: she is pregnant, hasn't feed recently, and possessed so wouldn't be herself and

will change and possible kill many -pacing the room-

Nick; This is bad. Everyone get going and search for her!

Brian: ugh... our eldest is where?

Nick: We're gonna find out in three....two...one....

-from upstairs-

Becca: Dammit dammit DAMMIT! -the sound of a piece of plastic breaking-

Nick: She's not.

AJ: Temper on that one.

Nick: Yeah.

-suddenly Jordyn shows up at the back door staring at them-

AJ: Ah there you are.

Nick; Wait....Where's Lance?

AJ: Ah crap.

-Jordyn's eyes are black-

Jordyn: give. me. the. venom. NOW!

Nick: I don't know who you are but I want you out of my daughter!

-Jordyn goes into a locked drawer and rips it open finding a 'pencil'-

Nick: Why do you want her dead!?

Brian: how many of those pencils do we have around this house?!

Nick: How should I know?

-Jordyn grins-

-Nick changes and knocks her to the ground smashing the 'pencil'-

-Jordyn screams are so high pitched they shatter the windows and send Nick off of her to the ground plugging his ears-

Brian: who is in our daughter!?

-he is also plugging his ears-

Nick: i want to know. Who are you!

Jordyn: don't you remember me Nickolas?

Nick: You know my name so tell me yours. That ought to freshen my memory!

Jordyn: your wife? you don't remember your wife, i wonder why you sick gay person! I'm going to kill your daughter and its child

Nick: You bitch! -slaps her- You left me! I came out two years after that!

Jordyn: don't you dare -slaps him back only sending him to the wall-

Jordyn: I'll kill her somehow

Nick: You want her dead because you couldn't get me back after you found out! you killed yourself a year later!

Jordyn: i didn't kill myself, i tried to get you back but guess who actually killed me? - looks at Brian-

Nick: I don't believe it. You're trying to get me to falter. I don't believe it.

Brian: you were going to forcibly take him, and if he didn't you'd kill him

Nick: Get out of my daughters body. If anything then kill me!

Jordyn: you were jealous. i could easily take him back and make him straight like all men should be, and you killed me in a fit of rage wanting him for yourself

Brian: get out of my daughter

Nick: I can't go straight. That was never a choice for me. Being gay isn't a choice

Nick: Now if you really want revenge then kill me. Just let my daughter live.

Jordyn: i would kill Rebecca but i think since the counsel has heard about what she did with a human... well they'll take care of her for me -smile- and don't worry i took care of that Lance fellow for you

Nick; Oh god you didn't kill him did you?

Jordyn: nope. i gave him what he wanted. now he is what he wanted, and he'll lose his love and baby like your daughter wanted -grins-

Nick; You bitch! -charges and punches her-

-suddenly Jordyn starts to cry-

Jordyn: Papi what the hell?!

Nick: Jordyn. You're possessed. We need to get her out of you.

Jordyn: what the hell?! you punched me!

-her eyes go back to black-

Jordyn: ha. you hit this body your going to hurt your daughter

Nick: Get out of her! Leave her alone!

Brian: Nick don't touch her okay?

Jordyn: I'm not leaving until she's dead

Inner Nick: If Phoenix was here I'd have him do this. But he's not here. I need to do this myself. Please forgive me Jordyn.

Nick: Get out of her! -insert glowing stuff on palms here-

Jordyn: Papi?! what are you doing!

Brian: oh man.....

Nick: Jordyn you're possessed. I've have to do this baby. Please just trust me.

-insert black eyes-

Jordyn: you can't get rid of me!

-Nick starts the exorcism and sends a blast of energy through the spirit of the woman-

-Jordyn screams in pain-

Jordyn: Papi stop! please

Nick: Do you want to let her take over!? -he waits till her eyes turn black again and then sends another blast of energy out. this time there is an unearthly scream. Nick finally got a hit-

Nick: get out of her body and cross over and this can end. Leave me and my family alone. -another blast and another scream-

Jordyn: NEVER!

-more blasting and more screaming-

Jordyn: Papi please stop!!!!

-Lance shows up-

Nick: Is she gone?

Lance: What have i missed?

Nick: Lance get upstairs and stay there!

Lance: No! Jordyn I know what's going on. Fight back Jordyn.

Jordyn: Lance please help me!

-Jordyn was in A HELL A LOT of pain-

Nick: Jordyn do you want her to kill you! You need to fight back!

Jordyn: i don't know what your talking about please quit hurting me

-insert black eyes-

Jordyn: she doesn't know I'm here! she doesn't remember anything either! ha-ha she will be mine

Nick: You're possessed. my ex wife from when I was human. Before i was changed. She wants you dead so she can get revenge on me.

-another blast and unearthly scream-

Jordyn: you won't win she will die!

Nick: That IT! GET OUT OF HER! -one final blast and that one was the largest.-

Jordyn: NO!!!!!!!!!!!!!!

-voice fades and and puff of black smoke and Jordyn is on the ground shaking-

Nick; Jordyn...are you okay? Please kiddo live.

Lance: Jordyn! -runs over to her-

Jordyn: what the hell happened?! last thing i remember was..... me going to bed

Brian: she was in her all day...

Nick: You were possessed.

Lance: So it was her who changed.

Nick: Welcome to being one of us Lance. Now help me get Jordyn into bed. she need to get medical attention.

Jordyn: Lance was taken home and i went to bed.....

Jordyn: wait what do you mean one of us?! -stares at Lance-

Nick: When you were possessed she found Lance and changed him.

Lance; I'm one of you guys now.

Jordyn: i..... i changed him into a bat vampire?

Nick: We can hope.

-Jordyn nods and passes out onto Lance-

-later the night-

Brian: Rebecca?!

Becca; Well you can't say this hadn't been an interesting weekend.

Becca; What? Yeah I had sex with Chris. Now kill me already.

Becca: So are you here to yell at me? -she's flopped over facing the ceiling on her bed-

Brian: Becca why did you?

Becca; I wanted to. I wanted to be with him. But now he hates me so now it's pointless.

Brian: do you want to know what I'm going to do?

Becca; Kill me.

Becca; That's why you're here right now. You're going to kill me. Don't worry. I won't scream.

Brian: I'm going to go talk with Chris. your dad is dealing with the counsel right now with the both of you, and be thankful you didn't get pregnant cause then Chris really would have freaked and you'd be dead

Becca; What's the point? He doesn't want to be with me anymore.

-Brian groans and leaves going to Chris. a while later he brings him back and takes him upstairs to Becca's room-

Chris: Becca?

-he knocks and Brian goes downstairs-

Becca; Yeah? -she hasn't moved- it's open.

-Chris goes in sitting down next to her-

Chris: -takes deep breath- your dad transformed in front of me

Becca; Figures.

Becca; Now do you believe me?

Chris: I'm sorry i didn't believe it before Becca! its just, you seemed so weird i thought you were just..... ugh I'm sorry

Becca; If you hate me I perfectly understand.

Becca; If anyone here should be sorry it should be me. I was selfish and stupid.

Chris: why would i hate you?!

Becca; For breaking up with you and then fucking you.

Becca; It's bad enough I couldn't accept things as they are but I actively broke vampire law. I could be dead tomorrow.

Chris: looking back that was a good first time

Becca; Glad to hear it.

Chris: your dad said you shouldn't be worried. and he also told me to say this - the blue moon is a better way then fucking him. i don't get that, he said you could tell me

Becca; Because I'll have no control. And it's legal.

Chris: he also said something about condoms..... -Chris grins-

Becca; -sits up- He has some in his room. He and dad always need them around. If you want i can grab some?

Chris: he ALSO said not yet

Becca; Figures.

Becca; Lemme guess not till I'm out of his house.

Becca; so do you want to change?

Chris: here let me explain everything. i don't want you to break any more laws until i am changed. when is the next 'blue moon' and will it hurt like hell when you do?

Becca: If it's on the blue moon it will a little. The saliva numbs it up a little so it won't be to terrible. And the next blue moon is tomorrow evening.

Chris: okay i will wait where for you?

Becca: Here works fine. The house is always locked up on blue moon nights so that none of us can get out and hurt people. So sometime around six pm works.

Chris: okay -Chris leans over kissing Becca's cheek-

-Becca hugs him her eyes slightly teary-

Becca: Just stay with me. I don't want to be alone.

-Chris nods lying on the bed next to her-

-Nick comes back from the counsel-

Nick: So how are they?

Brian: they'll be fine. Jordyn is still out of it and i took Lance home going to see Chris

Nick: Okay. The council is going to be lenient. They said there was proper reasoning. But it's also getting some bad talk about us. Saying that important figures kids are immune from the law.

Brian: they aren't. we just know loop holes

Brian: don't hate me for this but I'm going to let Becca change Chris. and if Jordyn is awake by then she can help her NOT kill him

Nick: He already knows and I don't have the energy to wipe his memory. And you heard what Jordyn said about them. We can't keep them apart.

Brian: no i didn't hear what she said about them

Nick: You should ask her. It's not my place to say.

Nick; Thankfully this is spring break. We'll be able to keep them here for a couple days.

Brian: just say it I'll forget later

Nick; You know how she can sense things about people?

Nick: She sensed that those two are supposed to be together.

Brian: Jordyn takes after her mom

Nick: Leighanne's a good person.

-Brian nods-

Nick: Lets get some sleep. it's been a long day. We all need some sleep.

Brian: i need a break. want to head to our room and just..... you know -Brian kisses Nick's nose-

Nick; Sure. -nips Brian's shoulder- Race you to the bedroom -runs upstairs-

-Brian chases after him-

-the next morning-

Brian: that was very nice..... -spooning Nick naked, nipping his shoulder-

Nick: Yeah. I needed that.

-Brian rolls Nick over kissing him some more-

Brian: i really love you. your not mad i murdered her at all?

Nick: No. She would have kept me away from the person who I truly love.

-Brian keeps kissing him moving down to his neck-

-meanwhile-

Becca; Ugh. They're at it again.

Chris: Becca? you awake?

Becca; Yup.

Chris: we were at something last night too

-he wasn't wearing a shirt and she had no top on-

-or bra-

Becca: Must have. I don't really remember much. Only that we didn't go all the way.

-Chris nods and kisses her once more-

-meanwhile Jordyn has morning sickness-

-she's already starting to show-

Lance: You gonna be okay?

-he showed up in the middle of the night, walking over from his house at about 1 am, because Jordyn wanted him there-

Jordyn: I'll be fine

Lance: Okay. Do you need me to get you anything?

-Jordyn leans against the wall-

Jordyn: i can't think of anything except for blood

Lance; Okay. There's blood packs in the fridge right?

-Jordyn nods standing up staring at her stomach-

Jordyn: ugh. this better be a quick three months

Lance: Don't worry. It'll be okay.

Jordyn: and the fact you were human when you fertilized me.....

-they go down to the kitchen and grab the blood packs. Lance tears one open and drinks-

Lance; kinda sweet.

-Jordyn drinks five really quickly-

Jordyn: wow I'm drinking for two now

Lance; So is there a difference in blood type?

inner Jordyn: lets just hope the kid is vampire or... i don't want to think about it

Lance: -pats her shoulder- Don't worry. It'll be okay.

Jordyn: ugh your not the one pregnant here. but some blood types taste different to people. like for me i like type O is the best

Lance: Where are you're parents anyways?

Jordyn: in their room getting freaky

Lance: I like B I guess.

Jordyn: AB- is a rare treat

Lance: I'll keep that in mind. Are we alone in here?

-Jordyn nods-

Lance; Where's everyone?

Jordyn; Beck and Chris in their room, you already know where my parents are

Lance; Chris better keep it in his pants till tonight. And how are we gonna keep this from the guys?

Jordyn: I'm telling them.

Jordyn: plenty of humans know about vampires and lycans

Lance; Okay.

Lance; So we invite them over in a couple days or what?

-Jordyn nods wincing-

Lance: Hey kiddo don't hurt mommy.

inner Jordyn: it might not have no other choice.....

Jordyn: I'll be fine

Lance; Okay. -holds her face and kisses her, and she kisses him back-

-that night-

-Jordyn sits as a bat on the fire place mantle-

Becca; Okay Jordyn Lance I need you guys to make sure i don't lose control when I turn Chris.

inner Jordyn: got it

-Lance was shocked he could hear her-

Becca; Don't look so surprised Lance. It's part of our powers.

Becca: Are you sure you want this Chris?

Chris: yes just get it over with

inner Jordyn: i won't let her hurt you. most likely she'll feed then go off wanting out and more humans

Becca: Okay -she takes Chris's head and tips it to the side. She licks his neck and then bites-

-Chris thinks about happy thoughts-

-Jordyn hovers over their heads-

Inner Becca: Please relax. Damn his blood tastes good.

inner Jordyn: that's enough Beck -her body was now in full vamp form-

-she had changed for the night and is in 'crazy stage' we will call it-

Becca: Right -lets go and Chris falls to the ground- Now give me blood.

-Jordyn points to the kitchen with her wing-

-Chris lies on the ground pale-

Lance: We need to help him.

-Jordyn changes to vamp form. she looks like the chick vampire wives in Van Helsen only with long black hair-

-Becca is gorging herself on blood-

-Jordyn picks up Chris taking him to a room where she puts him in bed and locks the

door tightly-

Jordyn: there

Becca; Hungry....

-her dads were freaking out in the kitchen with Beck-

Jordyn: stay away from Chris Becca

Becca: Blood. -rips out more blood packs and continues drinking-

-Jordyn guards and door wincing again-

Lance; You're sister is scary when she's in that form.

inner Jordyn: body don't you dare i am telling you to not do it! please don't.....

Jordyn: I'm use to it

Nick; You should have seen her as a baby.

Lance; I always wondered what those temper tantrums in kindergarten were about.

Jordyn: should have seen me. i was a bat a lot

Brian: you'd keep disappearing in class and people freaked

Nick: Okay. We've fed. We're gonna be okay.

-something strange happens to Jordyn at that point-

Nick: Jordyn are you alright?

Lance; Are you supposed to go into human form?

Brian: its still blue moon she shouldn't be in human form

Jordyn: huh? I'm not.....

-she looks down-

Lance: You are.

Brian: I've never heard or seen something like this before

-Jordyn looks pained for a second then she goes back into vamp form-

Lance: You're not possessed again are you?

Brian: maybe its because of the pregnancy

Brian: even if she was possessed she wouldn't be able to do that

Lance; Okay. Well the sun should be up in a couple of hours so we should be okay.

inner Jordyn: dear god i know what's happening but i won't let it happen

-three months later-

Joey: your WHAT?!

Lance; You heard right.

Jordyn: why do you think I'm this big?!

Becca; Sorry your neck is still sore Chris.

Chris: i think i just need to sleep on it better -rubs his neck-

Jc; So when is this kid due exactly?

Jordyn: soon.

Justin: I'm gonna be an uncle....Wow.....

inner Jordyn: please be soon. I'm scared of what my body will do to him

-they are at Jordyn/Beck's place-

-Brian and Nick come in-

Brian: so how is everyone?

Justin: Pretty good considering.

Joey: Um...

Jc: uh...

Becca; We're fine daddy.

Joey: its a shock

Nick: Yeah. Don't worry it usually takes a while for it to sink in.

-Jordyn grabs a hold on the arm rest-

Jordyn: I've got to pee -runs to the bathroom-

Joey: poor chick.

Lance: I hope she'll be okay.

Chris: at least he's going to come soon

-in the bathroom Jordyn falls to her knees wanting to scream in pain-

inner Jordyn: god please don't. please don't!

-a loud scream, vampire scream, comes from the bathroom-

Joey: holy shit!

-it shatters a window-

-everyone runs over to the bathroom-

-Jordyn is on the floor holding her stomach-

Brian: Jordyn?!

-he bursts open the door-

Nick: This isn't good. We need to get her to the vamp hospital now!

Lance; Jordyn!

-Jordyn grabs at the floor mat in terrible pain-

Brian: come on -he picks her up and gets her into a car-

Joey: should we stay or go?

Jc; is there anything we can do to help?

Nick: You all except for Lance stay here.

Lance: Okay. -he follows them-

Chris: okay

Becca: alright

-at vamp hospital-

Doc: what is it?!

-comes running in to the room they put her in-

Nurse: we believe she is labor

Doc: she's in labor huh

Nick: no. I think that something is going wrong. like her body is fighting something.

Nurse: your crazy. she is just having contractions

-they look at the baby monitor-

Nick: I've never seen contractions look like that.

Doc: the baby is in distress. something is happening

Nick: Ya think!?

Jordyn: the baby is human! i know he's a human boy

Lance; Oh boy that can't be good.

Brian: dear god her body is eating him

-Brian stares at the doc-

Brian: that one reported case long ago?

Doc: Yes the one that made the law come into being. Hurry we need to perform an emergency C-section!

-Jordyn's eyes go red and she screams shattering the windows-

Brian: thank you nick for giving her that power

Doc: Now!

-they all cover their ears-

Nick: Not my fault. now less talk more getting that kid out.

-they rush her out as she is going into half vamp form-

Lance; All my fault all my fault.

Nick: Too late for that Lance. They'll tell us when they have nay news.

Jordyn: it hurts! please i don't want to eat it.....

Doc: We're doing our best to make sure that doesn't happen.

Brian: remember if she gets into full vamp form her body will consume the child. we

have to hurry

-they roll her into the room and Lance stands their stunned-

Lance: holy crap

-they give Jordyn and anesthesia and start to slice her open-

-Brian assist since he is a doc-

-Lance and Nick wait outside-

-an hour or so later-

Lance; No news yet. Oh this can't be good.

-in the room-

Brian: he's blue. give him blood immediately

Doc: Right!

-Jordyn's body begins to seizure-

Doc: We should give her some too.

Brian: hurry! we could lose her

-they hook up an IV to the kid and Jordyn. they begun CPR on the kid-

Doc: Quick! We don't have much time!

-soon there is a baby boy crying-

Brian: oh thank god

-Brian sighs and laughs-

Doc: Thank god.

Brian: I'm a grandpa. heh

-Jordyn opens her eyes. her body begins to heal back up on its own-

Doc; You're old. It's official. Go tell you're son-in-law and partner.

Jordyn: ugh. what happened?

Doc: Congratulations. It's a boy.

-Brian goes out kissing Jordyn's head on the way out-

-Brian comes out looking at Nick and Lance. he was covered in blood, his hands anyways-

Lance; Good news? Please tell me good news!

Doc: Relax. Everything's fine.

Brian: you have a healthy human baby boy

Brian: and she is awake and healing up quickly

-Lance sighs and sinks into his chair-

Nick: Phew.

Brian: this is the first case of a human baby being born with a human dad, who was changed afterward, and a vampire mom

Nick; You've made history.

-Brian laughs-

Brian: you want to go see them Lance?

Lance; Yes.

-he goes inside the room. Jordyn is now SITTING on the operating table taking out the blood IV and instead drinking it-

Lance; Wow....I shouldn't be surprised by this but I am.

Jordyn: yeah i am too. god i tried to eat my kid

-Jordyn is handed her child all wrapped up and the nurse leaves-

Lance; Please don't do that. Awwww.

Jordyn: he is cute.

Nick; Yeah.

-he comes in with Brian-

Brian: what's his name gonna be?

Jordyn: uh... i like Tyler. Tyler Alexander Bass

Lance: That's a nice name.

Jordyn: well you did want the Alexander part

Lance: I did?

Lance: Oh yeah. You read my mind.

Jordyn: my gift

Lance; Yeah.

-Jordyn holds Tyler out to Lance-

Jordyn: hold him father

-Lance takes him and holds him-

-Tyler squeezes his finger-

Lance; It's so cute

Jordyn: he isn't an it Bass

Lance; He's so adorable and I'm acting totally weird. Please tell me this wears off.

Nick: not really.

Brian: Nick still does that with Jordyn, i do that with Becca. oh my gosh i need to call them!

-runs out-

Lance: Um I really didn't need to know that.

Tyler: -baby noise-

-at house-

-phone rings-

Joey; answer it quick!

Becca; I'll get it

-answers it-

Becca; Hello?

Brian: hi baby girl. how is everything over there?

Becca; I'm good.

Becca: It's fine.

Brian: that is good. well Jordyn is alive and awake, and you are now the aunt of a beautiful human baby boy named Tyler Alexander Bass

Becca: Aww!

Brain: well we'll be home in a while

Becca: Okay. Talk to you later daddy.

Brian: bye

Becca: bye

-in a while-

Jordyn: ahh, home

Becca; Jordyn! You're back! Where is he!?

Jordyn; Lance has him

-Lance is behind her-

Lance; And here he is.

Becca; Soooo Cuuuuuute!

Joey: dude he looks like you

Lance; Okay. I've never seen Becca like that and it kinda scares me.

Jc; He does look like you Lance.

Jordyn: its a baby that's what girls do

Chris: your not acting like her though

Jordyn: true

Becca: Jordyn and I are like day and night.

Inner Tyler: Who the heck are you people!? I don't know any of you!

Jordyn: don't worry Tyler this is my friends and your aunt
