Lance; Pretty flames. -leans in-

Lance; what was that for?

Jordyn: well you risked it in the first palce

Justin; She's a good egg.

Justin: You're lucky to have her as a sister.

Jordyn: you'll live

Chris: yeah justin -pats his back- lets go shoot some hoops for a while

Justin: Sure. -smiles- Lets go.

-they head into the back yard-

-jordyn slowly drinks her coffee-

inner Justin: Damn he's HOT!

Lance; What's up with curly?

Lance; Do you think there's any place that'll hire us?

Jc; I'm not worried about that.

Jc; Besides it's a small town. We'll probably find a niche here.

Jordyn: i like small towns

Jc: Yeah. Nice and cozy and you actually can follow local news.

Lance; Except for the nosy old ladies.

Jordyn: shut up city boy

-Lance sticks his tongue out-

-jordyn splashes hot coffee on it-

Jordyn: sucker

Lance: YEOW!

Becca; Jordyn!

Jordyn: i didn't do it

Lance; YESH OO ID!-translation: Yes you did!-

Chris: my master was my mom

Justin: Really? I figured that your mom could do alot but basket ball?

Chris: yep -shoots and basket-

Justin: Okay. -grins.- Hey Joe help out here!

-joey runs on and helps-

-after a while jordyn and lance's voices rise up inside the house. jc scurries out like a bomb is about to go off and joins them. becca soon comes running out and pretends to play cheerleader. their voices get louder-

Chris: dude what the hell is going on?!

Joey: jc?

Jc; Jordyn was teaseing Lance again. Lance didn't take to kindly to it and they started yelling at eachother.

CHris: is jordyn always starting these thigns?

Joey: half her half him

Chris: they have whatyou american's call the hots for each other

Becca: They've been trying to kill eachother since middle school. If they

were crushing on each other it wouldn't surprise me.

Joey: what do you guys call it here?

Chris: um... i don't know i always said hots for each other

Becca: I think it's pretty universal.

-joey rolls his eyes stealing the ball from chris and dunking the ball-

Justin: WOOT!

-a very loud crash is heard inside the house then chris's mother screaming
my vase-

Jordyn: HE DID IT!

Lance; NO IT WAS YOU!

Jordyn: YOU!

Bev: BOTH OF YOU OUT! -Jordyn and Lance are booted out of the house-

Becca: They have angered momma bear.

Jordyn: ass hole -shoves lance against the wall-

Lance; DON'T DUMP COFFEE ON ME!

Becca: BOTH OF YOU STOP!

-jordyn rolls her eyes and kicks the basket ball at lance. he kicks it and it flies into a tree-

Chris: damn it!

-he tried to aim at Jordyn but she ducked-

Justin: I'll get it.

Becca: Chris lets go.

Chris: yeah -heads inside to change-

Inner Justin: So much for getting closer to him.

Jordyn: justin leave the ball lets head for the school!

Justin: ...Okay.

-Lance storms off and heads into town-

Jc: Why can't those two get along? -is talking to Joey-

Joey: beatsthe heck out of me -is trying to boost jc into the tree to get the

ball- crap how much to you weigh?!

-justin and jordyn leave-

Jc: Not much. Hey have you noticed how weird Justin has been acting lately?

Joey: yeah i have

Jc: I hope he gets to feeling better before the wedding.

Joey: crap your the twig of us all but jordyn weighs less then you. then a gian she si only 5'5 -jc gets the balls tumbles and they both hit the ground-
-joey face planted into the dirt-

Lance: Meh. She's such a bitch.

-joey never went with them cause jc made him do a facepalnt into the dirt-

Joey: lance you need to chill.

Lance; Yeah right. Ever since sixth grade she's been a total bitch for me!
too me!

Joey: yeah but before that you guys were fine

Joey: she was there for you when no one else was

Joey: if she was a bitch since sixth grade why are you guys still 'friends'?

Lance; I wish I knew. If I so much as speak to her she flips me off.

Joey: not really. you push her alot too

Lance; God. This has all been insane. Ever since Becca started dateing things have taken a turn for the worst!

Joey: thats for sure

Joey: lance can i ask you a question? be hoset about it too

Lance; Fine fine.

Joey: have you ever thought jordyn was cute?

Lance;yeah.

Joey: when?

Lance: For a damn long time.

Lance: Since fourth grade.

Joey: why not show it

Lance: I'm a pussy.

Joey: damn striaght

Lance; I gotta go job hunting.

Joey: yeah me too. hey um one for question?

Lance: Fire away.

Joey: what would you do, since you ovisouly are in love with Jordyn, if she got engaged to soemone you barly knew but she felt he was perfect for her?

Lance: I'd be jelous. But...I think I'd try to smile and be happy for her. And be there when she needed me.

Joey: yeah i'm screwed then. try not to get into my situation bass okay?

Lance; Eh?

Joey: take Jordyn now before you loose her completely

Lance; Joey....Are You? Nah. Couldn't be. Later. I gotta find a job. -leaves-

Joey: come on lets go find jobs -heads out to the car-

-a few hours pass and chris and becca get back. jordyn and lance yet again were bitching each other out, joey videotaping the whole thing with justin, and becca takes jordyn for a long walk-

Jordyn: i hate his guts!

Becca: No you don't. YOu guys just haven't been able to have a civilized conversation since middle school. What exactly happened between you two? You guys used to be best friends.

Jordyn: he decided to hate me. that summer remember when i left for that vacation with my dad?

Becca: Yeah?

Jordyn: told lance to send me emaisl and stuff and i would back. i sent im email after email and he enver replied. once i got back asked him why he didn't and he said he didn't give a fuck about what he didn't do. and he had a wonderful sumemr with his little girlfriend. we hate each other. then
end

Inner Becca: Ahh. Jelous exes.

Becca; Just try and not kill each other on the wedding okay?

Jordyn: i'll be sure to do that before then

Becca: Okay then. Hey have you noticed that joey and justin have been acting like weirdos lately?

Jordyn: not really lance's bitching has put my mind on other things

-jordyn kept rubbing ehr neck, a sign of stress-

Jordyn: not only that but school starting

Becca; Try to relax a bit for a while. You need it.

Jordyn: uh-huh

Jordyn: so how are hte wedding plans?

Becca: They're doing well. Thank god chris and I hadled the majority of the plans before we got here.

Jordyn: thats good

Jordyn: where are you gonna honeymoon?

Becca: His mom knows this remote location a few miles away. -grins- It's gonna be a blast.

Jordyn: have ya done the wild thing yet? -grins-

Becca: Not yet. His mom has been watching us like a hawk. and she's recruited the entire town.

Jordyn: i'm sorry. i remember my mom being extra cautious with me. remember one time chris told me to climb the tree int he backyard or else. i did and my mom had a cow

Jordyn: we lived in Nevada before our parents split then chris went over seas and i went to orlando

Becca: I remember that.

Jordyn: first day of thrid grade was so scary. i showed up in Feduary
-flashback-

Jordyn: daddy can't i just be home schooled?

j-dad: No sweetie. You need to learn to get along with other little boys and girls. Look. See that little girl over there? She looks like she could use a

friend.

Mini Becca; Jowy? Who's that?

Jordyn: daddy why did you and mom break up?

Jordyn: why did she take my brother away!

j-dad: We had to break up sweetie. If we didn't we wouldn't have been able to raise you two the best we could. And Your mommy needed to take care of one of you and i needed another.

Joey: i don't know

Jordyn: thats stupid -crosses ehr arms and looks at her feet-

J-dad: I want you to do your best today. And don't worry. You'll see your mom and big brother again soon. -kisses her head and leaves-

-Becca and Joey walk up-

Jordyn: yeah right -mumbles-

-jordyn looks up-

Jordyn: who the heck are you?

Joey: don't snap at us

Mini Becca: We wanted to say hi. But you're mean! -starts crying-

-joey hugs her-

-jordyn walks to the desk that had her name on it and sits down-

Joey: from what i ehard ehr parents aren't together anymre and she doesn't have her brother. she needs us but she's just cranky

Mini Lance; But she made Becca cry!

Mini Jc: Becca always cries.

-Becca cries more-

Mini Jc; Sorry Becca.

Joey: come on lets sit down

-he leads her to her seat as the bell rings-

-they stand up and do the pledge of allegence, ecxcept jordyn who is scratching the top of ehr desk-

Teach: Miss Kirkpatrick could you please rise for the pledge?

Jordyn: my brother said its a free country and i don't have to if i don't wanna

Jordyn: i'll say it when iw ant to

Teach: Yes but we have rules though. You need to way it with the other

class.

Jordyn: but your rules break my rights. just like my brother says and my daddy agrees

Teach :Well then. You'll be doing your classwork in timeout then.

Jordyn: -high pitched voice- you'll be doing your work in time out then

Joey: what are you doing?

Teach; Out!

Inner Mini Becca: She's scary.

Jordyn: i hate this place i want to go back to Vegas -grabs her bag and walks from the lass-

-meanwhile mini lance has been waiting out in the hall for ten minutes because he was trowing spitballs-

-jordyn sits down outside the hall-

Jordyn: stupid rules

Mini Lance; Ruels suck!

Jordyn: i didn't want to say the stupid ppledge and i ahve to. i have rights!

Lance: That's why I just move my mouth but don't make any sounds. Then I throw more spitballs.

Jordyn: hehe soudns liek fun. my brother taught me to do that

Jordyn: but my mom says i shouldn't cause its mean

Jordyn: people ar emean to be so i do mean thigns to them

Lance; So does my mom. But I stopped careing cause when I did care people were mean to me.

Jordyn: sounds like me -looks at him- i'm Jordyn. with a Y

Lance: Hi Jordyn with a y. I'm Lance. Lets be friends.

Jordyn: yeah -shakes his hand-

-end-

Becca: Wow. I was such a wuss back then.

Jordyn: stupid rules. lance and i were real big jerks back then. but we had

reasons. my parents split, i was new, i didn't have chris, and i was picked on all my life nad had chris to step on some toes litterlly. lance was just picked on

Becca: You were the little rebels.

Jordyn: and i now hate him

Becca: You two are gonna see eye to eye again some day.

Jordyn: yeah right

Jordyn: ya know that was the first time i ever heard him say fuck. probably another reason why i hate him because he just changed

Becca: That's the way the world turns. You can't hate a person just cause they aren't the same person they were ten years ago.

Becca: Nobody stays the same forever.

Becca: Brr. It's getting cold out/.

Jordyn: the thing is he changed way to much and he just ahted me so i hate him

Jordyn: yeah it is -pulls her jacket over her- hey where are we?

Becca; i think we're getting to the farming areas in town. We should probably be heading back to the house. Your mom will probably be haveing a heart attack by now. And it's getting late.

-jordyn nods and they ehad back-

-the way they THINK was the way back-

-backa t house-

Chris: mom calm down they are fine

justin: Chris...Did Becca say where she and Jordyn were going?

Chris: no

Lance; They're fine. They've got luck tattoed to thier asses.

Inner Lance; heh...Litterally. Sorry to spoil the suprise for you dude.

Chris: i'm not worried -he loosk out the window-

Joey: your looking out the window liek you are

Bev: The nights here can get deathly cold though. I'll send a call to some of the other's in town and have them keep an eye out.

-back witht hem-

Jordyn: crap! its freezing and i can't see

Jordyn: stupid Scotland fog

Becca; We need to get out of this cold. Can you see anything? A light?
Maybe we can find a house?

-Becca squints looking for anything that could provide them shelter-

Jordyn: no i don't

-somewhere a sheep goes baaa-

Sheep: baaaaaaa

Jordyn: hey did you know that my mom is mayor of this town?

Becca: Oh good. I'm marrying an officials son. Like that's gonna do us any
good in this cold. Hey. There's some trees there. we can hunker down
there.

-takes jordyn's hand and wanders over to the trees.-

Sheeps: baaaa Baaaa BAAAAH!

Jordyn: holy crap it is snowing SHUT UP ANIMAL!

Man; I could say the same. Damn beasts keep getting away from me. -old

man walks up- You lasses look like you've just walked through hell and back. Where are you from?

Jordyn: long story

becca; Small town not far from here. At least we don't think it's too far.

Man: You're not from here are ye?

Jordyn: nope

Becca: No. We're from the states.

Jordyn: but i'm the mayor of some town's daughter that ring a bell?
probably not she hasn't seen me for eleven years

Jordyn: no logner then that

Man: Aye. Ye be Miss Beverly's girl. Come on you two. Get yourselves inside and warm up. Good thing i found you when i did. The good people might have stolen you away. They often do that to young brides.

Becca; Uh..Thanks.

Inner Becca; Superstitios fellow isn't he?

Jorydn: i'm not a bride

Man: She is though.

Jordyn: how do you know?

Becca: Jordyn don't question the old man.

Jordyn: the huge rock on her finger?

Becca: Jordyn no questions lets just get inside. -grabs her arm-

Man: Word travels fast in a small community like this.

Jordyn: -mocks becca-

-they head inside-

becca: Seriously Jordyn what the heck?

Jordyn: i'm going into a strangers house and you ask me what the heck

Becca; Would you rather freeze to death?

Jordyn: i don't know this place. its different from orlando and vegas

Jordyn: we are inside and he hasn't trying to strip our nickers off yet

Becca: Lets just try to sit tight until they come for us.

Jordyn: oh yes our heros on white stallions! or in chris's case a tiny dog

Becca: hey.

Jordyn: becca i know alot mroe about him then you do

Becca; True. You are his sister. But it

Becca; Oh never mind.

-jordyn and her sit in front of the fire-

-meanwhile-

Chris: who was that mum?

Bev: Old mr. Smith. He says he found the girls. They wandered a good long while from the town.

Joey: wonder who was leading -it was sarcasm that ance agrees with-

Chris: what does that imply?

Lance: Oh nothing.

Joey: that jordyn is probably going to be the death of becca someday

Chris: what?!

Joey: chill

Lance: As much of a bitch as she is. She'll probablky kill her so she can have her big brother al to herself.

Chris: that is my sister you are talking about! she wouldn't do that!

Lance; Would she?

Joey: maybe lanceis right though. chris you haven't seen jordyn since you were what ten? and she was how old?

Chris: my sister is my sister! and becca is her best friend now both fo you shush it

-Lance growls and stares into space-

Justin; Ignore them. They're always getting thier panties in a knot for no reason.

Chris: i'm gonna go get them

Joey: chris is a snow blizzard out there

Joey: it started up quick

Bev: Wait till morning son. The girls will be safe there. Mr. Smith is a good soul. He won't hurt them.

-chris groans and heads to his room-

-joey goes and plays in the snow with jc-

Justin: Don't worry. It's going to be okay Chris.

-no justin and jc go play in the snow-

Jc: You're weird.

Joey: becca is a strong soul herself

Lance; Yeah. She can put up a fight.

Lance: You feeling okay?

Joey: yeah

-meanwhile-

Jordyn: wonder if lance is chanting some ritual for me to die

-is in bed-

Becca: Oh stop worrying. He won't do that. Everyone will smack him upside the head before that happens.

Jordyn: sure. and you don't worry because chris cares alot about you

Becca; That's why I'm marrying him. -smiles a little.- It's a little scary but I'm ready for it. -goes to sleep-

Jordyn: yeah -rolls over and stares at the wall-

-the morning-

-chris and lance, chris insisted lance came, showed up-

Justin :chris do you think it's a good idea to be driveing when the snow is this deep?

Chris: i can do it i've lived here for years ya know

-the others were in too-

-Justin shrinks back and is silent-

-suddenly the road turns to ice and the car flips onto its side into a alrge pile of snow-

Chris: damn it!

Joey: that was fun... NOT!

Lance; Why in the hell did I let you convince me to come along?

Jc: Joey shut up. Being angry isn't going to help you.

-the struggle but are able to get out of the car-

Chris: well we aren't far lets walk

Justin: Okay.

Jc; Justin quit being shy.

-they start to walk in the very deep snow-

Joey: yeah justin

Chris: no

Jordybn: damn it -heads to the kitchen-

Mr. Smith: I'll help you get the thing upright. I still don't see why ye need something like that.

Lance; I could say the same for you.

Mr. Smith: ahh. Young love.

Jordyn: WHAT?

-Mr. Smith just grins and goes into his cabin-

Becca: Hey baby. -goes over to Chris kissing him-

-chris kisses her back-

Chris: ya have fun?

Inner Justin: I wish he'd do that to me.

-joey hides his snarl then scolds himself for it-

Becca: I wish. Mr. Smith is nice but i wanted you there.

Jc; what's wrong joe? bad cough?

Joey: yeah tis cold so.....

Lance: Come on. Lets get the car right side up.

-Mr. smith comes out and takes snuff. He starts muttering some stuff around Jordyn and Lance-

-they don't hear since they are yet again bickering. eveyrone else is trying to ignore them-

Mr. Smith: Here. -hands them this.- Ye haven't eaten yet missy. You should at least take this. -hands her a hot tea like drink-

Lance; well at least someone here is takeing pity on you. -tries lifting the car-

Jordyn: see lance he likes me unlike you -takes it and slowly drinks it-

-Mr.Smith smiles knowingly and gets to work-

-Becca is curled up drinking her coffee. She's still wearing her nightgown-

CHris: and joey

-he rubs her back-

Chris: don't worry

Becca: No doubt hungover.

-outside-

becca: How can I not?

-joey stumbles out of his car as well as justin-

Justin: Why am i coming back here?

Joey: did we do what i think we did las tnight?

Joey: as in we..... did..... it.....

-joey remembers alot of justin under him-

justin: Shut up.....Yeah we did. But it was angry sex. Nothing more. -

Joey: is fate trying to make it easily on all of us and make us get together?

Joey: cause it ain't easy

justin: I don't know. All I really remember is Chris telling me not to cry and me screaming I'd be anything for him. And then driveing far away wondering if I should kill myself or not. Then i end up bar hopping hoping to get drunk then You show up pissed off and then we're naked and then you're inside me and there's sweat and semen and the song is still playing.

Justin; That song fits us. even if they just pretended to love us we'd be okay. we'd do anything for them.

Joey: we just have to accept they might be better off together then with us. love is when you want the best for them and i love becca and i want the ebst for her - i guess it is chris

justin: If she's what's best for Chris then I'll let him go....-wipes his eyes off chokeing back a sob- But it's not easy.

-joey sits next to him hugging him-

Joey: it's not easy for me either. way even close

Justin: You're handling it better than me. I mean look at me. -he swallows another sob- I'm the one who's about to start bawling like a baby.

Joey: i'm italian we hide emotions behind a brick wall. bulldozers can only take them down -chuckles a bit-

Justin: I wish I was more like you. -this time he can't hold back- I wish I wasn't such a damn girl.

Joey: i think it fits

-Justin cries into Joey's shoulder-

-they hug for a while, in the snow, and soon go inside apologizing and trying to make things better-

-meanwhile-

-jordyn wakes up-

-lance is out of it. He looks pale-

Jordyn: i'm human... and very naked... on fully clothed lance... this is awkward

Lance; Unh...What's going on?

Jordyn: i'm human again

-jordyn gets off of him and puts on his robe-

Jordyn: okay let me feel your forehead

Jordyn: yeah you are hot. i'll get some meds for ya

Lance; Okay. -slips in and out of sleep-

-jordyn gets some meds and water going in and giving it to lance-

Lance; Thank you mommy. -takes the medicine-

Jordyn: dork

Lance: -grinning- You like it. So what do you think made you change back?

Jordyn: i don't know and you are delusional

Lance; Look. I've wanted to say this for a long time...But I'm sorry. Really I am.

Jordyn: your delusional

Lance; I've been an ass to you all these years. I want to apologise. I'm sorry.

-jordyn sighs-

Jordyn: being sick brings out the worse in us.

Jordyn: i'm sorry too

Lance; You're telling me. So are we friends again? -holds out his hand-

-jordyn nods taking it. she really expected a nice handshake but yeah right-

-Lance pulls himself up and pecks her on the lips-

Lance; What the hell did i just do?

Jordyn: i think you gave me your illness -she mumbles-

Lance; Crap.

Jordyn: what ever happened tot eh nice friendly handshake

Lance: i wish I knew. Now can you get me some soup? Pwease mommy?

-jordyn shoves him on the bed going tot eh kitchen-

Inner Lance: Life is good.

-jordyn brings him his soup and digs through his clothes tot ry to find something.s he finds porn-

Jordyn: wow you need a girlfriend badly

Lance; Nummy. Good soup. and yes i need a girl.

Jordyn: at least a hooker. using your hand isn't healthy. you'll burn yourself sooner or later -flips through one-

Lance; yeah. I kinda figured.

Jordyn: let us hope i never see you jerk off again -grabs some clothes-

Lance; I hope not. That was the worst jerk off I've ever done.

Jordyn: becasue a cat was watching? -pulls on a pair of his CLEAN boxers-

Lance; Hey when I was younger I couldn't even jerk off with the dog watching.

Jordyn:a frid you'd cum into it's eye liek you did me? -shutters a bit-

Lance: I suppose. Sorry about that by the way? Any way for me to make it up to you?

Jordyn: i'm not going to cut off your balls!

Jordyn: i'm sure you want kids in the future

Lance; Really? but you've wanted to do that to me for years.

Jordyn: okay then -she goes into the kitchen and grabs the scissors and sits next to him on the bed- you ready?

Lance; Okay.

inner Lance; Mommy!

-lance appears very very calm so jordyn shrugs-

Jordyn: okay then -she pushes the covers away and starts to pull down his

pants-

Lance; This is gonna hurt. -closes his eyes-

Jordyn: snip snip

Lance; OWIE!

Jordyn: YOU FREAK THIS SI TURNING YOU ON!

Lance; hehehehehehehehehe.

-throws the scissors tot eh floor-

Lance: I'm a sick sick man.

-his face finished the sentence for him 'and i deserve punishment'-

Lance; what's my sentance?

Jordyn: ya think?! -goes and finds a shirt towear-

Jordyn: your sentence?

Lance; Yeah. What's my punishment?

-jordyn turns and stares at him-

Jordyn: i'm starting to want to take back what i said before

Lance; -sigh- Look I'm sorry okay. What do you want me to do?

Jordyn: you are not sorry your flushed, not from your fever, and you have the biggest buldge in ehr boxers right now

Lance; You're hot and it turns me on. is that so wrong?

Jordyn: you want me to fuck you?!

Lance; Maybe in the future. But I know it's not gonna happen now.

pair of his bxoers udnerneath-

Jordyn: he is so sick minded. he's worse then i thought

Jordyn: but i still ahve that urge to fuck him which is WRONG

Inner Lance: It's not my falut. I haven't had a girlfriend in years. So I get bored and weird stuff turns me on. If i started dateing her maybe I'd be more normal. Who knows.

-lance soon gets out of bed and heads into the bathroom to shower. he strips down and stares at his reflection-

lance; God I'm pathetic.

-jordyn opesn the door-

Jordyn: holy crap

Lance; Oh god!

lance; Don't look!

-jordyn quickly shuts the door-

Lance: Geeze that was embarassing.

inner jordyn: he was..... again?

-Lance gets in the shower feeling like an idiot-

-jordyn slaps herself for this but peaks into the room. her question is answered quickly and she goes into the living room again-

Jordyn: he was hard

Lance; Damnit. Why am i always hard. I hate my dick.

Dick: you'll thank me when you have kids

Lance; maybe i should just adopt and then cut it off.

Dick: NO!

lance: And now it's gone all floppy. Oh well. -cleans himself off-

inner jordyn: i wonder if in his head he has a switch for it. like on he's hard off its as limp as a dead person

-he gets out of the shower and gets dressed-

Lance; Hey Jordyn.

Jordyn: hi

-jordyn goes intot eh bathroom dressing then ehads homse by taking a bus-

Inner Lance: I'm a fool. Thinking she had feelings for me.

-he goes into the room and has sex with the hooker. It sucks. Litterally and figureatively. Lance ends up just giving her a couple hundereds and kicking her out early before going to bed. He isolates himself for a couple days-

-jordyn was stuck withs chool blocking off everything. she didn't know what she was doing anymore and didn't want people bitching ehr out for basically killing lance-

Jordyn: i hate heels

Bev: Okay. Lets get this show on the road! Everyone put on a smile real or fake one it dosen't matter.

-they line upa nd chris gets at the alter-

-jordyn ignores who she has her amr hooked with-

-lance looks more and more like shit-

Lance: You're cruel.

Jordyn: how so?

Lance: When we've made up an are trying to become friends you freak out just because I find you attractive. Just cause I got aroused you got pissed. Just cause I told thr truth you hired a hooker and pretty much told me you didn't have any feelings for me. I'm okay with rejection. But you didn't put in well for either of us.

Random Kid: Look mommy! There's a sheep trying to get a piggy back ride from another one!

Jordyn: yeha i'm cruel hate my guts hate me completely wish to find me dead. i don't care anymore i really don't. -she unhooks her arma dn walks away from alnce. ebcca stares at ehr liek she is nuts- your going to go without me becca congrats on becoming mys ister in law -she leaves the church quickly-

Becca: Okay. The show must go on. Lance go after her.

-the wedding starts and lance leaves the chruch.

Lance: I can't hate you. Belive me. I tried to for years. It never ovrked.

Jordyn: leave me alone will ya! -heads to her car-

Jordyn: -calmly- now who said anything about that? -growls and opesn ehr car door-

Lance: You seem to be hinting at it.

Jordyn: just. go.

Lance: Fine. But I love you. Don't forget that. -kisses her before walking off-

-jordyn leans against her car-

inner jordyn: don't cry. you don't want lance remember? you don't

Inner Lance; Just keep walking. You're over her. Aren't you?

inner jordyn: get in your car and head home.

-jordyn can't. she just slides to the ground covering her head-

inner Jordyn: get in your car and go home!

-Lance stops. He turns around and puts his jacket on her-

Lance: It's cold out here. -heads home again-

Jordyn: -sobs- my head and heart going to kill each other

Lance: Same here.

Jordyn: -sob- i have myself convinced that i don't want you i ahte you we will never work out..... my eheart is yerning for you to hold me and never let me go

Lance: It looks like in a way we're in the same boat. I'm relying too much on heart. And you're relying mostly on mind. -sits next to her carefully placeing his arm around her-

Jordyn: -very softly- what am i suppose to do go brain dead and you have a heartattack?

Lance: I have no idea.

Lance: I like it here.

Jordyn: i haven't felt like this sicne my parents slpit and my mom and brother left

Lance: Can I hug you?

Jordyn: just do what you think is right

-lance holds her kissing her head and rubbing her back to comfort her-

-she just cries-

Lance: just let it all out. We've got all the time in the world.

-she keeps crying till she can't anymore. then it snows-

Lance: Look. -watches the snow- It's beautiful.

-she wipes her eyes-

Jordyn: yeah. winder wonder land

Lance: it's a new day. Pure and clean like the fresh snow that's falling.

Jordyn: please don't go poetic -grins a bit-

Lance: This is europe. it's impulse.

-she snuggles into his chest-

Jordyn: we need alot of work

Lance: yeah.

Jordyn: we can't be without each other so we have to work on everything

Lance: Where do we start?

-jordyn kisses his cheek-

Jordyn: being friends

Lance: Okay. Wanna crash the reception? The wedding will probably be over any minute now.

Jordyn: totally

Becca: In-Law. Don't forget that bit. So how're you feeling? You seem to be in a better mood than you were earlier.

Jordyn: i'm better but not fully

Chris: good to hear

Joey: what happened to the dress you were wearing?

Jordyn/Lance: ripped

Becca: Come on. have some food. You'll feel better after you've eaten.

Becca: This is why I was against that kind of silk.

Jordyn: yes lets have some food

-she goes tot eh chocolate fountian-

Lance; Yay! -goes over to the cheese platters-

Chris: i think they went ont he bus

Becca: I'll go chcek.

Becca: They're not there. We should wait for them.

Jc; kay. I'll be in the bus if anyone needs me.

-a while passes-

Becca: I'm starting to get worried about them.

Justin: should we call the police?

Chris: where the hell did my sister go off this time

Becca: It takes twenty four hours before we can file a missing persons report. Oh god where can they be?

-meanwhile-

Jordyn: stand still lance i need this picture!

Lance: You know they say that Scotland is haunted.

-Lance holds still-

Jordyn: your a chicken -she takes some steps back so she can get him fully

int he picture-

Jordyn: be glad you can walk -finds her camera/videotaper and its still intaked-

Jorydn: if they find us dead they can see what our final moments were

Lance; Yeah. -comes back with a handful of small branches- Lets hope these matches work. -takes them and tries to light the sticks up-

Jordyn: they do

-jordyn slowly removes her shoe whimpering. she really screwed it up-

Lance: Ow. Try not to move it. Just relax. I'll see if I can find anything in my bag. -reaches around for a first aid kit-

-jordyn hums-

Lance; Do you think they'll find us?

-jordyn shrugs-

-she starts to sing that song-

Lance: Hope they do. -takes out first aid stuff.- I can't get the foot in a cast but I can at least disinfect it and bandage it. -sprays it with disinfectant and wraps her foot up-

Lance; Nice song.

Jordyn: yeah its not finished as you can tell

Lance: It's a work in progress.

-jordyn nods and rubs her shoulder-

-he warms his hands by the fire then puts an arm around Jordyn-

-she rests her head on his shoulder signing again-

-meanwhile-

Chris: i'm going to look for them -stands up. they are all on the warm bus-

Inner Becca: It feels so diffrent without him next to me. It dosen't feel right.

-chris heads up the cliff-

Chris: wowo its rpetty up ehre at night. you can realyl see the stars.

-the fog wasn't up there-

-meanwhile-

random lost sheep: baaaa.

Jordyn: poor sheep

Lance; Mutton soulds good right now.

Lance; Me is hungry.

Jordyn: no wonder people eat lamb instead of the grown stuff. -they hear a wolf and they the sheep crying out in pain- oh god -she puts her face in his chest-

Lance: We're gonna be okay. Wolves don't attack people. -holds her whispering into her ear to comfort her-

Jordyn: its not that its the fact i just heard a wofe kill a sheep. i'm gonna have nightmares now

Jorydn: i think i'ma vegetarian now

Lance; it's gonna be okay. we're gonna be okay.

Lance: i'll try and find some veggies tomorrow morning. You get some sleep. I'll keep watch for the night.

-jordyn lays down ont he ground-

-a few minutes pass-

Jordyn: i'm about to abducts by aliens

Jordyn: okay.....

-Lance carefully kisses it-

Lance: Sorry if that hurt.

Jordyn: i didn't

Lance: Okay.

-jordyn sits up and kisses lance on the cheek-

Jordyn: i'm not interested in kissing your foot so.....

Lance; My feet are too stinky anyways.

-jordyn nods and they see another beam of light-

Chris: thank god

Lance; Help us!

Chris: can you walk partly lance?

Lance; A little bit.

-lance gets to his feet-

Lance; What do you need me to do?

Chris: put out the fire first with my water bottle, then carryt he flashlight while i carry Jordyn

-they have to climb a hill though-

Lance; Ow. Okay Lance suck it up.

inner jordyn: i feel pathedic

Chris: you gonna be oaky lance?

Lance; I feel like a sissy girl but I'm gonna be fine. Jordyn handled the

Jordyn: i am crying ehre lance i want toc ut off my foot

Lance: Pain means you can save the foot though.

Chris: calm down

Chris: they might not though

Lance: We're gonna be okay Jordyn. We're alive and that's what matters.

-they get to the road where an ambulance is waiting-

-chris gets them in and heads back tot eh bus-

Chris: oaky i did find them and theya re ehading tot eh hospital

Becca; Thank god they're okay.

Jc; How bad of shape are they in?

Chris: well jordyn ahs a bone sticking out fo ehr foot and lance has a twisted ankle that i sort of made himw alk on.

Becca; At least they're alive.

Justin: Yeah. I'm to worried to sleep though.

reckless children I have ever known. -sighs- She'll be okay though?

Chris: she had to ahve surgery but yeah. ehr foot is in a cast and she will have to ahve cruches. i thinkw e can still dot eh road trip

Bev: Alright. But I want you all to be more careful. -sighs- Sometimes the fairy folk can be cruel with thier tricks.

Chris: yeah. come on mom theya re in ehre -takes her to lance's and jordyn's room. he is ina chair his foot badaged very well-

Lance; Hey Mrs. Kirkpatrick.

Bev: Morning Lance.

Jordyn: hi mommy

Bev: Oh god. Child what am I going to do with you.

Jordyn: that is why you left me with daddy

Bev: You need a man. Something to keep you occupied. -shakes her head- Well it's none of my conceren now so I shouldnt' be saying anything. How long will you be limping?

Jordyn: i get out alter today. i just have crutches for god knows how long.

Bev: Well I'll pray for your speedy recovery. Stay safe girl.

Jordyn: what what do you mean?

Chris: your still ont he road trip sis

Jordyn: YAY!

Lance; Wootness!

-Bev leaves-

-a few horus later-

Chris: meep

Lance; You run over her I run over you.

Becca; okay that's enough out of all of you.

-they get onto the bus and start driveing again-

-jordyn stares out the window humming-

Lance: that's a pretty song.

Inner Lance: i wanna ask her out but I'm scared what will happen.

Jordyn: you keep saying the same thing about the same song

Lance; Cause it's true.

Jordyn: i'm working ont eh lycris in my eha and on his pad of papaer

Lance; Cool. Hey wanna go get some coffe later this week?

Jordyn: sounds fun

-it starts to snow-

Lance: I can't wait till spring.

Jordyn: i can

Lance; More snow for you?

Jordyn: i love it. more cuddling

Lance: Cuddleing is nice. Although it's awkward when you're watching other people do it.

Jordyn: thats for sure -stares at becca and chris-

lance; How long you willing to bet it's gonna be before he knocks her up?

Jordyn: well i ahve ehard them arguing about having a family. becca doesn't chris does

Lance: Why not? They'd be good parents.

Jordyn: becca never wanted to have kids. she doesn't think she'd do good

Jordyn: and i know they both would be great parents

Lance: it's only a matter of time really. -goes over to her hugging her while looking out the window.-

inner jodyn: i know he wants toa sk me out

Inner lance; Thank god I alread yasked her out.

Joey: sad attempt at asking someone out -justin looks up-

justin: eh?

Joey: lance want sot ask jordyn on a date so he thinks going out for a quick cup of coffee is one. jordyn, i'm pretty sure, thinks its just hanging out time

right - being together in person is better then talking online

Becca: it wasn't something that even crossed our minds. Somehow i doubt we'd have talked about it even if we had been with eachother in person for those two years.

Chris: you dont want kids but i do. am i just supsoe to drop it and forget i ever wanted to start a family just for you? i lvoe you but.....

Becca: I'm just not sure I'd be a good mother. And on top of that....never mind it's a bad reason.

Chris: and what?

becca: -sigh- Labor pains freak me out. The whole idea of it. It's diffrent than loseing your virginity. Wtih that it was more of a paper cu.t There then gone. With haveing a baby....ow.

-chris pulsl over at a gas station. magically people wake up and get off hte bus to get stuff or fill up the tank. chris turns to becca-

-Becca looks embarassed-

Becca; Like i said it's a bad reason.

Chris: i think the number one eprson tot alk to about that type of thing is your mom. or my mom. i don't knwow hat it is like to ahve a kid and i never will. but god made women specially to do so. men are wimps compared to you -he takes her hand kissing it- and besides you'd be the greatest mom in the world for our kids

Becca; lets just give it some time befoe we have any okay?

Chris: of course but i want to be able to know that there is that someday. talk with my mom - she ahd to ahve me and jordyn. that probably was one hell of a ride

Becca: yeah with your heads.

Chris: but she always said that even thought it wasn't the ebst experience she would have done anythign to ahve us in our lives. now why don't ou talk with jordyn int eh back while i take a shit -kisses her running off the bus-

Becca; Tmi hun. -goes to the back flopping over in bed-

Lance; Hey.

Becca: Hey.

Jordyn: hi

Jordyn: lance i can tell you need to go pee

Becca: So when are you two gonna start dateing.

lance; What!

Becca: Never mind. Just go pee.

-Lance leaves the room blushing furiously-

-and in the back is bunk beds-

-and it isn't that many seats-

Jordyn: dating?

Becca: It's clear that you two are flirting in your own ways. And Lance already tired to ask you out with the coffee thing. I just think it's silly that you tow haven't taken it to that level yet.

Jordyn: with our past..... nuh-uh

Becca; You can't base everything off the past.

Jordyn: becca my brain ahtes his guts and wants to fight but my ehart wasnts him like that. i'm trying to make it not a war inside my body

becca; You listen to your mind too much.

Jordyn: and he listens to his chart too much

Becca: Sounds alot like sense and seneibility if you ask me.

Jordyn: never read it

Becca: It's a bit like your situation only a diffrent storyline. just give it a chance. How long are you going to deny yourself what you know is ment to be?

Jordyn: if i just start to date him i willw ant to blow off my head!

Jordyn: if i don't i want to rip out my chart

Jordyn: be fucking glad becca that your only probelm is that your scared to push out a couple kids

Becca; Sorry for haveing an opinion. -turns around and tires to sleep-

-jordyn takes her crutches and heads inside to pee. she shuts the door to the back and everyone soon gets ont eh bus. lance sits down in the front tot alk with joey. chris takes off-

-jordyn come sout fo the bathroom-

Jordyn: that bastered

Jordyn: and my cell is ont eh bus

Joey: whats up man?

-back on bus-

Lance; Jordyn. She wants to stay just friends just because of things that happened in the past. she won't stop relying only on her mind. she's not listening to her heart at all. I want to be with her but she's just not wanting to.

Joey: that is a bit of a pickle

Lance; Now that's the understatement of the century.

Joey: and let me guess - you think with your heart and don't think the past at all will effect anythign that is just happened and it is meant to be forgotten

Lance; Why doesthe past have to effect anyting?

Joey: with your guy's fucked up past he has alot of effect. your mind wants to wait and stay friends but you won't lsiten to you. you both ahve issues

lance; How long am i supposed to wait though! Jordyn seems to think we should stay just friends for eternity but I don't want that!

Joey: who said jordynw ants to stay friends for an eternity?

Lance; That's the impression I get from her.

Joey: maybe she wants some mroe time tog et ehr head and heart on the same page but your oviosly impatienct. you need to calm down and get your head and heart ont eh same page. THEN you talk with her

Lance; okay. It's easier said then done though.

Joey: i'm sure she is struggling too. now chill and stare blankly out the window in your own thoguths for a while

-Lance rolls his eyes and stares out the window.-

Jc; hey speaking of which. Where is she?

Joey: int he back with becca

Joey: she never left the bus

Jc; Not when i woke up she wasn't. When I asked Becca she got pissed so I think they're mad at eachother right now.

CHris: Jordyn?!

-no answer-

-he slams on the brakes and everyone, including Becca, screams being thrown places-

Chris: Why didn't anyone tell me she got off!

Jc: I don't think anyone noticed.

-Chris swears up a storm-

Chris: I just drove for an hour!

Jc: Turn back and head back to the gas station. She's probably still there.

Chris: Oh boy if Becca and her are angry at each other Jordyn is probably going to be in the worst mood imaginable

-he does his best to turn around and heads back-

Inner Becca: Great. Knowing Jordyn she's going to rip my head off if I so much as say hi to her.

-an hour later-

-Chris gets off and heads inside-

Chris: What happened here?

Guy: We just got robbed!

Chris: um... was their a chick whow as in a cast ehre?

Guy: um.... why?

Chris: i'm ehr brother. we are on a road trip and very far from home

Guy: well your gonna like this story then

Woman: I'm Rheia. Come in. Dinner is waiting.

-jordyn coems in and follows her tot eh kitchen-

-there are several bedrooms with people in them. there's one room where a person is sleeping and he looks alot like lance-

Jordyn: is this like a hotel?

-looks into the room-

Rheia: No. It's more like a mission. People in need some here and we give them shelter.

Jordyn: can i ask why Lance is here? -points to him-

Rheia: He was looking for someone dear to him. But the winters here are bitterly cold. When my son found him his was shakeing. He is a good man but I fear he may be following false hope.

Jordyn: -mumbles- he was looking for me

Lance; I'm an idiot.

Jordyn: why?

lance; I never thought about what you wanted. I only wanted us to become an item and I didn't stop to think if you were ready for it. It wasn't until Joey told me and made me see the other side of things that I actually got it.

-jordyn rubs his chest-

Jordyn: i was being stubborn and not giving you a chance

Chris: who knows

Inner Becca; I spoke to Chris's mom about the labor thing....I'm still not sure how I feel.

Inner Becca; My mom never got over her post pardom depression. I grew up in an abusive household. I don't want to make another kid go through that.

Jordyn: you married a great guy who will keep you stable. trust me he kept me stable

Becca; I know. But it still scares me. -sits down- Nobody can stop post pardom depression from happening. My mom never recovered from it. You know how it was like for me at home. Remember when i stayed over at your house?

Chris: becca is scared to ahve kids and i know soemthign else is going on
but she won't tell me

Lance; Oh. She never told you about her childhood did she.

Chris: what about it?

Lance: Becca was abused severly as a child and well into her teens. When she turned eighteen she stayed with Jordyn and her dad. Her mom had post pardom depression and she never really got over it. Her dad was and still is a violent drunk and would beat her severly. Her mom would often do the same.

Chris: oh god. now i feel horrible!

Chris: she probably thinsk she is going to do the same to ehr kids

Lance: She's afraid she'll turn into her mother. Have you noticed that you you get pissed and yell that she flinches? That's one of the side effects of her past.

CHris: i wish she told me

Chris: i feel really bad.

Chris: i would never hurt her and i wouldn't hurt our kids! and i doubt she would too

Lance; She dosen't like to talk about it. As far as I know Jordyn and I are

the only ones who she's ever been open with about it. Talk to her. But be prepared to have a soaked shoulder afterwards.

Chris: i want her to cry on me and feel more open with me

Lance; As soon as we get back then.

-chris nods-

-they keep walking-

Lance; We should probably be heading back shouldn't we.

Chris: yeah that would be smart

Lance; What direction is back anyways?

CHris: i'm guessing with make a 180 and head back. right?

Lance; Worth a shot. -turns around and starts walking.

-chris follows-

-half an hour goes by-

Lance; we're going the wrong way aren't we.

Becca: That doesn't matter right now. What matters at this moment is that you're gonna fuck me until i scream.

Chris: i wish you told me everything cause then i wouldn't have made it

seem i was tryign to push you
