

-we begin when Jordyn goes in to see one of her patients-

Jordyn: hi beck. how are you today?

-Becca is sitting on her bed. She looks fine other than the bandages that cover up her severe burns. she tried to cremate herself and her house-

Becca: I hurt all fucking over.

Jordyn: yeah that's what you get -she goes over and takes her pulse- anything else?

Becca: just go okay? You're not my boss anymore you're my shrink. of all the people here.

Jordyn: I have to check you out not take a deep breath in -she puts her stethoscope on her back-

-Becca breathes-

Jordyn: alright now is anything else wrong? other than the pain

Becca: You tell me. According to everyone here I'm just wrong altogether.

Jordyn: Becca ignore them all okay? I want you to tell me here

-she wasn't in a doctors outfit, just nice guy slacks and a black button up with a loose white tie-

-the top two buttons were open-

Becca: Well physically nothing seems to be wrong with me. Mentally I'm still as 'insane' as you think I am.

Jordyn: your not crazy your just confused. I'll see you in a while

-she leaves the room-

Jc: She's still upset?

Jordyn: duh -a young man comes running down the hall skidding to a stop by them-

Jordyn: hello Justin

Justin: hi Dr. Wood Dr. Chases. um I don't know how it is possible but it happened

Jc: What Timberlake?

Jordyn: what? and you can call me Jordyn and him Jc

Justin: follow me

-he goes down the hall and into a room where a guy a couple years older than Justin is sitting-

Justin: this is my boyfriend Chris Kirkpatrick

Jc: Jordyn he is an intern. he needs to learn respect.

Jordyn: screw that

Jc: Justin has told us about you.

Chris: Justin's told me about you. now can you help me out here/

Jc: Depends on what you mean.

Chris: First of all neither of us are crazy.

Jordyn: why is there an ultrasound in here Justin?

Justin: that's the thing. my boyfriend here thinks he's pregnant and I believe him. we even did I test

Jc: Timberlake this had better not be a joke.

Jordyn: well Chris why don't you get into a gown and I'll talk with

Justin here -Jordyn pulls one out of the cupboards-

Jc: Sir please do not be offended but we want you to go through a mental screening. Just as a precaution. You see this could be a variety of things. including a tumor.

Chris: Aw crap.

Jordyn: Jc get out of here -she pushes him and Justin out of the room-

Jordyn: I'll be back in five minutes

Jc: But it's true.

Jordyn: yeah but scaring the shit out of him and Justin is not healthy now go back to whatever the hell you were doing so I can talk with Justin here

Jc: yes ma'am.

Justin: I knew dr. wood would understand that's why I came to you. we are nuts

Jordyn: lets talk a bit

Chris: No we're not. There has got to be a logical explanation.

-Justin nods and they go to her office where he sits down and tells her what happened-

Justin: well we have sex a lot and when he started getting sick every morning I thought he was ill so we took him to the doctors and they said it was nothing. but Chris thought he was pregnant, he read about guys getting pregnant before, so we do a test and its positive all five times we did it

Jordyn: yes I have a friend who had a baby and he's a guy

Justin: wow

Jordyn: sometimes it happens and we don't understand why

Justin: I just..... this is really weird and I'm an intern here and I've never thought.....

Jordyn: don't worry. I think it's best I work with Chris. even though I am a psychiatrist doesn't mean I don't know how to work with pregos. come on lets go do that ultra sound

-they head back into Chris's room-

Jordyn: alright Chris. can explain to me any symptoms of a pregnancy that your having?

-Justin sits down next to Chris in a chair-

Chris: I've been vomiting constantly. I've been having mood swings that I've only seen my mother and sisters have and I've been eating nearly everything in sight.

Jordyn: sounds like a pregnancy

Justin: but Chris eats a lot too. he has a high metabolism

Justin: before all this you ate a lot

-Chris groans and sinks into the pillow-

Chris: Yes but now instead of grocery shopping once a week it's every day.

Jordyn: its alright now I want you to lie down for me Chris and just get comfortable -Jordyn grabs a blanket sliding around in her chair-

Chris: Uh huh.

-Jordyn pulls up his gown and checks his crotch-

Jordyn: have you been able to ejaculate? urinate too?

Justin: no on the first one

Chris: yes on the second one.

Chris: It's awkward during sex not being able to cum.

-Jordyn nods and has Chris put his feet up on the little bar things that slide around - ya know that prego ladies use when they pop out a kid-

-stirrups-

Jordyn: do you still orgasm though? you feel the orgasm but just don't ejaculate?

Chris: yeah.

-Jordyn nods and puts on some gloves putting a little lube on her finger-

Jordyn: I'm gonna check your prostate and if you get turned on be glad your gay and I'm straight

Chris: yes.

-she pushes her finger inside his ass and feels around then pulls out-

Jordyn: yeah I can feel something is up with your prostate. I'm

having a hard time finding it but I felt something

-she takes off her glove and lets Chris lie his legs down-

Chris: a kid.

Jordyn: we don't know that yet it could be something else. -sigh-  
sometimes a tumor does make pregnancy test positive but I'm going  
to check. lie down and get comfortable -she puts the blanket over him  
and reveals his lower stomach abdomen area putting gel on it turning  
on the ultra sound-

Justin: oh boy -he holds Chris's hand-

Chris: This is so embarrassing.

Jordyn: trust me I have had men in worse positions. try breaking  
your penis then you talk about embarrassing

Chris: wow.

-she puts the thing onto Chris running around. she looks around  
seeing his reproductive system-

Jordyn: my god

Chris: What is it?

Jordyn: well apparently your reproductive system has turn into a females

Chris: What the hell!?

Jordyn: I don't know if it is permanent but your vagina opening is sort of your anus

Justin: ew

Chris: So what am I a guy or a chick?

Jordyn: your both. I think something was happening with your body and Justin's sperm came in at the wrong time. congratulations your gonna have a baby

-Chris places his head in his hands shaking his head-

Jordyn: maybe at the end of the pregnancy everything will go back to normal. your are a male but right now you are a female with a penis

Justin: I'm gonna be a father. I still love you Chris

Chris: I can't believe this. this has to be a bad dream.

Jordyn: I'll print a copy of this for you two -she pauses the screen and

points where the baby is- its starting to form right here

Chris: I can't look!

Justin: wow. Chris look

Jordyn: how long have you two been together?

Chris: Years.

Justin: since when I was 18 and Chris was 21

Jordyn: wow. that is long

Justin: yeah. we were planning a commitment ceremony soon

-Jordyn cleans up Chris and turns the light back on- Jordyn: you can sit sup now Chris

-Chris sits up and stares blankly into space-

Jordyn: okay so this is what is gonna happen. I'm going to give you a pamphlet on pregnancy's. Chris you are to follow it and come back in in a few months. if you are having trouble peeing or anything is out of the ordinary just give me a call. Justin here knows a lot of being a doctor so he'll help you out as well

Chris: I just don't want to be bugged by people about this.

Jordyn: Chris you are not a freak. You're a unique human being who is able to give birth. if you feel scared at all just give me a call. I'll leave my cell phone number with Justin. you can get dressed now - she hands them the pamphlet and leaves-

Chris: I'm gonna call work and tell them I'm gonna be gone for a while.

Justin: tis gonna be okay we'll be fine.

Chris: Yeah....I hope. By the way I've been meaning to ask how's that co-worker of yours. The girl?

Justin: oh Rebecca? I don't know..... Jordyn is working with her and hasn't told me anything. she doesn't want me to go and see her

Chris: Really. What happened exactly? From what I've heard this isn't the first time she's tried to off herself.

Justin: Jordyn says it has to do with an accident with fire. patient confidentiality - I can't pry in

Chris: yeah. Sorry I asked. She just seems like such a nice girl. I can't believe she'd try to do something like that.

Justin: she has a history. Jordyn is a great doctor and everyone here

looks up to her. she's only lost one patient and she hates herself for it

Justin: only Jc, Dr. Chalez, knows about it. she doesn't tell me

-Chris nods and gets dressed-

Justin: she's a good doctor and will get us both through this

-Justin kisses Chris and he kisses him back-

Chris: I know she will. I gotta get home now. save a life for me today.

-Justin smiles and rubs Chris's back as he leaves holding the pamphlet-

-Justin goes to the employee lounge-

Jc: So how'd it go?

Justin: it went fine

-Jordyn was getting some coffee-

Jordyn: tell him the results Justin

-Dr. Bass and Dr. Fatone come in-

Jc: Lance: What's going on?

Jordyn: ah my brother -pats Lance's shoulder-

-Jordyn was adopted when she was five by Lance's family-

-she doesn't talk about why-

Lance: We heard about some exciting news.

Joey: hey I heard you got another nut case who thinks he's prego

Justin: HE IS NOT A NUT CASE!

Jordyn: what he said

Joey: hey sorry. but seriously...

Justin: he is my boyfriend and him and I are expecting

Lance: wow...Congrats.

Jordyn: we should throw a party for Justin. Chris will be fine. see Jc it wasn't a tumor and they aren't nuts. none of you have the right to call someone nuts when you aren't a psychiatrist

Jc: I never said they were nuts. I only said we should check just in

case.

Jordyn: well shoving my finger in his ass and checking his dick was the just in case part for you

Justin: do we have to talk about this?

Joey: yeah TMI there Doc. hey how is Rebecca?

Jordyn: she isn't dead if your wondering -sips her coffee-

Lance: Jordyn. Go easy on Joe. She was his intern.

Jc: She's going to be fine. She just needs to straighten things out in her mind.

Jordyn: I hate it when a guy who specializes in hearts tries to sound like he knows things about minds

Jc: Jordyn you don't need to be a mind specialist to know these things.

Jordyn: well you don't have her history report now do you? you aren't able to really say she needs to straighten out her mind when maybe it isn't her mind causing the problem

Jc: See this is why you're hard to work with. Because you get angry

over the smallest things. -gets up and leaves-

Jordyn: whatever I have more patients to talk to

-Jordyn leaves her coffee on her way out the door-

Lance: I would really like to know what's gotten into Jordyn. I swear it's like all the females in this hospital are on the edge or over it.

Joey: I don't know man. she is always happy and cheerful wanting to help everyone but I think ever since her patient.....

Justin: I don't understand she won't tell me what happened.

Lance: Remember. Vow of silence on that.

Joey: its something she doesn't like talking about

Justin: what happened to her patient?

Lance: It's a long story.

Joey: lets just say she did something she shouldn't have done

-Justin nods-

Justin: well boss what do you want me to do -looks at Lance-

Lance: I want you to finish your rounds and check on the new patients.

-Justin nods and leaves-

-Jordyn checks out the rest of her patients and then goes to the roof where she stares out at the city-

Jordyn: I can see my loft from here

patient: Oh really?

-Jordyn turns around-

Jordyn: what are you doing up here?

Patient: oh Beatrice you know I like to go for walks in the early afternoon. -the patient is an elderly man-

Jordyn: I hate it when you use my middle name -she smiles- David you need your rest. if Jc finds out your up here.....

David: Now now. Let and old man move a bit. Young Joshua is talented but he needs to relax a bit. I understand his job is hard. but it's hard enough with me worrying about him and you without getting Maureen upset. By the way she's coming today with some cookies for

you kids.

Jordyn: she spoils us too much. just because I come a visit you every day with Jc freaking out that I'll give you yet another heart attack

-Jordyn visits him to help him with the healing process-

David: I can't go on forever. I've seen what the worlds got. If it's my time then that's fine by me. Well I'd best be going now. Afternoon

Jordyn. -goes back-

Lance: Was that Dave?

Jordyn: yeah. -chuckles- I just want to see Jc get a heart attack from seeing him healing up

-the wind is blowing up there and Jordyn crosses her arms-

Lance: What's your beef with him anyways?

Jordyn: he's an ass to me.

Lance: He's a surgeon. We need to be competitive.

Jordyn: why? we are here to help people not show off whose better than everyone

Lance: Its a competition to get better at what we do.

Jordyn: that is all he's about. how many patients you save are how good you are. but there is more then that

Lance: I know. But it's hard for him.

Jordyn: we never have to be competitive. I am here to help people so they can live healthy lives, help them be happy. Jc just wants them to heal and never gets to know the patient

Lance: Anyways we need to finish rounds. I'll see you later sis. -  
leaves-

-Jordyn stays there-

inner Jordyn: I just wish he was still here..... he was so close to making it but he gave up!

-elsewhere in the hospital-

Justin: hi Becca. don't tell anyone I came in here

-he stands in the doorway-

Becca: right. I'll let Jordyn know right away. What the heck are you doing here?

Justin: just wanted to say hi -he waves-

Becca: Hi,

Becca: So. Do you think red is my color? -holds up bandages-

Justin: is that new?

Becca: You haven't seen me since you saw me with the paramedics.  
All burned up and still on fire.

Justin: I think being pale is more for you

Becca: I heard you knocked up your boyfriend.

Justin: yeah but we are happy. we are going to have a commitment  
ceremony in a few months

Becca: Great.

-Justin walks in and sits down on her bed-

Becca: is there some other reason you're here when if Jordyn or  
Lance find you in here they'll make you lose your job.

Justin: I just wanted to give you this -hands her a necklace- Chris

wanted me to give it to you saying get well. you've met him before

Becca: Yeah. Big hairy dude. Tell him thanks.

Justin: I will -he stands up waving and leaves-

Becca: Bye.

-the evening goes by with nothing special. fast forward to next day-

Jc: Morning all.

Lance: Hey. Justin the usual today. Only thing I really need you to do is when you're done go to Jordyn for more instructions.

Justin: alright. why?

Lance: cause you are my intern and I said so Now go!

-Justin salutes and runs out chuckling-

-Jordyn walks in laughing-

Jordyn care the poor father to be!

-Justin is shaved no curls-

Lance: He's an intern.

-Jordyn is wearing a bright green button up shirt top two buttons not buttoned a black tie with white slacks. she buys her clothes in the guys section-

Jordyn: well my boss taught me to care for everyone and not be mean. I treat the intern's nicely and I was taught nicely

Lance: We had different teachers though. Anyways what's going on with you right now?

Jordyn: nothing just blinding people with my shirt

Jordyn: Dr. Chazez kept staring like he wanted to go blind

Lance: My eyes!

-Jordyn's pager goes off and she drops her bag-

Jordyn: shit! -she scrambles out of the room-

Lance: Off to rounds.

Jordyn: I need a crash cart in here! -she runs into Becca's room dropping her bag. she her heart stopped-

Jordyn: god Becca what did you do?!

Becca: .....

Jordyn: I need those paddles now!

Intern: Here! -hands them to her-

-she charges them-

Jordyn: clear -bang-

Becca: OW!

Jordyn: you weren't suppose to feel that beck.

Becca: What the hell happened? Why the fuck am I not dead?

Jordyn: actually you didn't you just decided to play funny. and chew through your IV?

-Jordyn looks at her IV that has chew marks-

Becca: Huh?

Jordyn: trying to stop your heart by putting oxygen into your blood stream

-Jordyn puts the paddles away-

Becca: Oh yeah that. I was hungry.

Jordyn: uh huh

-Jordyn pulls a needle from a drawer and fills it with stuff-

Becca: Oh great. What are you shooting into me this time?

Jordyn: I'm sedating you

Becca: Fat load of help that's gonna do.

Jordyn: you need rest here

-Jordyn goes over and is about to inject it but Becca grabs it from her jumping from the bed. she points it at Jordyn-

Jordyn: great come on beck

Becca: Do not touch me. I have the right to die.

Jordyn: yeah but I have a right to keep you from dying

Becca: What if I don't want to live?

Jordyn: you do want to live beck

-Jordyn sits down on her bed-

Becca: What makes you so sure of that? You don't know me.

Jordyn: come on sits down and we can talk okay? I'm here to help and we do not have to be friends

Jordyn: I would like it if we did become friends though

Becca: You're my boss. You're not supposed to be my friend.

Jordyn: your Joey's intern not mine

Jordyn: Justin is Lance's intern not mine. I don't have any interns right now

-still holding the needle at the ready Becca sits-

Becca: I'm only doing this cause you won't take no for an answer.

Jordyn: can I have the needle? -she holds out her hand. Becca smiles and stabs it into her hand injecting it- damn it!

Becca: there you go.

-she goes limp falling to the bed-

Becca: Nothing personal. I just don't feel like talking.

-she picks up Jordyn and drags her into the hall putting her in a chair-

Becca: You'll be fine in a couple of hours.

-Jordyn falls out of the chair to the ground. Justin and Jc are going down the hall and see her go down-

Justin: Dr. Wood?!

-Becca has disappeared-

-he goes down and checks her pulse-

Jc: Crap. Justin get some saline into her.

Justin: I'll just go put her in the lounge. saline won't do any good when she is sedated

-Justin carries her down there-

-Jc looks for Becca-

Inner Becca: Lets see first and foremost I'm going to my apartment to get some decent clothes. Then off to Arizona. I'm sure no one would think to look at the bottom of the Grand Canyon.

-Jc calls code white for the search of the missing patient-

-Jc knows Jordyn's gonna have a cow when she wakes-

Lance: she's not dangerous but she is suicidal and needs to be found. She is our top priority.

-Justin puts something in Jordyn that is suppose to counter act the sedation-

-Jordyn wakes up-

Jordyn: where is she?

-she sits up rubbing her hand that is sore-

Lance: They're looking for her right now.

Jordyn: What?! you mean you let her get out?! god what the hell type of hospital is this?

-Jordyn runs from the room back to Becca's-

Lance: She's a good escape artist.

-she searches the room to find anything that Becca might have left-

-Jordyn sits down and thinks. then she goes to Becca's file finding where her apartment is. she gets in her car and drives off-

-Becca is already there changing after a shower-

inner Jordyn: I better be right about this

-Jordyn parks and opens her apartment door without knocking-

Jordyn: Beck?

Becca: Get out. You're not welcome here. -Becca is eating lunch.-

Jordyn: well I'm your doctor so I am -she shuts the door and sits down by her- how did you get here?

Becca: I have a car. But the bus does stop by around the same time as when I left. Now if you'll excuse me I need to get going. I've got some stuff that need to happen.

Jordyn: Beck I know what happened the night you tried to cremate yourself

Becca: So? Who cares? Nobody lives forever. -tries to walk out the door-

-Jordyn stops her-

Jordyn: Becca plenty of people have had to repeat as an intern it is NOT the end of the world.

Becca: Oh shut up. You don't know a thing about me. Now get out of the way before I stab you in the hand again.

Jordyn: Becca your childhood sucked yeah mine did to. I had to watch my whole family get murder, get slaughtered, before they raped the hell out of me. I was only four! do you see me trying to end my life? I've wanted to so many times but I didn't. why can't you?

Becca: Your family actually gave a damn about what happened to you though. Mine? They just want me to be like all the others. I didn't get any time for a real life. All I have is my job. That's it. My love interested rejected me so many times. and then my dad is killed by him. My dad was the only person who cared about me. I just want it all to end! I've got nothing left! I have nothing to live for! You have your brother and family and everything!

-Becca pushes past and runs out-

-Jordyn runs after her grabbing her arm firmly-

Becca: LET GO!

Jordyn: you still have nothing on me. bass's family only took me in because of their church saying that's what you have to do. they hate me just because I want to be myself. they wanted me to wear dresses and act like a girl and marry someone rich and pop out a ton of kids. I refused to do that and they hate me. I was kicked out after I graduated high school and I only had my schooling left. I then finally find someone I love so much but he goes mad and kills himself right in front of me, when I thought he was gonna marry me! you have nothing on me now get into my damn car so I can get you back tot eh hospital!

Becca: I'm done with this world. I'm surprised you haven't given up on it either. -struggles-

Jordyn: you give me no choice then -she says it calmly and with one motion pins Becca tot eh ground and pulls a needle from her pocket-

-Becca starts screaming a struggling-

Jordyn: I had to do this before and the guy thanks me. you'll thank me someday too -she injects the sedation into Becca's arm. she lets go-

-someone inside called 911 when they saw Jordyn go into her house-

-the police arrive as Jordyn picks up Becca-

Jordyn: good evening officer

Officer: Care to tell us what's going on?

Jordyn: well you see sir -puts Becca into her car- this is an escape mental patient. she has tried to kill herself a lot before and I'm her doctor. I had to sedate her so I could get her back. see? -Jordyn pulls out her medical license from her wallet that is in her back pocket-

Officer: Alright. -turns to his partner- nothing to report Charlie. Lets roll out.

Jordyn: thank you sir -the other officer was staring at her outfit-

-Jordyn gets into her car and looks at Becca-

Jordyn: its gonna be okay Becca I promise -drives back to the hospital-

Inner Becca: Just let me die.

-Jordyn carries her back in and dresses her back into her gown lying her on the bed. she put her IV back in and puts down on her chart to be sedated every five hours. she would be feed by the IV-

Jordyn: uhg my job is fun -she walks back into the employee lounge-

Lance: So she was at her apartment?

Jordyn: yep

Joey: you always figure that stuff out

Jordyn: not always.

-Jordyn sits down next to Jc-

Jc: God she needs to get over what happened. I know her family.  
They're all dicks.

Jordyn: I tried to sue my story to try to make her feel sympathetic  
but she just was surprised I won't kill myself too

Jordyn: I wonder that too but I know why I stay alive

Lance: You never know someone until you walk a mile in their shoes.

Jordyn: well mine is paved with blood so..... -Jordyn stretches out  
and yawns- god I didn't sleep at all last night

Joey: working on your book again?

Jordyn: uh huh. I was on a roll!

Lance: Yeah I noticed when I stopped by last night.

Jordyn: yeah I'm getting so much ideas for it and I can't wait till I finish it. I might just end up having another book to follow

-Jc puts his arms on the back of the ouch-

Jc: it looks like we're all gonna be bored tonight. wanna all head out to the bar?

Lance: Sure.

Jordyn: sounds like a good plan. I might just pull out my girl leather jeans

Lance: Justin you should come to. relax a bit. Bring your boyfriend along. The bar nearby sells virgin drinks.

Justin: Chris would like that, but he has been scared to go out in public

Jordyn: have him call me and I'll talk to him

-Jordyn leans forward and stands up-

Jordyn: okay well I have to check on my patient who thinks I'm a giant cockroach who changes colors

-she leaves-

Joey: well at least the guy likes cockroaches

Lance: Yeah. Last thing we need is a guy running around with a bottle of raid.

-that night-

-Jordyn make's sure that Becca is strapped down and leave telling them to call her if anything happens with any of her patients-

Jordyn: alright I'll meet yal at the club

Lance: Later!

Jc: see ya.

-Jordyn goes to her place and puts on tight leather jeans and heals then her white wife beater and lets her hair hang down in her face. she straightens it out then grabs her jacket slipping it on her wallet in her back pocket. she puts her cell in her pocket and leaves-

-at club-

Chris: Justin are you sure this is a good idea?

-Jordyn walks up to the bar and waves-

Lance: Hey Jordyn!

Justin: yes it is. see even Jor- holy crap

-Justin looks Jordyn up and down-

Jordyn: what I can't let loose around here?

Jc: Damn girl. You look good.

-Jordyn shrugs and orders a strong drink-

Jordyn: Chris your gonna have fun. you aren't showing at all okay?

no one knows

Chris: They're gonna find out sooner or later. And how am I gonna explain this to my mom?

Jordyn: it is different, but you should be happy that you and Justin are starting a family

Justin: I'm a doc I can get it out to her so she doesn't think you got a sex change

Justin even then you wouldn't be able to have kids except something like this happened

-Jordyn takes her drink all the way down and she smiles-

Lance: I'm heading out to the floor.

Jordyn: fuck yeah. okay Chris come with me

Justin: go on baby

Chris: fine....

-Jc stares at Jordyn. he's wearing jeans and a t-shirt that has no sleeves-

Joey: Jc what chick are you staring at this time?

Jc: Jordyn.

-Jordyn gets Chris in there and he soon gets loose and dances having fun. Justin joins them soon enough-

Joey: Jordyn? you serious? I though you said that she's stubborn

Joey: and carless

Jc: I'm a surgeon. I like girls who are stubborn and aren't afraid to take risks.

Joey: when you are the exact opposite?

Jc: I'm a surgeon. I am stubborn. I just prefer to be more traditional.

-Joey chuckles and finishes his beer finding a chick-

-Jc wanders out to the dance floor and goes up behind Jordyn-

Jc: Meet me at my place. None of us have had any goo sex lately. we need it.

Jordyn: very assertive Chasez. but I have work to do ya know

Jc: I've fucked girls all night and came back to work the next day just fine. Come on it'll be fun.

Jordyn: I don't know -Jc presses against her back his hands on her waist- I guess

Jc: That's a yes. come on lets go.

inner Jordyn: but nick.....

-Jc drags Jordyn out of there-

-Jc came with Joey. so Jordyn drives them to Jc's place-

Jordyn: nice apartment

-Jc drags her into his room.- Jc: thanks. Now lets go.

Jordyn: you want this bad don't you? -she grins as he begins to lick her neck-

Jc: Damn right I do.

Inner Jordyn: I'm not over Nick yet. I love him with all my heart I gave him everything and he left me.....

-Jc pulls his shirt off and starts working on hers-

-Jordyn stops Jc-

Jordyn: I can't

Jc: Why not?

Jordyn: I still can't get Nick out of my head

Jc: Your old flame?

Jordyn: my fiancé

Jc: Oh.

Jordyn: he killed himself in front of me after everything I did to try to make him better. we were going to marry and he left me. I didn't try hard enough but I gave him all my heart

Jc: I'm sorry to hear that.

Jc: Jordyn. It's not your fault.

Jordyn: yes it is I didn't try hard enough! I should have know he was going to do that

Jc: Jordyn you can't save everyone. As doctors all we can do is our best.

Jordyn: but I loved him it was my duty to take care of him. I told him I wouldn't let anything happen to him but I did. I can't do that to my other patients

Jc: Jordyn. I don't know what to tell you.

Jordyn: of course you don't because there is nothing you can tell me. -  
she puts her jacket back on leaving. Jc takes a cab back to the club-

Joey: where did you go man?

Jc: I tried to have sex with Jordyn but she's still hung up over nick.  
She needs to move on and understand it's not her fault.

Joey: poor chick. show her you can replace nick man. I know you  
want to

Justin: she is really dedicated to her work though

Joey: yeah its gonna be hard but you like her enough right?

Jc: yeah.

Jc: I like her a lot. But she just refuses to understand that Nick's  
death was not her fault. nobody could have foreseen what was going  
to happen.

Lance: She'll figure it out.

Justin: well I'm gonna go dance with my man over there ta-ta

-Justin dances over to Chris-

Jc: I'm gonna take a cab and head back home. later Joey.

Lance: See ya Jayce.

-Jc leaves-

-they dance for a few more hours before they head back. Lance goes to Jordyn's where he finds her watching TV and writing one her laptop-

Jordyn: I love House

Lance: Jc told me what happened. Why do you watch house? It's basically a recap of what happened to us during work.

Lance: Are you feeling okay? Aside from the obvious?

Jordyn: aside from what obvious? and I just love House because of the star

Lance: again. Jc told me what happened and what with having a runaway patient.

Jordyn: oh. figured he would. is it do bad that I blame myself I have nothing better to do

Lance: You blame yourself and you know you're not the one at fault? are you sure your patients are not affecting you?

Jordyn: Lance I'm not nuts. I just fell in love with someone who I really thought I could help. but then he killed himself in front of me and well that brought back terrible memories -she types something then stares at the TV-

Lance: Jordyn. Why exactly do you blame yourself. I'm not a shrink but I want to help my sister.

Jordyn: because I made him a promise and he was so helpless I refused to give up on him. I just -Jordyn chokes a sob- he told me he loved me and would never leave me!

Lance: You kept your promise Jordyn. You did everything you could to help him. I'm sure he loved you. But sometimes people do things we just can't explain.

Jordyn: when is aw the look in his eyes he looked like I failed him. then the bullet when through his head and I couldn't do anything

-Jordyn starts to cry shutting her laptop after saving-

Lance: Jordyn. You need to stop pitying yourself and realize that it was not your fault. -hugs her-

Jordyn: I loved him why would he leave me? I blame myself because I don't want to face the facts that he didn't love me and wanted to leave

-sob- this is what I get for being a psychiatrist

Lance: You need to face them eventually. -hugs her tighter.- just cry.  
Let it all out.

-Lance holds her letting her cry for a couple hours-

-she ends up falling asleep on his chest-

-Lance puts her in her bed and leaves for his place.-

-the next day-

-Jordyn shows up in all white her hair down over her face-

Jordyn: morning yawl

Lance: Morning sis.

Jc: Hey Jordyn.

Joey: 'ello

Justin: hey -Chris is sitting next to him hat on-

Jordyn: Chris what are you doing here?

Chris: I just can't stay out there anymore. I've already got the press hounding me.

Jordyn: I understand Chris. here Justin set him up a nice room. he can stay here till the baby comes. it probably smarter too.

inner Jordyn: poor guy it's hard for him to be having a kid when he's a male

Justin: come on baby

Chris: I'm such a coward. My mom is already having a hard time dealing with this and my sisters are freaking out. The press is bother them and us. I just don't want to be anywhere anymore.

Jordyn: Chris I will not let any harm land on you okay? if I have to I will go and talk with your family. I'm here to help you Justin and your baby

Chris: thank you.

-they walk past Becca's room. Becca's still gorked-

-Justin set up Chris in a room that has a nice bed a couch and a TV-

Justin: I'm not going to let anything happen to you Chris nor your family -he hugs him, kissing him- I love you so much

Chris: I love you to Justin. I saw Becca in her room. Her burns are getting better but she looked out of it. What happened?

Justin: she escaped and Jordyn is making sure she doesn't do it again

Chris: Poor girl.

-Justin nods and leaves Chris having to do his rounds on the floor above him-

-in Becca's room she's asleep and is having a nightmare-

-Jordyn comes into her room having stopped her sedation a while ago so Becca is now asleep on her own-

Jordyn: okay beck are you gonna..... -she looks up at her- Becca?

-now it is time to go into dreamland for a bit.-

Little Becca: Momma I finished my homework. -hands her mother a paper-

Mom: lets see then. wrong. wrong. ALL WRONG! -slaps Becca out of her seat- YOU STUPID LITTLE WENCH!

Becca: KYYYA!

Mom: I PUT CLOTHES ON YOUR BACK AND A ROOF OVER YOUR HEAD AND YOU REPAY ME IN LAZINESS! AS PUNISHMENT YOU ARE TO STUDY ALL YOUR TEXTBOOKS COVER TO COVER UNTIL YOU'VE HAD THEM MEMORIZED AND HAVE ALL THE PROBLEMS RIGHT! You won't amount to anything! -picks Becca up- you are nothing you here me!? NOTHING! -throws her to the ground-

Becca: AAGH! -falls to the ground with a smack-

Mom: Now go and get the strap out of the closet. -Becca slowly gets up- HURRY UP BEFORE I BEAT YOU MORE THAN I ALREADY HAVE TO!

-several slapping sounds and screams later-

mom: Now do you understand?

Becca: Yes Mother. If I am to amount to anything I will do as you say.

Mom: Very good. Now go and get to work. And next time I check your work it's going to be one lashing for every wrong problem understand?

Becca: yes mother. -gets to work-

-end of dream-

-Jordyn runs to Becca who is thrashing around on her bed. she unstraps her and shakes her awake-

Jordyn: Becca!

Becca: NO! NO MORE MOMMA PLEASE NO MORE!

-Jordyn shakes her more-

Jordyn: REBECCA IT'S A DREAM!

-Becca wakes up-

Jordyn: are you okay what was that about?

Becca: It's nothing. Just leave me alone.

Jordyn: Becca please tell me -she brushes her hair out of her face- I can help you. You need to trust me

Becca: You're a smart person. You figure it out. I was screaming bloody murder after all.

Jordyn: Becca don't be angry at me I didn't do anything to you

Becca: Mom hated my guts. She kicked my dad out of the house after I

was born and I only saw him every now and then. My life was devoted to study. I can't tell you how much I wanted my mother to be proud of me. How much I still want it. I worked my ass off ending up in the hospital a couple of times. But all she ever did was kick the shit out of me, beat me, burn me, you name it I probably -c-

Becca: Had it done. Every time I told someone child protective services would come and Mom would go into caring love in mother mode and then as soon as they were gone she'd beat me again. I was not going to amount to anything. I cant tell you how many times I would steal her sleeping pills and take them in the hopes I'd never wake up again. After my dad died it was just too much. I go to college and for a while it looks like I'm going to have a good life and that I'll earn Mom's respect. Then this happens. So I figure if I'm going to go to hell I might as well get used to its fire. And here I am today.

Jordyn: god Becca..... where is your mother now?

Becca: Old family mansion. Somewhere in New England. Everyone in my family is a blue blood in society and super smart with some career in some high profile gold collar job. I'm just a failure.

Jordyn: Becca you listen to me. you only show someone respect if they show it to you. in some cases, yes you need to show respect and not get it back, but in your situation your mother doesn't deserve ANYTHING.

Jordyn: the one person I'm sure you've made proud is your dad

Jordyn: he knows you will do great in your life

Becca: yeah right. look at me. I'm in a psych ward.

Jordyn: he's watching you and wants you to keep going in your life, let your past go. let your past make you grow, show him that you can grow from terrible things. make a rose grow from manure, or however you want to phrase it

Jordyn: beck we all are crazy. just some more and some less then others. but that's what makes us different

Becca: You don't get it. With most people they need to pick up the pieces and put them back together. Me? I don't have any pieces to pick up.

Jordyn: good then. you just start over

Becca: Just leave me alone right now.

-Lance comes in-

Lance: I heard the screaming.

Lance: Is everything okay?

Jordyn: Lance leave

Lance: Got it.

-he goes-

-Jordyn hugs Becca-

Jordyn: Becca you make something out of yourself for your own benefit and some times it helps other people, but you should not do this because of your mom. What do you want to become?

Becca: Sadly I don't know. my mother saw to it that I didn't have any opinion in regards to what I wanted.

Jordyn: any interests you ever had?

Becca: I just want a job where I can be away from everyone. I don't want to have to come into contact with other people.

Jordyn: well, being a writer makes you a hermit of types. but then again you'll become famous in one way or another

Jordyn: I'm gonna go now and I want you to eat something okay?  
when I come back later today I want you to tell me something you like doing

Becca: I just want to be alone right now.

-Becca watches Jordyn leave and curls up hugging her knees-

-Jordyn goes and does her rounds. she is finally releasing one of her patients and she is happy-

Jc: I heard you had a breakthrough with Becca.

-at lunchtime she sits in the lounge typing on her laptop-

Jordyn: you could call it that

Jc: Joey said something about wanting to talk to her.

Jordyn: okay well she wants to be alone for a while. he can see her later

Jc: Kay. I'll let him know

-Jc heads on his rounds and performs a successful surgery-

Jc: Ahh. Good day. Very good day.

Lance: yeah. Same here. No surgeries, normal rounds, interns we're well behaved, altogether a good day.

-Jordyn walks past them and she looks like she wants to die-

Lance: Jordyn?

Jc: What's up?

Jordyn: my cockroach patient got ahold of a knife and electrocuted himself. he didn't make it.....

Jordyn: and I was going to release him in two days

Lance: Oh god.

Jc: That's terrible.

Jordyn: ya think?

Jordyn: uhg this day sucks balls

Jc: Okay. After this day is done I'm taking you for drinks. You need it.

Jordyn: I..... -she looks at Lance who nods- alright I'll meet you in the lounge -she walks off-

-she runs into Joey-

Joey: hey when can I go see Becca?

Jordyn: you can now Joe

Joey: you okay?

Jordyn: cockroach guy killed himself

Joey: what? I loved that dude. I'm sorry -he hugs her kissing her head- well just think about this, he's with god now

Jordyn: yeah. he was a good guy he's with him now

-Jordyn smiles a bit and walks onward. she ahs a new patient-

-Joey goes into Becca's room-

Joey: oh I love chocolate cake

Becca: MINE!

-lunges at it-

Joey: I won't eat it I just had some. its good stuff huh? -he sits down next to her bed-

-Becca is scarfing it down-

Becca: Don't you have little kids with tummy aches and over reacting mothers to take care of or did they all go home?

Joey: I'm glad your getting better Becca. I'm on break

Becca: I'm not better. Jordyn is just realizing that I have no life. But yet I'm still a prisoner here.

Joey: let me guess if she let you go what would you go do to yourself?

Becca: I dunno. I've tried all the methods and none seem to work. Any ideas? I'd like to do something original.

-it's shocking she's so calm about it-

Joey: see you'd go kill yourself. why do you want to die? I don't see why anyone would want to leave so young

Becca: I just don't see the point in being here anymore. It's not like I'm all that important. My family wouldn't be crying over me. They'd be saying good riddance.

Joey: I'd cry and so would Jordyn. she's really cares about you and whenever someone dies that was hers or she knew enough she gets depressed. just now she told me her cockroach patient, who was going to be released in two days, kill himself and I am not telling you how

Becca: Oh Pete? I could hear the buzzing sounds from my room.

Joey: she probably would have been able to save him in these two days too

Joey: pete wentz now I remember his name

Becca: Now see Pete's death is sad. He had something to live for. he had a wife and baby. A good career and a family. People loved him.

Joey: Becca people love you

Becca: yeah but I've got no reason to stay alive. Nothing and no one to live for.

Joey: you were my intern I learned to love you. you just have to give yourself something to live for. can I tell you a secret?

Becca: Sure. Dead people don't give secrets away easily.

Joey: don't tell ANYONE I told you this got it?

Becca: Just spit it out already.

Joey: Jordyn was dead for 90 seconds

Becca: I see.

Joey: she set herself on fire

Becca: Well there goes my theory of burning as an original way to go.

Joey: I found her and her whole body was in flames and she was breathing. I put her out and began CPR. ambulance arrived and took her to the hospital immediately. said she was officially dead for 90 seconds

Joey: when she was in the burn unit she told me why she did it

Joey: and this was in college. her and I went there together

Joey: do you even care why she did it?

Becca: I'm listening.

Joey: she did it because she said she couldn't do anything in this god forsaken world and she was gonna burn in hell because even god made her useless. and she just got a C on a quiz

Joey: now look where she is

Becca: A c's pretty bad in my mind. Then again I guess I'm fucked in the head like that. But the fact that she's one of the top psychiatrists

in the country makes up for that quiz big time. But again this goes back to my point of she has reasons to keep going. Apparently I am supposed to stay here till I find one.

Joey: I told you this because Jordyn was saying the thinking the same thing as you while she was healing. when she got she finally realized what she was meant for but I'm not telling you that. if you want to know how she made it through your gonna just have to ask her that -Joey steals her last piece of cake eating it and elaving-

Becca: Curses. I was saveing that.

Joey: you and Becca have a lot in common ya know -he says as he walks past Jordyn. she looks at him funny then ehads into ebcca's room-

Becca: AND TELL JORDYN THAT THEY NEED TO COME UP WITH A MORE FILLING FORM OF IV FOOD!

Jordyn: I see you ate your cake and Joey came to visit

Becca: He stole my last piece.

Jordyn: and I'llt ake you off the IV when you start to eat

Becca: I ate that whole cake didn't I/

Jordyn: first thing you ate the whole time you became my patient

Becca: I want more cake. And some thai. and a box of twinkles. And also some doughnuts. I don't care what kind.

Jordyn: I will get you some food when you tell me what Joey was talking to you about. he wasn't flirting was he? -she takes her pulse-

Becca: Not what I'd call flirting. But he basically told me...wait he said I wasn't supposed to tell.

Jordyn: tell what. he didn't tell you any embarrassing stories did he?

Becca: No. More sinister than that.

Jordyn: uh-huh. breath for me -stethoscope again-

Becca: -Brethes.- he seems to think you and I share a lot in common.

Jordyn: yeah I heard that. he looked at me funny too

Jordyn: well until I can trust you again I'm gonna have to sedate you all night until I get back. but if you show me I can trust you I will only slap you down

Becca: Just give me the damn food.

-Becca reluctantly lets Jordyn sedate her and be strapped. She's holding the remote to the tv in her hand-

Jordyn: I wonder if I can get that thing Joey told you out of him. he might not make it out alive though -she is writing on Becca's chart-

Becca: Remeber. Cake, Thai, Twinkies, and Doughnuts.

Jordyn: uh-huh

-Jordyn leaves and Becca watches her go-

Becca: I wonder if there is anything good on? -turns tv on and flips through channels-

Jordyn heads out to a bar with Jc and gets a beer-

Jc: Drink up. It's not the best for long term but with short term stuff it'll help.

-Jordyn nods and drinks-

-Jc downs two shots of Jack and stops-

Jordyn: Joey talked with Becca today. I don't what he told her but he said we have a lot in common

Jc: Really?

inner Jordyn: we do.....

Jordyn: yeah. I want to know what he talked to her about

Jc: That guy is to honest for his own good. Go and talk to him.

Jordyn: whatever -she orders another beer-

Jc: Seriously you should.

Jordyn: fine I will -she drinks-

Jc: Take it easy for a while kay?

Jordyn: I've never heard of suck a phrase before. what is 'take it easy'? -she chuckles-

-Jc laughs- Jc: yeah. I guess in our jobs there's no such thing.

Jc: Need me to call a cab for you?

Jordyn: after I get nice and hammered

-when she is hammered-

Jordyn: you know you are really hot when I get drunk

Jc: You're not drunk or sober to me.

Jordyn: but then again I think you're pretty cute when I'm sober too

Jordyn: you think I'm ugly when I'm drunk and sober?

Jc: Sorry. I'm hammered too. You're beyond hot when drunk and a golden goddess when sober. I'm such a suck up but it's true.

Jordyn: -giggles- you are a freak and I love it

Jc: Wanna see me in bed?

Jordyn: -giggles- how dare you tempt a drunk woman! -giggles-

Jc: How dare you tempt a drunk man!

-Jc is talking funny-

Jordyn: who said I was tempting! -Jordyn laughs and puts her head on the table-

Jc: So tempting. like nummy candy! -goes over and nibbles on her ear-

-Jordyn giggles and falls onto her side-

Jc: Your place or mine?

Jordyn: lets lets get a a cab

Jc: Mokay.

-they stumble out of the abr and Jordyn waves one down while Jc grabs her ass-

Jordyn: -giggle- taxi!

keep writeing. play Jc if you need to.

-the taxi pulls up and they stumble in. Jordyn tells the driver her place and they get there soon enough. Jc pays and they stumble inside and intot eh elevator to her loft-

Jordyn: here we ar e-pushes the door tot eh side and pushe Jc in and he looks around. Jordyn pushes the door shut-

Jordyn: home -hic up- sweet home -hic up-

-she opens her bedroom door and Jc sits down on the bed tugging at her hips-

Jordyn: mmmmm sexy

-she runs her hand through his hair and he licks his lips totally hammered-

Jc: This is nice. Now lets fuck!

Jordyn: you do it I'm too tired -she laughs and falls ont he bed-

-Jc pulls off his shirt and clumsily takes off his jeans and boxers-

-Jordyn laughs and rubs her breast through her shirt-

Jordyn: I want tos uck that cock it looks yummy

Jc: Hungry are you? Okay. -He straddles her and wiggles his cock at he mouth-

-she licks his head and takes him into her mouth looking at his blissed out face-

Jc: Oh yes! Suxk me!

-she moves back and forth on it moaning-

-she is sitting up on her hands pulling away and flicking his head with

her tongue-

Jc: Oh god that's awesome!

Jordyn: ya like it when I suck your cock? want me to take you all the way in

Jc: Yes yes yes yes!

-she was seriously hammered-

-she sucks him till he's good and hard-

Jordyn: suck on my body -she laughs and falls back on the bed-

Jc: I want pussy!

-He goes down and yanks off her pants and boxers. He starts licking her clit between his teeth. placing a single finger inside her pressing at her walls-

Jordyn: shit -he groans her shirt bra and tie still on- oh yeah suck my pussy

-she laughs-

-Jc grins and licks at her clit more sending his finger farther in wiggling it around-

Jordyn: more Jc more!

-Jc kisses up her body rubbing her clit with his fingers. He pushes her shirt up and loosens her tie.-

Jordyn: fuck yeah

-Jc gets her tie and shirt off and rubs her breasts through her bra licking at her collarbone-

Jc: You like that don't you?

Jc: Dirty girl.

Jordyn: god yes more more

-Jc rips off her bra and spends ample time on her breasts while getting into position and shoving his cock into her-

Jordyn: OH YEAH FUCK -she grabs at his back moaning-

Jc: purrrrr

-Jc is thrusting his hips and slamming into her so hard that neighbors downstairs can hear the thumping-

Jordyn: fuck me fuck me fuck me. god your gonna make me cum so hard

Jc: That's the idea.

-several minutes later-

Jc: Oh fuck YES!

-cums-

-Jordyn screams as she sprays all over Jc and the bed-

Jordyn: holy fuck -she rubs her pussy as she sprays more-

Jc: You're telling me. -pulls out and falls next to her-

-she falls back on the bed licking her fingers-

Jordyn: mmmmmmmm

Jc: Looks tasty. -starts to fall asleep-

-Jordyn scrambles under the sheets passing out on her stomach-

-the morning-

-Jordyn opens her eyes her head pounding-

-Jc is still asleep with no covers and no clothes-

Jordyn: fuck what happened? -her voice is raspy and she rolls over wincing at the light then screaming regretting it-

Jordyn: JC?!

Jc: Ugh....Ow my head. How wasted did we...Oh carp. I'm getting out of here. You might want to take a plan b pill.

-he gets up grabbing his boxers-

Jordyn: what the hell did you - oh god I'm naked! -she covers herself-

Jc: More like what did we do. From the looks of it I think we did the wild thing.

-he gets his pants on-

Jordyn: god my head hurts I'm alte as hell and I have tot ake care of Becca!

-she scrambled out of bed covering herself with a sheet. she goes into the bathrooms creaming at Jc get the fuck out-

Jc: And I have a major surgery that needs doing. -he runs out-

-Jordyn takes meds showers quickly pulls her hair into pony tail then puts on jeans a button up orange shirt and a orange tie. like always the tie is loose and the top two buttons aren't buttoned on her shirt. she grabs her bag and hurries to her car-

Jordyn: god I am so late! -she drops off her stuff in her locker hurrying out to do her rounds-

Jordyn: I have patients I need to see and therapist appointments..... now!

Lance: They're you are Jordyn....

-he backs off when he sees her-

-she scrambles to her office and sees one of her patients outside crying-

Jordyn: john I am so sorry!

John: you..... left me!

Jordyn: I wouldn't never! -hugs him- come on elts get you inside. I'ms  
o sorry my friend got me drunk alst night and I feel horrible

John: your gonna do it again I know it!

Jordyn: as of right now I'm not talking with him. okay now sits down  
lie down just breath

-back with Lance-

Joey: dude!

Jc: I didn:t know okay!? I just wanted her to feel better. Next thing I  
know we're both drunk and we're in her place fucking like bunnies!

Joey: oh you are screwed when Lance finds out. she had a  
appointment that started an hour ago and her patient was bawling!

Justin: man I'm glad Jordyn came in when she did cause that guy  
looked hurt. why was so so late today? -he walks in-

Jc: Remind me to go into hideing for the next twenty five years. I  
think that'll be just enough time for those guys to cool ff.

Justin: what did he do?

Jc: JUSTIN ROUNDS NOW!

Justin: you aren't my boss!

Joey: Lance is

Jc: just go okay. This is none of your concern.

-Justin shrugs and leaves-

Lance: I cannot believe you screwed my sister!

-Jordyn storms into the room pissed!-

Jc: I didn't mean oh shit.

Jordyn: you made my patient have a fucking heart attack! if you didn't get me hammered and took advantage of me I wouldn't have to deal with that!

-Jordyn is fuming. her head still hurt-

Jc: Okay. I was just as drunk as you were. I have low alcohol tolerance. By the time we got back to your apartment I wasn't even thinking straight. I never ment to take advantage of you. I'm sorry. But just for the record I still stand by what I said before. You're beyond hot. -leaves room.

-Jordyn storms after him slamming him against the wall-

Jordyn: you should know better than anyone when I get drunk I don't remember anything and become very vulnerable!

Jc: Again I was drunk as well.

Jordyn: I should make you miss your fucking surgery and now you'll know how I feel when I can't help a patient

-and with that she punches his square into his face and he falls to the ground. she pops her knuckles walking off-

inner Jordyn: ass hole

Lance: JORDYN!

-she goes into her office-

Joey: I think you deserved that one man

Joey: we all know work comes before anything else

Joey: to her

Lance: Joey just grab him an ice pack. I don't think he needs to have it rubbed in his face anymore.

-Joey goes and takes him into a patient room and puts him on the bed cleaning him up-

-Becca saw the whole thing and wished she could have video taped it-

Jc: She didn't need to make it worse. I already feel guilty about it.

inner Becca: No shit Sherlock. Dear God the look on everyone's face was priceless.

Joey: well don't go near her for the rest of the day

Jc: Easier said than done.

-meanwhile Jordyn was talking with another patient who luckily didn't see what she did-

-after that she goes in to see Becca-

Jordyn: hi Becca how are you today?

Becca: Food?

Becca: aside from a rumbling belly nothing.

Jordyn: I'll get you food. let me just check you out

-Becca can see her knuckles is bruised-

-Jordyn unstraps her and checks her pulse and breath and other things-

Becca: Damn. You really bricked Chasez hard.

Jordyn: don't mention his name he nearly cost my patient his life

Becca: Sorry.

Inner Becca: And she's going on at me about getting over shit.

Jordyn: so I'll get you some thai food but first I want you to tell me what Joey told you yesterday

Jordyn: please?

Becca: Food first.

Jordyn: nope

Becca: Okay then. No secrets.

Jordyn: two can play at that game Becca. I want to keep you on the IV until you tell me. -she writes on Becca's chart and walks to the door-

Becca: Fine. He told me that you tried to off yourself back in the day.

-Jordyn stops dead in her tracks-

Jordyn: he did?

-her voice is tense-

Becca: See. I told you.

Becca: Now food.

Jordyn: nurse bring Becca some Thai food. she deserves it

-Jordyn then storms off-

inner Jordyn: this is NOT my day

-Jordyn ends up bitching out Joey about him telling her, that it was personal and he had no right-

Joey: you had to tell her because she seems to be getting better

Jordyn: Joey she is my patient! -the door is open and everyone on the floor can basically hear it-

Joey: I was helping her!

Jordyn: -pushes him to the wall- do not piss me off Joey no one else knows about it and no one else will got it?!

-Joey nods scared. Jordyn pulls away from him and leaves the room. everyone is staring at her-

Jordyn: what I can't loose my cool for once?! -she goes to her office staying there for the rest of the day writing-

-meanwhile Becca is pigging out on enough food to feed an army-

-that night-

Becca: BURP!

-Jordyn is on the roof again her face wet-

Lance: You gonna be okay Jordyn?

Jordyn: I don't know -her lips tremble-

Jordyn: my biggest secret was told to someone who wants to kill herself and Jc took advantage of me when he knew what could happen

-no one knows but Joey she tries to kill herself-

Lance: Well on the bright side Becca is doing a lot better than when she first came in and Jc feels like shit and is thinking about resigning.

Jordyn: she's getting better cause she knows something even you don't know

Lance: You're my sister. I'm not used to having you keep secrets from me but if you don't want to tell me then I'm okay with that.

Jordyn: you wouldn't beleive me -she pulsl her knees to her chest and puts her face into her knees-

Jordyn: everyone wants me to help them and I write books about different stories I can see happening and no one would think I came from where I do

Lance: yeah. You're writeing is amazeing.

Jordyn: Bass you know what is wrong with Becca basically right? since you wer eht eon who treated her

Lance: Yeah. It looks like depression but in a way it could be bipolar disorder. -Jordyn is the only one who knows about the abuse-

Jordyn: you know how I'm really keen on making her sane right?

making her healthy again?

Lance: Of course.

Lance: That's why you and I are in this business. So we can help people get healthy again.

Jordyn: Lance I tried to burn myself down to hell in college. you were at a different one from me. when I met Joey he thought I was a depressed chick but when he came over to help me study he found me burning on my couch and unconscious

Jordyn: I told him that god didn't have any use for me and I would go to hell so I burnt myself there, or tried to

Jordyn: I was dead for 90 seconds

Lance: Oh god. So when Mom and Dad got the call about you in the hospital.....

Jordyn: i was near death

Lance: Jordyn. -hugs her-

Jordyn: your parents don't give a shit about me Lance. they just adopted me because of your church

Jordyn: they hate me because I'm a tomboy and wanted to become a doctor and wait till I was 30 to get married and have kids

Jordyn: I was kicked out fo your hosue and didn't see you till medical school. only Joey knows what happened during college.

Lance: I care about you though. You're my sissy. You're the girl who pulled my hair when I wouldn't shae my toys and who threw spaghetti at me for fun. We took baths togehter.

Jordyn: yeah but your mother always looked at me funny and bought me all this girls tuff that I just ended up burning and wearing your stuff

Lance: I used ot help you burn it.

Jordyn: you saw me in med schoola s a hiper active smart person who already had a book being published

Jordyn: you didn't see in college as a girl who was planning her death during orcastra -she plays piano-

Jordyn: when iw as in the hospital the sumemr after freashmen year I kep planning on killing myself when ig ot out

-Jordyn sniffles still crying-

Lance: I realize that. But what made you change your mind?

Jordyn: Joey kissed me

-she looks at the ground-

Lance: He always knows how to turn on the charm.

Jordyn: you know how I had no friends! I always said I didn't want any but they didn't want me

Lance: yeah.

Jordyn: he told me he was my friend and would help me through this then he kissed me and held onto my hand as we watched tv-

Lance: he's a good guy.

Jordyn: made m remember when I was dead I kept hearing ovises saying I was gonna make it and make them all proud. here I am now

-Jordyn cries more-

Jordyn: I now know it was my real parents

-Lance hugs her and let her cry on his shoulder-

-Becca is going up the stairs to the roof wanting to jump. she got loose from her room. when she opens the door she sees Jordyn crying onto Lance's shoulder and hears her say this-

Inner Becca: Well there goes that plan.

Jordyn: I won't give up on Becca Lance because she's just like me and I can't let her give up on her dad

Jordyn: I know her dad wants her to succeed just like mine do

Inner Becca: Here we go again.

Lance: Wait.....She never talked about her past. I know about doctor patient confidentiality but what did she tell you?

Jordyn: her mother abused her severely and I called in the police explaining everything she told me and her mother is going into court in about a month. I'm gonna testify and get her what she deserves

Jordyn: just don't tell Becca or anything she'll freak

-Becca goes pale and slides down the wall. covering her mouth to muffle the sound of her crying. It's the first time she's cried in years-

-Jordyn sniffles and looks behind her and sees Becca's arms, she knows those bandages-

Jordyn: Becca?!

-she wipes her eyes and walks over-

-the arms disappear and so does Becca down the hall-

Jordyn: Becca! -she runs after her and Lance follows-

-Becca runs not knowing where she's going and not really caring-

Jordyn: Rebecca!

-Jordyn wipes her face and picks up her pace. she catches Becca and brings her to a stop-

Jordyn: Becca what did you hear?

Becca: Let go

Jordyn: Becca stop its okay!

Becca: I heard every word now let go of me!

Jordyn: fine -she lets go of her-

-Jordyn stands there-

-Becca takes off-

-Jordyn has more tears run down her face and she goes to her office locking herself in. she watches hosue as tears fall-

inner Jordyn: well I was going to have a bad day sooner or later

Lance: Shouldn't we go after her?

Joey: I don't know.....

Jc: She'll turn up. She's got to still be on the floor.

Joey: if Jordyn didn't go after her neither should we. but then again she was crying and I've never seen that since college.....

Lance: Both of them will come too sooner or later. In the meantime I want the whole hospital to be on lookout for Becca.

-Chris is walking through the halls and soon comes across Becca who is sobbing in a corner-

Chris: Rebecca? Sweetheart are you okay?

Becca: Go away!

Chris: Becca. -walks closer to her- Hun I know it's hard but dying isn't the answer.

Becca: You don't know anything about it!

Chris: Rebecca listen to me. Whatever it is I'm sure we can work it out.

Becca: it's none f your conceren!

Chris: Maybe. but I care about you. I let you sleep on my couch when you were an intern with Justin. I don't want to see a girl who's like a neice to me get hurt.

Becca: They're going to find me.

Chris: Who's going to find you?

Becca: The family. Jordyn told the cops about mom. no doubt she's already sent some of the family after me to keep me and her from talking.

Chris: Becca I promise you nothing bad is going to happen. -lifts her up- Now lets get you back to your room.

Becca: No! I need to dissapear before they find me! -runs-

Chris: Rebecca! -tries to run after her but preggo people regardless of gender don't run that fast or well.-

-and the fact it is Chris.....-

Chris: Damn. I need to let the doctors know.

Chris: HEY!

-Justin goes to Chris's room finding him not there-

Justin: Chris? probably wondering

-he runs his hand over his fuzz-

Justin: man I'm still not sue to this

Chris: Justin. Babe. Becca made a break for it.

Justin: I hear she ran but Jordyn isn't going after her so we aren't.  
what did she say?

Chris: Becca said something about needing to dissapear before her family found her. I think she might have mangedto escape the hospital. I found her in a corner but she ran.

Justin: alright -he presses a near by button - code white- thanks babe -

kisses Chris-

Chris: You're welcome.

-Jordyn sees the light going off in the office and turns off the tv closing the cupboard. it is opposite from the couch. she leaves her room still wiping her eyes-

Jordyn: code white?

Lance: Becca made another break for it. We're trying to figure out where she might have gone.

Jordyn: okay then. what makes you think she left the building?

Lance: yes.

Jc: Well we know she's gonna be at her apartment first. Now what's a form of suicide has she not tried yet? That might help us a bit.

Jordyn: WHO WAS IT THAT CALLED THE CODE WHITE?

-Jordyn wasn't getting her answer-

Lance: Justin.

Justin: tiw as me

Jordyn: did you see her at all?

Justin: talk with Chris he found her

-Jordyn nods and goes to Chris. she soon comes out on her cell phone-

Jordyn: yes keep a look out for Rebecca Cerridywin and when you find her make sure she is protected okay? thank you you have my cell -she hangs up putting on her jacket and grabbing her keys-

Jordyn: stay here and keep a look out. find her call me

-she leaves the building running to her car. it started to rain-

Jc: DROWNING! -slams fist down- THAT'S WHAT SHE HASN'T TRIED YET! LANCE! TELL JORDYN THAT SHE NEEDS TO LOOK AROUND BODIES OF WATER AFTER CHECKING BECCA'S APARTMENT!

Lance: I'm on it! -calls Jordyn and tells her-

Jordyn: mkay -she hangs up and checks Becca's aptment find her not here-

-Jordyn sits down thinking of the closest body of water.s he swears and drives to it-

Jordyn: the river by the hospital

-she drives over there parking her car. she looks around for her-

Jordyn: Becca!

Jordyn: Becca please don't be scared of your family just come out!

-Becca is standing on the edge of a dock getting ready to dive. She's wearing dark clothing so she's hard to see.-

Jordyn: Becca please! -she cries it out feeling like she's gonna cry- please don't try it Becca please I know it hurts I know!

-splash-

-Jordyn hears it and whimpers-

Jordyn: I can't swim..... god I can't do this -she rips off her jacket diving in-

Jordyn: Becca! -she struggles having trouble staying above water-

-Becca is floating face down. There are still bubbles though so she's alive-

-Jordyn struggles over but goes under screaming out to Becca to not

do it before she takes a big gulp of water-

inner Jordyn: damn it I knew I shouldn't have done this

-the sound of police sirens and people coming close-

-Jordyn sinks-

inner Jordyn: I knew I'd cause myself to die.....

-a hand plunges down and pulls her up out of the water and into a boat-

-Jordyn coughs and spits up water looking around-

Jordyn: who-

Jc: You okay?

Jordyn: Jc -she grabs him holding him- I'm stupid trying to get Becca when I can't swim

Jc: Don't worry about her. The cops are getting her out of the water now. -points- see?

-Jordyn looks and sees Becca struggling against them-

Jc: She's scared.

Jordyn: I'm an idiot -she holds Jc putting her face in his chest- you can call me stupid if you want

Jc: No. Just not willing to see a friend die out of fear.

-they are getting more soaked from the rain-

Jordyn: ugh this has been a hellish day. I tell Lance about my college apt that only Joey knows about and Becca hears about me having the police arrest her mom and..... -Jc cocks his head at the college apt-

Jc: I'd ask but I don't think now is a good time.

Jordyn: I'm writing my third book on it. my biography

Jc: Wow....

Jordyn: that's what I've been writing about

Jc: Well it's a good topic as any I guess.

Jordyn: and people know that I seem to be perfect now but I'm not even close -she laughs and coughs up some more water then Jc gets her to shore where he helps her into the ambulance where they

check her out-

Jordyn: yeah checking out a doctor

Jc: Ironic.

-they get them back to the hospital and Jordyn is wrapped in a towel.  
Lance rushes to her holding her tightly-

Jordyn: yeah I'm an idiot

Lance: Are you okay?

Jordyn: I'm fine

Jordyn: might have swallowed the fish though

-Lance laughs-

-she smiles and Lance gets her inside-

Lance: Joey is pacing the hall worried sick about Becca. They locked her back up in her room.

Jordyn: good

-Lance takes her to the lounge and Jordyn pulls some clothes from

her locker-

Jordyn: just inc ase

Lance: Yup

-she changes wearing all black-

-but its a shirt and black jeans-

-she puts ona tie over it to look professional somewhat-

Lance: Lets head over to my place. We both need some rest.

Jordyn: I have two mroe appointments today Lance. I have to take care of that first -she brushes out her ahir pulling it back intoa ponytail-

Lance: Okay.

intercom: dr. bass your needed in surgery

Jordyn:a dn you have something

Lance: Gotta go. -leaves-

-Jordyn heads to her office and waits for her appointment to start.

but insteads he gets to hear gun shots and she drops her stuff going outside-

Gun: everyone down!

Gun guy: everyone down!

-people scream and get down-

Jordyn: what is going on here?!

Guy: are you Dr. Wood?

Jordyn: whose asking?

Guy: your treating a Rebecca we want her now

Jordyn: you not getting her because she is under medical care now

Guy: give her too me -points the gun at her-

Jordyn: n. o. understand bub?

-the guy pulls the safety on the gun and walks closer to her-

Guy: give her to me now bitch!

Jordyn: nice squirt gun now put it down and we can talk about this

-the guy grabs her putting her head into an arm lock and puts the gun to her head-

Guy: now everyone will listen to me! I want Rebecca Cerridywin if I don't get her now she's dies!

Jordyn: don't say a word!

Jordyn: you all will calm down and just breath. guy put down the gun and we can talk

Guy: I've heard that line before.

-the guy drags Jordyn down the hall as he searches the rooms for Rebecca. her room is locked-

Guy: whose in here?

Jordyn: I'm not telling you!

-Becca is tied to her bed-

Guy: fine then -he shoots the door down and people scream-

Jordyn: everyone calm down!

-the guy kicks the door down-

Guy: there she is come here wretch

-he throws Jordyn to the ground and goes after Becca-

Becca: no! nononono!

-Jordyn stands up and grabs the guy twisting his hand so the gun drops. it goes off against the wall-

Jordyn: drop the gun buddy! -it flies out of his hand and he pushes Jordyn tot eh ground grabbing it and aiming it at Jordyn-

Guy: now your dead!

Becca: Oh god this is all my falut!

Jordyn: no! -she flings her foot int eha ir and kicks the gun out of his ahnd. he howels and kicks at Jordyn while she rolls away-

Jordyn: this is not your fualt Rebecca!

-she dives for the gun but the guy lands on her grabbing the gun yet again-

-Jordyn keeps kicking at him and they battle back and forth-

Becca's eyes are shut and she hears another gun shot and she screams-

-she gets untied and is thrown over his shoulder. she opens her eyes seeing Jordyn lying on the ground bleeding from her chest-

Chris: We need to help. Justin call the police and tell them what's going on.

Justin: I can't! dear god!

-he watches as the guy walks from the room dragging Jordyn by her leg with them. people scream at the blood trail-

Chris: We need to!

-the guy points his gun at people-

Guy: no one will move! -there are other guys with guns- come on boys we take them both -one of the guys goes and picks up Jordyn who was unconscious-

-well actually she was in a coma-

-they carry them out and drive off-

-Justin's scrambles to the phone calling 911. Lance and Jo run in from surgery all in scrubs-

-they see the blood-

Lance: What the hell happened!?

Justin: Why shot Jordyn and took both her and Becca. Jordyn doesn't have long it's a chest wound

Lance: Damn. Where could they have taken them?

-Justin talks with the police-

Lance: Joey calm down. Things aren't going to get any better with you freaking out. I've already got Jo to worry about.

-Joey was rubbing his face freaking out at the blood-

Jo: Oh god where is she!?

Joey: Jordyn is my friend and she has a chest wound I have to freak!

-meanwhile-

-Jordyn was holding her chest her hand covered in blood-

Becca: Please be okay Jordyn. Please don't die.

Goon: Shut up!

Jordyn: I will be okay -her voice was soft and she opens her eyes- I've been on fire before. you'll make it okay? you will

Becca: Okay.

-Jordyn wheezes-

-they're taken to an old nightclub and dragged around to the back into a dark room-

Goon: So what now?

-Jordyn gasps-

Guy: she'll be dead soon so we don't have to worry about her. I think we should just shoot her -points his gun at Becca-

Goon: Remember what the Matron said though? We were supposed to keep her alive long enough to make her beg.

Guy: fine. come on let the doc die first. he was the one that tried to make her think he was good enough -they laugh and leave

shutting the door-

Becca: I have to stop the bleeding. -takes of her shirt.- It's soaked but it'll have to do. -puts it on the wound and applys pressure.

Jordyn: two pairs of -gasp- clothes

Becca: Don't talk. Just try to stay awake.

Jordyn: I'll need to put -wheeze gasp- more in locker -gasp-

Becca: Jordyn just try to stay alive.

Jordyn: I'ma doc too -she says it sfotly staring at hte cieling-

-at the hospital-

Lance: Good news guys.

Justin: they are looking

Joey: it feels like its always Jordyn who is getting hurt

Lance: they got a call. Someone saw a vehicle matching the description of the one Jordyn and Becca we're taken in. They're investigating it right now.

Justin: lets hope its right -he holds Chris's hand- Jordyn's my idol

Chris: We all want her to be okay. Joey? You look like you're gonna be sick. You need to lie down?

Joey: maybe -he lies down- she's my intern

Joey: she can keep Jordyn alive I know she can

-Joey goes green and gags throwing up. the sight of blood was fine to him but it was Jordyn's-

Lance: Joe I care for my interns but you're practically obsessed with Becca. Are you sure it's not something else?

-Jc goes and gets a bucket for Joey and a janitor to clean up the mess-

Joey: its just Jordyn's blood makes me sick..... I saw her on fire before its not pretty

Justin: on fire?!

Jc: Huh?

Joey: Jordyn tried to cremate herself in college. her whole body except her face was in flames and when I found her she was unconcious. she was dead for 90 seconds

-Joey spits into the bucket-

Joey: I care so much for Becca she doesn't deserve any of this

Justin: dude are you sure your talking about Jordyn?

Lance: It happened. She doesn't like to talk about it.

Justin: holy crap

Joey: she's writing an biography on herself so..... you'll read about it then

Justin: she is a great writer that much I know. her book she realised when she just got into med school was what made me want to become what I am today. even Becca said that book inspired her because she had to read it.

Joey: I don't want to lose Becca Joey chokes a sob and JC rubs his back as he hurls again-

-meanwhile-

Jordyn: you read my two books? -it was whisper-

Jordyn: my first -cough- was for school. I turned it into a book -Becca

was trying to keep Jordyn awake-

-her first book was on a gay man who was a high school student with wealthy parents. it was basically his coming out story and his struggle to be himself-

Becca: yes I read both.

Becca: They were very good. I can't hold a candle to your writing.

-her second book was about a girl killed herself and how her family traces back on her life to figure out why she would do it. the end of it is the funeral and it seems so real but its fiction-

Jordyn: I had to do them both for school. second one was for my school and it was a long report. each of them I made longer and turned into books because Lance told me to

Becca: I can see why.

-Jordyn is extremely pale and wheezes more-

Becca: I think I can hear sirens.

Jordyn: something to add to my biography -she coughs up blood-

-it falls out of her mouth and she struggles to breath-

-Becca holds her up and helps her out.-

Becca: To talk. Just try to breathe.

Jordyn: if I don't make it make Lance finish my book for me and you write what happened here..... -she ends up collapsing-

Becca: JORDYN!

-the door is opened and the cops come in and take them away. The paramedics rush and get Jordyn to the hospital-

-Becca is taken there too-

Cop: Well here's your crazy gal.

Joey: Becca!

-he rushes to her hugging her-

Joey: we were all worried!

Justin: okay we were but Joey was hysterical

Becca: What? About Jordyn right? Just said he was going to be operating on her.

Joey: no for you I was so worried!

Justin: I'm assisting Jc I have to go -he runs tot eh ER-

-play ER music here as he runs down the hall dramatically-

-Becca looks a little confused but nods-

-Justin scrubs up and can see Jc's eyes red-

Jc: Justin hurry up and stop any bleeding!

-Justin hurries into the room and they begin operating. Jordyn's heart stops during it-

Justin: uh oh

-Jc does what is call open-heart massage-

Justin: she's back. damn I want to be as good as you Jc

Justin: but then again I'm more with the neuro stuff

Jc: Keep working and maybe you will one day. As for neuro you'd be better off asking Lance.

-Justin nods and they finish up. Lance shows up near the end-

Justin: she'll make it Lance

Lance: Thank god.

Justin: Jc I think's been praying this entire time

Justin: isn't Jc one of the top heart surgeons in this area? -Justin smiles-

Jc: I don't like to brag but yes.

Justin: and Lance is top of his area too. this hospital is full of the best

-Justin leaves the room changing-

-Becca is sitting in her room looking at a lone doughnut-

-Justin come sin-

Justin: she's gonna live. she'll be able to finish her book for us

Becca: That's good. Why was he so worried?

Justin: who Joey or Jc?

Becca: Joey. Jc I understand. But Joey?

Justin: he' fell in love with his intern anything wrong with that? -

Justin smiels and leaves going to Chris-

Becca: What?

Chris: So how does it look?

Justin: she'll live. Jc gave her a nice scar though

Chris: Good. And Becca?

Justin: -chuckle- man we have brilliant people here. the world knows Jordyn for how good of a writer she is and how many people she has saved. even celebrities come to her for their therapist

Justin: that's how I met britney spears -he wiggles his tie-

Chris: You little tramp. -playffuly shoves him-

Justin: but I get to know her personally and I'm glad she helping us boht out

-Justin hgus Chris sitting behidn him resting his chin on hsi shoulder-

Justin: Becca is trying to understand Joey

Chris: That girl just doesn't understand love. -looks at the bump-

Justin: from what he told me Jo's had a crush on Jordyn since they were interns and he got to meet his favorite author. Joey fell in love with his own intern -Justin pulls up Chris's shirt rubbing his stomach that is hairy- your sexy with a baby bump

Chris: Thanks.

-Justin kisses Chris passionately-

Justin: I can't ask for anyone better or a job any better

-Chris is a psychologist who has his own business-

Chris: I love you. -holds him-

-Jordyn doesn't know that yet and doesn't know Chris has been freaking out a lot that his boyfriend works with Jordyn Wood and the fact she is going to help him have his baby-

Justin: you know Jordyn doesn't know your her number one fan -  
Justin grins-

Chris: She doesn't need to know.

Justin: you went to her book signing you have her two books in your office you reference them and her articles she's written and you have her oprah talk and ellen talk

Chris: Yes but she doesn't need to know.

Justin: well she's probably be really flattered to know your a psychologist though.

Chris: yeah. I'll tell her later.

-Justin kisses Chris's neck and reaches his hand into his pants-

Justin: you can still orgasm..... -he sucks on Chris's ear lobe rubbing him-

Chris: I don't know if we should. Okay fine. -grwols sexily and kisses Justin-

-meanwhile Jordyn is wheeled into her room and wakes up-

Jordyn: groan -she says it in a groan-

Jc: Welcome back.

Jordyn: I didn't leave

Jc: For about ten seconds you did.

Jordyn: well that does match up to 90 seconds -she winces- I didn't say that

Jc: Too late. I'd have found out sooner or later. how're you feeling?

Jordyn: fine. what do you mean find out sooner or later?

Jc: Weren't you going to write about it in your next book?

Jordyn: yeah but..... jeoy told you didn't he

Jc: I can't remember if it was you or him. Still. It's good to know you're alive now.

-Jordyn glares at Jc-

Jordyn: are you playing a game with me because it's making my unhapp[...]

Jc: No!

Jordyn: why are you confused?! I'm asking you if Joey told you anything about a 90 second thing!

Jc: It was you. When I pulled you out of the water.

Jc: You told me everything.

Jordyn: I just told you I would write about it in my book I didn't say anything else other than my college life

Jordyn: Joey told you! why did he do that? -Jordyn winces putting her hand on her chest lying back down- why

Jc: Maybe because it was time for the secret to come out.

Jordyn: you could have read my book though..... -sigh- you don't think I'ma freak that I would hide trying to cremate myself alive because god had no use for me except to burn in ehll?

Jc: No. I don't. That's not hte Jordyn I know. The Jordyn I know grew out of that phase and is a strong woman who can chew gum kick ass and take names.

Jordyn: good cause I'd bitch you out if you did basically saying what you just said

Jc: Gald we see eye to eye then.

-Jordyn snuggles up under the sheets-

Jordyn: who operated on me?

Jc: I did.

Jc: Justin helped.

Jordyn: go tell Justin I think him fromt he btoom of my wounded heart

Jc: I'll be sure to let him know.

-he leave the room-

-Jordyn nods and stares at Jc-

Jordyn: were you crying Jc? your face..... I know you were crying gosh man Lance did cry

Lance didn't

Jc: yes. I was. I was scared for your life.

Jordyn: so was Lance

Jc: I might be in love with you Jordyn. just thought you should know.

-leaves room-

Jordyn: 'just want you to know.....' -she sings it as he elaves-

Jordyn: love ya too

-Jc smiles at her as he leaves-

-meanwhile-

Lance: Joey don't you think you should talk to Becca? About how you feel I mean.

Joey: I will. just give her chance to calm down a bit from what just happened

Lance: Okay. But in the morning I want you to talk to her.

Joey: fine father -he says sarcastically-

-the next morning-

inner Becca: How can he love me? I don't understand. I don't know if I love him....Do I? Someone please tell me.

-Jordyn comes in rolling in a wheelchair wearing pants and a shirt special for hospitals-

Jordyn: hey beck

Becca: hey.

Jordyn: yes I'm alive don't tell Jc I'm moving

Becca: Where? Orlando? LA?

Jordyn: no moving -she moves back and forth with her wheelchair- he'll flip. I'm a doctor too I know how my heart works

Jordyn: the buttle just barley misses my heart so.....

Becca: Okay.

Becca: Where are the others?

Jordyn: doing their rounds. I'm still chekcing up on my patients though. if I can move someone then I do

-Jordyn rolls over and looks at Becca' chart and puts it in his lap-

Becca: okay. Can I leave soon?

Jordyn: what be realted? no not after this

Becca: Drowning was my last ditch effort. I've tried everything else. I guess I just need to wait.

Jordyn: no Becca I want to make sure your really healing. I'm sorry but I can't trust you yet. you can move around the hospital but you can leave the building for a while. not for a long while, like a couple more monthes

-Jordyn looks sad-

Jordyn: I wish I could but I can't

Jorydn: y uor my friend so I'm gonna make sure you get the best

Becca: I might as well face it. I'm never getting out of here. -flops on her bed stareing at her bed-

Jordyn: yes you will -she pats her back -give me your arm I need your pulse

-Becca holds her arm out- Becca: And on top of that I might as well face the fact that I'm going to die a virgin.

Jordyn: don't be so sure when you have Joey around -takes her pulse-

Becca: uh huh. Everyone says he has the hots for me when I don't even know how relationships work. Hell I've practically forgotten how sex is supposed to work-

Jordyn: see when the penis gets hard the female spreads her legs and the male pushes his penis into the vagina. he moves in and out until they reach this point called an orgasm

Becca: thank you for refreshing my memory.

-Jordyn writes something on Becca's clipboard-

Jordyn: no problem. if you're wondering oral sex is when either the girl sucks on the guy's penis stimulating it that way or the guy sucks on the girl's pussy which is slang for the genitals for females. he mainly uses his tongue on her clit to make her get 'horny' and sometimes orgasm

Becca: Okay.

Jordyn: and anal sex is just like vagina sex only the dick or cock, slang terms for penis, goes into the woman's ass. that is also how men have sex together

Becca: got it.

Jordyn: any more questions?

Becca: Nope. I can read about bondage.

Jordyn: heh heh that's fun.

-Jordyn puts Becca's chart back up and rolls out of the room. Becca hears Jc yelling at Jordyna dn Jordyn wheeling off down the hall grinning evilly-

Jc: get back here!

Jordyn: no!

-Jordyn does a wheely and a few people calp-

Becca: hahahhahahahahaha!

Jordyn: that was scary

-Jordyn goes to her next patinet. her iv bag was attached to her wheel chair-

-Jc groans and Joey pats his shoulder-

Joey: you baged a wild one

Jc: yeah. And you get the psycho chick. I'm startig to get jelous.

-jeoy smiles and goes into Becca's room-

Becca: Done with takeing care of baby bellyaches?

Joey: have any more cake?

Becca: burp.

Joey: darn you -he sits ont he edge of her bed-

Becca: So is there sometihng you want?

Joey: well Lance told me I had to tell this to you

Becca: I'm gonna die of cancer?

Joey: better -jeoy chuckles- I'm..... I've fallen in love with you. when I found out that you failed the exam I felt bad but I wanted to amke sure you passed it the next time around. but when you tried to kill yourself I wanted Jordyn to wrok extra hard on you, telling her that she is just herself. she promised she would

Becca: Thing is Joey. You're a nice guy. But I don't know love. I know what it's supposed to be but I don't know how. You know about my past. It was pretty hard to. I thought I was in love with a guy but he baiscally quoted hamlet and told me to 'get thee to a nunnery' and

then he killed my dad in a traffic accident. So as you can imagine it's been kinda hard for me to know love really.

Joey: its not the hard. it come naturally

Joey: Jordyn loves Jc but its not like she is at his feet kissing them showing them physically. actually she's ovioding him at this moment -they can ehar Jc yelling at Jordyn who yells back-

Joey: they love each other and theya ren't even trying

Becca: Uh huh...I still don't get it but I think I need to learn more.

Joey: how do you feel towards me? -he rubs his hand along her knee the is under the sheets-

Becca: I like you well enough I guess. I mean if I had to I'd give you the last slice of pizza and I don't do that for many if any people at all.

-Joey laughs and leans down kissing her-

Joey: what do you feel now?

-Becca looks suprised.-

Becca: Okay. I feel really weird. Like a soft tickle. Only inside. And my cheeks hurt.

Joey: your embarasses and you liked it. its easy to understand these things. talk to Jordyn she can tell you these things better

Becca: Okay.

-Joey pats her stomach and leaves-

-Jordyn ends up hweeling intot he room and shutting the door-

Becca: No. Don't go please!

Jordyn: nag nag nag bitch bitch bitch

Jordyn: who shouldn't go?

-Becca sighs and sinks back into her bed-

Becca: Joe. I don't know why but I didn't wnat him to leave.

Jordyn:y uor in love

Becca: Right. Joey told me to ask you about what I felt when he kissed me.

Jordyn: oh. mkay then

-Jordyn leans back and thinks for a second-

Becca: I felt my cheeks get hot. There was this strange tickling feeling too.

Jordyn: love is when you want the very best for that other person. you feel it towards friends family the person your dating or married to even your kids. its just when you love someone and with also have this lust and you know you want to be with them in a way you don't want to share it with you are in love with them and date

Becca: okay....I think I understand.

Becca: So I am really in love with Joey? Okay....but what do I do?

Jordyn: do what your body is telling you.

Jordyn: dating isn't all about sex, sex is just an added bonus. something that adds tot eh thrill. everyone has their own few on when sex should ahppen in a relationship, but I think ti should ahppene when you care aboutt eh erpsona dna re ready to make that step witht hem. tis smart to wait till your amrried because of STD's and shit like that but many don't wait

Becca: okay. I know I shouldn't be worried but somehowthe idea of sex...I feel afraid. Why?

Becca: I mean from what I'm hearing it's nothing to be afraid of.

Jordyn: because its an emotional thing too

Jordyn: it means a lot to everyone its just men have more the instinct to 'kock up women' and owman are more choosy because of the fact they only have one chance every month.

Jordyn: men have a shit load of sperm they don't have to worry about that. woman only get one egg every month

Becca: I don't think I want children. I don't want to turn into my mother.

Jordyn: iw rote an artical on it called the anotomy of sex. I got bored that night and have been without sex for a long long time

Becca: I see.

Jordyn: some women don't want children but still instinct. it is going to hurt for womans first time ebcasue theya re being pushed into and their body stretches out.

Jordyn: its normal to be scared because its a new and extremly feeling of sex. man talking about this makes me want to be with Jc but at the same time hate men

Becca: I don't know how I feel about the idea of pain but I suppose if it's only once then it's okay.

Jordyn: yeah and if your with a good guy who cares he will make sure it doesn't hurt and its the best sex

Becca: okay.

Jordyn: most women's first times suck okay? so don't worry

Becca: Alright. I know it won't be happening soon so I guess I have nothing to fear.

Jordyn: mkay. fi you want you canr ead my artical

Becca: Alright. They're not much on tv after two am so I guess it would help.

Jordyn: I'll go get it. lots of physicala dn emotional attributes to it

-Jordyn geos to her offic eand comes back witha hea:th magazine handing it to Becca-

Jordyn: first article in there and don't ask why they put my picutre int here

Becca: Thanks,

-Jordyn smiles and leaves. Becca watches as Jc grabs the back of her wheelchair and pushes her back to her hospital room-

Jordyn: damn you

Jc: You need rest. The interns can take care of rounds.

Jc: And you can reschedule your appointments with the other patients.

Jordyn: fine.

-she folds her arms pouting-

Jc: Don't worry. -kisses her cheek- You'll be back on your feet in no time.

Jordyn: I better be. you better not have elft any tool in my chest either!

Jc: I'm not that careless.

-Jordyn shrugs-

Jordyn: it can ahppen to anyone

-the following week-

Justin: good to have you back Jordyn!

Lance: Be it feels good to be back to normal routine.

Jordyn: eyes and not stuck to doctor's orders. now I know how my patients feel. I have to let up on them some more -she glares at JC-

-JC playfully sticks his tongue out at her-

Lance: Cut it out you two. Don't forget Joe you need to check out preggo man today too. See how Justin's boy is doing.

-Jordyn nips at it and goes to her locker-

Joey: I know. Jordyn you come too

Jordyn: they are three months along now. they came in when they were nearing two months

Justin: I can't believe it

Chris: So do we get to find out the sex of the baby yet?

Joey: amybe depends on if I cans ee anything

-Justin holds onto Chris's hand-

Chris: Justin I'm not a wimp I can handle this.

Joey: come along -he leads them down to his room where he sets them all up and does the ultra sound. Justin coems bounding out fo the room really happy-

Justin: tis twins! a boy and girl I'm having two kids!

Jc: Congrats.

Jordyn: congrats man! -hugs Justin- how is Chris taking it

Lance: That's great.

Justin: he not as happy

Chris: Two....Oh dear ogd I'm never loeing the weight.

Justin: because he has to screw up hsi body for two kids but he'll be ifne! -Justin goes back intot eh room- they will be fine!

Chris: Yeah but what about me?

Justin: you'll be fine -Justin kisses Chris passionately and Joey gags-

Joey: eww

-he cleans up Chris-

Chris: You know you like it.

Joey: I'm not bi -he stands up- here -he hands them the photos of them- when you are ready you can get dressed and leave

Justin: thanks

-Joey leaves and Justin puts his head against Chris's stomach-

Justin: hey babies. man I have magical sperm

-the next day-

Becca: Hey nurse? Do you have that stuff I asked for?

Nurse: Umm, No. I wasn't able to get it.

Becca: Nevermind. I think Joey might have what is really needed.  
You can go now.

-Joey comes in a while later-

Joey: Jordyn said you needed to see me

-he is wearing his doctors stuff-

-Becca is laying on the bed her legs spread out complelly naked-

Joey: um.....

Becca: Close the door.

-he closes it turning back out-

Joey: am I suppose to check something?

-he's seen naked people before-

Becca: no. Now hurry up and get a condom on and fuck me. Come on  
you have the hots for me am I right? So hurry up.

Joey: um... I like things to go slow. do you want it to go fast?

Becca: I don't care about how fast things go. I just want to get over the first time.

-Joey goes and hangs up his doctors coat and stethoscope-

Joey: alright then -he begins to work off his tie-

-then his shirt then his under shirt then his belt buckle then his shoes then his socks-

-he is now in boxers and he walks over climbing onto the bed and leaning down kissing her-

-Becca kisses him back not really knowing what to do or how to feel-

-Joey keeps kissing her moving to her lawline-

Inner Becca: This feels good strangely. I like it when he kisses me there.

-he moves down to her neck-

Becca: warm...It's warm

-he flicks his tongue out and moves down her throat-

-Becca moans a tiny bit shivering as well-

-Joey runs his hands up her chest sitting up on his knees. he feels her breasts moaning-

Joey: you are very pretty

Becca: Thanks. You're the first person to say that.

Joey: I love your breasts -he leans down sucking on her left nipple-

Becca: B-cups.

-he flicks his tongue across it kisses it and sucks on it till its stands at attention-

Becca: oh...so they're supposed to do that. That's a relief.

Joey: its a very good thing because if you ever had kids this is what they suck on to get milk -he moves to her right nipple-

Becca: I'm never having children. I don't want to put another child through what I went through.

-while doing this he uses his middle finger and rubs her clit lightly-

-Becca sucks in some air making a hissing noise when Joey rubs her clit -

Joey: you like that?

Becca: Yes. Keep it up.

-he kisses down her chest and spreads her legs licking at her clit and pressing his finger against her slit that is getting wet-

Joey: your wet for me -he grins sucking her clit between his teeth-

Becca: I guess....I know I'm wet but I thought it was just cause you were rubbing me.

Joey: that's the point. it means your body is getting ready for the actually penetration part. if we were doing it naturally you need to be wet so I can pull in and out of you..... sort of like this -he pushes two fingers inside her pulling in and out- mmmmmmm

Becca: Damn that feels good.

-he presses his fingers against her walls going at a fast pace still licking her clit-

-Becca bites her lip a bit muffling the moan so that n one can hear them-

Joey: do you feel something going on? feel lik eyour gonna cum

Becca: eh?

Joey: alright I'll show you then -he goes to his doctors coat grabbing and putting on the condom. he comes back over and positions himself-

-he kisses her again- Joey: you can kiss me back

Becca: Okay. I was wondering about that. -kisses him hard.-

-he pushes inside her slowly-

Becca: Ow. Okay that hurt a little. But it's supposed to happen I know that.

-he keeps pushing in-

Joey: your so tight baby

Becca: Well you're the only guy whos put his dick in me so I can't have streched out that much.

-She kisses him again her nails digging into his back-

-he is soon allt he way in-

Becca: Deat god it feels huge in there.

Joey: yeah I know I'm big -he starts pulling in and out slowly- fuck

-Becca gasps and moans relaxing a bit.- Becca: Don't stop. It feels good.

-he goes a bit faster groaning-

Joey: damn.....

-thankfully nobody hears them-

Becca: Fuck this is good.

Joey: tell me when you feel like your getting close to something -he goes fast holding onto her hips and sucking on her nipples-

-a few minutes later-

Becca: okay. it's started to feel like an explosions about to happen.

Joey: let is happen baby -he kisses her and groans- I'm close too

-Becca places a hand over her mouth and screams-

-he pounds into her harder reaching down and rubbing her clit with his thumb- Joey: cum for me baby

-Joey groans and cums-

Becca: So that was it?

Joey: yeah -he lies down on top of her body pulling out - that was an orgasm and you can have a lot of those

Becca: Oh. Okay

Joey: you don't even need a guy to do that to you you can do it to yourself

-Joey sits Becca up and shows her exactly where she gets pleasure from then kisses her rubbing her back- Joey: you okay now?

Becca: yeah. I'm still trying to figure out all this stuff with emotions but I guess I'm okay now. You've got patients you need to take care of now.

-Joey nods and stands up getting dressed again. before he leaves he kisses her again-

Joey: love you

Becca: I don't know enough about love to really say the same but I think I do love you too.

-he smiles and leaves-

-Becca puts her hospital gown back on and goes to sleep-

-meanwhile Jordyn is trying to work on some paper work in her office and Jc is behind her kissing and suck on her neck trying to unbutton her shirt-

Jc: Come on. Lets have some fun.

Jordyn: Jc come on I have to have this done today

Jc: This will only take twnty minutes. Come on.

Jordyn sighs and keeps working. Jc goes down and unbuttons her shrit from the bottom up-

Jordyn: Jc don't you have something to do?

Jc: Nope. No srguirs and no emergencies. Nobody has heart problems today.

-Jordyn puts down her pen and pushes everything to the side. Jc pulls her chair back and spins her around-

Jordyn: when you want something you get it

Jc: Yeah. Pretty much. -yanks off his shirt and pushes her down-

-she grins and he gets her shirt off. she rubs her bare back kissing his shoulder-

Jordyn: mmmmmmmmmmm

Jc: Naughty girl. -kisses her and rips off her bra-

-Jordyn gasps and leans back in her chair-

-Jc purrs pulling off his pants and boxers while rubbing her boobs-

Jordyn: you get hard fast -she stands up sucking on her breast- oh fuck

Jc: Yeah. You're hot though so can you blame me? -pulls off his

boxers and works on Jordyn's pants-

-he gets them and her boxers off. she bends down over her desk and pulls her hair into a ponytail. Jc gets on his knee playing with her pussy-

Jordyn: oh fuck yes jayce

Jc: naughty girl. Very naughty girl. -sucks on her pussy lapping up the juices-

Jordyn: oh yeah jayce don't stop oh yeah oh oh oh oh -she moans pressing her hands against her desk-

-Jc fishes around in his pockets and finds a condom. He places it on and goes back up grabbing Jordyn's hips and getting in position-

Jc: Ready?

Jordyn: just do it!

-Jc grins and slams into her fucking her hard and fast-

Jordyn: shit your gonna make me spray everywhere!

Jc: That's the idea

Jordyn: fuck your gonna make me cum quick -she drops her head down reaching between her legs-

Jc: Me too. -groans biteing her shoulder-

Jordyn: oh god..... -she moans more- harder baby harder god fuck me harder

-Jc slams harder and faster- Jc: I can't go much faster than this.

Jordyn: shit I'm gonna cum I'm right..... there! -she sprays gasping Jc name-

-Jc groans loadly cuming hard-

Jc: Damn girl. You did spray hard.

Jordyn: I told you -she sits up turning around. Jc presses up against her-

Jc: I love it when you do that. -kisses her-

-she kisses back rubbing his sweaty back-

-Jordyn's pager goes off. it's time for rounds-

Jordyn: man I wanted another go. -she grabs her clothes grabing a

tissue and wiping off her chair that was soaked- damn I should have you lick this all up since you made me do it

Jc: Gladly.

-Jc gets his clothes on and starts licking-

-Jordyn watches and grins getting her clothes on-

Jordyn: your cleaning up my office before you go -she slaps his ass-

Jc: yes ma'am.

Chris: awww. Heather looks like you.

Justin: she might just get my curls

Justin: but tyler has black hair all the way

Heather: Dear god. I can't believe how much more leg room we get here. This is definitely better than being in daddy.

Jordyn: alright Chris you're cleaned up. -she walks around showing herself covered in blood- congratulations

Tyler: she looks like the inside of daddy

Chris: Oh god. I need to relax. -looks away from Jordyn green-

Jordyn: oh sorry. Joey, get Chris back to the room and Justin clean up too -she leaves cleaning herself off along with the other docs.

-technically both amles and females have tits is just some come with

'back up' support-

Joey: when they're done feeding they will die down Chris. I'm seeing your estrogen level is going down and your testosterone level is coming up

Jordyn: having fun?

Jc: Yup.

-she stands back up-

Jc: I have a condom in my pants pocket if you want to grab it.

-Jordyn nods and bends over once more to get it. Jc's dick is screaming at her very open pussy-

Jc's Dick: HEY PUSSY! WANT TO HAVE SOME FUN!?

Nurse: Yes Dr.Wood. -steps aside-

-Becca is drawing all over the front wall. it's just a bunch of swirls but

Brian: I'll look it over and get to work on having it published.

Jordyn: thanks. you also said over the phone you wanted me to do interviews and some book signings. I'll be able to do it

Brian: Okay. I'll see what I can scrape up.

-he goes.-

-Jordyn goes back to her office-

Jordyn: hey yal? try to take over some of my patients today okay? if you really need me or they want me then that's okay but yeah

Nurse: okay

-Jordyn shuts her door lying down on the couch going back to House-

inner Jordyn: I would lvoe being on that show

-meanwhile-

Justin: hey Jc is Jordyn gonna be okay?

Justin: she seems like..... well shit a lot latly

Jc: She's just going through a rough patch. She'll be okay. I'm sure of it.

Justin: mkay

Jc: And is it just me or is Joey spending every non-working hour with psycho?

Justin: her name is Becca and they are dating

Jc: I know that. But still he's fucking her constantly. I understand they can't really do much because she's stuck in here but still.

Justin: hey you and Jordyn are fucking constantly too

Jc: True. I'm in a way worried that our relationship is just sex.

Justin: Chris and I are going at it a lot because he is so glad he can cum again

Justin: TMI I know

Jc: eh. I'm used to it by now.

Justin: well I'm sure EVERYONE says this but tis true -talk with her ti wroks. words help a lot

Jc: Yeah.

-later that week-

Becca: And that ones done. -hangs up picture- Okay that makes seven of these things. I wonder how much I could make off these?

Joey: who knows. at least you found something to do with your life

Becca: More of a way to pass the time when you're not around. I'm still stuck in here for a few more months. Maybe even longer.

Joey: all up to Jordyn

Becca: I'm gonna spend the rest of my days here. You should find another girl. One who you can have normal relationship with. Weren't you dateing this kelly girl for a while?

Joey: she's wants girls now. Becca I love you and I want you -holds her to his chest-

Becca: What is it about me you want?

Joey: your sarcasm can be fun, your hot, you are talented, you are smart, and I want to be in your life

Becca: They already kicked me out of my apartment. All my stuff

went into storage. I'm probably gonna have to sell it all. Then find a new place. I wonder if there's a ditch I can live in. Or a storm drain.

Joey: you can live with me in my loft

Becca: You've got a loft?

Joey: why do you have to be negative? no wonder you did all this stuff to yourself you never look at allt eh positive things you've got. and yes I live in a nice big loft same building as Jordyn

Becca: I hate to make excuses but just look at where I've been up to this point in my life. I'm still deprssed and while I've given up on killing myself I still feel sad. And on top of that the one time I get to leave this place I have to face my mom again. The main reason for me being who I am.

Joey: you going to move in with me the medication Jordyn will give you WILL make you happy and there isn't anything wrong with being on meds. I'll keep your mom far away from you and you will become an artist and lighten up my life

Becca: Artist? I just thought...I thought this was all just there. - motions towards drawings- I don't know if I'm an artisit or not.

Joey: I love your paintings and a lot of people who alk these halls see them and love them. I've ehard a lot of people talking about them

Becca: People talk about paintings all the time.

Joey: they mentioned you

-Joey rubs her stomach-

Becca: I suppose that counts for something. Why are you rubbing me there of all places? I have no problem with it but I'm curious.

Joey: you need to admit you have a talent here. you aren't trash no thing on this planet is. everything and everyone has a purpose and your finding yours

Joey: and my hands are resting here and I like rubbing your there. if you want o can rub other places?

Becca: No. I don't care where you rub me. I was just wondering.

-he rests his chin on her shoulder-

Joey: you are something Becca and I'm going to be here with you for a long time, hopefully forever

Becca: Lets hope. But if one of us dies the other has to find someone agreed?

Joey: no I can wait because most likly we'll die around the same time.  
I'm not that much older then you

Becca: A couple years.

-Becca kisses him-

Becca: I should be used to that but my cheeks still get hot when I do  
that.

Joey: mine do too. its nice -kisses her-

-several months later-

Becca: Finally I can wear normal clothes.

Jordyn: you'll be great with Joey. he's jumping for joy

-Joey is jumping up and down grinning-

Joey: finally yay!

Becca: I hope so. -runs over to Joey hugging him-

-he hugs her backing spinning her around-

-Jordyn rubs her forehead-

Becca: huh?

Jordyn: its nothing I'm fine

Becca: Seriously tell me.

Joey: you've been tried a lot latly Jordyn are sure your okay? you've been battling this thing for months now -goes over checking her pulse-

Jordyn: Joey if I had something wrong I would have checked myself in already

Joey: your pusle is going faster then normal. have you been sleeping okay? -checks out her pupil reaction-

Jordyn: a few hours..... a week

Becca: That's bad. Even for me.

Joey: Jordyn somethings wrong I want to run some tests

Jordyn: no tests I'm fine. I'll miss you Becca -hugs her and goes to her office-

Becca: Somethings wrong I just know it.

Joey: something is up. I want some blood tests before something happens

Joey: come on lets check you out and to my place

Becca: Okay.

-the next day Becca comes to work with Joey just a little scared-

Becca: I officially hate hospitals.

Lance: hey guys. Back already?

Becca: Har har har.

Justin: have any of you seen Jordyn like outside or anything?

Jorey: nope. why?

Justin: she hasn't come in yet and Jc's here

Joey: is it a day off?

Becca: oh boy.

Lance: No that I know of.

Becca: what do you think is going on?

Joey: beats me. she'll be in

Becca: I'm gonna sit down.

Joey: alright baby

-he goes to duty-

-a while later Justin heads over to Jordyn's to see what is up-

Inner Becca: why am I here again?

Justin: Jordyn? Dr. Wood?

-he knocks on her door finding no answer. he goes inside-

Justin: Jordyn? you here?

-he goes into her room and finds her in bed. he goes over and feels her forehead. she is burning up-

Justin: oh boy -he checks her pulse and breath- Jordyn are your awake?

Jordyn: meh..... Justin?

Justin: what is going on I have to get you to a doctors! -he pulls the sheets away and gasps. he sees a bump and her bed is wet- Jordyn?

Jordyn: I'm in labor Justin..... and I'm getting sicker and sicker. -  
Jordyn is plae and Justin picks her up getting her to his car-

Justin: when were you planning on saying your pregnant?

Jordyn: Justin I was told I wasn't able to have kids!

-Jordyn is fading in and out-

Justin: stay with me Jordyn!

-she's out cold-

Justin: shit. don't give me a ticket poilce guys -he speeds-

-he soon arrives and carries her into the hospital-

Justin: hurry she's in labor and I'm loosing her. her pusle is rapid and her breathing is quick she is burning up and she is out cold

Justin: she said she wasn't able to have kids and she didn't know what was going on with her. she barly sleeps and she's been like this for

months.

Justin: and if we don't get that kid out we might lose them both. -he gets her on a stretcher and they hurry to the ER-

-Jordyn's body can't handle a pregnancy. her body is slowly shutting down and can't reject the baby-

Justin: I wonder if no period is normal for her this long

Jc: what the hell is going on?

Justin: um.....

-Justin makes it quick-

Justin: she's dying at the moment want to come in help?

Jc: Wait...She was pregnant? Oh god...She never told me. -looks at Justin.- Hell yes I want to help.

Justin: then come on -they start to prep Jordyn ASAP while Jc and Justin scrubbed up-

Justin: if it helps she didn't know either. she says she can't have kids but she knows now she is and I can tell

Jc: How did you find out? I mean I just thought she wanted to take a break from sex for a while.

Justin: I found her dying in her bed. your kid is killing her

Jc: I really feel stupid.

Justin: fever rapid breathing and pulse. she'll go into cardiac arrest soon if we don't hurry. guess I've learn a lot being an intern

Jc: Yes. You're good at your job. Now lets go. -they run into the OR-

-they go in and Justin starts to cut her open-

Justin: okay here we go. keep an eye on her status Jaybe

-Jc was still stunned he was about to be a dad-

Jc: Got it.

-Justin gets to her uterus and opens it up-

Justin: holy shit I see four feet

Justin: dude how can she hide this and NOT know she has two kids

inside here?!

Jc: Wait...Two?

Justin: one two three four feet

Justin: don't make me go dr. guess on you

Jc: Please not now.

-Justin pulls one of them out and it is screaming-

Justin: okay you have a boy congrats

Jc: Loud like his mom.

-hands him to a nurse who does the clean up-

-the other one is blue and wrapping into the cord-

Justin: uh oh desi vu

Jc :Not again!

-this time the kid starts screaming once the cord is cut and it is suctioned mouth out and is given some breaths-

Justin: okay. now how is Jordyn doing? -getting worse- god Jc I'm not meant to be doing this!

inner Justin: this is just one fucked up day. I have too many of these

Jc: yesa you are. Now help me out here. -grabs paddles- Lets go okay .  
CLEAR! -ZAP-

-it does something-

Justin: okay gives us some time

-starts to clean her up and shit-

inner Justin: mary had a little lamb..... -singing in head-

Jc :Come on Jordyn. Live baby live.

-he gets her sowed up but she still is iffy-

Justin: she has a high fever I don't know why. come on lets get her to a room and find out what is going on

Jc: Okay

-a nurse walks up showing Jc the kids who stare at him blankly-

Nurse: congratulations Dr. Chasez

Jc: Hey you two.

Babies: blink

-later in Jordyn's room-

Justin: I don't get it. she has to have something else going on with her

Jc: Maybe the flu?

Justin: she isn't nauseas though

Justin: nothing going on with her. I'm gonna run some blood tests  
and see what I can find

Justin: I guess I'm trained for this type of stuff

Jc: Okay.

Lance: I can't believe she was pregnant the whole time.

-Jordyn's heart rate was fast her breathing was still fast and fever at  
103-

Joey: neither can I and I know she can't have kids but look! -points at

the two kids- and she hide them both but theya re small too

Becca: Peanut number one and peanut number two.

-Justin gets the blood tests going-

Joey: what are you gonna name them Jc?

Jc: The girl Angelica...the boy...

-Jc sits down.-

Jc: I don't know. I just want Jordyn to be okay and I can't think about what to call my kids right now.

Joey: peanut one and two for now

Becca: Yeah.

-a few hours later Jordyn seems to be getting worse and Jc is at her side constantly either with a kid or without-

Jc: please be okay please be okay please be okay.

Lance: Dude I'm just as worried as you are but pacing is not going to help anything.

Joey: he does have a kid right now

-Justin soon comes back in looking tired-

Becca: I'll take em. -takes the babies and walks around with them.  
they're getting fussy-

Jc: So what's going on?

Justin: well I got the results

Lance: And?

Justin: because of her being pregnant and her body not able to take it  
the babies were slowly killing her. she basically dying and all I can do  
now is trying to give her an IV to try to get things to work again. I'll  
keep running tests to see if anything else come sup -he puts in the IV  
and takes some more blood-

Joey: dear god..... -covers his mouth-

Jc: God no. Please god no. Don't let her die. -sinks into a chair-

Inner Jc: Take me instead. Take me. Let her live.

Babies: FOOD FOOD FOOD!

-a nurse takes them from Becca going and feeding them-

-meanwhile Jc has to be dragged to go do his rounds-

Justin: I'll keep an eye on her she is my patient

Becca: I wish I could help but I'm not much good for that.

Justin: just watch over the kids

Becca: Okay

Lance: Becca you're not bad around kids you know that right?

Becca: I'm just being calm.

-the next two days Jordyn is not getting worse or getting better.

Justin doesn't have any results back yet for some of the tests-

Justin: she should be doing something but it seems she isn't doing anything -watching her-

-Jc comes stumbling in and he looks like shit and that's an understatement-

Justin: yeash Jc

Jc: How is she?

Justin: she isn't doing anything that's the thing. uhg

-Justin goes over and checks out her C-section area-

Justin: there is..... wait

Jc: I want her well again. I don't want my kids to be without a mom.....

What is it Justin?

Justin: I'm not trying to be a pervert here but hold on a second -puts his head under the sheet checking between her legs- god why didn't I think of that?!

Jc: What?

Justin: I thought because she couldn't have something going on there because she had a c-section but damn. she has an infection going on down there. I'm going to take a swab and find out what, then put her on meds.

-Justin smiles-

Justin: I believe she'll make it Jc. I think she will

Jc: YES! THANK YOU JUSTIN! -HUGS HIM-

-Justin hugs him back-

Justin: now get to work

-Justin's wabs her and goes to the lab-

Jc: Hey. Don't forget you're still an intern.

-one day later-

-no one is in her room-

-Jordyn opens her eyes slowly-

Jordyn: meh.....

-she feels tired and weak and still sick but feels better-

Jordyn: where is everyone?

-she struggles to sit up holding her lower abdomen-

Jordyn: why do I..... oh yeah -looks and nods- I had a kid

-she leans back and sighs going back to sleep-

-later they all come in and see her-

Justin: she still isn't awake?

Becca: These two are gaining weight fast. They're not peanuts anymore.

Jc: Jordyn?

-she maons-

Jordyn: me sleep

Joey: SHE'S ALIVE!

Babies: fuss

Becca: Joey keep it down.

Jc: JORDYN! -HUGS HER-

Jordyn: uhg

Jordyn: I hurt Jc careful. apparently I was pregnant Jc and I had a kid. I didn't know until I felt labor pains and a water broke

Justin: Jordyn you had twins

Jordyn: WHAT?!

Inner Babies: Hi!

Joey: I thought that too

-this is translated by the babies squirming and fussing-

Jordyn: I already have two kids already? -looks at Jc- I didn't.....

Jc: It's okay. We still need to name them. teh girl is angelica but we still need boy names.

Jordyn: Levi

Jc: Okay. Levi James wood?

Jordyn: Levi James Chasez

Jc: Okay. and Angelica Glenn Chasez?

Jordyn: and Angelica Glenn Chasez

Jc: Jinx.

-Jordyn looks at the kids-

Babies: fuss fuss fuss fuss fuss fuss fuss fuss.

Jordyn: explains why my boobs got bigger

Jordyn: c to d. can I hold them?

Becca: here. -hands them to her- They hate me anywyas.

Jordyn: no they don't -looks at them- hi parasites. you tried to kill mommy

Justin: that and you had an infection going on between them legs

Jordyn: wait you were my doctor?

Justin: I guess so yeah

Inner Angelica: Sory Mommy. I told Levi to stop doing that.

Jordyn: you took good care of me. you'll be a great doctor

Inner Levi: Suck up!

Inner Levi: I thought wrapping the cord around you would shut u up

Inner Angelica: and you nearly killed me! You're a mean brother!

Justin: thank Jordyn. you can feed them

Becca: Aww. They sound like they're having their first argument.

Jordyn: you two better not be -she sits up better and soon they're sucking away- I hate d cups I want c's back

Joey: I think Jc's thinking the opposite

Inner Angelica: Working on it mom.

Jc: Me likey big boobies.

Jordyn: but I don't think it makes me seem stupid. people look here instead of here -motions to her boobs then face- they always think you're stupid or something just because you have naturally big boobs

Jc: Just yell at them then and smack them against a wall with your boobs.

Becca: Boob of death.

-Jordyn gives Jc a death glare-

Jordyn: do not mess with me Jc I'm pissed off here. uhg I'm having mood swings. next minute I'm gonna cry and I don't want that

Joey: good thing your a psychiatrist

Jordyn: I understand all my mental problems. and with prego hormones going all over the place.....

Joey: want us to leave?

Jordyn: YES! but Jc just stay in the corner

Becca: Yet another reason for me to never get pregnant.

-Joey, Becca, Justin, and Lance leave. Jc sits in the corner-

Jordyn: I can't believe it. two kids and I never knew. I thought it was as getting fat and the no period I thought was normal. uhg I'm so stupid

Jc: well that's all water under the bridge now.

Jc: We need to focus on the now. And the now is that we've got two beautiful children. And I want you to move in with me.

Jordyn: you don't hate me for being so..... distant?

Jordyn: I was hiding and just..... I guess I felt depressed

Jc: Not really. I mean it's hard to maintain a relationship in this line of work.

Jordyn: how am I suppose to raise kids while I'm working like this? I have to go on leave or something and that isn't fair because you helped in these kids too

Jc: I know you said you wanted to wait till you were a little older but would you ever consider marriage? And I can quit my job as a surgeon and work at a day clinic.

Jordyn: I love my job but I love these little parasitic boob-sucking things

Inner Angelica: Love you too mommy.

Jordyn: Jc don't be marrying me because of these kids and don't quit your job because of them. have a family shouldn't end your career it should just be another thing to add. I don't want either of us quitting because of these kids

Jc: Actually the marriage thing had been on my mind for a while now.

Jordyn: oh.....

Jc: So pretty pwease?

Jordyn: I..... shoot -she is in tears- damn hormones I feel so pathetic and girly right now. uhg

Jc: It's okay. It's just the hormones talking.

-the kids finish and she hands one over to Jc-

Jordyn: burp

-she burps levi-

Jc: Okay. -burps angelica who belches loudly-

Jordyn: good girl

-Jc takes levi and puts them both down. he comes over and gets on one knee blah blah blah-

Jordyn: oh boy don't make me start crying here

Jc: Sorry.

-we all know what happens next-

-she stares at the ring which is a silver band with her birthstone all around it-

Jc: You like?

Jordyn: yeah but its probably half the hormones talking. yes I'll marry you

Jordyn: get off your knee Jc its not healthy

Jc: yes. -stands up- ow. Thank you. -hugs her-

-she hugs him and kisses him-

Jordyn: so did you miss me?

Jc: yeah.

-Jordyn and Jc marry and neither of them quit their jobs, they both take one month off to get themselves organized into a new house and the kids come with Jordyn to work. She keeps them with her and pays a nurse to watch them when she has other things to do. every other day Jc takes them. Justin and Chris were fine and soon MARRY and the twins are basically a year older then Jordyn's twins. Lance ends up dating Jordyn's manager Brian. Becca and Joey got married a year later and managed to Becca's mom put away fro life. Jordyn got her dream answered and got to be on an episode of House. Becca and Joey did end up having one kid. Becca got her tubes tied after that. They are all good friends and Justin and Joey both end up

opening up a clinic together. Justin didn't want to deal with something like Jordyn again. Becca worked they're as a secretary-

THE END!

EL FIN!
