

-we start out at the first dance session when Wade introduces Levi as their new producer-

Lance; Well fan-fucking-tastic. Some newbie who's got absolutely no experience is going to be teaching us when we have a tour in less than six months.

Wade: Stop complaining Bass.

Jc: i can't wait to be working with a new writer! he can bring some really cool music to us for our album after no strings attached

Becca: Well welcome to the madness Levi. Don't run screaming.

Chris: i love you Becca just don't scare him -he kisses her neck patting her ass-

Justin: seriously Lance get into the groove. You are the one who is always open to finding new talents right?

Lance; yeah but we're under a lot of pressure to do well since we're out of Lou's clutches and everyone wants to know how we're gonna do.

Chris: is this guy any good Wade?

Wade: If he weren't would i have hired him?

Joey: Touche.

Justin: Bass-man just breath. he will be fine, our album has made plenty of world records and we are getting awards. dancing just adds to all the fun -he shakes his ass watching it in the mirror. jc chuckles and does the same thing-

-they all end up breaking out in dancing, except Lance, shaking there asses everywhere-

Jc: oh yeah

Justin: look at those Chasesz hips go!

Becca; Shake it baby.

Joey; Joey got back!

-Wade turns on the music and they dance around shaking there butts in the mirror. Chris sticks it way out there waving it back and forth-

Chris: uh huh uh huh

Becca; Damn Chris. And I thought you were good in bed.

Wade: Too much information.

-Levi walks into the room holding a bag over his shoulder. he watches as four guys shake their butts in the mirror, another is laughing, one of them is grumbling and saying something about wanting to be professional, and a girl who is staring at one guys butt intently-

Levi: um.....

Wade: Oh and speak of the devil. Hey Levi.

Levi: hi, this is the right room?

Wade: yeah.

Chris: the one and only NSYNC -he is still shaking his ass-

Becca; chris baby stop scaring the new boy. Save that for the bedroom.

Levi: i heard of you guys breaking some world record for your no strings attached album. but isn't bye bye bye a little cheesy and cliché for a boy band?

Lance; It's catchy and good so stop complaining and do your job.

Joey; Lance cool it and be nice to him.

Jc; you have to understand that we just got away from Lou Pearlman

Becca; Good riddance.

Levi: saw that on the news

-Levi puts his bag down taking off his jacket. he has a cross tattoo on his shoulder and Justin stares. Levi is in a wife beater and in those running pants that unbutton all the way down the side. He has black spiky hair with blond high lights in it with freckles on his face -

Justin: me likey

Lance; Justin keep it in your pants. We've got a tour coming up.

Wade: Alright. That's enough. You guys all know the routine. Now get to work.

Levi: wade i've been studying the dance moves you have all set up for them. i have them down, now what do you want me to do?

Wade: Just yell at 'em when they mess up and show them how to

do it.

Levi: mkay man. i got this down

Justin: yay more of yelling and frustration!

Wade: And Chris keep you're focus on your dancing and not on the girl. Becca you know what to do if he starts staring.

Becca; Yup.

-Levi is lost a bit there but doesn't worry about it-

Wade; And from the top. three two one GO!

-Levi mainly stands off to the side watching-

-they screw up plenty but he doesn't want them to hate him so he doesn't say anything-

Wade: Lance I want you staying after. You're not getting this down. Levi don't be afraid to go hard on them.

Joey: Yeah we want to do good on this.

Levi: alright its just going to take a while to get use to this. i've never done this before

Becca; You'll get used to it.

-Lance grumbles-

-They start up again and Lance screws up-

Levi: okay i see what it is

-he pauses the music walking over to Lance-

Levi: see you're doing this -shows him what he is doing- but its
this -shows him the right way- see you think you start out like
this but then it makes you screw up. ya think ya got it? just
make sure to go right not left

Lance; ugh. yeah. right.

Wade: Lance. Levi's right.

-Justin pats Lance's shoulder-

-Levi smiles and goes back to the CD player-

Levi: alright from the top -plays the music-

Joey: one two three four

Wade; Doing good guys keep it up. Chris watch where you're stepping!

Chris: sorry! -he stumbles and groans- shit

Levi: here

-he walks over and stands next to Chris-

Becca; You hate to see me go but love to watch me leave. -Goes-

Wade: Sorry Becca. Later.

Chris: ugh

Becca; It's okay. i'll see you tonight babe.

Levi: here Chris i can see your stumbling right here -does the dance- if you just put your foot like this and your arm like this you won't tumble down like that

Chris: bye baby. now i get it! -he does it a few times with Levi then Levi goes back to Wade- thanks man. okay i won't screw up this time

Levi; am i doing okay Wade?

Wade: You're doing good rookie.

Levi: so we are just working on bye bye bye until they get it down then we are going to work on..... space cowboy is it?

-Lance is already annoyed-

Wade: Yup. We'll be reviewing periodically though so that they don't forget.

Levi: mkay. -he starts the music and joey counts off-

-the rest of the day is basically like that. it seems Lance just gets more and more frustrated by the minute-

-Levi keeps watching him so he can help him out afterwards-

Inner Lance; I'm gonna kill Wade for hiring this guy.

Justin: lance you always get it your gonna get it

Lance; I hope you're right.

Jc: yeah man just go all loose -Jc hangs out his arms swinging his waist around. Levi chuckles and Chris grabs Jc's hips shaking them all over and Jc laughs falling to the ground-

Justin: freaks. I DON'T WORK WITH THEM!

Joey; Careful Chris. You'll make Becca jealous. Remember how she flipped out at that fan girl? Course that was during the early years. And yes you do work with us! -shakes his huge butt-

-Justin groans and shakes his butt too and Wade laughs covering his face-

-Levi watches in amusement-

Wade; See Levi our days usually consist of goofing off. Don't ask me how we get anything done.

Levi: i'm the king of goofing off but i'm trying to stay professional

Wade: Good luck with that here.

-they work hard all day then it ends. Becca arrives-

Joey; Someone went shopping.

Chris: my baby i missed you so much -falls to his knees kissing her bare legs moving upwards-

Becca; no frosting for you Joe. Only Chris gets to lick it off my thighs. I missed you to Chris. -pets his head-

Justin: we got the first part down that's for sure. because we kept starting over we got it down in a snap. even Lance here has it!

Wade: I still want you to stay late Lance.

Levi: i'll be working with you

Lance; great.....That's just great.

-Levi goes to the CD player making sure its on bye bye bye cause near the end they just started playing random songs and doing dirty dancing-

-Chris gets to Becca's thighs and she pulls his head away from them-

Chris: uhg -he stands up kissing her- but did you have fun?

Becca; Not in front of the baby Chris. Sorry you had to see that juju. And yes I did have fun. Don't worry you're not broke yet. Besides you'll love seeing my purchases.

Levi: wait why are you sorry Justin saw it?

Justin: because i'm gay

Justin: Britney knows and she's a big sport. she's helping me out so no one finds out

Becca; I just don't want to scar his sweet little eyes. Back when he was a virgin he used to scream whenever we were in the same room.

Joey; Don't want to scar his eyes? You've already done that to the rest of us.

Jc: yeah!

Wade; Please don't remind us.

-Levi nods and stands up-

Levi: i'm gay too, though your not my type Justin

Justin: poop. ah well just going to have to get you drunk -he says as he walks from the room-

Chris: lets go -he pulls Becca from the room

Joey; USE PROTECTION!

Jc: later Bass go easy on Levi -leaves too, chuckling at joey-

Levi: mkay then. see ya Wade

Joey: You two have fun.

Wade: later guys. Go easy on each other you two.

-Levi cocks his head to the side at that comment but goes over to Lance-

Levi: okay so first you had problems with that part in the chorus

-Levi skips forward in the CD reaching the chorus-

Lance; That was fine. Wade never said anything to me so I must have done fine.

Levi: um... you did this -Levi does it- while everyone else was doing this -does it- and i know you don't have a different part there

Lance: Ugh. Fine. -does what he's supposed to- Happy now?

Levi: do it again only to the music -he plays it starting it from the beginning- i want to see where else your having problems

-Lance does as instructed-

-Levi stops it-

Levi: okay before we even got there i saw this -does it- and its this -does it- see if you just put your leg out a bit more you won't fumble

Lance; grr.

Levi: Joey says you guys want to do good and i'm making sure of that. i'm only doing my job here

Lance; Yes. -he's still annoyed-

Levi: get your head out of your ass man and let me help you! -he plays the music dancing along next to Lance. when he screws up again Levi gets behind him and guilds him through. that really pisses lance off-

Lance; What do you know about dancing and choreography? You're fresh out of college and you've barely got your first job.

Levi: i was in theater and did a lot of parties. i've been able to catch onto dancing quickly and able to make up stuff of my own. they wanted me to work with you guys for a reason

Lance; Why pray tell.

Levi: just... i don't know I'm just doing my job. now doing it from the top i know you can get it

-plays the cd-

Inner Lance; Ugh. This guy is gonna pay!

-Lance dances-

Levi: -mumbles to himself- uhg and your the one i've always hated

Lance: come again?

Levi: oh nothing keep dancing -Levi leans against the wall-

-Lance stands-

Lance: No tell me.

Levi: i didn't say anything now keep dancing

Lance: Tell me.

Levi: no

Lance; Tell me kid,

Levi: i'm not a kid i just turned 22

Lance: Like I care now what did you say?

Levi: fine. You're the guy i am most annoyed with in this band

Lance; Why am I not surprised? You seem find fault with all i do and not the other guys

Levi: no actually you just really suck at dancing, and i found fault with the other guys too but they seemed to fix the problem

Lance: Lets see you do better then

Levi: i can do better! i've learned all the dances that Wade has shown me so far

Lance: Yeah right. I bet Chris can do better than you. And he's the worst out of the whole group.

Levi: i'll prove it too you -Levi turns on the music and dances the whole song then stares at Lance- you. can't. dance. and Chris is better then you. he didn't have to stay after

Lance; He would've left anyways for obvious reasons.

Levi: he seems more dedicated to this group then anyone else

Lance: So you're saying I'm not putting my whole life into this?

Levi: yeah i think that's what i'm saying -Levi goes back to the Cd player stopping it from playing its gonna be me-

Lance: You know nothing about me so why don't you shut up and suck up to the others.

Levi: i'm not sucking up i'm just trying to make some money here! if i wanted to suck up i'd date Justin

Lance: Contrary to what he said earlier you're not his type.

Levi: well he obviously likes my tattoo enough. now will you just stop trying to get me fired and dance?!

Lance: Forget it. I'm out of here. -storms out-

-Levi groans and slides down the wall playing the nsync cd fully before leaving-

-the next day-

Wade: Where's Becca today Chris?

Chris: spending time with her friends

-Levi comes in and a glare contest happens between him and Lance-

Justin: uh oh

Jc: great Lance just great -hides his face with his hand-

Lance; We wouldn't be having this problem if the little pipsqueak didn't have such a huge ego.

Levi: i don't have an ego i'm just trying to make a living

Wade: That's enough. Now lets get started on the dancing.

-they run through bye bye bye and Lance screws up-

Lance; Damn it!

Joey; Lance swore.

Jc: so?

Lance: Shut up.

Justin: you say worse joey

Joey: this is Lance were talking about.

Chris: quite true

Levi: see? if you didn't storm out we would have gotten that taken care of

Chris: okay, now why don't we have Wade work with Lance, and we'll go into the other room and run through bye bye bye without him.

Wade: That might be best. Okay Levi I want you to work with the others. Lance you stay here.

-Levi sighs and grabs his bag leading the others into another room-

Lance; right.

-They continue practicing until they get it right... at about ten pm-

Levi: yay now can we all run through it together? -he says it in a

little boy voice when they come back in-

Justin: heh i like this kid already

Levi: hey i'm older then you

Wade: yeah. From the top.

Lance; Ugh.

Chris: yay team work!

-they line up and run through it having it basically down-

Levi: awesome! now we move onto space cowboy tomorrow

-Lance just growls-

Joey: Got it.

Wade: Same time tomorrow guys.

Levi: hey Wade should we take space cowboy step by step tomorrow and move on when they all have it done so i don't have to do that stay after with Lance again? -he asks him when the others leave-

Wade: Yeah. It makes sense. I was hard on them with this.

Levi: like, maybe break it all up into parts and teach them that.
it would be easier.

Wade; Yeah. Okay. I'll see you tomorrow Levi.

Levi: later -they leave-

-the next day-

-Becca comes in with the rest of the guys today-

Chris: i won't stare okay? she is wearing clothes that cover her
legs and arms and stomach

Becca; Sorry hun.

Levi: okay, so Wade and i have an easier way to teach this song.
First we'll dance through it and show you what is suppose to
happen.

Joey: So it's basically like how you used to teach us.

Wade; Yeah. Sorry about the sudden change up. Thought it
might work better.

Lance; Okay let's start.

-Levi starts the song and Wade talks through it as Levi dances it-

-Lance mumbles stuff about show off and rookie-

Wade: Lance I don't want another word out of you.

-Levi hides a grin-

-the song ends and joey claps-

Joey; if I was gay.... Damn boy.

Jc: oh my it's was fabulous! will you learn this one sooner Bass?

Justin: heh-heh

Lance: Careful sleepy. Otherwise I might just have a little fun with Becca's comic book sharpies

Jc: -gulp-

Levi: all right were gonna break this down to the first part. Line up!

-they line up-

Levi: want to take this one Wade?

Wade: You need the practice kid.

Levi: goody. alright here we go. so we do this...

-they basically are like that. Levi picks on Lance cause he is the only one screwing up. Chris is too but wade helps him-

Lance; Dude. Go pick on someone else.

Levi: they all have it and Chris has Wade helping him -Chris grins beamingly when his name is said-

Lance; Yes but Chris also doesn't have some annoying chipmunk yelling at him constantly.

Levi: chipmunk? -Levi chuckles- can't think of anything better you over weight sloth

-Justin covers his chuckles-

-Jc tries hard not to grin-

Lance; Obnoxious hippo with a gland problem.

Becca; I thought that was what Chris said I would look like if pregnant?

Levi: okay seriously if you don't shut your huge mouth right now bass i'm going shove the CD player into it. maybe if i killed you and danced the moves on your grave you'd learn it better

Lance; That's it! -Starts forward-

Joey; Lance! Levi! Stop it!

Wade; Calm down!

-Levi motions him closer with his fingers-

Levi: come on lets see if you can kick my ass cause your feet are obviously retards. missing some brain cells bass?

Lance; Bring it. -swings a punch-

Chris: HEY BOTH OF YOU SHUT UP!

-Levi ducks and chuckles-

Levi: missed me -he swings his fist towards lance's gut-

Justin: hey hey hey!

-Lance kicks Levi in the reproductive system right as Levi's fist connects with his gut. Justin pulls Levi away, who is doubled over groaning. Joey pulls Lance back, who is having a hard time breathing-

Levi's Dick: MAYDAY MAYDAY! WE'RE GOING DOWN!
AAAAGGGH IMPACT! DAMAGE REPORT DAMAGE REPORT!
MAYDAY MAYDAY!

Levi: you're a fucking bastard Lance

Lance; That's more than i can say for you, you son of a bitch.

Chris: hey no no no both of you will close your mouths. you two need to seriously get along. i don't know what happened last night but we are going to deal with this now!

Jc: shit Chris's psychology class

Joey; Here we go again.

Chris: since i am the only with a college degree in psychology

Levi: hey dude what do you think i went to college for?!

Becca; Chris seriously just leave it.

Chris: wait you have your bachelors in psychology?

Wade; That's it. All of you take the day off.

Levi: i'm not stupid unlike some Mississippi boys -Levi stands up wincing and grabbing his bag-

-Lance starts for him but is held back by the others-

-Levi wants to so bad punch Lance, but Wade pushes him out the door-

Justin: is it bad this is turning me on? -Becca hits the back of his head-

Becca; Yes Justin it is!

Joey; Don't make mommy mad Justin.

-Justin grabs his bags and leaves too, followed by Jc-

Chris: Lance you better fix this with you and Levi soon

Lance; Fat chance. That dickhead has a huge superiority complex.

Chris: dude i thinks you're the one who couldn't give him a chance in the first place!

Lance; Go fuck your girlfriend. -leaves-

Chris: hey we aren't all about sex ya know!

Becca: Something is on Lance's mind. He never acts like this.

Chris: ya think? -sigh- come on lets go get some pizza i'm craving it like i'm prego

Becca: I hope not. I don't want to be a mommy just yet.

-Joey shutters and they leave-

-when they get outside they find Levi and Lance yelling things back and forth between each other-

Chris: damn it!

Becca; Let them wear each other out. They'll get tired and leave each other alone sooner or later.

-they get in their cars and drive off-

-Levi starts up his motorcycle tired of hearing lance yell-

Levi: your voice is like eagles clawing out my brains through my ears!

Lance: Your hair looks like a dog did it!

Levi: hey! a gay man takes pride in his hair! and if you want to know my cat was playing with my hair this morning and it got styled well

Lance: Your cat obviously has better taste than you.

-Levi would have rolled Lance over but instead he stands up and punches Lance straight in the face. Lance stumbles back into his car and falls to the ground-

Lance; aaaaaaagggggh!

Levi: just shut up you mother fucker! Your mom should have had an abortion when she found out your dad knocked her up with this piece of trash -he gets on his bike and rides off-

Levi: it would save us all from hearing your voice in NSYNC

-Lance stumbles into his car and drives home. He yells at his dogs and at Dirk. And then he ends up smashing the microwave-

-the next day-

-Lance comes in with a black eye-

Wade: Dear god Lance.

Joey; Dude....

-Levi comes in avoiding looking at Lance-

Becca; Are you okay?

Lance: Yeah Becca.

Justin: man what did you do?

Lance; I picked a fight.

Chris: Levi and Lance stayed after and had a little 'chat' and i think that turned into a fight

Jc: man you mean -he looks at Levi - you punched him?!

Levi: he pushed me

Wade: Still that's no reason to get physical. I don't want this

happening again. You two are going to need to get along to an extent.

inner Levi: god i'm gonna loose my job

Lance; Why didn't Wade just fire his ass?

Jc: because Levi is good and probably has a good reason why he's here now shut up and get dancing. You probably asked for it too.

Lance; grrr.

-Justin rolls his eyes-

-Becca leaves the room-

-for the day Levi is only helping Chris, ignoring Lance completely. Lance ignores him going straight to Wade-

inner Chris: good, no violence. man i wish Becca was here i want her to see how well i'm getting along on this

-Several hours later-

Wade: Okay guys. Lunch break.

Levi: man you guys made good progress so far

Wade: yeah. You did good.

Chris: half the song almost done. man this day is going to be hard

-Levi goes over grabbing his water bottle. he pulls off his shirt taking a towel and wiping himself off. he turns around-

Levi: damn you guys really can dance

Joey: Thanks.

Justin: why thank you -is staring at Levi's nice built chest-

Jc: Levi i would put your shirt back on before Justin comes over and licks it

Wade; Since when has that stopped Justin?

-Justin blushes and takes off his own shirt wiping his chest off. his attempt to flirt to Levi-

Joey: Awwwww. Young love.

-Levi shakes his head drinking his water but still looks at

Justin-

Joey; Hey...Where's Becca? She's usually outside the door at the bench.... Weird.

Chris: she isn't there?

Joey: No. I went outside and she was gone.

-Chris goes outside looking for her-

-Levi puts his shirt back on and Justin pouts. Levi shrugs-

Chris: hey Becca you in here? -taps on the bathroom door-

Wade: Don't pout Juju. You'll get to see it later.

Becca; Yeah. Sorry babe. -comes out- Listen. I need to borrow the car for a bit. I'll be back in an hour or so.

Chris: why? alright don't crash i don't want to lose my baby. i just got her

Becca; Just don't worry okay -kiss- Just for that I might just crash it -grins and leaves-

-Chris whimpers and goes back into the room where they eat

and rest. then they start dancing again-

-a few hours later-

-Levi takes off his shirt getting too hot. Justin whimpers-

Inner Lance; Well he's happy. More than i can say for some people.

Levi: alright were gonna start from the top of space cowboy and go through to the chorus. Can we do it?

Chris: hell yeah! come on i'm ready for anything

Joey: Yes we can!

Lance; meh.

-Levi leans up next to Justin's ear-

Levi: ready Timberlake?

Justin: watch and learn pretty boy

-Levi starts the music and wade laughs at him-

Levi: what?

Wade: Nothing, nothing at all.

Levi: yeah right -Levi shoves Wade and they watch the guys-

-they finish the chorus and Justin shakes his ass-

Justin: told ya so!

Chris: we do okay?

Joey; Go Justin! Go Justin!

Levi: yeah most of you did

Wade; Excellent. All of you. You can go now. Same time tomorrow.

Lance; Meh.

Levi: you fumbled over there but then made it through

-Lance sticks his tongue out. Levi glares-

-Lance leaves and when he gets to his car he realizes he left his wallet inside-

Jc: smart move bass -getting into his car-

Lance; Damn.

-Lance goes back to retrieve the wallet-

-When he opens the door he finds Justin pinning Levi to the wall kissing him hands on waist-

Inner Lance: So not only is he a cocky smartass but the new guy is also a man whore.

-He ignores them and goes to grab his wallet and leaves-

Justin: damn you can kiss

Levi: yeah i've had experience

Justin: want to head to a club?

Levi: why not

Inner Lance; I'm drinking tonight. At home. Me and a bottle of jack.

-that night Levi and Justin go out to a nice gay club and afterwards they get into a taxi and head off to Levi's apartment

where they stumble into the bed room already half naked-

-this is routine, the dancing and the side romance, for the next few weeks-

-meanwhile-

Chris: you okay Becca? -he rubs her back kissing her neck-

Becca; Yeah. Chris? I have a hypothetical question for you.

Chris: go ahead you ask me these all the time

Becca; You and I already agreed not to get married at least until we hit the ten year mark. We're on Year eight I think. We never talked about kids. If for some reason I ended up pregnant... Would you still be there? Remember this is hypothetical.

Chris: Becca of course! i love you. and if we started dating since junior year in high school, i think it has been almost ten years

Becca; Sorry I doubted you. Night baby. -Kisses him and gets under the covers-

Chris: if you are pregnant i would stay by your side and if i wasn't queasy like i am i would be there holding your hand as you shoot the kid out. only i'll be on the ground unconscious

-he gets under the sheets putting his hand on her stomach-

Becca; Good to know.

-after a few moments-

Chris: you know every time you asked me a hypothetical question it ends up being true. You're pregnant aren't you?

Becca; No.... It's to soon to tell anyways.

Chris: Becca tell me the truth. do you think you might be pregnant? -he rolls her over looking into her eyes-

Becca; Chris. Like I said. It's to soon to tell. My period isn't due for another week.

Chris: but do you think?

inner Chris: oh boy...

Becca; There's a possibility.

-microville-

Chris's Sperm: Johnson made it!

-real world-

Chris: becca just know if you are... i will be right here -he picks up her hand kissing it- but then again if i scream and pass out don't be surprised

Becca; I'll just tell the kid daddy's a wimp when it comes to seeing mommy's ya-ya stretch out farther than he can make it go.

Chris: seriously I've tried my hand and fingers and it sucks!

Chris: just the fact there is blood and..... oh boy i'm getting sick just thinking about it. -he lies on the bed- oh boy i just like the thought of it wet and..... uh, we aren't going to bed yet -he dives under the sheets spreading Becca's legs-

Becca; You're a Horney little boy. Hard to believe that you were hesitant to do it our first time.

Chris: hey i wasn't sure if you would laugh at my dick size

Becca; Honey it's only a baby dick when flaccid. when it grows you've got full nine inches. And as I recall you wanted to wait till we were older.

Chris: yes that too. my momma taught me well -he sucks her clit between his teeth-

inner chris: oh yeah wet and pink. no blood. no head coming out

Becca; Oh god yes. Don't stop.

Chris: mmmmm -he flicks his tongue back and forth over her clit pushing his fingers inside her-

-Becca gasps and grabs the sheets-

-and you know what happens now-

-one month later-

Levi: okay yal time to sing along!

Joey: Okay.

Levi: then we are gonna go in soon and record your music video so yal have to really have it down

Lance; Uh huh.

-Justin whispers something into Levi's ear. Levi smiles and Justin grins-

Joey: oooohhhh.

Chris: oh i can't wait to work with that Wade guy for bye bye bye

Joey: Yeah. This is gonna be fun.

Lance; I'm just looking forward to getting on tour.

Wade: Five more months yet guys. Five more months.

Joey; Awwwww.

Levi: we also have some other videos ideas so who knows. come on, bye bye bye from the top. sing good

-Levi plays the instrumental music. The guys get to work and do really well-

Levi: damn you guys have come a long way. two days from now you'll be heading over there. but Wade is staying put. why are you making me take charge of this?

Wade: Cause you need the experience rookie.

Levi: quit calling me that i'm older then you!

Wade: Age doesn't matter. You're still a rookie.

-Levi sticks out his tongue and Justin growls from the other side of the room-

Wade: hey no fighting here.

Justin: who said anything about fighting?

Jc: don't pry farther Wade

Wade: yeah yeah yeah. Speaking of which where's mommy?

Chris: uhg don't call her that

Joey: We've always called her that.

Lance; Whatever where is she?

Chris: still... she is in la toilet

Lance; Women.

Wade: Okay guys lets start this again. From the top.

Chris: hey don't dis her bass! -he shoves a finger into his face and Jc pulls him back-

Jc: breath man. what has gotten into you?

Chris: nothing i'm fine. just don't dis her okay call her Becca got it?!

Lance; Okay.

Joey; Right....

Levi: dude my brother-in-law did this when my sister got pregnant

-Chris gulps-

Jc: BECCA'S PREGO?!

Joey; Yeah right. Becca would have said something.

Wade: knowing her she'd probably punch Chris's lights out.

Lance: Uh huh.

-Chris gets back in the line not saying anything-

-Levi wasn't stupid. he turned the music back on and they ran it once more-

Levi: All right yal head home and rest. pack cause we are going to be in LA for this one. someone is gonna be there and videotaping it for something.

Lance; Probably one of those 'the making of insert movie here' type of things.

Joey; Yeah.

-he and Joey leave-

Wade: Later guys.

-Je grabs his stuff, heading out and talking with Wade-

Chris: bye. oh good Becca. come on lets roll out

Becca; yeah. Chris I think I'm gonna stay home tomorrow.

Chris: okay. we have two days till we have to head to LA

Becca; Alright. I think I just need a couple days anyways to lie down.

-they leave. Justin walks up behind Levi tugging at his sweats-

Levi: you are a kinky boy

Justin: yeah i know but your gorgeous and i have a hard on i can't wait to get rid of -he pulls Levi's sweats down along with his own pants-

Levi: dirty, dirty

-Justin rubs his cock and gets on his knees licking Levi's head-

Levi: mmmmmmmmm

-Justin uses his spit soaked fingers for a while in Levi's hole then his cock goes in and he fucks Levi against the wall-

-Lance comes back in to grab something else he left out in the hall, he keeps doing that, and he sees them doing it. Levi was big-

Lance; Wow....I didn't need to see that. I'll just be grabbing what I came in here for and be going now. By the way Joey having the guys over at his place for drinks tonight. He wanted to know if you guys were gonna be there.

-Justin grabs a shirt using it as a shield of their areas-

Justin: thanks bass okay now go!

-Levi is blushing horribly-

Lance: yeah. -leaves-

Levi: is it just me or did he ruin the mood?

Justin: not really, but then again he is my friend so..... do you want me to finish

Levi: fuck yes!

-and you know what happens now-

-two days later-

-they are at the shoot and once again we have a fight with Lance and Levi-

Levi: god Bass can't you dance worth anything?! you had it down but now you're screwing it all up! It's not that fucking hard!

Lance: Shut up! I'm not the perfect little dancer boy you are.

Levi: come on you can't just forget the moves like that!

Inner Joey: here we go again.

Lance; Maybe they got burned out of my memory after seeing you with my friend.

Levi: oh you just wanted to see Justin's dick up my ass didn't you? you probably got out to your car and jerked off to the sight of it -Levi takes off his jacket-

-Justin covers his face walking away with Jc hurrying behind him-

Lance; You idiot. Why would I jerk off that?

Levi: i don't know you're a sick southern boy. now get back into the rotating room and dance because it isn't that hard when it is barley moving!

-grumbling Lance gets in and does the moves-

Levi: your screwing up again. uhg -Levi climbs in doing the moves- see Lance? you can do it, you had it down. the moving room doesn't affect anything! -Levi yells it into Lance's face before he gets out of the rotating room, watching him from the ground-

-Lance does it again, this time much better-

Levi: now ya get it! Finally after how many fucking years?

Lance: Shut up.

-Levi groans yelling at Chris to get in there-

Becca; Knock 'em dead tiger.

Levi: please Chris you can do this right? i won't yell, just don't piss me off like Lance is

Chris: i know

-Chris stumbles a couple of times and Lance gets angry that Levi isn't yelling at him at all-

Director: And cut! Okay. lets do this one more time.

-Lance wants to punch Levi-

Inner Lance; Stupid cocky little bastard!

@#%#@#!!@#%!^^\$#^%!!# \$!

Levi: alright lets get all the guys in there and run it from the top

Joey: You heard the man. Lets go.

Lance: -grumble grumble-

-they all get in and they start filming.-

Director; Good job everyone keep it up!

Levi: yeah and NOW Lance doesn't screw up

-Levi rolls his eyes and Lance holds back as much as he can until they are done with the rotating room. he storms over to Levi grabbing his arm and talking right in his face-

Lance; What?!

Levi: longest delayed reaction in the world -he rips his arm back-

Lance; Seriously. What is going on!? I got everything right and yet you're still pissed

Levi: because you suck. you hate me and you don't give any respect so why should i do that back to you? you don't deserve it. You are stuck up and want the best for yourself because NSYNC is the best. you are a horrible selfish person who needs to learn that not everyone is fucking perfect

Lance: There is absolutely no pleasing you is there? I wanted to do a good job. I wanted to have someone experienced work with the group. And instead I end up working with a guy who disses me at every turn.

Levi: i didn't start dissing you until you started to act like a snob when i offered to help you get better! ya know Wade started out as a rookie and he probably got ten times more respect then your giving me

Lance; That's cause he's been leading dance stuff since he was still tied to his mommas apron strings.

Levi: you don't know anything about me do you Bass! tell me, what was my life like before college huh? tell me

Lance; How the hell should I know? I'm not interested in your past.

Levi: then where do you have room to judge me?! -Lance shuts up and everyone else who is watching stares at them- just get ready for your damn car chase -Levi walks off-

Chris: i think we continue this tomorrow Wade?

Wade; Yeah.

-Joey nudges Lance to get him moving-

-Justin runs off to get Levi-

Becca; Lets go hun.

Chris: mkay. hotel here we come in big vans

Joey: Lance you don't need to do anything about him.

-Lance cocks his head to the side to see Levi and Justin. Levi's crying-

Jc: smooth move -says as he walks past with his bag-

Lance; ugh.

Inner Lance; Everyone sides with him. Nobody ever hears me.

Jc: come on Lance they will be in the other car -Joey and Jc get him moving-

-Justin holds Levi close to him and Levi wraps his arms around his waist, resting his chin on Justin's shoulder-

-Becca and Chris are already loaded in and Becca is sleeping

next to Chris with her head on his shoulder-

Justin: its gonna be okay Levi

Levi: god i hope so -Levi snuffles and Justin rubs his back-

Justin: come on

-they walk out grabbing their bags. they get into the car and they all head to the hotel in silence-

-in one room-

Chris: Becca its gonna be oaky. just sleep

Becca; I hope you're right. It's just that with Lance and Levi feuding it's causing the whole group to schism. And on top of that the results from the doctors office came back.

Chris: were gonna have a baby huh

Becca; yeah.

-Chris wraps his arms around her pulling the blankets over them-

Chris: i love you so much. i'll always be here with you

Becca; I love you too. Let's elope. We always talked about it as kids.

Chris: mkay. i think its about time

Becca: Day after the video is done.

Chris: alright baby. go to sleep -he shuts his eyes-

Becca; Night. -Snuggles up to him and goes to sleep-

-meanwhile-

Justin: oaky Levi you and Jc switch so you can be with me. i think its best

-he stares at Lance who is already on a bed-

Lance; Okay.

Levi: Justin just go to bed i'll be fine alright?

-Justin sighs and goes to his room. he tells Jc and Jc goes to Levi-

Jc: if anything happens we will switch

-Levi nods and goes into the room. Jc goes to his-

-Levi throws his stuff against the wall sitting on the bed. Lance is watching Tv. Levi turns his head to the tv and watches too-

Levi: favorite show

Lance: Same here.

-Levi strips down to his boxers and lies down on his bed-

-They are quiet for an hour or so until the show ends. Then Lance turns the TV off and gets under the covers turning off his light. Levi does the same facing away from Lance-

Lance; I'm sorry. -He says nothing else all night-

Levi: my father abused me. my mom was an alcoholic. my sister got knocked up at 16 but was lucky that her boyfriend loved her a lot. my father tried to kill her boyfriend, but i step in and got the stab wound instead. he's in jail. my mother left me when i was 16. i had to raise myself in a trailer till i graduated high school, top of my class. only way i could make it in the world was to be really smart. got a scholarship and went to college and majored in psychology. i've always written songs and played the piano every time i got the chance. that's why i was hired by jive

because i'm very talented. i just... because of my past... you never gave me respect and i don't want to put up with it. i need this job so i can get money so i can further my education. Night Bass.

-levi falls asleep-

Lance; Night Levi. -he goes to sleep, unsure how to process all he had heard-

-the next day-

-levi didn't have a lot to do so he mainly talked with the model they were using-

-Lance did what the director told him to do. Becca stayed at the break area and Chris seemed on edge the whole time.-

-afterwards they stayed at the hotel until the next day when they would head back to orlando-

-lance watched as levi typed on his laptop-

Lance: Whatcha typeing?

Levi: my story

Lance; Cool.

Lance; How far are you into it?

Levi: ehh i'm about to when i was five years old

Lance: Cool. Well goodnight.

Levi: night -levi keeps typing for about an hour then he puts his laptop away lying down in bed- lance ehard sniffing a while later-

Lance: Need a tissue?

Levi: maybe

Levi: its just..... writing i ahve to remember these meories and there is this one i'm not sure i should write or not

Lance; Here ya go. -gets up and grabs the box and hands it to him- It's up to you if you write it but if you want itto do well then you should put as much as you can and be honest about it.

Lance; Just do your best.

-Lance sets the box down and goes back to bed-

Levi: yeah but -he takes hte tissues sitt up and wiping his eyes-
my mother thoguht it was funny when ehr and my dad got
drunk to make me and my sister elarn about sex. my mom
played with me and my dad my sister -he chokes a sob-

Levi: i'm depressing don't listen to me

-levi lies back down snuggling under the sheets-

Inner Lance: That son of a bitch. It's hard to belive levi came
from that. -goes to sleep-

-the next morning-

-levi goes intot eh bathroom staring at himself-

Levi: i am pathedic

-enter Wade-

Director: You okay?

Levi: i feel like crap. remind me to never write my bio at night

Director; Okay. I'll be sure of that. And just for the record you
did really well as far as makeing a first video goes. Alot of new
guys and gals quit within the first half hour.

Levi: yeah well ir eally need the money too. this is all i have so

Director: Still you did good kid.

Levi: thanks -levi tunrs on the shower water going and burshing his teeth-

-the director leaves-

-on the way to the airport-

Becca; So the plan's all ready?

Chris: yeah

Joey: what plan? I want in.

Becca: Nothing Joey.

Joey; No it's something i want in.

Becca; no Joey. Now get on the plane.

-levi walks quietly and lance watches him-

Justin: dude Lance you keep watching him whats up?

Lance; I dunno. I guess we've kinda called a truce.

Justin: alright thats very good. he seems depressed anything happen last night? or the night before because it just seems.....

Lance; One sided heart to heart. Lets just leave it there.

-they get on the plane-

-levi stares out the window-

Joey; You gonna be okay levi?

Levi: yeah just reliving some memories thats all

Joey; Okay.

-the rest of the flight is relatively plesant with the guys all playing pranks on sleepy Jc-

-even levi joins in-

-Becca just sits reading a magazine-

-once they land-

Jc: I HATE YOU ALL!

Joey; HAHAAAAHA! SHARPIE FACE!

Becca; I wondered where my drawing supplies went.

Lance: MWAHHAAAAAAAAAAAAAAAAAAAA!

Levi: dear god does he kill? -theya re running-

Lance; No! But he hits! Just thank god he's not wearing cleets!

-levi laughs and keeps running-

Joey: Lets spilt up! Confuse him! Chris go that way! -he points in one direction and he speeds off in another-

-chris runs off dragging a giggling jsutin behind him-

Inner Becca: Good. looks like the plans going into effect sooner than expected

-levi and lance keep going down turning around a corner. they run into some rooma dn lock the door hiding as jc runs past-

Levi: heh we ditched him. god we are dorks

Lance; Yeah. This is kind of a ritual for us. Everytime he falls asleep we do stuff to him.

-levi looks at alnce-

Levi: i fall asleep sometimes too

Lance; Don't worry. You've got nothingto worry about.

-levi grins and shakes his head chuckling. lance grins too watching levi-

-they are like right next to each other-

Lance: Give him aobut twenty minutes and he'll be calm enough we can get out.

Levi: mkay. so what do we do now?

Lance; I dunno.

Levi: insult each other to pass the time? yeash you seriously called me a hippo or soemthing with glane problems

Lance: yeah. I did. Sorry about that.

Levi: sorry i said that you can't dance and i wished your mother had an abortion

Lance; I'm sorry for saying you had no taste.

Levi: you just really..... can't dance -levi laughs- you probably are the most dedicated to this group because you have to work extra hard and you still do this because you love it

Levi: you would have given up a long time ago

Lance; I can't dance worth shit anyways.

Levi: you just fake it?

Lance; yeah.

-levi looks at the ground for a bit then lance tips his head up and leans closer-

Levi: hi

Lance; Hi.

-lance leans in and kisses him quickly first then levi kisses him back only harder. levi puts his hand in lance's hair and lance pushes levi tot eh floor lying down between his legs-

-they keep kissing-

-twenty minutes later there's a knock-

Joey: Guys are you in here?

Joey; We need your help.

Levi: why? -he didn't have any clothes on and neither did lance.
they were lying on each other kissing more-

Joey; We need to look for Crazy and Mommy.

Levi: who? he looks at lance-

Lance; Chris and Becca.

Levi: we'll be out soon, the doors jammed and it will be a while -
lance looks at elvi funny and he shrugs-

Lance; Whatever works.

-levi kisses lance again bucking his hips against lance-

Lance: How long should we stall?

Levi: until ic um inside your ass -he whippers it into hsi ear and suck on his ear lobe-

Lance: Naughty naughty. I like it.

Levi: Come on big boy. -strokes Lance's shaft- I'm gonna make you squeal.

Lance: Fuck me levi.

-Levi spits on his handsticking one finger into Lance's ass and slwoly moveing-

Levi: You like that Lancey?

Lance; Fuck yes. Oh god please Levi more.

Levi; No....I think I'll keep tortureing you like this for a few minutes. -continues to thrust for at least a minute before inserting another finger-

Lance: Oh god yes.

Levi: One more?

Lance; Yes. Yes please Levi. Fuck me please!

Levi: That's what I thought. -inserts another finger and continues thrusting until he spits on his other hand and wets his dick pushing it in and moveing slowly-

Lance; Don't tease me Levi. Please faster.

Levi: Nah. I think i'll keep going like this. I like to see you squirm.

-for at least five to ten minutes levi continues like this until out of nowhere he speeds up and starts moveing fast and hard. One of his hands strokeing Lance's shaft-

Levi: You like that don't you?

Lance; Oh fuck yes! Fuck me!

Levi; Of course. -continues-

-several minutes later-

Lance: dear god I'm so close!

Levi: Nearly there. -with a loud moan Levi cums into Lance's ass and Lance cums spraying them both-

Levi; Damn that was good. You're like a little kittne in bed.

lance; Only when I'm bottom.

Levi: -pulling out and laying next to Lance- I'll have to try that sometime then. -grins-

Levi: now you should lick me off. i'll lick you off

lance: Already on it. -is lapping it up like a kid would eat candy-

Lance; Nummy.

-once he's done levi pins lance back tot eh ground licking him and his cock clean-

Levi: -stands up- your probably gonna shoot that cum out fo your ass one of these days. thats pretty hot -he dresses and grins at lance- i can get dirty i know. justin loves it

Lance; I can see why.

-lance stands and dresses-

-Joey knocks again-

Joey: Guys? Need me to call a locksmith?

-once they are ready levi reaches to unlock the door but lance turns his around kissing him again-

Levi: we just got it joe -levi grins licking lance's nose. he fixes his own hair dna unlocks the door going all drama-

Levi: damn air freedom! -falls tot eh ground kissing the tiles-

Lance; Finally!

Lance; So no sign of the loonies?

Levi: that is odd i wonder where the hell they could of poofed off to

-meanwhile the lonneys-

Joey: I haven't seen them. Jc and Justin are looking and i haven't heard from them.

Chris: yes i do just can we sign the papers?

Becca; Yes lets.

Judge: Here ya go. -hands them-

-chris signs them and hands them to becca watching as she

signs them as well-

Judge: Congrats you two.

Chris: here becca give me your..... left hand is it?

Becca; Customarily ys.

-chris slides a big dimaon ring onto ehr ring finger-

Chris: there

Chris: and its real

Becca; I never thought you go for that big a diamond. I love it. -
hugs Chris-

Chris: come on the guys are probably wondering where we are

Becca; Okay.

-hugs her back kissing her and holding onto her hand-

-chris pulls out his cell and calls up joey-

-at the airport-

Joey: Hang on guys. -answers cell-

Justin: you guys were seriously locked in there? smart!

joey: Hello?

-levi shrugs and hugs justin from behind-

Chris: heynjoe

Joey: Hey tricky. Where are ya? Your car's gone and your girl with it.

Chris: we went and signed some papera so we are now married. sorry but we didn't want a huge deal out of it

Justin: hey chris you can talk really loud and I WANTED TO BE YOUR BEST MAN!

Chris: tell juju sorry

Joey; Congrats. And Chris says sorry juju.

-justin pouts and levi pats his shoulder-

Levi: you'll ahve better luck at someone elses wedding

Justin: still.....

-Lance is holding back a grin.-

Joey; Well anyways we're all gonna be at Justin's place for drinks. So we'll see you two there?

Justin: come on i'm horny lets go use the bathroom -justin drags levi away and lance's face falls. he forgot they are dating-

Chris: yes we are on our way there now. and we have something else to tell you once we get there. see ya

Joey: later. -hangs up-

-chris hangs up getting into his car with becca-

-at justin's-

Becca: Do you think it's a good idea to tell them?

-levi was sitting in justin's lap and justin had his arms around levi. lance couldn't believe levi would cheat on his best friend... and with him nonetheless so he was at fault too-

Chris: yeah they need to know

Jc: need to know what?

Becca; But it's so early. Shouldn't we wait till we're sure it's going to make it?

Jc: what makes it?

Joey; Huh?

Lance; Oh boy.

Chris: becca they need to know so if it doesn't make it they will help us through

Levi: she's prego isn't she?

Jc: WHAT?!

Becca; Bingo we have a winner.

Chris: yeah we gonna ahve a baby thats also one of the reasons why we married

Justin: congrats you two. and jc breath

Joey; Wait...So this was a shotgun wedding?

Jc: oh boy -rubs his neck- but i am happy for you two

Becca: Ummm.

Chris: it was a shotgun wedding of sorts but also we love each other and its been like ten years already

Justin: i forgot you two are old

Lance; That's right. The ten year plan.

Levi: no justin your just a baby

Becca; It's past your bedtime Justin.

Justin: shut up -he chugs his beer and levi groans-

Levi: your gonna get drunk and fuck my brians otu aren't you?

Justin: bingo thats two things you have right levi

-levi nods and drinks his beer. lance is mainly staring at his-

Jc: lance cheer up having those two popping out kids isn't the end of the world, its just will cause me to have a heart attack at an early age

-jc checks his pulse-

Jc: my heart is already going faster

Becca; Har har har. i'm haveing you babysit.

-jc gulps but smiles-

Joey; Hahahaha!

Joey: On the downside now Kelly's gonna really want us to tie the knot.

Jc: you guys have been together for like five years man. your the same age as levi there

Jc: no wait a year older then him

Levi: there ya go

Joey: I'm just not sure i'm ready for that big a commitment. i mean with those two. -points at Chris and Becca- It's diffrent.

Levi: you ont he ten year plan too?

Joey; yeah.

Levi: well i don't see myself getting amrried or committed to anyone yet

Justin: same here -clicks his beer with levi's-

Lance; Ditto.

Jc: you and i are striaght buddy -puts hsia rm around lance-
we'll find that girl someday -no one knew that lance fucked levi.
he never been with a guy before-

-levi chockes on his beer after that comment and justin pats his back-

Justin: cough it up

Lance; I dunno. I think i might just give up on girls and get a boyfriend.

Jc: heh. you gay? you are not just keep looking for that girl.
come on you have that luara chick your in love with right?

Lance; Yeah I guess. She's a nice girl.

Jc: ask her out come on -nudges lance-

Lance: Yeah right. She wouldn't be able to handle haveing a

celeb boyfriend.

Becca: Chris said that about me and look at us now.

Jc: dude hello! i've dated girls and they were able to handel it

Lance; Alright alright I'll ask her.

-levi plays with justin's shirt not believing he fucked a straight

Levi: come on justin before you get too drunk

Justin: pooppy -levi drags him to his car- bye guys

joey; Drive safe guys!

Becca; Later!

-jc wiggles his fingers at them-

-justin and levi get back to justin's place and justin kisses levi
inside and tot eh bedroom-

-justin pins levi to the bed stripping his of his clothes-

Levi: justin i have to tell you something

Justin: what? -he stops sucking on levi's nipples-

Levi: i..... uh..... ya know when lance and i were locked in that roomt rying to get out?

Justin: yeah -chuckles- that was funny

Justin: and with how you two have been acting latly with arguing and shit it was probably good for ya right?

Levi: the door was locked because i locked it. i said it was jammed because lance and i were having sex

-justin stares at levi's chest-

Justin: wait you..... cheated?

Levi: you could say it like that -levi sits up and justin stares him in the face-

Justin: why?

Levi: i don't know. maybe because i told lance about my life and he just took it without yelling then he just started to act more nicer to me and one thing led to another and.....

Justin: i..... -justin stands up sitting down on the bed- god i can't beleive it. and with someone who is striahgt?

Levi: that shocked me too okay? i don't know but lance seemed to really enjoy what my hand was doing so..... maybe he isn't fully straight

Justin: he liked laura alot i know that. he always talks about her and he needs to ask her out

Levi: okay man! i'm not trying to steal him away or make him gay we just fucked each other thats it. and i feel bad.....

Justin: you should. i think you should head back to your place i'll see ya later

-levi stands up putting hsi shirt back on leaving-

-the next day-

Chris: okay so we are to keep working on what song now Wade?

Wade; yeah.

-he drops his bag down int he corner. levi was leaning against the wall and justin was sitting, both across the room from each other-

Wade: We're working on it's gonna be me now since that's what your next video is gonna be on.

Jc: goody and that should be next month. man tour is coming closer nad we are working harder then before

Wade: And already the press is following your every move and spreading the stupidest roumors.

Justin: name one

Wade; Figured you ask so I bought one of the supermarket tabolids. Here. -on the cover it mentions Chris and Becca and an arrow saying 'tell tale bump'-

Chris: oh thats true. her and i got married yesterday, quicka nd simple signing, and are gonna ahve a baby. it was sort of a shotgun wedding, but its more that the kid made us know it was time to get amrried since we ahve been together ten years

Wade; Woah....That explains the ring. And why Becca's not here today. So you're not gonna tell the public yet then?

Chris:w ait until absolutly nessasary

Wade; Got it. Okay back to busniess. Okay people from the top! -

starts the music-

-they run bye bye bye fully with singing and space cowboy with singing. they run space cowboy witht eh singing a few times then move onto its gonna be me-

Levi: god i should just quit and find some other job

Wade: Levi take the day off. Okay guys lets try this again.

-levi grabs his stuff and leaves jsutin watching as he goes through the mirror-

Jc: ever since we hired levi something has always been up with him and one of us. i think you should fire him wade

Wade: This kid need the work. I'm gonna give him a few weeks off to cool his head and give him another chance. Then if it dosen't work out I'll tell him to go back to Jive and find another band to work with.

CHris: levi si a great dancer and has helped us alot more. i think we are better dancers now with Levi

Justin: i don't know can we just shut up about him and focus on its gonna be me?!

Wade: Okay. Lets start from the second chorus.

Levi: god writing all of this is making me so emotional and shit. i can't write anymore -levi deletes his autobiography- besides my life ain't anything special i'll writing it int he future

Levi: just keep it to myself

-the next days drag on-

-it seems weird not having levi there-

-Lance finally asks Laura out and brings her to the studio a couple of times. She's okay but the guys don't like her as much as they did Levi-

-during one of the rehearsals justin grabs his stuff in the middle of it and leaves-

Jc: what the hell Justin?

Chris: let him go he's had shit on his mind for a while now

Jc: uhg -jc bangs his head against the wall a few times-

Laura; I thought you did good.

Lance; Thanks.

-justin goes to levi's apartment and when levi answers it he is in jeans a t-shirt and has glasses on-

Justin: 'your all i ever wanted'- justin goes over singing inf ront of levi who chuckles- 'your all i ever needed, yeah. so tell me what to do now when i want. you. back' -justin leans in kissing levi softly running his hand through his hair-

Levi: nice ending

Justin: come on you like working with us and we want to give you another chance

Levi: well i think i've been moddy and stuff because one, lance being an ass. two, you and i breaking up. three, me writing my autobiography has been making me emotional so i stoped and deleted it. i'll writing someday.... maybe

Justin: will you be my boyfriend? -he whispers it into his ear licking levi's ear. levi smiles and rubs justin's arms-

Levi: you forgive me?

Justin: i think you suffered enough without me bugging you

-levi smiles and kisses justin-

Levi: alright. i'll come back.

-justin moans and once they finish they end up sleeping-

-finally the tour starts. Becca and Chris have managed to keep the pregnancy a secret even though Becca's starting to show. levi and Lance seemed to have called a truce but they're still not buddies...yet-

-laura goes on tour with thema dn wade has levi go with them on the tour to help them out with their warm ups. levi agrees but then he can be with justin more-

-Becca goes but only because Chris wants to make sure she'll be okay-

Laura; Don't diss Lance!

Levi: okay. so you guys are lowered to the stage slowly -the tech guys do so-

Levi: okay now you slowly release the harnesses. follow me and wade here guys -levi and wade do the movements with the guys until they are loose then the music starts up and they jump and do their thing-

-levi claps and the music shuts off-

Levi: okay one more time lets see if you guys can do it without us helping

-see in rehearsal they had to practise without the harnesses-

Chris: meep

Becca; Don't worry baby.

-they set them up again and chris keeps saying dear god dear god dear god-

Levi: chris if you don't get use to this by the end of the tour you are pathetic

Wade; Chris the kids are gonna hear that during the show.

Chris: i'm trying to get it out of my system!

Levi: alright from the top!

-they end up running it two more times before they keep going
running the whole no strings attached-

-levi watches them all closely and once it ends they all clap for
them-

-even the in utero fetus-

Levi: damn you can finally dance Bass bravo

Lance: Thanks.

Levi: alright lets run throught eh whole concert. what song is
next? i keep forgetting

Wade: It's gonna be me.

Levi: no i think tis iw ant you back

Wade; Either way lets get to work people!

Jc: alright

Levi: can you do this one Bass?

Lance: I'm pretty sure.

Levi:a rlight here we go you come in with the clokes on and you do that weird jedi thingy, thats what i think its like, then the msuic starts up your backs tot eh audience

-they start he music and levi stares closly at lance-

-Lance is doing fairly well only sliping up minorly-

-whent he crotch grab part comes up laura is staring at lance so he grabs it extra har dand thrusts really good and she giggles-

-and levi was staring at alnce the whole time so that really blew him back-

Inner Becca; Damn this girl is a ditz.

-becca was staring at chris and moans when he does it but he wasn't grabbing ahrd-

Inner Laura: What a slut. No wonder she got pregnant.

-once it ends allt he crew calps for nsync-

Levi: Lance can ia sk you soemthing?

Lance; Ummm. What?

Levi: you better do that crotch grab like that in the show. went we get to new york and tape this show i'm gonna ahve them zoom in on it

Lance; Right. -smiles and leaves-

-chris runs over to becc anda laura runs to lance jumping on

him-

Chris: how did i do baby?

Becca; You were fantastic. -smiles- Only other times i'e seen that look on your face aws when we went to the empire state building and when we had sex our first time.

CHris: shut up -he smiles and kisses her- i need to shower come with me -he drags her off-

Laura; Eww. Lancy they talked about 'that' in public.

-meanwhile justin is talking with levi and when no one is looking slaps his ass saying to join him in the shower-

Lance; Don't worry about it laura. They're not from the south.

Laura; I guess I can understand. But people from Mississippi talk about it too.

Lance; They're not 'traditional' people.

-when they walk down the hall they see justin and levi heading intot eh showers but justin has his hand on levi's ass and is sucking on his neck. levi is laughing-

-laura is also against being gay-

Laura; Oh my god....Lance are they?

-and she knows about justin and britney-

Lance; yeah.

Laura; But isn't he dateing britney? I mean cheating is wrong to begin with but with another man?

Lance; Laura you need to understand. Britney is just a coverup for Justin.

Laura; no. He needs to realize. Both of them need to realize that what they're doing is wrong. They need help. You're thier friend Lance why don't you help them.

lance; Laura. I learned a long time ago that they're nothing wrong with them. I've learned to deal with it. You need to as well. You don't have to like it. But you need to be respectful.

Laura: But I can't. I can't do that.

Lance; Then I can't be with you. I'm sorry Laura but if it comes down to you or my best friends I have to choose them.

Laura: Fine.

Lance; Fine you won't or fine you will.

Laura; I'll try.

Lance; Okay.

-meanwhile justin already has levi pinned against the wall in the shower-

-later while theya re getting amke upa dns tuff down britney spears shows up-

Britney: hey yal!

Becca; Hey Brit.

Joey: Hey!

Jc: oh boy theres our pop princess -he kisses her cheek- how ya doin?

Lance; Good to see you.

Britney: i'm doing great. now where is my 'boyfriend'?

Laura; Oh my god.

Lance; He's with his.

Britney: how dare that boy cheat -but she is smiling- i haven't met this Levi boy i need to meet him

-levi pushes justin out and justin is yelling about his hair not being done-

-Laura's face falls and she looks unhappy-

Levi: come on dork!

Justin: but but..... -he smiles when he sees britney- hey doll

Britney: hi baby -she kisses him- now i heard your cheating on me with someone

Levi; you're cheating on me with her?! -levi pretends to have a lisp- how dare you Timberlake!

Justin: hey hey hey don't fight over me you can share me both!

-the guys and Becca laugh but Laura remains silent-

-britney pretends to slap justin but she hugs levi-

Britney: tis nice to finally meet you

Justin: uhg this is what the famous pop star is treated -
abusive! -he pretends to cry running back into the bathroom to
finish with his make up-

Levi: yeah you do. and it nice to meet Britney Spears

Jc: aren't we all diva's at heart -he goes back into the bathroom
too-

Chris: come on becca you need to finish me face -they head back
in. lance follows them with joey and levi scurries in to make
sure they are just right. britney stays out to talk with Laura-

Britney: and you are Lance's girlfriend? its nice to meet you -she
smiles-

Laura; Same here.

-she shakes Britney's hand and smiles but it's fake-

Britney: its weird to date someone who is a pop sensation. i
would know -she giggles- but lance is a great guy and your lucky
to have him. i've known him since they got the group together
and he was just a southern sweetheart.

Britney: but then again he can also be a kinky southern man too
-she laughs-

Larua; We've known eachother for a while. It's a diffrent world
but i guess I just need to grow accustomed to it.

Britney: you'll get sue to it. you'll get to be i magazines too so
you'll ahve to get use to having people reconize you adn want to
know you

Laura: Well I don't want to become popular for the wrong
reasons.

Britney: you won't. you'll get popular for being the lucky girl
who gets Lance Bass

-britney sits down and corsses her legs-

Laura; And to the world you're the lucky girl with Justin
Timberlake.

Britney: yea. we are really good friends and when he asked me
out for the first time i was liek 'oh my god'. then i found out he
was gay and he was really depressed but i held him and i told
him i would help him keep it hiden until he was ready to come
out. he's a great mana dn Levi is hot! justin ahs good taste in

men, just like i do -she laughs-

Laura; You're very brave for doing that. But I can't see you staying around him after that.

Britney: he's my best friend i would do this for any of the guys

laura; But. After he told you that it's not just you that it's all women...

Britney: so? being gay is natural. there is nothing wrong with it and justin is happy. he's not ready to tell the world about hsi sexuality so i'm here to help him out. besides i like being with justin more adn talking to him about guys i'm seeing behind the scenes. i love ahve gay friends theya re so grea tot alk to -she pulls her hair into a paony tail-

laura; I just don't understand it. I want to get along with all the guy I really do. i just can't get past that.

Britney: you don't ahve to like it. just show him repect. look past the fact he would rather have cock then pussy

laura; I think i just need to educate myself better. Ignorance is often the source of all porblems.

Britney: yeah read up on it. talk with justin even he'll tell you

mroe about what he feels about it -just then the guys all come out all ready. levi comes out with curl line mustase and gote drawn onto his face-

Levi: becca got bored once she finished chris

Joey: She does this. Just be glad she used washible markers. One time before I gre out my beard she airbrushed my face with all there girly marks.

Lance; That was funny as heck.

Becca; Yeah. Maybe I should do that to Levi. I want to test out my new ink colors.

Levi: uh uh this is enough

Becca: awwwww-ow.

Becca; Please don't kick mommy while she's working.

Levi: i look like a dork don't i?

Laura; yes. But the gotee is a nice touch.

Justin: you look sexy -justin kisses levi- i don't want to screw up my make up though

Levi: you guys are on soon so we ahve to go get you hooked up.
you'll be hanging there for about ten minutes so.....

-chris whimpers-

Becca; Chris man up. You'll be fine. -kisses him.- Knock em dead.

Chris: okay. lets hope i don't land on them and really knock
them dead

laura; Break a leg Lance.

Levi: don't jink it!

wade: Guys! On stage now!

Levi: come come!

Justin: don't remind me -levi groans and justin laughs. britney
kisses them all good luck-

Britney: don't break a leg lance

-they head to the back stage area where they hook them up
sending them up intot eh cieling where they basically wait there
until they are all ready-

-chris hates it-

-he's screaming for them to start the show-

-jc and justin dance a bit scaring chris-

-joey pushes on chris and he screams for them to cut it out.

lance just stays there laughing-

-soont he show starts and soon the show ends-

Levi: that was fun

Justin: god i'm beat but damn i wish we could do mroe!

Lance; yeah. I thought Chris was gonna start crying.

Joey; yeah. And those girls screaming!

Chris: shut it. come on lets stripa nd get to the buses

Becca; Yay the first part!

-they take off their costumes wearing sweats and wife ebaters
with toels still sweating-

Levi: come on guys tot eh buses go go go

Becca; Race you to the back room Chris!

-he pushes them all out of the room and they jog tot he buses.

laura runs with lance-

Chris: becca your carrying a kid there can you seriously run

Chris: i still love you though

Becca: I'll be fine.

Britney: i forgot you are pregnate oh i can't wait

baby: kick

Chris; lets just walk honey

Becca; Fine.

-chris takes her hand and they walk-

Laura; I love babies. I want one eventaully but I want to wait till
I'm married.

-levi grabs his bag and heads out a while after them. one of the body gaurds come up to him saying there was someone who made it apst security-

Levi: okay i'll hurry to my bus. thanks man

inner levi: crazy fans

-he runs to the bus but then someone grabs him pushing hima gainst the wall-

Person: where is NSYNC?

Levi: dude seriously let me go -levi jabs his elbow into the guy and he grunts falling back. levi takes off running then he starts hearing gun shots-

Levi: holy shit!

-the girls scream-

Levi: start hte damn busses already! -levi jumps onto one of them not carring if it was his or not-

Joey; What the hell was that!

lance; Like I would know!

Levi: damn it i'm on the wrong bus -he landed on lance and joey's-

Joey; it shouldn't matter as long as you're alive. Are you okay?

Levi: some dude grabs me wondering where nsync is i jabs him in the gut he grunts i run he shoots. ugh i need sleep

Joey; You can have my bunk. I'll take the couch.

-meanwhile justin was flipping out wondering why they left and levi isn't on his bus with jc and himself-

Levi: i'll take the couch man i have to call justin so he doesn't have a heart attack

-and Laura is hysterical-

-lance is holding her comforting her as best he can-

lance; laura baby calm down.

laura; Who would want to do something as horrible as that?
Who?

-levi calls up justin-

Lance: I don't know.

Justin: OH MYG FDOA RE YOU OKAY PLEASE TELL ME YOU

-levi pulsl the phone from his ear wincing-

Levi: justin don't scream i'm fine i ran ontot he nearest bus and

Levi; yeah i know. just breath and get some rest. bye babe

Justin: later doll

-they hang up-

Levi: well justin is doing fine. should i check up on chris?

Joey; That's probably a good idea.

Levi: why don't you do it joe your closer to chris then i am

Joey: yeah. -he calls Chris-

Joey: Come on man pick up.

Chris: hello?

Joey; Chris are you and Rebecca okay?

Chris: eyah she's just freaking out

Joey: Okay. Good to hear. Lance is already calling the police
to hugh no doubt a ton of people already have. They're gonna
want to talk to us in the morning.

Chris: alright. i got to calm done becca before she goes into labor
or soemthing

Joey; don't think about that dude.

-he hangs up-

-chris hangs up and lies down holding becca-

-the baby is kicking like crazy due to all the excitement.-

-chris rubs her stomach whispering things into her ear-

-the next rest stop-

Lance; Well the girls are scared to leave the busses and all hell has broken loose it seems.

Justin: oh god i missed you! -justin runs over grabbing levi-

Jc: uhg justins eriously was freaking out chew his nails and his lip and..... oh boy

joey; Don't forget guys. The police are going to be talking to us late today.

Levi: i'm okay yeah i had to see you too

-levi rubs jsutin's back as he pulls away and hugs him from behind-

Justin: i think they will probably talk with Levi more

Joey; Yeah.

Levi: well all i have to tell them is some guy wearing a pink mask jumped me wanting NSYNC. and the body gaurd leon told

me someone got apst security and i told him i'd get ot eh buses soon

-justin kisses levi's neck holding his tightly-

Joey; What kind of idiot tries to kill someone wearing a pink mask?

Justin: jsut glad you ain't hurt thats all i care about

Jc: that is just weird but britney called too saying she saw someone with a pink mask on as she elft to ehr limo

Jc: she thought it was jsut some weird fan

Chris: someone with a pink mask doesn't seem frightening. thats probably why he amde it past and didn't seem like a terrorist

Levi: he seemed like a gay terrorist to me

Joey: I'm officially scared of pink unless it's something else if you know what I mean.

-the police finall arrive-

Jc: your have a dirty mind -jc grins-

-justin pulls away from levi and stands next to him. he did want to risk being outed-

Officer; Hello. I'm Officer Walker and this is Officer Smith. We're here to ask you a few questions.

Levi: mkay

-levi explains everything that happened to him, then jc tells them what britney told him yesterday on his cell phone-

-questions are asked and answered-

Officer Walker; Alright. Thank you for your time. as a precaution we'll be placing extra security around the backstage area. We'll also be keeping watch in the crowd.

Justin: thank you

Officer Ross; It's nothing.

CHris: i think johnny would have done that too

Officer Walker: He was the one who suggested it. We were going to put security around the whole stage area but that's already done. And we were gonna check evry guest that came but that's already done and we don't want to scare the teens. So yeah.

Jc: mkay. thank you again and we really need to get going

Chris: it probably was some dude who really wanted to see NSYNC

-the officers go-

Joey; i'd agree with you chirs only theres one problem. A guy.

Chris: his kid maybe? his girlfriend? maybe trying to get NSYNC to see them or whatever. come on i need to get back to becca -he hops onto his and her's bus-

Joey; But the fact he was shooting at us makes no sense. -he gets on his and Lance's bus-

-lance already got on and was takeing a nap-

Justin: come on baby -holds levi's hadn as he and jc get on their bus-

-justint akes levi intot eh abcka dn jc apsses out ont he couch snoring-

Justin: god i'm just glad your oaky -he kisses levi ahrd running his hand down his back-

Levi: i'll be fine juju -kisses him back-

-the next few shows are okay. there's some tensity because of all the extra security but on the bright side no creeps in pink masks-

-one night levi and justin are backstage levi hooking justin up and justin can't help but kiss levi passiontetly before levi leaves to make sure the others are all set. levi smiles and kisses justin back-

-little did they know someone was there from press and had a camera-

Chris: geta r oom you two

Jc: dirty boys

Lance; I hate to say this Chris but you have no room to talk.

Levi: shut it now yal DON'T break a leg

Joey; ooooooh

-levi runs off-

-the show starts and ends. still no creep in pink mask-

-the next day though justin enarly has a heart attack from what he sees on TV. levi nearly passes out and jc calls upt he otehrs to turn the tv on-

Justin: oh god i can't be out i'm not ready

Lance: Oh god.

Laura; This is awful.

-levi fell tot he floor and was staring at the ceiling-

Chris: shit

Becca; I can't belive the paparazzi got in.

Joey: Talk about a terrible camera angel.

-levi gets to his feet and sits down next to justin-

Wade: -silence-

Justin: god what is it going to do to us?

-wade shares a bus with chris and becca-

Levi: i don't know but i think Johnny will want us to either lie or
come out in a interview

-justin buries his face in levi's neck-

-a few hours later Johnny calls.-

-he wants to talk to levi NOW-

-levi takes the phone and begins getting yelled at by johnny for
doing thsi to justina dn amking him gay. levi couldn't eveng eta
wrod in then johnny tells him he is fired and hangs up. levi
drops the phone to the ground-

Levi: i couldn't even get a word in..... -levi covers
his face-

Justin: baby what did he say?

Levi: he fired me and wants me to leave ASAP

Justin: god he can't do that you aren't leaving

Jc: uhg i'll call johnny back and see what the hell i can get into
him

-levi just lies down in the back and justin holds him-

-they reach a rest stop and they all get together on one of the buses-

Chris: he can't fire you like that. i recall justin was gay long before you showed up

Jc: and justin kissed you first

-justin had levi in his lap and levi looked tired-

Lance; Yeah. Johnny knew about Justin long before you came into the picture.

Levi: johnny said i was the one who made him gay. he sounds like he never knew justin was gay

Chris: well we never said anything to him we just thought he knew

Joey apparently not.

Wade: Justin I think you need to talk to Johnny about this and explain to him.

Levi: i don't think johnny is going to hire me back though

Justin: he will and i will talk with him. give me the phone

-levi pulls out his cell handing it to justin-

-justin goes into the back and calls up johnny-

Justin: pick up

-Johnny answers-

Johnny: What?

Justin: listen johnny you can't fire Levi. i was gay long before h
ever showed up

Johnny; Is that so?

Justin: yes britney has helped be my cover up so i don't get
outed and for some reason press got in a nd was taking photo's

Johnny: Well then that's a different story.

Justin: you can just go jumping to conclusions and yelling at my
boyfriend then firing him when he needs this job so much

Johnny: I'll apologize to Levi and re-hire him. But justin....Next

time you have a secret like this make sure I know so that I don't freak out like this again.

Justin: we thought you knew

Johnny: It's like you said. Don't jump to conclusions.

-justin chuckles-

Justin: your evil. now i want you to talk with levi -justin walks over to levi ahnding himt he phone-

Levi: hello?

Johnny: Levi. About what I said about you being fired. Well forget that. You're keeping your job here and I won't take no for an answer. You hear me?

Levi: yes sir

johnny: Good. Now I've got a meeting so i'll talk to you guys later. Tell Chris i want him to call me later on. -hangs up-

Levi: mkay. he has a meeting and chris call him later

-levi puts his phone away-

Chris: goody.....

-after the show-

Chris: okay calling johnny now -sits down and dials. levia and justina are making out in the bathroom so they won't be leaving for a while. lance and laura are also making out somewhere-

-Becca is in the shower. She's showing bigtime so she's been avoiding the press like the plague. Joey is watching porn on his bus and Lance is in bed-

-chris waits for johnny to pick up. he was in the game room trying not to hear the moans coming from the bathroom-

Johnny: Hello?

Chris: hey johnny. you wanted me to call so.....

Johnny: Yeah. When are you and Becca planning on coming clean to the public?

Chris: i don't know yet. i guess since justin is going to come clean in some interview your probably going to set up i might as well come clean then too. everyone has a secret to tell

-chris was sarcastic on that last part-

Johnny; Okay. You guys have an interview in a week or so with people so that might be the best time to tell.

Chris: goddy i get my own paragrph

paragraph

johnny: Aren't you the lucky dog. I gotta go. I'll talk to you later.

-chris hears a low groana dn knows that ain't justin-

Chris: bye -he hangs up shuttering- you two hurry up!

Justin: almost -gasp- alright here we come

Levi: we just did

-chris shuts and soon they come out of the bathroom grinning. chris exsagerates another shutter-

Justin: shut up thats what i did whenever i saw you and becca. i ahve to ehar you two alot

Becca: Chris stop it.

Chris: oh good your out of the shower. lets roll out i need tot alk

-they head out to their buses-

Becca: What is it?

Chris: johnny says we have an interview with People magazine
in a week

Chris: i told him i would tell them about us

Becca; What. Chris....Are you sure this is a good idea?

Chris: becca we know this baby isn't going to die at all. becca you
know that with my fame i ahve to tell people about things
because i don't want horrible rumors going around

Becca; i know. I'm just scared. You know the press is going to
hound us constantly when they find out.

Chris: yes i know but i won't let them get to us. with this security
boot every since that pink masked guy we will be fine

Becca: I hope you're right. They still haven't caught him. I just
want to know what he was after and why he was shooting us.

CHris: technically it was levi so..... -chris lies becca down onto

her side and he spoons her- i love you wife

Becca; I love you too husband.

-the next week-

Levi: good luck on the interview and bass you better not bash me -levi glares-

Lance; I won't I'll say you're hard on us but you're a good instructor.

Joey; Yeah. it's true Levi.

Levi: yeah right -levi kisses justin and heads intot eh building with them-

-the interview progresses-

-they finally get to justin about the thing with levi and he explaisn everything starting when he first dated britney-

-levi stays behind scenes-

Lance; We all knew. And we're cool with it. Justin's our little brother. We can't hate him.

joey: Yeah. He likes dick and we're fine with it.

Chirs: yes... wait is he allowed to say that? then i should be able to say -justin covers chris's mouth-

interviewer Lady; And Chris. There have been some roumors flying around about you. Care to comment?

Chris: oakly so this is what happened. most liely the condom broke alright? then when we found out for sure we went in and had a simple 'sign the papaers and you married' thing going on. justin wishes he was my best man, but ah well. -justin pouts- so yes we were on the ten year plan and it was time for us to amrry. i love her with all my heart and can't wait to be a father

Chris: if your wondering she's five months prego

Chris: almost six

Jc: yes and i'm going to have a heart attack when that kid comes

joey; Shut it Jayce.

-justin and lance laugh at jc's comment-

Lance: Didn't you say Justin was the godfather?

Chris: oh yep jsutin is gonna be its godfather

Joey: Feel better Juju?

Justin:a hh i lvoe you too chris! -justin tries to kiss chris but chris stumbles and falls off hsi chair tot eh ground with justin on top of him. levi chuckles and lance cracks up-

Justin: your going down too bass -justin pulsl alnce down tot eh ground-

-lance grabs a hold of joey who grabs jc. they all fall downa nd chris is ont he bottom-

lance: Aaaaarrgh! Help me Joey!

Joey; No way this is too funny.

Jc: i ahte you bass -jc is on top

-people were taking pictures-

-finally the interview comes to and end. the guys all get back on the bus and get back on the road-

Levi: yeash you guys ahve too much energy

Justin says the guy who wanted to fuck all night and see who would pass out first

Chris: ew ew ew ew ew ew

Joey: ummm. tmi

Becca; Chris you and I have done the same thing.

Lance; Still when it's your best friend who's talking about that....-shudders-

-laura is sitting in lance's lap staring at justin-

Inner laura; I want to accept it but I just can't.

Levi: Laura you keep staring at justin like that why is it?

Levi: actually you give me the death glare sometimes too

Laura; Oh. I'm sorry. I guess I just need to get used to this more.

Levi: use to what?

Laura; see I've been raised to believe homosexuality was wrong. I know I need to get used to it if I'm going to be dating Lance but I guess old habits die hard.

Lance: Laura please try to understand.

Laura: I am trying Lance I really am.

Levi: oh so you hate me just because i'm gay?

-justin sits down next to levi-

Laura; I wish I didn't but it's hard for me to get past it. I mean without that I like you just fine.

Justin: so your okay with me just sitting here but when i do this
-he leans over kissing levi passionately- you picture me going to hell

Laura: as much as I hate to say this. Yes.

Levi: great another person to hate me -levi drops his head back sighing. justin rubs his stomach-

Justin: uhg why can't you just accept our way of life? lance has. he's even fucked a guy before

laura; What?! -she stands up-

Levi: me to be exact and he liked it -levi says it sexily-

Chris: whoa you two did it? when?

inner Becca; Smoehow it dosen't really suprise me.

Levi: we weren't locked in that room after all. it was jsut so joey would pry into it

Jc: dirty dirty. thats why you and levi had that break up

Justin: yeah but since alnce is straight i ended up forgiving him

Laura: Lance I'm sorry. But i just can't deal with this. You're still my firend but I can't deal with this anymore. -she goes-

lance; Laura wait!

-he goes after her but he can't stop her-

Justin: joey i can see by the gross look on your face you didn't know they were fucking

-lance storms back ontot eh bus grabbing levi by the collar of his shirt-

Lance; Why!? Why did you tell her!?

Levi: it wasn't me it was justin. i just went into full detail of whom

Lance; You know forget it. I just don't want to hear it right now.

Levi: besides aren't you suppose tot ell the truth in a relationship?! if she can't accept that your bi even if you don't think you are then you guys wouldn't last

Lance; I just. For crying out loud! And i thought she was makeing progress!

Levi: well next tiem we'lls ee here in she's gonna be protesting against gay rights

Lance; I don't want to hear it right now. -leaves-

-levi goes into the back of the bus with justin behind him-

-joey follows lance and jc goes to his bunk-

Chris: come on baby

-they leave to their bus where wade is asleep-

Becca; This is going to be tough on Lance. I didn't like Laura but Lance seemed really happy with her. And she seemed to

genuinely want to change her ways.

Chris: who knows what will happen. i think levi hates people
whoa re like her

Chris: he is a gay man who is in psychology major.

Becca; He shouldn't hate her. what goes around comes around.
But I guess it's too late now. I'm gonna take a shower then head
to bed.

Chris: alright baby. want me to join you? we don't ahve to do
anything i just really lake washing your body -he whispers it
into ehr ear-

Becca: Fine.

-they go and shower-

Baby: Kick.

-meanwhile levi is talking bad about laura and justin is letting
him get it out of his system-

Levi: she is a good person but damn it she just had to look at us
like we are freaks

Justin: we are freaks

Levi: you know what i mean

-levi straddles justin's lap kissing him-

Levi: just make love to me

Justin: sounds like a plan -justin takes off levi's shirt kissing him-

-the next concert was when everything blew up on them. outside laura was leading a protest march against justin's being gay. alcne couldn't believe it and levi blows up into levi's face naming everything about her he hates and lance protests against it-

lance: Levi she has a right to an opinion. Just leave her alone.

Levi: she is protesting saying justin is going to go to hell!

Levi: you're just gonna agree with her bashing your friend? i want security to get rid of them

Justin: i knew someone would protest but all of them girls saying i'm going to go to hell? god loves me the way i am i won't go to hell

Lance: i think i'm jsut going to elt ehr because of what you and justin tole her!

Levi: you blew it on your own lance she would have found out your 'secret' sooner or later

Lance: god if you never showed up here i would still have her with me and justin's would be outed

Levi: he told me he's glad i'm here and he's glad he finally has the truth out!

Lance: yeah but because of you and justin we lost fans and now having people hating justin. its your fault

Levi: it is not my fault!

Lance; And meanwhile you're blameing laura! I've said it before and I'll say it again! She is allowed to have an opinion! Why can't you understand that!

Levi: yeah but bashing another person is not right. she isn't just prtesting agaisnt gays she is protesting aginst nsync because of the fact justin is a homosexual!

Lance; i know that's wrong! And I don't like what she's doing! But she's still my friend! I don't want to have to decide between

her and Justin but I hate it when you diss her!

Levi: your going to let her hurt your friend? just because you 'love ehr' or whatever your feeling towards that whore

Lance: SHE IS NOT A WHORE! -punches Levi and storms off-

-levi falls to the ground holding his face. he stands up and goes after lance. they know this isn't good so they all run after them. they find them basically beating the shit out of each other. joey sends in two body guards who pulls them apart. justin goes to levi checking him out-

Becca; That's it. I'm takeing matters into my own hands. Chris I'll call you in a couple of hours. This might take a while. -she goes-

Chris: oh boy -he rubs hsi face- alright have fun with what your going to go do

Justin: you okay baby?

Levi: i'll be -wince- fine -he has a black eye and brusied jaw-

-justin kisses his jaw line softly and levi grins-

Justin: kisses always makes things better

Jc: god lance you serious got beat up -bloody nose and black eye-

-Lance wrenches himself out of the guards grasp and storms into the bus slamming the door-

-meanwhile-

Becca; LAURA!

Laura: Rebecca? What are you doing here? Are you here to join the protest?

Becca; Quite the contrary Laura. I'm here to tell you to stop this. You're an intelligent girl

-justin takes levi to the bathroom cleaning him up. jc goes after lance to clean him up-

Becca: You're allowed to have an opinion but telling these people to hate an entire group for one member's sexual orientation is worse than anything. Your beliefs say that hatred is wrong correct?

laura; Yes but it also says that homosexuality is wrong.

Becca; I respect that you have an opinion. But try to understand

that no matter what you do Justin's not changeing who he is. Now because you did this lance is fighting with Levi and his friendship with the guys could very well end tonight. He will never forgive himself for that. Do you really want that hanging on your consience?

Laura; I...I..

Becca; And another thing. Are you so cold hearted that you would deny someone to be with thier true love even if that person was the same sex as them? What would your god say about that I wonder. Don't think of me as curel or sentimental. It's just something to think about. Goodnight.

-Laura just stands there dumbfounded for a few minutes-

-Meanwhile Becca has already come back to her bus.-

Becca: I'm hateing all this extra weight the baby is giving me.

Chris: hey baby. we gonna go get ready for the show. come on you have to help cover up

Becca; It's gonna take all my airbrush ink.

-Becca goes in and eventually has to resort to using some of her drawing ink.-

Becca: Lance this may sting a little.

-lance isn't having fun-

Lance; I don't care.

-levi has a ice pack on his eye-

-Becca finishes and the guys get on stage-

-levi grumbles about how stupid lance is and goes and stays on his bus till justin comes back on and drags him into the shower with him-

-Lance stays on his bus and barely says a word-

-there's a knock on justin and Levi's door-

-they are in the back of the bus naked-

Justin: who is it?

Guy: Security. I've got a letter from you.

-justin looks at levi funny pulling out of him. justin puts on boxers and opens the door-

Guy: Sorry. It's for you. Here. -hands justin a pink envelope-

-justin takes it and shuts the door-

Levi: what is it? -he has himself covered with a pillow-

Justin: i don't know but its pink -he opens it and pulls out the letter-

Dear Justin and Levi.

I'm sorry for my ignorance. I've thought it over and really you two are guilty of nothing. What you two are doing is like any other love. And who am I to say you two cannot be with each other. Justin please do not hate me. Levi please become friends with Lance again. I know you two will become such good friends. You are so much alike. I will leave you and the band alone forever now. Again I'm sorry. I was wrong to judge you.

sincerely

Laura. P.S. I'm sorry for the pink stationery. But it's all I had.

Justin: okay so she will leave us all alone forever. lance won't be too happy with that

Levi: whatever now put your dick back in my ass

-justin grins and goes down pushing back in with a groan-

-later that week. they had had a couple days off-

Lance: So did you two find out the sex yet?

Becca; Boy.

Chris: someone to pass off my manliness too

Joey: Okay. So it's gonna be me mini Chris. jc you can breathe now.

Chris: before mine disappears forever

-jc breaths-

lance: So where's Wade?

Becca; He had to go. Family obligations.

Joey: Ah.

Levi: g oody that means i'm in charge

-justin is giving hsi shoulders a massage-

Justin: hey you guys might want to read this

-justin hands lance the letter-

Lance; Wow....i never thought she'd do this. Sheonly does this when she really feels bad. I wonder what got her to have a change of heart like that.

-Becca remains silent.-

Chris: -cough- pregant lady -cough-

Joey: What did you do?

Levi: figures. oh justin your fingers are magic

Justin: i know jc likes them. and joey

Becca: I didn't do anything. i just gave her a little piece of my mind.

-chris rubs her back kissing her-

Levi: surprised lance isn't weaping of his loss of her

Lance; i talked with her on the phone. i thought something

sounded different about her. We decided it would be better if we kept our distance from each other for a while.

Becca; She's a very intelligent girl. But she has a lot of growing up to do.

Levi: that's for..... awwwwwwwwww yeah

-Justin is nibbling on his ear-

Lance; Well anyway we need to get back on the road and finish this tour. Let's go.

-they continue on with the tour. things go smoothly until one night. Becca and Britney are out walking during a show-

Becca; So anyway that's what happened.

Britney: wow

Becca; yeah.

Britney: she'll be okay I know it

Becca; Levi's still being a dick to her but they both need to do some growing up. Oh well that's life.

Britney: come on lets take a cab back. taxi! -she waves her hand flagging one dawn-

-they get in-

Guy: where to ladies?

Becca; They always stop for us. Thank god we're pretty. Carnigi hall please.

Guy: alrighty then -he takes off-

Becca; Wouldn't it be so cool if this were taxicab confessions?

Britney: sort of yeah

-they pass canigi hall-

Britney: sir you passed it

-the guy turns around pointing a gun at them pulling up a pink mask-

Becca; Oh god....it can't be...

Guy: your coming with me ladies

inner Becca; Please don't shoot please don't shoot. Let my baby live.

Guy: give me your purses and cell phones now

-britney hands them over and the guy reaches back taking them and shoving them in the front seat-

-Becca hands her's over trembling-

-soon he reaches a building-

-another guy comes over dragging britney out covering her mouth-

-the pink masked guy grabs becca. the other guy has a red mask-

-Becca knows better than to do anything. That and she's scared for her life-

-they are tied up and put into a room which is locked-

-they see another person on its side curled up in the corner-

Becca; Levi?

Britney: oh god

-levi rolls over looking at them. his eye is swollen shut-

Levi: goody

Levi: how'd he get you?

Becca; Taxi cab confessions gone horribly wrong.

Levi: i was pissing

Britney: ew

Becca; tmi.

Levi: he knocked me out. when i came through i was hearing guys talking about now they can finally get the money they need. probably ransom

Britney: who knows what else they will do to us

Becca; As long as the baby is okay I don't care what happens to me.

Levi: sounds like any woman who has kids. 'do whatever you want to me just don't hurt hte kid'

Becca: Is that a bad thing?

Levi: man parents never care about themselves anymore

Becca; You can't understand.

Levi: it seems the woman will do anything to keep her kid safe
and the man will do anything to keep the woman safe

Becca; Again is that a bad thing/

Levi: i majored in psychology i full understand

-meanwhile-

joey; Hey weren't the girls supposed to be back by now?

Lance: yeah. Where are they?

Joey: Chris have you heard from Becca?

Chris: no not yet.

Justin: levi isn't ont he bus i ahve no clue where he went off to

Jc: maybe he went to get you a gift

Justin: awwwww..... but i'm still worried

Joey; Justin try Brit's cell. Same with Becca's chris.

Justin: alright

-chris and justin both call and it picks up-

Justin: hey brit i was wondering-

Guy: unless you give us the money we need you ain't getting them back -hangs up-

Justin: oh god..... what the fuck?! -he closes his phone- some guy picke dup saying unless they get the money they need we aren't getting them back

Chris ame here. god becca!

Joey; What!?

Lance; dear god.

Justin: god not my boyfriend! he never elft though that means they got past security!

Joey; We need to get the police involved in this. We can't save them on our own.

Levi: damn you are huge from that angle!

Britney: women don't like eharing that levi

Levi: its not like i'm trying to get a date or flirt here i'm gay and i speak the truth

Becca; Watch it. Never say that out loud. Didn't your professors in your psychology class tell you that pregnant women have very short fuses. And like most women in western society we don't like to be called fat.

Goon; HEY SHUT IT! -pounds on the door-

Levi: YOU SHUT IT FATSO!

Goon: Boss can i gut that little smatass?

Britney: don't mess with a pissed off gay man

Lance; Hello?

Officer: Okay. We think we might have a lead on where they are. We traced thier cellphones to some old abandoned buildings downtown. Have one of your guys come with the ransom money. We have a drop point and we're gonna start negotiateing with them.

Levi: thats one of my worries -justin kisses levi and levi kisses back. lance walks in followed by joey-

Justin: how are the others?

Joey: Bitney's gonna be fine. Just some minor scrapes and brusies and rope burns. They're keeping Becca under observation for a day or so to make sure that Maddox is gonna be okay.

Levi: thats a funny naem for a funny kid

Justin: it chris okay?

Levi: well to everyone else they think we aren't. you are the only one who knows our little secret. don't ask me why i would tell you of all people

Lance; Fine then. My place. And I'll take top.

Levi: i don't think you'll please me. you are a pushover -levi turns around- you can handle the top like a real man

lance; I'll show you. -grabs Levi and grags him to the bathroom and pulls him inoto a stall.- Here. Now.

Levi: i don't know if you can show me -levi is pinned against the wall-

-Lance grins and yanks down levi's pants rubbing his cock-

-levi gasps dropping his ehad back-

-Lance goes down and licks Levi's shaft-

Levi: Yeah. Even a virgin can do that.

-still saying nothing Lance takes levi into his mouth and deep throaghts him-

Levi: Okay. Not many virgins can do that.

Inner lance: That's right. I'll make you squeal.

-Lance sucks Levi hard makeing several swallowing motions-

-Levi grabs the walls to keep his knees from buckleing-

Inner Lance; He's likeing this.

Levi: Oh damn. You still need practice though.

-Lance suck harder and cups Levi's balls rubing them hard and swallowing again-

levi: Oh god finally! Now we're getting somewhere!

Inner Lance; Come on Levi come for papa.

-grabbing Lance's hair and letting out a moan that nearly comes out as a scream Levi cums-

-Lance grins and swallows all the grade A man juice then stands up pulling his jeans down-

Lance; Now turn around. -yanks off underware allowing his dick to spring up-

levi: Fine. But thier's no way that little baby dick is gonna satisfy me.

Lance; Watch and learn.

-He spins Levi around and spitting on one hand sticks not one but two finsgers at once into levi's ass.-

levi: Come on Bass you can do better than that.

Lance; yeah. but i'm gonna let you suffer a bit. Don't forget little piggy I've yet to hear you squeal.

-Lance places a third finger in and moves ever so slowly. Levi can't hold back a moan.-

Lance; You like that piggy? You like that Levi?

Levi; hardly.

Lance; yeah. I'm hard alright.

-licking Levi's ear Lance slams his dick in makeing Levi gasp and squeek a bit-

Lance; That's a good piggy. -starts moveing slowly but starts to pick up speed.-

Levi; I thought you said you could match the beat of the music?

lance; I'll do that when I feel like it. Which is right about....NOW!

-suddenly starts moveing to the beat of the music. Fast and hard-

-the music is so loud you can hear it in bathroom and feel it vibrating against the walls-

Levi; Shit. Okay I give. It was you. Damn this is good. Oh god fuck me!

Lance; What was that?

Levi: FUCK ME DAMMIT!

-Lance continues to move while rubbing levi's shaft-

Lance: Are you gonna cum for me?

Levi: Yes...Yes I am.

lance; Good boy. I'm gonna cum in you. I leave you dripping with my juice.

Levi; So you finally get a spi-moans loudly over the music and

cums-

-Lance cums into Levi's ass gasping.-

Lance; How's that for being a pushover? -pulls up his boxers and jeans and leaves without another oword-

Levi: fuck Bass -levi pulls up his pants-

inner levi: god i love it when men do that. it so fucking hot.....

-levi leaves but feels light headed after it. he smiles and stis down with becca-

Becca: You okay Levi? You look a little flushed.

Levi: oh i'm fine alright -watches as lance talks with joey seeming so bad ass-

inner levi: he seems so perfect thinking nothing cant ake him down. god it turns me on so much

Levi: man people like lance bass just..... -levi says in angrily-

Becca; Daquri? I can only get virgin ones but they're still good. What the hell did Lance do this time?

Levi: everything.

Becca; Uh huh.

-levi keeps watching lance and lance turns his head looking at levi with a sweet little innocent stare-

inner levi: oh you are so fucking not innocent

Levi: god he thinks he's all that. he thinks he can do whatever he wants and get away with it, he can't screw up. inner levi: god i'm getting ahrd just thinking about it. mmmmmmmmmmm i just love men like him

-levi fell for lance because of how little snot nosed perfect he is. it turns him on but knows lance can get sweet..... but outside of the bedroom-

Becca; Yeah. You get used to it though.

Levi: i'm gonna go give him what's coming to him

-levi stands up and goes onto the dance floor-

Becca; Have fun with that. -takes sip of drink-

-chris comes over sliding next to her-

Chris: god i'm horny

Joey; Night Becca. night Chris.

Chris: mmmm you smell hot -he says it into becca's face-

Becca; Yes dear. -takes him into the cab and puts him in back before getting in herself-

Justin: where are they?

Jc: um justin? i think i found them

Levi: fucking ass hole -he pulls most of the way out slamming abck in. he repeats this over and over again going fast-

Lance; Fuck me! I want to be sore in the morning!

Levi: shit can you get any tighter and warmer?

-levi pouns into lance biteing his shoulder-

Lance; oh yes! Bit me!

Levi: oh i'll make your ass sore -he slaps lance's ass hard-

-levi keeps slamming into lance rubbing his cock SLOWLY-

Lance; Oh god yes. Levi fuck me!

Levi: like it when i tease your cock? want me to move it faster? -

Levi: nope. your gonna hold it in

-levi pulls up his pants grinning-

-lance is whimpering-

Levi: if you want me to take care of it we have to get back to the buses. i'll call a cab -he walks off-

Lance: Yes! -runs after him his pants tight-

-they call a cab and levi sucks on lance's ear lobe on the trip back-

Levi: your a whore ya know that?

lance; You wanna do something about it?

Levi: how can i? your a stubborn jack ass who plays by his own rules. if your gonna be a whore i can't stop it -levi pats lance's buldge-

Lance; Exactly.

Lance; I thought you liked stubborn boys?

Levi: yeah i do and your the worst one of all -levi kisses lance holding his face. they stop and levi pays walking out of the cab.

lance leaves a tip and hurries after him. they get on the bus where joey is asleep-

Levi: me needs shower

Lance; Me too. lets go.

-levi starts the water stripping slowly but lance won't stand for it. he pushes levi in shutting the curtains and slamming him against the wall rubbing his crotch against levi-

Levi: shit!

Lance; Lets do this. -starts the water making it come down in a heavy stream-

-levi washes them both of slowly and lance feels so close to cumming-

Levi: aren't i evil

Lance: You're gonna have to start over you know. I'm gonna cum everywhere.

Levi: not if you cum into my ass -levi bands over putting his hands against the wall- god fuck me bass

Levi: god are ya gonna cum baby?

Lance; Riiight abooouuut. NOW! -cums hard in thick spurts-

-levi moans and sits up as lance pulls out of him. lance turns levi around pressing there bodies together-

Levi: i guess being a total dick to you is un called for, but i had a good reason for it

Lance; yeah.

Levi: you are a nice guy. you can be sweet ands tuff, but when you piss me off when i'm trying to help you i want to fuck you and show you whose boss

Lance; Whatever. Now lets get in bed and fuck more. -leaves room-

-levi drys off putting a towle around him following lance-

-over the next few weeks thats all lance and levi do and levi starts to wonder if thats all lance wants to do is use him for his sexually frustration-

Becca; Lance what's wrong?

Lance; Me and Levi.

Becca: -sigh- dear god what now?

lance; We're getting along just fine. It's just that i'm wondering if our relationship is just sex? like if her just wants to have me around so he can have an ass to slam into when he's pissed.

Becca; Talk to him about it. Tell him how you feel.

lance; You always make things so simple.

Becca; That's cause things usually are. Just leave it to people like you to make it sound complicated.

-meanwhile levi is having the same talk with joey-

Levi: so how can it be that i really do love him and want more than just wonderful sexual frustration sex?

Joey; Talk to him. that's a good method.

Joey; It's not that hard just say what you're feeling and get it across.

Levi: yeah but what if he just wants only sex and he thinks this is all we have and doesn't love me? then i lose not only the wonderful sex but the guy i'm in love with

Joey: You can't be sure of that until you talk to him.

Joey; And if it turns out he only wanted sex then you pick up the pieces and move on.

Levi: goody -levi heads off to the game room wanting to ride a scooter-

-justin is also having problems telling a straight guy he's in love with him-

-chris was playing therapist-

Chris: tell him

Justin: but.....

Chris: tell him or i will

-justin sighs and leaves-

Chris: that was easy

Becca: Yup. Pass me the pickles baby.

inner chris: crap i'm gonna be a dad soon oh boy oh boy oh boy

-chris hands her the pickles and eats one himself-

Chris: good thing i like pickles too

Becca: Yum, -scoops up the soft serve icecream with it. this has been going on for weeks so everyone's gotten used to it-

-levi goes onto the bus and heads into the back setting it up so its sort of romantic. he feels weird about it but hey he can't think of anything else. he puts on that song 'lets get it on' and he feels really weird now but with lance god its gonna be nie-

-enter Lance-

Lance; hey Levi I need to talk to you.

-there are candles for light and the music is playing and the room has nice red silk sheets covering the furniture-

Lance; what the?

-lance looks at it all then levi who was only wearing sweat pants-

Levi: shirts still in the wash

Lance; Levi seriously we need to talk.

inner levi: not really but hey not as embarrassed

Levi: yeah i know we do. why do you think i set this up?

Lance; You go first.

Levi: ever since i heard about NSYNC your the one guy i thought was hot and then i learn more about you and some things i hated but they turned me on and somethings i loved and it made me want to date you. i finally get to work with you and i don't want to show that i like you so i hate you instead and over the past several months i've fallen in love with you and had alot of sexually frustration.

Levi: thats why i did this cause i want to show you there is more to me then alot of pissed off sex

Lance; I've always had a bit of a crush on you. For a really long time. But I was starting to get ovrried hat thing whole thing for us is nothing but sex. I'm glad to see I'm wrong.

Levi: yeah i pour out my heart and you sigh with relief -levi plays the music and groans when it lands ont he lets get it on song-

Levi: i was hoping it wasn't gonna be that one

Lance; yeah. It kinda kills the mood.

Levi: actually amkes me want to make love to you but if you want it off.....

Lance; Not tonight. It's not a good time. Lets just stay here for a bit.

-levi shuts it off-

-he grabs his shirt pulling it on-

inner levi: yeah screw romantic fucking night. uhg

-lance hugs Levi and pulls him down onto the bed snuggleing him like a kid does to a teddy bear-

Lance; You smell good.

inner levi: okay i'll just set this all up tomorrow for when he

really is in the mood

Levi: yeah I like your shampoo it fits you

Lance; I love you. -snuggles closer falling asleep. He was tired-

Levi: love you -he puts his face into lance's hair and smells it smiling then falling asleep-

-the next day-

-levi keeps lance busy during the day and makes sure he's horny, but not in the angry way-

-they are staying at a hotel-

Lance; Becca's due in about a week or so. We're gonna end the tour after she has the baby. Anyways wanna have some champagne?

Levi: a little bit later I have something waiting in our room

-levi smiles and plays on his laptop-

Lance; Okay.

-meanwhile chris is freaking out and making sure becca is ready

if anything happens early-

Becca; Chris please relax. You're not going to be able to do any good if I go into labor if you're having a heart attack.

Chris: i just can't believe i'm gonna be a daddy soon -he lies down next to her- just want to make sure everything is ready so we don't freak out when its time

Becca: It's hard to believe. oof. I think He's ready to see the world.

Chris: you'll come soon -he rubs her stomach and kisses it-

Lance: thanks -takes it- Cheers. -holds glass up then takes a sip-

-levi clicks it and sips his own-

Levi: tasty

Lance: yeah. It's good.

-levi turns up the music and sets his glass down. he isn't wearing a shirt and his sweats hang low on his hips-

-Lance has no shirt on either. He's just wearing pajama pants-

Levi: 'lets get it on.....' -levi sings along and his voice goes low and lance didn't know he could do that-

Lance; Damn and i thought I could sing low.

Levi: i have talent

Lance; No shit.

Lance: Want me naked now?

Levi: lets just go slow

-levi puts his arms around lance's waist and puts his nose against lance's-

-Lance kisses Levi placing his hands on levi's hips-

heh

Becca: yeah. but with all the traveling we do it is likely.

Becca: I mean with the amount of time we spend backstage....

Levi: well whatever happens most likely i will be driving you to the hospital

Levi: i better get paid for it -grin-

Becca; Either because Chris will be busy or because he will have fainted. And you will be compensated for your time. 200 sound good?

him

Levi: 'if your wondering where becca is i dropped her off at the

Becca;Yeah. They're really uneven and I'm not fully in Labor
yet. -laughs at Levi's Joke- It could take anywhere from a few
minutes to a couple hours before I'm fully in labor. But we
should get going.

Levi: its okay. you had to lie because if you didn't he would have
not gone on stage.

-levi grabs her bag and puts becca's coat on her-

Levi: yeah that kid will wait for daddy to faint when he pokes his
