

-we start out with a young songwriter in his bus trying to write up some new songs-

-he is a musician-

Levi: man i wish my keyboard would charge up already!

-his bus was his tour bus, which he liked to be on-

-not far from his bus, a bank robbery has just taken place-

Becca; Brian baby. Hun I know you'd like more money but we need to go now.

Brian: Hang on doll.

-the woman's husband is running to her when a shot is fired. He falls to his knees and cries out in pain. another shot and he falls down-

-back at the bus, Levi was still working. He owned his own tour bus and hired someone to drive it when he was on tour. he only did one album and is working on his second-

-meanwhile a few blocks down in an apartment-

Chris: baby please!

Girl: no Chris. no i won't do it

-Chris grabs her and she struggles. she breaks free and crashes through the window-

Chris: no!

-she hits the ground five story's below-

-Chris runs-

-in a house not far from there-

Jc: Hey curly where's the third party?

Justin: beats me

Jc: I was hoping for a good threesome.

Justin: ah screw them then. -chuckles-

Jc: well then find a new third party. We'll have a little fun tonight.

-Justin nods and heads out-

-he soon comes back-

Justin: he says he's 21

Jc: Well hello there. You look a little young to be 21. But we like a little fun. Come on lets go.

-the guy smiles and they have some fun-

-meanwhile-

Lance; Damn it. I'm out of pills. -grips the sink-

-he's been addicted to pain killers for over a year-

Lance; Time to find a place to rob.

-Putting a hooded sweater on, he headed out to a wealthy suburb. Hopefully plenty of painkillers-

-at this time Levi is asleep in his bus, that is at a RV-type park-

-there is a pounding at the door-

Levi: meh mommy i will be fine on my own -throws a pillow on his head-

Female voice: OPEN THIS GODDAMN DOOR!

-Levi's eye shoot open-

Levi: um... -put on his robe going to the door-

Levi: may i ask who this is?

inner Levi: please don't be a fan

Voice; Someone who's going to break down this door if you don't open up! -voice suddenly

gets quieter- Brian. Honey hang on.

Brian: -groan-

-Levi opens the door-

-a gun is pointed at his face-

Levi: meep!

Becca; get him in here and into a bed. Then drive. Am I making myself clear?

-Levi nods-

-he helps Brian onto the very nice soft couch and starts up the bus-

Brian: -moan-

Becca; There's a cabin out in Montana. You're gonna drive there. -goes to Brian- Baby you're gonna be okay. Just hang on.

Levi: why can't you just take him to a hospital?

Levi: he'd actually live!

Becca; Oh come on. don't tell me you haven't seen our faces before in the papers. Now shut up and drive before i blow you into next week!

Levi: -sigh-

-he drives off-

-he makes it to the main street and drives past a set of apartments-

-Chris darts into the middle of the street and Levi slams on the brakes-

Chris: open the god damn door now! -he has a knife-

-Levi does and Chris runs on-

Becca; Shit. This is the last thing i want.

Chris: now listen buddy -puts the knife to his throat- your gonna drive and keep driving understand?

inner Levi: i should have ran him over

Levi: okay

-Levi starts to drive-

inner Levi: if i come across another person with a weapon...

-Becca is working on getting Brian patched up. he's losing a lot of blood though-

-Levi looks in the rear view mirror-

Levi: he's getting blood all over the place!

Becca; SHUT UP!

Chris: what? -turns around- someone else is in here?

Becca; You. make yourself useful. Get those sheets off the beds. We can use those as bandages.

Chris: well... i guess we all just have to help fellow humans right? -snickers- keep driving!

-goes and helps-

Levi: my mother gave me those!

Becca; Well to bad hun. Cause if my husband dies, your momma's not gonna find your body.

-Levi gulps-

-they keep driving and it soon becomes daylight-

-Levi stops at a red light and feels ready to pass out-

-there is a pounding on the bus door-

Levi: not again!

Becca: Damn it. get it! -points her gun at Levi-

-he obeys-

-Justin and Jc run on-

Justin: get this damn bus moving buddy or else

Justin: god that damn kid was a total wuss!

Jc; if i ever see that damn kid again...

-car horns blare from behind the bus and Levi realizes it is a green light, continuing to drive-

Levi: god I'm gonna die soon aren't I?

Chris: just shut up kid or you will -knife at throat-

Becca; Hey. You rainbow boys have any medicated ointment or something?

-meanwhile a guy named Joey was at a club the night before and woke up with this girl who started to scream rape. Joey was so confused and ran. people called the police-

Joey: I need to get home. -gets to his place ASAP- God. I need to shower.

-he finds his place ransacked-

Joey: Oh fuck my life!

-he goes into the bathroom-

-the alarm did go off so the police were going to be arriving soon-

-Lance is passed out on the floor-

Joey: Shit. Come on you dumb ass. Lets go. -hoists Lance up and not really knowing what he's doing he drags him off-

-Levi goes down the road of the rich street, the only way to reach the nearest highway-

inner Levi: I wonder if i can ditch them. i have insurance, i can get a new bus. yeah. i pull over saying we have a flat, get off and run for my fucking life!

Joey: Hey! hey! Help!

-Levi slams on the brakes, hitting his head against the steering wheel unintentionally-

Levi: oh crap -rubs his head and reluctantly opens the door when Becca motions with her gun for him to do so-

-Joey gets on-

Joey: Thank you so much.

Levi: i'm surprised you don't have a gun -mumbles it annoyed-

Lance; What? Why would i have a gun?

Joey: Oh good. You're coming too. -looks at Lance-

Levi: ask everyone else on this damn bus!

Jc: I don't

Justin: but i do baby

Chris: start this bus up kid! -points the knife at him-

Joey: What the hell is going on?

Levi: i don't know i'm a hostage!

-he continues to drive and soon reaches the highway-

Becca: Brian? sweetie can you hear me?

Brian: Becca.....

Becca; Baby you're gonna make it. We're heading for Montana right now. we can lay low for a couple days. then flee the country till they give up looking for us.

Brian: sweet.....

Brian: -gasping, gurgling, and death-

Becca; Brian! Hold on!

Levi: what was that?

-Brian goes limp-

Becca; Baby? Baby please hold on. -shakes him- No. No! GOD FUCKING DAMN IT!

-she breaks down crying-

Levi: i told you to take him to a fucking hospital! its your own damn fault

Becca; -pointing the gun at him- SHUT UP! IF WE HAD GONE WE WOULD HAVE BEEN ARRESTED!

Levi: is that worse then having a dead husband?!

Becca; I could have saved him! Damn it. Why didn't I bring the stupid bag. I should have made him turn around so I could get it.

Levi: well one less criminal then

-Becca hits him in the head with the back of her gun. he is knocked out and goes limp. the bus swerves and Lance grips the wheel steadying it. he throws Levi to the ground getting behind the wheel-

Chris: lets stop and throw him out

Lance; Dead man walking. Hey...You got any pain killers?

Jc; No. We throw him out and he'll tell everyone that there's a bunch of criminals on this bus. We'll be hunted down.

Joey; But I didn't do anything wrong.

Jc: yeah have fun telling the police that.

Chris: well maybe we can kill him and make it seem like an accident

Becca: No. that's only going to make matters worse. If we kill him they'll find the body. and police can tell things are homicide a lot easier nowadays.

Chris: damn

-Levi groans-

inner Chris: if she would have just gone with me.....

Lance; heh. You all have shitty lives.

Becca; Shut the fuck up druggy.

Justin: you are no better

-Levi wakes up-

Levi: god i need pain killers

Lance: pain killers?

Becca. Back of the bus. Now.

-Levi stumbles to his feet-

Levi: I'm not listening to anyone

Becca; You. Druggy.

Lance; yeah scary homicidal bitch from hell who's got a huge spice rack?

Becca; Drive.

Lance: what do you think i'm doing lady?

Becca: good.....

Lance: Can i say your husband really bagged a good one? too bad he's a rotting corpse now.

Levi: and on my damn couch!

Becca; You two are going to bring a whole new meaning the words 'dead man walking' if you don't shut up.

Levi: okay go ahead. shoot me -opens his arms-

Becca: I only shoot in self defense. And until recently to protect my husband.

Levi: then your words are simple words to me. now i want to know why the fuck all of you decided to choose my bus of all things to turn into a getaway!

Jc: Wrong place wrong time.

Joey: Luck just isn't on our side.

Levi: and its not on mine either

-Levi shoves his way past them. Chris was playing with his knife-

Chris: well that chick might not kill you but you do something stupid i'm gonna hurt you bad!

Levi: you don't scare me

-Becca shakes her head, holding her husbands head crying silently-

-Chris throws his knife and it cuts Levi's arm-

Levi: fuck!

Chris: told ya -grabs the knife and shoves Levi into the back-

-he shuts and locks the door-

Lance; Wow....You're a scary dude.

Chris: thank you. now find some stuff to tie him up with flamo's

Justin: i hate that word

Becca: here. -throws some of the torn up bedsheets- Brian's not going to be needing these.

-Justin and Jc take them and head into the back. Levi was in the bathroom starting the shower-

Levi: tie me up after my shower -he was very naked and cleaning up his arm-

Justin: you gay pretty boy?

Jc: Justin enough. We're in enough trouble already.

Levi: so what if i am? you gonna rape me?

Justin: bondage is kinky. but only if you want us to fuck you

-Levi rolls his eyes-

Jc; The whole thing was consensual. The damn kid just lied about his age.

Levi: you poor whores -gets in the shower-

-Justin lunges but is held back-

Jc: is it so wrong that we like sex? and that we find threesomes hot?

-Levi didn't hear-

-an hour later-

Chris: that body is gonna stink. we have to get rid of it

Becca; Shut up.

-Levi was tied up and in a chair-

-Justin was going through the cupboards-

Joey: Ma'am....I'm sorry about your loss...But this guy is right. he's not gonna look pretty after a few days.

Lance: I saw a decaying corpse one time.

Becca: Shut up druggy.

Levi; you know they are going to file a missing persons report soon

Levi: the whole world is gonna be looking for me

Becca: So what do you suggest we do? turn ourselves in? Besides. Some kid. Nobody is gonna

care.

Justin: holy shit!

Becca; What?

-Justin pulls out an album case from a cupboard-

Justin: dude this is fucking Levi Wood!

Becca: Who the fuck is that?

Chris: god not you!

Justin: dude he is like the most famous singer songwriter kid out there!

Becca; lemme guess? Teenybopper heart throb?

Justin: that and adults!

Joey: eh?

Lance; Oh yeah man. I totally saw you once.

Becca: See if I care.

Justin: man like can you sign this and then can i have it?

Levi: I'm tied up

Jc: Justin focus!

-Justin reaches to untie him-

Chris: DON'T!

Becca; Don't you dare!

Justin: come on!

-Levi rolls his eyes-

Becca: We'll be in Montana in less than a week. You can untie him then.

Levi: okay let me explain the situation to you. the last I was seen was in my tour bus on a road trip for inspiration on my new album. my manager will tell police that when I don't answer him today when he calls and then give them the license plate number and they will be after me very quickly

Becca; Okay. Then we abandon the bus and find a different ride to make a break for it every day. And so your manager doesn't bother you. You guy with the knife. -points the Chris- Find his cell!

Levi: if i don't answer he'll get worried. and you will not abandon this damn bus!

Chris: we will little teenie -looks for his cell-

Levi: not telling you where it is

Becca: search his body.

Justin: i will!

-Levi giggles as he searches-

Levi: heh not there!

-Levi kicks Justin hard-

Justin: ouch!

Levi: it isn't in my dick twit

Becca; You're an idiot. Just check his pockets.

-Justin stumbles to his feet and checks his pockets-

Justin: he's clean

-Chris comes back-

Becca; Got it?

Chris: its no here to be seen

Becca: Damn it!

Chris: well if its on then when someone calls something has to make noise

Levi: i left it on vibrate

Chris: fuck

Becca: keep looking.

Chris: well from now on whenever I'm pissed I'm just gonna hurt someone -he then drives his knife through Levi's hand and keeps looking-

Levi: FUCK!!!!!!!!!!!!!!

Becca; Damn it. Okay. I need some disinfectant and some rags.

-Justin grabs Chris staring him in the face-

Justin: hurt him again -pulls out his gun putting it to his gut- i will hurt you buddy

Chris: you don't scare me

Jc; Justin calm down

-they then begin to fight-

Becca; Both of you knock it off!

Levi: holy crap so this is what Christ went through. and don't say you saw him too -looks at Lance-

Lance: lalalalalala.

Levi: ugh. i need to know people's names. -whimpers as Becca cleans his wounds- i know that guy is Justin-

Lance; -singing- GOING THROUGH WITHDRAWL SUUUUUUCKS!

Chris: -throws Justin to the ground- I'm Chris

-Justin jumps on Chris's back taking him to the ground-

Becca; Well congrats junior.

-Becca finishes up with Levi's wound and goes back to Brian's body-

Becca: Try not to go into shock okay kid?

Levi: tell me your names and I promise I won't

Jc; I'm Jc.

Joey: I'm Joey.

Lance; I'm...Uh I forget. Come back to me later.

Becca: No way in hell I'm telling you.

Levi: dude your withdrawal is gonna be harsh cause your gonna puke and be in horrible pain

-Jc ties Levi's feet together and muffles him tightly then goes and showers after breaking up Justin and Chris's fight-

-Justin joins Jc-

Jc; What are we gonna do? We fucked up big time. And we can't go where that crazy bitch is going.

Justin: i don't know... ugh I'm so scared. and come on we have THE Levi Wood hostage

Jc; Justin, baby, i know you are probably planning some sexual fantasy in your mind with him but you need to focus. Maybe we can flee to Mexico?

Justin: maybe..... we can talk about this later. fuck me, I'm horny

-he bends over in the shower-

Jc: Love you. -rubs his dicks then slams in-

-meanwhile-

-Levi is tapping his fingers on the chair he is strapped in-

-Lance keeps swerving the bus, still stoned off the pain killers he took the night before-

Joey: pull over freak. I'll drive.

-Lance slams on the breaks, sending everyone slightly forward. Joey quickly takes over as driver-

-Lance, to take up time, has a staring contest with Levi-

-Levi stares back because he doesn't have anything to do-

Lance: Shit, fuck, damn. Dude you're good. I think i see a leprechaun.

inner Levi: i am so screwed aren't i?

Lance; where are the painkillers. My headache is coming back.

Levi: -muffled words from the gag-

Lance; Thanks dude.

inner Levi: idiot

-that night-

-Levi is falling asleep, still in the chair-

Chris: so what happened to him anyways? -pints at Brian with his knife-

Becca; Have you been reading the papers and watching the news for the past few years? '21 century Bonnie and Clyde' mean anything to you?

Chris: yeah. i heard about it

Becca; We were robbing a bank. We needed the money. The media hyped everything up about us. But anyways, Brian got shot. Twice in the back. I managed a shot at the guy who hit him. Didn't kill him. Now i wish I had.

Chris: attempted murder and robbery. that can be a long time in jail if we are caught -stabs his knife into the couch and Levi whimpers-

inner Levi: thank GOD i have insurance

Becca: Six years married. We had been dating since freshman year.

Chris: why did you rob banks?

Becca; it's a long story. We never intended for it to go this far. But we didn't have any other option. We had just got married. I was 19 and Brian was 20. He was making a decent living. But he missed work one day because he got sick. He got fired. We were barely getting by. We were on the verge of being thrown on the streets. So we started robbing people.

Becca; What were we supposed to do?

Chris: beats me. but the court won't feel pity on people like you. especially the people who

were robbed by you

Becca; we knew our fates were sealed. But now it's too late. I'd rather be dead right now.

-Chris leans back tapping his foot-

Becca; what do you think? -picks up her gun- blow my brains out or take pills?

Chris: i think that dude who doesn't know his name probably ate them all already

Lance; Damn straight. I think I'm Lance. You know. Lancealot?

Levi: -muffled words from his gag-

inner Levi: he probably thinks he is in mid-evil time

Becca; take the gag out. No one can hear him scream.

Chris: go ahead Lancealot

Lance: Yes my damsel. -goes over and takes the gag from Levi's mouth-

-Levi spits-

Levi: THAT WAS A DIRTY SOCK!

Lance: Oh yeah. i wondered where that went.

-Levi gags-

Becca: So what were you saying?

Levi: i was saying -spits again- if he took all my pills he would be dead. and also if he goes into withdrawal he will be in horrible agony

Levi: also don't kill yourself on my couch

Becca; Fine. i want to give my husband a proper burial.

Levi: thank god. he is starting to bloat

Lance; that's nice. That's like totally Romeo and Juliet. You know lady you should be more accurate to the story.

Becca; Thank you.

Lance; You, angry guy. Give her your knife.

Becca; Hun could you be more specific?

Chris: hell no druggy

Lance; But she's Juliet. She stabbed herself.

Becca; Sorry but he's right Lance. I'm not stabbing myself.

Chris: Romeo and Juliet were probably high like you!

-Justin and Jc come out from the back of the bus-

Levi: dude you guys better have not destroyed my bathroom -Justin and Jc come to the front of the bus-

Justin: do you have cable?

Jc: Justin you're weird.

Levi: yes i do

-his bus was set up that in front of the bus was two couches that curved inward into the aisle. then a table next to the kitchen area. a door then a small room with two recliner chairs with a very nice entertainment center across from them. another door then the back is his bed and dresser. another door was the bathroom-

Becca; Check the news. i wanna see if we're being hunted down yet.

Jc; That's actually a good idea.

Joey: yeah.

-Levi rolls his eyes and Justin figures out how to turn on the news-

News Person: breaking news Levi Wood has been reported missing today after several witnesses report people running into his bus with weapons

-Levi grins-

Levi: guess it wasn't johnny this time

News Person: here is some footage -insert footage of Chris running into the bus with a knife-

Chris: damn it

Becca; How the fuck did they get us on film.

News Peron: the people on the bus are all wanted criminals. if you see this license plate on this bus then please contact police -picture of Levi's bus and his licenses plate number are shown-

Becca: Damn. Okay that's it. Where do you keep the painkillers? And how long do you think it'll take before it'll kill me.

-Becca gets up and goes into the bathroom digging around for the pills-

Levi: don't!

Becca: Why shouldn't I? I've got nothing to live for.

Levi: it is just crazy, okay?

Becca; So what do you want me to do?

Levi: first of all have a burial for your freaking husband. he stinks!

Levi: we don't want to have to bury you too

Becca: NEVER INSULT HIM!

-slaps Levi-

-Levi groans-

Joey; Okay everyone just chill! We'll pull over in a few minutes. We'll bury him there.

Levi: i wasn't insulting him. dead people start to decompose whether you like it or not

-Joey soon pulls over-

-Chris wraps the body in a blanket and carries him out-

Lance: so... the guy is gonna get buried now? Damn. that sucks. He was a good listener.

-Becca follows Chris out and starts digging-

-Levi waits inside, since he was still tied up-

-all of a sudden, his phone begins to vibrate-

-he hid it underneath his dick-

Levi: that's hot -slightly groans-

Lance; Dude...that's awesome.

Levi: what?

Lance; You made a vibrator out of a phone.

Levi: why don't you shut up and help me answer it?

Lance; Sure man....but...Aren't you afraid that you're gonna stop having pleasure?

Levi: i think I'll be fine

Lance: Okay.

-Lance unzips Levi's jeans and digs around under his junk to get the phone out. It helped that Levi slightly had a boner-

Lance; Hello?

Levi: give it to me!

Johnny; WHO THE HELL IS THIS?

Levi: hold it to my ear!

Lance; Oh Hi. I'm Lance.

Johnny; okay. Listen whoever you are. I want you to give Levi back. i don't care what the fuck you do after that. Just give him back. Now let me talk to him.

Lance: Uhh. I can't do that man. He's kind a tied up right now. see we're having a funeral and we don't want him to crash it.

Levi: put the phone to my ear!

Johnny; What? A funeral?

Lance; Hang on a bit. -puts the phone to Levi's ear-

inner Levi: dear god never negotiate with high people!

Levi: Johnny!

Johnny; Levi what is going on?

Levi: please tell me the tracker is still in my phone

Johnny; why?

Levi: its the longest story in my life and if they come on the bus catching me talking to you
Chris is gonna hurt me

Levi: the tracker will help find us! find where i am!

Johnny; Okay...It says you're in...Montana? What the hell?

Levi: we are already? ugh just please Johnny save me!

Chris: you little bastard!

Levi: shit!

Jc; What the fuck! -grabs the phone and throws it to the ground-

-Chris picks up his knife going at Levi-

Levi: its too late!

Chris: yeah, for you!

-Chris aims-

Justin: no!

-tackles Chris and gasps-

Chris: dude what the hell!

Joey: Justin, why should he not kill him? the little shit already blew our cover.

Justin: fuck -rolls off of Chris. the knife went into his gut-

Levi: you just saved my life -Levi speaks softly-

Chris: yeah but he won't have long -pull the knife out of Justin's gut, who gasps- now its your turn

Jc; Justin! -runs to him-

Justin: hey, save Levi okay?

Jc; Justin. Oh god please live.

-little high Lance begins untying Levi because Levi said he'd give him candy-

Chris; Hey!

-he grabs Lance throwing him to the ground-

Lance: Don't kill him. i want my damn candy.

-Chris goes for Levi and Levi lunges out of the chair, pinning Chris to the ground and grabbing the knife-

Joey: Okay. lets get Justin out of here so that chick can take care of him.

-Jc brings Becca inside after she says her final good byes to Brian-

-Levi had Chris fully pinned and Chris was sobbing into the carpet-

-Becca is in tears-

Levi: i have mental cases

Jc; Great. now we have two sets of water works.

Levi: Becca please. please help Justin

Becca; Fuck off. -wipes her eyes- what's going on?

Levi: he got stabbed in the abdomen. it's not too deep but it needs to be patched up and he needs medical attention

Becca; Let me look.

Jc; right here -still next to Justin holding him-

Becca; And how did you find out my name? i never told any of you -stares at Levi-

Levi: um... the news

Levi: i finally know who you are

Levi: and i can't believe you don't recognize me either

Becca; yeah. i suppose you think I'm that horrible woman who the media makes me out to be. And for your information, i don't care about pop culture or teenybopper icons.

-begins to look at Justin-

Levi: no you and Brian robbed my house and he shot my fucking cat!

Becca; Okay. The wound isn't that deep and it looks like it didn't hit anything vital. He'll be fine. i just need to clean the wound off and sew him up.

-Levi drops the knife and rolls Chris over. Chris quickly clings to him. Levi is stunned-

Justin: needle?!

Becca: Here. -rips off a piece of her skirt- Bite on this. Jc there's some sutures in my bag. Go get them for me please.

Justin: hit me in the face please! knock me out!

Becca; Okay. there's also some numbing stuff in there as well. we can use that too. Now hold still.

-Levi goes over to them, after putting the clinging Chris into Lance's arms, and puts Justin's head in his lap-

-she rubs the numbing stuff on Justin's body and starts sewing him up-

-Justin whimpers-

Becca; Levi, about the cat... -Levi stares at her wide eyed. He totally forgot about him- We

never met to shoot it. We thought it was a human. We saw a shadow and Brian felt so bad after killing it. He never felt good about killing anything.

Levi: i just got him that day! I was wondering what happened to him!

Becca; I'm sorry. Does this make me a bad person?

Levi: it makes you... i don't know -pets Justin's head as Jc holds his hand- thankfully i went to college and majored in psychology

Levi: with a minor in music. i can maybe help you guys out ya know

Becca: yeah yeah. like you know anything about me. I've lost everything. i should just die.

Levi: don't kill yourself and you might have something

-an hour later-

-the bus was silent. Joey was driving. Lance had passed out. Justin was asleep in Jc's arms. Levi was once again tied up. Chris was partly in tears. Becca was sitting on the couch reading-

Becca; Jc I want you to make sure Justin stays off his feet for a while.

-Jc nods, petting Justin's curly head-

Becca; Need a handkerchief Chris?

Chris: I'll be fine

-Becca shrugs and goes back to reading-

Levi: what happened to you Chris?

Chris: i lost someone close to me

Levi: you know talking makes things better

Becca: Join the club doll.

-Chris groans and covers his face with his hands-

Chris: i came home from school and found my fiance on our bed crying. i asked her what was wrong but she wouldn't say anything. i finally was able to have her tell me. her father had raped her a while back and she was pregnant with his child. i told hr to come with me and she thought I was going to hurt her dad. I wanted to but I wanted to help her first. she runs to the window that we just got fixed and was very unstable at the moment. i grab her and try to tell her -he chocks a sob- to come with me but she breaks out of my grip and falls -sobs- through the window and hits the ground. she doesn't move and people were screaming and yelling murdered and i freaked

-Levi looks over at Lance who just woke up and was taking more pills he found-

Levi: Lance quit eating those pills! Justin is going to have to use them for his pain!

Chris: i didn't kill her! i don't want her dead! now I'm angry and i want her dad dead! DEAD!

Becca; the whole world wants us dead.

Levi: I'm really sorry Chris -he truly meant it-

Chris: are you? ARE YOU? you try having that happen to you!

Levi: I guess your right... but knowing that Brian killed my cat makes me sort of glad he's dead. But doesn't really help the pain that much, and it does suck that he had to die like that

-Becca shoots Levi a glare. she doesn't show it but she's holding back tears-

Becca: I've said it before and I'll say it again. It. Was. An. Accident.

Levi: I said it sucked that he died like that! I didn't say anything about being glad he was dead

-Lance falls to the ground-

Lance; I feel funny.

Levi: if its your head, then shut up

Lance; no, its kind of all over. Mainly in my belly

Levi: oh god.....

Levi: Lance shove your finger into the back of your throat will ya?

Lance; Okay...

-he puts his finger in his mouth and pukes all over the floor; all the pills he took come back up too-

Levi: there we go

Becca; ew.

Lance; Aww. not cool man.

Levi: DON'T TAKE ANYMORE!

Levi: I don't want another person to die on my bus!

Lance; I NEED TO! -Lance, for once, sounds sane-

Levi: no you don't! your addicted!

Lance; I HATE MY LIFE! AT LEAST WHEN I'M HIGH I DON'T CARE! I DON'T FEEL A DAMN THING ANYMORE!

Levi: YEAH BUT IF YOU TAKE ENOUGH YOU WON'T HAVE A LIFE ANYMORE!

Lance; Well then i guess I'm just one more member of the "I've got nothing to live for anymore" club.

Levi: don't. take. the. pills. you can have a better life. your just weak and willing to give up and take the easy way out. struggling and making your way through every hard ship is what makes you human and makes you strong!

Levi: trust me. i know.

Lance; Try having a family who acts like you don't exist. I can't keep a job and I can't keep a girlfriend. What do i have to live for?

Levi: that sounds like my life up to five years ago!

-Levi sighs-

Levi: go ahead and take the damn pills. i don't care

Levi: no one cares for you Lance. you were put on this earth to suffer and to die

Lance; -snorts- fine. One more person who wants me gone. -grabs the bottle an starts swallowing pills again as if they were candy-

inner Levi: stupid reverse psychology

Levi: someone untie me so i can stop him

Chris: no

Becca: He's taking initiative.

Jc: Oh fuck it. -unties Levi-

Levi: thank god someone actually has a heart! -goes and drags Lance to the bathroom-

Lance: Let go of me!

inner Levi: gosh. is this my fate? to help these six people?

Levi: no i won't! i won't because i care for you! i care about the fact the God put you here for a reason and wants you to be happy!

Lance: Then why did he do this to me! Why did he turn me into a pathetic idiot?

Levi: he didn't! he wouldn't do that. maybe something bad happened to you because you let it happen

-Lance breaks down and begins to cry-

Levi: shh its okay -holds onto him-

Lance; I hate myself.

Becca: We all do.

Levi: shut up Becca! -he glares at her- don't throw what you feel on others

Becca; Just telling the truth.

Lance; Why can't I just die. I want this pain to stop.

Levi: dying sucks

Lance; How would you know? You've never tried it

Levi: i have

Lance: what's hell like?

Levi: i was once officially dead for 90 seconds and it scared me so bad

Levi: I wasn't ready for it

Lance; What did you see?

Lance; Was there a light at the end of the tunnel or what?

Levi: there was a light but i was running away from it

Levi: but I wanted to run towards it

Levi: i woke up and held onto my mom

Lance: Okay...

Lance: So what should I do?

Levi: first of all stop taking the pills

Lance; but the pain is gonna come back.

Levi: that is where therapy comes in

Lance; I can't go though. They'll throw me in the dungeon. They'll kill me in prison.

Levi: you won't go to prison

Lance: How do you know?

Levi: you just take pills. you didn't rob anyone for them. you got addicted. you go to therapy and get help

Lance; I broke into that one guys house though.

Joey: No you didn't

Levi: who? Huh? -looks at Joey-

Lance; Yeah i did. i remember it

Joey: No you didn't. Forget about it dude. It's all in the past.

Levi: wait... that's why you guys were together when you got on!

Levi: Joey doesn't think you broke in so you won't get in trouble. Joey wants to help you

Joey: I had no choice, and besides I have other things to worry about

-Lance starts to cry again-

Levi: like what?

-holds onto Lance-

Joey: I got accused of raping a girl. I went out to a club and got really wasted. There was this other girl and we did it. Turns out she had been drugged by someone but she thought it was me. Every one started calling me a rapist and the police were on their way. Who's going to believe me? I had to run. I would never hurt a woman.

Levi: lie detector tests

Levi: there are ways for people to prove that you didn't drug her and both of you didn't know what was going on

Joey: I can't go back now though. i ran.

Levi: you were scared. Dude, you guys are all gonna get caught sooner or later

Chris: not if i can help it

Becca; I'll die before anything like that will happen.

Levi: crap

-Levi lays Lance down on his bed. he goes and cleans up the puke-

-he opens the cupboard above his dresser that has a ton of strange stuff in it. he pulls out blankets-

Becca; You think i want prison? Brian and i never killed in cold blood. We never killed any human. The media hyped the whole thing up.

Levi: -sighs deeply-

-Levi throws a blanket to Chris and Becca and to Jc and Justin-

Levi: sleep guys okay? tomorrow Becca is cleaning up the blood

-they for now had a blanket over it-

Becca: whatever. -goes to sleep-

-the next morning-

Becca: Okay. Where are the cleaning supplies?

Levi: under the bathroom sink

-Becca goes and starts cleaning the blood up-

-Levi wakes up Lance-

Levi: i know you hurt Lance but lets get you in a shower

Lance; No. It hurts.

Levi: -sigh- i will give you some pain killers if you shower for me

-Lance struggles to his feet and showers-

-Levi helps him-

Levi: where does it hurt?

Lance; everywhere.

Levi: why did you start taking pain killers?

Lance; It started when i lost my job. I started to get major headaches. I'd take a couple painkillers and i was fine. But my life started to get worse and other things started to hurt. Before you know it I'm that idiot you met a couple days ago.

Levi: not an idiot. a very high funny misunderstood troubled guy

Lance; Oh shit. what did I say while I was high?

Levi: well one thing was i hid my cell phone under my dick and it vibrated. i said that was hot and was trying to get it. you saw and thought it was totally awesome I was using it as a vibrator

Lance: Oh my god. -groans-

Levi: then i asked you to help me get it out and you said but do you want to end the pleasure you are having?

Lance; this is embarrassing.

Levi: you also thought Brian's dead body was a good listener

-Lance covers his face-

Levi: don't worry

Levi: sorry i made you puke up those pills last night but i had to

Lance: I needed it.

-Lance finishes his shower and Levi gets him some clothes. As Lance dresses, Levi looks through his medicine cupboard-

inner Levi: I wonder if his body will tell the difference... -he grabs a bottle that says Advil but he knew he simply had vitamins in it-

Levi: four -hands him four of the small pills- for now

Lance; Please. I need to end this.

-he takes the pills-

Lance: thank you so much

-Levi smiles and puts the bottle away-

-the day slowly passes and they keep driving but soon run out of gas-

Joey: Okay. I'm gonna stop at a gas station. I'll pay in cash.

Becca; Okay. We're not far from the cabin anyways.

-once again Levi is tied up-

Levi: ugh

Becca; We can't take any chances. -gets some makeup on and starts changing her look-

-soon a couple of girls outside begin to squeal-

Girl: its Levi Wood's tour bus! you think he will give us his autograph?

Becca; Not now ladies. He's very busy right now.

Levi: bull crap!

Girl 2: please?!

Becca; Fine. But that's it.

-Jc unties Levi and lets him out-

-Levi smiles and takes their pen-

Girl 3: what happened to your hand!

Levi: a tiny accident

Girl: you poor thing

Becca; Now take your autographs and go.

Inner Becca; Damn it hurry up!

-Levi takes his time and slowly signs their autographs-

-a police car pulls up-

Becca; You wouldn't dare! -she whispers harshly when she sees the look in Levi's eyes-

-Levi takes his chance-

Levi: POICE OFFICER HELP ME!

-the police officer looks over-

-the girls gasp when Becca pulls out the gun-

Levi: HELP!

-Becca grabs him and drags him back onto the bus-

Girls: AHHHH!

Becca: Shut it.

-the police officer talks into his walkie talkie and walks over to the bus-

Becca; what are you trying to do!?

Levi: get out of here and get you guys help!

-the officer knocks on the door-

Becca: oh and by that you mean a prison cell.

Levi: I can get you guys good lawyers!

Officer: excuse me? open up please

Becca: You stay there.-pushes Levi into the back- Chris make sure he stays put

-Becca goes and answers the door-

Chris: yes ma'am -holds Levi down in the back of the bus-

Officer: may i come in?

Becca; What for? There's nothing here to report.

Officer: a man was screaming help

Becca: A couple of out of control fans. Nothing more.

Officer: if you have nothing to worry about then you will let me on

Becca; Very well.

Inner Becca; That son of a bitch better not say anything.

-Becca goes to the back-

Becca: Levi do not say anything. You hear me?

-the officer comes in and looks around-

Levi: why?

Becca; maybe because we don't want to get arrested?

Levi: I'm trying to help you!

Becca; You're trying to put us behind bars.

Levi: just trust me!

-she ignores him and goes to the front-

Becca; Well officer as you can see there's nothing important here.

Officer: yes i do

-a yelp is suddenly heard in the back-

Becca; Well then I hope you have a nice day. Damn it. I'll take care of that.

-she goes to the back-

Becca; What is going on here?

-Levi was now on the ground groaning. the knife Chris had was in his leg-

Chris: he was about to scream

Becca; Next time just gag him. Now put some pressure on the wound and try to stop the bleeding. I'll be right back. -goes back to the front.- Sorry about that officer.

Officer: well i should be going. have a nice day

-he leaves and marks their license plate, sure something was going on-

-Becca closes the door-

Becca; Damn. He's on to something.

-soon Joey, Justin, Jc, and Lance come back in from getting snacks and stuff-

Justin: what happened?

Becca; The police are on to us. and that little shit tried to turn us in.

Jc: What!

Justin: where is he now?

Lance; Levi!

-Chris throws him into the front his leg wrapped-

Levi: fuck -lands on the ground-

Becca; Go easy on the kid Chris.

Chris: hell no

Joey: What the hell Levi?

Lance; Are you trying to have us put away?

-Levi doesn't say a word-

inner Levi: they really don't get it do they?

Becca; Whatever. just put him in bed and keep his wound clean.

-Chris drags him into the back-

Becca; he said he was trying to help us. How? by having us thrown in prison? I don't need therapy. I'm not insane.

Justin: your just a criminal

Becca; What were we supposed to do? We had no money and no home. what were we supposed to do? die on the streets?

Justin: that isn't going to help your situation

-the television was on and the news goes on breaking news-

News Reporter: breaking the news, the body of Brian Littrell was found buried on the side of the highway just on the edge on Montana this morning. police say he has been dead for over 24 hours and his burial was a funeral

Becca; How dare they.

Officer on the news: his wife probably buried him. one of our men shot him twice in the a

back when they robbed the bank and she got a good shot at him

Becca; why can't they leave my husband's body alone?

Officer: we are searching for them and we do believe she is in on Levi Wood's kidnapping

News Reporter: there are still very little facts of the Levi Wood kidnapping. If anyone has seen this licenses plate on this bus please contact police -insert pictures-

Becca; DAMNIT!

Justin: see? we are screwed

Becca; SHUT UP!

Chris: calm down! I'll drive so Joey can nap

-they take off-

Becca; Take a right at the next turn.

-Chris does so-

inner Levi: i wish they would just trust me! they need to

Becca; There's going to be a dirt road not far from here. Take that one. It'll keep going for a couple hours and then we'll be at the cabin.

-Chris nods and soon turns on the dirt road-

-he goes through some mountains and lots of forest before they reach the cabin-

Becca; This place is so secluded that no one will bother to look here.

Justin: thank god. something that doesn't move

-Chris drags out Levi-

Chris: what do we do with him?

Becca: We need him alive and with us.

Chris: okay then. tie him up with some good rope and lock him in a room

-drags him off the bus-

Justin: god why are you being so cruel?

Becca; I'd like to know the same thing.

Chris: hey he is refusing to walk here

Jc; You know Chris you can go easier on him.

Chris: fine -drops Levi and walks into the house-

-Levi does budge-

Joey; I'll take him in. Lance help me out here.

-Lance and Joey carefully take Levi into the cabin-

-they lock him into a room that has a bed, a mini-fridge, TV and bathroom-

inner Levi: i hope that those girls gave those autographs to the officer

Becca; Brian and i made this cabin so that if we needed to we could hide out for months.

Justin: it works

Joey: why all the rooms though?

Becca; We wanted to be prepared.

Joey: ah.

Jc; so is there anything to eat?

Justin: i need some food

Becca: There's some food in the basement. it's all rationed out. I'll go get some.

-Justin starts a fire-

-Becca gets dinner ready-

-once she finishes-

Becca: Okay. Everyone can dig in. I'll take food to Levi. -dishes out his food and goes into his room-

Becca: Chow time.

-Levi is lying on his bed head under his pillow-

-his stab wound facing up-

Becca; Need some painkillers?

-doesn't answer-

Becca; Fine then. Suit yourself. here's your food. call me when you're done.

-she sets it down and heads for the door-

-he doesn't move-

Becca; Are you trying to starve yourself?

-doesn't answer-

Becca; Why are you giving us the silent treatment?

-he coughs-

Becca: I'll get you some cough syrup later on. -leaves-

-Levi falls asleep-

-late that night-

-everyone was fast asleep-

-Levi is able to break open his bedroom door and slowly sneaks outside to the bus. he slides underneath his bed and digs out his emergency track phone. he quickly dials 911. he gives them directions down to where the cabin is. He also tells them to be gentle when they arrive. very very gentle-

-he hangs up and puts the track phone away then slowly sneaks back inside and into his room locking it then using the bathroom-

Lance: -yawn-

-Levi gets out of the bathroom and lays down in bed-

-the next morning-

-Levi is sitting on his bed-

Lance; hey Levi. I've got some breakfast for you. Becca's a good cook. You'll like it.

-Levi takes it-

Lance; Why are you giving all of us the silent treatment? i mean with Becca and Chris it makes sense but...

Levi: you guys don't trust me

-sirens begin to be heard-

Levi: so i have to betray you – please don't run

Lance; I trusted you -he looks hurt-

Becca: DAMNIT!

Levi: I'm sorry.....

Chris: YOU BASTERD!

Lance: why...?

Levi: I care about all of you, that's why

-Chris runs into Levi's room with Becca's gun-

Chris: stupid kid. I'll be put in jail for murder anyways

Lance: don't!

Police: POILCE! PUT YOU HANDS UP!

-Lance lunges at Chris knocking him to the ground-

-the gun goes off accidentally-

Lance: no!

-the police rush into the room-

Officer: i need an ambulance in here!

Becca: GET OUT ALL OF YOU!

-Levi is flat on his bed. Chris has good aim-

Lance; NOOOOO!

Levi: it was an accident officer okay? -he is gasping-

Officer: you'll be alright

Joey: We're all screwed.

-other officers take Lance and Chris and put them away-

Jc; I can't believe this!

Justin: god i won't do good in jail

Becca; Thanks for nothing.

-Levi is taken to the hospital, the others are put in jail-

-about a day later-

-officers come in to talk with Levi-

Officer: Okay. so what exactly happened here?

Levi: i know they kidnapped me making me a hostage. but i do not want it to be put on the record. i am not suing them they didn't hold me hostage. they just wouldn't let me go

Levi: i will hire each of them the very bests lawyers for this

Officer: okay then. -slightly confused-

Levi: they are all innocent. they just need help. Becca is very misunderstood

Officer; The media has created a great deal of hype. its going to be hard to get people to even hear her side of the story.

Levi: its all about evidence

Levi: at least get her sentenced reduced down as much as possible. that is why I want the best lawyers

Officer; We can't give you any guarantees. Get well soon. -leaves-

-Levi is released a few days later-

-he immediately gets on the phone and starts getting lawyers together-

Levi: they were all scared and didn't know what to do... i don't consider it kidnapping for any of them... they are scared innocent people... they need help and i will get it for them

Lawyers; okay.

Levi: you guys are the best. do your jobs and help them please

Lawyers: We will.

-meanwhile-

Justin: i wonder how crappy of a lawyer I'm gonna get

Chris: Levi probably told them about me hurting him. ugh i have anger problems. i hate her father so much!

Joey; What does it matter? This is our life now, we should get used to it now.

Jc; Why. Why did we have to go near that damn kid?

Lance; he betrayed me. i trusted him.

-Becca is silent-

-their lawyers come in along with Levi-

Levi: hi guys

-Lance hangs his head-

Joey: here to taunt us?

-Jc and Becca say nothing-

Levi: these lawyers will be working with you on each of your individual cases. there was no kidnapping it was a complete misunderstanding

Levi: you all, hopefully, will be found innocent

Levi: hopefully Becca can get a little sentence

Inner Becca; Yeah right.

Becca: It won't matter. I'll be gone by midnight. If I can anyways.

Lance; No. Those pills aren't going to work.

Levi: the pills I have been giving Lance were vitamins

Becca: Damn.

-she's shaking with rage-

Levi: Lance doesn't have to worry about withdrawal. he will be given something for his 'pain'. i have to go cause fans are wondering what the hell happened and i have to explain it

-he leaves them with their lawyers-

Justin: he really wants to help us out

Lance: I knew it.

Becca: by betraying us and locking us up?

Justin: he didn't! we had to get locked up sooner or later! we couldn't of kept running around with him for the rest of our lives

Justin: i think by my trail date i will be free after wards. same with Jc.

Jc; yeah.

Joey; We can hope for the best.

Justin: i want to know what is up with that kid we did Jc. if he just wanted to turn us in or if his parents are involved

Lance: I'll be okay...I think

Becca; Well good for you.

-they meet with their lawyers a lot and they star to build up something. a week later Lance's trial date is up-

-Levi is there-

Lance: Wish me well. -he tries to smile-

-Joey testifies that Lance was going to stay and watch his dogs while he was out. when he came back his place was trashed along with Lance-

Lawyer: and why was he trashed?

Lance; I had been looking for pills. I've had a problem with painkillers for a while. While I was gone the dog had a fit.

Lawyer: did you find your pills?

Lance; Yes.

Lawyer: is that why Joey found you 'trashed' on his bathroom floor?

Lance: yes.

Lawyer: that is all

-Lance steps down-

-Levi testifies about the kidnapping that Lance was not part of it, and in fact it wasn't a kidnapping at all. but then Levi realized that if it wasn't a kidnapping, he was going to be held responsible for helping them escaping-

Levi: i.....

Lawyer; That is all.

-Levi bites his lip and sits down-

inner Levi: oh god I'm going to be sent to jail

-soon the trail ends-

-Lance is sent to drug rehab-

-and he stays in a psych ward-

Lance; bye Levi.

Levi: I'll see ya soon right?

Lance; Okay. Thank you.

-Levi smiles-

Levi: finally

Lance; what is it?

Levi: your finally grateful and glad that i helped you.

Levi: i promised you I'd help and that you wouldn't go to prison

Lance; I've always been happy for the help. It's the others that are angry with you.

Levi: they won't be -before Lance is taken away Levi kisses him quickly before leaving as well-

-Lance smiles and is taken away-

-the next day-

-Justin and Jc meet up with their lawyer, along with Joey-

-Chris and Becca are alone in their cell-

Chris: my case is really coming along.

Becca; Good for you. So, is your dead girlfriend watching you?

Chris: no. -sighs- i miss her a lot. they are finding out that she was pregnant with her dad's

baby so he is screwed for raping her so my story is becoming a lot more reliable. i hope they figure out i didn't push her off. ugh I'm still angry though -grips his hair on his head - I'll probably have to take some anger management classes

Becca; my case...oh what the hell. I'm probably going to spend the rest of my life in a prison cell. my family won't admit that i exist and my husband is dead. Why? this is a horrible world.

Chris: you have a good lawyer. you never know

Chris: they definitely know you attempted to hurt someone else

Becca; I was keeping that guy from shooting my husband a third time.

Becca; Why is that little snot doing this? He's trying to help us when we're all lost causes.

Chris: we aren't lost causes

Chris: Lance is in rehab, getting out of jail!

Chris: Joey, Jc, and Justin all are going in for their trails at the end of this week!

Chris: i might be going in next week or the week after that

Becca; and where does that leave me?

Chris: your a bigger case. and Levi won't give up on you

-Chris pats her shoulder-

Becca; why is he trying to help us?

Chris: ask him

Becca; I just want everything to end! -hangs her head- I have nothing left. Nobody. I want to be with him again. I want things to go back to the way they were. Before he lost his job. Before we had to hurt people to get by.

Chris: things happen for a reason ya know

Becca; Then why did the man i love die?

Chris: i don't know. why did my fiance die?

-Becca sinks to her knees once again sobbing-

-Chris goes to her hugging her gently-

Becca; I wanted to die with him. Why? Just when it looks like life is about to get better it all goes to hell. That was supposed to be our last robbery. we would have been able to get by with that. Even if kids came into the picture. But he just had to get himself shot. -sobs harder-

-Chris holds her tighter-

Chris: i will be okay.

Guard: Chris Kirkpatrick?

Guard: Come with us. You're a free man.

Chris: wait what?

Guard; They found the right evidence. You're free to go.

Chris: holy crap. Levi did help me

-Chris stands up-

Chris: I'll see ya Becca -he quickly kisses her and goes-

-Becca sits there and ends up crying herself to sleep. in her dream she sees Brian. she runs to him but before she can hug him he disappears-

-meanwhile in another cell-

Jc: I'm scared.

Jc; what happens if we get convicted?

Justin: i don't know -rubs the back of his neck-

Jc; I can't live without you.

Jc; what happens when we get out?

Justin: we find Levi probably -hugs Jc-

Jc: then what?

Justin: never mind. Lets not worry just yet. -goes to sleep-

-Justin curls up to him then falls asleep-

-the next morning-

Becca; here I go. off to see how long I stay in hell.

-the guard leads her past Justin and Jc's cell-

Justin: don't worry Becca

-they can tell Becca hasn't slept well-

Justin: the rest of us are going in for our trials tomorrow

Becca: Congrats.

Guard: This way ma'am.

-Becca is led off-

-later during the trial-

Lawyer; I'd like to call to the stand Levi Wood.

-Levi fixes his fucked up tie and heads to the front of the court room-

Lawyer; If you can please tell us everything that happened, from your point of view.

-Levi nods and begins to explain-

Lawyer; There you have it your honor. It was merely a simple misunderstanding. The woman was trying to help her husband but was not willing to trust the hospital. she was trying to help him.

-Levi chews on his nail-

Lawyer: That is all.

Levi: can i get down now?

Judge; You are dismissed.

-Levi goes back to his seat-

-at the end of the trial-

Inner Becca; There goes the rest of my life.

Jury: we find the defendant..... innocent

-Levi is even shocked-

inner Becca; What!?

inner Levi: not even probation or being..... whoa

-Becca nearly falls over-

Judge; Court is dismissed.

Levi: wow

-still in shock Becca walks from the court-

Levi: see Becca? you just had to trust me -leaves-

Becca; The only person I can trust is dead.

-late that night-

-Levi pulls over on the side of the road, finding Becca wandering the streets-

Levi: need a place to stay?

-Becca is leaning against a wall. she doesn't say anything. She just nods-

Levi: hop in then -opens the door-

-Chris is in the back seat-

-Becca gets in-

Becca: I have nowhere to go. And even if I try to sleep on the streets... the dreams keep coming.

Levi: i have a big place. You'll be comfy there -drives off-

-they reach his house-

Levi: you guys can stay here as long as you need

Chris: thank you

-Becca just nods. she seems like a different person. hardly the feisty bitch that she had been-

-they head inside and Levi shows them their rooms-

Levi: don't get lost in here

Becca; I'll try not to -she's holding a small bag with her-

-Levi nods and heads to his room. Chris goes into Becca's-

Becca: This is all I have left to remember him by. -empties the contents of the bag. Inside is

the gun, Brian's ring, and his watch- He gave me the gun for our anniversary.

Chris: Becca you know thinking about him like you are isn't healthy. maybe he wants you to move on

Becca; What am I supposed to do?

Becca: How do I move on?

Chris: I'm still trying to move on

Chris: but i know i can't just spend the rest of my life saying i am only meant to be with her. she might find someone up there so i should find someone down here

Becca: I can never get to him when i see him in my dreams. what is he trying to tell me? if he wants me to do something why doesn't he just tell me.

Chris: what is the dream about anyways?

-Becca explains the dream to him slowly-

Chris: well... you run at him. sign that you want him. he disappears. a sign you can't have him. have you ever tried to just stand still in your dreams? see what happens? maybe chasing after him isn't the answer

Becca: I want to feel his skin again. I want him holding me. So i run to him. -sigh- it's late. we need to sleep.-gets under the covers leaving the gun, ring, and watch on the nightstand.

-Chris kisses her head before heading to his room-

-ten minutes later-

Chris: Levi I'm lost!

Levi: no you aren't

-Levi opens his bedroom door finding Chris right outside of it. Chris slightly jumps, having not known that he was outside of Levi's room-

Levi: turn around Chris. it's down the hall

Chris: right -grins and heads to bed-

-Levi chuckles-

-late into the night-

Becca: -in dreamland- Brian? Brian? where are you?

Brian: right here

Becca; Baby! i... -she's about to run over to him when she stops herself. She knows what's going to happen next. She sinks to the ground holding back tears-

-Brian slowly walks down to her-

Brian: i will always be here. -kneels down in front of her- don't cry

Becca: Why did you have to die! You jerk! -punches him before she starts crying again- I miss you so much!

-the punch went straight through him-

Brian: i know -touches her shoulder lightly- you can't keep chasing after me

Brian: don't come after me baby. i want you to be happy.

Becca: I was happy with you.

Brian: your happiness from now on isn't with me

Brian: its with someone else. i will see you again, long time from now.

-Becca just cries-

-he kisses her lightly on the lips before standing up-

Brian: your kids are really beautiful -walks away- i love you! I want you happy!

-fades away-

-Becca wakes up in a cold sweat-

-apparently she was crying in her sleep because Chris was standing next to the bed with a

glass of milk-

Chris: well?

Becca: -she's still crying-

-Chris sets down the glass and climbs in next to her, hugging her-

Becca: I still miss him. I always will. I'm trying to move on but these damn tears keep coming.

Chris: just cry it all out then

-Becca keeps sobbing until the sun comes up-

-morning-

-Levi wakes up and heads down the hall-

Levi: -looks into Becca's room and finds Chris holding her- figured

Chris: hi

Levi: get ready we have Joey's trail then after that is Jc and Justin's

Chris: mkay

Becca; right. -gets up getting dressed-

-Chris heads to his room and dresses-

-Joey, Jc, and Justin's trials all run smoothly and are all innocent-

-later after the trials are finished-

Becca: Congratulations, all of you

Levi: guess my job is done here -stands up-

Joey: Where are you going?

Levi: back to where i was before you guys showed up. if you guys need a place to stay i can give you guys the code to my place and you guys can just live there until you can get resettled

Joey: I'll be okay. I got my house repaired so I'm okay.

Justin: Jc and I are good too

Chris: my place is open so I'm gonna head back there

Jc: so we'll see all of yal around?

-Levi nods-

Levi: Becca you gonna stay at my place?

Becca: I can't go back to Montana. That place has too many memories.

Chris: you can stay with me

Becca; Okay.

-Chris smiles-

Levi: that's settled then. good luck yal -leaves-

Joey: Lets go.

-Justin hugs Jc and they head out-

-Levi has his bus fixed up and he heads off on his road trip again-

-before Levi leaves he goes to see Lance in rehab. he waited outside till visiting hours-

Lance; Oh. Hi Levi. -smiles-

Levi: hey. how you doin?

Lance; I feel better as far as not needing pills. But... I'm not sure how I'm going to handle the world once I'm let out.

Levi: you shouldn't worry about that -smiles- everyone got out and are back living their normal lives

Lance; Really? I'm so glad.

Lance; So what's been going on in everyone's lives?

Levi: nothing yet. just that Becca is gonna stay with Chris. something might happen with those two

Lance; You really think so? I got a call from Becca saying she was crashing out on Chris's couch for the time being. She said she was trying to get back into the dating scene.

Levi: who knows. so when you get out do you have anything at all?

Lance: Nothing. I don't know where my family is. i don't have any money. One of the reason's I'm scared.

Levi: oh -Levi chews on his fingernail- i have to go. don't want to get a ticket for parking my tour bus on the side of the street

-visiting hours end and before Levi goes he kisses Lance on the cheek then walks out-

-Lance sighs and heads outside-

Inner Lance; When I'm with him...I feel so much better.

-Levi makes sure Lance isn't around to see him when he goes over to the main counter-

Levi: excuse me? -he asks the woman who is in control of med distribution-

Nurse; Yes?

Levi: i need to know. did Lance come in with anything at all?

Nurse; Not that I know of. Why?

Levi: do you think you can make sure that when Lance is let out of rehab that he is given this? -he hands her a large suitcase that has a envelope attached to it. the suitcase is locked-

Nurse; Of course.

Levi: thanks doll -hands it to her and quickly leaves. he didn't get a ticket-

-meanwhile-

Becca: I'm heading out. -she was heading to a club.-

Chris: oh. okay.

-Becca had her's and Brian's rings on a chain. She had moved on but she still felt better having the rings there.-

Chris: just... don't rob anything okay? Levi's gone so he might not save you

Becca; Shut it. -her smile disappears. She shakes her head and leaves-

inner Chris: i wish i didn't say that

-while she's out-

-Chris searches for a new job in the papers. he finds an opening at a radio station-

-the phone rings-

-Chris picks it up-

Chris: hello?

Joey: Hey man. I know it's a little early to be doing this but I just wanted to check in on you and see how things were going.

Joey: i was gonna head out for a bit. Nothing hard core just need to get out of the house. I was wondering if you wanted to come with.

Chris: sure. you can wing by my place and pick me up. i have to make a quick phone call -

Chris gives him his address-

Joey: Sure thing dude. I'll see you then. By the way. The rainbows are coming with us.

-Joey hangs up and gets in his car driving to Chris's place-

Chris: dear god -calls up the radio station and sets up an interview then heads out with Joey-

Joey: They're gonna be meeting us at the club I had in mind. It's a bi place so they'll be pretty busy.

Chris: I'm sure they will -chuckles-

-they arrive-

Joey: Hey is that Becca?

Chris: um... i think so

Justin: hey guys! -walks over holding onto Jc- holy crap what is Becca wearing?

Joey: practically nothing from the looks of it.

Jc: I'll say. And it looks like she's getting pretty friendly with that guy over there.

-Chris tries to hide his anger-

Chris: hope she doesn't screw herself up

Jc: She won't. But she's making herself look like a cougar with that guy.

Joey: Come on Chris. Lets get some booze into you.

Jc: YAY! BOOZE!

Chris: oh boy -is dragged to the bar by Justin-

Justin: maybe a threesome?

Chris: don't count on it

-Justin pouts-

Jc; No more threesomes Justin. i don't want to be on the run again.

-a few minutes and a few drink shots later-

Chris: did you ever know how hot Becca is? -he is drunk-

Justin: I'm gay even when drunk

Joey: Well.... as cute as she is, she's not really my type.

-Becca is dancing with the guy she was talking with earlier and it looks like her dress is starting to slip-

Chris: i want some -finishes his beer and stands up. he burps, fixes his clothes, then walks towards them-

Justin: that was sexy

Jc; This guy is gonna screw up bad.

Joey: anyone wanna stop him?

Justin: I'm gonna tape it on my phone -pulls out his phone-

-Chris walks up to them and taps the guy on the shoulder-

Chris: i want a dance with the pretty lady

Guy: Fuck off. This is mine.

Becca; Chris? What are you doing here?

Chris: i want a dance. came with rainbow boys and Joey

Becca; Nick. Just hang on a second.

Nick: Okay. But come right back mkay babe?

Becca: Sure. Come on Chris lets get you back to the guys.

-Becca leads Chris back to the bar-

Chris: come on Becca i want to dance -swings her onto the dance floor and does some ball room thing to a very techno song-

Becca; You're drunk.

Chris: but it helps express my feelings cause then the alcohol blocks my chickeness -he spins her around and grinds-

-her dress rips-

Becca; SHIT!

Chris: pretty

Justin: oh crap -instantly takes off his jacket and wraps up Becca-

Justin: might i say if i was straight i would be fucking you now

Becca; Damn it. God I am not nineteen anymore. I need to loose weight. And thank you Justin.

Chris: i think you got it a size too small -grinning ear to ear-

-Nick comes back over-

Nick: Turn is over dude. Come on girl. Off to my place.

Becca; Some other time Nick okay? I need to get home

Nick: No way girl.

-Chris steps in front of her-

Chris: don't touch her if she said no

Nick: Out of my way asshole -pushes Chris aside grabbing Becca- You're coming with me whether or not you like it.

-Chris grabs Nick by the hair dragging him back. He hits him three times in the face till he blacks out and drops him to the floor-

Chris: no touchy

-Chris fixes his shirt and sways a bit-

Justin: damn Chris

Becca; oh my god.

Joey: Someone's defensive.

-Chris walks over and hugs Becca sort of crying-

Chris: don't want to loose you Dani

Becca:I'm not Dani.

-Chris passes out-

Justin: Jc want to clean him up?

Jc: yeah. Becca I think you should head home. Joey give her a ride. i don't want her walking.

Joey: Yeah. Come on Becca.

Justin: don't you guys share a place? come on we will all head there

-Justin hands Becca over to joey-

-Becca nods and goes to Joey's car. Jc and Justin haul Chris into Joey's car-

-they drive back to Chris's place and clean up Chris-

-about an hour later-

Chris: dude what happened?

Joey: You punched a would-be-rapists lights out.

Jc: and you called Becca Dani.

Chris: oh... -he slightly remembers the events-

Justin: is Dani the girl who.....

Chris: my would-be-wife

Inner Becca; And he tells me I have issues letting go.

Chris: when i get drunk i do weird stuff

Justin: we noticed -hands him some coffee-

-Becca is silent and sitting on the couch-

Chris: its hard ya know? -drinks the coffee- i guess if i didn't grab Becca her dress wouldn't of ripped

Justin: but Nick would have done something nasty to her

Chris: you okay Becca?

Becca; I guess...The thing is...Are you?

Chris: I'm getting there. -finishes his coffee-

-three weeks later-

Lance: hey guys. -Lance is let free from the rehab-

Justin: hey. we had to come and see ya. we didn't know if... ya know... ya had anything

Chris: what's in the suitcase?

Lance; I dunno. I never opened it.

Jc; Well then open it dude.

Lance; Um... okay.

-he opens the envelope that has six numbers on it-

Justin: codes to the mystery inside the suitcase

-Lance opens the suitcase-

-inside is two sets of clothes, a bulging envelope, and a smaller one that had something inside it-

Chris: nice clothes.

Lance: Oh...wow. Damn these are nice.

-Lance opens the smaller envelope-

-inside is a folded piece of paper. one it has a picture of a very nice house and below it a key with the address also written on it. the house was perfect for one person-

Justin: wow

-Lance sits down on the steps outside the rehab building, in total shock his eyes brimming with tears-

Chris: dude these are all hundreds! -opens the bulging envelope- I'm guess its about 5,000 dollars in here!

Justin: dude where did you get all this?

Becca; You are one lucky bastard you know that?

Lance; Levi...

Justin: damn! he probably has the hots for you. come on lets go check out the house

-dumbfounded Lance nods and they pile into Joey's car and head for the address-

Joey; This is a nice suburb.

Justin: me likey. dude i love Beetles!

Lance; Wha? Joey's car is a station wagon.

Justin: no the car in the driveway!

-Lance's jaw drops and he looks like he's about to cry-

-Justin drags him to the porch and they use the key to get inside. the place is already furnished-

-there is a note on the dining room table-

-Lance picks it up-

Lance: Is this a joke?

Dear Lance, Everything is paid for. The house, the car, and the start of the bills. You have cable. Also I want you to call the number at the end of this letter. It is for my manager

Johnny. He needs someone who can be his assistant, a secretary in a way. Told him about you and your college stuff - he likes it. You never know you might be promoted. Love, Levi.
PS: you have internet to and lots of food to start out with.

-Lance sits in a nearby chair and bites his lip holding back tears-

Justin: you can cry ya know -pats his shoulder-

Lance; I can't believe this. For once my life is going right.

Chris: someone has it in for ya

Becca; This is a good thing Lance. You'll be okay.

Chris: I'm gonna raid the fridge

-heads to the kitchen-

-Lance wanders the house-

Chris: hey Lance?

Lance; yeah?

Chris: there is something in here for ya!

-Lance goes into the kitchen-

Lance; What is it?

Levi: i didn't know you'd be let out this soon -walks out of the little closet/pantry area- i was just stocking you up on some food

-Lance stands shocked for a few moments, then runs to Levi hugging him and slightly crying-

-Levi holds him tightly-

-Chris grabs something from the fridge and sneaks out-

Lance; Thank you. -sob- Thank you so much.

Levi: i had to. i have money but i had to do something with it

Levi: what God wants me to do. help out people.

inner Lance; Should I tell him how I feel?

-Lance kisses Levi's shoulder now really knowing what to do-

-Levi hugs him tighter-

Levi: yeah and I drove here in your new car. might i say it's a very nice ride. i was just gonna take the bus back into town

Lance; Stay with me. Please don't go.

Levi: but my road trip.... once i finished here I was gonna head out on it. inspiration

Lance; Please. I don't want to be alone. I... I love you.

Levi: i..... love you too. Lance -pulls away and looks him in the eye- i won't leave you. but i need to go and you need to start your new job. I'll be back hopefully in a month and a half

-Lance nods tears still falling down-

Levi: I'll give you my cell number and we can talk as much as we want. i don't want to interfere in you getting everything straightened out okay? -wipes his thumb under his eyes-

Lance; Okay. -nods-

Levi: I'm leaving tomorrow. go call Johnny okay?

Lance; Okay. -goes to the phone and dials-

-Levi goes back to putting all the food away. he really went food shopping-

-meanwhile Jc and Justin are playing video games-

Justin: haha! i kicked your ass!

-Becca is reading in a chair-

Jc; I suck with this character.

Justin: you suck as yourself -growls in his ear-

Jc; Not here darling. When we get home.

-Joey and Chris go help Levi in the kitchen-

-soon Lance is off the phone and Levi is getting ready to head to his place-

Joey; we'll get out of your house now Lance.

Levi: dang i spent a lot of money in the past three weeks

Lance; Okay. It was nice seeing you guys again.

Becca: Stay safe Levi.

Justin: we will be visiting a lot buddy. well when you are not at work anyways

Levi: when is your interview Lance?

Lance; tomorrow morning.

Joey: Good luck dude.

Jc: yeah.

Levi: you'll be fine -pats Lance's shoulder-

Lance: I hope so.

-Levi pulls Lance into a separate room. Justin tries to watch but Jc drags him out to their car. Chris and Becca head to Joey's car-

-Levi kisses Lance-

Levi: be positive alright? that's what makes people successful

Lance: I'll miss you so much. I'll try -kisses Levi-

-they begin to make out... on the dinner table-

Lance; Stay safe okay?

Levi: i will. unless someone decides to show up to my bus with a almost dead person again

-Lance grins-

Levi: or a guy with a knife darts in front of me

Levi: or two guys beg to be let in

Levi: or a guy looking freaked with a stoned guy behind him -grins and kisses him, sitting up and putting his shirt back on-

Lance: Well, lets hope it doesn't happen. I'll see you later.

Levi: yeah -kisses him again, waves and leaves-

-meanwhile-

-Chris and Becca are back at their place-

Chris: damn Lance is really lucky

Becca; Yeah. He and Levi are good for each other.

Chris: i feel bad for stabbing Levi

Becca: don't be.

Chris: we should of trusted him

Becca: You can't dwell in the past forever.

Chris: you were the last person to actually realize that Levi was helping us

Becca: I was torn up.

-Chris hugs her-

Chris: are you now?

Becca: I'm healing. And I reek. I need to shower. Let go.

Chris: i don't think you do

Becca; Off.

Chris: would you slap me if i kissed you?

Becca; is this before or after I've showered?

Chris: both

Chris: maybe during?

Becca: Before yes. During... yes. After, no

Becca: Now let me get clean.

Chris: you said i can kiss you before and during. why not after?

Becca: I meant yes I would slap you if you kissed me before and during. Now be patient and let me wash off.

Chris: i think I'm willing to take all the chances -dips her, kissing her hard and good-

Becca: Get off.

Chris: fine -drops her on the couch-

Chris: see i kissed you before and you didn't slap me!

-Becca gets up. She heads to the bathroom and turns on the shower-

Becca; Last time you were drunk.

-Chris waits outside the bathroom until he thinks she is halfway through her shower-

-he sneaks in then quickly pokes his head into the shower and kisses her lips then runs very fast out-

inner Chris: she is very cute wet

Becca: WHAT THE FUCK!

Chris: i didn't get slapped!

inner Becca: I thought Brian was the only guy in the world who'd have the guts to do that.

Becca: Just wait till i get out!

-Becca finishes showering and gets dressed. Then walks over to Chris and slaps him-

Becca; There. Bad boy.

Chris: bad girl -grabs her kissing her hard and with tongue-

-Becca starts struggling-

-he pulls away-

Becca: Why?

Chris: you think maybe we could try to heal together?

Becca; ...How so?

Chris: we help each other get over the one we lost..... then we stay together

-his hand is close to her ass-

Becca; in other words you've got the hots for me and you want me to be your girlfriend?

Chris: that too

Becca; Give me some time to think about it. I need to take care of something first

-Chris nods-

-he grabs her ass then RUNS LIKE HELL-

Becca; YOU.....!!!!!!!!!!!!!!

Chris: MOMMY!

-Becca goes outside to the post office to mail something to Levi, then goes after Chris-

-next day-

-Levi gets ready to leave when the mail comes to his house-

Levi: thank you our everyday hero

-there is the letter from Becca there-

Levi: ah Becca wishes to say something to me -opens the letter- lets see what it says -holds it close to his face for dramatics even though he is alone in his house-

Dear Levi, I know you'll find it silly that I'm telling you this but before we turned to crime Brian was a struggling musician. He wrote this song and played it for me the night he proposed. As the years went by this song became our theme in a way. I was hoping you'd be able to do something with it. If not I understand. But I can't keep this song to myself. From, Becca.

-the letter is signed with a butterfly that was painted on with what looked like nail polish-

-Levi listens to the little recording. it was Brian himself-

It's the last night on earth before the great divide
My hands are shaking time was never on our side
And there's no such thing as a beautiful goodbye
As an ordinary day I prayed for you a thousand times

It's never enough

No matter how many times I tried to tell to tell you this is love

If tomorrow never comes I want you to know right now that I

I'm gonna love you until the day I die

If tomorrow falls asleep can you hold me first

I'm gonna love you like it's the last night on earth

Like it's the last night on earth

A penny for your thoughts

A picture so it lasts

Let's knock down the walls of immortality

Your fingers on my skin only you can hear my fear

Only you can help me heal

I see forever with you here

It's never enough no matter how many miles stand between us this is love

If tomorrow never comes I want you to know right now that I

I'm gonna love you until the day I die

If tomorrow falls asleep can you hold me first

I'm gonna love you like it's the last night on earth

It's never enough

No it's never enough

(it's never enough)

Oohh

The afterglow

The horizon line

The shadows fall

Will you still be mine

Will you still be mine

Will you still be mine I ask

If tomorrow never comes I want you to know right now that I

I'm gonna love you until the day I die

If tomorrow falls asleep can you hold me first

I'm gonna love you like it's the last night on earth

Levi: wow..... yeah Becca. i will do something with this. and i think i just got my album cover -looking at the signature-

-elsewhere-

Becca: -yawn- I'm heading to bed. Night Chris. -she's been sleeping on the couch for the past several weeks. she heads over to the couch and gets under the blanket-

Chris: nope. come on -tugs on her arm like a little kid-

Becca; Chris what are you doing?

Chris: you either sleep in my bed with me or without me. either way neither of us are sleeping on this couch

Becca: -sigh- Fine.

-Chris tucks her into his bed, then goes to the other side climbing in staying on his side-

Inner Becca; At least he's keeping his hands to himself.

Chris: ya know that was where Dani slept

Becca; Brian always slept on that side.

Chris: i think she is happy that someone is now filling up that empty space

Becca; i hope so. -closes her eyes-

Inner Becca; i hope he never finds out i like to sleep naked.

-a month and a half later-

-Levi arrives back in town-

Lance; LEVI'S HERE! LEVI'S HERE! -is bouncing around like an excited puppy-

Chris: BREATHE!

Becca; i know you're excited but try to remain calm.

-Levi does his best to park his bus outside Lance's house-

Levi: if i get a ticket i hope my puppy dog eyes work on them

-Lance runs out of the house jumping on Levi-

Levi: hi Lance!

Lance: i missed you so much!

Levi: i missed you too! -hugs him tightly-

Joey: wow...

Becca: Awww.

Chris: gag

Becca: Chris! -slaps him on the shoulder- Be nice.

Chris: i mean that in a good way

Justin: come on guys

Levi: everyone get on the bus. we are gonna go to my house and party

Jc; Wootness!

-they all get on-

Justin: sweet!

Levi: please tell me Chris is gonna hold a knife to my throat

Chris: only a butter knife

Levi: no gun?

Becca: It's in my purse in case I need it.

Levi: good cause the last time we were all on this bus, you guys were crazier then i am. now your all saner then me -smiles and drives off-

Becca: I'm still crazy. I'm just not robbing banks and trying to save a dying man.

Levi: speaking of Brian... i got that letter Becca

Becca: Good.

-they soon reach Levi's place and head in and PARTY-

-they all get really wasted, but no orgy despite Justin's begging-

-the next morning-

Levi: I'm naked. and thank god Lance is in bed with me

Lance; That was fun. But my head hurts.

Levi: same here. i think a good blow job can cure that -dives under the sheets-

Lance; -groans-

-several months pass-

-Levi's album comes out and is really really big-

-the song Brian wrote is the first one on the album-

-the song is unique because Levi begins singing it but it slowly fades from him to Brian throughout the song-

-it ends up becoming a number one single and stays there on the charts for over a month-

-then comes Levi having to sing it live-

Levi: I want all of you guys there!

Justin: well duh!

Becca: I will

Joey: Sure thing.

Levi: Brian is a hit Becca.

Becca; I know. -bites her lip- His one dream in life. It's finally happening.

Chris: yay!

Jc: Don't worry. He's happy.

-at the performance-

Levi: hi peoples -lots of deafening screams- yes i know your there

-Levi waves to Becca in the front row and Justin screams and pretends to faint-

Jc: Drama king

Levi: okay so yal know that number one hit of mine? well i didn't write it. that guy who robbed a ton of banks did.

-a mummer goes through the crowd-

Levi: his name was Brian Littrell. wish i could have known him better but i just got to see him die. it broke someones heart.

Levi: well I'm not gonna sing this song tonight. I'm gonna sit here and your all going to listen to the original recording of the song. written to Brian's wife Becca. he wrote it and sang it to her when he proposed.

Levi: that is why the song is called Becca's Song -Levi sits down on the stage and the music starts up-

Chris: your one lucky girl Becca -whispers it into her ear-

-people are silent throughout the whole performance-

Becca; I know.-she's crying-

-the song comes to an end-

-Levi stands back up-

Levi: i think he's a better singer then me. if only his musical career had a chance he'd still be alive

Levi: everyone deserves a second chance. Brian didn't get his, but Becca sure did

-standing ovation and thundering applause-

-Levi pulls Becca onto the stage-

Becca; What are you doing?

Levi: just come on

-Levi goes to the mic-

Levi: this is Becca if your wondering! you think she is one lucky girl or what?

Chris: FUCK YES

-more cheers-

-Becca blushes-

Levi: now this song i wrote for all my friends who got their second chance

-Becca gets off the stage-

-Levi doesn't let her. he drags all his friends up as he is singing-

Chris: grr

Jc; I don't do well with crowds.

Lance; meep.

Justin: I'm here baby

-Becca is blushing-

-Joey is dancing-

Jc; Weirdo.

-Levi joins him-

Justin: why not -joins them-

-Jc joins in-

-Becca stays in the background-

-once the song ends Levi kisses Lance hard and girls faint-

Lance; I love you baby.

Levi: love you too. okay i am done here - no one follow me home!

-hurries off stage with Lance right behind him-

-Justin and Joey and Jc dance their way off-

-Chris scurries-

-Becca keeps to the shadows and walks off-

Levi: i just had to embarrass yal

Becca; I don't do well in front of crowds.

Levi: i noticed. but you had Chris

Chris: meh

Becca: I'm gonna head back to the apartment.

Chris: I'm following you

-he grabs her hand-

Becca; why?

Joey; Aww. He's got a crush.

Chris: cause i..... shut up!

Jc; -cough- little man in his pants -cough-

Chris: grr whatever -he kisses her- i love ya that's why

Levi: how romantic!

Justin: gag. its straight

Jc; Be nice Justin.

Justin: i meant it in a good way -Chris growls-

-Levi rolls his eyes-

Becca: I'm tired.

Levi: I'll be in my dressing room -walks off-

Joey; we should be heading home.

-Lance follows Levi-

Levi: whoa i forgot to turn off the mic -still holding the mic and can tell from how the crowd is reacting that they could hear them- stupid stage hands!

Stage hand: love ya too

Justin: wait they can hear what we are saying?!

Levi: maybe

Becca; oh god.

Joey: Well this is embarrassing.

Justin: RAINBOWS RULE!

-Levi quickly shuts it off and chucks it at a stage hand-

Levi: holy crap -the stage hand gets angry- everyone RUN!

-they scatter-

-Becca bolts for the door-

Chris: I'll save you Becca! -picks her up and they run to their car-

inner Chris: i need to -pant- work out -pant- more

-just barley out the door he puts her down and falls to his knees-

Chris: you must go on without me!

Becca; wow. You are really out of shape. -walks out and gets into the car to wait for him-

Inner Becca; and he thinks he's gonna last in bed with me how?

-Chris fakes passing out then runs to the car when Becca starts to drive off-

-Becca grins-

Chris: I was faking it! don't leave me!

Becca; Weirdo. Get in.

Chris: -dives into the back seat- hurry to the bat cave!

-Becca drives-

-an hour later-

Chris: damn and you want another round?!

Chris: i don't think i can last

Becca: Come on. I can last till sun up.

Chris: a man can barley last after cumming twice

Becca; You're a wimp. God Brian and this is they guy you had in mind for me?

Chris: huh? -looks at her- you think I'm your guy? like the one?

Becca: I dunno. But Brian said there was another guy I was supposed to be with. I don't know if you're the one or not but if he'd send me a sign or something then maybe I'd know for sure.

Brian: if you kiss him right now and he holds you all night he is

Becca; Who said that?

Chris: huh?

Becca; I'm hearing shit. whatever. -kisses him-

-Chris smiles and holds her face-

Chris: can we sleep now?

Becca: Fine. But next time it's gonna be all night long.

Chris: like Levi's song!

-Becca rolls her eyes and snuggles up to Chris-

Chris: i wonder where he got the inspiration for that one

-wraps his arms around her-

Chris: its his new album so maybe... i think only Justin wants to think about that -goes to sleep-

Becca: Maybe -closes her eyes-

-next morning-

-Becca wakes up and Chris is still holding her tightly-

Brian: told ya so

-he is standing next to the bed-

-Chris is out of it-

Becca: I hope you don't get jealous.

Brian: I'm not -kisses her- would you be mad if i said i met someone up here?

Becca; I suppose it can't be helped. I can't help but feel a little jealous though.

Brian: i hope Chris doesn't get jealous either. Dani is a very nice girl

-disappears as Chris wakes up-

Becca: Morning baby.

Chris: ya know Dani came to tell me that you were the one. and she said she met someone in heaven and asked me to not be jealous. hey as long as we can have a four way once we die I'm happy for her

Becca; wild nights in bed. Sounds good to me....I think I want to move to the cabin. I don't want to be in the city anymore.

Chris: that sounds nice. but not in Montana

Becca; But everything is already there. The cabin and everything.

Chris: it brings back bad memories. i nearly killed Levi. i want to forget that state

Becca; -sigh- where then?

Chris: outside the city..... i saw a great land area and it was sort of a cabin

Becca How far outside? Are there lots of trees?

Chris: uh-huh. i was talking with Levi about it a month ago. i don't have the money for it with a job at a radio station

Becca: and I don't have many skills. I was mostly just a homemaker before Brian and I started robbery. I was planning on just being a stay at home mom.

Chris: Levi bought the place for us. he said he had to use the money for something. heh he also said sooner or later he would have the whole USA under his finger tips

Becca: That doesn't surprise me.

Chris: want to move there?

Becca: yes. I just don't want to be around people.

Chris: i will try and not tell Jc and Justin about it then- kisses her- let us shower- heads to the bathroom-

-Becca gets up and follows him-
