

-We open our scene in Los Angeles. The city of angels. Our leads are old school friends who have not seen each other in ages. One was a golden girl who came here to go to college. The other also a girl who had it all but who abandoned it for reasons unknown. What will happen? Find out!-

-the other author would wish to apologize for her friend. she got drunk off of gum this morning, but do enjoy. damn it i just tripped back stage! i'm okay i'm okay. start the freakin show already!-

Becca: Okay so that makes twenty bucks. I should be able to get a decent meal off of this. Maybe if I try another block it would work better.

-a girl on a motorcycle stops at a stop light and looks over at the girl on the street-

Jordan: i've seen her before... is that who i think it is?

Becca: That chick must be another millionaire. i'd better get out of here. The last thing i want to do is start screwing guys for money again.- she walks off-

-the light turns green and jordan goes down the street becca is going down-

Jordan: i know her its on the tip of my tongue

Inner Becca; Shit i'm being followed. i can't look behind me.

-jordan slows down pulling up on the side of the road-

Jordan: hey chick!

-Becca stops-

Jordan: what's your name?

Becca; Why do you care?

-jordan's helmet is still on-

Jordan: i've seen you before. what is your name?

Becca: I get that alot.

Jordan: no really i haven't seen you in this area before but somewhere else. just tell me your name?

-jordan gets off her bike popping the stand to keep it up right-

Becca; i won't tell you my name but here's an idea. ask me something that only the person you think I am would know. If I

get it right then maybe you'll know.

Jordan: um... what middle school did you go to?

Becca: Some place called Chehealis Middle. It was nothing special.

Jordan: did you run away from a high school called w.f.west in chehalis wa?

Becca; I went there and Yeah I ditched the place and the entire fucking town when I was in my junior year.

-jordan moves to unbuckle her helmet-

Jordan: why did you have to leave your best friend?

-she takes off her helmet-

Becca; Woah....Wait...Oh my god.

Jordan: god beck i thought you were dead!

-jordan hair isn't short and dirty dish blond any more, it is now long red hair with blond high lights-

Becca: I like the new look. -Becca's hair is platinum blond like it

always has been and her eyes are still the same shade green with gold rings in them.-

-jordan walks up to beck-

Jordan: so like how did you get all the way into LA?

Becca: Pretty gril walking down the road all by herself. Some guy's and even a couple gals are bound to pick me up and ask where I need to go. Thank god I'm pretty.

Jordan: god beck. man... come back to my place will ya? i'm on a scholarship to the university here and i have a part-time job at the local record company helping artisit write and record songs. my aunt bought me this bike and i drove it all the way here for a little road trip i've been saving up.

Becca: I'm not going back to Chehails.

Jordan: no my apartment is a loft up in the hills.

-she points out to the hills-

Becca: Lucky. I take whatever I can get. Alright I'll come with you.

-jordan gives her the pare helmet and gets on the bike-

Jordan: i'm living with this gay guy who works at a radio place.

Becca; Really.

Jordan: he's cool and he's an really good artisit

Becca; This guy got a name?

Jordan: his name is Chris. you'll like him

Becca; Sounds hot. Why do all the hot guys have to be gay? Well I can't really complain. I've gotten some good cash off of straight guys.

Jordan: he isn't really hot to me.

-they drive out of town and up through the hills-

Becca: I regognise that house. The guys there is a total scumbag.

Jordan: wow how many people do you know here?

Becca: Alot. Lets just leave it there.

Jordan: so are you living on the streets now?

Becca; Sometimes yes sometimes no.

Jordan: that ain't good. you need to go to college. did you want to go into law school?

Becca: Jordan I don't even have a full highschool education. I did want to go into law but....It's hard to explain.

Jordan: well lets get back to the place. chris is out for the weekend at this convention with one of his friends. we'll have the place to ourselves

Becca: Okay.

-jordan pulls into a parking lot parking her bike-

Jordan: come on its the top floor

-Becca nods and takes the helmet off and follows Jordan-

-they go up the elevator and get out, jordan unlocks the door and pushes it open-

-a kitchen to the left, a couch and tv and dvd player and video games tot eh right, a large table straight ahead, a desk in the right corner, a room on either side of the place-

Jordan: my room is right there on the left

Becca: Nice place.

Becca: You have a shower I could use?

Jordan: totally. the bathroom is right there -there is a second door on the right side near the tv, the other door farther down the hall-

-Becca nods and goes in. about an hour later she comes out in a towel. she's not the skinny flat Becca that Jordan once knew tht's for sure-

Jordan: dang you have hips girl! -jordan took off her jacket and was now in a tank top and a guy jeans. the shirt was a little short and the jeans hung low on her hips so you could see her flat stomach-

-and tan-

Becca: I was a late bloomer. I turn seventeen and bang!

Jordan: your telling me. you know how i had by big body and pudge

Becca: And look at you now.

Jordan: i hit 16 thats what. everthing spread out and i got c-cups too. i'm not an a anymore!

-jordan dances a little in a circle-

Becca: Not bad. I went from puny b's to d's.

Becca: And before you ask they are real.

Jordan: we both grew two sizes. only thing that didn't change in my was my clothing and my personlity

Becca; I can see that. I did date a plastic surgon once though.

Jordan: eww? -jordan is grilling up some sandwiches- ya hungry?

Becca: Starveing. I haven't eaten since yesterday. and yeah he was nasty. Total oilrag.

Jordan: need clothes? i my room i have some little black dress i never touched yet. gift from mother

Becca; Yeah. -goes over and changes-

Jordan: i tried it on and it was too big for me. you seem to fit it just fine -jordan was a small girl and becca was tall now-

-Becca comes out and it fits perfectly-

-jordan puts the food on plates and stands in the kitchen part over the counter eating-

Jordan: have a seat and eat up

-Becca bolts her food like a wolf-

Jordan: when was the last you eaten?

Becca: Yesterday morning.

Jordan: damn. your gonna stay here for a few days, even if i have to tie you up. chris won't mind

Becca; Fine by me.

-there is a knock on the door-

Jordan: hold on a second -jordan goes and oushes the door open-

Jordan: oh hey Justin

Justin: Hey.

Jordan: chris isn't here. he's at the radio convention thingy he dragged his boyfriend to

Justin; That's okay. Can i come in?

Jordan: totally!

-jordan lets him pass-

-he enters-

Justin: Whos she? -looks at Becca-

-jordan shuts the door and goes into the kitchen once more. the kitchen was basically similar to that of a bar-

Jordan: oh this is an old best friend of mine from washington. she ran out of town junior year

Justin: Really? I heard from Jordan the place was a shit hole but I didn't think it was that bad.

Jordan: becca this is justin. he's one of my co-workers

Becca; It is. And nice to meet you.

Jordan: well be going to the school together once it starts up too.

Becca: Have fun with that.

Jordan: justin hangs out more with chris then me. and becca you know you can take some pre-tests for your GED and crap

Becca: I know.

Jordan: yuo really should becca. then you can get into law school and do all the stuff you wanted to

Becca; Jordan. It's complicated.

Jordan: it must be that made you run from chehalis without even telling your best friend. i cried for days, and i don't cry!

Becca; Home was become less like home and more into a prison. With a swimming pool and hill top view. The second I told my mom and dad and the rest of my family about my good grades they started planning out my entire life. I said I was thinking about law school and then it all went downhill from there. The truth is I didn't know what i wanted to do with my life and I still don't. i needed to -c-

Becca; I needed to get away and escape. Then one night I told my parents I was thinking about doing something else with my life and then all hell broke loose. I just grabbed my money and left. I would have called but I forgot my cell and there weren't any payphones nearby.

Jordan: wow..... justin you want something to eat?

Justin; Yeah.

Jordan: sit down next to beck. i'll make ya something

-jordan fries up another sandwich. she really wasn't the cooking type, but it was becoming a hobby for her-

Becca; This may sound selfish of me but how are mom and dad doing?

Jordan: last i talked to them they were pretty heart broken about the whole thing, but they didn't show it. they moved out of town my senior year and haven't heard from them since

Becca; Figures. They probably went to stay with some of my mom's family.

Jordan: they cared about you beck. that much i know.

-jordan give justin his sandwich and pours some juice for them all-

Justin: -eating his food-

Justin: They just had kind of a messed up way of showing it.

Jordan: yep what the guy with his mouth full said. so justin how are lance and jc?

Justin; Still trying to make it big.

Justin; At least c still is.

Jordan: man seeing jc there trying to do all that with lance as his manager..... its sort of sad. lance is still going to college trying to major in business

Justin; I know. I mean the guy has talent it true but no one will even give him the time of day.

Jordan: trying to talk with the producers at the studio they just won't listen to me. i just have to help all the 'real' stars

-jordan smiles at becca-

Jordan: yeah just a month here and i met some new people

Becca; Really. You just moved here? Figure. I probably would have found out about you if you had been here longer.

Justin; Right now C's working at that cafe downtown.

Jordan: see him all the time when i go there for lunch.

Jordan: you know what beck?

Becca: What?

Jordan: there is a job openning at that cafe. you should go and apply. that way you can start earning money.

Becca; Maybe I will.

Jordan: you can stay here. my bed is a bunk bed, you and i can share a room

Becca: Okay.

Justin: You seem like a nice girl.

Jordan: there, i think i just saved a life today

Becca: That's a nice change. I've had to save my own skin alot of

times.

Jordan: once my pay check comes in tomorrow i'll take you to get some more clothes okay? you can put them in the closet since i don't use it

Becca: Thanks.

Jordan: i don't need any clothes and chris will probably buy the food

Jordan: its really no problem. i want to help you.

Justin; Yeah thats right let the rainbow boys do all the work.

Jordan: hey! i'll get some sugary stuff and chris will be happy then. so will joey

Becca: I take it Joey is 'rainbow boys' boyfriend?

Jordan: bingo. now joey and i are best friends. we hang out all the time. he wroks at the drive-in outside of town.

Becca: You mean Lakeside Drive in? I've been there a couple times.

Jordan: he's a sophmore in college, working to become an actor.

Becca; I think i might have met him.

Jordan: joey is my bestest buddy in the whole wide world! and i met him a week after i moved in here

Justin; You'd think they were siblings. Practically inseperable.

Jordan: * grin *

Becca; Jordan always did have that kind of personality. Once you get hooked there's no stopping her.

Jordan: *bigger grin*

Justin; so maybe we can head there for dinner?

Jordan: maky. beck you want to stay in that dress?

Becca: Why not.

Jordan: justin call up lance and jc and they can meet my long lost friend

Justin: Okie dokie.

-jordan is in guy jeans, a button up red shirt that opens up to show ehr cleavage, and a whtie tie-

Jordan: i missed my friend -jordan kisses becca's head-

Becca; i missed you too.

-jordan sits down next to lance, justin comes in and sits next to becca who is next to jc-

Jordan: shall we order?

Lance; Yes please. i'm starveing.

-Becca is already looking through the menu-

Becca: I've decided.

Lance; Same here.

-they order then sits and wait-

-jordan begins to play with lance's hand that is sitting on the table-

Lance; The waiters here cook fast. but you still need to eat quickly jc. You need to be onstage in three hours and we need to set up.

Jordan: oh yeah jc is performing here. jc does alot of little performances

Jc: oh yeah i forgot all about that for a second

Becca: Oh do tell.

Jc: well i've been trying to get a record for a long time and alnce is playing my 'manager' roll. he helps set me up with some club performances, diner shows, and that jazz

-jordan pulls lance's hand close to her face-

Jordan: when are you gonna grow hair on your knuckles man?

Becca; Cool. What genre of music do you play?

Lance; Not any time soon.

Jc: pop.

Jc: and do tell me something becca, did jordan do alot of strange things in chehalis too?

Becca; That's cool. I can't tell you how many guy I met who were only interested in this really boring jazz and folk. i laike it but it gets old. And this is the same Jordan i knew from school.

Jordan: * grin *

Becca; Only difference is that her tits are huge now.

Jc: man she is too much like chris and joey. no wonder she lives with him and hangs out with joey

Becca; We were the oddballs there.

Jordan: *bigger grin*

-the food arrives and they eat-

-jordan gives lance his hand back-

Lance; Becca you ordered the biggest thing on the menu. You gonna be able to eat all that?

Becca: Less talk more shoveling.

Jordan: late night last night ya know? -becca seems to see she has at least one late night every week-

Becca; Got it. Hey theres a place not far from the lab. Looks dirt cheap too. It's probably pretty run down but it's better than nothing.

Jordan: lets go check it out

Jordan: places here might be cheap but they are nice

Becca; Yeah. That's more than I can say for some places. Then again the state of California is pretty much broke so they'll be making everything as cheap as possible here.

-later that day they head out to check it out-

Jordan: this place is nice!

Jordan: one bedroom, kitchen, bathroom

Becca; Yeah.

Jordan: big closet

Becca; I like it.

Jordan: and trust me you don't have to pay me back okay?

Becca: I doubt I'd be able to anyways.

Jordan: next thing we do is take you to get your GED worried about. then you can probably start school next year

-jordan smiles-

Becca: Right...

Jordan: just think if i wasn't coming home from the hospital that day you'd still be on the streets

Becca; You were in the hospital?

Jordan: yeah. nothin serious.

Becca; Better not have.

Jordan: becca i know you don't know what you want to do with your life yet but you need to worry about your GED and then you'll have a year to get everything planned out

Becca; I know. I'm just kinda scared is all. I don't want to have to go back to screwing celebrities for money.

Jordan: well if your screwing any celebrity in the future it will be Jc okay? don't worry i'll be here for the next four years ya know

Johnny; One things for certain. He dosen't need much studio
magic.

Jordan: thats a good thing. i'm still learning how to wrok this
thing so.....

-after that they get him in to sing-

Johnny: I'm likeing it. He needs some vocal training on the last
note but that's it. and I think he can figure that out on his own.

Jordan: yep. if he does this for each song he'll have all the songs down in no time. one song per day

Johnny: Yeah. I just need to have Lance look over the contract and see if he's okay with it. Then get Jc to sign and we can get this show on the road.

-jordan nods-

Becca; i guess I'm just used to guys who want me as thier little puppet. i can't tell you how good it feels to not have to fuck for cash anymore.

Jordan: thats really good becca. very very good -monotone-

Becca: You sure you're okay? You only talk in monotone when somethings up.

Jordan: late night with lance.

Becca: I think he likes you.

Jordan: well i don't like him! it was just sex and thats it. i only want to be friends! -her voice rises and she loks at becca-

Becca; Okay okay. But maybe you should tell himthat so he

won't get his hopes up.

Jordan: i did but he still felt like it was his fault i left afterwards.

Jordan: most men know whent he girl leaves they screwed up
but he didn't

Becca; Lance is a sensitive guy. Just keep makeing it clear that
you only want to be friends. He'll come around eventually.

inner jordan: i wish this didn't happen to me

Jordan: lets hope

Becca; Isn't that all anyone can really do nowadays.

-the next day becca goes over to jordan's place-

Becca; hey.

-jordan sisen't in the lving room, it seems empty-

Becca: Jordan?

-a low moan comes from chris's room-

-Becca goes to the room and knocks-

-it pushes open a little. inside she sees joey on the bed jordan kissing his neck and her hand rubbing his cock. joey is smiling-

-Becca turns around and leaves-

Inner Becca: I'm not going to tell Chris about this. I have no room to talk in this situation.

-jc sees becca coming out of their palace-

Jc: hye becca is jordan in there?

Becca; Dunno. I poked my head in and I looked like no one was home so I left. -she's not doing a good job of lying for once-

Jc: somethings up -he looks at her funny then goes into the loft-

-he comes out wide eyed-

Jc: oh my god!

Becca; You saw them at it didn't you.

Jc: why would joey do that to chris? i know he's biased jordan

nd hima re good frineds but.....

Becca: Jordan was mentioning something yesterday about her little fling with lance.

Jc: what ahppened? lance did seem a little down

Becca;He and Jordan had a one night stand. Lance has feelings for her but she dosen't return them. She just wants to be freinds but he's haveing a hard time with that.

Jc: god. we have to tell chris they were totally at it in there! i can't lie worth hsit becca

-chris's face falls-

Chris: what?

Becca; You tell him Jc.

Jc: we saw jordan and joey..... making out like big time in your room. we weren't spying but we just needed to talk with jordan and well.....

-chris stares at the floor-

Becca; Again we're so sorry.

Chris: how could he? he said he loved me

Inner Becca: He sound like some of the housewives I've encountered when they walked in on thier men with me.

Becca: Sometimes it just dosen't work out.

-crhis stands up grabbing his coat-

Chris:w ant to get some pizza?

-his face is black-

Becca; Sure.

Jc: why not

-they head out and get pizza-

-they eat in silence. they pay for they're food and Becca walks off to work-

-jc heads home-

-chris goes to justin's-

-that night they were having a party for jc's album, at jordan/chris's place-

-the mood is somewhat cheerful but they're is almost a dark cloud hanging over everyone-

Jordan: cheers to Jc, working his ass off huh?

-jordan smiles at jc-

Becca; Cheers.

justin: Cheers.

Joey; Huzzah!

-jc can't really smiles much but he does-

Jc: cheers.....

Lance; You're gonna go far man. Now you just need a girlfriend.

Jc: heh yeah

-he drinks hsi beer-

-Lance takes a sip of his-

-jordan walks over to joey talking with him. chris stares-

Lance: Need a ride home man?

Chris: god.....

Becca; Chris if it's bothering you so much then either confront them or leave.

Chris; It's just that...We were in love and I thought this would last...

-jordan leans in and whispers something into joey's ear and she chuckles-

Becca; You sound like some of your own callers.

Justin: hey whats going on here?

-hima dn lance were confused-

Chris: The man who I thought was the love of my life is cheating on me.

Justin: with who? joey would never cheat!

-lance is shocked as well-

Becca; With Jordan.

Chris; I know he's bi and that he and Jordan are good friends but...

Justin: what.... whoa.....

-jordan walks back over-

Jordan: so you guys doing good?

Becca; yeah. I'm gonna head home now. Later Jordan. -waves to the others and leaves-

Justin: a little

Chris: I'm okay.

Jordan: party popper! -she calls after becca-

Becca; I have work tomorrow!

Jordan: joey come and cheer up your boyfriend

-jordan drinks her wine-

Chris: It's nothing. We'll talk about it later.

Joey: chris your scaring me right now. really what happened

today? did work go fine?

Chris: why did you cheat?

-jordan spits her wine on the floor stunned-

-lance and the other migrate to another room knowing that it wouldn't help for them to be in the room-

Chris; Jc and Becca needed to talk to Jordan. They saw you two makeing out. Why Joey? -his eyes are slightly misty-

Joey: chris you have to understand i love you not jordan

-jordan is standing there staring at the floor-

Chris; Then why was she rubbing your cock!? Why were you two on the verge of doing it!? I need some space right now. When you're ready to be perfectly honest with me give me a call. -he turns around and leaves. He waits till he's in his car to start crying-

-joey stands there stunned-

Jordan: joey i am so sorry

Joey: DON'T TALK TO ME I HAVE BEEN COVERING YOUR

FUCKIN ASS LONG ENOUGH!

-jordan winces-

Joey: now i'm about to lose my boyfriend just to save my best
friends ass

-joey tears up-

Jordan: joey.....

-the others come in-

jc: I'm gonna head home.

Lance: Ditto,

Jordan: i'll see ya C?

Jc; Yeah. -he leaves-

-Lance follows him.-

-justin heads out as well-

-joey ends up leaving too-

-jordan sits on the floor in the empty loft-

Jordan: i was just trying not to die.....

-the next day at studio-

Johnny; Jc...You're not yourself. You'e doing good but somethings not there.

Jordan: -nothing-

Jc: i'm sorry but, can i have the day off?

Johnny: Sure. You've been doing well enough you can have a couple days off.

Jc: tahnk you- he leaves-

-jordan sits there staring at the floor-

Johnny: What's going on?

Jordan: i screwed up last night and now everyone hates me

Johnny; Care to tell me more? Maybe I can help a little.

Jordan: i made out with my best friend and my friends caught

me and told his boyfrind who left him and now they all ahte me
cause its my fault

-jordan plays with her piano tie-

Johnny; I don't think they hate you. They're probably pretty
dissapointed. But if they're really your friends then they will
eventually forgive you. Give it some time. You're a smart girl.
You'll find a way to make amends.

Jordan: yeah right. may i have the day off too? i have school
work to catch up on

Johnny: Sure. But trust me. Things will get better.

-jorda nods and grabs her things and heads out-

-she walked tot eh studio that day, about a mile from her loft-

-well town at least-

-jordan gets into town-

-Becca is at work. She sees Jordan and smiles and waves-

-jordan doesn't look up from the ground-

-At the loft Chris is in the living room sleeping. He's taking some days off from his radio show-

-Jordan gets to the loft and goes into the kitchen-

-she makes up some coca-

Chris; I don't hate you Jordan.

Jordan: i was the one who did it to Joey Chris. i hate myself

Chris; you shouldn't. But I just want to know why.

Jordan: i can't tell you

Chris: Why not?

Jordan: i just can't okay?! -turns to face him-

Chris: Fine. -turns on the tv-

Jordan: please get back with joey chris

Chris; I called him. We're gonna try and fix things.

Jordan: okay. -the kettle goes off and Jordan sits down drinking her coca-

-at someone else's place-

Jc: hey lance. you okay?

Lance; Why? Why did she do that with Joey when she dosne't have any feelings for him?

Jc: how's joey doing?

lance: He's doing okay. He and Chris are going to try to settle things. We all want to know why but Jordan's being stubborn and won't tell us. she would tell us maybe we could help her.

Jc: i think Joey know since he did yell something about covering her ass

Jc: your falling in love with Jordan aren't you? i can tell so don't try to say otherwise

Lance; i wouldn't say otherwise anyways. I've loved her for a long time. Since i first met her maybe.

Lance; But she dosne't love me so what can I do?

Jc: two monthes. just be her friend man. i'm being becca's friend

Lance: And you're already fantasizing about her. I can tell.
Remember when she sang that song for us that she and Jordan
wrote when they were kids?

Jc: yeah... you were fantasizing too when Jordan began to sing!

Lance: If you seek Amy. Good way to hide it. And yeah I have no
room to talk. But at least Becca returns your feelings.

Jc: yeah but it will be a while

Lance: We need to get Joey to talk.

Jc: he won't turn his back on Jordan

Lance: He needs to realize that he needs to tell so that she can
get help!

Jc: okay. you can talk to him. you live with the guy -joey walks
into the room only in boxers- hey joe

Joey: hey

Lance: Hey man.

Joey: what are you guys talking about?

Lance; Joey. What did you mean when you said you were through covering her ass? Is jordan in some kind of trouble or something?

Joey: i'm heading back to bed -turns around-

Jc: come back here fatone!

-joey stops-

Lance; Please. She needs help. We need to know.

Joey: you could say she was in trouble..... but she isn't

Jc: joe be more clearer

lance: We don't understand cryptic metaphor.

Joey: i promised her i wouldn't say a word

Lance; Some promises aren't worth keeping.

Joey: its nothing. doing what we did..... i don't love her i love chris

Joey: well i do love her but as a friend

Jc: tell us!

lance; We need to know!

-joey goes back into his room shutting the door-

Lance: They're both being stubborn and stupid!

Jc: what is going on? i hope jordan is getting hurt in any way

Jc: and we just met her too

Lance; She could get hurt or be in serious danger and Joey is being to much of a dick to tell us whats wrong!

Jc: isn't joey going over to chris's tonight? maybe we can't get the others to meet up with them at the place. jordan will be in late and we'll get her to talk then

maybe we can get the others

Lance: I doubt it'll work but it's worth a try.

Jc: i'll tell becca you call justin. later man -leaves-

Lance; -sighs then calls Justin-

-that night-

Joey: hey chirs. what are the others doing here?

Chris; The more the merrier right?

Joey: what is going on here

Jc: one word: jordan

Lance: We're not letting you go until you tell us.

Joey: oh no guys seriously she-

-the door opens and jordan comes in-

Jordan: um.....

-Becca is in the kitchen trying to remain unnoticed-

Lance: Sit down Jordan. Everyone sit.

-jordan walks in slowly sitting on a chair-

Justin; Jordan. Joey. We know something is up. You guys need to tell us. We don't care how bad it is.

Jordan: it isn't bad and nothing is up

-she sits up-

Lance; Yes there is.

Joey: no there isn't

justin: If there is then why did she snap at Chris when he asked.
And why did Joey mention covering you ass? what exactly did
he need to cover that was so important?

Jordan: it is nothing

-jordan stands up-

Chris: The sooner you tell us the sooner we can all leave.

Jordan: now if you'll excuse me i need to study

Lance; Jordan you need help! But your being to stubborn to ask
for it! Something isn't right and we need to know! We want to
hel pbe we can't do that unless you tell us!

Joey: JUST FUCKIN TELL THEM I CAN'T STAND THE
PRESSURE!

-joey rubs his face and jordan freezes-

Jordan: god you've never been good under pressure huh joe? -
jordan sighs and faces them all- rememebr when i had to go to
the hospital?

Lance; yeah.

* flahsback *

Jordan: my bike is the best

-jordan pulls up on the side of the road parking it-

Jordan: finally a trash

-she takes her trash in her bike and goes down the alley
throwing it in-

Jordan: there -she dusts off her hands-

-jordan walks back down but suddely finds herslef against a
wall-

Jordan: HELP! -MUFFLED-

Guy: shut up and it will go faster

-jordan kicks and kcicks but his pressed against the wall tightly-

Guy: yummy

-he kisses her neck and licks it-

Jordan: AAAAAAAHHHHHHHHHHHHHHHH! -muffled-

Guy: ahh screw with the numming

inner jordan: oh my god he's bitting my neck the freak!

-the guy pulls away jordna falls to the ground staring at the
big..... blue..... moon-

Guy: sorry sweet thang

-flys away-

-jordan lies on the ground. joey comes walking down the street-

Joey: holy crap!

-he runs to her-

Joey: oh my god your neck!

Jordan: he bit me. joey i think it was a.....

Joey: i really want to think they aren't but they might be. come on let me get you tot eh hospital

-gets her ont he bike. he can drive them and drives her to the hospital-

Doc: waht the hell?

Joey: a bat, attacked her. shes loosing blood

Doc: rabie shoota nd stitches right away!

-takes her, gives ehr medicine, stiches her up. joey stays with her over night-

-middle of the night jordan begin to change into one of them-

Jordan: don't tell anyone okay?

Joey: i swear. this is too werid

Jordan: ya think?!

end flashback

Becca; I believe you.

Jordan: of course you do your my friend who will believe anything

Justin; Strangely me too. You could have told us you know.

Jc: thats a fucked up story.....

Becca; I'm not stupid Jordan. it's just that your story makes sense.

Joey: how the hell can that make sense? its weird i tell ya. prove it to them. i needed proof to not just think the guy was biting your neck cause he was a cannibal

Becca: i think I might have hung out with some of those guys back in the day.

-jordan's eyes go red, her teeth turn into fangs, her finger nails grow-

Lance; Well now we know.

Jordan: i hate this

Jordan: i didn't tell you for a good reason - cause you didn't need to know! i've been feeding off of you this wwhole time and no one knew

Jc; WHAT?!

Becca; Hmn?

Lance; eh?

Chris; -shrug-

Jordan: licking and kissing the neck - relasing my saliva to numb up the neck. sucking was really me biting you but none of you knew it. that night when i met becca i remeber the whole thing cause i can't get drunk any more! feed of fof beck, feed off of justin jc lance. actaully that night a while ago after the drive in i feed off of you

Becca; okay.

Jordan: i felt really guilty and swore i wouldn't feed off of any of you. so i went to joey but for some reason the numbing thing didn't fully wokr on him

Lance; Wow....

Chris; So that's why you rubbed his dick?

Jordan; so i rubbed his dick to make him feel better about it. i was doing something sexualy to you guys and i did it to him

justin; Well now it makes sense.

Jordan: i found this book about vampires and werewolves and witches and crap in the library at school, under fiction. by this guy named Levi Wood. and everything in it is exactly what we are. but no one knows that

-jordan goes back into human form-

Becca: Well I'm okay with it.

Jordan: i think the guy who wrote it is a vampire

Becca; Cool. Jordan if you need to feed again just call me and i'll let you.

lance; Same here.

Jordan: you guys should check out the book. it will explain all the rules and stuff about vampires and other crap. and..... i didn't want you to know cause i didn't think ti was smart

Chris; Well now we know.

Jordan: besides alot of vampires feed off of animals and stuff.
you know how mmuch blood they take from a person when they
give blood? one of those per week.

Justin; Okay.

Jordan: so i need about four of those per month. thats why i look
like crap on that one day of the week

lance; I was wondering about that.

Jc: what about lance? do you actually have feelings for him ro
what?

Joey: um..... i'll answer that. vampires and humans can't be in
relationships to gether. werewolves, or lycans, can and vampires
and lycans together. i don't know if she has feelings or not but
thats all i know

Lance; Alright.

Inner Lance; Whens the next blue moon?

inner jordan: god i love him alot and this sucks

Jordan: just find the book called Vampires, Lycans, and Wickans
by Levi Wood

Jordan: has everything you need to know. and the story in it
about the war and crap i have this weird feeling its true. the
entire book is true

Becca: Well if all this is happend then I'd be inclined to belive
every word of it.

Joey: i read it and its cool. the main character in it becomes the
king of the vampires. jordan thinks that levi wood himself

Chris; Can I borrow it for a bit?

Jordan: the author is gay *grin*

Jordan: i just boguht it acuaklly. hold on

-she goes into ehr room then comes back with a book-

Jordan: eyah it is very very long

Becca; And thick.

Jordan: they mean the same thing

justin; Please tell me that was no pun intended.

Becca; i ment it.

justin; -groan-

-Becca grins-

Lance; you're weird.

Becca: Hey if I'm not going to have a sense of humor here then
who is?

Jordan: dorkus

-well the others leave and chris and joey head out to dinner.

jordan stares out the window at the big moon-

Jordan: everytime i see the moon i rememebr that night.

Jordan: i wonder when the blue moon is and how bad i'll get.....
but the author did say something in it

Jordan: "luckly those bitten by bat vampires are lucky enough
to ahve control, unless they haven't fed for their week." maybe i
was bitten by a bat vampire.....

Jordan: "they can be either in bat or vampire form when they bite you for you to become a bat vampire as well" man my life just went down eh drain in LA!

-the next morning-

News: ahh it is that time of year again. tonight you'll be able to experience the biggest blue moon on the west coast

Becca: I'll be sure to lock my doors tonight.

News: if levi wood's famous book were true we'd be all screwed huh ken?

News: that's right sydney, and onto sports!

Chris: Becca can you change it?

-jordan was cowering in a chair-

Becca: nope the cafe only has one chanel.

Jc: jordan its gonna be okay

Jordan: i'm not sure if i'm bat or not. how can it be okay?!

Becca: Just make sure you've fed before nightfall. Maybe then it

won't be as bad.

-jordan lies her head down on the table-

Jordan: chris fed me this morning

Chris: and I'll stay with Joey tonight. Don't worry. Everything will work out.

-later that night nearing nightfall-

Jc: Lance you better not be thinking what i think your thinking

Lance: I want to be with her. And if that means becoming a vampire then so be it.

Jc: your stupid you could also be killed ya know

Justin: before this night i thought it was all fake!

Lance; people do crazy things when they're in love.

Becca: jc can you stay with me tonight? I'm not wired but I just don't want to be alone.

Jc: then it ain't love. love is when you do the best for the other person. jordan is trying to keep you from ruining your life and

you think she actually loves you back?

Jc: yeah, actually we all are going to stay here tonight -at
joey/lance-

Lance: So I guess I'm doomed to be alone all my life.

Jc: better then being alive forever and being alone. you don't
know if jordan loves you

Lance: I'd like to know so that I can be sure that I'll die alone or
not.

Jc: your true love is probably out in the wrold somehwere

Lance; yeah right.

Jc: your have kids, die togheter all the usual stuff

-Lance just turns on the tv and goes into quiet mode-

-nightfalls, joey is staring out the window-

Joey: here we go

-Becca goes and grabs a soda from the frige-

Joey: wait where is lance?

Chris: He was here a minute ago.

Jordan: lance what the hell are you doing here?

Justin: that idiot better not have..

lance: Jordan if you lose control then bite me.

Jordan: lance get the hell out -she is staring at the moon- please
-she grasb his arms-

Lance: Jordan I want this.

Jordan: you want it cause you think i love you

Lance; do you or not?

Jordan: i hate your guts i don't love you i think your ugly -she is
pleading it but you can tell she loves him-

Lance: fine. turn me anyways.

Jordan: what?! lance just because i hate you doesn't mean i
want you to -she falls to ehr knees graons- crap

Lance; I don't care anymore. If you kill me I'll be fine with that. If I become a vampire then that's fine too.

Jordan: get out -she looks at him her eyes bright red and her voice low. her fangs start to grow-

Lance: I'll just find someone else then. -he leaves-

-jordan grabs the floor and completely transforms she lies on the ground staring at the wall-

-dramatic music-

Jordan: i have control. i'm a bat vampire. thank god i fed today

-Lance gets back into his car and drives off. he's heading for a random street where he can wait-

-jordan changes into a bat and flies around the city happy-

inner jordan: fun, very fun

-meanwhile-

Joey; I've tried calling that numbskull's cell six times but he hasn't picked up.

Chris: Nimrod.

Jc: he's screwed

Justin: hey looks a bat!

-staring out window-

Becca: I thought angry housewives were crazy.

Chris; Hey Jordan.

Bat: squeek

Justin: u sure its jordan?

Chris: let it in and we'll see.

-justin opens the window and the bat flies in-

BaT: squeek squeek squeek!

Jc: is it you jordan?

-the bat changes and jordan is there in full vampire form-

Jordan: god damn it bass!

Joey: Knew it.

Becca: Lemme guess. madly in love?

Jordan: he came to my place tired to tell me either kill him or change him then he left right before i changed

Chris: Where'd the idiot head off too?

Jordan: how can i be in love with that idiot?! and i have no clue

Jc: you do love him!

Becca: It's true. I've seen the way you look at him.

Jordan: part of me wants him to be vampire so we can be
togethe

r

Becca: he's willing to make that sacrifice for you.

Jordan: but i don't know if we will last though!

Jordan:we could date a year, break up and he just ruined his life
for one tiny romance

Becca: Then instead of rejecting him entirely date for a while then if you think it's going to last turn him.

Jordan: i can't the law becca?!

Becca: screw it!

Jordan: all i can do i fuck him for feeding. and if i date a humna i'll be put into prison

Becca: lance is willing to make that sacrifice for you. If it dosen't work out he'll find the girl he's ment to be with then turn her. Jordan just do it!

-jordan sighs-

Jordan: your gonna ang me until i do don't you?

Becca: You know me too well.

-suddenly the door opens and lance comes in-

Joey: numbskull!

Chris: and the prodigal son returns.

Becca: Hello idiot.

-lance falls to the ground and his neck compltly like ripped open-

Becca: Holy crap!

Jc: OH MY GOD!

-jordan rushes to him-

Joey: I think he found someone to do it for you.

Jordan: numbskull is right i read they can get visous!

-jordan leans downa nd begins to lick at alnce's neck trying to clean up the blood but it keeps gushing-

Becca: We need to get him to a hospital.

Jordan; oh god..... there is no time. i don't know what to do

Lance: -horsely- turn.

Jordan: what?

Lance: turn me. I'll heal if that happens right?

Jordan: god i don't know how to turn you in this state!

lance; bite my wrist. inject the venom that way.

Jordan: god.....

-jordan grabs her wrist and bites down injecting as much venom as she can-

Jordan: sorry if it hurt. no time

-she licks his wrist watching him-

Lance: I'm okay with that.

Jordan: someone put a cloth on his neck!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

-Becca comes out of the kitchen with a large dishtowel and places it on his neck.

Jordan: this better fuckin work

-slowly the wound begins to heal and soon it's completely gone-

Jordan: thank god.

Lance; hey. I'm alive. -shudders as he begins to transform-

-jordan watches closely-

Joey: just like u jordan

-lance is shaking violently and quickly transforms-

Jordan: okay then

Jc: whoa

Justin: wicked

Becca: That's really interesting.

-dawn hits and jordan and lance hange back. he sits up and
jordan growls-

Jordan: your a fuckin idiot you could have died! -she shoves him
back on the ground. jordan climbs on him kissing him- thank
god your alive

Lance; people do crazy things don't they.

-jordan slaps him kissing him again-

-the next morning Becca is still at the restaurant only she's trying to remain in the kitchen. Nick and Aaron are back.-

-they are eating quietly in the corner, just having lunch-

-Becca still wants nothing to do with them.-

-the guys just like the diner-

Inner Becca; They've been coming here constantly. I know i'm being paranoid but I don't want to risk it.

-the others walk in from finishing school and sit at a nearby table-

Jordan: hey guys!

Carters: ello j

Chris: Hey guys.

-they wave and go back to eating-

Jordan: hello beck

-Becca emerges from the kitchen-

Becca: Hey guys. what can I get you today?

Jordan: coffee, coffee, and a chocolate muffin. one of those big ones

Becca; They're all the size of Joey's fists put together. I'll get em right.

-she goes over and comes back with the food.-

Becca; So how's Jc been doing?

Jordan: very good. he's at the studio writing another song. i don't have to be there for another hour

-jordan smells her coffee seeming to get high off the fumes-

Becca; Well tell him I said hi when you see him. He's really nice. I like him.

Jordan: i know you do you just saw him last night. you know what? you guys should go on a date

-jordan pulls out her laptop turning it on-

Becca; What?

Jordan: you and jc should go on a date -she says each word seperatly-

Becca; You really think that? I mean I don't even know if he likes me in that way.

Jordan: he does now i'd get back to work, or i'll sick nick and aaron on you *grin*

-Becca goes back to another table where some other people are working-

-jordan begins to work on her laptop with work and school things-

-later in the studio-

Johnny: perfect Jc! I'm loveing it!

Jc: thanks

Johnny: keep this up and we can have the album out i about six months.

-enter Becca-

Becca: Hey guys.

Jc: then a month after that you came along and well..... you knwo everything from there

becca: Cool.

Jc: what about you? i want to know more about you

Becca: I was born to a pretty well off family. My family was pretty well to do and I was under alot of pressure to do well. All through elementary school and middle school I worked my ass of but in junior year I finally couldn't stand it anymore.

Becca: I had planned on leaveing for a long time. But I had I fight with my dad and mom and that was really all the reason I needed. I slammed the door with no goodbye and i knew it was time to go.

Jc: wow. jordan was heartbroken herself if she cried about it.

Becca; Yeah. I know I should have called her but I just couldn't face anyone back home. I didn't want to go home.

Jc: well i guess its all over and done with. do you have your lisenche?

Becca; Nope. I hitch hiked when I was on the run. Now i just walk everywhere.

Jc: you should get you lisenches. you never know when you'll have to drive. jordan will porbably nag you to get that done herself but.....

Becca; I know.

Jc: i don't want to nag you, but i really would like to help get your life somewhat normal

Becca: i appreciate that.

-jc smiles and finishes eating-

-Becca finishes eating-

Becca; So maybe next week we could go to a movie? I'll pay for it.

Jc: just don't tell jordan i'm letting you pay. she'll kick my ass

Becca; Wow. Back in the day she would have appaluded me for paying.

Jc: just the fact that your in this situtaion and stuff... so you hungry for dessert?

Becca: Of course.

-jc goes into the kitchen coming out with a strawberry pie covered in whipped cream-

Jc: i bought this. i can't bake

becca: Yum strawberry. my fave. If you need me to bake for you I can. just give me a call.

Jc: thanks -he cuts the pie and gives them both good sized slizes and forks-

-Becca cleans off her plate once again-

Jc: you look beautiful tongiht ya know

Becca; Thanks. I had the hardest time getting my hair right.

normally it does what it's told but not this time I guess.

Jc: you look wonderful either way -smile-

-Becca smiles and blushes-

Inner Becca; I'm not usually like this when around guys...But with him it's different.

-the door opens and justin comes in-

Justin; Hey jayce. Oops sorry. I'll go now. don't want to interrupt.

Jdc: that would be best. i think lance needs help with his homework

Justin; Remember Jc don't eff on the first date. -leaves-

Jc: thank you justin -groan-

Becca: He doesn't beat around the bush does he.

Jc: nope

Becca; Well it was fun. -kisses him on the cheek- Next week around seven?

Jc: maky -kisses her cheek-

-Becca smiles and leaves-

-the next day-

Justin; So you guys didn't do it?

Jc: of curse not!

Chris: Justin you seriously need someone.

Jc: we should hook him up with some dude.

Justin: Come on it's obvious those tow are gonna be doing the dirty deed sooner or later.

Jc: yes but must you speak of it? jordan said we actually did it that night jordan found becca

Chris: Really? If only I had my camrea.

Jc: actaully we all did it. you and lance lance and you lance nad jordan and jordan and me and jordan and becca nda becca and justin and justina dn me.....

Becca: So that's what we did when we all got drunk?

Jc: hi becca. yes that what we did. jordan is the only one who rememberit cause she wasn't dunk!

Becca; Really...Wow.

Becca; Crap the carters are here again....Did they get contacts?

Jc: why do you freak out about them?! they don't bother you at all! they are fine and seem to be over what ahppened with you guys. you should just dropt eh whole matter beck

Becca; But seriusuly they've got gold eyes.

Jc: so, probably got bored and wore funny contacts

Becca; Right I'm just being paranoid.

justin; Wow...That is interesting. Gold eyes.

-jordan comes in and says hi to the carters-

Jordan: hey dudes

CarterS: ello

Chris: hey Jordan!

Lance: Hey can i aks you a question Jordan?

Jordan: go ahead -she looks him in the eye-

Lance; What are the symptoms of lyanism?

Jordan: didn't you read my book?

the book

Justin: We only got to the end of the vampire section.

Lance: And i just need my memory refreshed. do lycans shoe gold eyes when in human form?

Jordan: a gold rim around their eyes, which are usual green. sometimes when they just trasnformed back to human form their eyes are a goldish color for a while. Why do you ask?

Chris: Look at the carter boys.

-jordan looks at them. they look backa nd wave at her and their eyes look green to her-

Jordan: they have their usual green eyes

Becca; Are they Lycans is our question.

Jordan: of course they are they have been for years now! i've found out when i was changed and thats another reason why we hang out and work together. we know each toehr's secret, biggest secret

Becca; Ah. Well I'm gonna get back to work. The boss is in a bad mood today and i want to stay on his good side.

-she goes back to work-

Jordan: later

-that evening-

Lance; This book is interesting. Lycans have mateing season once a month?

Jordan: oh no once a year that alsts a month

Lance: Wow....so is it the same for vampires?

-meanwhile-

Jordan: for males no, but for females yes. go through one month

a year when we can actually have kid snad we get horny as hell.
the men like that, all men actually

Lance; Cool.

-jordan grins-

Jordan: you just can't wait for that month can you?

Lance; nope. Can't wait.

Jordan: i think that once you know when your changed you can
figure it out. like i think mine is next month. so every october

Lance: I'm one lucky son of a gun

-meanwhile-

Becca; Geeze. I can't even remeber half this crap. Fifteen to the
sixth power times....erg!

-there's a knock at the door-

Becca; The last thing i need when I 've got a headache. -goes over
to door-

-and it is.....-

-she opens it but the person she sees is not a welcome visitor. She tries to scream but is knocked out. The next day when one of the guys comes to check on her she is gone and the door is wide open-

-at the cafe-

Justin: Jc is everything okay? You look freaked out.

Jc: becca isn't at her place! and the door is wide open!

Lance: What?

Jc: i think someone took ehr cause all of her books were at the dining room table

Chris: Someone with a grudge?

Justin; Well with her past...Then again wasn't that one guy yesterday looking at her funny?

-jordan comes into jc/justin's place-

Jordan: what up everyone?

Justin: Becca's gone missing.

Jordan: what

Jc: someone took her

Jc: was at her place and all of her stuff was lying open at the table. like she went to answer the door and they took her then, leaving the door wide open

justin; Remember that one guy yesterday? The guy with the shoulder length dark hair? He was hanging around with those two other dudes.

Jc: i don't know how long she has been gone, she was there yesterday but not today

Justin; i think I've met the guy. Maybe a couple of my friends can give me some more information.

Jordan: i remember seeing them. they seemed fine. why do people always pick out the people who look evil when they could be good smartass? lets call the police and file a missing person report. we can't do anything

Justin: Lets head back to her place. I doubt the police will be able to do much good.

Jc: says teh eprson who did almost everything else for her na
dwon't go find her

-they go to her place nad search-

Jordan: i see nothing. but she was having problems with amth -
looks at her homework- this is easy!

-she sits downa nd begins to solve all teh problems-

justin; Didn't you say she had problems with math as a kid/

Jordan: hat to tutor her

-jordan is working fast at it like a breeze. she got hook fast-

Jc: can we go back to trying to find the eprson who should really
be doing the homework?!

Justin; Um..Jordan maybe we should do less math and more
searching. I think Jc's gonna have a heart attack.

Jordan: fine. elt me finish this problem. once we find her i'm
gonna help her out with ehr math so she can apss that tests

Justin; I already called the guys so they can file a missing

persons report. Wait what's this?

-jc looks over at justin-

Jc: TELL US!

Jordan: breathe dude

Justin: Marks on the doorknob. like it was dented.

justin: Lycans maybe?

-jordan goes over puts her hand around the doorknob-

Jordan: nope

justin; Who then?

-she changes into vampire form going onto the other side-

-she squeezes the handle there-

Jordan: vampire

-she goes back-

Justin; So a vampire kidnapped her? That seems kinda stupid.

What would they want from her? Wait. She was a mistress before you found her. Maybe it is someone with a grudge after all?

Jordan: i have no clue, don't look at me!

justin; Well either way we need to find someone who can track this person.

-Chris and lance show-

chris: Well the carters could help.

Lance: Yeah. Joey's looking around town.

Jordan: i'll call up the Carters

-she goes to her phone and tells them to begin looking for becca, who was most likly kidnapped by vampires-

Jordan: i don't see anything else i can do

-Jo sits on her couch looking like he's gonna cry-

Chris: Calm down man. She's gonna be okay.

-a few minutes later the carters arrive-

Nick; So where do you want us to start?

Aaron: Yeah. We need to find a place to pick up the sent.

Jordan: start at the door

nick; Got it.

-nick and aaron begin sniffing-

Nick: She's still in town. I can smell vampire that's for certain.
Probably one of the vamp hangouts in town.

Aaron: yeah but i don't understand how she could get mixed up
with them

Jordan: well she basically was a hooker from junior year till i
found her. baout two years of fucking marreid and single men.

Aaron: and us. but don't care now i;m over that

Nick: Yeah. But dan was she good in bed.

Nick; Anyways we should start our search there.

Aaron: lets go. jordan come with us your a vampire too

Jordan: and lance. blue moon.....

Lance: Should i come?

Jordan: yes you guys stay here

nick; Yeah we're gonna need all the back up we can get. lets go.

-all four of them go-

Jordan: this it?

nick; Yeah. Really sleazy joint. It's where the punk vamps hang out. It's also a bondage joint.

Jordan: do you have to go in vamp or can you be human

Nick: Human form is acceptable.

-jordan takes off her jacket taking off ehr shirt-

Jordan; mkay -she is in a tank top and jeans-

Jordan: lets go in don't want to look all preppy-

Nick; lets go in. don't worry you look fine. just don't give away

that you haven't been a vamp that long.

Aaron: goody

-they head inside and its does reak-

Jordan: so where do we start first?

Nick: Ugh. Lets start at the bar. I know the guy who runs the place.

-they go up to the bar-

Nick; Hey AJ. Long time no see man.

-they head up to the bar. some punk doo eyes jordan as she takes out ehr ponytail-

AJ: hey man. what are two guys like you doing in a place like this?

Aaron: did some guys come in with a girl?

AJ; We're looking for someone actually. A girl. About nineteen.

AJ: yeah few guys came in. the girl didn't look good but she hide it

Aaron: what way they go?

Nick: New blood doll maybe?

AJ: headed up to the third floor

Nick; Thanks dude.

Jordan: can we get up there?

AJ: well most people who go up there feed so.....

Jordan: i can play your meal

Aaron: so we take up pretending to want to eat you?

Lance; Okay.

Nick; It just might work.

-aaron grabs her arm and jordan pretends to hate it-

Jordan: just do it

AJ: see yal

Nick: later! -they go up-

-they reach the floor and jordan pretends to hate this-

jordan: let me go! i don't want you freaks to touch me

Lance; It's okay girlie. We're just a little hungry is all. Don't worry we'll take care of you.

-couple of people stare-

-its all men who have girls with them-

Nick; Just a little farther. -looks up- This girls new to the boll doll idea. Don't worry we'll have her broken in soon enough.

Jordan: your all sick!

-some of the guys laugh-

Jordann whisper: no really its all men who have girls who like this shit

Jordan: god poor girls

blood doll,

Nick; -whisper- some of these girls don't have a choice. they want to be with them but this is the closest they can come to being with them so they do it. and others are under threat of death.

Jordan: i'll kick all their asses!

-more laugh and some guy coems up-

Man: mind if i break her in too?

Aaron: after us

Nick: Sorry dude. This girl is all ours for now. We'll save some for you though. -they drag Jordan to a corner-

Jordan; i see beck! right there!

-in a corner becca is hsaking watching as a few guys feed off another chick whose enjoying it-

-Becca isn't hurt yet but some of the vampire guys are looking at her hungrily-

Vamp dude: Hey Luis. Can we have a go at her? -points to Becca-

Luis: go for it i'm busy here -rubbing some girls pussy while

feeding-

Vamp Dude; Come here sweet cheeks. -grabs Becca by the arm and rips her skirt and half her shirt off moveing her hair out of the way-

Jordan: fuck it

-jordan charges out of the corner-

Jordan: hey freak!

-alot of people turn to face her-

Vamp Dude: Want some?

Jordan: drop her now

Vamp guy: she's humna!

Aaron: oh boy.....

Vamp Dude; Want a sip too? Don't worry. I'll leave some for you. Hey you can even have the first bite. -pulls Becca's head back exposeing her neck-

Jordan: i said drop her

Vamp guy: dude hse's a human!

Vamp guy: rip her pants off and feed from her -chuckle-

Vamp Dude; Dosen't look like it. Alright you can have her. I'll just strip her for you. -rips the rest of Becca's clothes of and throws her to the ground-

-jordan grabs becca wrapping a blacket she sees around her-

Jordan: come on lets get you back

-the other three come over-

Aaron: i'll carry her

Nick: Alright listen up all of you! -turns to face the vampires- I wan't you to stay as far away from her. and that goes for every girl in this town. I talked to AJ and he's shutting the feeding zone down. Let the girls go and we won't have any problems. if you have an issue with that then bring it up with him.

Jordan; you go man

-aaron holds becca to his chest-

Becca; help...-she's kinda out of it-

AJ; Sorry that happened guys.

-they reach becca' place-

Jordan: they nearly raped her and feed off of her, but i wouldn't let them touch her

Aaron: here Jc

Jc: god becca.....

Justin; Jc was freaking out the entire time.

-he takes her holding her to his chest-

Becca; Jc...I'm so sorry.

Jc: it gonna be okay becca

Jordan: that place did reek

-jc takes becca into the bathroom starting a bath-

Becca: I recognised the guy who grabbed me. That Luis guy....

Jc: its going to be okay, he won't hurt you baby

-the blanket is still around becca-

-jc shuts off the water and looks at becca-

Jc: do you need me to help or are you okay?

Becca; I'll be alright. -tries to stand up but is still wobbly and falls back down-

Chris; Hey Aaron. you know more about that Luis guy? Sounds lie Becca was involved with him for a time.

Jc: here becca

Aaron: yeah he's an ass. lives down the hill

Jordan: oh yeah she says there was a dumbass when we first drove up here

-jc helps becca to her feet-

Nick: He's filthy rich. But he hangs with jerks like himself.

-he lets the blanket fall and tries to only look at becca's face putting her in the water-

jc: i won't look down.

Becca: You're allowed to you know. I can trust you. But i know you'll give in to temptation eventually.

Jc: here let me get you a sponge

-he puts soap on one handing it to becca-

Becca: Thanks.

-she scrubs herself down-

-jc sits there his back turned-

Chris: Well even so I think Jc should stay with Becca for a while till the dust has settled a bit.

Jc: how far did they get with you?

Becca: They never got around to fucking me. But they did do some stuff to me with thier hands nad they tried to feed off me. They got me naked but jordan stopped them before they could go farther.

Jordan: yeah. i've got to head back i need a shower myself. bass you coming?

-jc tried ahrd to not look down-

Becca: I don't want to be alone. -hugs him while sitll in the tub.
her body is half out and her breasts are pressed against him-

-jc rubs her back-

Jc: okay -he reaches and pulls the plug int eh tuba nd helps her
to ehr feet-

-he gets her out and grabs a towel-

Becca: I know i'm being clingy but I'm just so scared it'll happen
again.

-he slowly goes down drying her entire body off kissing a spot
here and there, but nothing more-

Jc: i knwo its okay -he puts the towel around her-

-She heads into her room and changes into her pajamas before

Jordan: lance that is chris's soap!

Lance; It's clean. I washed it off. Scared he's had to pick it up occasionally?

-jordan chuckles putting a sponge with soap and washing her body-

Jordan: bleck it stunk in there

Lance; Nick did say it was a bondage house. AJ seems like a nice guy but it amazes me how he can run a place like taht.

Jordan: he's gonna shut it down. get my back for me? -offers the sponge and turns around-

-Lance nods and washes her off being careful not to look too hard-

-jordan chuckles-

Jordan: dork

lance; hey I'm not going to look unless you want me too.

Jordan: we're dating aren't we? you have that privilage to look and touch all you want. i don't care, as long as i can still work and keep my dignity

Lance: okay. -continues washing her looking all he likes but at the same time doing a good job of hideing his hard on-

Jordan: i know your hard bass -she turns around when he is on his knees, he looks up and her legs are spread a bit. he stares-

Lance; neeeeeeehhhhhhhhhhhhhh

Jordan: you don't have to hide it

-she nudges his balls with her toes-

-Lance gives up hiding it it's there alright-

-Jordan takes the shower head down and washes off all the soap.
Lance still stares between her legs-

Lance; Can I shower too?

Jordan: seriously Lance why do you wait till I tell you? you can touch me whenever you want. and yes

Lance: Yay! -gets in clothes still on wrapping his arms around her and kissing her-

Jordan: besides I want you to be more rough and stuff with me, and I like it when the man takes control. it's kinky

-upon hearing that Lance pushes Jordan up against the wall and kisses her harder throwing his soaking clothes to the floor-

Jordan: fuck -she kisses him back hard-

Lance; I don't have any condoms with me but your mating season isn't for another couple of weeks.

-they are like that for hours on end until jordan falls asleep and lance nearly blacks out from the head rush-

-it is like that every day for the rest of the month. lance actually gets tired of sex for once and feels his body and stopped producing sperm-

-the next month arrives and Becca goes back to work. She's still paranoid and any and all hours out of work she spends locked up in her apartment.-

Jc: I'm starting to get worried about her.

Chris; Then go and talk to her man. She's going through a rough time so she needs support.

Jordan; I'm gonna go talk to her later but seriously you should go to her first. And I don't want her twentieth to be miserable.

Lance: Tomorrow's her birthday?

Jordan; Yeah. November 2nd.

Joey; Cool! Cake!

jc: I'm gonna see her after today's session in the studio with Johnny.

-Becca and Jc are already makeing out when they pull out-

-a few hours intot eh ride they stop to get some furit and drinsk and crap. there is a cooler in the back of the van to store it all-

-they eat some of it beforeheading out-

-and jordan gets alot of monsters because she knows she need to be awake while driving everywhere-

-and they stop at starbucks alot too-

Lance: No caffine for Chris.

Jordan: or beck

-becca and jc end up splitting a drink and a creamcheese chocolate muffin-

Becca; I'm not as crazy as I was as a kid Jordan.

Jordan; you don't show it.

Jc: And I gave her half of the drink. And it's a double shot.

Joey: You've doomed us all.

-jordan puts in a CD. shattered glass by britney plays and jordan can't resist singing-

Jordan: 'was it really worth it? was she everything you were looking for?"

Becca: I wonder if i should sell her that song we wrote.

Jordan: write it for her. she comes to the place and records. saw her ONCE!

Chris: Oh yeah.

Jordan: get paid a lot for her writing our song

Jc: that one time.

-lance really likes jordan's voice-

Lance: How come you haven't come out with an album Jordan?

Jc: dang jordan you in chior as a kid?

Jordan: i avoided chior as a plauge. my mormon chruch was actaully the ones making me sing in chruch and i just naturally can sing. i played the bass clarinet all four years

Jc: MORMON?!

Becca: didn't she tell you?

Jordan: i am a memeber of the chruch of jesus chris of latter day staints.....

-she props her head up on ehr elbow on the windowsill-

-lance shrugs-

Chris: Alright.

Justin:W ati are mormons those stirck abistinet and marrige snad tample crap?

Jordan: my views began to change when i hit around 13

Jordan: the people in my ward became huge jack asses to my family and i just..... my father doesn't..... -jordan stutters a bit near the end like she wants to cry-

Joey: It's okay Jordan.

-Jordan stops talking and goes back to singing, her eyes misty-

-Lance rubs her back-

-Becca questions what happened after she left Chehalis-

-Curious comes on-

Inner Becca: I knew there was some tension going on in her family but I didn't know it was this serious.

Becca: yeah I need to start selling my work. I have some stuff lady Gaga could use.

Jordan: I have some of her stuff on my iPod. here

-they stop at a stop light and she looks through-

-poker faces comes on-

Becca: This describes my hooker days so well.

Jordan: I write stuff for a lot of artists.

Jordan: my job to. i could do an album but it really doesn't seem like me. i'm more of a novel writer. just like my dad, who relased a book a few eyars back. nomad.....

Justin; can we some of your guy's writeing? -looks at Jordan and becca-

Jordan: here. i had me and becca sing a song a record one night at the studio. i made you did i beck? -she msiles and goes through her ipod-

Chris: is it that one that you guys wrote that has the innuendo in it?

Jordan: if u seek amy? no different one

Becca: remeber that time I started singing about microwaves over the phone and how much I hate them?

Jordan: eys -she grons it and the song comes out. tis becca singing-

Lance: You guys sound nice.

Jordan: becca wrote it and i'm on the piano

Jordan; you'll hear me..... i think

-the chorus is when she comes out, then she sings the second chorus-

Jordan: beck's playing the string in the back

Justin: wow...

Chris: this is good.

Becca: I wrote it about a week before I ran away.

Jordan: god, i keep playing that ya know? i couldn't stop and at the school talent show beck ya know?

Jordna: i played it at that saying it was you who wrote it. and they all loved it but they didn't clap.

Becca: really?

Jordan: put i silence over everyone.

Lance; Sounds like everyone really missed you.

Jordan: yeah but they were basterds about it. god at my freakin church some bitch started to dis you and crap and you know what i did? i beat the living snot out of ehr int eh middle of

young womans and sunday

on sunday

Becca; Lemme guess. That Hannah bitch? Never did like her.

Jordan: actually it was her a tia, the bishops daughter. damn
was he mad

Becca; They had it coming.

Chris: Sound like it.

Justin: Good for you Jordan.

Jordan: god that was when all hell broke loose in my life

Jc: what do you mean?

Jordan: its hard to explain. you have to understand how my
church works

-she pauses the music-

Jordan: in my church basically woman were to love hchildren
stay at home get an education but become stay at home moms. i
hated the complete idea. when i was 14 i made it that i would go

to college and actually for a while i wanted to become a psychiatrist. after i got a good job probably around 30 i would be ready to marry. told the bishop this -c-

Jordan; everyone just knew i was different. my mom being inactive my sister basically left the church and my dad was getting ema dn my little sister to church allt he time. once becca left i felt like i lost my only support. i began to date my friend i took on this guy look and whenever people began to piss me off about things in my life i would yell at them and probably injur them. -c-

Becca: I'm so sorry Jordan. If i had known....

Jordan: after beating up the bishops daughter thats hwen everyone began to ahte me and just treat me wrong. news was spreadng like wild fire throuhg the whole stake even! i couldn't go to church any more, i just felt like a totaly out cast. my dad still pushed me to go, saying once you graguate and elave this house then you can choose not to go or stay. -c-

Jordan: my dad thoguht it would convince me of something but it didn't prom came, took my boyfriend to it, after party thing i went to i had a few beers then fucked my brians out with him. parents found out, dad grounded me for doing such things and i never really spoke to my boyfriend ever again. once graguation came i was going to go to the after party for that. but my parnets

were against it.-c

Jordan: still went. came back, my entire southern family at home and i hung out with them the next day. my aunt on my mom's side helped me get my motorcycle license then gave me her old bike. i had like over a thousand dollars saved up in the bank on my debit card. i saved it up and in mid june the next year... i got into a major fight with my father. -c-

Jordan: i can barely remember what it was about, but i know he and my mom said they never wanted to see me again and kicked me out of the house then and there. poor Amanda was crying telling me not to go as i packed up my important things. i told her to be herself and i'd email her as much as i could, then i left the damn place on my bike. -c-

Jordan: i went to central first to say good bye to my nearly dying grandparents who actually gave my money for gas and had me stay the night there, then i left the damn city for good stopping in vancouver to say good bye to my aunt and uncle. off to orgeon, then got to LA which i got a scholarship from a few months earlier. -c-

Lance; Wow...

Jordan: found chris's ad when i got to LA, through town saw the job offer at the radio station and instantly got it, since i had been

writing music and stories alot since beck left. got the palce with chris who said the bunk bed was free of charge. can't thank you enoguh for that. the rest is history. been writing my siter, grandparents, aunt and uncle to tell them how i am doing.

Jordan: my oprah story

-jordan tursnt eh musci back on-

Chris; You're welcome Jordan. And we're glad you're with us.

Becca; I

Jordan: my parents thoguht chehalis was a blessing, ti was.....
for a few years

Becca: Remeber in freshamn year when you and i were haveing that fight with one of our other friends How you said that god had a plan for us all and I didn't belive you?

Jordan: LA is my blassing and i know god's watching over me

Jordan: eyah i do

Becca; I think I'm starting to belive you. Maybe some higher power wated all this to happen. I mean it's sucky big time but if I hadn't run away we'd still be stuck there. and If you hadn't

rebelled I'd still be screwing millionaires for money and after that incident with Luis i'd probably be dead. And we wouldn't all be on this road trip together. -c-

Becca; Life is strange. we rode the train through some of the usual stops but we also all took some different roads.

Jordan: most would think i'm nuts that he would want me to leave his true church but i've seen it happen, and the true teachings being corrupted over time. even everyone was just twisting it into something i just felt like crying to how sad it is. i'm glad i'm in LA, but i wish my parents didn't hate me. aw well, still talk with my sisters and some family

Becca; I think that's what i need to do next. Contact my family. Let them know I'm alive.

-just dance by lady gaga begins to play-

Jordan: mine know i'm okay. if i know Amanda she is telling them about me everytime i email them

Becca; I talked with grandpa before I ran. I hope he and grandma are doing okay. Dad said moving them was out of the question once so I guess they've passed on.

Justin; Isn't the lodge nearby where you guys used to live

though? Maybe you can dig up some info?

Jordan: not at all too far. you know like one person i really actually talk to who is strong int eh chruch still is shirly stepp. was the only person who never hurt me. helped me alot

Joey; so are we driveing through the night? cause we're getting low on gas.

Jordan: took me there with the oldest of the bishops family. she was cool for a while.

Jordan: i'll get gas soon. most likely i'll drive through the ngiht. hit s place tomorrow night

Jordna: i ahve it all mapped out so don't worry!

Lance; Okay.

-becca snuggles with Jc and Chris and joey end up makeing out for a while. Justin stares out the window. They continue driveing through the night-

-int eh morning jordan is falling asleep but she tries tos tay awake. no caffine is working either=

Jordan: uhg,

Jordan: what will they do?

Lance: I guess Becca's whole family is here for a family reunion of sorts. They ran into yours and well i guess they're friends now. I think it's been long enough that they'll want you back.

J-Mom; Her mother mentioned her but her mother hasn't been well since she left. After you ran away she and I started talking more often and well...

Jordan: she basically was in a really bad spot in LA so i smoothed everything out. i got her to start work on getting her GED

Amanda: becc and jordan have the hotty boyfriends. why can i ahve a cute boy myself?

J-Mom: Cause you're not old enough. Don't worry you'll find someone.

Jordan: when she does he'll become ehr slave on god's green earth

-three year old John is beign stubborn with eating-

Becca; good girl Amanda.

Jordan: be scared lance. southern girls were raised to have control over the men. my mom only had girls so.....

-14 year old reid is talking to some of the other adults, 12 year old matt is chatting away, 15 year old nate is quietly eating, 21 year old theo is talking about stuff with Justin and 24 year old natile is hitting on Joey without much success. 15 year old alison is asleep-

Amanda: heheheh your so funny matt

Becca; Oh man. Welcome to the wolch side of the family jordan.

Becca; Careful Amanda. He's a talker.

Jordan: so is she!

Becca; They work perfectly for each other then.

Becca; Matthew and Theo are a couple of the only talkative men in my family.

Theo: And damn proud of it.

Jordan: me is very talkative person in my family. Amanda can't stand up to me!

-7 year old sam is chatting away with Chris-

-Amanda is talking with matt and Tina is talking with chris, sadly seeing Chris is completely gay-

Becca: Odd place for a family reunion but I guess it's as good as ever.

-the week goes really well for all of them. finally though thursday comes and they have to leave. Becca nad Jordan say good bye to thier families and they pack up and head for home-

Chris: I love happy endings.

joey: thier families seemed really nice. Wanna start our own?

Chris: whoa what?!

Joey: You heard me right.

Chris; Okay.

Justin: great. Now they'll be makeing out all day.

Lance: oh can it Juju.

Lance; We still can't tell them about us being vampires though.

Jordan: you want tos tart a family you two? seriusuly? that was a quick decision

Chris: Why not? We've been going out this long I think it' obvious it's going to be permanant.

Jordan: okay. so you guys gonna adpot, do suroget, knock someone upa nd have them give their kid to you?

Joey; Dunno. Maybe one of each.

Jordan: oh crap more joey's and chris's

Becca; I'd like that. More crazy people.

joey; Wanna be our surrogate?

Becca; Thanks but no thanks.

Justin; Someone save me!

Jordan: i'll be your surrogate you guys

Joey: Okay.

Chris: Will our kid be a vampire/

Jc: oh boy

Jordan: 50 50 chance

joey; Lets do it.

Chris; Okay.

Jordan: if i'm the mother though.

Jordan: am i gonna be mommy or you gonna get someone else
i'll be an oven for 9 monthes

Joey; Of course we'd want you involved in the kids life.

Chris; Why would we not?

Jordan: so who am i sleeping with?

Chris: Joey and I can donate both our stuff. We can do artificial insemination for a couple of eggs and see which one sticks.

-Lance wasn't comfortable with idea of Jordan having kids with them-

Lance: I don't know Jordan...

Jordan: its cheaper to fuck me then i'll give you the kid i pop out

Lance; Don;t i get a say in this. i mean it's great you and Joe want kids. And Jordan it's nice of you to offer but i don't know if I like the idea of you haveing htier kids. It's nothing personal but still...

Jordan: Lance its my choice. i have no feelings for them. joey is my friend and i want to help them start a family with as little to no money as possible

Lance; it's your body. You do what you want with it. I'm uncomfortable with the idea but I guess it can't be all bad.

Jordan; so who am i fucking? joey or chris

Joey; I'm bi so I migh actually enjoy that. I think it would be safer for chiris to do the deed.

Jordan: yay chris and i will have a kid together! just tot ell you, if the kid becomes a vampire the pregnancy will be 4 months. if not it will be normal 9 month thing

Chris: Alright. As soon as we get back then.

-jordan smiles-

-they get back late afternoon on sunday-

Lance; Well since you and wanna be a daddy have some stuff to do I'll leave you guys alone for a bit. -they're at Jordan's place. The others all went home-

Jordan: mkay -lance wasn't happy and he left-

Jordan: i'm gonna talk to lance later

Chris; I don't think I should do this if Lance dosen't want you too.

Jordan: he does, he just needs some convincing. i'll talk to him tomorrow at school okay chris?

Chris; Okay. Now just let me jer off so I can get my little swimmers out and into you.

Chris; Wouldn't we have to wait till october thosugh due to the whole Vapire mateing thing?

Jordan: wait... well i know i'm still having periods. maybe because of the fact i was bitten and not born a vampire. i'd need to read the book again. come on lets try this and see what happenes

chris: Okay. I alredy called the right people and evrythings arranged. now all thats left to do is for me to get this show on the road. now excuse me fora moment while I go get my dna out.-grabs a glass, a turkey baster, and some gay porn and goes into the bathroom-

-jordan waits then he comes back out-

Jordan: ahve fun?

Chris: damn those cocks are big. Anyways here's my tadpole army ready for action. now if you could just spread you legs a bit I can get the baby gravy in you asap.

Jordan: okay. -she takes off her jeans and underwear lying on the couch her legs spread- yeash do you talk like this with joey?

Chris: Yup.

Jordan: mokay then

-Chris takes the turkey baster and inserts the baby gravy-

-jordan maons a little-

Chris: Now we just need to wait and see what happens-

Jordan: now that was interesting. we throw the baster away
right? after know what was in it and where it was.....

-jordan pulls her pants and underwear back up from her ankles-

-Chris wipes it off and throws it away-

Jordan: thank you -she goes to ehr room pretty wiped fromt he
trip-

Sperm: GO GO GO!

-the next day at school-

Lance: So you went through with it?

Lance: So you went through with it?

-the next morning jordan is hurling and doesn't feel good to go to school-

-Lance comes over to visit-

Chris's sperm: MISSION SUCESSFUL!

-jordan is on the couch-

Lance: So you're haveing his kid. Congrats.

Jordan: come here Lance. -motions him to come over. she is lying down on the couch-

-Lance comes over-

Lance; What is it?

Jordan: i want chris and joey to start a family. i grew up in a family where you do things as cheep as possible. yes, i'm going to be its mom, but i'm going to be more like baby sitter and aunty figure to it. its gonna be ruff but i love you and yeah someday it will know i'm mommy, but if it sa chick i'll help it through purberty and if it also a vampire i'll help it out with that stuff.

-jordan pets lance face-

Jordan: you gonna help me through this?

Jordan: i know i'll have joey and chris to help me as well

Lance: I'm still not really that comfortable with it. But the deed is done and I guess I need to be supportive. Besides if it has your genetics it should be pretty darn cute.

Jordan: thanks -she smiles and kisses lance- you gonna be an uncle ya know

Lance; Hard to believe. I should probably get used to the idea of kids. i mean Joey and Chris will probably adopt too and with Becca and jc? Oh man.

Jordan: its gonna be hard for both of us. but know i love you and my eggs belong to you and not chris and joey

Lance; No. They're yours. i only have control of my little swimmers.

-jordan hugs lance-

Jordan: gonna hurl -she runs to the bathroom-

Jordan: damn you child!

Lance; that kids gonna be a handful.

Jordan: its chris's kid too. damn, i'm gonna call you parasite from now -hurl-

-Lance goes to the fridge and eats a blood pack-

-Lance can't help but grin-

-about a week later jordan looks like she is way more then one week along. she is starting to show and she shouldn't be!-

Chris; The kids gonna be a vampire.

Jordan: i think its a vampire. its going alot faster and in the book it does say after a week you'll show if its a vampire baby

Becca: How're you gonna deal with the stretch marks?

Jordan; oh yeah, and witht he bitten thing the one month a year cycle only for femlas born a vampire. i still experiecne and hornyness but i just have my weekly things

Jordan: once a month thing. and i don't know i'm gonna get fat!

Becca; I'll get you some of that bio oil stuff after you've had the kid.

Chris; I'm gonna be a daddy!

Joey: Me too! Hello in there!

Jordan: i'll probably lose all the weight instantly. and the fact that i'm mother my boobs are gonna grow a size for nursing!

-jordan grins at joey and chris-

Lance; Really? -perks up-

-jordan chucukles-

Jordan: yes lance i will be d's instead of c's

Becca; That kid is going to be spoiled rotten.

Lance: Oh yeah! -pumps his fists in the air-

-month later near the end of the year, jordan heads in to a 'speical' hospital for people like her and werewolves-

Jc: wow christmas is almost here

Chris; And this is the perfect gift!

Joey; The kids almost here!

Jc: your getting the kid in februaray

Becca: Chill guys.

Jordan: i'm the one whose having them! but i'm happy. two little

Jordan: get. these. damn. things. out. of. me. NOW!

Doc: it's alright. We're haveing a c-section so they should be out

Jordan: GET. THEM. OUT!

Doc: Relax! -they wheel her into the operateing room. Chris,
Joey and Lance scrub in so they can be there.-

Doc: Okay we're makeing the first incison.

Jordan: GET THEM OUT OF ME!

-jc curls into a ball in the waiting room-

Jc: she is scary

Doc; Alright. Baby number one is out! -takes out one baby who is screaming his head off-

Chris; So beautiful...

Jordan: yeah he is chris

Jordan: now get HER out

Doc: And now baby number two! -pulls out girl who is also screaming-

Jordan: oh my god she is so cute covering in my gut juice!

-jordan is sarcastic-

-Joey and Chris go over and cut the cords before letting the doctors clean off the kids and wrapping them up. Joey is holding one and Chris is holding the other.-

Chris: Want to hold them Jordan?

-she is now back in her room. she healed up fast from the operation so,.....-

Jordan: yes please

-they have a feast-

Babies: nom nom nom nom nom nom nom nom

Jordan: now i will have three babies feeding off me!

Lance: Huh?

Jordan: oh don't act like you haven't done anything to them bass

Jordan: so since chris moved in with joey and lance moved in with me, you have the place set up for them in lance's old room?

Joey: yeah.

Jordan: i'll buy a breast pump

Chris; We'll be giving them formula mostly.

Jordan: still there is sjsut some things ina waomsn breast milk, a nd in the book because they are vampires as well they need mother's milk from mother vampire. i'll daily bring them to your door

Joey; Milk lady! Like back in the fifties.

Jordan: yep -grin. the kids finish- okay back to daddies so they can burp you

-Chris and Joey take back the kids-

-jordan lies down tired-

Jordan: glad i'm not fat any more and my body is back to original futions

Lance: Yay!

-Joey and Chris eventually adpoted a thid child. A daughter named Brihana. They named Jordan and Lance the godparents. This made Lance very happy. Justin did turn out to be bi and hooked up with Britney, spears that is. Becca and Jc got married a year later after Becca got her Ged. They had two kids. Jc became uber famous and Becca and Jordan did too. but they still stayed down to earth. Everyone was happy. Except for the sperm who didn't get to the eggs in time. They were sad. They died. Jordan and Lance had a kid. they were happy-

EL FIN!

THE END!
