Howie: how do you know she isn't human?

Brian: She moved me out of the way without even touching me!

Howie: that could have been anything, the wind or even you stumbling a bit you do that alot balancing on your feet in a funny way

Brian: No. My feet were planted firmly on the ground and that hallway didn't have any wind. i swear she moved me with her mind!

Howie: okay if she did move you how are you sure it was her mind?

Brian: She had all the symptoms!

Howie: what symptoms!

Brian: You know. Emotionless face she was in a angry mood and her eyes flashed a bit.

Howie: you saw the red eyes too?

Brian: Yeah.

Howie: damn that was creepy. but AJ is set on her being human. i didn't tell him i heard her saying that thing today without even talking out loud

Brian: i know. He chewed me out about it today.

Howie: he though you read her mind?

Brian: Yeah. But i wasn't i stay out of her mind.

Howie: good boy -howie grins and lies back in bed- well do you think she knows that she is a mutant because she doesn't even know about us being mutants

Brian: Who knows. We all found out about our powers when we were in our teens so...

Howie: you know your five eyars older then her right?

Brian: So?

Howie: well big difference when your 20 and 25

Howie: different maturity levels

Brian: there's worse combinations though. I could be sixty.

Howie: -shutter- bad mental image man

Brian: Yeah.

Howie: well night dude

Brian: Night.

Inner Brian: Night guys. And AJ. Keep your hands to your self
remember that.

-aj and becca are asleep together-

inner aj: you keep your hands to yourself. don't think i didn't
hear your little conversation with howie

inner howie: damn it

-the next day-

-aj wakes up and watches becca sleep-

Becca: zzzzzzzzzzzzzzz

-she curled up in a ball-

-meanwhile jordan is walking the halls being awake all night-

inner jordan: why can't i sleep god i need sleep i'm going nuts

Becca; maybe you should check the mirror again. Kevin tell me whats going down.

Kevin: Okay. Becca you're gonna be pissed when I say this but Me and the guys here and from the looks of it Jordan here...We're mutants. Our powers didn't show till we were in our late teens and when we formed the group we fomed a super hero team. You know The Five? We kept it from you guys and our families because we didn't want you to get hurt. We also didn't know how you would react.

Becca; Okay. So you guys are the superheros i have on a poster on my wall in my room at home. Now we find out that Jordan potentially had powers too nad we have no idea whats going on.

Kevin; Yeah that pretty much sums it up.

-jordan was still shaking-

Nick: Jordan it's gonna be okay. You can become one of the team and everything. and we can teach you how to use your powers.

Brian: Nick i don't think that's gonna work.

Brian: Jordan really. It's gonna be okay. Come on lets get you back to your room -helps her up and into her room-

-suddenly brian flys back and htis the walla nd the door slams shut-

Jordan: i didn't mean to do that but i wanted it to happen!

Jordan: amke it stop make it stop

AJ: i already did

Brian: JORDAN BREATHE! CALM DOWN!

Jordan: I CAN'T!

Brian: You just need to relax and focus.

Jordan: ON WHAT YOU DICKWAD?

Howie: good one

-aj is rubbing his face-

Brian: ON ANYTHING! JUST TRY TO RELAX. THINK ABOUT SOMETHING THAT CALMS YOU DOWN!

Jordan: NOTHING CALMS ME DONW I'M ONE HUGE PILE OF SHIT!

AJ: uhg okay i'm sorry Jordan but i'm gonna do this for ya own good

-aj burst the door open flying at a speeding bullet. he slams her tot eh ground and covers her ears-

-she stops-

AJ: breath.....

Howie: i've seen you fly faster

AJ: guys she hearing things!

-Brian growls and gets up pissed-

-jordan kept hearing different things around her and she couldn't focus-

-aj brushes her hair and tells her to breathe and close her eyes-

AJ: sleep..... sleep..... sleep

-she can't shut her eyes-

AJ: she won't listen to me

Brian: Of course not. She wouldn't listen to me.

Kevin: Brian chill. I know you're frustrated but you need to chill.

-jordan starts screaming again-

-aj has to cover his ears then everything in her room starts flying again-

AJ: god dman it

God: Don't blame me buddy.

AJ: someone help seriously!

Kevin: What can we do!?

-because of her concousion her head was hurting horribly. she wasn't able to focus all tiw as was a pounding in her skull and she kept hearing everyone talking-

Jordan: make it stop -screams more-

Nick: How!

Becca; That's it. I'm going in. -runs in dodgeing flying objects grabbing Jordan's hand- JORDAN YOU WILL CALM DOWN!
LISTEN TO US!

-jordan stops-

-everything in the room hovers and she looks at becca-

Becca; Jordan please close your eyes and sleep a bit okay? You need to rest. Your head is still hurt and we have a couple more

days off. Try to rest and maybe meditate if not sleep.

Jordan: i can't do anything anymore it hurts so bad. i haven't been able to sleep because i haven't be able tog et my pain killer prescription filled because everything was so busy. then this happens and i just feels a whole lot of hurt -tears are running down her face and her eyes go orange-

Jordan: i ahte that everything is my fault

Becca; Its not your falut. Now I'm going to go to the pharmacy and get your perscription for you. in the meantime take an asprin and try to relax.

-jordan nods and stumbles to her feet-

Jordan: my feet are cut

-becca is older then jordan-

Becca; Kevin go get some bandages.

Kevin; Got it.

-aj stumbles to his feet groaning his head aslo pounding-

Becca; Nick I have some rubbing alchohol in my bag. Go get

some of that and some cotton balls so we can clean off Jordan's feet. AJ take and asprin and go back to bed. Brian I want you to apologize to Jordan then go take a wal and calm down.

Brian: Yes ma'am.

Nick: Okay.

Becca; Howie go get Jordan some water.

AJ: who made you boss? -he grabs the asprin giving one to jordan and himself. then he leaves-

Howie: he's like that when in pain

-hwoie brings water-

Becca: I noticed.

-Nick and Kevin come back with the stuff.-

Becca: Jordan this will sting a little but try to stay calm alright?

-jordan nods and Becca cleans her up. then she tucks her in and she passes out-

Howie: this is nuts

Nick: You're telling us.

Brian; I really wasn't trying to be a jerk but I just got frustrated.

kevin: It's okay dude. We're all a little on edge lately.

Howie: you know i think i know why this all hit suddenly

kevin: Lets here it.

Howie: when she got hit int he ehad, do you think it might have triggered it? because she was saying she just hasn't been herself ever since then

kevin: Now that you mention it there is a possibility.

Howie: now that she's under some control it should get better

Brian: Yeah. But it took Becca of all people to calm her down.

Kevin: Becca's always been like that but she's human. At least as far as we know.

Howie: something had to litterally take a hold on her mind.

Howie: aj and brian touched her and that probably made it

worse

Nick: What I'd like to know is what made her calm down. or maybe who.

Howie: i wouldn't be surprised if she ahd some mind control powers goin on

Howie: becca that is

-he goes into his room-

Kevin: She's always been the mommy away from home for us but mind control powers? I can't even sense a twinge with her. Then again when she went in.....

AJ: she's ain't human then again who is? -he goes to his room-

-Becca is in her room doing stuff on her laptop-

-next mroning-

-they find jordan in the hall in her usual male clothes her hair striaghtened in her face. but it wasn't blonde anymore-

-she is waiting at the elevator for the guys-

-and becca-

Becca; Like the new look.

Kevin; Moring Jordan.

Jordan: new look? oh the fucked up hair

Brian: Yeah.

Jordan: woke up and my hair was flipping black of all colors.

AJ: Kevin thats all i was thiking okay? god if we didn't need you int he badn -hold a fist to his face- anyways becca why did you go ina dn grab jordan and she suddenly stopped?

Becca; I've always been like that. I've always been able to calm people down like that.

AJ: with how jordan was witht ehs creaming and the throwing of thigs and that stuff... i think your a mutant too with some mind control powers going on

Becca: Uh huh. Usually I can't do it very often. Like only in situations like that.

Jordan: so are any of you interested in moving soon? because i want to get out of here

Howie: my idea stunk

Kevin: Yeah. Lets just call hotel services and get some help.
Howie you use the help phone.

-howie nods nad goes to the phone. no power-

Howie: i think the power went off int eh building. damn

Brian: we're gonna be here a while.

-jordan elans against the wall-

AJ: hey maybe she can get us moving -points at jordan- right
sis?

Jordan: eh?

Brian: that's right. you can use your powers to move the
elevator down to the lobby and get us out.

Jordan: you make me sound like a Jedi

Kevin: Well it's worth a shot.

Jordan: 'use the forse from the little micro orgamisms running
throuhg my blood' -jordan rolls her eyes-

Nick; Come on Jordan try please?

-jordan hodls out her hands-

Jordan: abera cadabra! -nothing- how the hell do i even know

how to use my powers?

Howie: 'look inside yourself luke. feel it running through your veins!'

Kevin: Concentrate on getting the elevator down.

-jordan smokes him-

-howie-

Brian: Focus on moving it down to the lobby.

Nick: Want us to help you?

Jordan: HOW?

-she slides to the floor staring at the ground-

Jordan: just don't bug will ya?

Becca; Everyone be quiet. -sits on the floor leaning against the wall-

-aj slides down and begins humming show me the meaning-

howie joins in signing-

Inner Becca; Oh boy. Jordan's gonna get pissed.

-the rest of the guys join in too-

-the elevator began to shake-

Howie: how can i - shit!

AJ: i don't know how can you shit Howie?

-Becca giggles a bit-

-howie rolls his eyes and looks at jordan-

Howie: hey your doing it! -she was holding out her hand-

-suddenly the elevator drops and they all rush up their stomachs
nearly coming out of their mouths-

AJ: AHH!

Nick: WHOOOOOA!

-it stops and howie pukes-

Howie: sorry

Becca; wow.

Nick: LETS DO THAT AGAIN!

AJ: god its like the freaking ride you see at fairs -a little green-

Becca; Wow you guys have weak stomachs.

Kevin: That's cause it's always the babies of the group who can handle these things.

Nick: that was fun.

-they all get out-

-jordan walks out too her head still down-

Howie: hey if you puke too i'll be cool with that

Jordan: guys i didn't do that tot he elevator. i couldn't get anything going

Kevin: Yes you did. You're a mutant. Face it. -they get intp the van-

Jordan: guys i didn't -suddenly she flys back and into the wall

falling to the ground. then she is jerked tot her giht and around the corner like she is tied tot he rope-

Kevin; What the hell?

Brian: Jordan!

Nick: What's going on!?

-Becca stands there stunned-

AJ: what the fuck where the hell did she go?

Kevin: Only one way to find out. -gets out of van and runs after her- Becca you stay in the van!

AJ: no she should stay it might happen to her

Nick: I'll follow him. Howie Brian you guys come with. -runs after Kevin-

Becca; I don't need to be baby sat.

AJ: yes you do

-meanwhile-

Howie: Jordan!

-they run down the hall not seeing any sign of her-

-Kevin gets some ice ready just in case-

Howie: where does this lead?

-he stops running when they hit a dead end

Brian: Let's try up.

-Howie looks up at the ceiling-

Howie: this hall is dark. we need light

-Brian lights his hand-

Brian: Better?

Kevin: much.

-Howie nods and sees a door slightly opened-

Howie: go in there

Brian: Got it. -goes to it.-

-he pushes open the door and standing there is jordan and she is shaking-

-head hanging-

Kevin: Jordan. -goes to her- are you okay?

-she looks up her eyes pure black-

Jordan: help

nick: This ain't good.

Kevin: Crap.

-suddenly jordan flies back and against the wall again this time webbing is sprayed around her and she is basically wrapped-

Howie: eww!

-two guys walk out of the shows a one with many eyes like a spider one looking like a toad-

Toad: she was fun to drag -his tongue dangles a bit from his mouth then comes abck in-

Howie: i knew she couldn't fly

Nick; didn't we have this guy thrown in jail a while back?

Spider: he got out -blinking-

Kevin: Yeah I remeber you guys. Spider. A couple years back.
Took you down without much difficulty.

Brian: What do you dick heads want with Jordan?

Spider/Toad: what we always do with them -lick their lips- now
go!

Brian: You sick bastards. -flames up and attacks the toad. a
mutant toad is still a toad so fire isn't gonna be to good for him-

Toad: ahg! -he jumps up sticking to the wall. then he spits gunk
all over brain and he distingishes-

Toad: i'm stronger now -the spider goes over to jordan-

Brian: Damn you.

-Kevin shoots ice at the spider-

-the spider hisses a bit and shoots webs at kevin slamming him

against a wall and having him stick-

Spider: yum two means -his fangs grow and he looks at jordan again-

-Nick is speeding around trying to do something-

Howie: nick grab Jordan and run!

-whole suddenly begins to conduct electricity-

-Nick grabs Jordan and rus like all hell is chaseing after him-

-brian is able to stumble fromt he room dragging kevin who is a webby thingy-

-howie shocks everything int her ooma nd they hear bug zapping and frog bursting-

-howie walks out covers in guts-

Howie: yummy -flicks off some string stuff-

Nick: Okay. Next time we bring some raid or a really big bug zapper.

Kevin: Shut it.

-jordan was lying on the ground rolling and they could hear some noise coming from her. then a piercing scream and the wedding sprays off of her and she stands up panicking and brushing herself off fast-

Jordan: ahte bugs hate toads they are all dead to me

Howie: good -he sighs- we all need baths

Howie: well you know you have a super sonic scream ro something

Becca; Are you guys okay? -runs over to them. she escaped the watchful eye of AJ-

Jordan: when i want too okay? i also have eyes who change color when my mood changes

Jordan: i'm also a jedi go figure

Kevin: Lets just get in hte van and go okay.

AJ: good you didn't get grabbed -sighs running behind her- ew yal need a bath. who was it?

Jordan: i was gonna be eaten by a human toad and spider

AJ: they can't fight worth crap

Howie: they blew up now

Nick: Yeah.

-Kevin goes into the van in a bad mood-

-they all get in. jordan was sitting int he abck freaking out-

Jordan: that wed smelt so bad!

web

Brian: It's okay. You're safe now.

-aj is driving for her. she lies her head in brain's lap graoning-

Jordan: meh this sucks

Kevin: We know.

-they get to thier first stop on time and take showers before the shoot-

-jordan was holding her hand out at her soda can trying to do

something-

-brainwalks over only wearing pants-

Brian: You gonna be okay?

Jordan: maybe -the can lifts in the air and flies against the wall -
heh heh now picture the can as aj's head

AJ: i heard that!

Jordan: heh heh

brian: Not many mutants or gifteds as some like to be called will
resort to eating others of their own kind.

Jordan: so what do you want? -brings the can back into her
hand and begins to open it. brian thinks it's gonna blow but it
doesn't-

Brian: Mostly I wanted to check up on you but now that you
mention it let's go out for coffee some time.

Jordan: i didn't mention anything about coffee

Brian; Dating.

Jordan: i asked what you wanted and you want to go on a date with me..... to get coffee

Brian: it works just as good as any other date now are you gonna go or not?

Jordan: let me guess - i'm funny i'm smart i'm hot as hell?

Brian: yeah that and you can kick peoples asses pretty well. I like that in a girl.

Jordan: sounds like every guy in high school

Brian: Okay. Meet me at the coffee house two blocks down in three hours. Don't be late. -goes-

Jordan: okay then -she shakes her head drinking her drink-

-meanwhile-

Kevin: Those guys were gonna eat her and try to absorb her powers...that means that villain mutants are getting bolder.

Howie: i think they know something about jordan though more then we do. maybe she's alot powerful then we think she is

Kevin: All i know is I want to keep an eye on both Becca and

Jordan. I know all our powers started weak at first but they got stronger and I know some mutants who would kill to have mind control powers.

Howie: yeah thats for sure

Nick: Yeah. I'm gonna do some research on diffrent ways that mutants powers become unleashed.

Howie: jordan can break glass and burst out of things she can use the 'force'. becca rpobably can control poeple

Howie; she touched jordan thouhg. maybe with her touch she can control them

Howie: that is powerful

Kevin: Still it's weak level. when it gets unleashed who knows how powerful it could get. Lets just try not to worry about it for now.

-howie nods-

-three hours later-

Brian: You made it. Good.

-jordan is standing outside the coffee shop her big jacket on-

-Brian walks up to her-

Jordan: well hi

Brian: Lets go get the coffee. -walks in-

-at the line-

Brian: Good thing nobody here notices that we're here.

Jordan: uh-huh

Brian; So what do you want? i'll be payingfor this.

Jordan: i don't srink coffee -she looks around-

Brian: Tea then? Muffin? Scone?

Jordan: not hungry, gave up tea for lent. why am i here again?

oh yeah you said i had to come and not be late

-she was being very sacastic-

Brian: I was asking you out on a date. Geeze why do you have to be such a downer?

Jordan: i didn't get much say in it so you can get what you want and drag me around making people beleive i'm your girl

Brian; I'm not trying to convince people of that. You could have said no.

Jordan: you never gave me a chance too now order whatever it is your gonna fil up on

-Brian orders-

Brian: You know if you wanted you could have just not shown up. You've been free to go this whole time.

Jordan: well you never gave me that impresssion before

Brian: Of course I would have wanted you to stay then again since when has me saying something ever stopped you? One thing I like about you is that you don't listen to other poeple.

Jordan: bye -she walks out and people were watching. brian growles feeling hot-

Inner Brian: She's a bitch but i still have a crush on her.

Inner Kevin; You always pick the wild ones.

inner aj: did you do something to hurt my sister?!

Inner Brian: I tried to go out on a date with her but she just acted rude and sarcastic.

inner aj: from her head you were bossy and overcontrolling

inner aj: uhg your always doing that and she hates people like that

Inner Brian: Well it's to late now. She hates my guts now.

inner aj: she always had your just like her last boyfriend

Inner Brian: Besides if I'd asked her in the normal way she would have said no so what the hell was I supposed to do?

inner howie: want to get back here Brian we want to start the movie soon

Inner Kevin: Chocolate usually helps. Now get your ass back here.

Inner Brian: Fine fine. -goes-

-jordan heads into her hotel room that she is sharing with becca-

Jordan: i hate men they think they own us

-Becca is writeing in her diary-

Becca; all men are like that. I just learned to control them back.

Becca; What happened to you?

Jordan: brain is over controlling and wants to own me thats what -she tosses her coat tot eh floor lying back ont he bed-

Becca; Maybe he really likes you but he's just to clueless ask you out and date you properly. -finishes writeing- I know him and he knows absolutely nothing on girls. The problem is that he tries to hard.

Jordan: uh huh the other probelm he's fromt he south and christiana dnt hey always belive man is head of relationshipa nd owns it and the girl is there for the ride and to serve him.

Becca: Kevin's christian and so are alot of people. they aren't crazy. But you do have a point. But Brian's not a bad guy. You just need to give him a chance.

Jordan: yeah give him a chance to pop my cherry so he owns me. night beck -he stirps down to nothing getting under the

sheets lying one hr stomach-

she strips down

Becca; He's not like that.

inner Becca: So she's a virgin to.

-next morning the guys burst into the room singing some
random song-

-jordan isn't covered very much-

Becca: KEVIN GO AWAY! SOME OF US HAVE SLEEPING THAT
NEEDS DOING!

-and she ain't on her stomach. she rolls around when sleeping-

Nick: Oh boy. Okay everyone out!

-jordan opens her eyes and screams-

Jordan: GET THE FUCK OUT OR I'LL CHOP OFF ALLY OUR
REPRODUCTIVE ORGANS AND SEEL THEM GET OUT GET OUT
GET THE FUCKING HELL OUT!

-they run out-

-jordan forces the door to slam and she covers herself screaming into her pillow-

Becca; I'll be sure to punch Kevin when I get the chance.

-meanwhile-

Howie: dude Jordan's a c-cup?

Brian: Well that idea was brilliant! -sarcasm- NOT!

Nick ;yeah.

AJ: your happy Brian i know you are

AJ: you know it was your idea in the first palce dickwad!

Brian: And you're dissapointed that you didn't get to see my baby cousin naked. Now she hate not just mine but all our guts and she's never going to want to talk to me again!

AJ: you knew she sleeps naked didn't you?! -aj slams brian agaisnt the walla nd they begin attacking each other-

Nick: GUYS BREAK IT UP!

-suddenly aja dn brain grab their own throats unable to breath-

Kevin; Oh crap.

-jordan is standing there a robe around her hand out-

Jordan: want people to wake up?!

Kevin: thank you Jordan.

Jordan: i should break all your necks off now but i don't want to go to jail. now aj cut the fuck out and you should freakin' know better. brian stay the hell away from me -they slams against walls and jordan goes back into her room calm-

AJ: fuck

Brian: my feelings exactly. I knew she hates me. -growls and storms to his room slamming the door-

-later that day they all take a plane back to orlando their home-

-jordan was staring out the window mumbling under her breath-

-nick is reading some stuff on mutants and thier powers-

Jordan: this fucking job stresses me out too much and on top of

that i have all of this shit to deal with of me being a mutant or whatever.....

Brian; -he's helping nick so he can get his mind off things- Okay. Mind control mutants.....-he's muttering under his breath- Okay so in order for them to reach full potential...Oh boy Kev's not gonna like this.

Nick: What?

Brian: Nothing.

Jordan: elt me see that -looks at the mag. she is sitting next to him- oh fuck AJ YOUR ONE LUCKY BASTERD! -hands it back going back to muttering. she figured it out then-

Inner Becca: huh?

Brian: this ain't good.

AJ: okay jordan is high

Jordan: so what if i am? -aj is sitting behind her-

Inner kevin: She'd better be. -looks at the articele- Oh dear god. -rips up magazine so no one else can read it-

-after the plane ride-

Becca; Kevin I need to talk to you. Now.

Kevin; Okay.

-becca takes him to the side.-

Becca: I need to know. What the hell was that article about and why Jordan was giving AJ a hard time?

kevin: Becca according to this a mind control mutants powers are fully unleashed after thier first sexual expierence.

Becca; So basically Jordan now knows?

Kevin: It would appear so.

Becca; Oh god. She's not gonna keep quiet about it either. I just don't want people to know.

Kevin; i know. Just be careful okay?

Becca: I will.

Nick: HEY SLOWPOKES! LETS GO!

-they leave the airport-

-jordan gets into the limo with the other guys pulling something out of her pocket-

AJ: jordan you didn't!

Jordan: i have powers i can confuse animals and people -she has pot-

Nick: Oh cool

-she pulls out a lighter and lights it up and takes a long drag dropping her head back-

Jordan: nothing else can calm down my mind

Nick: Can I have some please?

Jordan: that all it does really -hands it to nick- this stuff makes me be myself but then a gain..... -stares at brian-

Brian: Pass me some too nick. I just wanna kick back. -takes some after nick and lights it up-

-soon the limo is filled with pot smoke-

Becca; Ewwwww.

Jordan: god damn it -the window opens then suddenly all the smokes leaves then eh window goes up. no one touched it- there now god damn it give the fucking stick back -rips it from brain-

Brian: Look I'm sorry I was a controlling jerk and walked in on you when you were sleeping. Now can you stop being a jerk to me!?

-jordan takes a drag-

Jordan: this is my last one

-they get back in one piece surprisingly-

-jordan leaves quickly getting into her place asap-

-she throws her shit into her room and lies down on the bed-

-Becca gets to her place washing her clothes of pot stink asap.

Brian goes to his place and throws a tantrum, Nick gets home and plays video games-

-howie takes a nap at home and ja does the same-

aj

-the next day. becca is out shopping. Just for the heck of it-

-jordan is at her place showering-

-however before she cant urn off the water she is slammed againstt eh wall by someone she doesn't know. she is about to scream but her body feels numb. her leg is lifted up and she whimpers when she feels IT pressing against her. she wants tos cream but can't feeling hirroble pain run through her. ina nd out he goes and soon she can feel his cum on her butt. then he pulls away letting her fall-

-she land son her stomach and he leaves quickly-

kevin; Something is not right.

nick: Oh geeze. Not while we're on vacation!

Howie: come on.....

AJ: i feel it too but where Kevin?

Kevin: You're not gonna like this. But with Jordan....

-jordan's struggles to stand and sees that her leg was cut open and then is where the guy came on. she washes it off and feels dizzy. that probably where he numbed her-

AJ: NO!

-jordan stumbles out of the shower and wraps herself into the towel before hitting the floor bleeding all over-

Kevin: uh huh. we need to go check on her.

Brian: Whopity fucking doo.

AJ: ya think?!

Kevin: Nick you go and check on her and see if she's doing okay.

-they go into her room and see blood coming from the bathroom-

AJ: oh god Jordan?! -he goes in- JORDAN!

-he grabs the cloth and covers her thigh that is ripped open-

AJ: she's paralyzed

Kevin: Someone must be really desperate to get ahold of her powers.

Brian: I'll go call 911.

nick: Wait...Where's Becca?

-meanwhile-

Becca; Blue or Green.....

-she dosen't notice someone watching from behind the underwear section-

-back at Jordan's place-

Kevin: Oh gad damn it. One of you guys go find her!

AJ: hurry jordan's loosing blood someone get another cloth

-aj gets jordan covered up checking her pulse-

Nick: I'm on it! -goes and grabs lots of towels-

-back with becca-

-howie is trying to find her-

Becca; you know what neither of these things are that good
looking anyways. oh well. -heads off to food court-

-the guy begins to follow her-

-same one too-

Becca; Crap. -walks faster-

-howie goes up the stairs. he puts on his mask and hurries
down seeing the guy-

Guy: your mine.....

-Becca goes over to a sushi place walking into a crowd of people
hoping to lose him-

Guy: nuh uh -he appears right in front of her grabbing her. then
he disappears and howie swears-

Howie: shit!

-meanwhile-

Guy: y uor mind sweet pea -throws her ona bed-

-Becca is screaming bloody murder-

-he cuts her leg open witha special knife and she stops screaming-

Guy: good thing i have these thigns on ahnd

-he rips off her skirt spreading her elgs-

-Becca tries to struggle but of course mr.knife took care of that-

-the guys slams into her making it quick. he cums into her wound like he did jordan-

Guy: oh yeah bye babe -kisses her then leaves quickly leaving her to bleed-

-Becca is crying the whole time curling up inot a ball when he's done-

-then she is paraslysed-

-howie rushes to becc'as aplce and finds her in her room. he calls 911 putting pressue one hr leg-

Howie: eyahs he was raped -he can tell-

-later at hospital-

AJ: who sick basterd wants them?

Howie: he's a jumper. can jump into idfferent palces

Kevin: this guy probably needs mind control related powers so that he can perform some crimes easier.

Brian: I don't care who the hell he is I just want him dead.

AJ: well he enarly killed him he wasn't thinking well

them

Nick: I'll start doing some research on any jumpers in the area.

-a dcotor lets them in to their room-

-jordan is sitting on the bed staring staring at the wall-

AJ: did you know mom had a sonic scream? nearly killed dad sometimes

-Becca's in one as well. She's crying-

Kevin: No.

-kevin and brian go straight to becca-

-howie and nick stand between-

Kevin: becca are you okay?

Brian: It's gonna be okay we promise.

Becca; No it's not. i'm ruined now.

Kevin: no you aren't~

!

Kevin: he did the same to Jordan. i think she was a virgin too

Nick: woah....wait a minute....you mean?

Jordan: he popped my cherry -says it grumbled-

AJ: even i didn't know that jordan

Becca; yeah but I don't think she wanted to wait until she was

married.

Brian: Becca it's going to be alright. I'm sure any guy your with will understand.

Inner Nick: It would explain a few things. -he's blocking his thoughts from everyone-

inner aj: i still want her -also blocked-

-jordan however heard them not even trying-

Jordan: i think Kevin would be happy about that AJ

AJ: huh?

Jordan: i heard you deposite you wanting to hdie it

Jordan: i didn't try to it just came. heard you too nick i won't say anything though

-Kevin holds onto her hand-

Brian: You'll be alright. -rubs her back- We'll find him and make him suffer.

Howie: i don't want to know

Jordan: brian you kind of are sick

Brian: Is it so wrong I want to get back at the guy who raped my baby cousin and the girl I've had a crush on for god knows how many years?

Jordan: i can see that mental image of us doing it being my first time and can i say thats just wrong your horny from it when your also angry?

-she is calm-

Brian: I'm not horney in the least bit right now. -stands up- Right now all I am is pissed and wanting revenge. Nick get back to work on finding any and all Jumpers that could have done this.

Nick: Aye aye.

Jordan: you just go find the nearest private are and get rid of that hard on will ya? i don't want to see any males at the moent expecially you

AJ: come on -he kisses her cheek elaving-

Brian: I've said it before and I'll say it again! I'm sorry I was a jerk to you and I'm not horny from this!

-brian leaves-

-she locks the door then stands up walking over to becca-

Jordan: why do you think its the end of the world?

Becca: I wanted to wait. I wanted my first time to be on my wedding night. I was told that guys would prefer to marry a virgin. now that's not going to happen.

Jordan: bull shit most guys want a girl who knows what she is doing. those guys want a girl who they can teach to love pain and enjoy what they do cause they aren't trying to get you off trying to get themselves off so they can repopulate

Becca; Is it so wrong to want to wait though? I wasn't ready to begin with. I wanted to make sure that I would be having sex with one man and one man only.

Jordan: thats okay Beck but you lost it now you can't wait

Jordan: that guy only did this so he can take our powers later on

Jordan: don't ask me how that works

Becca; he can have them for all I care. This isn't a gift it's a curse.

Jordan: becca cut it out.

Becca: You feel the same way. you don't like haveing your powers. I know it.

Jordan: don't be liek all girls who ahve this happena nd go all punka dn ahte mena dn the world and shit. your better then that

Jordan: yeah i did but my cherry poped and something happened. i felt like a cloude was in my head but its gone. its fucke dup yeah but whatever

Jordan: guess any fuck does something

Becca; I just want to be alone right now okay.

-jordan sits abck down one hr bed and goes to sleep-

-later that week they are released. Becca spends most of the week locked up in her house.-

-jordan goes to cut her fucking long ahir off-

-she goes short and skiyy int eh abcka dn front with long pure white bangs-

-she's glad she can tan now-

-she stays in her house too-

-the guys are feverishly working on finding the jumper but there's not much coming up-

Kevin: Damn this guy is good at keeping out of sight.

Howie: he's a jumper dimwit of couse he is

Kevin: Shut up howie!

AJ:e veyrone cut it out~

Jordan: mroe like a guy who thinsk i'm good enough

kevin; No. I've tried calling her but the phone got disconnected. She probably pulled out the cord.

Brian: And she's not answering her cell or the door.

Jordan: serious;y who rasies their daughter to think she's a slut if she gets raped? seriososly thats fucked

Kevin: Our parents didn't raise us like that but Becca's been die hard about waiting till she was married. But she was also in a

way worried that people would make fun of her for it. That's why we kept it a secret.

Jordan: seems all she thinks is the only thing good for her is her virginity. let a guy break her in so he can 'tarin' her and make her a slave

Jordan: anyone also think she's nuts?

Kevin: She's my little sister but yeah...She needs help.

Jordan: i'm fine witht eh waiting i would ahve doent hat too but she's going over board. i'm sort of happy he popped my cherry. one i orgasmed and bleed nearly to death so i got tos e the light and have a epiphany, two my second time will be a hell of alot more fun

Jordan: ding ding ding

Nick: Bravo.

Jordan: hey i know who could cheer up Becca!

Nick: Lets hear it.

Jordan: aj why don't you teache hr how a real man works? -she grins salpping his ass-

Kevin: Normally I'd tell him to keep his distance but at this point I think it's really the only thing we can do. Aj get your ass over there.

AJ: oh boy -he gets out of his seat and leaves. jordan take shis palce-

Jordan: sow aht do you guys do down here?

Nick: This is essentially our center of operations. It's headquarters essentially.

Jordan: ahh. hi dude! -she spins around as she swings his hand at her hand. she ducks then kicks him in the gut-

Guy: Time for round two.

Jordan: wahts allt eh moeny for? -she giddy-

-she bounces up and down-

Guy; Well I'm gonna need some funds if I'm gonna survive. I hope I'll be able to get world domination. But of course I'll need more than jumping so if you could just lean back for a bit so I can absorb your powers. This will only hurt a lot. And you might not live.

Jordan: sounds like fun. hey ir ead up on jumpers. theya re so cool but one thing bugs me -she jumps ontot eh desks jumping aroundn on them-

Guy: what? -holds his hand out ready to stab her-

-they basically are jumping all around the room trashing the place. he is laughing and giggling and he is pissed off-

Jordan: so how do you absorb people's powers?

-she throws a computer at him using the force of course-

Jordan: one thing you did wrong was you wanted this really good ones but its really hard to get. you like a challenge

Guy; That so wrong? You've got a really good kind of mind control i could use. That other bitch I'm gonna get later. Her's is a little more necessary for my plan but I wanted to get you over and done with. Basically in order for me to get your powers I need to take in your blood and some of your flesh. I hope you taste good with parsley. -lunges with knife at the ready-

-she laughs and jumps again. the guys come in wondering why the hell everything was trashed and she grins. he jumps and Jordan spins around holding out the taser getting him just as he reappears so her hand is in his chest zapping his heart. he also stabbed her in the chest-

Jordan: ya like that bad boy? -she grins gasping-

Guy: Oh yeah. Now for the fun part. -he grins and allows the knife to start absorbing her blood. it's not working to well since he's as good as toast now....no pun intended-

Jordan: no you don't -she kicks at him and rips her hand out of his chest. she rips the kife out of her and cuts of his head-

-he can't heal that if the head is ont he other side of the room-

Jordan: fuck you have alot of blood buddy

-the guys just stand there with thier jaws on the floor-

-jordan pants and looks at her gushing chest-

Brian: well that thing was an old dinosaur to begin with....-the computer sparks-

Nick: Wanna use my shower?

Jordan: that would be nice. i guess i can heal because i'm topped gushing. and me saying that's not necessary earlier was sarcasm. you need to listen better -goes upstairs dripping-

Howie: smart Nick

Nick: i knew she was gonna be fine. People with her powers can survive something like that no sweat. I read up on 'jedis'.

Howie: t hey are a lot different than the movies that's for sure

Jordan: why are you doing this? -she is rinsed off and they are

looking each other in the face-

Jordan: doesn't it sound like me though? school reject and look likes a whore. sounds about right

Brian; Not really.

Jordan: i fucked you a bazillion times yesterday. i'm a whore. i get pushed around by everyone i work for and they think i'm shit. i'ma reject

Brian: Yeah but you can bite them in the butt if you wanted to. and my definition of whore definately dosen't fit you.

Jordan: whatever i don't care about what i do anymore. your the spitting image of the males i ahd to live with in schoola dn i hated them and they ahted me. now here you are and it make no sense. -jordan finishes rinsing out her hair and gets out-

Brian; I don't hate you. You're going on with other people about moveing on from your past but yet you can't get over your own.

Jordan: sounds like every creature -cries her hair-

dries her hair

Brian; Take your own advice and don't let your past control you.

Brian; I've loved you for a while now. You're not a whore or a reject. so stop wallowing in misery and take a stand.

Jordan: aren't you a wonderful person Brian. thinking your able to say something and it will change the world.

Brian: It's worth a shot.

Jordan: thinking your all high and mighty here. once again.....
prideful!

-jordan goes into the bedroom stealing nick's clothes and
dressing-

Brian: Can i ask why it is that every time I say something to you or try to help you start acting like a snot?

Jordan: because i hate your guts and what your doing is pathetic. you always expect that what you say goes that you can save the world or whatever whenever your talking. well reality check! -jordan pulls on a tank top- you aren't the center of the universe and you are a mutant and this tiny microscopic dot in the universe. you aren't gonna change

mush with words.

Brian: I just want to help. is that so wrong?

Jordna: you don't want to help! -jordan pulls one her boxers- you want to be mr.perfect. win my troubled heart. brain jsut telling me what i already know doesn't work! don't you think people tried it before you ever think of that? -she pulls on her pants walking up to him who is still in pnats- your a selfish rpideful bsb boy who was raised to think he was god's golden child.

Brian: and you're sayingthis cause your pissed. None of that is true. Now pleaselet me help.

Jordan: i hate you because you are being a typical male of the humans. yes you are human and have speical super dupity powers! -jordan spispn around waving her hands int eha ir- now while you fail misserably at flirting with me and fucking me again i'm gonna go and like, have a life -jordan elaves-

Brian: FINE1

-jordan goes out to her car-

-Brian slams his fist into the wall-

BRIAN; GOD DAMN IT! I'M TRYING TO SHOW SOME

NOW!

inner aj: hey brian dude?

Brian: WHAT!?

Brian: SERIOUSLY WHAT'S THE POINT!?

inner aj: okay so like, willy uo cut with trying to impress her

inner aj: no one else knows about this, but i'm gonna tell you.
jordan sufers from bipolar disorder and mood swings. she can't
aford meds for them

inner aj: she won't let me pay for them or anyone else. mom and
daddy dearest think she's a failure

Brian: Okay. So she has issues! I'm telling her the truth by saying she needs to take her own goddamn advice and stop letting her past control her! But no matter what I say she just starts calling me a bastard and then storms out! Damn it what the hell am I supposed to tell her!

inner aj: hey i'd get pissed too if you started to name all of my problems and make me seem like a total..... lets see failure? ring a bell?

Brian: Look. I'm not trying to be hard on her. But it's hard when nothing i do seems to be working. I know I'm being an ass to her when she needs help but she fucking hates me so what am I supposed to do?

inner aj: show don't tell

Brian: I want to tell her stuff. I don't think a makeout session can say what i want to say.

Brian: And when i tried to tell her I loved her well 'show' her anywyas she just said that proved she was a whore.

inner aj: thats not what i mean! uhg you are hopeless man why am i helping you? oh yeah because you love her thats right and she loves you too

Brian: and how exactly am I supposed to show her? I try to take her out on dates but that never works out.

inner aj: people are call slut snad whores when they enjoy being touched its stupid

inner aj: start at the basica ya know? find out what she likes

inner aj: don't get her flowers or cards or that stuff. she's burn them

Brian: you don't think I don't already know that?

inner aj: one thing she likes is having starbucks caramela maciato or wahtever and a nice berry scone in the morning

Brian: She told me she hated coffee

inner aj: she was being sarcastic she also does that alot. when she is being sarcastic she either grins or rolls her eyes afterwards or says something with it that sounds really stupid and not like her

inner aj: she uses sacasim to make poeple say things. like lets say you ask her 'want a drink?' and she says 'anclohol is against my religion' and she isn't religous you grina nd go 'alrighty then

i'll get you a beer'. she thinks its funny and it really is

inner aj: she acts like a dork

inner all guys: HE FINALLY FIGURED IT OUT!

Brian: SHUT UP ALL OF YOU! I DON'T NEED TO BE REMINDED OF HOW MUCH A FUCKING MORON I AM!

inner jordan stright to only brian: we say it so you will fix it.
men never listen to woman but we know everything

-jordan gets home and sleeps-

-brian gets dressed and leaves screaming at himself the whole way home. he ends up screaming himself horse at his house until he fianlly falls asleep-

-the next week-

-jordan wakes up and showers then goes to her kitchen-

-there's a fruppachino on the counter waiting for her. Brian is nowhere to be found-

-jordan picks it up sniffing it-

Nick: Diamond skin. this kid is indestructable.

AJ: he looks like a baby Justin Timberlake, who is also indistructable -he laughs-

Nick: Yeah but I think only the Chris guy in that group is a mutant. And his last name is now wood.

AJ: Justin Wood. it works

Brian; Fuck yes!

-jordan leans up and kisses him-

-they stay like that for a while until Nick sends them a mental note...Literally saying that it's time to go and Justin is getting anxious-

Jordan: whatever -stand up and dress-

-Brian and Jordan take Justin back to Brian's house telling him they will take him to the courthouse tomorrow to get things straightened out-

Justin: yay!

Brian: And Jordan is gonna be your mommy.

Justin: yay! -he hugs her- and I'll be eight in October so you figure out what year I was born

Brian: So that makes you born around 1991.

Justin: okay

Jordan: well they might have you on file from the orphanage so they should be able to figure that one out -picks him up- bed time -takes him to his room then goes into the kitchen-

Jordan: huh I'm 20 and a mother

Brian: is that a bad thing?

Jordan: its weird. t he kid says he looks like a five eyar old but is betweent eh age of seven and nine. he is so lost that poor kid. he doesn't even know how long he's been ont he earth

Brian: But we can help him can't we? I mean with some counsoling and maybe therapy he should be okay?

Jordan: my parents never did that too me and i ahd his life ten times worse till i went to online school and moved in with aj at 16

Brian: We'll just have to do the best we can.

-jorda nods-

Jordan: and your five eyars older then me having a almost perfect life

Jordan: my pills are gonna be in tomorrow. i know AJ told about me

Brian: Good.

Jordan: the pill something for my bipolarness and something for

my anxiety

Brian; As long as it helps you i'm okay with that. We should probably be getting some sleep too now. Gotta get ready fro the tour.

-jordan goes upstairs into a guest bedroom-

Jordan: i'll stay the night -shuts door-

-Brian shrugs and goes to his room-

-the next day-

Person: the orphanage was wondering what happened to that boy. they want to take him back

Justin: no!

-clings to brian's leg-

Brian: That won't be nessecary. I'm adopting him along with my girlfriend here.

Person: you can talk with the people at the orphanage about this

Jordan: uh-huh?

Brian: We are takeing full custordy of him so if we could just have the papers right now it would help quite a bit.

Person: we'll call up the head of the orphaanage so they can come and get him,t hen you can talk with them -a police officer comes over and take sjustina way as the person gets on the phone-

Brian: Woah hey!

inner jordan: i sense something is up with that place and him

Justin: mommy! -they drag him off-

Brian: i don't like this at all. We need to take him back. I am not letting those people take him away.

Person: i can't do anything about it sir -calls upt eh place and the officer exscorts them out-

Jordan: uh-huh sure you will -she leans against the building-

Brian: Where the hell are you takeing my kid!?

Jordan: Brian! -jerks him against the wall- shut up!

Jordan: will you shush!

-people look at them funny-

Jordan: sorry my boyfriend is mental retarded. come on dear
quit pretending to hump the ground -she walks to the car
waiting for brian to get in-

-Brian can't help but grin a little-

Inner Brian; i think some of Nick's brain rubbed off on me.

inner jordan: get int he fucking car and start talking out loud

Brian: They're gonna hurt him I just know it.

-he gets in-

-she follows the car-

-she takes him tot he orphag enad has someone take him inside
to his room-

-jordan and brian head inside to go talk with her-

Jordan: hi i know we don't ahve an apointment

Lady: Oh that's quite alright. We don't get much activity here

around this time of year anyways. So what is it you are looking for?

Jordan: there was a boy that was brought in just today from the court house because he was..... i don't really know

Jordan: we were the ones who brought him in and promised him we would adopt him

lady; Ahh young Justin told us about you. i'm sorry to say that the boy is most unsuitable for adoption at this time. He is one of those diseased people. The ones with the genetic mutations. Most unfortunate I know.

Jordan: uh-huh -kicks brian who looks red- well we still want to adopt him.

Jordan: we can get him the help he needs ya know?

inner jordan: brian don't do a damn thing

Lady; I don't think that would be wise. We are sending him to a facility where he can receive proper treatment.

Jordan: you will let us take him -she waves her hand a bit-

lady: But if you feel up to the challenge. -her eyes look a little

weird now- I can get you the papers and you can fill them out.

Jordan: thank you

-as if in trance the lady goes over and gets the papers handing them to Brian and Jordan-

Jordan: may we see his file? -waves her hand again-

Lady: Of course. Now that he is in your care we have no use for it. -hands it to them-

Inner Brian: Nice.

Jordan: thank you

-they sit and she looks at his file-

Jordan: he's turning six this october 17th

Jordan: but he seems to have the intelgence of a 1 year old but still takes ont he characterisics of a five year old. thats why he seems like an eight year old

12 year old

interligence of a 12 year old

Brian: It would make sense.

-jordan begins filling out the papers then goes back over to the lady-

Jordan: here you go

Lady: I'll have him escorted to your car immediately.

-jordan nods and they receive a certificate saying that they are his parents. he is given the last name literal-

Jordan: well i think Justin's gonna be happy enough

-they wait outside and Justin comes running out to them jumping into Brian's arms-

Justin: daddy -he is crying-

Brian: Hey kiddo. -pats his head- It's gonna be okay now. You're never gonna see this place again.

-they get into the car and head back-

-back at Brian's place-

Brian; Welcome home Justin.

Jordan: so your name is Justin Litteral born October 17th 1993

Justin: that means i'm turning six. but i feel Older then that

Jordan: you have an extremly high IQ thats why

Brian: You're mature for your age.

-justin nods and hugs them both-

Jordan: your room is set up now and we have your clothes. we made aj and becca get them

Brian: I think Becca went insane with the shopping. Opens justin's closet.

-opens justin's closet-

Jordan: aj went insane on the toys

Justin: yay!

Brian: We're gonna have a spoiled child. Oh well.

-jordan leans against the wall watching justin begin playing with

electronic-

Jordan: whatever -walks downstairs and brian groans going after her-

Brian: Is there something wrong going on?

Jordan: no

Brian; You've been acting like you don't care about any of this all day.

Jordan: i've never cared about anything for years brian thats why i'm on this meds

-she looks at him calmly-

Jordan: add tot eh fact i'm a jedi

Brian; Do you not want to care?

Jordan: i do want to care! thats why i'm willing to go on the meds its just happens okay? cut it out

Brian: i'm worried is that so wrong?

Jordan: uhg -she puts her head in her ahnds- ever since aj hit

me int eh head with that spray can i've enver been the same. i thought it would get better but i've gotten worse

Jordan: it triggered something in my mind

Brian: How?

Brian: So you don't want to have your powers?

Brian: Dumb question. Alot of us hate haveing our powers.

Jordan: you just don't get it! -jordan stands up- you won't udnerstand and the pills i ahve no clue what they are going to do okay? -jordan starts to tear up- when aj hit me in the head it caused something in my head to snap so my powers hsowed up and my mental problems exploded

Brian: You're right. I can't understand.

Jordan: thats all your ever gonna be isn't it? all words and no show god -jordan walks down into his basement-

Brian: What should i do then? How should i show it. -follows her placeing a hand on her shoulder-

-jordan covers her face with her hands-

Becca; Please Justin. i don't want to think about that.

Becca: i should have dried my hair before coming here.-

Jordan: come on it -they go in then lock the door-

Jordan: go shower you smell like my brother after he jerks off

Justin: masterbation is the right term

Becca: I did. that's why my hair is wet.

Jordan: do you know what sex is? -he nods- good i don't have to

Jordan: here -takes her tot eh bathroom handing her a towle-

-Becca nods and starts toweling off. Justin stareing at her until
the door is shut-

Justin: ahh well Nick has magazines

Jordan: is that where you heard about this?

-jordan slaps her face-

Jordan: okay then lets wait in the bedroom -they go into brain's

News: this just int he Five have been captured -they show
footage they caught of them all being shoot with darts and being
taken away by people who look like black blobs-

-Becca comes out in a towel-

Becca; Oh god. -covers her mouth-

News: we believe this is a mutant invasion. anti-mutant groups have gathered to start gathering up all mutants and destroying them. this is a government act people if you know of any mutants they are felons

-Jordan throws the remote at the tv breaking it-

Becca; no. this can't be. These people are going to be the death of us all.

Jordan: crap now the government hates us and all of us mutants are dead

-Becca sinks to her knees.-

-Justin is crying tiny demons still in that form-

Jordan: Justin you can go human now -he does and hugs her tightly-

Becca; What do we do now? We can't just let them kill us all.

Jordan: its extremely simple -Jordan gets off the bed pulling out a bag- people we are going to Washington to talk to eh ehad of the government

Becca; They'll kill us on sight.

Jordan: not with me with you. go pack justin -hands him a bag and he goes-

-Becca stands up and dresses-

Jordan: becca you and i can share clothes

Becca; Okay. It's not safe for me to go home at this point. -lets the towel fall and takes a shit and some sweats out of the dresser- I don't care if Justin sees. He's young enough so that it won't matter.

Jordan: he won't -they soon are downstairs and loading up the car despite it being dark out and being midnight-

Jordan: oaky -in the car to airport- justin i want you to act as much as a five year old and be stupid basically. becca i want you to act like you did and don't be touching anyone. if you must wear gloves

Becca; Done. -has black leather gloves on-

Justin: Mommy that lady is wearing a small shirt. -is looking at Becca- That sound good?

Becca; Remind me to kill Nick.

Jordan: yes

Jordan: okay. if i ahve to i will use my jedi mind trick. i can't get any contact witht eh guys with my mind. but i sense they are being taken somehwer in washington. this isn't a mutant attack its the anti-mutants taking mutants and making them be under their control and attack us so they can have the president let them kill us

Becca; So what should we do? -she's putting on a black wig she found and is wearing sunglasses-

Jordan: we'll talk more when we get to a htoel in washington

-soon theya re ont he palce and soona re inw ashington int he morning at a hotel. justin's out cold-

Jordan: alright. i'm still not getting anything from the guys

-suddenly there is a pounding on the door-

Becca; Oh god. I'll answer it.

Jordan: i will -she puts becca on the bed and goes tot eh door- who is it?

-there is more pounding-

inner Becca; God help us.

-jordan gulps and opens the door-

NSYNC guy: they got Chris!

-jordan looks scared shitless-

Jordan: uh.....

Becca; jc? What on earth are you doing here?

Jordan: -rambaling completely lost-

Becca; Jc please get inside. They'll probably start targeting mutant supporters too.

-goes to him leading him in the room-

Becca; All of you hurry up.

-they get in and jordan shuts the door-

Jordan: how the fuck do you know about us?!

Justin: that kid looks like me -looking at the bed-

Lance; Chris and AJ are friends.

Jordan: okay now aj dies horribly

Becca; Yes. -keep in mind Becca's still wearing her disguise-

Justin I'd like you to meet mini Justin who at the moment is out cold.

-mini justin though wakes up because of the allt he noise staring at justin-

Justin: hi

Justin: hi

Joey; They got him a couple hours ago. they just barged in and dragged him off.

Jordan: big question here - how did you find us and did aj tell you anything about us other thent he fact i'm now manager and becca here is their styalist?

-jc was sort of crying-

Lance; We had heard that some mutants were fleeing. And

knowing that your AJ's sister we figured it would be you. But we didn't count on Kevin's sister being here.

Jordan: she's a mind control mutant. with one touch she can make people beleive and do what she wants them too

Justin: waht about him? -still look at the mini justin-

Lance; It makes sense.

Jordan: dimond hard skin

-mini justin goes dimond hard-

Jordan: baby stop that -he does so-

-jordan goes to a wall and hits her head against it-

Joey: What should we do?

Jordan: well i was planning on talking with the president but with you here i don't know

Lance; We won't be there. We'll stay out of your way. We just didn't know who to go to.

-jordan sighs and picks up mini justina nd ahnding him to lance-

Jordan: watch the kid while me and becca try to get into the white house. don't let anyone in and make sure he acts like a five year old

-they hear two people in the hallway-

-the door swings open when jordan waves her hand-

Joey: I called Kelly and her family is going into hiding. She said she'd meet me in a couple minutes.

-jordan grabs becca and opens the door-

Jordan: fine but please watch my kid -leaves-

-justin clings to lance scared-

-Kelly arrives and they let her in and lock the door-

Becca; We have to hurry. They'll have them all dead in two days tops.

-they get to the white house-

Becca; Where are they keeping them?

Jordan: becca we aren't looking for them. they aren't here i don't know where theya re

Becca; I just want to know they're okay. -has tears in her eyes but shakes her head- I won't cry. now lets go.

-jordan pats her back and they get in on the tour of the white house-

Inner Becca: They'll recognise you.

Jordan: no they won't

-becca can't read minds but jordan can-

-on the tour they begin talking about the mutant attacks-

Jordan: what is the government doing about it?

Tour Guide; I don't know the full details but currently Mutants are still being rounded up. They are going to be taken somewhere where they can't hurt humans anymore. And will probably be destroyed.

Jordan: sir don't you think it is odd that all of a sudden out of no where mutants begin attacking then anti-mutant groups come out wanting to be allowed to kill them?

-he stops and faces her-

Tour Guide; Mutants have been ominous from the start. No one said that co-existence was going to be easy.

Jordan: sir i saw the news and the Five was taken. they were trying to help us and the anti-mutants took them away. i don't understand

Jordan: they've never hurt anyone before

Tour Guide; Property damage.

Tour guide; We can't afford to take risks.

Jordan: okay then -rolls her eyes- i hate the governemnt they are so ignorant

Tour Guide; It's hard. But it's for our own good. -you can tell he dosen't belive himself-

-jordan stays tot eh abck then theya re shown around the presidents room-

Jordan: the president here?

Tour Guide; In about five minutes.

-they are outside in the hallway-

Jordan: fascinating -she looks at the door and someone looks at her funny-

Person: i don't trust you

Becca; Good.

-people in the crowd start to think she is unsafe and even the tour guide calls security as she is still staring at the door-

Inner Becca; What now?

Jordan: just be calm becca

-security grabs her-

-Becca moves out of the way making sure to keep her face straight.-

Jordan: let me go

-her eyes are red-

Person: shes a mutant!

Jordan: becca stay abck

-Becca moves away-

-jordan shoves the security against the wall then she turns around-

Person ear god!

Jordan: i need to talk with the presidnet -she holds out her hand as the door to his room swings open then she runs in slamming it-

-she holds all the door tightly shut and faces him. he stares at her from his desk-

Jordan: hi dude

Prez: Can I help you?

Jordan: we need to talk -the doors are pounded on and people are calling out mr. presidnet are you okay- about the recent mutant problems

Prez: The mutant elimination act?

Jordan: eyah that -she sits down on his couch-

Jordan: dude your an idiot thinking that killing all of us mutants will end this

Prez: I was under the impression that this was what was best for the people. These attacks are hurting people and we can't take risks.

Jordan: -she storms to his desk leaning over it- these attacks are being caused by the people! anti-mutant people!

Prez; What?

Jordan: sir the anti-mutants hate us and want us dead. do you think the mutants would just suddenly attack us out of nowhere without any hint?

Jordan: even The Five has been taken

Prez: The fact that the anti mutant party is behind this changes everything. And the fact that the five are now captives..This has gone too far. -presses button- Jones! End the act now! free all the mutants and end this round up now! I want a word with the leader of the anti mutant party!

Jordan: damn and i didn't even have to use my jedi mind trick on you -stands up-

Prez: I'm willing to listen to reason unlike alot of people.

Jordan: you have daughters right? they are huge fans of Backstreet Boys too

Prez: Yes. My little girls are obsessed with them.

Jordan: if you want to know thats whot he Five is. if you didn't listen i think your girls would be very pissed daddy killed them

Prez: How am i gonna tell em that daddy nearly killed them...Oh god.

Jordan: even Chris Kirkpatrick of NSYNC was taken. sir the anti-mutants is run by this man -pulls out a photo handing it to him- i know this because i'm a Jedi and i've sensed that soemthing ahs been happening with them. i just have been..... ill..... to say anything

too ill

Prez: I know the man. I'll be haveeing a talk with him today. - intercom goes off-

Person: Sir the mutants are being released now.

Jordan: you are a very cool dude.

Prez: Thank you. -presses button- Jones. Any casualties?

Jones: None that we know of sir.

Jordan: there are some mutants who are evil and some who are good. there are some humans who are evil and some who are good.

Prez: I'm well aware of that. Now you might want to go help your friends out.

Jordan: we are a more advanced species of humans you must understand we are just like you -goes to the door finally letting them loose. they burst down and security jumps on her-

-her face is shoved into the ground and she is tazed-

Jordan: FUCK!

Prez: AT EASE! LEAVE HER ALONE!

security: But sir!

Prez; Let her go now. She is not a threat.

-they get off of her and she stand sup eyes very red-

Jordan: why i ought to -waves her fist in one of their face- yeahs
how would you like to get tackled like that?!

Becca; Jordan! -runs over to her-

Jordan: Mr. Prez dude tell me where the mutants are being
kept!

Prez: An island off the coast from here. They should be arriveing
in the nearby port in a few minutes.

Jordan: anti-mutants aren't going to give up easily they will
fight back. i need to go save my friends

Jordan: i sense theya re ignoreing your order

Prez: I'll send military forcesto help you.

Jordan: tahnk you. come on beck -drags her outside and onto
her motorcylce. she rented it and gets on becca holding tighly as
she speeds-

Jordan: see i know what i'm doing becca!

-while they're driveing Becca throws off her singlasses and wig.
She lost her headscarf a while back-

Becca; Please Aj be safe.

-they travel acorss a bridge to the island that is locked down-

Jordan: let us in!

Guard: Sorry. We are in the process of sorting out mutants so
none is alloed in.

Jordan: the rpesident told you to stop! end this now!

Guard: We must eliminate the threat.

-jordan and becca get off the bike and she throws it at the gaurd-

Jordan: well ya made a new one!

-jordan hodls her ahnds out and she rips the gate off and sends
it flying forward killing gaurds there too-

Jordan: come on Beck

Becca; Right.

-they run in and run around and inside the building-

becca; AJ! AJ!

Jordan: we have to find the main room -they get to doors and burst in. its a large room full of mutants on tables and people around them-

Jordan: EVEYRONE STOP! -she screams-

-they see Brian thrashing around and Chris about to throttle one of the people-

Jordan: the President has cancelled the act now cut it out before your all underarrest for atemped murder! -she jumps over the edge standing htere on the main floor. gaurds run out and aim guns at her-

-becca jumps next to her-

Man: everyone back to work -walks past the gaurds looking at jordan- Jordan McLean i'm guessing? the chick you attacked the presidnet

Jordan: i didn't i just had a word with him. he knows your behind this and i've known you've been doing shit for a long

time. if only i wasn't sort of ill

Man: You're the scum of the earth you mutants. Some of you try to pretend you're good and even form teams in order to delude us into believing that you devil spawn are not to be feared. But we know the truth. You'll destroy us all and take over. You filth must die!

Jordan: we aren't filth now end this now or else!

-the man aims his gun and fires-

-jordan holds out her hands stopping the bullets and they all fall.
then she crushes all the guns-

Jordan: you took mutants and put them under your command so you could get the president to let you kill who you were using. you're the evil one you killed innocent people!

Man; It was for the greater good. -he looks totally insane at this point-

Jordan: becca do your thing

-Becca runs over and grabs him-

Man; WHAT!? LET GO OF ME YOU MUTANT WHORE!

AJ: OH YOU DID NOT!

Becca; You will listen to the president. Let them go. Now!

-he was shaking at high speed wanting loose to kill him-

Man: Let them go. -he looks like he's in a trance- Now. We must obey the president.

Guard; That bitch has him under her controll

-the men around him knew she was doing this to them-

-one of them goes over and stabs her int he back-

Jordan: BECCA!

Becca; KYYYYYYAAAAAAA!

Jordan: oh god -catches her- becca?

AJ: BECCA! -he shoots out from his bondage and flys over raming into several people-

Becca; I'm not a whore. -smiles- I'm dying pure I guess.

Brian; Yo! Get me out of htis!

AJ: your not going to die your gonna live okay baby?

Becca; I've been stabbed. I don't know if I'm gonna live or not.

-jordan holds out her hands and allt he people working there
