Howie: it's hard I know. It's one of those weird things in life.

-levi scoffs-

Levi: i'll be on the roof, or am i grounded to my bed?

Howie: Go ahead. I won't tell.

-levi heads up there. lying down he stares at the sky and listens to the traffic and the town below-

-Howie is looking in the windows of various rooms and he thinks he can see Chris and Becca-

Howie: that does not look comfortable.

-in the morning-

-levi fell asleep on the roof-

Howie: Come on Levi. We gotta get going.

Howie; Okay.

Levi: i know i have a girlfriend

Howie; This isn't going to be easy for her.

Howie: But i'm starting to suspect she's only dateing you for the money.

Levi: she dates me for the money cause she always wants to be next too me whenever cameras are around and wants me to buy her random things and coonstantly wants me to fuck her

Levi: going onf ro a few years now

Levi: well it was funny the first time but the second time i feel bad about it

-levi goes into the bathroom stripping and leaving the door open out of habit-

-he had his own bathrooma dn room in the suite-

heather: Don't feel bad about it. They totally had it coming. Especially that Chris guy. Him and his little slut of a girlfriend.

-levi doesn't respond, just stares the shower. he goes over and brushes his teeth, seeing heather staring at his ass-

Heather: You've been working out haven't you.

Heather: Lets spend some time together after your meeting kay?

Levi: okay doll. can i shower now?

Heather; Okay.

-he gets in the shower. he comes back into his room with the towel round him and heather groans at him-

Levi: what? -he runs his hand through his damp hair-

Heather: Oh my god You're so freakin hot!

Levi: so are you! -he takes off his towel drying his hair more-

Heather: I can't wait! -takes off her shirt- Lets do this.

Heather: I'm on the pill.

-levi groans and buries his fac ein ehr neck orgasming-

Levi: damn always so good -it was forsed-

Heather: I know right. Now lets get going. We're gonna be late.

Nick: loud enough man?

Levi: its her okay?

Heather; Oh you're just jelus.

-Howie says nothing-

-levin grins and puts an arm around her-

Inner howie; This girl is bad news. He needs to get rid of her.

Kevin: We're here guys.

Levi: i love your squeals -he gets out-

inner levi: okay that hasn't been true for years

-the studio session goes normally. the nsync guys are there but they're not really paying much attention to the bsb guys. Heather is constantly shooting dirty looks at Becca-

Chris: hey you okay becca?

-levi tries to keep heather occupied-

Becca; it's that heather brat again.

Becca: It's obvious she's a total gold digger. I don't know why but she keeps on shooting dirty looks at me.

Chris: honey don't let her get to you. she's a bitcha dn we ALL know it. even levi i think

-levi is kissing ehr neck while she giggles-

Becca: then why is he still with her?

Chrfis: you will don't worry -kisses her nose nad goes back to working his studio magic-

Lance; How's she holding up?

Chris: good. i just want to get heather the hell away from her

Lance: I wish i knew what exactly that girl had against her.

-Becca is reading-

Becca; What do you want?

Heather: You know damn well what you little whore!

Becca: Seriously Heather are you still all bent out of shape about things that happened when we were kids?

Heather: The game is still going on Rebecca. Why is it that you got all the good stuff and i get nothing! You ugly little crybaby!

Becca: I'm not that little girl who you used to pick on heather. i grew up. You should do the same.

Heather: You bitch! -slaps Becca-

-chris comes out into the hall-

Chris: what the fuck?!

Becca; I still draw the line at physical contact Heather. Leave me alone. This is my last warning.

-levi comes out as well grabbing heather-

Heather: i hate you!

Levi: what the hell heather? what did you do?

Becca: You just think you do. I'm sorry for you. I'm sorry you can't move on.

Levi: what happened heather? -drags her down the hall-

Heather: That bitch had it coming! She's an ugly stupid weird little crybaby! She gets everything and i don't get a thing!

-chris pulls becca aside checking her face with kisses-

-This drives Heather insane and she screams with frustration-

Levi: um... you have a lot of things. a house, a college education, and a good job.

-Heather wrenches herself out of Levi's grasp and runs out-

Howie: What the hell was that?

becca: Just a mild confrontation. Nothing more.

-levi groans and hits his head on the wall running after her-

Chris: come on becca your going to be with me

-takes her into the studio-

Becca; Okay. -She waits till the door is shut and no one can hear her before she starts crying-

-meanwhile-

Levi: heather stop!

Heather: No!

Levi: you have so much, she has so much. be happy what you have

Heather; Let go of me! i can't stand being near her!

Heather: We're done aren't we?

Levi: i do love you - ic are about you so much!

Levi: but... heather i'm..... gay

-levi lets her goo-

Heather; i wish you had told me sooner. When you first lost your feelings for me. I'll take the bus. I have some relatives nearby. I can stay with them. Don't worry about me anymore.

-levi kisses her anyways-

Levi: seriously drop the damn grudge

Heather: Why? it's never going to be over till there's a clear winner. I'm not going to give up till I beat her.

Levi: your a good person. you really are, you just don't see a good thing when you

get it

Levi: you'll find someone someday that will love you and you'll return that

Heather: I wish I could believe you Levi. But I think that right now I just need to spend some time alone. Bye. -she walks off-

-levi leans against the wall-

-he stays there staring at the floor. mainly at his shoes-

-Howie comes out-

Howie: You gonna be okay Levi?

Levi: i guess.....

Howie: I think we saw a side of her we didn't know existed. She has a lot of growing up to do but she'll be okay. Come on. We've still got work to do.

Levi: she needs someone to love her and i can't give that to ehr! i can't give that to any woman anymore...

Howie: And that's a bad thing because?

Levi: i've been told all my life that when your in this business you have to please more then just yourself. -he goes back into the studio and back to recroding his part-

-Becca heads off to the bathroom and washes her face off. he makeup smeered from crying-

-meanwhile nsync...-

-in several cities away-

-in a different state actually-

Chris: Levi Wood came out a week ago about his new girlfriend Tracy who is a model for Donna and Cabanna

Levi: i met nsync when they got back here from germany

-tracy is confused because levi kisses alot of the fans and sighed some of their boobs-

Tracy; Why do you do that?

-she is also lost with the lance kiss-

Levi: do what?

Tracy: You flirt with the fans. And on top of that i think you like Lance.

Levi: um... i don't flirt Tracy. and adrenaline rush with lance. i kiss all the guys on the cheek

Tracy; Okay. I'm just being paranoid. So were Becca and Chris a couple when you met them?

-levi nods-

Tracy; They seem happy. a little strange but happy.

levi nods and drags tracy out to the dance floor-

-Lance watches from where he is sitting in a booth-

Justin: what are you doing Bass?

Inner Lance: It was just adrenaline. I don't have feelings for him. Do I?

Lance: Nothing. But I think Levi is hiding something.

Justin: yeah. his hard on. he's got a hot girlfriend! -Justin was drunk already-

-Britney was off in a corner making out with some guy and Justin didn't notice-

Lance: No. Those pants are pretty tight and I can't see a bulge. I think he may not be into her in that sense. And you might want to steal Brit back.

-Justin turns around-

Justin: hey that's my girl! -he walks over somehow-

-Levi drags Tracy down the hall and pushes her against a wall-

Tracy: Levi what are you doing?

-Levi kisses her neck-

Levi: what do you think?

Tracy: Levi I don't know if this is a good idea.

-Levi sucks on her neck-

Levi: why?

-Tracy can't speak now. It just comes out as a wimper and she lifts her skirt up and pulls her underwear out of the way-

-Levi moves his hand there and slips a finger inside of her-

inner Levi: come on this has to be hot

-Tracy gasps and digs her fingers into him-

-Levi drops to his knees sucking on her moving his finger against her walls-

-Tracy lets out a moan that is only covered by the loud music in the other rooms-

inner levi come oon damn it get hard

Tracy: Is something wrong Levi?

-levi stands up kissing her pulling out his cock-

Levi: not at all.

-tracy falls to her knees and begins sucking-

Tracy: Am I doing this right? -she says it with a full mouth so it's kinda muffled.-

Levi: yes your -he sighs- your fine its me

-She stands up-

Tracy: What's wrong?

-levi leans against her putting his fface into her neck-

Levi: i'm thought it was heather but its all women

Tracy; You mean you're...Ohhh. That makes sense. Okay.

Levi: i'm sorry. and wait it makes sense?!

Tracy: Yeah. With every ohter guy I've been with they were up like that unless they were gay. -snaps fingers-

Tracy: That and i kinda had a feeling.

-levi chuckles and tucks himself back in-

Levi: again i am sorry. uhg i should have figured this out sooner. denial i guess

Tracy: It's okay. There was this one guy who just couldn't get it through his head. I had to take him to a gay bar to get him to face the truth. That was akward. Anyways I hopw you find a nice boy. You deserve the best.

-levi kisses her osftly-

Levi: you too

-aj and joey stand at the bar high fiving-

Tracy: Later gator. -smiles- we're still friends right?

AJ/Joey: WE WON THE BET!

Levi: totally!

Levi: but i'm about to kill ALL the guys for betting on us dating

Tracy: Nah. Leave that to me. -she smiles and leaves-

Jc: You've got it bad for him Bass.

Lance; Yeah. He's not interested though.

JUstin: you do. and how is he not interested?

Jc: Why don't you just talk?

Lance; Lets see...Everytime i talk to him he gives me the cold shoulder and he's always hanging with his other friends. He's in denial and refuses to come out of the closet and on top of that i think he may already have started something with someone.

Joey: Just tell him how you feel. Get it off your chest.

Justin: i'm lost here

Chris: same here

Lance; Forget it. Hey Jim! -bartender- Another beer!

Justin: Levi Wood is possibly bi with his abrupt ends with girlfriends

Jim: Sure. -hands it over to him-

Lance; I can't help but feel attracted to him but when I talk to him he acts like he's the straightest thing on earth.

Justin: sounds to me he isn't ready to come out yet

Joey; Yeah I'm suprised. I mean there's nothing wrong with that it's just that he's the last person I'd expect that to come from.

Lance; Shut it Chris. Unless you want Becca to be dissapointed tonight and for all eternity.

Justin: want joey to go with you?

Lance; Please.

Joey; Okay. i'll see you guys later kay?

Brian: lance can i tell you something?

lance; sure.

Brian: levi is a crazy kid. you really have to talk to him about this and not just let him push you around. he can do well in relationships, but can be a dick outside of them

Lance; Even if I try to talk to him he just gives me the cold shoulder.

Kevin: He's just weird like that. Talk to him alright?

Lance; Okay.

Brian: actually talk to him and not the way you have been. i saw how you were talking to him on the plane, you really weren't trying to be on his level. its hard it took me a while to learn how to communicate with him!

Brian: night bass. we have a tour coming up really soon. maybe get a ticket and come to one of them, hang out with levi

Lance: Okay.

Joey: Come on lets get you home Bass.

-Joey calls a cab and gets Lance home-

-the party continues late into the night and they all eventually head home.-

-a few weeks or so later-

-Chris and Becca and everyone else is on tour. Joey is watching tv and lance is takeing a nap-

Joey: Umm...Chris. Becca...You mignt want to have a look at this.

Becca: What is it?

Chris: is it bad?

new repoter: In pop culture news chris Kirkpatrick and his longtime girlfriend writer Rebecca Cerridwyn are knwon for being particularly outspoken about thier personal lives but have they gone too far? Recently a sextape was release d onto the internet and has been appearing in some adult stores. The popstart has yet to comment on this. And now for the weather.

Becca: WHAT!?

Chris: oh dear god

Chris: JC DON'T!

Jc: Oh.....My.....God.....Damn Chris you bagged a wild one.

-chris slams the computer screen off-

Chris: DON'T WATCH THAT!

Jc: When did Becca get a tattoo?

Lance; What's going on?

CHris: SHUT UP!

-chris is ffreaking out-

-Becca just looks scared and worried-

-the phone rings-

Lance; Seriously what happened?

Joey: I'll get it. -answers- Hello?

Brian: hey we um... heard about chris and becca

-in the backround there is levi laughing-

Joey: Shit. You guys too? none of you guys saw it did you?

Joey; Chris is haveing a heart attack right now.

Brian: well..... um.....

in the backround levi: HOT DAMN CHRIS YOU HAVE SOME MOVES!

Joey: Just give me the names so i know who to keep Chris away from.

Becca: WHAT!?! I'M GOING TO KILL HIM!

Brian: no one else is watching it though

AJ: HOLY SHIT BECCA!

bRIAN: make that levi and aj

Joey: Good try to keep it that way. We're calling our agent. We need to find out who's behind this.

Brian: well if you want to know levi is staring at chris and aj becca

Joey; So Levi and AJ are gonna die. Do you want me to call thier families?

Brian: alrighty then. i'm really sorry about this

Levi: DUDE THIS WAS AT OUR HOTEL!

Joey: It's not me you should be apologizing to.

-the phone fumbles and brian is screaming something-

Levi: DUDE DUDE REMEMBER THAT NIGHT I MESSED WITH YAL ON STAGE AT THE THINGY?!

-the phone fumbles yet again and levi is laughing-

Howie: I'm sure they remeber. Guys turn that thing off. They don't need to be embarrassed anymore.

AJ: YOU GUYS ARE IN YOUR ROOM RIGHT? CAUSE LEVI SAID HE WENT IN THERE AND STUFF TO APOLOGIZE AND THE PLACE LOOKS FAMILAR!

Jc; -on nsync bus- I didn't know Becca could bend like that.

-the phone fumbles again and levi has it-

Joey; I'm putting this on speaker.

Levi: DUDE ITS YOUR ROOM! AT THE BEGINNING OF IT A CART IS GOING INTO THE ROOM AND YOU SEE -HEH- LANCE ASLEEP ON THE COUCH. I THINK IT WAS PUT IN THERE EARLIER!

Levi: i'll quit yelling

Jc: And from what I saw it wasn't the only camera. There had to have been at least three. Maybe even more.

Levi: you see chris is dragging becca into the room and stuff

Becca: This is humiliateng.

Lance; Levi please just turn your computer off.

Levi: do you know who your room dude was? like, whats its name, the house keepr or whatever.

AJ: the maid?

Levi: YES THE MAID!

Becca; No. All we know is the room number. 306.

Levi: heh. chris? you have a nice dick

-chris screams and wants to break the phone. levi laughs more-

-Becca and Chirs looks like they're going to kill Levi-

Joey; You're risking your life and dick Levi you know that.

Levi: but yeah you guys have fun over there! ta-ta! ps - aj likes becca's moves -the phone clicks off-

Chris: HE'S DEAD THE WHOLE WORLD IS DEAD FOR WATCHING THAT DAMN VIDEO!

Becca; I get to kill AJ you can have Levi's head. -she is pissed-

Jc: I'm calling Johnny right now and we're getting the police involved. This isn't good.

JUstin: breath chris -takes him into the back-

Becca: Ya think? Hang on. -answers cell then throws it to the ground- And I'm already getting offers from directors!

Lance: Do you think this is going to affect the tour? I mean with our younger fans?

-jc groans-

Jc: um.... ah ' thsi si the work of the hotel creeps'

Becca: I'm going to find the person who did this and they're going to get hurt!

-jc shuts off his laptop-

-justin comes from the back- Justin: do you believe that your love interest is a porn watcher?

Becca; Chris and I wath the stuff all the time. But the diffrence is that it's legal.

Lance; Wait are you talking about me?

Justin: who else am i talkiong about?!

Lance; Well knowing Levi it's really not supriseing.

JUstin: i bet you 100 bucks lance that iff you got drunk with levi he'd fuck you

Lance: -grin- Well at this point I'd be willing to try anything.

Joey; Well you'll get yout chance soon. We're gonna be performing at the same arena as them this week. alternateing days.

-next concert-

-Nsync performs well and the crowd is awesome but there's still a slightly akward feeling in the air-

-afterwards a gaud comes to their door-

Gaurd: you have someone who wants to visit you guys, a fan

Joey; Send them in.

Guar: they have a backstage apss

Jc; Okay.

Lance; We've got time.

-the guard nods and a few moments later-

LEVI: ELLO YAL! -he bursts in wearing.. a skirt and wife beater- OMG IS NSYNC

ITS NSYNC ITS NSYNC!

-Becca is off in a corner watching tv-

-he jumps up and down hyperventilating-

Lance; Hello levi.

Becca; You've got guts showing your face here.

-chris was laughing-

Levi; just trying to cheer you up. for pete sakes i'm wearing a skirt!

Joey; Guys don't kill him. He's not a t falut here.

Becca; It's not your color.

-levi comes over and sits down crossing his legs. he does have bare legs-

Justin: dude you do have no hair

Levi: want to know something? i shave

Je: Wow...

Lance; Really?

Levi: actually just for this time. i am wearing a skirt, and lance and special treat for you - no undoies

Lance; Oh my.....Um...Thanks.

-levi grins and walks over to chris-

Levi: want me to flash you guys?

-chris growles-

Becca: Chris let him live.

Levi: come on cheer up you'll catch the perfect -levi spins sending his skirt flying around. his legs are really built-

Chris: leave

Levi: no i am not doing anything wrong

Chris: leave now

Levi: no christopher sticks out his tongue-

Becca; Levi don't argue with him when he's in this mood.

-levi blows and rasberry and instatly chris stands up punching him in the face-

Chris: i said LEAVE!

Joey: Chirs! Calm down!

-Joey restrains Chris and Lance goes over to Levi-

Lance; Come on. I'll help you out.

-levi shoves him away standing up-

Levi: yeash i try to cheer you guys up and i WOULD have told you something about who video taped you but just suffer now you dick

Lance; Levi please. let me help.

-he throws his skirt in lance's face nad leaes-

-Lance follows Levi out-

Justin: NICE GOING CHRIS!

cHRIS: HE PISSED ME OFF!

-Becca get up leaving the room. She goes back to the bus and makes sure she's completely alone before she starts crying-

Joey; But you could have held your temper back enough so that we could have found out who it was who did this!

-chris goes into the bathroom swearing-

Levi: quit following me Bass

Lance; i'm sorry Levi. I should have stopped Chris.

Levi: yeah right!

-levi's nose begins bleeding-

Lance; I am really! Why the hell won't you believe me!? -he takes out a handkerchief and puts it to levi's nose-

-levi groans and stares at a wall while lance cleans him up-

Levi: the hotel creeps is a porn company. they were going to pretend they were filming a couple who agreed to the tapes. they cancelled at the last minute and you guys took their spot. they didn't know and set up the camera anyways. they got chris and becca and ONE of their employees realised it without them knowing. they don't know who

Lance; Okay. Listen Levi. I'm sorry Chris over reacted like that. I'll try to make it up to you. If you want we can go to this club downtown. It's supposed to be really nice.

Levi: they are a respectable company and they think the guy who set up the cameras knew they cancelled before hands. the company got a call later that they weren't able to make it the day of the shooting but it was too late, chris and becca had been taped already

Lance; Well they'll be happy to know it was an accident.

Levi; that one guy is behind it all and they don't know who okay? aj and i watch their video's alot so... wait it wasn't an accident it was sent out. it was an accident it was taped

Levi: i called up the company and they told me everything about it since i am levi wood. they are glad i'm a fan of their gay porn

Lance: Either way. At least we know it wasn't someone trying to frame them or something.

Levi: once they find the guy they will know more. he might just want to frame them or something i don't know. they'll find out more.... hopefully -lance pulls the cloth away from levi's nose-

Lance: Feeling any better?

Levi: yeah i guess

-lance had the skirt still in his hands-

Lance; Want to go to that club? or do you want to go back to your bus?

Levi: later bass -he kisses him hard on the lips and runs back to his car-

-Lance blushes a little then goes back to the guys where he tells them everything-

Jc: Chris and Becca will be glad to hear that.

Joey; Now we just need to get Chris out of the bathroom and find Becca.

Lance; Lets just give them some space for a while. They've had enough stress for one day.

JUstin: she's on the bus. lets get chris out of the bathroom and head out-

Joey: I'll do it.

-Joey goes into the bathroom and a few minutes later comes out with Chris- Joey:  
Lets go.

-they roll out-

-meanwhile-

Nick: did you take care of it?

Levi: yeah i did

Nick: good. dude your nose!

-nick starts to cleans off the dry blood-

Levi: chris punched me

Nick: figures

-levi pouts-

Levi: lance went after me when i left with the information and cleaned up my nose. i told him everything... then kissed him

Nick: you kissed im? bravo

Levi: your not mad?

Kevin: Planning on going out with him?

Nick: no. you like lance and he likes you. were friends, i just like fucking you too - grin-

-Kevin goes to bed-

-levi smiles-

Levi: i don't know. i might

-nick kisses levi-

Nick: you should -kisses him again-

Levi: mmmmmm. maybe, fuck me and i might

-nick pins levi to teh ground and kisses him, pushiong hois hand down his shorts-

-levi moans-

-after a very long nice fuck-

Kevin: Just keep the noise down. some of us are trying to sleep.

Levi: alright i'l ask bass out

Nick: good -slaps his bare ass, dressing-

Levi: he better be good at sex

Nick: its LANCE BASS! he's gonna be good

-the next day-

-backstreet boys are now performing and lance is in the audience-

-the nsync guys and Becca are all on the bus-

Lance; Dance boy dance!

-levi doesn't know lance is in the audience. one of his things on tour os he rips off

his shirt throwing it out. aj follows his lead and they shake their asses-

-lance Catches Levi's shirt much to the dismay of a fangirl who's disappointment is evaporated when she catches AJ's shirt-

Fangirl: ah man you - OH MY GOD AJ'S!

Lance: AJ's is sweatier. So it's better.

-after the show-

Levi: that was fun. some guy caught my shir tthis time

AJ: and the girl next to him caught mine. she was happy

Kevin; Looked like lance. But I could be wrong.

Howie: I thought that girl was gonna we t herself.

Levi: Lance Bass? : a BSB concert?!

Howie; Why not?

-levi laughs-

Levi: yeah i go to NSYNC concerts, but i wouldn't even picture NSYNC at a BSB concert

Guard; There's someone here to see you guys.

Levi: let the fan in!

-enter Lance-

-levi stretches out, stil with no shirt on-

Lance; I think you dropped this.

Levi: AHH NSYNC ALERT NSYNC ALERT!

-levi hides behind nick-

Levi: they are the emimies, don't come near ememy

Brian: levi cut it out. hey bass. so you were the guy who caught his shirt

-Lance laughs and holds out Levi's shirt- Lance; Lets call a truce for now kay? Just thought you'd want your shirt back.

Lance: Yes indeed.

Levi: nah keep it you probably jerked off to it already

-nick shoves levi who laughs-

Lance: Thanks. By the way Levi my offer still stands for that date. Well I'll see you guys later. And by the way. Chris and Becca were grateful for the info. And even though he won't admit it Chris is sorry for hitting out. -he leaves-

-nick whispers something to levi-

Levi: do i have to?

Nick: yes now go -slaps his ass and levi runs after lance-

Levi: bass wait!

Lance; Still want your shirt?

-levi looks around to make sure no one is watching. he presses lance against the wall-

Lance: Yes?

Levi: i think i want your shirt instead -he lifts off lance's shirt kissing his neck-

Lance; did i forget to mention that you looked hot on stage?

-levi grins-

Levi: its obvious

Lance; So tomorrow afternoon around seven? I'll pick you up?

-levi nods putting on lance's shirt-

Levi: damn you are built

-Lance puts Levi's shirt and grins-

Lance; I work out.

Levi: you know your dating a minor. your 21 and i'm 18

inner levi: i just told him we are dating

Lance: eighteen. You're an adult. Besides when did are ever stop you?

Inner Lance; did he just say we're sateing?

Levi: true -levi kisses lance some more sliding his tongue into his mouth. he moves it around then pulls away smiling- and i guess we are dating now since you aksed me on a date and i said yes and we both have the hots for eachother

Lance; That works fine for me. -grins- You taste good.

Levi: so do you -levi licks his nose and goes back to the dressing room-

-Lance grins and gets back on the bus-

Joey; So how was it?

Justin: yeah tell us all the gossip -again witht eh hair flip thing-

Lance; it was good. Levi and I are going out tomorrow. Thank god it's out day off.

Jc: Good. Have fun.

Justin: praise the lord -throws his hands in the air sounding gay again-

-more like sounds like a grown black woman-

-Becca comes out of the back room. Her eyes are puffy and red and she looks tired-

Becca: What's all that noise?

joey: Sorry Becca. Didn't mean to wake you.

-chris looks at her. he pulls her down into his lap hugging her-

Chris: its okay baby. lance finally got a date

Becca; that's nice.

-the rest of hte night and next day went smoothly. still nothing on the tape but

they were able to get it off the internet and out of stores-

-and they managed to get an agreement out of the company so that it didn't have to go to court...yet-

-not until they find the culprit-

-that night lance goes to pick up levi-

Levi: so where are we going?

Lance; Theres this really nice resturant downtown. I was thinking we could go there.

Levi: maky. sounds hot enough for a gay celebrity couple

Lance; Okay. lets go.

-they get there and are led to a table where the waiter gives them the wine list.-

-they go and have a great time. lance is able to talk to levi about alot of things and levi is serious about them too. lane also finds out mroe about levi's tiwn sister-

lance; So tell me about her.

Levi: she has schizophrenia

Lance; that's hard.

Levi: my parents weren't able to take care of her. i started to get as many jobs as i could and when nick said he was going to get into a band i tried my ahrdest to get into it too. thats one of the reasons why i'm doing this whoole thing - oi'm doing it for my sister, fufilling ehr dream and gaining money for treatment to help her out

Lance: You're a good brother.

Levi: yeah i guess so

Lance: So how's she doing now?

Levi: all our detications and stuff in our albums i write a paragrpah to her. my mom is always reading it too her. she is really struggling but is getting better

Lance; That's good. If there's anything i can do to help let me know okay?

Lance; Really levi if there is anything I can do to help you and your sister out just

say the word.

Levi: well, there is one thing. see, she listens to nsync and backstreet boys alot. she met backstreet before but she is always telling me about how she wants to meet nsync. i told her it would be hard but i keep promising her

Lance; Of course. The guys would be okay with that for sure.

Levi: she wants to go to a concert too but my panrets don't want her to elave home

Lance; We can come to her then.

Levi; our birthday is coming up. both of us will be 19. maybe you guys can perform at her party? -levi drinks his water- if you could i would love you forever and ever!

Levi: i wouldn't prank you either

Lance; Of course. The guys will do it. I'll do it. We're gonna make your sister's day.

-levi leans over kissing lance quickly then going back to his food-

-one month later is their birthday-

-they still haven't caught the culprit, but the ews about the videoo is dying down for sure-

Lance; Okay guys this is really important to levi's sister so we need to not screw this up okay.

JUstin: aye aye captain

Joey: Lance you've been reminding us constantly all month.

Lance; we're on in five minutes.

-levi shows up-

Levi: hey gys. thank you SO much for doing this for her

Lance: Happy birthbay levi. And you're welcome.

Jc: No prob. Anything for a fan in need.

-levi smiles- Levi; just follow my lead okay?

Joey: Yes sir.

-they go around the house and levi asks them wait by the house until he calls them out-

Levi: hey guys!

Jordyn: LEVI!

Guests: Hey Levi!

-jordyn runs out and jumps into his arms. she had really short hair and is a tomboy-

Levi: oh i missed my sissy

people: awwwww.

-jordyn lets go of him. she jumps up and down all giddy and jumpy slightly twitching-

Jordyn; i missed my brother i missed him i missed him!

Levi: i missed my sissy i missed you i missed you! -he swings her around and dances all over the place with her. the guys watch-

Justin; wow. she seems sweet

Justin; she acts like chris

Chris: hey!

Jc: -whisper- They're so close.

Joey; We love you for it man.

Levi: hey i got you a present okay?

Jordyn: a some what is it!

-levi sits down jordyn covering her eyes-

-she giggles and twitches some trying to sit still-

Levi: hey guys come out!

-jordyn giggles and laughs squirming-

lance; Lets go!

-the guysrun out-

Levi; oakly look!

-levi lets jordy see and she screams-

Joey; Happy birthday girlie!

JORDYN: ITS NSYNC OH MY GOD YOU GOT ME NSYNC MY BROTHER GOT  
NSYNC OH MY GOD YOUR NSYNC!

Jc: That we are m'lady.

Justin: hey Jordyn

lance; Happy birthday.

-justin counts to three and they sing i thought she knew-

-jordyn gets tears in ehr eyes and levi sits next to her-

-they finish singing and they look at her-

Joey: again happy birthday.

Jordyn; that was so sweet. were they singing to me Levi?

Levi: yep all for my sissy. by big sister

Justin:w ait big sister?

Jordyn; DUH! levi is an three hours younger then me!

Levi: i'm the baby

Jordyn; can i hug them?

Levi; go ahead they don't bite.

Jc: Sure.

Joey: Hugs! Yay!

-jordyn runs over and hugs them all very tightly-

Lance: Good grip girl.

-she kisses chris on the cheek-

Jordyn: your my favorite

Chris: yay someone likes me more then Justin!

Justin: meh. she likes me too

Joey: He's taken hun.

Joey; Jc's single.

-jordyn goes back over hugging levi tightly lightly crying-

Jordyn; thank you levi. happy birthday

Levi; happy birthday big sis -levi has a few tears in his eyes hugging her-

Mom: cake time

Chris/Jordyn; CAKE!

-levi chuckles-

Justin: yep, chris is like joordyn

-they sits down and eat jordyna nd levi's fovaorte, german choclote ice cream cake-

Joey: Thankfully we have people like Becca and Levi in the world.

Levi: thanks again lance -he still has a few tears in his eyes-

-Joey sticks his whole face in the cake-

Lance; it was no trouble at all.

-levi hugs him tightly shoving his face into his cake at the same time as jordyn-

Levi/Jordyn: WE LOVE CAKE!

Dad: they do that every dang year

Joey: Cake good!

Lance; That's how they are. And we have to deal with Chris and Joey doing that every day.

-later that night levi falls asleep in the grass next to jordyn-

-lance watches them-

Justin: they are so alike. its sad she was diagnosed with that

Mom: it was hard on all of us

Lance; yeah. I can imagine. Levi is a nice kid.

Dad: she is getting better. most of the way she acts is how she always acts, but is hard to know which is the disease and which is our jordyn

Lance; Still a little improvement is better than nothing at all.

Mom: levi is so wonderful. thank you again for doing this for her

Jc: It was nothing. She was great. She's a nice girl.

Dad: we would let her go to a concert but we are worried she might have an attack there

Justin: she is cute

-they looks at justin weird-

Justin; what? she's hot what can i say

Lance; That is ture. She's not bad looking.

Joey; We were gald to help. if you guys ever need anything don't hesitate to ask.

-jordyn suddenly wakes up screaming ehr eyes wide eyed-

Justin:w aht the hell?

Lance; Is she haveing an attack?

-levi wakes up grabbing jordyn and hugging her-

Dad: yes

Levi: shh jordyn is okay

Lance; How often do these happen? Sorry if I seem rude for asking.

Jordyn; there attacking me i can't i won't make it!

Levi: yes you will. tell them you will not lose

Dad; its getting less and less, but at most it happens three times a day.

lance: Poor kid,

Jc: still like you said she's improving.

Mom: once she was just cutting tomatoes and suddenly began screaming running around the house

Jordyn: you will not defeat me i am strong

Levi; yes you are. you are strong and wise and no one can hurt you unless you let them

Joey; So these are pretty random. Looks like she's doing good in handling them.

Dad: she and levi were bullied all their lives in school.

Lance; It couldn't have been easy.

Mom: jordyn was always comforting levi playing the older sister all the time, then suddenly she snapped and levi made it his goal he would make her well again

Joey: He's pretty dedicated to her isn't he.

-jordyn stops screaming and levi still holds her face into his chest as she sobs-

Dad: he can't be apart from her. he hates having to be far from her on tour but he always talks to her on the phone and he lives only a block away from us

Lance; She'll be okay. If she's anything like her brother then she'll pull through this.

Mom: it seems he can't do anything without making sure it doesn't effect her

-justin is watching jordyn-

inner justin: she seems so innocent

Joey: We need to get going now. Thanks for haveing us over.

Lance; yeah. It was great coming here.

Dad: we think that she needs soomeoone to lvoe her, but no one has ever wanted her in that sort of way. she believes she is a punching bag and will never have love

Lance; I don't know about that. Juju here seems to have a thing for her.

Justin: lance i do not. i just thinks she's cute

Chris: she'll find someone.

Lance; You never know. It might turn into something else.

-jordyn lies back doown on the grass and levi brushes her hair back, watching ehr sleep-

inner levi: i want you to stay with me sis. i don't want to leave your side any more

-jordyn falls asleep and levi coems back over-

Levi: mom dad i want jordyn too come with me on tour.

Dad: that isn't smart

Levi; dad i can't leave her! she needs to get out and the guys love ehr you know that! she feels safe with me

Mom: how long is the tour

Levi: six monthes

Lance; Maybe being on the road could help her. She could learn how to better interact with people.

-his parnets looks at each other. levi smiles at lance-

Mom: if she wants to.....

Dad: as long as she has everything and you stay by her side at all times

-levi hugs his parents and goes back to Jordyn-

Joey: even then we'll help watch her.

Justin: yeah... wait how?

Joey; she's gonna have eleven guys and one girl helping her.

lance; yeah. We can all pitch in.

Chris; we are basically on the same touring schedule as BSB. we just play different days as them

Mom: she'll be happy

-she sighs and heads inside-

Dad: good night boys. it was nice meeting you -he shakes their hands and goes inside as well-

-The guys all nod and go back to their hotel-

-the next day-

Becca: Okay so we're taking a girl with serious social problems on tour with us?

Joey; Well technically BSB is going to be taking her with them. she's Levi's older sister. We're just going to be helping her out.

Becca: Guys we're not social workers. We don't know the first thing about this kind of stuff.

Joey: But you had major social problems when you were younger right? maybe you can help her out?

Becca: I'm not sure how I feel about this but alright. I'll try.

Justin: levi does! he can help her out too and we know and BSB knows her a lot

inner justin: besides since Britney is cheating on me maybe I can dump her FINALLY and help Jordyn find her true love or whatever

Becca; You're pretty adamant about this aren't you Justin.

Justin: she's cool -he shrugs and heads in the back-

Becca: He likes her.

Chris: that might be bad see ing he is with BRITNEY SPEARS

Becca; Not with the way things have been going between those two.

CHris: true

Becca: Well I'm gonna go back to the bus. All my stuff is there already so I'll be waiting for you guys.

-chris kisses her and grabs his stuff from the hotel-

-meanwhile-

Levi:a re you ready sis?

Jordyn: Um.. Yeah.I didn't forget anything did I?

-she's standing in the doorway with her bags-

Levi: you have everything sis

-justin smiles at her-

Justin; you never saw your brother playing with other guys like that?

Jordyn; No. Not even on tv.

JUstin: oh.

Justin; levi does it alot. even on stage. look watch his tackling nick now! -points at the tv. levi jumps on nick who falls to teh ground being flatened out. elvi stands up continuing his singing. nick glares and keeps singing-

Jordyn; oh...Mom said boys often roughouse like that.

Justin: i was told you and levi were always bullied growing up. what your brother does is what he always does. he plays with the guys alot like that, and its all part of the act and fun. i've never seen your brother hit someone on purpose. i've seen him getpunched by chris, but thats it

Jordyn; We were. I had to protect him...Wait...Chris hit Levi?

Justin: chris was angry and levi pushed him a bit. they're fine now, both of them.

Jordyn; Levi has a habit of pushing peoples bottons but I've never heard of him getting hit because of it. When did it happen?

Justin; i while ago. we all forgot about it. don't worry

Jordyn; No. You didn't forget. You're still talking about it.

Nick: its best you didn't know

Jordyn: Does it have anything to do with that time when Levi called and he was talking about Chirs's butt? Wait don't answer that.

Justin;s o levi is comign over

Chris: ever since the incident i just don't trust hotels. i stay on this bus and always sleep on this bus

Becca: Okay. I'll be sure to keep Lance's area clear. Chris baby. can we talk for a bit in private?

-chris nods and follows becca-

Becca; Chris....It's about what happened. I think we should really take action against this.

Chris: how?

Becca: If we're sitting around acting like scared puppies we're only going to be showing that they've won.

-off in the distance and gun shot is heard- Chris: okay that was weird but it is a city so.....

Becca: We need to think of something. I don't know what but we'll have alot of

time to think about it.

Chris: becca you've been the one freaking out. i want to have sex again but your scared and i'm fine with that

Becca; We don't have to be anymore. At this point i really don't care. The world can feast thier eyes on us.

Chris: i'm fine with that. but not tonight, levi and lance?

Becca; Yeah. it's gonna be akward enough for the guys with one couple in the act.

CHris: come on lets just try to get some sleep

Becca; Okay. i love you baby. -kisses him-

Chris: i love you too -kisses her back. they head to bed-

-lance sits staring oout the window waiting for levi-

Lance; I'll call his family. They're gonna want to know.

-the doc smiles and walks off-

-Lance calls levi's parents.-

Dad: oh thank god. why was he going over to your bus?

Lance; Well...It's hard to explain...

Dad: was it important?

Lance; In a way. It could have waited but...

Dad: well i'm just glad he's gonnabe okay.

Dad: his moom is too

Lance; Me too. Jordyn is haveing a rough time with this but she's gonna be alright. Justin is watching her.

-justin kisses her again- Justin: i guess i can help you with that

Jordyn: Please? I don't want to mess up.

Justin: iots hard to screw up with this stuff. and i won't take advantage of you or else levi will beat the fuckin shit out of me

Jordyn; He's okay right?

Becca; yes Jordyn he's fine.

Jordyn; Okay.

Becca; Just relax okay. If you stress to much you'll put wrinkles in your forehead.

Jordyn: Ummm.

Becca; It's just a joke I use with a lot of people. Don't worry.

Jordyn: Even Chris?

Becca: Yup. Even with him.

Jordyn: How long did you know him?

Becca; We were dateing since junior year of highscool.

Howie; Hey Levi. How ya feeling?

Jordyn; Levi don't scare me I don't want you to die.

Levi: i won't die. and i'll be up and ready for the next concert i believe

Kevin: Good to hear. The docs want you to take it easy though. So we're gonna tone down some of the dance moves.

Lei; ahh, poopy. does that mean i can't have meetings with lance anymore?

-justin groans-

Howie; Nope. You can meet him still. He just dosen't want you doing anything extreme. Waling is fine but running and major danceing should be kept to an absolute minimum.

Levi: good cause i don't want to miss any more meetings with lance -smiles at him-

Howie; You have a very dirty mind levi.

lance; And i love him for it.

-jordyn was extremly lost-

Jordyn: What's wailing? What meetings with Lance? why are you smileing Levi?

Nick; tell her Levi

Brian; she can handle it okay?

Lance; She needs to know.

Becca; Don't keep her in the dark.

-jordyn looks at levi funn-

Jordyn: We don't keep secrets from eachother Levi. Remeber you promised. You said you tell me everything.

Levi; does that mean telling you i am really gay, soo those guys kicking me and punching me for being gay was true

Jordyn; You are? Why didn't you tell me sooner? And even if they were hitting you for being gay I would have kicked them into next week anyways. Nobody's allowed to hit my brother! Nobody!

Levi: you were so keen on making everyone know i am deathly stright

Jordyn: Because I didn't know. If I had known it would have been diffrent. I'd have kicke them harder for being mean to you over something you don't have control over. Like I didn't get to decide to have schizophrenia.

Levi: and i didn't really know that i was gay until a while back

Jordyn: Well I still love you levi. You don't need to hide it from me.

-levi hugs jordyn-

Levi; family still doesn't know, and you know how much dad hates gays

-Jordyn hugs him back.- Jordyn: We won't tell him. He dosne't need to know.

Levi: they need to know someday, but not soon

AJ; can we talk about something else?

Nick: how about jordyn and justin kissing!

Levi: WHAT?!

Levi: your first kiss? by JUSTIN TIMBERLAKE?

Jordyn: Justin's nice. He really likes me Levi. -she's beaming-

Becca; Most girls would die to be in her shoes.

Levi: i am very happy for you. JUstin?

Justin: yes levi?

Levi: hurt my sister i will chop off your dick and shove it so far up your ass....

Becca: Yes yes we know that old threat. so that every time he sits down he'll be fucking himself.

Levi: bingo. then i'll kill him

JUstin: \*gulp\*

Jordyn: I told him you'd be the least of his problems. Daddy's the one who'll do some real damage.

JUstin: i would never hurt her

Jordyn: Good.

-justin holds onto her hand-

-jordyn finally gets what alnce and levi were meeting about-

Jordyn: Oooh. So that's what you were doing...Kinky boy.

Lance: We can do that.

-levi leans over lance standing up and begins sucking-

Lance; Oh god! Damn that feels good.

-levi keeps going flicking and tip and making swallowing motions a few times-

Lance; Don't stop Levi. Please don't stop.

-Lance throws his head back and grips the nearby table to keep himself from falling over-

-levi keeps gooing-

-lei feels himself getting hard

-With a lod groan and shudder Lance cums-

Levi: yummyfful

-levi reaches downa nd rubs his oown cock-

Lance; Glad you like it.

-levi moans-

lance; Want me to take care of that for you?

-lance tucks himself back in-

Lance: -while zipping up his jeans- Come in.

-a man enters the room looking around-

Lance: Can we help you?

-levi looks at him funny-

Guy; Yes. I'm looking for Rebecca? I was told she was here visiting a friend?

Levi: may i ask who you are?

Guy; I'm Joel Taylor. -holds out hand.- I knew Becca from highschool.

-lance shakes it-

Levi: she left a while ago joel

Joel: Is she still with Chris?

Levi: yes indeedy do

Joel: Damn. Well i'll keep looking for her. I ment damn about her being gone not about her being with Chris.

Levi; uh-huh -levi is tired-

Joel; Well I'll get going. Bye. -he leaves-

Lance; That was a strange guy. I wonder if Becca really did know him. oh well.

Levi: me sleepoy after eating cum and cumming.

Lance; Sleepy time for levi. -Tucks him in and kisses his forehead-

-levi smiles and passes out-

-the next day levi is released from the hospital and the tour resumes.-

Becca; HE'S STILL CALLING ME! -slams down phone- GOD HOW THE HELL DID HE GET MY NUMBER!?

Chris: becca? whats wrong?

Becca; He found my number. Remeber Joel? That kid from highschool who used to stalk me and who hated your guts?

CHris: dear god yes

-lance is listening to this-

-and is also talking to levi on his cell-

Becca; Well guess what! Not only did he find me on practically every networking site imagineable but he also found my personal email and my cell number and our house number and our address! He wants to reconnect with me! I TOLD HIM I WANTED NOTHING TO DO WITH HIM EVER AGAIN!

Chris: dear god

Levi; lance what is becca boitching about in the backround?

Becca; He nearly killed you Chris. I don't want it to happen again.

-levi was lying in his bunk bored as hell-

Lance; Something to do with this Joel guy.

Levi; wiat the dude who showed up at the hospital?!

Lance; Wait....Oh god....

Levi: his nae was Joel

Chris: what lance?

Becca; what was that Lance?

-chris looks at lance who is at his laptop-

Lance; Belive me Becca I had no idea.

Chris: what!?

-chris is confused-

Becca: Lance. You need to understand that Joel is mentally unstabel. He was obsessed with me and used to be on okay terms with Chris. But when we started dateing Jeol became creepy and violent. He followed me everywhere even when Chris and I were on dates and wouldn't leave me alone. I changed my number god knows how many times. And then it got to the point where we had to change locks on my On my house. But he kept on getting in. And on top of that he nearly killed Chris intentionally. Not once but at least three times. He was finally arrested but by the time he was released I ws with Chris all the way across the country. I figured with the amount of traveling we'd be doing he'd have one hell of a time finding me but it looks like that is out of the question now.

Levi; dear god he does sound creepy. i wish he could go get some help

Lance; Becca I'm so sorry.

Becca; He refuses to admit he has a problem.

Levi: i wish i could help him. he seemed so nice

Becca; Looks are deceiving. Why do you think it took so long for me to trust you guys.

-there is a knock on levi's bus. everyone else is out-

Levi; hey hold on bass

Lance: Okay.

-he puts the phone to his chest going to the door. lance hears levi screaming on the other end-

lance; LEVI!

Levi: dude let me -the phone clicks off-

Chris; what?!

Becca; Chris....Baby you don't think....Oh god...It was him who put the camera's in.

Chris: it probably was.

Chris: lance whats up with levi?

Lance; i don't know. But I'm going over to that bus. -grabs his coat and runs out the door-

-when he gets there he sees the door to the bus wide open and a little blood on the ground-

-levi's phone is smashed-

Lance; Oh dear god! We need to call the police!

-he runs back to the bus-

Chris: lance what happened?

-chris is annoyed of all these mishaps happening-

Lance; Levi was kidnapped! He's gonna get killed!

-Becca runs to the phone and calls 911-

Chris: fuck on a monkey stick -he smashes his head on the table-

Justin: what did you say? -justina and jordyn walk on-

Lance; i can't believe this! Why?

Jordyn: Where's brother?

Justin: what's happening

Becca; Jordyn just stay in the back room.

Chris: levi was kidnapped

Jordyn; No!

Justin: god. first the gun shot then kidnapping

Lance; Could this get any worse!?

-Becca hangs up-

Justin: come on jordyn -holds her hand walking into the back-

Becca; The police should be here any minute.

-meanwhile-

Joel: Wakey wakey Levi.

Levi: god my head -levi feels the back of his head. his hand comes off of it bloody-

Levi: where am i? -he feels dizzy-

Joel: Hey sorry about your head man. I really didn't mean to hit you that hard. I didn't want to hit you at all really.

Levi: um... okay then. where am i?

-levi winces looking up-

Joel: My place. Actually my basement. Not much but it's home. Film industry pays well though. Especially adult videos.

Levi: wait, do you work for -wince. elvi was shocked he could think clearly- hotel creeps?

Joel: Part time. I work as a technician for a few companies. But I must admit hotel creeps pays well.

Levi: you were the one you sold the tape of becca and chris weren't you? you did it on purpose i'm sure

Levi; with your history with them....

joel: Well I had to. Chris would be humiliated. And Becca? Well a little mouse like her would never want to be seen in public. I really didn't want to have to make it come to that but you know all's fair in love and war.

Levi: you love her alot don't you? -levi winces trying to sit up. he is tied to a chair though-

Joel; Of course. What is there not to love? Even a gay guy like you has to admit she's loveable. Beautiful, smart, one hell of a writer. -sigh- I loved her to death. Still do. But that son of a bitch took her from me. He's no good for her you know. He'll only break her heart. -walks to other side of room-

Levi: fromn what i've seen he's really good to her. he's helped her out and is a strong guy. don't you want her to be happy? she can be happy with him, you could ahve been friends but you..... well.....

Joel: Of course I want her happy. I want what's best for her. But he's not that. After he gets out of the picture she'll obviously be crushed. And then I'll swoop in and play the hero and end all her pain. just like off the silver screen.

Levi: wouldn't after all the things you did to her, wouldn't she scream and most likely blame you for everything

Joel: maybe. But she's an understanding girl. she'll forgive me. I know it.

-Joel looks totally crazed at this point-

-levi sighs-

Levi: can i ask you one more tiny question?

Joel: Sure ask away. You're a guest here.

Levi: WHY THE FFUCK DID YOU KIDNAP ME AND SHASH MY HEAD AND TIED ME TO A CHAIR?!

Joel: Well I was trying to nab Chris but I got the wrong bus. Sorry man but how was I gonna explain showing up at your door with a baseball bat.

Joel: But you see i need to have someone here that Becca cares about so that she'll listen to me.

Levi: can i ask why you haven't checked out other girls before?

Joel: Why? Every other girl I've seen is either a hooker looking to get rich or just blew me off. I wasn't exactly the best looking guy in school you know. Becca was the only girl who showed me kindness in highschool. But then when she started dateing him she became so cruel.

Levi: how was she cruel: she showed you kindness when no one else did, probably wanted to become friends, then gets a boyfriend

Joel: She never answered my letters and calls. And threw away all my gifts. And then she stopped talking to me altogether.

Levi: i don't fully understand. how much did you call her?

Joel: Every spare minute I had. if I wasn't doing homework or at work I was trying to contact her.

inner levi: i cans ee soomething here. joel just wanteda friend and becca gave it to him - then chris came into the picture. he needed help, he needed it long ago when it all started to show

Levi: how was your house life? like your parents and stuff

Joel: My parents were intelectuals. I was encouraged to follow in thier footsteps. You know. Surgon or laywer. Something of the high education type of profession. But I longed to be behind a camera working to record all that was beautiful.

Joel: You understand don't you?

Levi: joel. -he leans forward a bit- let me go and i can help you. i won't call anyone. i can help youn get into teh profession of beign a director. i can help and you just goot to leave ebcca dna chris alone, become their friends! in can be your friend, and can help you find someone to love. just please joel i hate to see when people are like this, struggling

Levi: i promise i won't run, i sort of can't when my head is bleeding and have a monster headache

Joel: NO! HOW DARE YOU! I CAN'T BE WITHOUT HER! THE PAST YEARS HAVE BEEN NOTHING BUT AGONY! I CAN'T BREATHE WITHOUT HER! -a poundin and the sound of a door breaking down. Joel looks panicked and he runs out the side door dissapearing before the police can run down-

Cop: He's in here! -goes over to Levi- are you okay?

Levi:f fi'm fine, but joel he needs a friendjust let me goa nd i can help him!

Cop: They're searching the area right now.-unties him- Are there any other injuries that you know of?

Levi: i need to help hiom! i need to be his friend!

-levi has always been attached to people with mental problems, all because of his childhood and his sister-

Cop: Hang on -unties him- Come on we need to get you out of here.

-the cops search the area but joel is nowhere to be found-

Becca; Levi I'm so sorry. This is all my falut.

Jordyn: Are you okay Levi?

Lance; Thank god you're safe.

Levi: it isn't! god i want to help him he isn't bad i know it, he wants to be a director he wants to love someone but he's jsut.....

-levi rubs his face, his ahdn still covered in damp blood-

paramedic; Hold still. I need to bandage your head.

Levi: god i'm really dizzy, i think i'm.. i want to..... -levio falls tot ehg round vomitting-

Levi: everyt higns really spinny -levi fals to his side unconcious-

Paramedic: We need to get him to the er now! -puts Levi in a gurney and they wheel him into the ambulance-

Lance; Please we want to come with him.

Paramedic; Alright! Hurry up!

-lance and the other come in and the ambulance speeds off towards the hospital-

-levi is mubling shit about helping joel he's like his sister he needs love just like her-

Jordyn: I feel sorry for him. I want to help Joel too.

Becca; How can you say that!?

Jordyn; I know what he's done is wrong. Trying to kill people isn't the answer but he just needs a little help. Like me.

-Becca is silent the rest of the trip. Lance his holding Levi's hand and is on the verge of tears-

Chris: becca you have to udnerstand they both have phycological minds. because of jordyn's life and never havinf anf riends and never having love..... levi has to help him just like he is helping jordyn

Chris: levi feels it is his duty

Becca; But he tried to kill you! The bat and then that time when he left you to die of carbon monoxide poisoniong in your garage!

CHris: affter going through college and stuff..... i can't hold a grudge becca. he's mentally ill

Levi: i want to help.... my sister... she is like..... -suddenly levi stops his mumbles and goes intoa seizure-

Paramedic: hold him on his side asap!

Becca: I just wish he'd give up. He's grown up and if he just tried he could find a girl.

-they rool him over and lance is about to burst into tears-

lance; Please don't die baby.

Chris: rebecca, you gave him something he never had - friendship. try to be his friend. he's mentally ill! you cannot hold a grudge against the mentally ill!

Becca; I can't be his friend. Not when he wants you dead.

-chris groans and lets go of becca's hand, staring out the back window-

-they reach the hospital taking levi in-

Doc: We need to take him into surgery! We don't have much time!

-levi gets stitches and suffers and concussion-

Lance; is he gonna be okay?

Jordyn: Good news please.

Doc; He should be fine. But he won't be able to have visitors till morning.

-jordyn hugs lance-

Chris: he's a fighter is an understatement

Lance; It's gonna be okay Jordyn. -pats her head-

Justin: he is immortal

Jordyn: He's got luck tattooed to his ass says daddy.

AJ: he actually wants to get a tattoo, if anyone is wondering

Jordyn: owie.

Becca; They're not that bad. But everytime Chris gets one he has to hold my hand.

-they all head backa dn for once jordyn stays with lance talking about levi-

-justin stays nearby-

Lance; He's stubborn. But I love him nonetheless.

Jordyn: Yes.

-next morning jordyn takes hte car to see him and nearly crashes on ehr way.  
lance is trmatized-

JUstin; dear go why did you get you lisences?!

Lance; can I drive next time?

Jordyn; I got my licence from daddy. And sure you can drive.

-they head inside and levi is in 'a coma' as hte doctor said-

Lance; oh baby please live.

Justin; yeah that makes everything better

Jordyn: Wake up Levi. Please.

-justin sits down next to jordyn holding her hand-

Jordyn: I want my brother. -cries- i want him back.

-justin holds her-

Levi w/ ees shut: err..... uhg..... head poounding.....

News Reporter: In pop culture new the pop idol Levi Wood is still in the hospital and is in a semi comatose state. The athorities have not yet released informaiton about how this happened. But the tours for the backstreet boys and nsync have ben canceled until further notice. People will get refunds for thier tickets.

Lance; Levi?

Lance; Baby? Can you hear me?

-levi opens his eyes looking at him-

lance; How're yu feeling?

Levi: yeah i an hear you, but can ia sk you a question?

Lance; What is it?

Levi: who are you people?

-levi's facial expression shows no joking-

Lance; what...Oh god...Can't you remeber us?

Justin: um.....

Jordyn: Levi...It's me Jordyn. -she's crying again.- Don't you remeber me?

Levi: jordyn? thats a nice name. why are you crying?

Jordyn; You don't remeber me. Your own sister. And you don't remeber your own boyfriend. And you don't remeber Justin.

Levi: justin? which one of you is justin?

Justin: me! justin timberlake, the guy you always rival against and tease. YOU SHAVED MY HEAD!

Levi: why would i do that? and who are you again? -looks at lance-

Lance; Please levi. You must remeber something? It's me Lance. You're boyfriend.

Levi: boyfriend?! why would i have a boyfriend. i'm gay?

Justin: dear god YES you are gay

Lance; yeah. But you haven't come out of the closet all the way. You're friends and sister here know but the general public and your parents don't know. You're a pop star. You're in a band called the backstreey boys. They're not here right now but they should be here soon.

Levi: huh. that means i'm rich?

Lance: yeah.

Justin: i can't believe you have amnesia

-the doc enters the room-

Levi: so you mean that a ton of stuff happened, then i just forgot the jist of it?

Jordyn: Please Levi.

Doc; The cuncussion caused some damage to his memory. You've obvisously seen this. You never know how long it'll last. some of it'll be permanant. It's going to take time but he'll start to remeber some stuff.

Jordyn: So he'll never remember us again?

JUstin: you just said it could be permanate!

Justin: i am so lost here!

Levi; your telling me -scratches his head-

Doc; I'm sorry.

JUstin: please explain again slowly this time

-justin rubs his face-

Doc: He could remember everything he could not.

Justin: wow. a BSB who doesn't remember being a BSB ever before

Levi: whats a bsb?

-justin slaps his face-

Jordyn: Backstreet boy.

Levi: oh now i get it BackStreet Boy

Jordyn: Um...Yeah.

Doc; Just be patient.

Levi: so you r my sister? -points at jordyn

Jordyn: Yes. I already said that.

Justin: you are twins. she was born three hours before you were

JUstin; you are the youngest member of Backstreet BOys, 19 years old and your birthday is in august somewhere

Lance; She has schizophrenia. You've been helping her out and you're letting her live with you.

Justin: you are dating Lance Bass who is a amemebr of the boy band Nsync you is better then Backstreet BOys

-jordyn shoves justin-

Jordyn; Don't tell him that! Both group are of equal talent.

Justin: -grin- Nsyn cis also a boy band. i am in it along with lance and three other guys

Levi: yeah.. okay..... i sort of get it. how didn't this all happen anyways, with the amnesia

Jordyn: Nick Carter one of the Backstreet boys is your best friend.

Lance; You were hit in the head. By a man you wanted to help.

Levi: that's odd -chuckle- why would someone i wanted to help hit me in the head?

Jordyn; He doesn't know he needs help. He was trying to hurt our friends and he kidnapped you by hitting you on the head.

Justin: well that happens in a lot of cases where someone who wanted to help someone else they get hurt

Levi: with what?

Lance: We don't know. i think it was a bat.

Levi: owie -Levi winces-

Levi: so are these friends of yours..... my friends?

Lance; Yes.

-Levi nods. suddenly a migraine hits and he cries covering his eyes from the light and trying to get everything to shut up-

Justin: what's happening?!

-Levi cries more at that noise-

Doc; Migraine. It's common with these things. Just keep quiet.

Doc; Levi we're gonna give you some medication to dull the pain.

Levi; it hurts so bad. i can't breathe. ahhhhhhh

-Levi cries more grabbing at the sheets-

-The doc injects him with pain medications-

-it doesn't do much good-

Levi: please make it stop..... -Levi cringes up in bed-

Doc; We need to leave him and keep quiet for now. there's not much more we can do.

-lance holds onto levi's hand-

Lance; it's gonna be okay Levi. Just breathe okay? Breathe.

-levi whimpers-

Doc; It looks like it's subsiding.

Jordyn: Levi...

-lance climbs into the bed and holds levi to his chest. levi has tears pouring down his face and the light is blinding him horribly-

Levi: the light. god it..... please it hurts so uch!

Lance; Shhh. Just close your eyes. Just relax.

-levi is whispering it-

-the doc turns the lights out-

-this last for a few hours-

-afterwards levi is fast asleep-

-Lance stays with him the whole night and Jordyn and Justin head back to his place.-

Justin: poor guy

Jordyn: I want him to remeber so bad.

Jordyn; Do you think he will Justin?

JUstin: like is aid before, hes a fighter. deep down he wants to know everything

Jordyn: I just hope his luck hasn't run out on him.

-'his place' meaning the nsync bus-

-justin takes jordyn into the back sitting ehr down kissing her-

-the tour got canceled so they're just using the bus for a road trip back home-

Justin: trust me he is one eager dude. he puts his mind to something there is no going back

Jordyn; I don't know if it's too soon to tell but I think I might be in love with you now.

-justin holds onto her face-

Justin: yeah i think i love you too

Becca; So how was he? -she enters the room-

Justin: you might want the others to come in here too. try to get bsb over here too

Becca: Alright. This can't be good news.

-for some odd reason justin thinks about when jordyn will be ready for sex-

-a few minutes the guys are all assembled-

Justin: levi wood woke up from his coma

Jo: And?

Howie: How was he?

Justin: he has amnesia. he doesn't remember any one or any thing before he woke up. on the lighter side, everything else is fine

Nick: dear god, my best friends is..... -nick is shocked-

Kevin; Oh god....

AJ: whoa. man i want Joel dead now!

Joey; I can't believe it...That little squirt can't remember a thing?

Justin: nope. he's really lost

Becca; it's all my fault.

Justin:and also he gets these really bad migranes that last a couple hours or more. it hurts him really bad and you have to have no noise and no lights. he seemed a little better when lance held him but.....

Chris: maybe deep in his mind he rememebrs lance, thats why its is better

Howie: So basically all that's left to do is help him out and hope he gets his memory back.

Justin: yeah

jordyn; Pretty much.

becca; When's he going to be released.

Justin: that i do not know

Brian; damn this sucks. what are we gonna do with teh tour we canceld?we have to start it up again sometime

Jc; Well the guys here alreay talked it over. Nsync is going to take a short break and then continue on.

Nick; i guess wwe could try to get Levi to rememeber the songs or at elast re memorize thema dn the moes

Howie: I think we should do that to. We'll take a few months off and then start the tour up again. We can help Levi as much as possible during that time off.

AJ; at least we are getting a plan in action. we should go see levi tomorrow

Kevin; Yeah.

-the next day-

-lance is sitting next to the bed. he looks like he was crying-

Nurse: Hello Levi. You have some more visitors. Should I send them in?

Lance; Sure. The migrane seems to have gone.

Levi: um... okay

-the guys and Becca walk in-

-levi looks at lance-

-Jordyn following close behing-

Kevin; Hey Levi. How're you feeling?

CHris: hey dude. i'm chris. i'm one of the nsync boy band memebrrs

Lance; And that guy over there is Kevin.

Levi: okay i guess. are you guys all backstreet?

Kevin; yeah. I'm one of the backstreet. and so are these guys. -points to them-

Levi; who are them? -points at the others-

Jc: And I'm Jc. Nsyncer. And that guy there is Joey. You already met Chris and Justin.

Becca: I'm Rebecca.

Levi: and you guys are of nsync, including the irl

Becca; No. I'm just chris's girlfriend. I'm a writer.

-levi nods scratching his scalp-

Becca; Levi I'm so sorry. It's my falut Joel attacked you.

Jc: For the millionth time Becca it's not you falut.

Levi: why would it be her fault?

-Becca explains the whole thing-

Levi: yeah i got lost in the middle of that, after you said 'heres the thing joel is.....'

-becca explains it only in simpler terms-

Levi; still lost

Brain; don't try becca.

Becca: You'll figure it out.

-levi scratches his head again looking at lance-

Levi; why r your eyes red like that?

lance; I was up all night worried about you.

-levi nods-

-the doc enters-

Levi: why are you worried about me when they aren't? they didn't cry

Jordyn: We did. We just took sleeping pills.

Levi: hi doc

-levi waves at him-

Doc: Levi we're transferring you to another hospital closer to your home in orlando.

Levi: hoow am i getting there?

Doc: Heilicopter.

Levi: i get to fly! =levi smiles- weeeee!

Brian; that is definatly levi

Kevin; Yup.

Howie: Glad to see some of him is still there.

AJ: if he wasn't so lost he probably act more himselff

Doc: Probably.

-affter the transffering the guys are still on the road so levi is at teh hospital all alone-

-he had a 'attack' in the helicoper so it was pure hell-

-his parents come every day with photo albums trying to help him out-

-levi is still lost, liking the picture and questioning them, but still not rememebring. he knows now wht his childhood was like and how his siter became to be like she is now-

L-Mon: Levi. That nice boy Lance is coming over tomorrow to visit you. He's going to help you out with remeber ing.

Levi: he helped me out when i had my first migrane attack. he said something about being my boyfriend -levi forgot that he was out to them-

Dad; wait what?!

l-mom: Levi you don't mean. Please daer- turns to her husband- Try to remain calm. he's not himself!

Levi;booyfriend he -levi rememebes what he said- he also said i wasn't 'out of hte closet' to you gys

-levi's mom looks shocked and a little scared-

Dad: you are definatly not yourself. you are not gay okay? you like girls and only girl ou hear?

Levi: okay. your my dad so oi have to beleive you

mom: We should go now. We'll see you later Levi. -they leave-

inner levi

inner levi: why would that guy lnace tell em he was my boyfriend while i am straight?

-the next day-

Lance: How'e you feeling levi?

Levi: okay. don't remmeber anything though

-levi's dad comes in-

Lance; Hey sir. How are you?

Dad: you, i want you to stay away from my son while he is trying to regain his momeory

Lance: Why?

Lance: He told you didn't he.

Dad; your poisoning his mind, trying to make him beleive thigns which aren't true!

Levi; i'm straight, thats what my dad said

Lance; He came out to us long before he lost he memory! The only reason he's believeing you is because you're telling him because you hater gays! -stands up- You can't accept your own son! You sick excuse of a human being! -storms out-

Lance; He didn't want to come out to you because he knew you'd react this way!

-levi scratches his head-

Levi: so he isn't my boyfriend or he is?

Dad: he is not! you are straight you hear me?!

Levi: yes dad

-his dad leaves. a while later lance comes abck in-

Levi: my dad said you can't be in here!

lance; Levi you need to listen to me.

Levbi: why should i?! my dad says i am striaght and you say we are dating! i am so lost here who is telling the truth!

lance; Levi you told me your dad hates gays. He thinks you're acting like this because of your memory but you are gay believe me. You told me. You told your sister. You told all of us. You didn't want to tell the world though because you knew your dad would hate you for it. And now he's trying to keep us apart.

Lance; Your dad is lying. He dosen't know who you are and is trying to deny the truth.

Lance: I'm telling you the truth Levi. You are gay. You like men.

Levi: please, how can i trust you i don't even know you

Lance: You do you just don't remeber.

-levi whimpers, his ehad starting to pound again-

Lance: Another attack?

Levi: my head hurts. i don't want anoother migraine!

Lance; It's gonna be okay. Levi trust me it's gonna be okay. Just relax and close your eyes. -crawls into the bed with him and holds him-

-levi shoves lance away-

Lance; Are you going to just believe him blindly

Levi; get away from okay?! my dad said for you to stay away. he is my dad i have to trust him!

Levi; my mom agrees with him!

Levi: why is he - ooh god -everything starts to hurt extremely bad- i just want relief i want to know things

lance: HE'S LYING TO YOU! YOUR MOM IS LYING TO YOU! THEY CAN'T ACCEPT WHO YOU ARE! AND YOU'RE JUST BLINDLY FOLLOWING THEM!

-levi starts to cry-

Levi: i'm so confused i don't know what to believe any more, please i'm so -he gasps- god my head hurts too. let me die

Lance: YOU'RE ONLY BELIEVING THEM BECAUSE OF WHAT THEY TELL YOU! WHAT DOES YOUR HEAD TELL YOU TO BELIEVE!?

Lance: You are not going to die on me you hear me!

-levi sobs more at his yelling. a nurse comes in dragging lance out-

Lance: You need to believe me Levi!

-Lance gets kicked out of the hospital. Finally giving up and feeling like a total dickhead. But he's really pissed at Levi's dad and wants levi back. He drives home praying that things only get better from there-

-the nurse shuts off the light and gives levi some medication that is supposed to knock him out-

-the next day-

-levi doesn't want any visitors-

-and nobody wanted to come-

-except for Levi's parents but they didn't get to come-

-enter doctor-

Doc; I'll be out of here before you know it Levi. Don't worry.

Levi: okay -he was staring at the tv. apparently house was his favorite tv show. he was sort of liking it so far-

-the doc starts rummaging around and taking some tests-

Doc; So how are you feeling today?

Levi: like crap

Doc: What's on your mind?

Levi: several people are telling me what I am supposed to remember before the accident, and it's all different

Doc; Can I tell you a secret?

Levi: like I care go ahead

Doc; I suffered from amnesia when I was twenty five.

-Levi doesn't look away from the tv-

Levi: so what

Doc: I was in a similar situation like you. And it's a secret or at least it was because I didn't tell you. Anyway I tried hard to remember and people kept on telling me what to do.

Doc; But after a time I realized I just needed to do things on my own. I took a year long trip and eventually figured things out.

Levi: doc can you just leave and stop trying to tell ME what to do?

Doc; Alright. -leaves-

-Levi goes to sleep wanting out of the hospital, but also wanting to know who the hell he was and where the hell he came from-

Doc: -one he's gone- He needs to find things out for himself.

-the next day.-

Jordyn: So he still doesn't want visitors?

Doc; Fraid not.

Jordyn: Okay.

Nick; damn it. lance why did you have to snap like that?!

-he wasn't there. he didn't want to come back-

Jordyn: I wanted him to come but he said no.

CHris: nick levi can't help but want to trust the people who have physical evidence that they are his parents

Jordyn: I'm not trusting my parents anymore. They're hurting my brother and I want nothing to do with them.

Nick:c ome on we have physical evidfence he is a backstreet boy!

CHris: jordyn don't say that! they are your parents and they are confused about this too

Chris: we just need levi to rememebr everything then he can talk to his family about it

Jordyn; They're hurting Levi! They can't accept who he is and are useing his memory loss to thier advantage!

AJ: the best thing we can do now i teach levi how to be a backstreet boy

jordyn: He can't remeber though! We tell him all that's happened but everytime I look at him it's always that same blank and hurt look l

Howie; We can try though.

AJ: its hard. it is very hard. we need him to remember the song and dance of BSB at least, just ask him to do this one thing. i'm sure his parents will agree to that.

Jordyn: Fine.

Jordyn; But we can't tell him if he dosen't want visitors.

Brian: doc when is Levi allowed to leave the hospital?

Doc; Dunno. It's iffy. Probably in about a month. We'll need to put him onto some heavy migraine meds.

Howie: Okay. Just as long as we get them back.

-the docs pager goes off saying levi code blue-

Doc: Damn. EVERYONE HURRY!

-doc and some other people run off into Levi's room-

Brian: whats going on?!

Doc; Migrane.

-brian sighs and hits his head against a wall-

-hours later-

Doc: Okay. We've got him stableized.

-levi is staring at the ceiling-

Levi: i want my mom

-he is still in tears-

Nurse: Do you want me to call her?

Levi: please. i just want to talk to her

Nurse; Okay. -she leaves-

Jordyn; They're calling mom. We're leaving. -turns to go-

Joey: No Jordyn.

CHris: jordyn stay here. we can talk to her, she isn't like your dad is she?

Jordyn: No but she follows his every word like a puppy.

-soon ehr mom arrives-

CHris: Mrs. Wood!

Mom: Oh Jordyn. How are you sweetie. Is Levi okay?

Mom: Christopher. How are you?

CHris: levi wants to talk to you, but can we ask you to tell him something?

Mom; Of course.

Mom: But I need to get to Levi so if you could make it quick.

Nick: we just ask him to learn the bsb songs and dance moves once he gets out. we won't do anything else but that. we really need him to do this

Mom: We're thinking about keeping Levi home for a year or two actually. Actually my husband thinks it would be in Levi's best interest but I'll let him know.

CHris: um.... -he looks at bsb who look like they are fuming-

Nick: that is so fucking stupidn-he says it to himself-

Mom: Is something the matter?

-nick shakes his head sitting down, aj sitting next to him trying to alm him down-

CHris: go see levi

Mom: Well I'd better be going so I'll talk to you boys later. Jordyn be home from Justin's by nine okay? Bye now. -smiles and leaves-

-he sits with becca. jordyn is looking at her mom like she is nuts-

Jordyn: See what i mean. She obeys him without question.

-justin kisses jordyn's cheek-

Justin: we really can't do anything right now Jordyn face it

Jordyn: We'll never be able to do anything. Not when my dad is pulling the

strings.

-justin puts his arms around Jordyn's waist, putting his face into her neck. he is behind her-

Justin: i love you

Jordyn; I love you too.

-meanwhile-

Mom: Levi? How're you feeling sweetie?

Levi: mommy i am so lost. i don't know who to believe anymore. i can't trust anyone, even dad.

Mom: Levi...Your father....-she looks conflicted. As if she wants to say something but is scared to-

Levi: what is it? please mommy i know deep down i can trust you at least. please don't lie to me too -he whimpers, his head still slightly hurting-

Mom: Your father is lying to you about your sexuality.

Mom: Ever since you were little I knew you were different from other little boys. But your father hates gays. I don't know why.

-levi has tears in his eyes-

Levi: so i..... am gay?

mom:Levi you will always be my baby boy no matter what. your father might be angry and may even disown you but know that you will still always be welcome in my home. Your home. I want you to make your own decisions Levi. I only want you and your sister to be happy. And if for you that means loving another man then so be it.

Mom: Yes Levi. You are.

-levi nods slowly-

Mom: -hugs him- I'll always love you.

Levi: anything else?

Mom: That's it. Other than that nice boy you were with is really upset right now.I

just hope he doesn't hurt himself too badly.

Levi: I don't remember him. So he is my boyfriend?

Mom: From what I understand yes. From what your sister has told me you were together for at least a couple months right up until the accident.

-Levi scratches his head. It always starts with a scratchy scalp, then a bit of pain in his forehead, then more pain, then the migraine. Sometimes it happens far apart, sometimes close together-

Levi: Okay mommy.

Mom: Well I'll be going now.

-Levi hugs his mom tightly-

Levi; can you tell those people who I know are waiting outside that they can come in now? But one at a time, I don't want a headache again. They hurt really bad

Mom: -hugs him back- I love you baby boy. If you need anything don't hesitate to ask okay?

-Levi nods-

Mom: Alright. I'll let them know.

-she leaves and goes back out-

Mom: You can visit him. But one at a time okay?

Nick: how did it go?

Jordyn; Yes mom.

Nick; oh thank god. What changed his mind?

Mom: He's doing a little better. I'm going to have a talk with his father. As to what changed his mind I think he just heard the truth from someone he could trust.

-she goes-

Jordyn: So who goes first?

Nick: um..... I don't know

Chris: if lance was here i'd send him right in to talk to him

Jordyn: Nick why don't you go. lance isn't here and you were his closest friend. You should go.

-nick nods and heads in. a while later he comes back out-

Jordyn: So how did it go?

Becca; Any good come of it?

Nick; great! i talked to him about some things we did together in school and stuff and he tried ahrd to remember things. i think he really wants to listen to us now. what did his mom say to make him better?

Chris: well whatever she said he's letting us see hiom

Jordyn; Who wants to go next?

Joey: Um...Shouldn't you Jordyn?

Justin: go jordyn.

Jordyn: I don't know.

Becca: Do it.

-Jordyn sighs and goes into the room-

-justin kisses her cheek again whispering something into her ear that makes her smile-

Jordyn: Levi?

Jordyn: How are you?

Levi: hey sis

Jordyn: Just thought I'd give you an update on everyone. We just wanted to check in on you.

Levi: i know. where is..... uhg whats his name? -levi scratches his head- uhg sometimes my head hurts when i think too much

Jordyn: Lance.He's out. I think at one of the local bars.

Levi: oh

Jordyn: He's really hurting. He misses you.

Levi: oh.... um okay. so its my fault he's hurting? just because i can't remember him and all of you guys?!

-levi snaps out at her-

Jordyn: No! -she looks hurt her eyes wide. She's not used to Levi snapping at her-  
He blames himself.

Levi: yeah HE was the one who was yelling at me and crap

Jordyn: He was frustrated. He didn't know what to do.

Levi: yeah NO ONE knows what to do any more

-levi goes under the sheets-

-levi winces-

Jordyn: Should we?

Levi: god damn it not another one COME ON!

Jordyn: Oh god no. Levi.

-levi looks at jordyn-

Levi: no one can do anythiong i have to do this on my own! -then levi cries as his head becomes one big world of hurt-

Jordyn: Okay. -she nods- Good luck brother. -she sits and waits for him to ride it out-

-some time later-

-levi is lyign on the bed breathing hard holding tightly to his siter's hand-

Jordyn: Is it over?

Levi: most of it -he is panting-

Jordyn: It's going to be okay. Trust me.

Jordyn: Do you want me to get you some water?

Levi: i'd like juice. waters bland

Jordyn: What kind?

Jordyn; i can ask one of the nurses to bring it.

Levi: you know me more then i do

Jordyn: Cranberry sound good?

-levi nods-

-Jordyn nods and asks the nurse to bring some and in five minutes the nurse comes back up with a small glass-

Jordyn; Here. -hands it to him- Drink up.

Levi: thanks you -he drinks it up quickly, then burping-

Jordyn: There are so many things about you that just refuse to change. I guess that's a good sign. -grins-

-levi smiles then it falls-

Jordyn: I'll call you if anything exciteing happens. okay? i need to go now. who do you want to come in next?

-she squeezes his hand-

Levi: that guy..... -levi dozes off-

Jordyn: Okay. -she gets up and leaves-

Justin: you were in there a long time. is he okay?

Jordyn; He had another migrane. But I think in a way it's good that he's getting them. Maybe it's his meory fighting to come back. And one of us needs to pick up Lance.

Becca; Chris? He'll listen to you and Joey. You guys should do it.

Joey: Okay.

Chris: goody. car ride with Fatone

Joey: Come on crazy. -gets up and starts walking to his car-

-Chris follows-

-about an hour later they come back with lance. He looks a little buzzed but not totally drunk.-

Chris: just don't yell

Jordyn; Lets wait till he sobers up then we can send him in.

Lance; Fine.

-he walks into the room-

Lance: -whisper- Levi?

-levi moans-

Lance; if you want i'll leave. I just wanted to apologize for earlier. I shouldn't have yelled.

Levi: your buzzed

Lance; yeah. But not totally wasted.

-levi opens his eyes slowly eyes red-

Lance: Oh my god...Are you okay?

Levi: i've been crying. didn't i do that before?

Lance: Yeah.

lance; I was told you wanted to see me?

Levi: i said i wanted that guy and she knew i meant you

Lance: Is there something you want?

Levi: i just wanted you to stay with me for a while.

Lance: Okay. I can do that. -sits in a chair next to Levi-

-levi reaches out a hand grabbing lance's and lacing his fingers through his-

Lance: I was hoping you'd do that. Don't ask me why.

Levi; my mom..... i didn't want visitors and i wanted to se eher. she told me..... what you told me.,.... my dad lying and hating gays. she said she always knew i was different

Lance; Mother; instinct probably.

Levi: she looked scared

Lance: Well your dad is pretty scary when mad.

Lance; I just hope everything turns out alright.

-levi nods-

-they stay like that for several hours. Occasionally talking about stuff-

-time skip to one month later-

Jordyn: Well he's finally coming back. Mom and Dad are still argueing and i think mom finally got a spine implant.

Jc: Don't say that Jordyn.

Jordyn; But it's true. She's finally takeing a stand.

Justin: man you are like your brother

Jordyn: Nope. I just crawled out of my shell and smashed it to a million tiny pieces.

Becca; Glad to hear it.

Joey: So what time was levi supposed to get back?

Howie; I think some time around three.

AJ: nick went to get him

Lance; Lets just hope he handles all of this well.

Jordyn: Here he comes.

Becca; Right on time.

-nick and levi drive up to the house, parking and walking in-

Nick this is your house levi

Lance; Welsome back.

Jordyn; Hey there.

Becca; Nice to see you out of the hospital.

Levi: this is MY HOUSE?! its huge and i ahve a giant piano!

-levi goes over feeling it-

Howie: Yup. And the game room and theatre. Basically is a mansion.

Levi: A THEATER?!

Kevin; yeah. You spent alot of your spare time in there when you weren't writeing.

Howie: Come on we'll give you the grand tour.

Levi: what do i write?

AJ: both stories and music

Becca; I helped you with a novel you wrote one time.

-they show Levi around the house-

Levi: this is my room?!

Lance; Yup. There's at least six gest rooms.

-he tires to get oonto his very high and large black bed-

Levi: why -grunt- black?

Lance: You liked that color.

Levi: and why is it - grunt- so big?

Nick: you like that color

Howie; It was your first house and you were spoling yourself at the time.

Nick: you still kept spoiling yourself -points at the large flat screen-

Lance; This room concludes our tour. We hope you enjoyed and will continue to enjoy your stya here.

Levi: how do you get up onto this thats what i want to know

Kevin: I think there's a stool you stand up on somewhere.

-levi stands by the door, running and jumping up on his bed-

Nick: heh you always did that!

Howie; Yup. Always jumping around.

Becca: I should get going. Chris has some charity event going on and he wants me to be there. I'll see you guys later.

Jordyn; Bye Becca.

Joey: Later.

-Becca leaves-

Levi: bye

Lance; So now what?

Levi: i guess i jsut want to get use to this place. see if i can rememebr anything

Howie: It's worth a shot.

-levi jumps off the bed and wanders through his place. everyone leaves-

-as Becca is driveing home she can't help but get a bad feeling. Figureing it's because she didn't have breakfast that morning she goes to one of her favorite Japanese resturants. She orders a hot brown rice tea with her meal. As she reaches for it though the clay cup cracks-

-levi changes into sweats and checks out everything very closely-

Becca; I'm not superstitious but I think this is a bad omen. Ah who am I kidding. I am superstitious.

-meanwhile at Chris's place the door bell rings-

-chris goes to answer it scratching his butt and only wearing boxers-

CHris: becca isn't here so.....

-he answers it-

-the doorbell is ringing incessantly by this time-

Joel: Hello.

Chris: joel?

-hris steps back a bit-

Chris: hey dude

Joel: That's no way to speak to a guest.

CHris: um..... hello there.

-Joel is wearing a black trench coat and a black tshirt and black jeans. His dark hair is greasy and slicked back and he looks like he hasn't slept or shaved in weeks-

Chris: you want ot come in and have some coffee? you doon't look too good

Joel: Hello Chris. It's so good of you to let me in. Yes coffee does sound good. Glad to see you know how to treat guests. -he enters.-

-chris takes him intot eh kitchen watching him as he prepares the coffee-

Chris: so how do you like your coffee?

-Joel is watching him closely-

Joel: Black.

-chris nods and gives him some-

Chris: i take it black when i'm hungover

Joel; Thank you Chris.

Joel: I'm cold sober thank you very much. Though for the moment I think it would have made more sense for me to be drunk. Tell me. How does it feel being with her? The warpth of a woman's flesh must be exhilarating.

Chris: um... she really is great. womens flesh is nice to feel -chris looks into his coffee cup funny-

Joel: I can only imagine. It's been so long since i actually felt a woman. But then again you don't know what that feels like. You plan on making it permanent do you not?

Joel: It's only a simple question. No harm really.

Chris: some day i'm sure i want to become her husband and start a family with her

Joel: Oh really? Well this will be a real disappointment for you won't it. -gulps coffee-

Chris: you remember when you hit Levi on the head with a abt? why did you do that?

Joel: Oh that? I never ment to hurt him. In all actuality that was for you.

Chris: oh well that makes it all better. he got amnesia

Joel: What!?! -he stands up knocking the coffee mug to the ground- I can't believe this. No. Not Levi. I didn't want him hurt. Oh god Rebecca will hate me for this. She'll never forgive me. No. No. Nonononono. -Joel is slowly becoming hysterical-

-chris goes over and hugs him tightly-

Chris: he's gonna be fine. he is trying hard to remember everything

Joel: LET GO OF ME! -pushes Chris violently out of the way- THIS ENDS NOW!

Chris: joel i want to help you!

Joel: there's nothing you can do. -laughs manically- But wait. There is one thing you can do. -reaches into his trenchcoat and pulls out a revolver- You can die. I can't tell you how long i've wanted to do this. -again with the hysterical alughter-

-Joel has officially lost it-

Chris: please joel you don't want to do this -he is sweating- please, levi wants to help you i want to help you. joel calm down! you kill me becca will come and end up killign you! trust me i know how bad she gets when mad.....

Joel: No. I'll make it look liek a suicide. I've got your note all read yso you don't need to write it. Now. Goodnight. -fires. the first bullet hits Chris in the shoulder and the other one near the chest. None of them hit his organs and aren't really insta kill but he's bleeding heavily. Joel drops the gun and picks up the broken pieces of coffee mug. then he places the note in Chris's hand -

-Joel then helps himself to a soda out of the fridge and then leaving the can on the counter calmly walks out-

-half an hour later Becca arrives home

-chris is plae and gasping-

Becca; CHRIS! NO! -she runs over to him- Baby what happend? Tell me.

Chris: becca? 911..... quick

Becca: Yes. -she goes over and shakily calls 911. She's crying the whole time and by the time the ambulance and poliece arrive she's soaked in blood-

-chris is unconcious-

-Becca finds the note on the floor as they're getting Chris on the gurney-

Becca; Suicide? No....It can't be...He'd never do this.

Officer: Ma'm we think that someone made an attempt on your boyfriends life.

-meanwhile-

-a man in a alot of black is stadning there-

Levi: hello sir. may i ask who you are?

Joel: So he was right. You really don't remeber. Levi I'm so sorry. -he falls to the ground at Levi's feet. there's blood still on his hands- I never ment for you to be

hurt. Not like this. Never like this. it's all falling apart.

Levi: sir you have blood on your hands. let me help you -takes jeol into the kitchen cleaning him off-

Joel: I did it Levi. -he's half crying half grinning- I get rid of him. She's all mine now.

Levi: i don't understand. who are you?

Joel: That's right. I knocked your memories out when I hit you in the noggin. Sorry again. Joel. Joel Taylor. Chris -shudder- I can't tell you how much the very sound of that name sickens me, he's finally out of the picture. More room for me at last.

Levi: i don't understand. you were the guy i was trying to help but you hurt me?

Levi: someone told me i was hit in the head by someone i was trying to help

Joel: That's right. You wanted to help me. That's it. Now I do recall you offering to help me. Well that won't be necessary. I'll finally have her.

Levi: have who?

Levi: what about Chris? i'm really lost i think i remember a Chris. he's an NSYNC guy and my friend

Joel; Rebecca. Now that Chris is dead. Well even if the shots didn't kill him he's probably died of blood loss.

Levi: wait why would you kill him? you killed Chris, an NSYNC member?

Joel: I can't tell you how good it feels. I saved her you know. I got him away from her. she wouldn't realize that he's not good for her so I had to get her away from him. So I killed him. Now i can show her that I'm really what she needs.

Levi: Chris was bad to her? they were dating?

Joel: i would have thought that humiliation via that tape would have done the trick. But no. They stayed together -again with the rambling- She loved him. No he never laid a finger on her. Which surprised me. If he had ever raised his hand to her i would have killed him sooner.

Levi; so he didn't hurt her, but you killed her?

Joel: yes. He's not good for her don't you see?

-levi scratches his head-

Levi: i really deon't see but i'll take your word for it.

Levi: so Chris is dead?

Joel: He was going to take er away from me forever. I couldn't allow that.

Joel: if not when i left then he'll be dead soon. If he's still alive he's gonna needs serious medical help. i hope no one ever finds him. And if they do they

Joel: Well they'll think it was suicide.

-levi grabs his cup of watter wincing-

joel: You alright? You winced.

Levi: my head..... god it hurts. the lgiht..... ow..... god the noise uhg -the tv was on in the kitchen-

Levi: migrane. god i get them from the injury. ahhhhhhhhhg!

Joel: Oh man....-runs and turns off the tv- levi I can't tell you how sorry I am.

Levi: just help me to a room. or soemthing.... no noise no light

Joel: Right. -helps Levi into one of the guest room and sits him down on the bed-

-levi falls down begining to cry-

Joel: Is there anything else you want?

Levi: medication.... bathroom somewhere.. god please it hurts -levi grabs at the sheets-

-Joel nods and grabs it from the medicine abinet along with a glass of water- Joel: Here.

-levi stands up struggling to take the pill. joel helps him drink the water and holds onto levi's hand as levi tries to make it through-

-a couple hours later-

Levi: i'm better. almost

Joel: Listen. I need to go find Becca now. I really hope you get better levi. And I really am sorry for hitting you.

Levi: thank you joel. your a good friend ya know?

Levi: here can i go with you? i need some fresh air after this

-Joel is about to get up but freezes in his tracks. He starts shakeing and falls to the ground sobbing-

Levi: god joel are you okay?!

Joel: F-f-friend?

Levi: ye friend. we were friends before?

Joel: Nobody ever called me that.

Joel: You wanted to be friends...You wanted to help me. Oh dear god what have I done!? -he looks at his hands- So much blood. i'm gonna go to hell aren't I?

Levi: joel come here -levi goes over hugging him- god forgives

Joel: I killed a human being. So much blood. So much blood. He didn't scream. He just fell to the ground. The gun's still there. I need to end this all. Rebecca will never forgive me.

Levi: joel calm down okay breath

Joel: Turn me in Levi. Please i'm begging you turn me in. I can't be a free man. so much guilt. It's weighing on me. Crushing. -he slowly takes deep breths and though he's stil shakeing and had tears running down his face he's considerably calmer-

Levi: come on i don't know what i am supose to do. lets just go watch a movie

Joel: No. -stands up- I have to leave now. Thank you Levi. I'll try to come back later but I need to take care of some things first.

-Joel leaves-

Levi: let me go with you please

-levi goes after him putting on flip flops and a shirt-

Joel: Alright. Lets check the hospital first. I need to wash the blood off my hands-

-levi nods and drives joel there-

-meanwhile-

Joey; Becca calm down. He's going to be okay.

-He's sitting next to becca who's sobbing uncontrollably-

Justin: -chokes a sob-

Jordyn: He can't die. He just can't. His nickname is Lucky right?

Justin: eyah iot hink -justin begins to cry-

Becca: Yeah. -sob- I just can't believe someone would want to do that.

Joey: Did you call the others?

Justin: yeah but levi didn't answer

Becca: I don't know where Jc and Lance are. I think they went to this meeting. thier cellphones were turned off and when i called Levi he didn't answer. As for the other bactstreets...

Justin: he's probably still there. just couldn't find it

-Becca breaks down again-

Inner Joey: It dosen't help that the doctors haven't given us any updates in the last hour. When i came in they had just gottne him into surgery.

Becca: I know he didn't do this to himself. That note is fake.

-just then levi comes in with joel-

Levi: they are right there

-becca looks up and her face goes from miserable to angry-

Joel: Becca..

Becca; YOU! -stands up suddenly- YOU DID THIS DIDN'T YOU!?! -punches him hard in the face-

Levi: WHY DID YOU DO THAT?!

Joel: rebecca -falls to the ground his nose bleeding severly- Becca I know you probably never want to see me again. And i had that coming. But i came here to apologise. and ask for your forgiveness.

-levi helps joel stand up-

Becca; i wish I could Joel. But at this point it's just to little too late. Now the man I love is dying and you're the one who has blood on his hands. Just leave me alone.

Levi: you okay levi?

Levi: its going to take time right? you'll forgive him right becca?

Joel: I'm fine. -wipes his nose- Becca. I know you're angry. And I kinda figured you wouldn't forgive me. But just know that I truly am sorry. I'm gonna turn myself in now. And thank you for being my frined back in the day.

Levi: joel i really don't understand why you are turning yourself in. can't it be an accident? ask chris for forgivness?

Becca; Levi....It's been a long road for me. You've only seen a tiny piece of the hell i've been through. Maybe I'll forgive him. But at this point it's too soon to tell.

Levi: joel don't go yet okay? i know chris will make it he will come out alive and you can talk to him

Joel: no. I can't do that. I pulled the trigger with an intent to kill. I need to be taken off the streets.

Levi; talk to chris joel please talk to him!

Joey; that all depends on whether Chris get out of that operateing room with his life.

Jordyn; We haen't gotten any updates.

Levi:w hat about that doctor coming over here now?

-Becca turns around seeing the Doc come over to them-

Becca: Is there any news? Is he going to be okay?

Doc: he's gonna make it

Becca; Thank you. Oh thank you. -breaks down crying again-

Doc: if you wish to see him he is asleep

Joey: Well whatdya know. Stubborn son of a bitch isn't he?

Levi: stubborn so of a bitch..... thats interesting

Becca: You have no idea Joey. And yes. I want to see him. -goes into the room where they're just now finishing setting up an IV on him-

-levi follows holding onto joel's hand who is squeezingf really hard-

Joel: He won't forgive me. Neither of them will.

Joey; Dude those two are the least of your problems.

Levi: yes they will

-Joey is still pissed at Joel-

Levi: joel you need help, like doctor help you know for your mind? your not evil i can tell

Joel: Hang on a bit. -turns to doc- is there an atm anywhere here?

Doc: outside yes

Levi: what are you going to do?

Joel: Okay. I want to pay them what i owe. I'm gonna probably spend alot of time off the streets so it's not liek I'm gonna need the money. Besides. I can mooch off my parents if i ever get put out on the streets. -goes outside and comes out with a huge wad of hundereds-

Joey; Holy crap.

Jordyn: Justin you're better at math than me. How much is that?

Levi: wow

Justin: a shit load

Joel: This only a little of it.

Levi: your rich. why didn't you ever put this to good use?

Levi: or did you?

Joel: i did. Cameras. and lots of them. I made alot of films all throughout my life. i never released any of them out.

Joel; What can i say? I love things that are beautiful and i want them as my own. So I make films of them and take pictures.

Jordyn; Guys...Chris is awake now.

CHirs: joel.....?

Joel: yeah...

-Becca is sleeping her head resting on Chris's chest-

CHris: oh becca.... -pets her head-

Joel: I'm sorry. Sorry for all I've done to you guys.

Leevi: joel go on talk to him

-Joel hands Chirs the money-

Joel: Part of my life's saveings. I'll send you the rest later this week.

CHris: joel i refuse to take this moeny -hands it back-

Chris: if you want to apologise, i want you to go get yourself some help

Joel: Please. It's not like I'm going to need it. Anyways. I came here to ask forgiveness. And can you promise me this one thing? If and when you marry Becca...Can you send me some pictures? If you don't I'll understand but well....

CHris: i would love it if you were at the wedding as a friend. you oviously good friends with levi right now

Joel: Friend...It feels good to hear that word again. I don't know if I'll be there but I'll try okay.

Levi: i'm happy that i'm your friend

inner chris: man joel was always a great guy. levi likes him

Joel: I'd better go now. your other friends will be arriveing and I don't think they'll want to see me. I think they're still mad at me for giving Levi amnesia.

Chris: what did he do levi to make you so nice to him?

Joel: He....He told me what I needed to hear.

Levi: he helped me through an attack. he is my friend right?

Joel: Well...If you want us to be.

Levi: i want to be friends

Joel: Okay then. friend. Can you drive me to the police station? I want to turn myself in. Don't worry. I'll probably be sent to a mental institution.

Levi: okay. i'll take you

-levi takes him there-

Joel: Later.

Levi: your going to get hte right help. this is ffor the best okay? we will be friends.

-Joel leaves the money on the table-

Joel: I want to get better. I don't want to be that horrible person.

Levi: i know this saying... what is that saying?! uhg...

Joel: Don't sweat it.

-and hour later everyone else arrives at the hospital. They're not letting anymore people in to visit but Becca tells them what happened.-

howie: So he turned himself in?

Becca: From what Chris told me.

Kevin; Wow.

Jordyn; He seemed okay when we met him. But he really needs help.

Chris: levi and him are good friendfs

Jc; Even with the fact that Joel was the one who bashed Levi on the head?

CHris: he said joel was htere during an attack. if levi didn't call hima friend.....

well who knows what would ahve happened

Lance; Levi's just like that.

Jordyn: I think he might still be wandering around.

-levi comes into the room-

Lance; Hey Levi.

Levi: hi..... lance? lance yes alnce

Lance; yeah. that's me.

Levi: i'm learning names. the doc said i would ahve a ahrd time rememebring things. shor tterm emroy

Howie: the point is that you're makeing progress. that's better than nothing.

Levi: yeah i guess

Jordyn: So how's Joel doing?

-levi goes over standing behind jc-

Levi: the police were really surprised and had me take him to a mental hospital immediatly. they excorted me and we got him settled. he told me he would write

Jordyn: okay.

joey; We should probably get going. All of us. We're in the way of the doctors.

-chris moans rubbing her back-

Chris: you feel so good. i thought i'd never feel this

-Becca starts riding him fast and hard panting-

Becca; it's been too damn long.

-chris moans bucking up and grabbing at her oobs-

-Becca speed up and a few minutes later has to bite down to keep from screaming as she climaxes-

-chris moans lowly and cums-

Becca; I'm gonna have to take a plan b pill. -gets off him and quickly dresses- Well that was sneakier than our first time. Remeber?

CHris: totally. hurry with the pill b i'm not ready to be a daddy

Becca; Got it. -reaches around in her purse and swallows the little pill dry-

Becca; What was it exactly that you and Joel talked about when I was asleep?

Becca: I noticed he left a wad of cash there on the table when i woke up.

Chris: just..... he gave me some money i didn't want. and he was saying he wants pictures at our wedding and wants me to send pictures if he can't make it.

Becca; He shouldn't hold his breath on that. I don't think that's gonna happen fora while.

Becca: -while re-opening the curtains- Is there anything you want me to get you?

Chris: um.....

Becca; What is it? -looks at him-

-he pushes a small box acorss hte table and looks at becca-

-and naked-

lance: Meh. Me too. Lets just stay here for a while. man last night was fun.

Levi: i don't remember it

Lance; Me neither. That's how I know it was fun.

-the phone rings in Joey's house where nearly everyone is-

joey: Ugggh. -partially gets up. He got up an hour ago but is really hung over- I'll get it.

Levi: lance show me what sex is like with you?

Lance; Okay. As soon as the evil ringing stops.

Joey: -answers phone- Hello?

Levi: i don't know -levi has lance pinned tot eh bed and is rubbing his cock licking his neck- just fuck me already i want to know what its like

Lance; Okay. Face to face or doggy style?

Levi: what do i like most?

Lance: We never went that far I don't think. And i don't remeber what position we were in last night.

Levi: we might have never did it last night. i see a garbage can and i don't see anything

Lance; Okay. Lets do face to face. I've heard it's easier,

-levi nods and kisses lance falling next to him-

-lance gets out a condom and some lube from the drawer next to him- Lance: damn joey thinks of everything.

-levi smiles-

-slipping on the condom Lance gets on top of Levi and lubes up his fingers before slipping one then two in-

-levi gasps-

Lance: You okay? I'll go as slow as you want.

Levi: it feels good

Lance: Okay. -he gets into position and takeing his fingers out he slowly begins to push in-

-levi groans-

-lance smiles a bit and pushes farther in till he's all the way-

Levi: dear god yes

Lance: Okay. -smiles and kisses levi before starting to move and thrust.-

-levi grabs lance's back dropping his head back-

-levi grunts and gasps-

Levi: fuck yes

-Lance speeds up being careful not to go to fast-

lance: you feel so good Levi.

-levi moans-

Levi: fuck i love tis alot

Lance; Me too. best I've had in god knows how long.

-a few minutes later Lance is panting and close-

-olevi gasps and cums again-

-Lance pulls out and throws the condom away before falling down next to Levi kissing him again-

Lance: So how was it?

Levi: shit

lance: Good to know.

Levi: that was great -levi rolls over kissing lnace-

-Lance hugs Levi like a teddy bear before falling back to sleep-

-levi falls back asleep-

-the next day after everyone has recovered from thier hangovers ad gone home they aere all waiting for Chris to be released from the hospital-

CHris: i am glad to be back -he walks out holding onto becca's hand-

Joey: ooh shiney. -is looking at the ring-

Jordyn: What that? -is looking at Justin-

Levi: holy crap how much did that damn thing cost?! if i was a chick i'd hate having a ring like that

JUstin: its n engagment ring. chris asked becca to marry him

Becca: you'd be supriised how much wemon like haveing giant spakley rocks on thier hand.

Joey; Nice to see you finally mannd up Chris.

CHris: it cost alot but i have the money

Jordyn: Oh....

Levi: i'd probably be a tomboy if i was a girl

Jordyn: Like me!

Joey: Yes. Like our faveorite little tomboy.

jc: So how did your mom handle the news Chris?

Chris: she cried, saying her baby boys is going to hae his own family

Chris: she's glad and wants to help with the wedding. its gonna be huge right becca because our parents will pair together to do it

Becca: god I hope not. You know how my mom is.

Jordyn: No...How is Becca's mom?

Joey: She's nice but kinda weird.

Becca; Enough of this talk. Lets just get back to the house. And remeber Chris the docs said no strenuous activity for at least a month until you've fully recovered.

Chris: as long as becca enjoys the wedding its jsut one of those thigs a man has to suffer through

Chris: okay

-Becca and Chris head back to thier place and evryone else disperses to thier own residences-

-Lance and levi hung out at Levi's place

Chris: i love you becca

Becca; I love you too Chris.

Lance; Lets scam before they get it on right here.

Levi: yes let -levi gets back into his car-

Joey: right behind you.

Jordyn; What does Levi mean?

Justin: huh?

Jordyn: Lance I mean. What did he mean when he said 'get it on right here'

JUstin: before becca dn chris had sex

Jordyn: They'd do that right there in front of all those people?

Justin: its just a ffigure of speech. just joking

-they were at justin's house-

Jordyn: Oh...they're not shy at all about thier personal lives are they.

Justin: not really no -justin puts his arm aroound jordyn turning on the tv- are you okay?

Jordyn: I don't know. is it normal to be thinking about sex alot? i've never really given it much thought but lately i've been thinking about it alot.

Justin; well..... if you are in a healthy relationship and you love each other, sex is a natural thing

Jordyn: Oh okay. You've been thinking about it alot too. i can tell.

Justin: sort of. -he kisses her cheek- what do you want to do now?

Jordyn: Lets do it. You want to and I think I do to. We;ve been 'going out' in a sense for a while. I think it's okay.

Justin: um..... okay.inner justin: i don't want to hurt her

Jordyn: You don;t want to?

Justin: i do

Jordyn: okay. -pulls off shirt and bra-

-justin leans over kissing her and slowly pushing her down to the couch-

-Jordyn wiggles out of her jeans and tries to move her underware off while working on unzipping Justin's jeans-

Justin: slow down jordyn we have a long time to do this ya know

Jordyn: Um.. Okay. Do you have a condom with you? Mom said she'd put me on the pill if i asked but I haven't yet.

inner justin: she is going really fast i don't think we should. man she has changed me alot

-Jordyn look up at him- Jordyn: What's wrong? Something's on your mind I can tell.

JUstin: jordyn i..... i love you and i don't think we should. sex isn't just something you do and look forward to in a relationship. i was actually raised by my mom to not just rush into these thigns deptsite hte fact i've been in too many relationships and rushed things

-justin grabs jordyn's clothes giing them back to her-

Justin: i care about you and i don't think you really ready for this. you are going really fast here

Jordyn: oh. Okay. -dresses- What makes you think I'm not ready? Just curious.

Justin; well for one thing you really rushed and jumped into it. every other girl i've been with didn't do that. and also just because of you past

Jordyn: I'm not like everyother girl. And my atacks have gotten better. I don't have them nearly as often as i used to.

Justin: i don't want to do it yet. it fdoesn't mean i don't love you any less, it probably means i love you alot more. i think you made me alot better of a guy

Jordyn; But if you don't want to that's okay. And i'm glad I could help you. If you not wanting to means you love me then that's alright. -kisses him and goes upstairs to the guest rooms she's been staying in-

-justin follows her and lies down in bed with her-

Justin: you can be in my room ya know

jordyn: Okay.

-jordyn holds onto Justin not letting go for a good hour and a half-

-meanwhile-

Lance; So are you gonna call Joel and tell him or wait till the wedding happens?

Chris: i'll send him a letter

Lance: Levi calls him every other day to check in.

Levi: i can tell him

Lance: How's he doing anyways?

Chris: thanks man. you've became really good friends with him and you don't even remember all the bad thigns he has done

Levi: he's doing good, but talks about becca ALOT but not in like 'i'm coming for ya' but more like 'o'm really sorry becca i don't deserve to live'

Lance; after seeing him I think he's an okay guy but he's got some emotional problems. Didn't the doctors there diagnose him with scizophrenia and biploar disorder and possible multiple personalities?

Levi: i don't know he just says they are treating him for this thing. he doesn't really understand oit

-levi scratches his head smiling-

Levi: i'm glad he's okay

Lance; Same here. He's in a good hospital so he should be fine.

Levi: i'm gonna head home guys. i need to get some bsb songs in my head

lance; Okay. I need to get back to my place too. I'll see you tomorrow Chris. I'll save you from your mom and soon to be mother in law?

-Lance grabs his coat and heads for the door-

Chris: see ya lance. se eya levi

-they wave and drive off-

-in levi's car he scratch his head some more and heads on home. he lives out along the beach so he goes down sort of a baren road. he doesn't know why he wanted to get a place out there. he begins to get a headache but he doesn't think a migriane will show up. then it does show upa dn the light blinds him and the car noise hurts him so much he lets go of the wheel and drives down into a ditch. -

-he hits his head on the wheela nd unbuckles falling down into teh seat covering his ears and shoving hios face intot eh passenger seat crying in pain not only from the heac ache but from when he hit his head. he lies there in the car in seere pain and doesn't know his head it slightly bleeding. from teh paina d the blood levi ends up going unconcious, his worse migriane yet-

-Lance tries to call Levi but he dosen't pick up. The same goes for bsb guys-

Lance; This isn't like Levi at all.

Nick: i'm gonna head over to levi's place, help him with the music stuff

Brian: mkay. he's probably asleep or something

Howie: Yeah.

-nick gets in his car driving out-

Nick: levi loves being out away from civilization so much

Nick: it fun jus to get HOLY SHIT!

-nick pounds on the brakes and scrmbles out of his car-

Nick: oh dear levi are you there?!

-he jumps intot eh ditch seeing levi lying in teh front seat some blood on his forehead-

-again with the cellphone-

Levi: i am back? i'm back, i remember. i was driving and i got migraine, and i got into the ditch and the light blinded me and the noise... god it hurt so much

Nick: you must have hit your head. it probably was a mix of the pain and another concussion or something. we should probably take you to the doc and make sure you're okay

Levi: m'kay. man i feel bad for lance. i just want to see him again.

Nick: you will. here let me get my cell -nick pulls it out-

-again with the ringing-

Nick; man they've been calling a lot. that's what i get for putting it on silent

-nick answers it-

Nick: sorry it was on silent

Joel: Nick I'm so sorry but I didn't know who else to call. Levi hasn't called yet and i'm worried. please tell me is he okay?

Nick: yes he is okay. he got into a car accident, actually drove himself into a ditch -levi smacks nick's head- long story short from the migraine he was having and the hit on his head he got his memory back

Joel: Thank god. Listen i need to make this quick since the docs want me to take my meds now but can you tell him I'm sorry?

Nick: here talk to him

Levi: see i probably couold do a back flip

Nick: do that you gonna be glad your in a hospital

Doc: Yes. You might want to take it easy for a couple days. Maybe even a week or two.

Levi: hey can i talk to you jordyn privately?

Jordyn: Yeah.

Joey; We'll all head back to the house.

-the others all head over there leaving Jordyn and levi alone-

Levi: so.... how are you and justin doing?

Jordyn; Okay I guess. He thinks we should wait longer but I guess I can wait.

Levi: wait you want to have sex with him but he isn't ready?

Jordyn; He is but says I'm not.

Levi: i believe it

Jordyn; Why? Why am I not ready? I want to do it. I'm not scared.

Levi: jordyn i don't think you fully understand relationships. trust me it took me

a while to really understand what loves actually is

Jordyn: How can i learn though? It's not like i can just go to the library and learn.

Jordyn; I can wait. It's not easy but I can.

Levi; talk with justin a bit more. explain your feelings to him. have you tried to have sex?

Jordyn; We tried. But he stopped. He said I was rushing.

Levi: how naked did you get?

Jordyn: i was just wearing my underwear and I was trying to get Justin's jeans off. he was still dressed.

Levi: um.... yeah you rushed it

Jordyn; Oh. Okay.

Levi: let me guess in your head you were saying 'i want this now i want this NOW'?

Jordyn; Yeah.

Jordyn; What's wrong with that?

Levi: probably in justin's head he was thinking 'i want this to be special for her and i don't want to hurt her'. you've never been in a relationship before and you haven't had sex either. justin is your first

Jordyn: I know that. Isn't the first time supposed to hurt a little though?

Levi; he wants what is best for you and you just stripping in front of him makes him think you aren't fully ready for this like he is

Levi: yes but everything else should be great. want to just get naked and have him take your virginity with you thinking 'just let this end'

Jordyn: When will I be fully ready?

Levi: i don't know when you aren't stripping naked in front of him

jordyn; Alright. I'll wait.

Levi; how do you feel for justin?

Jordyn: I really like him. Like really really REALLY like him.

Jordyn: Is that right?

jordyn: I want to do better but it's hard.

jordyn; so i should talk to him more? what else?

Levi: talk to him is all i can tell you, tell him how much you want this and stuff.  
maybe think about your relationship with justin

Jordyn: Okay. I'll consider it carefully.

-levi kisses her hceek hugging her-

Jordyn: I think the others are waiting.

-She hugs him and then starts back down the path-

-levi smiles and follows her-

Jc: Hey man. We just ordered Pizza.

Levi: if i tried.....

-they show off the scene where lance is giving the tour in the african house and chris is in the shower-

Justin: i had to live with them.

Nick; justin you shoved your face to a window and blew out your cheeks. your worse then them

Lance; I think becca was filming this. Or was she back in the states at the time?

Justin: i think ehr and joey switched off

Lance: that's right. She refused to show her face on camera. this film would've been alot longer olnly she refused to have any clips of her in the thing.

Levi: isn't that something

Lance; a total of six time.

Brian: well ti is the reel NSYNC not the Reel nsync plus girlfriend

Lance: yeah. that was what she told us.

Levi: i would have loved to fucked you on that bed. you look so suductive lying there and stuff

Lanc: Don't I though?

Levi; yes you do

-levi moans bucking his hip a bit against the couch. he was on his stomach and facing the tv-

-lance has to hold back a moan again. He ruffles Levi's hair playfully-

Nick: keep it together levi, for all of us

-they keep watching and bsb makes ffun of nsync-

Lance: Oh i remebered this scene. Jc got so pissed at us.

Levi: heh heh you are such dorks.

Brian; we did that to kefin

Lance; oh yeah this is the one where Joey was jumping on his bed. Chris was calling Becca and his mom at the time. i think Becca was sick and couldn't go. His mom was checking in.

Nick: levi is high

Kevin; Lets go leave those two alone shall we?

Howie: Yes. Come on Nick.

-the rest of bsb leaves-

-levi giggles-

lance; Keep it up.

-levi licks lance's stomach dipping his tongue into his belly button-

Lance; That's good.

-levi pins lance tot eh couch pushing off his shirt-

Lance; That's even better. -pulls levi's shirt off.-

-off lance's shirt not levi's-

-levi bucks his hips against lance's-

Lance; So how far you wanna go tonight?
