

-we start out our story in a school and at the table a group of friends always sit at-

-Levi was wearing skinny jeans, a black button up, and a piano tie-

Levi: i hate it when my mom wants me to look pretty

Becca: aww, you look like such a cute little gay boy.

Levi: whatever

Lance: Hey. Where's my tomato juice?

Levi: i drank it

Becca: wow.

Levi: no not really. Justin ran off with it

Lance: For crying out loud! Justin!

Justin: me likey blood of a tomato

Jc: Oh chill out man. That stuff is a dime a dozen.

Joey: Yeah. You can just buy some more.

Lance: No. It's a specific kind that I like. -growls- and now I'm hungrier than ever.

Levi: you can feed off me -bucks his hips towards Lance-

Chris: dork

Levi: i am not a whale penis

Inner Lance; sadly I might have to take you up on that offer.

Becca; oh man. if you were, you'd have one happy boyfriend.

Jc; I'd prefer not think about it.

Levi: i wish i had a boyfriend

-Levi scoots closer to Lance grinning-

Becca; Then get one. Anywhosles... I heard about this really hardcore club.

Lance: Not in the mood for your flirting Levi.

Levi: DATE ME! -clears his throat- i mean, what about this club?

Becca; apparently it's super hard to get in without an invite. It's supposed to play this really hardcore music and the people there are smoking hot.

-Justin comes back handing Lance his juice patting his shoulder-

Justin: not my kind of blood

Levi: let me try -takes the juice-

Lance; No! Mine!

-Levi tries to sip it but Lance yanks it out of his hands-

-it goes all over Levi's face and shirt-

Becca: ew

Levi: damn it. do i look pretty?

Lance; Sorry Levi but you had it coming.

Levi: lick it off of me -growls at Lance-

Becca: You look gorgeous sweetie now let's get you cleaned up. Jc take him to the men's room please.

Jc: Okay. Come on Levi. -gets up-

-Levi wipes his face off and then runs his hand through Lance's hair then follows Jc-

Justin: now that's sexy

Lance; Gross.

Becca: So anyways what do you guys think? Something to do this weekend?

Justin: nah. got a date

Lance; I've got plans

Chris: project to work on

Becca; Oh come on!

-Jc comes back-

Becca: you want to come with me Jayce?

Jc: I'd like to but I have to help my dad with some housework.

Becca; Fine. I'll go by myself then.

Levi: I'll go -he is shirtless and a teacher walks up-

-girls drool-

Teach; You need to be wearing a shirt.

Levi: then go get me one cause he bled all over me -points at Lance-

Girl: you can have my shirt!

Levi: nah you keep it

Becca; I'll go to my PE locker. You can wear mine.

Levi: yay! -skips behind her, girls awing-

Levi: don't those chicks know i am gay?

Becca; Yeah but at least they know that if they can't have you no other girl can either.

Levi: true. can i wear your bra too i want to see how long until a teach gets pissed

Becca: No way in hell I'm going braless.

Levi: damn it -Levi puts on her shirt and it rides up- i feel like such a drag

Becca: Congrats. so I'll see you tonight?

Levi: yep

Becca; Okay.

-that night-

-Levi is wearing leather and no shirt, just a leather jacket-

Becca; Well how do i look?

-very revealing clothing, to say the least-

Levi: I'm blinded! -covers his eyes- i mean you look great. come on.

Becca; Okay. This way.

-they get to the club-

Becca; Okay. Let's just act calm and think positive. Hopefully the bouncers won't ask to look at our ID's.

Levi: i think i can fool them -takes a deep breath in-

-they quickly arrive at the basement of a private building, that is the club-

Levi: you talk

Becca: Hi. we'll be going in now.

Bouncer: Not so fast. Names?

Levi: our friends are in there. said they have something special in store for us

Bouncer: and they are?

inner Levi: think, think, think

Levi: James and Randall

inner Levi: please have someone in there by those names

Bouncer: Okay then. Enjoy yourself.

-he moves aside and they go in-

Levi: wow. Bouncer is dumber than i thought

Becca: Or we just got lucky. Come on lets go get a drink.

-Levi nods and they head to the bar-

Levi: these drinks taste funny

Becca: this isn't a Vegas club remember that. We're not gonna find anything too fruity.

-Becca takes a shot-

Levi: no it has the oddest taste

-takes another shot-

Becca: Yeah now that you mention it. Well I'm heading out to the floor. the place closes at 2 so we'll meet back at the door at 1:30

Levi: got it -walks around-

-Becca is dancing and flirting with guys-

-Levi goes out to the floor and dances with some chick which isn't fun for him until a guy presses against his back and he grins-

-the whole club is very dark so no one can tell who is who really-

Guy: Hey little doll. Let's get somewhere private. -licks Levi's neck-

Levi: mmm, let us go play

Guy; Right this way. -leads Levi to a back room-

-in back room-

Guy; What's your name little doll?

Levi: call me Jordyn

inner Levi: i'm not stupid to tell him my first name

Guy: i go by James -runs hands up Levi's chest- Damn little boy you've got a nice body.

Levi: so do you -pushes his hand down James's pants-

-James starts licking up and down Levi's neck before sucking on his neck-

James: You taste good.

-Levi moans, stroking James's cock-

-elsewhere Becca is flirting with a guy she just met-

Guy: name is Randall. you can call me Randy babe -hands on her ass-

Becca; Mmm. You seem cooler than a lot of the guys here. Wanna have some fun?

Randy: come on babe -drags her off-

-there is a flick of red in his eyes-

Becca; Nice contacts.

Randy: doll i don't wear contacts -pushes her against a wall and grabs her breasts-

Becca; Nice.

Inner Becca: Okay. Not going to freak out.

Becca; You're a grabby boy aren't you?

Randy: just playing my roll -licks and kisses her neck slipping his hand up her skirt-

-Becca moans a bit grinning-

-meanwhile-

Levi: you are so hard –still rubbing James’s cock- and so am I

James; Oh yeah. Rub my dick little boy. –groans-

Levi: what else should I do to you? -whispers into James’s ear and grins-

James: Get down and suck it.

-Levi drops to his knees and pulls James out, sucking-

James; Good boy. Oh yeah. that's the spot.

-meanwhile-

-Becca's neck is being sucked on with Randy’s hand in her panties-

Justin: ready doll?

Becca; do what you want to me

-she sounds a little distant-

-Randy snarls and bites down on her neck shoving his fingers inside her-

-Becca moans sound orgasmic-

-meanwhile-

Levi: fuck me James -he says is forcefully and lustfully-

James: Turn around and pulls down your pants.

-Levi obeys-

-James pins Levi to the wall and bites down on his neck, sucking, while slamming his dick into Levi's ass-

-Levi moans-

-both James and Levi can't contain themselves for much longer and cum-

James; Damn little boy. That was good. -pulls out- i gotta go now. It's almost closing time. But I'll see you later. -licks off a tiny drop of blood from Levi's neck then disappears-

-when Levi turns around, James's opens the door to the room and a light flashes across his face-

inner Levi: Lance?!

-meanwhile-

Randall: cum damn it -he now has his cock inside her pussy-

-Becca throws back her head and screams, cumming and spraying on Randy's cock-

-he pulls out and cums over her stomach-

Randy: bye doll -licks her neck clean and walks off-

Becca; oh man... that was...

-she pulls her underwear back on and squeezes her way through the crowd to get to the front door-

-Levi is there-

Levi: let's get out of here

-Becca doesn't say anything but nods and runs out-

-later that evening-

Levi: vampires are real

Becca; I feel cold. -she is pale and shivering-

-Levi looks pale too-

Levi: here -puts his jacket on her despite having nothing on underneath it- i can't believe Lance and Justin are vampires

-they both realized after they left the club because they saw them leaving right after them-

Becca; i can't believe I got my cherry popped by Justin.

Levi: well at least i got my ass broken in by my crush but damn... he feed off of me

Levi: explains why those drinks tasted funny and that tomato...

-Levi goes green and pukes-

Becca; Levi we need to keep this between us.

Becca: No one can find out about this.

Levi: yeah. but I want to know more about these things

Becca: okay. You can go ahead and continue researching but I want nothing more to do with this. I'm gonna head home. I'll see you on Monday.

-Levi waves and walks home shirtless-

-Monday-

-Levi is wearing a nice t-shirt that fits his figure as well as sweats-

Jc; Hello all. My limbs feel like lead and I never want to see another power tool as long as I live.

-Becca is wearing baggy clothes-

Levi: you poor baby

Becca; -grumble grumble-

Chris: you okay Becca?

Becca; I'm fine. I've just been down for a while.

-Levi looks at Becca and motions her to the library-

-reluctantly she follows-

Becca: What Levi?

Levi: i was able to hook up with this chick on Sunday. she's a vampire.

Levi: you need to hear this

Becca; fine.

-Levi then begins to explain a lot of things about super natural stuff to her-

Levi: this is why Lance won't date me! He isn't allow to date humans if he is a vampire!

-Becca and the other guys didn't think Lance even liked Levi that much-

Becca: So you're thinking that Lance does have feelings for you but is just doing a damn good job of hiding them?

Levi: yep -smiles- I'm smarticals

Becca; Levi are you sure you're not just trying to give yourself false hope that maybe Lance does indeed like you?

Levi: I'm not that nut's

-the bell rings and he grabs his backpack and laptop bag, walking to his math class-

-Becca sighs and goes to English-

-meanwhile with Lance and Justin-

Justin: Saturday was fun

Lance; Yeah. I totally nailed this one guy. Damn he had a tight ass.

Justin: this chick was so good and hot.... what was this guy's name?

Lance; He said his name was Jordyn. You get a name on your blood doll?

Justin: no. but i think i freaked her out. maybe her first time at this whole thing

Lance: yeah. The guy I fucked smelled pretty new.

Justin: maybe we will see them this Saturday

Lance; I hope so.

Justin: let's get to math -they have math with Levi-

-during class-

Lance; Hey Levi? can you help me out?

Levi: sure baby

Lance: I'm not your baby.

Levi: fine. dollhouse. what do you need help with?

Lance: This problem right here.

-Levi looks at it then leaning over Lance, since he is sitting behind him, he whispers in his ear to explain it-

Lance: Okay. thanks.

Levi: no problamo... doll -goes back to his work-

Lance: Why are you calling me by these pet names?

Levi: i don't know kitty

Lance: listen Levi, I'm not into you so back off.

Levi: you make me go batty

-Levi grins and goes back to work-

inner Levi: oh he digs me

inner Lance; I will not get him involved with my world.

-lunch-

Chris: Becca what's wrong?

Becca: Chris, I'm sorry but I don't want to talk about it. Let's just say that the club wasn't all it was cracked up to be.

Chris: did you get hurt?

Becca; ...I guess you could say that.

Becca; I...I...I lost...Something important that night. Listen I just don't want to talk about it now.

Justin: what is the name of this club anyways?

Becca; Sanguine Goblet.

-Justin and Lance look at each other-

inner Lance: uh-oh

Chris: Becca we will talk about this

Becca: No. I can't okay?

Chris: Becca what did this guy do to you?!

Levi: CHRIS SHUT UP!

-Chris looks at Levi-

Chris: you went with her, what happened?

Becca: He fucked me okay. I had sex with this guy. I didn't know what was going on and I felt like I was under his control.

Chris: you were drugged. you were raped!

inner Justin: mommy

Becca; It was like... there was something about his looks and personality... I couldn't say no.

inner Justin: holy shit

Lance; You'll probably never see him again.

Justin: I'm gonna go get a cookie

-walks off-

Jc; what's gotten into him?

Joey: Hey guys -walks up- what did i miss?

Levi: a lot

Joey: Okay fill me in.

Jc; Well apparently Becca got raped at the club and now Justin is acting weird.

Levi: -under his breath- if she got raped then i had the same thing happen

Joey: what was that?

Levi: if she got raped then we should take her to the docs

Joey; We'll drive you after school.

-Levi goes after Justin-

Justin: hey Levi. Which cookie should I get?

Levi: i know why you're doing what you are doing. i know what happened on Saturday and i know you know too

Justin: Becca told you... that i was there too?

Levi: you were the one who did it

Justin: i didn't want to hurt her okay?!

Levi: i know but seriously chill

Justin: i was drunk

Levi: uh-huh

Justin: maybe she was tipsy too, i don't know. i remember everything and i didn't drug her

Levi: of course you wouldn't do that

Justin: okay. i didn't cum in-

Levi: okay, little too far

Justin: sorry

-Levi leaves-

Justin: oh boy

-after school-

Becca; Guys this is really unnecessary.

Joey: Becca you were raped. You need to get checked out for any STD's or pregnancy.

Chris: he better have not given you anything or else -Chris clenches his fists-

inner Justin: gulp

Jc; since when are you so protective of Becca dude?

Chris: she is my friend. i have to protect her, like i protect yal guys

Jc: Okay.

Inner Jc; someone's got the hots.

-Levi was next to Lance, flirting up a storm-

-Lance was getting annoyed/horny-

Levi: you're so sexy man. i want you to be my pretty little kitty cat who curls up with me and wakes me up -grins-

Levi: or i'll be the kitty

Lance; Levi seriously leave me alone!

Levi: you like it!

Lance; Levi! I do not have any feelings for you!

-the way Lance said that made everyone in the car stare at Levi. he blushes from embarrassment-

Joey: We're here.

Justin: Levi?

Chris: you okay?

-Lance climbs out of the car and walks to the main entrance to the hospital. The others get out too and Levi stays put in the car-

inner Levi: I'm the biggest whore

Jc; Come on Becca. We'll just get in and get out okay?

-Becca just nods-

-they get in and get out-

Chris: thank god you're safe

Joey: Yeah. Clean and no bun in the oven.

-when they get to the van they borrowed from Joey's mom, his excuse was they were gonna check out the town, Levi wasn't in it-

Chris: he got himself into this

Lance; He needs to learn to knock things off.

Justin: you could have been nicer to him

Chris: he tried that

Joey: He'll come back.

Justin: he's taking the bus -points at the bus stop where Levi is sitting there, legs crossed and head phones in-

Joey: He can do that. He's not gonna listen to us.

-they head back-

Becca; I'm staying home this weekend.

Lance; either that or next time you go out one of us has to come with you.

Justin: um... yeah

Joey: Agreed.

inner Justin: i have to talk to her about this

Becca; I'll see you guys later. Chris... I'm scared to tell my parents myself. Can you call my mom and tell her to come home?

Chris: okay

Justin: Becca can i talk to you?

Becca; Not now Justin. I just want to be alone for a bit.

-she goes inside to her room-

Justin: please?

Joey: Come on Justin. We need to leave her alone.

-Justin wants to punch something but instead follows them to the car-

-during the ride Justin uses his mind to tell Lance what Levi mentioned at lunch earlier that day-

-they communicate using their minds-

Justin: he doesn't know i fed

Lance; Then that means....Oh god.....

Justin: i have to talk to her and tell her i wasn't trying to rape her. i told Levi i was drunk and Becca was probably tipsy. i didn't drug her

Lance; so he doesn't know anymore? You're the kind of vampire that is really good at instant seduction.

Justin: i didn't know it was her! -pounds his head against the wall-

Lance; Well you'll probably be able to talk to her later tonight.

Justin: i hope. how are you gonna deal with Levi, since you made it clear you aren't crushing on him and basically broke him in two and embarrassed him

Lance; I don't know. He might come back to the club as Jordyn

Justin: wait what?

Lance; I started to figure it out once Levi started talking. i think he knows about our kind.

Justin: shit.

Lance; both of them are in danger. not just from us but from our kind and Lycans and Slayers and others.

-Justin groans-

Justin: we're screwed

Lance; Unless we turned them but we can't do that. The most we can do is keep them in the dark. But I want to know who gave Levi the material on us and why they did

Justin: well while you work on that, I'll work on Becca

Lance; Okay. See ya later Justin. -gets out of van when Joey pulls up outside of Lance's house-

Joey: What was that about?

-he noticed they were looking at each other weirdly-

Justin: nothing Joey

Chris: playing some mind game or something. Let's get home

-Joey shrugs and continues driving-

-that night-

-Justin goes to Becca's house and knocks on the door-

-no answer. Becca went to bed-

-Justin opens the door finding it unlocked-

Justin: well that isn't safe. Someone might break in -he goes upstairs-

Becca: Mom? Dad? Is that you? You got home early. Did Chris call you already?

Justin: it's me –he stands outside her door-

Becca; Did you leave something here? –she is under the blankets curled up-

Justin: I want to talk. can i open your door?

Becca; It's unlocked.

-Justin goes in and sits on her couch-

Justin: Levi told me that you uh.... know who.....

-Justin pops his knuckles-

Becca; He's convinced that you and Lance are something other than human.

Justin: that is ridiculous. listen Becca i was wasted okay? i didn't drug you. i swear i didn't even know it was you!

Becca; I knew it was you after I left. I didn't want you to get arrested so I didn't say anything.

Justin: forgive me please. i just... i don't go out to clubs and fuck random chicks okay? i don't i just... that was my first time

inner Justin: usually i don't fuck them i just please them. she popped my cherry that night

Becca; Same here. I mean I've flirted with guys and been an escort for money but... I can't believe i did something like this. I'm not angry at you Justin. I'm angry at myself. I can't believe I'm such a whore.

Justin: you aren't a whore -he sits down next to her- I've been friends with you forever

Justin: you aren't a whore okay?

Becca: Justin you know I've done some really slutty things. I've gone out with old men for money. I've gambled and taken alcohol. I wear clothes that not even a hooker would wear and I've even blackmailed guys to get money off of them. -she stops herself- You didn't hear any of that.

Justin: why would you do all that? you have money, you have a job, your good in school

Becca; I have no idea! I was just hard up for cash one day and this guy offered to have me his escort and he would pay me for it. I did it and before I knew it i was into this whole scene.

Justin: i don't know if that's good or bad

Becca; I can't figure it out either.

Justin: then maybe you should stop -Justin looks at his watch- i have to go Becca

Becca; Remember. You can't tell anyone about this.

Justin: remember i didn't rape you, we both chose this -he pats her back and leaves-

Inner Becca; I chose to but I wish I hadn't

-later that evening somewhere else in town-

Lance; Levi? -knocks at his front door that is slightly open to begin with-

-Levi is reading in his living room, his parents at a conference the entire week. Lance walks in-

Lance; Listen. I'm sorry I snapped at you earlier.

Levi: i deserved it

Lance; But still. I shouldn't have been such a dickhead to you. Are we still friends?

Levi: i guess

Lance: I'll see you at school tomorrow.

-Levi turns the page in his book-

-a small tear runs down Levi's face but he just wipes it away-

Lance; Why are you crying?

Levi: I'm not

Lance; Okay then. what's that book you're reading?

Levi: Get Out

Lance: Fine. -leaves-

inner Levi: god I'm so fucking alone. no one wants to love me, not even my parents who i never see and when i do they drag me off to some rich place in this world and spoil me. my friends think I'm nuts and..... fuck this book Get Out sucks

-Levi throws the book into the fire-

-fwoosh!-

Levi: love mom and dad my ass

-the next day-

Joey: Well I called Becca this morning. Her parents are gonna be home in a few hours and they want her to stay home for a couple days.

-Levi was scratching something into the table with his pen-

Chris: god i want to know who the hell did this to her!

Jc: Whats that?

-Levi keeps scratching into the table-

-Jc tries reading it over Levi's shoulder but fails-

Justin: i talked to her last night. she wasn't raped but they were both very drunk

Joey: try telling that to her parents

Chris: Levi, you were there. what the hell happened?

-Levi has his headphones in his hood up. Jc lowers his head to see his face and can see his eyes are red-

Jc; Levi -pulls out an ear bud from his ears- You've been crying. What's wrong. Do you need a hug?

Levi: done -puts his pen in his pocket-

-the bell rings and he grabs his backpack and laptop bag heading to class. they all look at the table-

Jc; What the?

Justin: wow he was crying

-he wrote 'no love no pain'-

Joey: that's disturbing.

Chris: when isn't Levi disturbed?

Joey: Point taken

-Lance slams his fist onto Levi's sketch and goes to class-

inner Lance; this kid needs to stop moping and find a decent guy! I'm not the one for him!

Chris: i think i can understand why Levi is like that

Joey: How so?

Chris: his family. they don't even care. this summer they went to Scotland and left Levi in this huge house while they went off and did their thing for three weeks.

Chris: no one wants to date him, he always has girls flirting but i thinks its just tease

Jc: He does have a point. I mean Becca's family is also pretty damn rich but they take her practically everywhere during the summer and over breaks. Maybe we need to get him into online dating.

Justin: Jc, your bi. take him on a date. we all care about him but face it he is a little too much of a dork. show him some love dude

Jc: Yes sir! -salutes-

-they head to class-

Jc; Levi! How are you? -hugs-

-Levi squeaks-

Jc; How about you and me go out on a dinner date this weekend? Maybe stop by my place later on for chocolate?

Levi: i don't know...

inner Levi: what the hell is Jc doing?

Jc; Please please please please? A dudes night out?

Levi: okay, just let me get to math!

Jc: Okay!

-after school-

-Levi goes to Becca's-

Levi: i hate life -he mumbles to himself as the front door is opened after he knocked-

B-Mom: Levi? How are you! Becca's in her room right now.

Levi: I'm okay -goes upstairs-

Levi: no love no pain.

Becca; Hi Levi. -Becca's in a nightgown staring out the window-

Levi: your lucky you get to see your parents

Becca; Your parents ditch you again?

Levi: gone this week, back Sunday, then gone for two weeks

Becca; Why exactly do they not care?

-Levi shrugs and sits next to her-

Levi: they asked if i wanted to go to London with them but they obviously don't know i have school!

Levi: also they are busy constantly and I can't really along with them most of the time

Levi: why have a kid when you know you're busy twenty four seven?

Becca; i wish i knew the answer. If you wanted you could stay with my parents. They'd be glad to take you in.

Levi: i can't. I'd rather be alone then faked-loved

Levi: even you guys think I'm nuts. i can tell, don't deny it

Becca: I love you. The guys love you. I do admit you're a little different but should that make me like you any less? For gods sake Levi we've known each other since we were kids.

Levi: yeah but tell me one thing - why don't i have a date? why is JC asking me out?

Becca; Is it so wrong to go out on a date with someone even if it's just as friends?

Levi: he wants to go on a dinner date then head to his place for chocolate

-even Becca laughs-

Becca: So?

Levi: you are laughing at me -he falls flat on her bed-

Becca; you know how mellow dramatic Jc is.

Levi: why doesn't Lance want me? god I've crushed on him since 5th grade. he was the one who made me realize I was gay. he kissed me! remember that day on the playground?

-flashback to 4th grade-

Becca; Levi! -runs up to him- Give me back my gummy worms!

Lance; No! Levi found them so finders keepers!

Levi: my parents gave me gummy bears. i want worms you can have my gummy bears

Becca; Wahhh!

Chris: don't make me tackle you buddy

Lance; I'd like to see you try shrimp!

Levi: try and catch me -Chris chases Levi-

Justin: what's going on?

Becca; My gummy worms! -tackles Levi-

-Levi does a face plant into the gravel-

Levi: OWIE!

Becca: Victory is mine! -grabs the gummy worms and runs off-

Lance; Becca stop being a meanie!

-Levi stands and runs off hiding under the trees-

-Lance runs after him-

-Levi wipes his bloody nose crying softly-

inner Levi: i was just playing...

-Levi had issues socially when he was little-

Lance; It's gonna be okay Levi -sits next to him- I'll make it better

Levi: no you can't no one cares -turns his back to Lance-

-Becca and Chris are eating gummy worms-

-Lance turns him around and kisses his lips-

Lance; I'll make them apologize to you Levi.

Levi: you kissed me

Lance; Kissing makes it all better.

-just then a playground guard person walks up and checks Levi out, taking him to the nurses-

-later that day Becca and Chris apologize to Levi-

-end flashback-

Levi: i still have nasal problems

Becca: Sorry about that.

Levi: i said you could have my gummy bears

Becca; You know how much of a spoiled brat I was back then.

Levi: kissing makes it all better... -sighs-

Becca: Aww.

Levi: I've lived in a fantasy for so long. i just want him to kiss me again...

Becca; You're a schemer. You'll figure out a way. You found a way to get back at me so many times when we were kids.

-Levi laughs and gives Becca her homework-

Becca; Thanks. So how are the guys managing?

Levi: good. Chris wants to kill the person who did this to you and Justin said that you and the guy were both drunk

inner Becca: He would know.

-Levi heard them talking at lunch because his music was on low-

Becca; Mkay

Levi: its a better excuse then saying the guys was drunk and you were tipsy and you both made the choice. its even better then saying Justin seduced you and feed off of you while fucking your brains out

Becca; I still can't believe I did this.

Levi: i can't believe i let some random stranger fuck me when it was really Lance

Levi: i didn't want to do it either but in the end i was glad it was Lance

Becca; If you want him to kiss you again then go back to that club. Do some hair work and maybe change your look a bit and go by a different name. You wanted to investigate more about vampires, right? well maybe this is your chance. You can learn more and get another kiss.

Levi: yeah i should. I'll dye my hair black, wear red leather this time, and say my name is...
Tyler

Becca; Okay. If you get into any trouble call me okay?

Levi: totally. what about you? are you gonna be okay?

inner Levi: i think i know why she is freaking out. she didn't want just anyone popping her cherry

Becca; Yeah. My parents just want me to stay home this week. They'll be heading back to Italy and Ireland next week.

Levi: mkay. I've got to go buy some leather. later -leaves with a kiss on her forehead-

-Becca goes back to sleep-

-Friday-

-Levi goes on the date with Jc. the dinner is okay. they go to a local diner and then head over to Jc's for chocolate-

Jc; So tell me. what's on your mind?

Levi: nothing. no love no pain

Jc: Seriously Levi. What's got you so down? -hands him a chocolate.

Levi: no love no pain, didn't you hear me? -eats the chocolate-

Jc; Okay -eats a chocolate himself- Wanna watch a movie?

Levi: kiss me -Jc looks at him funny- this is a date right? so kiss me

Jc; Okay -leans over and kisses Levi on the cheek-

-as Jc pulls away, Levi kisses him on the lips. Jc jumps back and Levi sighs-

Levi: i knew it. who set you up on this?

Jc; We were just worried about you. We wanted to make sure you got some love.

Levi: your ass holes. Levi can't get a date so we'll make it seem that he is loved

-Levi grabs his coat and leaves-

-Jc groans and goes to his room-

-Levi heads to Becca's house and up to her bedroom-

Levi: they are dicks! -bursts into her room- it was a pity date of all things! 'Levi can't get a date and isn't loved, so we'll fake it!'

Becca; Okay. They could have been more honest and just said 'hey you need to go out on a date with someone so we'll have one of us go on a date with you'. But they didn't need to hide it.

Levi: I'm so pathetic. my parents have barely been around me my entire life and the guy i love with all my heart doesn't love me back. Tell him I love him my freshmen year and ever since he just pushes me farther and farther away

Levi: then Jc takes me on a pity date

Becca: I know. Life is shitty.

-next night-

-Levi colors his hair black and is wearing a blood red wife beater, black leather pants, and a black leather jacket-

inner Levi: yeash they had no red leather at all?

Bar guy: Looking sharp.

Levi: thanks

Bar Guy; So you up for a drink or are you planning on having a blood doll?

inner Levi: last time I was hear i thought that was a drink

Levi: I'll take a drink

Bar Guy; Bloody Mary?

inner Levi: eww

Levi: sure

-the bar guy gives it to him-

-Levi sips it and smiles-

Levi: sweet

inner Levi: I'm gonna puke

Bar Guy: I ran out of Tabasco sauce

Levi: its just fine

-Levi sees 'James'-

Bar Guy: So I see you've got your eyes on our southern gentleman.

Levi: why wouldn't i?

Bar Guy: point taken. make your move but I warn ya he's not the easiest pearl to crack then again that just makes the gem more desirable.

-Levi sets down his drink and walks onto the dance floor-

inner Levi: dear god i am doing something stupid. shit Justin's here too, and he sees me

inner Levi: doesn't he go by Randall or Randy?

James: hey -is talking to Levi.- You new here? I haven't seen you around before.

inner Levi: he is such a blond

Levi: been here maybe once or twice. hide in corners

James: Cool. Wanna have a little fun?

Levi: why not -his fingers brush against the front of James's pants-

-James leads Levi to a different part of the bar then the last time he and Levi 'had fun'. this one looks like a respectable bedroom-

Levi: damn...

James: By the way, I'm James. You got a name?

Levi: Tyler

James; well then Tyler, lets get started -starts kissing Levi-

-Levi moans and grabs James's hips, kissing back-

inner Levi: fuck this is so good

-James is about to pull his shirt off when he stops and backs away-

James: I'm sorry. I can't do this.

Tyler: why? -presses against James's body-

Lance: I don't feel right doing it. See there's a friend who I have strong feelings for but I can't act upon them and now he's miserable because he thinks I don't love him. He's a human.

Levi: oh

inner Levi: oh my god...

Tyler: so your just gonna let yourself suffer?

Lance; Tyler, you know vampire law. We can't allow our bonds with humans to go past just friends. It pains me enough to have to keep my true self hidden from the ones I love most. And even then I think I hurt two of them recently. I want to tell Levi and the others but it would put them in to much danger. They'd be hunted down by Slayers and rouge Lycans. You know our treaties with them have always been shaky. We can't put those we care about in danger.

Levi: yeah i understand.

James: I wish I could be with him but... -sigh-

inner Levi: i don't care any more. Lance is my only chance at love and if I can only have him as a different person, then so be it

Levi: I was here last weekend and i saw you having some fun with a guy. Why have fun with him and not me? -Levi pushes his hand down James's pants and grins-

Lance; I'm sorry Tyler. I can't. I need to go -leaves-

-Tyler sits on the bed and pulls out his cell, calling Becca-

Levi: hey Becca.

Becca; Need a ride to my place?

Levi: i won't be home tonight and i don't think you'll see me for a few days. tell the guys i went out to see my parents

Becca; Okay. Remember, if you get in trouble give me a call.

Levi: later -Levi puts his cell away and goes back out to the dance floor-

-Randall is talking with James-

Randy: your an idiot

James; Ya think! listen. I'm gonna call it a night. If you see Tyler tell him I just want to be alone right now.

Randy: James, I saw Levi here again. I saw him when he walked in

James: What!?

Randy: see? right over there -points at the bar where Tyler is sitting- he just has dark hair. he's a twit, I know

inner James; How could i have been so stupid?

Randy: now what's wrong?

James; I'm leaving. You take care of it.

Randy: I'll tell Tyler what you said. what does he look like anyways?

James: You're looking at him -points to Levi then disappears-

Randy: oh shit

-meanwhile-

-Levi is at the bar when a guy walks up to him, touching his ass. Levi turns his head seeing an older guy grinning at him-

inner Levi: i think this guy might know I'm human

Guy: Hey pretty boy. Lets go get out of here for a little snack.

-Levi nods and follows him-

-Randy scrambles to grab his coat-

inner Levi: they always call me pretty boy. Yeah, makes me sound like a whore

Guy: Now lean over so daddy can get a nice bite bite out of ya.

-Levi does as he says-

Levi: change me

inner Levi: I hope this works

Guy; no can do kid. Even you blood dolls know the laws. We can't change anyone unless we've recognized, if the human's life is in danger, or if it's the blue moon.

Levi: change me or else

-Levi starts to get pissed-

Guy: Or what? -grins- You'll tell?

-Levi thinks for a second-

Levi: just have your fun boy

-Levi pushes his hand down the guy's pants-

-the guy takes a bite-

-Randy is watching, glad that guy is smart to not change him-

-afterward-

-the guy finishes and leaves Levi on the ground nearly drained. He's got just enough blood in him to keep him alive.-

-Randy goes over-

Randy: you are an idiot Levi

Levi: I'm in love

Randy: your an even bigger twit then i thought -gets him home-

-in the morning-

-Levi is still asleep in his bed-

-the guys are at school-

Lance; He'll be like that till tomorrow probably

Justin: he didn't get changed, thank god. he's an idiot and you are too -pokes Lance in the chest-

-the bell rings and they head to math-

Justin: Lance, have you heard anything about the chick Levi talked to, to find out about all of us?

Lance; No. I've heard she lives in town though. In one of those oddities shops. Maybe Becca knows. Maybe... -gulp- ...we need to go shopping with her -shudder-

-the second bell rings for the start of class-

Justin: heh, you do that then

Lance; Dude! Don't leave me alone with her!

Justin: i refuse to go

-the teacher shushes them-

-later that evening-

-Levi wakes up-

-Justin and Lance are shopping with Becca-

Justin: Becca we know that you and Levi know about us, about the super natural stuff

Becca; Okay. Need more incense... ooh, tarot cards... wait what?

Justin: Becca, we need to know about the girl Levi went to talk to

Becca; He never told me her name.

Britney; Hey, can I help you with anything?

Becca; Oh no thanks.

Justin: Becca did he mention anything at all?

Becca; no. just that he went to the stores where we hang out sometimes.

Lance; So this one or the one a few doors down?

Becca; He wasn't specific.

-they pay and head out-

Becca; So are you guys going to wipe my memory now?

Justin: no. just keep your mouth shut. sorry about feeding off you. i seduce people really fast on accident

Becca; Okay.

-Levi heads downtown and goes into the store they just left-

Levi: that guy had the smallest dick

Britney; No luck Levi?

Levi: no. they are all strong on not breaking the law. i know the risks of the blue moon but i can't wait and i don't want to risk dying. what does the law say about a human changing themselves on their own?

Britney; well there's no law saying they can't but vampires will probably try to do something to stop you.

Levi: its it against the law for people of the underworld to give a human venom?

Britney; Yes. me being a witch, therefore one of the underworld, could be arrested for giving you venom.

Levi: do you own venom?

Britney; I might.

-Levi takes a deep breath and runs into the back of her shop and digs through her cupboards-

Levi: yes found it

Britney; If anyone asks, you don't know I exist.

-Justin, Lance and Becca come back in since Becca forgot to buy something-

Levi: so i shove it straight into my heart?

Becca: What are you doing?

Lance; No!

Justin: Levi's here! Britney your the one who told him!

-Levi takes the vile and fills a needle with it-

Britney: Well it's not fair to let both Levi and Lance suffer.

Justin: Levi don't you think it! -runs into the back-

-Levi takes off his shirt-

Levi: your not stopping me

Justin: by law we have to -but he doesn't really try to advance on him-

Lance; No Levi! -follows Justin- Levi don't do this to yourself!

Levi: this is going to hurt like hell -he stabs himself in the heart-

Lance; NO!

Levi: fuck -injects the liquid and pulls out the needle. it burns-

Levi: i hate needles... so... much

Lance; NOW LOOK WHAT YOU'VE LET HIM DO! BRITNEY YOU IDIOT!

Britney; So you're willing to spend the rest of you life alone?

Lance: I don't want Levi to be affected by the curse. The witches and vampire council will hear about this!

-Levi hits the floor, seizing-

Britney; Catch me if you can! -laughs and with a snap of her fingers vanishes into thin air-

-Lance growls and then runs to Levi-

Lance; Levi just take deep breaths. You're going to be okay.

-Becca starts thumbing through books-

-Lance, meanwhile, is holding Levi to his chest and saying things like 'just stay calm'-

inner Levi: love you

inner Lance; You're insane. I love you but you're insane

-Levi is taken home-

-Justin is reading a newspaper, Becca is watching Levi, and Lance is pacing when the other guys show up-

Chris: whats wrong with Levi, is he sick?

Becca; yeah... I guess you could say that.

Lance; It's best we leave him alone.

-there is a knock on the front door-

Justin: I'll get it

-he answers it-

Justin: oh boy....

-it is the Vampire Leader, Lycan Leader, Witch Leader, and Slayer Leader-

Lance; um... can we help you?

Vamp: you know perfectly well James

Witch; We're here to take the humans and fledgeling vampire to trial.

Justin: the guys had nothing to do with this. they don't even know about us!

-the guys come downstairs, looking confused-

Joey: Who the hell are these two guys and the two hot chicks?

-Justin hits his head against the wall, giving it a huge dent. the wall is made of stone. Levi's house is sort of old fashion-

Chris: holy crap

Jc; Damn boy.

Joey: You been working out much Justin?

Slayer: QUIET!

Witch: Come with us.

Justin: Becca ,wrap up Levi so the sun doesn't burn him

Becca; Right -goes upstairs- Joey I need your help to carry him.

Joey: I'm on it.

Slayer; You will all have to come with us. Your families have all been provided with a cover story.

Justin: Lance, what i want to know is if you love Levi so much why didn't you just make yourself go into recognition?

Vamp: yes that is what i also want to know

Lance; I didn't want to bring the curse upon him. You know one of our old sayings. 'never let others suffer what you already are'

Vamp: well, now Levi might be put to death

Witch: It is an old phrase. If you recognized with him then you should have told the council and turned him.

Slayer; You all could be put to death.

Lycan: oh you would love that wouldn't you Alex?

Slayer; Don't think I wouldn't Lyra

Witch; Enough you two. all of you come quickly. We must not be seen.

-they hurry out-

-they go poof and appear in a hotel room in London-

Chris: that was whacked

Slayer; Watch your tongue here boy.

Justin: what's going to happen to us? we tried to stop Levi! it was Britney who let him do that, she didn't do anything

Witch: we are trying to find her as we speak.

-Levi holds onto Lance's hand, slightly out of it still-

Levi: i just want to be with you

Witch: At the cost of both your lives?

Levi: i just... -Levi passes out-

-that evening-

-the trial begins-

Jc: We didn't know anything about this till now!

Joey: Seriously if you hadn't told us just now we'd still be in the dark about all this!

-Levi was still out of it-

Chris: please don't kill us

Lance; If you need to kill anyone kill me!

Witch: Enough! Lyra! You speak your opinion on this.

Lycan: the humans are innocent. Lance and Justin tried to stop him and Britney is at fault for letting him get to it. there is no law for a human to change on its own.

Witch: What do you think? -looks to the vamp king.-

Vamp: this boy, Levi, knew what he was getting into. it was his choice

Slayer: Still something needs to be done to be sure that the others won't talk.

Witch: true. what do you think?

Lycan: wipe their memory?

Witch: It takes a great amount of energy to do that with one person. With seven people it would take far to many resources.

Lycan: bound them by law. there are humans who know about us and they have to follows strict laws.

Slayer; Then what do you suggest?

Witch: Have them join ranks with us perhaps?

Lance: What?

Jc; say that again please?

Joey: eh?

Chris: your not gonna.....

Lycan: their choice which kind of us they want.

Slayer: Sounds reasonable. What do you think Alucard?

Vamp: you humans have a choice. become a Slayer, Lycan, Vampire, or Witch

Becca; How long do we get before we need to make a choice?

Witch: Three days seem fair?

Lycan: 24 hours

Witch: Alright.

Joey: Okay.

Chris: meep

Justin: can we go now?

Slayer; 24 hours -poof-

-they go back to the hotel-

-Levi is awake by then-

Levi: so am i dead?

Lance; No. But we might be soon. The others need to become one of us.

Joey: what are we gonna do? what are we gonna do?

Levi: i was only thinking of myself wasn't i?

Chris: you damn were!

Becca: WE'RE ALL GOING TO DIE BECAUSE OF YOU!

-Levi winces-

Jc; i wonder if I will better with hair or fangs.

-Levi goes into the bathroom-

Joey: This is bad.

Chris: he is an ass hole!

Becca: Well I'll be calling mom and dad and telling them I love them.

-Lance goes into the bathroom to Levi-

Lance; Levi...

-Levi is sitting in the tub in tears-

Levi: just kill me

Lance: I can't do that. We'll be okay. The guys... and girl need to just take this in. They'll be okay.

Levi: i did this to them. it always seems that the guy or girl who wants to do something so they can be with someone always are just being selfish

Lance; maybe.

Lance; But maybe the person they wanted to be with is being selfish for not explaining himself.

-Levi looks at Lance-

Levi: with love comes pain

Lance; I should have been honest with you. I was selfish to not recognize. I should have let you know.

-Levi pulls Lance into the tub and on top of him-

Levi: names Tyler. And Jordyn. what's yours?

Lance: James. Just James.

-Levi kisses him, having waited too long for this moment-

-Lance kisses Levi back, wishing he would have done this earlier-

-in the room-

Chris: a slayer sounds like fun. you aren't cursed, your just good with fighting

Becca; But you'd have to kill all the other peoples.

Joey: She does have a point.

Jc: I think I might go for fangs.

Chris: we work together. slayers aren't evil.

Justin: he's right. just the rebels are the bad ones

Becca; I'm dying.

Chris: what?!

Becca; I can't deal with all this. I'm gonna go out to eat. my last supper so I get to choose.

Joey: Becca don't.

Jc; Seriously. this isn't as bad as you think.

Becca; I'm gonna be out if anyone needs me. -leaves the room-

-Chris goes after her-

Chris: your not gonna let yourself die!

Becca; Chris I can't deal with the pressure!

Chris: please Becca. become a witch or something. i can't loose you -Chris gulps- i just said that

Becca: elaboration?

Chris: i love you

Becca; You never said anything?

Chris: i was scared!

Becca; Chris. You could have said something. You didn't need to be scared.

Chris: you shouldn't be scared now. please Becca choose

Becca; Chris... I don't know what to do...

-they hear Joey screaming that Lance has a very white ass-

Jc: Hey Becca! -is yelling down the hallway- Is it okay if Joey uses this spell book to get that hot Lycan chick to like him?

Chris: Levi's happy. you want to be a witch. Levi has suffered and he did this so he could be with Lance. Lance was being stupid and who knows, this could be a good thing

Becca; Okay. Remind me to kill Jc and Joey when all this is done.

-Chris leans in and puts his hand on her hip and kisses her-

Chris: but Jc is my lab partner

Becca; you won't need him to pass Chemistry.

-she grins-

Chris: come on -drags her back to the room where Joey looks pale, leaning against the bathroom door-

Justin: Joey had to use the toilet and well...

Joey: Pale. Pasty. Ass.

-Jc giggles-

Jc; He's so funny when he's traumatized

Becca; Yeah. Chris and I are going to borrow the extra room. Have fun with the gay couple.

-Chris drags Becca off grinning-

Jc; Oh boy

Joey: so pale...in desperate need of tan....

-in the bathroom-

Lance; did you see the look on his face! Priceless!

Levi: but you do need a tan. You are almost see through. but fuck i love this cock

Lance: I know. But seriously that was funny as hell!

-Lance snuggles close to Levi-

-Levi runs his hands down Lance's bare back ,smiling-

Levi: am i pale?

Lance; A little

Levi: then I'll just sunbathe more

Lance; mind if I join you?

Levi: we can sunbathe naked -Levi licks Lance's nose. through the wall they can hear Becca-
holy crap

Lance; Who's fucking?

Levi: i think Becca... and Chris...

Lance; those two? Never would have guessed.

Levi: we should be fucking to -Levi bucks his hips against Lance-

Lance; Yes we should get out of the tub. It'll dull the noise.

-Lance gets out-

Lance; Lets do this.

-Levi gets out turning Lance around and bending him over-

Levi: you fucked me so I get to fuck you -smiles and pushes into his ass-

-in the room-

Justin: you sure you want to be Lycans?

Je; I do think fangs would be nice but the only being able to eat blood does bug me a bit. that and also it's much easier to explain eating raw meat.

Justin: alright then

Joey: I already look like a wolf man so what difference will it make?

-Justin chuckles-

-next day-

Vamp: you made your choice?

Becca: Yes we have.

Chris: i want to be a slayer.

Slayer; Come forward.

Becca; I'm with the Witches

Witch; Come child

Jc: Joey and I are joining the Lycans.

Lycan: score two for Lycans! i mean, come forward

-Levi is there in the room too, with red eyes and fangs. he would be stuck like that for the whole day-

Slayer; Lyra, you may proceed with the turning process. Morgana, take the girl as your apprentice.

Witch; I take orders from no one Alex.

Slayer: As for you boy... you are in for a rough year.

Joey; Have fun Chris.

Chris: oh boy....

Vamp: as for you Levi -walks over to him- we have some things to talk about

Levi: yes sir -he sounded funny because of his fangs and his red eyes sort of scared the crap out of Jc, Joey, Chris, and Becca-

Becca: Eep!

Witch; oh calm down girl.

Chris: he woke up us up this morning and I thought I was gonna die

Justin: yal are wimps

Slayer; Lyra... if you wouldn't mind, could you turn those two insolent children. Now?

Lycan: which one of you wishes to go first?

Jc: oh boy

Joey: um...

Witch: Just the grab the closet one and be done with it!

-the Lycan grabs Jc's arm, yanking him against him as he changes into a werewolf and bites his neck. Then she does the same to Joey-

Justin: that didn't look fun

Chris: this is why I want to be a slayer

Slayer: It's incredibly painful. though your training and initiation will be no picnic either.
Try not to wet your pants.

-Chris gulps-

Becca; Don't kill him okay?

Slayer: Oh I won't...yet.

-one year later-

Vamp: Levi control yourself!

Levi: i can't...

Vamp: yes you can

-Levi takes a deep breath and sits in the chair-

Vamp: that's my blood mister -grabs the glass grinning-

Becca; Need me to get you some Levi?

Lance; No. We've got some blood packs handy just in case.

Levi: why are you making starve like this?

Vamp: to prove to you what happens if you don't feed once a week

Lance; Levi I went through the same thing. Trust me you'll live. Becca you should get going before he snaps.

Becca: Sorry. No can do. Morgana says i need to research things like this. Oh and also I need samples of your blood.

-the others were there as well-

Vamp: no one piss off Levi or else

Chris: but Levi's thirsty

Joey: So I can't eat in front of him?

-Chris started to become a dick ever since he started training-

inner Becca: what has gotten into him?

-Levi grips the arms of his chair and growls-

Vamp: at least i found out that blood Britney had was of a vampire bat's

Joey: so they still haven't caught her yet?

Lycan: no. Jc stop licking yourself -Jc was in his wolf form and was cleaning his crotch-

Becca; Eww.

Joey: Dude. Seriously knock it off. There are ladies present

-Levi slams back into his chair whimpering-

Levi: i need to feed! -it has been a month-

Lance; You'll make it Levi. Every vampire has to go through this.

Levi: i understand the risks. your making me suffer just for your own pleasure

Vamp: you have a lot of anger right now

inner Vamp: they usually don't have such tension built up

inner Becca; Bad energy. Lots of it.

Chris: Levi wants something to drink? -Chris is drinking red punch and he laughs-

-his mentor is also there-

Lycan: you are an ass Alex

Levi: Chris cut it out

Becca; Chris what the hell!

Vamp: Alex, you better have made him follow the Slayer law that has them bound from hurting any of us

Slayer; I am not a rebel.

-Chris keeps teasing Levi and Levi's claws grow from his fingers, his eyes going red, and his fangs grow-

Becca; Stop it Chris! God you've turned into a total ass! -leaves-

-Chris stops and looks at Becca-

Chris: Becca... -Alex goes over to Chris and talks with him and he nods-

inner Vamp: something is going to happen

-Levi stands up-

Chris: oh you are so scary Levi!

Joey: Dude seriously knock it off.

-Levi walks over to Chris, grabbing him around the throat, and he throws him against the house-

-Justin tackles Levi to the ground-

Lance: STOP LEVI!

Levi: Justin, get your claws out of my back

Justin: not until you calm down

-the vampire leader comes over with a blood pack and Levi feeds-

Slayer; You should have used your power Christopher, forced him away from you

Chris: i can't. he's my friend -walks back over, popping his neck-

Vamp: he didn't want to feed. he wanted to attack.

Vamp: this is odd. Levi was suppose to want to feed off someone, but instead he just wanted to... kill

Slayer; odd as it may be he needs to learn self control. Like a certain apprentice of mine.

Vamp: Alex you did something to him! he shouldn't be trying to temp Levi like that! -he gets into Alex's face-

Alex: I teach in the traditional manner.

Vamp: you did something to him

Alex: I'm teaching him to become a proper slayer. Like you are teaching Levi to be a proper vampire.

Lance; Chris... this isn't like you dude. what the hell?

-Chris rubs his face and feels angry-

Chris: why did you slam me against your house dude?! -yells at Levi who was now standing since Justin got off of him-

Levi: why were you being an ass to me?! -they get into each others faces-

-the Vampire pulls Levi away and Alex pulls Chris away talking with him-

Slayer: Enough Christopher. We'll deal with them all in due time. Levi is in a weakened state. So you should deal with him after the girl.

-Chris looks at the ground-

-Levi's ear twitches-

Slayer: You're not having doubts are you? this is why I told you not to get attached to things.

-Chris pulls away and goes for a walk-

-the Lycan makes Jc turn back to normal because everyone was quickly grossed out-

-that night-

-Chris takes Becca out to a movie-

Chris: I'm sorry about earlier

Becca: What you did isn't like you. Chris I'm worried. You're not the man I fell in love with. everyone's noticed. me, the leaders, the guys, the other slayers, even your mom. Chris what is going on?

Chris: i don't know...

Becca; You don't even look at me anymore when we're in bed together.

Chris: lets just watch the movie -he puts his arm around her and they watch-

Inner Becca: He used to feel so warm... now it's cold.

-after the movie-

-they are at Becca's place making out-

Becca; Chris. Hang on a second. I wanna get into something more comfortable.

Chris: mkay -smiles but it fades when she leaves-

-Becca comes out in a sheer nightgown-

Becca; remember this? It used to drive you crazy -sits next to him kissing him-

Chris: you are so beautiful -he kisses her-

inner Chris: i love you... i wish i didn't have to do this

-meanwhile-

Levi: do you sense that?

Justin: huh?

Lance; yeah. Something doesn't feel right.

Justin: chill yal

Lance; I still don't feel right.

-Jc, Joey, Justin, Lance, and Levi are all at Levi's place reading around the fire since nothing was on the television-

Levi: I'm gonna go for a walk -Levi grabs his coat and heads off-

Lance; Guys. it may just be our imaginations but I still think we should keep an eye open.
Joey can you call Chris and Becca?

-Joey nods-

-back with Chris and Becca-

Chris: i love being inside you -moans-

Becca; Fuck me. Oh god fuck me!

-Chris reaches under the pillow and kisses Becca hard-

-Levi shivers and starts to run-

Chris: i love you

Becca; Chris... what's wrong?

Chris: I'm so sorry...

-Becca struggles to get up-

-Levi picks up the pace and burst through Becca's front door falling to the ground having broke the door off its hinges-

-Chris pulls out the knife laced with poison-

-Becca screams-

Levi: Becca! -Levi bursts into her room, pushing Chris to the floor, getting the knife in his side. he was fine though since it can't kill him-

Chris: get off of me! your next!

Levi: Becca! dress and run!

-holds Chris down-

-Becca grabs a robe and giving Chris one last look of shock and betrayal runs barefoot out into the street to Levi's place-

Becca; Please someone! open the door!

Justin: Becca? -opens the door- dear god!

Lance; Becca? What the hell happened to you? Why are you're feet bleeding? Why are you not wearing any shoes?

Joey: When did you get a hot body?

Jc; Never mind that just get her inside!

-Justin slaps the back of Joey's head-

Joey: Yo!

-meanwhile-

-Levi is still trying to hold back Chris as he keeps stabbing him in the back-

Levi: Chris it isn't working but it hurts like heck!

Chris: you will die! -Chris kicks Levi against the wall and stands up getting dressed-

-he runs out of the house-

-at Levi's house-

Justin: what has gotten into Chris?

-the council four guys show up-

Vamp: what is going on?

Witch: Rebecca you're a mess. Good god girl what has happened to you?

Becca; It's Chris. He tried to kill me then Levi intervened and then Chris tried to kill him.

-Alex says nothing-

Vamp: where is Levi now?

Lance; We don't know.

Vamp: he could be in danger

Jc; Should we look for him?

Witch; Rebecca. You go rest. I'll prepare a locating spell. One of you boys bring me something of Levi's.

Lance; I'm on it.

Becca; Morgana I can do this.

Witch: Rebecca I will not hear another word out of you. Go.

-Lance brings back Levi's necklace that was given to him as a baby, a tradition in his family-

-meanwhile-

Levi: Chris get back here!

-Levi tackles Chris to the ground and this time is throw against a tree causing it to snap in half and fall onto a house-

Chris: you. will. die

-Chris pulls out two knives and Levi stands up going into half form-

Levi: i won't let you hurt anyone

-at Levi's house-

Justin: anything?

Morgana: I've got something. He's not far from where Christopher and Rebecca were at. We must hurry though -stands up glaring at Alex-

Alex: Why so angry Morgana?

Lycan: Jc, Joey. get ready. you might have to help

Vamp: you did something to Chris -he grabs Alex's arm tightly digging his claws into it and snarling at him-

Alex: I only trained him as I saw fit.

-a loud high pitched scream is heard-

Vamp: i will kick your - what the heck?

Lycan: we must hurry

Morgana: We will settle this later Alex! -transforms into a bird and fly's off-

Justin: Becca stay -goes out the door followed by Jc and Joey. Lance is scared-

Becca: Why can't I help?

Lance: Please just stay here.

inner Lance: God Levi please be okay.

-meanwhile-

Levi: god that hurt -yanks the knife out of his chest- vamp venom ya twit -throws the knife back at Chris who does a back flip dodging it-

Chris: Sorry Levi. But it has to be done. We shouldn't be alive. It's just fact. who are we to cheat death? I'm just righting a wrong.

Levi: what is wrong with you? what the hell did that Alex guy do to you?! -suddenly Alex appears behind Levi chuckling. Levi turns around and is stabbed him in the heart with

another knife-

Alex: Aaaargh! Damn you scum!

Chris: Master?

Alex: get away from me you worthless excuse of an apprentice!

-Levi groans and steps back-

Alex: You're weak. You'll never amount to anything in this world. If you had just killed the girl we could have been done with this ages ago. But no you hesitated and now I'm needing to play daddy and do everything for you! I swear if you want something done right you have to do it yourself!

-Levi starts to chuckle-

Chris: Wha...

Levi: vamp venom again -Levi yanks the knife out- can't you get it right?! -he throws the knife into the tree behind Alex-

Alex; This can't be. I laced them with Lycan venom!

Levi: no, it has to be vampire venom because I'm not kicking the bucket

Alex: It's a Lycan venom knife! It dissolves when it comes into contact with vampire venom!

-the others arrive-

Levi: either way I'm kicking your ass!

Morgana: We should see how this plays out before we step in.

Vamp: yes

Lycan: just sit Jc and Joey

Alex: Filth! You wretched boy! You should be dead! You and all you pathetic friends! You should have taken the consequences of your actions. but instead you claw and beg your way out. Now DIE!!! -lunges-

-Levi transforms into full vampire form and tackles Alex to the ground ripping him in two-

-Levi changes back to human and is covered in blood-

Levi: that was... nasty...

Alex: -last dying breath- kill yourself boy -is looking at Chris-

Levi: is Becca okay? tell me is my friend safe

Morgana; We're keeping her at the house for safekeeping.

-Chris looks down at the knife laced with poison that he is holding-

Levi: okay -Levi falls to the ground- that was NOT FUN!

-meanwhile with Becca and Lance who stayed behind-

Becca; Oh god. I hope they're okay.

Lance; Levi Levi Levi Levi Levi Levi Levi Levi Levi Levi! -pacing-

-the door opens and the others arrive, Joey holding Chris back because he tried to kill himself-

Levi: Lucy I'm home! -dripping with blood-

Lance; LEVI! -hugs him-

-Levi hugs him back and looks at Becca-

Levi: you okay?

Becca; Shaken and a little betrayed but oh well.

Lycan: Alex used him

Vamp: Levi took care of him

Morgana: Slayer apprentices are taught to obey their masters without question. No doubt Alex would have made him kill himself after he was finished with you or killed Chris himself.

Chris: I'm sorry Becca... -he begins to cry and Joey lets him fall to his knees sobbing- i tried to kill all of you!

Joey: You idiot!

Levi: what's new? you all want to kill me

Lance; I don't. -squeezes Levi more-

Vamp: shower Levi your dripping all over your-

-suddenly the front door opens-

Levi: mom! dad!

L-Mom: Levi! Oh god what happened? Why are you friends here? Who are these people! Why is Rebecca wearing next to nothing and has bandages on her feet? Why is Chris sobbing like a baby girl?

L-Dad: why are you covered in blood?!

Levi: um... -Levi picks up his necklace off the floor- how do i explain this...

Morgana; we're tutors for them. We've been helping these kids with extra lessons. Levi just got into a fight on the way home. He was bringing pizza for all of us when he ran into some trouble.

L-mom: oh my baby boy, lets clean you up -drags him into the bathroom-

inner Morgana: Suckers

-in the bathroom-

Levi: mom come on. if you came in and i was just sitting there with them you guys would have just walked pass not giving a shit

L-Mom: I'm a mom, my job is to worry. My baby boy is covered in blood so I need to go into over protective mode.

Levi: you have no modes. your modes are to spoils me and make sure i don't die. you don't love me

L-Mom: I know we've done a poor job of raising you over the years. But your father and I had a talk and we've decided that we can take a couple years off from traveling around. we can run our jobs from home. We're staying with you.

-she makes him take off his shirt and he does. she gasps when she sees a long black line down his chest-

L-Mom: oh god. Sweetheart what happened to you?

Levi: why are you doing this when I'm graduating next year? you screwed up for 16 years of my life. and what are you talking about? -Levi looks down- it's marker

inner Levi: holy shit what the fuck is that?!

L-Mom: Why won't you give me a chance?

Levi: i needed you guys so much all my life but all you did was give me money or you didn't answer the phone. I've never had love in my life

L-Mom: We're trying to change that. We want to make up as much as we can before you move out.

Levi: its not gonna work -he's crying- just clean me up or go do what you were gonna do when you walked in

-Levi's mom sighs and leaves the room-

-Levi starts the shower and looks at the line-

-Becca comes in sitting on the toilet while he showers-

Becca: Your mom is crying. She feels really guilty. I think a lot of people downstairs do.

Levi: why should I care? I'm a selfish bastard aren't i?

Becca: I think you have reason to be angry. You don't need to forgive them just yet. When you get out can I have a look at the black lines?

-Levi makes a funny face. Becca points at his back through the slightly see through glass around the shower. He looks at sees another black line on his back-

Levi: yeah -Levi hurries up to finish-

Becca; Should I forgive Chris for what he did? I know he was in a way under Alex's control but... -sigh- and on top of that... he's trying to be the old Chris again but I can still see that evil slayer in him.

Levi: your gonna make me tell you what i think then I'll realize what I'm doing is wrong with my parents, but my situation is different.

Becca: no that isn't what I am trying to do

Levi: anyways, Chris needs a new trainer. I could see that Chris didn't want to kill you and if he really did you would be dead

Becca; that may be. but the three remaining council members are still keeping him in solitary confinement until further notice.

Levi: he deserves it -he shuts off the water and grabs his towel, drying off. then he climbs out and looks at Becca- should the council people look at this?

Becca: They should. But from the looks of it your body has developed an immunity of some kind to poison and venom of any kind. The blackening should fade away soon.

Levi: okay... me is really confused -Becca takes him to the council-

Vamp: you have an immunity

Morgana: Yes. You're quite blessed.

Levi: then how do i die?

Morgana; with great difficulty. If you die at all that is. Everything in this world must eventually pass on to the other side. but it looks like you won't be doing that any time soon.

-Levi sighs and sits down. Lance sits down in his lap holding him-

Justin: so romantic

Joey; Aww... wait, you didn't hear me say that.

-Levi puts his face into Lance's chest and sighs-

Lance; -whispering into Levi's ear- I'll always love you.

Levi: I'll always love you -kisses his nose-

Morgana: I'll be going now. You all should go home too. And stay safe. I fear that this may be far from over.

-they all head home-

-Chris meanwhile is in confinement and wishing that Becca will forgive him-

Voice; Prove you love her.

Chris: whose there? -he's scared-

Voice: Turn around.

-Chris does so-

Chris: who are you?

Guy: Names Uriel. Yeah I'm named after an archangel but I'm no saint -a darkly clothed vampire walks up from a corner of the room-

Chris: why should i trust you?

Uriel: I'm in a cage. I can't do much harm here.

Chris: do we like share this room?

Uriel: Yeah pretty much. At least until our trials and my inevitable execution.

Chris: why are you trying to help me? you probably want me to do something stupid so i suffer like you and you don't even know me

Uriel: Again. I can't do a damn thing in here. i can't even lie. If I do I start choking and a whole bunch of crazy shit happens to me. That's one of the things that happens when you piss off Morgana one time to many. Anyways do you want me to help you win back the girl or no?

Chris: please!

Uriel: Prove you love her. Something big is coming up and she'll be in danger. you know that Witch, the one that turned your friend?

Chris: i don't know much just that she goes by Britney

Uriel: Well anyways word travels in the underworld underbelly. that includes prisons. Anyways Britney is planning something big. She's trying to cause chaos among the underworlds lead races. The lesser ones will be killed in the crossfire. Your master, Alex, was only the first part in a bigger plot. Your friends are in danger. You need to help them.

Uriel: Listen. The information I'm giving you can get you out of here for good. Not only can you save your girlfriend but you can save worlds. Just tell the councils about this. You can get out of here.

Chris: want me to help you get out?

Uriel: It's too late for me. My time as a bad ass vampire is over. Even if you did help me I'd be killed either way. Just get yourself out of here and save your girl. by the way. Don't listen to that real estate agent. The house is worth a lot less. the one across from it will house your family better.

Chris: ...okay then...

-once Chris is then taken to his trial and he explains what he is told-

Chris: he can't lie

Judge; And you are sure it was Uriel who told you this?

Chris: i guess

Judge: He is due to be executed this evening. and yet he uses this information to free you.

Noble. Very well then. You are free to go.

-Chris is sent home-

-next week at school-

Becca: -chanting in Latin-

Joey: what are you doing?

-Levi starts to try to chant with her but it turns into gibberish-

Jc; Shh. she needs to concentrate.

-soon lines form on the paper she's concentrating on and then Becca stops-

Becca: Okay math homework done.

Levi: cheater. I would have done it for you

Becca; Meh -sticks out her tongue-

Levi: just wait till the teach asks you to do the problem on the board to prove you didn't cheat. All the math teachers in this school know you suck at math

Becca: I've got time. I can learn some spells.

-Levi rolls his eyes and runs a finger up and down his own chest-

Lance; You okay Levi?

Levi: I like to touch myself -he grins-

Justin: the black lines are back aren't they?

-he nods. Justin and him have PE together and he saw him in the shower-

Lance; We need to go back to Morganna don't we.

Levi: I don't see anything wrong. Chris? -Chris comes into the school- he's back everyone run! -Levi laughs-

Chris: zip it.

Becca; Shut up Levi -stands up- I'm going to class. I'll see you guys later.

-Levi watches Chris and Becca closely as they head their separate ways-

Joey: Sad. They seemed to really love each other.

Justin: I wouldn't worry.

Lance; Levi?

Levi: mm?

Lance: about the Becca and Chris situation...

Levi: yes?

Lance: Any idea what will happen? Think they'll get back together?

Levi: I don't know...

-the bell rings-

Lance; well off to class.

-they head to math-

-meanwhile-

Chris: Becca I need to talk to you?

Becca; There's nothing to talk about.

Chris: please Becca.

Becca; -sigh- fine!

Chris: Becca when I was locked up I talked with this guy. Yeah he's a bad ass vamp who was sentenced to death but he can't lie or else.

Becca; yeah. Morganna told me about Uriel. His execution was delayed but not for very long. He'll be dead on Friday.

Chris: oh. Well do you know why?

Becca; I never asked. Morganna hates him as much as she hated her half brother Arthur so I didn't press her for details.

Chris: he told me that the Britney chick that helped out Levi is plotting to kill all the council leaders, the rulers of each kind.

Chris: Alex was just the start of it. She wanted Levi to kill him.

Becca; it would cause panic and disorder among all the lead races causing a war. It would go back to the dark days... this isn't good.

Chris: he said we are all in danger

-the fire alarm goes off-

Chris: I hate fire tests

Teacher; Okay everyone hurry out!

Becca; I work in the office during sixth period. We weren't supposed to have a drill till next

week.

Chris: crap its real or someone is being a twit -takes Becca with him-

-all of a sudden there is an explosion from the class that Levi was in-

Chris: shit -he is in band-

Chris: oh god that Levi class -Lance skids out of home making with Joey from the end of the hall-

-Justin and Jc are in history other end of school-

Britney: Stage one complete -she has Levi bound and gagged and knocked out- Catch me if you can!

-poof-

Lance; LEVI!

Chris: what is she gonna do with him?!

Joey: What the hell!

Jc; We need to tell someone!

-Justin and Jc run down the hall-

Justin: WHO JC WHO?!

Jc; I don't know!

-suddenly Vampire, Lycan, and Witch leaders show up but look like teachers-

Justin: great disguise.

Becca; wow.

Morganna: I like looking like I'm twenty again.

Vamp: come on we have to check the band room -they run to the band room-

Joey: What the hell happened here?

-the whole room looks like it was on fire but was put out. Their were skeletons of all the students and teacher-

Morganna; she's good with thunder spells I'll give her that.

Chris: she killed everyone

Becca; some of these people... were our friends -she's crying-

-Lance goes over to where Levi would sit. His necklace is on the ground, black but it can be cleaned-

Justin: we'll get him back Bass

Lance; I will find her -hands and jaw clenched- and I will make her suffer for what she's done!

-they all go poof and show up in this head quarters place where witches and wizards are searching for Britney and Levi-

Morganna; Rebecca. Dry your eyes and start helping with this.

Chris: it will be okay

Becca; Right. -wipes her eyes and goes over to where some witches are working. she ignores Chris-

Morganna; I must keep track of all of my kind now. Levi is immune to Lycan, Vampire, and Slayer poison but witchcraft he could still have weakness to. Britney would need a sacrifice to make him immune to it so all of my people must be on their guard.

Wizard: ma'am!

Morganna; yes?

Wizard: the Lycans are freaking out. their leader is missing! -they look around the room. the Lycan leader wasn't there-

Wizard: they think we kidnapped him!

Morganna: Damn. Time is running out. Quickly start talking with the Lycans and explain the situation to them!

Wizard: they won't listen!

Chris: war is starting

Vamp: Lyra... please be okay

Morganna: and we have little time. Alucard. I know you're worried about her but try to remain calm. Lyra is no fool like Alexander was. She can hold her own.

Justin: you and her like... -Justin crosses his fingers to indicate a bond- dating or something?

Vamp: we have five kids

Justin: Ah -Justin runs his hand through his hair-

-a child walks up-

Chris: who's this?

Morganna; Alucard. You should take your other children and put them into hiding.

Child: Father. Is mother coming back?

Vamp: we will find her -picks up his child- come on gather your brothers and sisters we are

gonna place you somewhere safe

Morganna; Remember this moment all of you. Alucard rarely ever shows his soft side.

-he growls at her and hurries off-

Vamp: this is what i get for naming you Godmother

Morganna; You know you like it -grins-

-meanwhile Lance is crying-

Joey: Okay so when we're done goofing around can we get back to finding Levi!

Lance: yes!

-they keep searching-

Becca: I'm going out for some air. I can't concentrate.

Lance; -nods-

-Chris is rubbing his forehead-

Joey: I keep getting calls on my cell from some of the other Lycans. They want me and Jc to join the fighting. I can't deal with this.

Jc; Me too. I'm not going against my friends.

Wizard: ma'am, the Lycans have kidnapped back Lyra's kids and guess who is freaking out?

-Alucard storms into the room freaking out-

Morganna; Shit. Alucard!

Vamp: I don't trust those filthy Lycans with my children!

Vamp: if they want war...

Morganna: Alucard for god's sake calm yourself!

Lance; Oh no.

Chris: Vampire dude, this is what Britney wants. she wants war! You can't let it happen!
they won't kill them they just want to keep them safe while they are looking for their leader!

-he sits down and cries-

-meanwhile with Becca-

Becca; I swear this is enough to make a person take up drugs and alcohol

Britney: why don't you?

-Becca whips around and screams-

-Britney grabs her and they go poof-

-meanwhile inside-

-Joey's ears twitch-

Joey: I heard someone scream.

Chris: I did too -Chris runs outside then runs back in- Becca's gone!

Vamp: Britney is always working under our noses

Morganna: I should have been more careful. Now we have more people to look for.

Christopher! I want you and your friends to work on searching any likely places where Britney may be hiding!

Chris: yes ma'am

-meanwhile with Britney-

-Becca sees Levi is chained to a wall only in his underwear. He has those black lines-

Becca; Where are we?

Britney: We, sweetie, are in an old castle in England. Morganna would never think to look in the place where she and Arthur grew up as kids. Back before he became king. And you are going to die.

Becca; Please Britney it's not too late to end this. You can turn yourself in

-Levi struggles against the chains-

Britney: Now now Levi. You're gonna be all powerful so you shouldn't struggle. Of course you'll be under my absolute control but you'll be the best soldier ever

Becca: Please Britney. Let me live.

-the black lines on Levi's chest seem to drip blood even though they aren't cuts-

-he's in horrible pain-

Britney; Hun if I wanted to go back I might. But it's too late. I want power. I want chaos. And I need you to finish all of it. Now if you would just sit tight for a bit we can begin.

-Levi thrashes against the chains again-

-his mouth has been sewn shut using magic-

Britney: What's that doll? I'm a little hard of hearing. If you could open your mouth a little wider please -laughs wickedly-

-tears roll down his face. His eyes had been sealed shut as well-

Becca; why are you doing this to him!

Britney: Who cares why? Do I need a reason?

Becca; Levi!

-he thrashes more and more against the chains-

Britney: He can't hear you stupid. Now I've got to get some things ready. You stay here. You won't be able to get out of this room even if you tried.

-Britney leaves the room-

Becca; hang on Levi. I'm gonna get you down -she casts a spell and the chains unlock-

-Levi stays hovered in air-

Becca; Damn. The bitch thought of everything -continues casting spells till she gets him down-

-but he hits the floor and the black lines rip open. They were cuts but made by a witch so yeah-

Becca; Oh god oh god. -mumbles out a healing spell and starts unbinding his eyes and mouth-

-Levi is screaming-

Becca; Levi. Levi clam down. We're gonna be alright. Try to calm down.

-Levi's eyes open and his mouth and cuts are bleeding. He screams more still under some curse that just causes him to bleed EVERYWHERE-

-bad thing is he can't die-

Becca; Damn it. Okay. What can I do... curses this powerful can't be lifted by an apprentice like me. The only other way is to kill Britney. What can I use? -starts searching around- Wait... the wine for the sacrifice. If I'm right she needs to take a sip of it first before she uses it -Nods and starts grabbing random bottles and starts working on poisoning the wine-

-Levi whimpers-

Becca; we'll be fine Levi. You'll see.

-Britney comes back in-

Britney: Well. Trying to get out are we? Nice try. Told you escaping was useless. Now let's begin.

-the sacrifice begins and towards the middle of it Britney grabs the wine glass and sips it. Right when she's about to continue she doubles over in pain coughing up blood-

-Levi starts to scream-

Britney: You! You wench! You try to poison me! -Grabs the rest of the wine grabbing Becca by the mouth- Take a taste of your own medicine! -Pours it down Becca's throat-

-they watch as Levi starts to shake and tremble then suddenly he changes into... Lyra-

Britney: Well at least something is working. I might not live long enough to see this but at

least I'll have my chaos! -grins wickedly-

-Britney cast a spell on Lyra to make her look like Levi. The cuts were stitches of the suit that covered her and the sowing of the mouth and eyes were to make sure no one could see her eyes and hear her voice-

-Lyra struggles to her feet. Her chest is covered-

Lyra: you're a slut

Britney: And you betray your own kind. Mating with a vampire.

-suddenly out of no where the rest of the counsel and the guys go poof in the room-

Vamp: Lyra!

Morganna: How dare you use my old room as your center of activities! You will die for this
Britney!

Chris: Becca? Becca! -runs to her holding her-

Morganna: The girl is good with mixing poisons but it looks like her talent backfired. There's
antidote somewhere here. Find it!

Becca; Chris. I'm sorry.

Chris: I'll save you. Alex taught me something good -he starts to scramble through all the
potions-

-Lyra holds onto her husband tightly-

Lyra: where are the kids?

Vamp: war has broken out. The Lycans took them. I know they are safe but still

Morganna; Alexander and good? Two words I never would have thought would appear in the same sentence.

Lance; where is Levi!

Justin: yeah where is he!

Lance; Oh god Levi. Please be alive.

-Lance goes and grabs Britney around the throat burning with anger-

Britney: -gag choke cough-

Morganna; end it Lance. You are in the right to end her life.

Vamp: Lance she is the only one who knows where he is!

Lance; Fine. As soon as she tells us where he is I'll kill her.

Jc: No.

Justin: what?

Jc; Lance she could lead you into a trap and then you'll never find him. Keep her alive and have her lead us to him.

Lance: Alright -loosens his grip- Now tell me where he is.

-Chris gets the concoction ready and goes to Becca injecting it into her-

Chris: please tell me I got it right

-Becca is losing consciousness-

Chris: please!

Becca; Ugh. I feel like shit.

Becca; I'm gonna be fine.

-Chris kisses her-

Chris: thank god.

Britney: Fine. I'll take you to him -gets up and begins walking-

Morganna: If you double cross us we'll kill you.

Justin: but then we will never find him

Vamp: what did you plan to do to him?

Britney: My own super soldier. I would use him to destroy you all.

Lyra: you are a bitch

Britney: and you look like you went through a meat grinder but I'm not a fan of the obvious.

Lyra: that was because of you!

Vamp: baby calm down -rubs her back-

-Britney grins wickedly-

Britney: Right here -opens the door-

Morganna: You used my brother's old room. You bitch.

Britney: Oh I'm sure Arthur wouldn't mind.

-they walk in-

Lance; Levi?

-Levi is sitting there and looks dazed. Like he's been drugged-

Vamp: Levi can you hear us?

-Levi looks up and stares at Britney-

Britney: How ya feeling hun?

Levi: okay

Lance; Levi!

-He doesn't respond-

Lyra: he is under her spell

Britney: He won't listen to you. He's cursed. And won't come back. He'll come back over my dead body.

Becca; -hoarsely- that can be arranged.

Vamp: kill her Lance

-when Lance tries, Levi shoots up slamming Lance against the wall-

Lance; Levi let go!

Morganna; that's it!

Lyra: we have to kill her now!

Lyra: Becca do it

-Becca points to Britney and with a look of horror and disbelief Britney coughs up a ton of blood and falls to the ground dead-

Chris: damn don't piss you off

-Levi stops and let's go of Lance-

Becca; By our laws I can't cast anything on you unless it's for your own good.

Lance: Levi?

Levi: where am I? What happened to the people in the band room are they all okay?!

Lance; Levi... I don't know how to tell you this...

Jc; Britney killed them all. She kidnapped you and tried to use you.

Levi: there all... dead? -Levi takes a deep breath- god did I hurt you Lance?

Lance; You only slammed me against the wall. I'll be fine. I'm just glad you're safe

-Levi hugs Lance tightly-

Morganna; We must leave now. Peace must be restored.

-poof-

-two weeks later-

Becca; They finally elected a new slayer leader. Amelia right?

Chris: yeah

Je; Um... so did you get a new trainer?

Chris: Yeah. She's cool

-Becca's eyes roll-

Levi: someone is jealous

Becca; No I'm not.

Chris: don't be -kisses her-

Joey: But she does have a nice set of tits

Chris: you take her I want this -wraps his arms around Becca kissing her more-

-Levi gags-

Becca; No fucking till I'm off my period. Speaking of which I need to change my pad -gets up and leaves-

-Levi gags again but Lance jumps into his chair, kissing him. they both laugh and the chair falls over-

Joey: Too much sex. I need in on the action. Damn it mating season is a pain.

-epilogue-

-Becca and Chris did eventually get married and just as Uriel predicted nearly got ripped off by a real estate agent. Thankfully that didn't happen and they got a decent house. They had three kids.-

-Joey eventually married his high school sweetheart Kelly, who just so happened to be a Lycan, and had a little girl-

-Jc hooked up with AJ McLean-

-Levi and Lance broke up two years later-

-Levi wanted to kill himself because of it, that Lance would do this after all Levi did for him-

-Lance hooked up with this girl Laura-

-Lance and Laura had twins-

-Levi couldn't kill himself so he had to live without anyone he could truly love-

-ten years later Laura tried to kill Lance and their children-

-Lance runs to Levi with his children because he couldn't kill Laura himself-

-Levi kills Laura gratefully-

-Lance feels guilty and shit and after blah blah blah they hook up again-

-and Justin married a hot chick named Chrissy-

THE END or EL FIN!
