Becca; Okay Jc? What exactly is it we're looking for?

-levi MALE is walking down the hall headphones in listening to shakira's whenever wherever-

Jc: There's been some deamon sightings here. For the most part we're here to investigate them. But there have also been reports that potentials that have just recived the power are here.

Becca: I thought Lance's spell got em all in one fell swoop.

Jc: Yes technically but some are late bloomers. just keep an eye out. Don't forget you're takeing a job here undercover as a counsouler.

Becca; Great....Haveing to deal with the people I hated and cpoies of myself. Highschool sucks. -passes Levi.- Hey kid. Lud enough for ya?

Nick: Hey wussy. -grins- Looking to get your ass kicked again?

Becca; Oooh fight scene.

You're gonna be in the nurse's office before you can cry for
mommy.

Levi: RAPE GET THIS... IT OFF OF ME!

Becca; I kinda like him?

-levi shuts his eyes waiting for the punch-

-Nick raises his fist and swings-

-levi slips under his punch eyes never having opened-

Levi: did you miss me or something?!

Becca; Umm jayce?

-levi opens his eyes-

Nick: How the hell did you dodge!

Levi: i dodged?

Becca; Yeah. You're not bad for a rookie.

Nick: Keep out of this bitch!

Levi: um i'm just gonna go -tried to get away from nick-

Nick: YOU get back here! -aims a kick at Levi-

-levi jumps out the way-

Levi: don't hurt me!

Nick: You're gonna get more than hurt. -lunges-

-levi jumps promptly out of the way doing a back flip-

Jc; i think we may have found a male slayer.

Levi: is their like rope on me making my fly?! play practise isn't

Becca; damn. Hey kid! After you're finished with this puke meet
me and my friend outside. We have some stuff to share with you.

Nick: What the hell!? What are you!?

Levi: i'm something?

Becca; Yeah. Now stop playing with the nimrod and come with
me.

-levi shakes his head quickly and runs into the bathroom-

Becca; Jc you go get him.

Jc; Yes ma'am

-Jc goes into the bathroom-

-levi is peeing-

-now listening to conga-

Jc: God damn these bathrooms are nasty. Geeze don't the schools pay for anything decent here?

Levi: come on everybody do that conga

Jc; If you would take out your headphones I could explain some things to you!

-leiv jumps and takes one out-

Levi: dude me is peeing

Jc; I'm well aware of that. Now once you've finished I can explain. forgive Becca. She's a little rambunctious.

-Jc waits till Levi is done-

Jc: You have powers that not many other people have. It's difficult to control them but we can help you. You also have some big responsibilities. Again there are people includeing myself who are willing to help you.

-levi didn't hear all this for he had his headphones back in and

he washes his hands leaving and going abck downt eh hall-

Jc: For the love of god take out those damn headphones!

Becca: Leave him Jayce.

Jc: But he needs to know!

Becca: He's gonna find out eventually. Just give it time. He won't go to the vampires and deamons they'll come to him.

Jc; We'll be patrolling early then?

Becca; Sounds like it. Now lets get to my new office. I can hear emotionally distressed teens a mile away.

-they walk away.-

-later that night-

Becca; Heeere deamon spawn.

Jc: I called for Chris and justin to show up. They might help explain the situation to the kid.

Chris: ello ello ello!

-runs and crashes into a car-

Becca; Yeah. In the meantime hey baby! -runs to Chris- Aww did you hurt yourself?

Chris: little -walks away shaking it off- i'm okay!

Joey: smartical dude

Becca; So where's Justin?

Justin: right here -also runs and crashes into the car-

Chris: yeah it does hurt

Justin: uh-huh -its a grunt-

Becca: You guys are seriously high. Come on. We

Becca: We've got a vampire nest to take care of. And a new slayer who jsut so happens to be a guy.

Jc; One more to your ranks guys.

Joey: hell eyah high fives -hig fives justina dn chris who five each other-

-it just happens that on the other side of the street Levi is walking down with headphones is singing second chance by Shinedown-

-for some reason he can't shake the feeling he's being watched-

-Levi just sings softer-

-there's heavy breathing-

inner Levi: this is what I get for my mom being a drunk isn't it?

-Levi picks up the apple-

inner Levi: the music doesn't have breathing in it.....

Guy; You ain't going anywhere. -steps in front of Levi grabbing him- I'm hungry and you're gonna be my meal.

-Levi shakes-

Levi: am I totally wimp I wet myself

Levi: at least I think I did

-Levi hadn't heard him talking remember EAR PHONES BLASTING-

Vampire: Damn it. Not another one of these kids. -rips out Levi's

headphones crushing them with his fist-

Levi: hey i paid buig moeny for that! i'm poor ya know!

Lervi: music is my escape and you broke it -whimpers-

Vampire: -goes into vamp form- Well you can escape all you like in kingdom come.

Levi: -looks up from his shoes- dude what the hell is wrong with you

-The vampire grins and yanks Levi's head to the side showing his fangs-

-levi jumps backwards-

Vampire: I'm a bloodsucker idiot.

Levi: no touchy the body buddy. stranger danger?

-levi thinks its make up-

Levi: dude your drunka nd came from some party

Vampire: YOu are really clueless you know that. -grabs Levi again- Now shut up before I snap yo-ARRRRRRGGH! -the sound of

a crossbow firing and the thud of the bolt is heard and the Vampire turns to dust with a scream the crossbow bolt clattering to the ground-

-levi goes paler then he already is-

Becca; Seriously kid. -is sitting on a crate crossbow in hand.-
Learn to just thow a punch.

Levi: so he didn't break my ipod just my ehadphone s-=pick up his ipod- yay!

Jc; Unfortunately. -walks up- Now are you willing to listen to us?

Levi: some magic trick right?

Becca; hardly. -jumps down from the crate- You mentioned something about your mom being drunk? Wanna get away from her?

Levi: and my rapest father -shakes a bit-

Becca; Okay. Will you hear us out in exchange?

Levi: fine. i just need new headphones

Becca; Okay. Chris start the van. Come on kid we've got some

stuff we need to explain.

-levi shurgs and gets in-

-chris starts up the van-

Becca: Step on it baby. We've gotto get to Rome asap.

Levi: rome?!

-chris drive soff-

Becca; You said you wanted to get away. Now Jc Joey you two start explaining.

-Jc explains everything as best he can Joey occasionally makeing comments here and there-

Levi: eplains why i was able to dodge Nick

Joey: welecome tot eh team buddy

Jc; yes. Welcome to being a slayer. Now we've got a fake passport ready for you so if anyone asks you any questions just follow our lead. We're on a family vacation. You're our coustin.

Levi: okay..... sweet i get to go to rome for free

Becca; Don't worry we've done this before. Be prepared to be around alot of girls. There's a few guys around but you're still at risk for estrogen overload.

Levi: my father thinks i'ma girl anyways

Becca: Speaking of estrogen overload I should call Lance. -grabs cell and starts dialing-

Jc: justin do you think you'd be willing to have a roommate?

Justin: sure

Justin: doing this you meet alot of ladies man

Levi: i'm gay

Justin: oh. -mumbles this- explains the father thing alot - mumbles that too-

Jc: Ahh. Well we've got plenty of lesbians in the bunch so you won't have to worry too much.

Becca: Okay...Thanks Lance...Yes I'm sure....Okay Bye. -hangs up-

Becca; What's this about another rainbow in the group?

Chris: levi is gay and jsutin belives that is why his father rapes him

Levi: that sums it all up

Levi:a t least my first time was with a screwdriver before him

Becca; Well good. lance is gonna have a friend now. -smiles-
Don't worry it's okay to be gay here.

Levi: well i was rasied and lived in a town where gay was wrong and i had no friends and always got either beaten or rape.d i don't udnerstand why they think raping by a man on another man is okay and making love between men isn't

Becca; People are psychos. Turst me I know from expierence. - looks at Chris.- Chris can you step on it? I want to get out of here as soon as possible.

-chris does so-

Chris: wee!

Becca; Thank you baby. -kisses him-

-chris smiles more-

Jc: If you two would kindly keep your phermmones under control until after we get back to Rome I'm sure it would be very much appriciated by all.

Becca; Quit being a killjoy Jc.

-they get to the airport-

-and soon reach rome-

Levi: dayum

Becca; Better than the postcards I know. And here's our welcomeing party. Hey Lance.

-a blond guy with green eyes followed by three girls goes up to him-

Lance; Hey guys. How'd it go?

Becca: Good. Everything under control here?

Lance; yeah. Who's the new guy?

Levi: i'm Levi a total wimp and furitcake who is treated like crap because i am crap, at your service

Lance: Well you're not crap if you're with us so get those thoughts out of your head. -smiles.- I'm Lance. Come on We'll show you around.

Becca; You have fun Lance. Come on Chris. -drags him off-

CHris: yay fun time

Jc; You guys had better come with me. We'vegot some work to do.

Justin: yes sir -slautes-

Lance; Have fun. -turns back to Levi- Lets go.

-jeoy rolls hsi eyes following-

-levi goes with lance-

-the three girls who were behind Lance go onto the next plane-

Lance; Those three girls are also slayers. You'll be starting training next week.

Levi: okay -scans through his ipod having got new headphones before they left for rome-

Lance; You're not gonna tune out everyone with that are you? Turst me if you go on patrol with that blareing you could end up in trouble.

Lance; Anyways here's our main headquarters. -leads Levi to a huge castle like building-

Levi: cool

-he puts in his headphones-

Levi: music is my escape i need it like 24/7

Lance; We've got one in scotland and a few in other parts of the world.

Levi: i also need a paino and lots of sheets of music papaer so i can write

Levi: and i wish i had a laptop but i don't ahve neough moeny yet

Lance; Can do. We've got alot of stuff here. Days are gonna be filled with training so you'll be pretty busy. And don't worry. If

you need a laptop we can get you one.

Levi: mkay

Lance: And Becca already told me that you're rooming with Justin. So I'll show you your room. I need to grab something from mine first though. -Leads Levi down one hallway-

-levi follows-

-they go into Lance's room. In there is an urn with flowers around it.-

Levi: whats that? i know its an urn but who died

Lance; Dirt from Sunnydale. I wanted to keep a piece of Brian with me.

Levi: brother? father? cousin?

Lance; Boyfriend. Lover. He was murdered about a year before Sunnydale was destroyed.

Levi: oh. sorry

inner levi: great me is stuck with depressed gay dude

inner levi: like i'm any better

Lance; I've moved on. He's still very dear to me -smiles- But I'm learning to cope. Don't worry. Things do get better. Anyways I found what I needed so lets get to your room and get you settled in. Just to warn you Justin's room is a pigsty.

Levi: i'm OCD i can make the dinner table my bed which is what i've done before

Lance; You won't be sleeping on tables i can garuntee that.

Levi: i won't be surprised if i do though

Lance: I'll keep that in mind. Here we are. -opens the door. sure enough it's a mess-

Levi: wow no floor

Lance; hehehe yeah.

Lance: If you need anything don't hesitate to ask one of us okay?

Levi: okay.....

Lance; I'll see you tomorrow then? Breakfast is at seven am sharp. -turns and leaves smileing and waveing-

-levi waves back and goes back to listening to his music while cleaning the whole room up-

Justin: So you've met Lance already? -is standing in the doorway-

Justin; He's a nice guy. It's hard to believe that he's resurrected the dead and nearly destroyed the planet.

Levi: -levi didn't hear-

-MUSIC!-

-Justin rolls his eyes and leaves a note on levi's bed 'ignore any thumping feeling or sounds. Becca and Chris are next to us and they're usually pretty active at night'-

-levi's ipod battery dies-

Levi: damn it -he reads the note- goody

Justin; Yeah. They got married recently so they're fucking like crazy. Jc says they should so they can get it out of their system. Thanks for straightening up the place a bit for me.

Levi: get it dirty i kill you

Justin; I'll be sure to sleep with a knife under my pillow.

Justin; If you wake up sweating from a nightmare be sure to reprot what you see to Jc or Lance.

Levi: what do you mean by that?

Justin; Slayers like you and me will have prophetic visions. Often in the form of nightmares. Don't ignore them cause if you have them it means trouble is coming and probably fast.

Justin; So if you have one or think you have one tell Jc or Lance so they can anliyze it and figure out what's going on.

Levi: er k then

Justin; Don't worry. I was pretty skeptical of it myself.

-levi gets into bed and falls asleep headphones in-

-Justin rolls his eyes again and goes to sleep-

-he had his other ipod in-

-the crapy shuffle-

-that night-

-there is singing coming from a few of the rooms-

-and...-

-levi has weird dream where a red deamon like dude in a blue suit is laughing his head off while strange maniquin like dudes laugh next to him-

-levi opens his eyes and looks at his shuffle realizing he is listening to maniquin by britney spears. he changes it and goes back to sleep-

-again with the dream-

Levi: what the hell?! -he sits up in bed and groans-

Justin; You too?

Levi: i think i wet myself -he whimpers- god i have such horrible blatter problems

-MUSIC!-

justin: You're not the only one. -groans- FOR GOD'S SAKE WILL YOU TAKE OUT THAT DAMN IPOD FOR TEN MINUTES!

-levi looks over and takes a headphone out-

Levi: why are you awake?

Justin: same reason most people are. Freaky dreams or bursting into song for no reason! Look! -opens door- We

Justin: We've got Lance singing about tea and then Joey is dancing around the hall for god knows what and i think Becca and Chris are doing some crappy version of 'bad touch'.

Levi: i was just listening to that. why are they doing that? i wet myself that's better -points out the door-

Justin: That's what we're trying to find out. I only came to the group recently but I think the guys have dealt with this kind of stuff before.

Levi: i'm going back to bed the pee with dry and i'll get a rash, big deal -he puts his headphones back in and goes to sleep-

Justin; -muttering to himself- Damn this kid is annoying. He doesn't care what happens. All he does is listen to that god damn ipod to the point where if someone gives him instructions he won't listen. -leaves the room to do research and only ends up doing an angry dance-

-nexxt morning-

-levi bathes and cleans up his bed. he plans to go to a store and get those diapers. he's always had peeing problems no thanks to hsi parents-

-levi's mom drank while she was pregnate with him so..... he was ina sense luck-

Jc: Morning.

Inner Jc; Probably isn't listening.

Becca; So has anyone got a clue as to what is going on here?

Chris: nope

Jc; Sadly no.

Joey: not here

Justin: nada

Lance; Working on it but no results so far. Why did Anya have to

die? Seriously she would have made this more fun.

Beca ;Yeah right. And start goin on about bunnies again. and it looks like the whole of rome is like this.

Levi: ehading to a store don't follow -grabs his jacket leaving hearing no responce because.....-

-MUSIC!-

-much to the extreme irritation of the group-

Becca; That's it. We're smashing that damn thing.

Joey:t aht kids has problems

Lance; He just needs help

Joey: justin didn't you say he wet himself alst night?

Justin; Yeah. But he was haveing visions so it dosen't suprise me.

Jc; Why didn't he tell us! He could have valueble information!

Joey: well soemthing else might be going onw tih him. we need to know his medical records more

Becca; Cause he's a stubborn brat. He won't take help even if we offer it to him. If it weren't for the fact that he's a fellow slayer i'd dump him back in the slums.

Chris:aren't you sweet becca glares- well you aren't!

Becca; Chris honey I love you but something bad is happening and we need all hands on deck here and that kid isn't being much help.

Chris: he's new!

Chris: he probably has no idea what the hell is happening to him right now

Becca: we've explained what's going on to him but he still acts like it's all just a joke.

Jc; You have no room to talk.

Jc; You didn't handle the change well as I recall either.

-on the TV brekaing news appears of something going on in down town rome-

-outside a grocery-

Becca; Crap.

Chris: i love italian

Jc: Dear god i hope that kid hasn't gotten into some kind of trouble. Joey please translate for us?

Joey: some freaky dude is beating up some american wimp

Becca; Damn it. Come on guys i think I might know who's who.

-they ehad out-\

Becca; Levi!

-levi is running away from soem frekay dude-

Levi: HELP!

-italians are laughing-

Becca; Shit. Levi fight back! You're a slayer you can handle him!

-MUSIC!-

-becca screamed this-

-MUSIC!-

Becca: THAT! IS! IT!

-she runs over to levi grabs the ipod and throws it to the grounds-

Becca: FROM NOW ON LISTEN TO OTHER PEOPLE!

-levi punches becca square into the face sending her against a car-

Chris: BECCA!

Levi: DOIN'T MESS WITH MY MUSIC!

-Becca gets up wiping the blood off her face. She ignores Levi and starts beating the shit out of the freaky dude-

Inner Lance; Sorry dude but you had it coming.

Jc; Oh boy.

-levi picks up his ipod checking it out-

Levi: eyash this cost me so much moeny and it took me years of saving it up

Levi: music is the only thing that lets me leave this damned world

Becca; OH FOR THE LOVE OF GOD! I like music as much as the next guy but seriously! All you do is listen to it! seriously you could get into some serious trouble one of these days cause you weren't listening to your surroundings!

Levi:t ehn i will ealrn to listen some other way

Becca; For crying out loud! All you do is tune people out! We've been trying to tell you things and you never listen cause you're so absorbed in your own little reality!

Levi: i'd rather be -he sighs- you didn't break it

Becca; Well that's a major dissapointment. -walks away-

Inner Becca; If he wants to get himself killed fine.

Lance; Don't worry about her. She's just been moody lately.

-levi goes back to his music and picks up his shoping bag not letting anyone see what was inside telling people around him, in their langue, that nothing is wrong-

Jc; Okay lets go.

Joey: dude you studies this languae?

Levi: what? no i spoke in my language

Chris: bull shit you spoke italian

Jc; relax. it's probably just one of his own unique abilites. Lets go.

-levi shrugs and plays his music walking off-

-chris goes over to becca-

Chris: baby you okay?

Becca; That brat reminds me so much of how I used to be. Ignorant, self absorbed, and stupid. and because of that not only did I die twice and have to have Lance bring me ack from the dead but some of our friends died.

Chris: thats in the past okay? Lance has forgiven you

-if you readers out their haven't got any idea what the hell that means is that becvca bascally helped wiht brian's death-

Becca; If I hadn't been careless lane wouldn't have hadto break

the laws of magic to bring me back. Warren wouldn't have shot Brian. he was aiming for me but he missed. That kid..God he's too much like me.

-chris kisses her and they walk off-

Chris: i want to know what is in the bag

-later that day at practise-

-levi comes in with his headphones in-

-you guessed it: MUSIC!-

Becca; OH GOOD! HE'S HERE FOR PRACTICE!

Jc: Becca enough with the sarcasm.

-he didn't hear that of course-

Jc; Well anyways. -is talking to large group of slayers- You all know what to do.

-they all begin training. Lance is sitting around reading a book.-

Becca; Hey! -yells at Levi- Catch! -throws a quarter staff at him- If you're gonna be of any use here then learn how to fight. -she's

holding one in her hand as well-

-levi catches it without looking up from his ipod screen-

Levi: huh? -looks up confused-

becca; If you take out those damn earbuds you'd know what I'd just said. Now get ready to start sparring. -gets into a fighting stance-

-levi goes back to his ipod leaning against the wall-

inner levi: oh i lov ehtis song! -it is guaridan angel by red suit-

Becca; You are pathetic. -lunges-

-at the last minute he holds up eh sword blocking it pale as hell-

Levi: WTF

Becca: take out the earbuds.

-he squints trying to read her lips-

Becca; This is a training session so train. Or do you want to fall behind?

-levi takes out the headphones-

Levi: i dont like you right now you nearly broke this -holds up ipod-

Becca; See if I care. Now hurry up and start training. oh god. - looks- Now Chris is dancing. I'll leave you alone for now. - backs off- But you'd better start training.

-levi puts his music back in leaning against the wall-

Chris: i love you! you love me! we're one big old family!

Joey: make it stop! -rolling on the ground-

Becca; At least he's not like that one guy I saw earlier. i've never seen someone that excited about getting mustard out of their shirt.

-meanwhile in levi's head-

inner levi: okay why the hell is everyone dancing?! and why do i feel like dancing but aren't

Becca: LANCE YOU'D BETTER BE GETTING SOMETHING ON THIS!

Lance; Working on it.

Lance; Okay have there been any cases of spontaneous combustion anywhere? And does anyone fell like they're about to busrt into flams?

Joey: me for one! -groaning fromc hris's singing-

Lance; Chris control yourself for a few minutes.

Chris: you and me baby ain't nothin but mammals so lets do it like they do on the discovery channel!

-dnacing dirty with ebcca-

Becca; keep it in your pants hun.

-levi opens his eyes-

-what he sees isn't what is going on in the room. he sees everything onf ire and its like he's standing in hell-

Levi: what the hell si going on?

-his face is pale-

Joey: chris being a dork

lance; Levi? Are you okay? -walks over to him- Levi? Levi.

LEVI!

Becca; He can't here you Lance. He's stuck in his little fantasy.

-levi keeps blinking but it doesn't stop; he looks down and now he's in flames-

Levi: holy fuck

Lance; LEVI! -starts shaking him-

-levi soon stops seeing red and is sweating literally a puddle-

-he wet himself again-

Lance: Levi. What's wrong? What did you see? Tell me.

Levi: i've always had hallucinations my mother drank while i was in her womb

Lance; Those are visions. All slayers get them. Now what did you see?

Levi: no i've had these things since i was little. my dad thought i was a freak and tried to drown me while my mom was

hangover okay? this isn't some 'vision'

Lance; Just tell me okay?

-levi shoves lance against the far wall-

Levi: don't touch me -he elaves to change himself again-

-well his diaper-

Lance; What the hell?

CHris: levi wets his pants! levi wets his pants!

-dnacing aorund like a little kid-

Becca; Let him be. He dosen't deserve help Chris leave him alone.

Joey: chris is right you are an ass -joey jumps onto chris pinning him tot ehg round hsi face in the floor voice now muffled-

Becca: See if I care anymore. -leaves the room-

Jc: Oh geeze.

-becca finds levi sitting on the floor sobbing-

-door opened a crack-

Becca; Ignore Chris. He's obnoxious when he's hyper. I think he's got peter pan syndrome.

-MUSIC!-

Becca: Then again you can't fucking hear me so how am i supposed to let you know? damnit you are so selfish. -writes a note to Lvi explaining everything and leaves-

-when Becca leaves she doesn't hear what Levi says to himself-

Levi: god i hate having autism

-Becca spends the rest of the day in her room to cool her head a bit.-

-That evening-

Lance; Hey guys I think we may have our guy.

Jc; lets hear it then.

Joey: yes speka

Chris: i can't believe iw as singing barney

Justin; never do that again. Please Chris.

Lance; There's this one deamon who I think we may have del with in the past but I'm not sure. He's this lod of the dance kind of deamon.

Justin; I always knew michal flatly was evil.

Lance; Not that one. Anyways someone has to have his talisman and then recite his incantation. Then he sends his henchmen to findthat person and then he takes them with him to his relm. Typically these people are female so that girl will likely end up being his queen.

Justin: Great. -sarcasam- just what we need. Another deamon child brind issue.

cHRIS: BeccA?

Jc; She's in her room.

-chris runs to make sure she is safe-

Justin: chris she's probably fine l

Lance; Either way we need to check and see if any people have gone missing in the past twenty four hours.

Joey: we're on it -starts to check-

-levi comes downt eh stairs to get food headphones in-

-everyone ignores him cause they know talkingto him won't work-

-little did they know his music was off and he could ehar, and he ehars them dissing him-

-'talking behind his back' in a sense-

Joey: yeash nota gain]

Lance; Guys please stop.

Justin: Why? He's just gonna keep listening and tuneing us out no matter what we do.

Lance: He just needs help. We can't give it to him but maybe eventually we will.

-Jc is silent-

Justin: Yeah right. He won't accept it.

Joey: he's probably has some mental problem. sucha retarded

Lance; No. Don't say things like that!

Justin: Whatever. Any luck on the missing people?

Lance: -sigh- no. not yet.

Jc; Well keep looking. we need to figure out who our girl is.

-a lamp goes flying into the back of jeoy's head-

Lance; What the!

-and then a computer into justin's-

Lance; Oh god!

Jc; What is it this time!

-levi walks into the ktichen-

Justin: ow!

Joey: that was painful

Lance; You guys had it coming.

Joey: shut it

Jc; he's right. Now get back to work. -continues looking through files.- Joey can you go get chris and tell him to stop being paranoid and to help out?

Joey: yeah -goes and gets chris-

Becca: chris are you okay? You look worried.

Chris: nothing baby jsut want to hold you -squeezes her-

Becca; later tonight okay? Joey's watching.

-chris groans-

-and leaves with jeoy-

-Becca sighs and flops on the bed-

Jc: Okay I think we've found our girl!

Justin: Who?

Jc; Her name is Britney. She's staying here for summer break.

-levi comes out from the kitchen eating a sandwich-

Levi: oo its Britney Spears

-they look at him-

Levi: what?

Jc; You know her?

Levi: she's a singer ya twit. ya know 'hit me baby one more time'?

Justin; He's not into pop culture. Just bear with him.

jc; Anyways. She's our girl. She went missing. Police are looking for her but it's no use.

Lance; And look. it looks like she is wearing the talisman I saw in the book.

Levi: thats the necklace her dad gave her as a little girl

Lance: oh boy. It looks like this may be more than some girl looking for better backup dancers.

Jc: that may be. Joey go with some of the others alyers and have them all patrolling the area.

Jc: Same thing with you Justin.

Joey: yes sir

Justin: Got it.

-they head out-

Lance: So in the meantime we just need to makesure we don't sontaneously start danceing.

Joey: yep

Jc: If anyone hears eye of the tiger and sees me danceing please just put me out of my misery.

Jc: I'm heading out. later.

Lance: See ya.

Lance; hey Levi...I'm sorry about what the guys said to you.

Levi: whatever

Lance: Really I am. If you ever need any help I'm right here.

Levi: i know

Lance; if you like I can help you get rid of that bladder problem.
It's nothing a healing spell won't cure.

Levi: it won't help its not my bladder

Lance; Then what is it? Come one you can tell me.

-levi shakes his head-

Lance: Please levi. I want to help you.

-levi shakes his head again and goes to his room-

Lance: -sigh-

Lance: I just want to help.

-later-

-levi goes for a walk-

-there's a dude tapdancing like crazy and he looks kinda freaked out-

-levi stares at him-

Levi: you want me to dance with you?

Guy: Help me...Please! -he's starting to smoke a bit. literally-

-levi grabs his arm and he's hot-

Levi: holy crap. i can't do anything!

-levi tosses his bottled water on him-

-with a scream the guy bursts into flames-

-levi goes pale again-

Levi: oh god.... -and wet himself-

-a man in a blue suit shows up-

Man: Now that's entertainment. Even got the audience doing the unexpected.

Levi: shut up

Levi: its nothing to laugh about

-the guy is red and grinning-

Levi: don't touch me

Man: I'm not here for you. I'm here for the original slayer

Levi: can i have britney back?

Man: Can't do that. The little missus and I have to leave soon.
Send mne the head of the lead slayer and maybe I'll let her go.
But either way this place is going down in flames.

Levi: who is the lead slayer?

Levi: i'm new which suck

Man: Miss Becca. Or Mrs as i probably should call it.

Levi: alrighty i give her to you you let britney go abck to her life

Man: Maybe. No garuntees.

-he dissapears-

-levi goes and gets becca-

Levi: walk with me?

Becca; What do you want? -glares at him. She's in bed. Chris is sound asleep-

Levi: please?

Becca; Fine. Turn around. I don't care if you're gay or not. Only my husband gets to see me naked.

-levi turns and chews his anils-

Levi: its really important that you see this too

Becca; Fine fine. -gets dressed- Now lets go. -grabs stake and dagger-

-they ehad out-

Leviee? -points at burnt spot- he just burst into falmes. poor guy

Becca; yeah. I delt with this guy before. He's a pain in the ass.

-he shows up-

Levi: i brought her now give me britney

man: No can do. You're both gonna burn. -a bunch of henchmen show up surrounding them-

Levi: hey!

-levi goes pale having wet himself again-

-he starts to cry-

Becca; Never deal with deamons. Lesson number one. Now stop crying and start fighting. -lunges at one of the henchmen and start attacking-

-levi still cries-

Lance; Levi! It's gonna be okay!

Becca; How the hell did you get here?

Lance: I followed you.

-levi sits on the ground and keeps crying-

Henchemen: retard -kicks him-

lance; leave him ALONE! -sends out a spell that sends the henchman flying against a wall killing him-

-leiv is lying on the ground crying-

Levi: i need my music

Lance; it's okay. -goes over to him- It's gonna be alright. Becca's got it. You'll be alright. -hums into his ear-

-levi slowly calms down-

Becca; Okay. -stakes the last of them- Sweet i've played your games now let the little pop princess go.

Sweet: I can't do that. We need to be going now.

Becca: What if I told you it was a guy who said the incantation?

Levi: i am a retard

Sweet; Fine. Find the guy who said it and I'll free her. You have three days.

Lance; You are not a retard. You just march to your own drumbeat.

Levi: no really am mentally retarded. i'm autistic

-he stands up-

Levi: a gay autistic

Lance; that explains some things. don't worry. You can get help. There are therapists who can help you with the autism.

Levi: i need music. o block out everything and work by myself. i don't want anyone and no one wants me. i work fine with music in my ears and me being alone

Lance; I want you. -hugs him-

-levi pushes lance off of him-

Levi: no touch me

-levi walks home-

Lance: I want you. I care about you. why won't you see that?

Becca: Cause he doesn't want to accept it. Now lets go.

Lance; Becca!

Becca: He's still being stubborn.

-at the house-

-levi takes a shower-

-then goes to his room listening to his music as he sleeps-

-the next morning-

-levi is sleeping in-

Becca; okay. our first suspect is her father. We need to find out who recited that incantation.

Justin; Is levi pouting again?

Becca; yeah. now stop talking about him. He's pissed me off enough times. Not only did the bastard set me up so I could be killed but when faced with a conflict he started crying. I don't care if he's disabled he needs to grow up.

Joey: okay after what lance told me i feel bad for what i said. now you becca are an ass and probably deserved to get killed

-chris tands ready to kcik his ass-

Lance; You can be pretty harsh.

Becca: Leave it Chris. he's right. I am an ass. I do deserve to die. maybe you guys shouldn't have brought me back from the dead all those years ago.

-she leaves the room-

-joey goes back to work-

Chris: bastered -hits joey-

Lance; Both of you stop it!

Joey:c rhis seriously

-chris goes after becca-

Chris: becca are you gonna be okay?

Becca; i want to like him but i just can't. I sometimes wonder if it was a good idea for Lance to bring me back from the dead.

Becca; I mean the kid set me up.

Chris: it was -chris places his hands on ehr hips- your just a.....

little.....

Becca; Tell me.

Chris: becca levi is austistic. do you know what that means?

Becca; little to no social skills. Can be low functioning or high functioning. I would know. They tested me for it when I was fourteen.

Chris: he isn't social he wets himself and gets scared easily, music is the only thing that lets him accept the way he is and without it he gets depressed

Chris: maybe if we taught levi to read lips and read expressions, like that show lie to me, and he can fight listening to britney spears and stuff

Becca; I don't know what i can do? As it is I've fucked up bigtime so he won't listen to me. And I just don't know what to say tha twill get him to listen. Even lance offers to help him and he won't accept. I'm willing to give it a shot but I'm not sure it will work.

Chris: it seems like you just won't accept things. you freak out when thigns don't go your way

Becca: I worry. You know that.

Becca: I want to understand but it's hard. I just need to calm down a bit. You go back to the guys. They probably don't want to see my face right now.

-Becca kisses Chris and goes to thier room-

-chris sighs-

Chris i think i should start playing psyciatrist with Levi

Chris: well just psychologist

Becca; You're the one with the degree. Maybe you can get him to open up to Lance more. He seems to have feelings for the kid.

Chris: who knows -chris blows a kiss up the stairs and skips off-

-meanwhile Lance is busy in the kitchen makeing some sort of sugary drink for Levi.-

Lance; This might make him feel a bit better.

Joey: what are you doing?

Ojoey has walked into the kitchen-

Lance; Fixing a little snack for Levi. i think he might like it.

Joey: if its just a simple drink i can have a sip to taste right?

Lance; Fine fine. Here. -gives Joey some-

Joey: so did you put something in this special for Levi?

Lance; No. No magic in this. just lots of fruit juice and ice and whatever else I could grab.

lance; The only remorely magic thing I put in there was cinnamon.

-joey nods and levi walks in only ins weat pants. lance drolls and jeoy laughs-

Joey: shut your mouth bass your flooding the place

Lance; Shut up Joey. Here Levi. -hands Levi the drink- I made you this.

-levi takes it sniffs it and looks at lance-

Levi: is there huckleberry in this?

Lance; No.

Lance; Why do you ask?

Lance; I don't usually use huckleberry in my drinks.

Levi: nevermind

-levi drinks it-

Levi: how much sugar is in this?

Lance; Alot.

Lance; It's supposed to be super sweet.

-levi dumps the rest of it downt he sink-

Levi: no wonder thats all i taste

-Lance's face falls-

-levi walks out fo the ktichen-

-jeoy clenches his fist-

Joey: god he has no manners

Lance; I always screw up. Joey don't get angry. He's autistic. He doesn't have social skills. -goes back to mixing- I just need to find a combination that will work with him.

-joey rolls his eyes and goes for a run with jc-

-later at training-

-levi comes in black shirt and white jeans leaning against the wall listening to his music-

Becca; Good job Rowena! That's perfect Satsu. Leah don't be afraid to hit harder girl.

-levi is watching them closely-

Jc; Lets keep up the good work ladies.

Justin: How's this?

Jc; Prefect. keep going.

inner levi: becca is trying to prove something of herself, and the girls notice her being some-what prideful but trying not to be-

Becca; Okay. That's good for now. Everyone take a ten minute break.

-levi slides down the wall-

inner levi: if she didn't have chris in her life... i'd be running

Becca: Hey Levi. -waves at him. She knows he can't hear her-

-little did people know this whole time levi has been watching and observing everyone, writing about them in the laptop since he got him-

-he talked about their facial expressions what they say and sometimes their tone of voice, putting a psychologist view-

Becca; Jc any luck?

Jc: We've sent a couple of the girls out to get Britney's father. They should be back by tomorrow evening.

Becca: That's too close for me. Tell em to get back sooner than that if they can.

Jc: Yes ma'am.

inner levi: she expects them to be like her

-levi stares at becca-

Becca; God. If they don't hurry this city will burn. And likely us with it. -looks at Levi- Need something? -she sounds like she's in a good mood-

inner levi: she is forcing it i can see it in the tenseness of her lips

Inner Becca; Damn it. This whole ordeal had got me stressed to no end and Levi staring me down isn't helping things.

Jc; Anything else?

Becca; No. Continue with the training session as usual. I'm gonna keep looking into ways to get Sweet out of our hair once and for all.

-levi stands and starts at all the weapons-

inner levi: dang we have more stuff than people fighting in wars

-levi picks up a sword messing with it-

Inner Becca; Looks like he's found something he's comfortable. -smiles- This could be promising.

Lance; Hey Levi. -walks in with a tray of drinks leaving them next to him-

-levi then drops it on hsi foot adn stares at his foot that is now in two and gushing out blood-

-he goes pale and wets himself-

inner levi: AHHHHHHHHHHHHHHHHG!

Lance; Oh god! Levi I'm do sorry! -looks at his foot. mumbleing a spell which causes the wound to heal and spit out the sword-

Becca: You gonna be okay kiddo?

Levi: MPO FOOT IS IN TWO HOW THE HELL AM I OKAY?!

Lance; Not anymore. I healed it for you. See?

Levi: and don't clal me kiddo

-levi looks and runs from the room to shower-

Becca; I was trying to be nice to him. -holds back a growl-

Lance: I just wanted to make him happy. -sits on the floor-

Chris: YOU ARE ALL PATHETIC! -walks from the room-

-he starts his first talking session with levi-

-and finds out what he has been doing with his headphones in-

-Becca once again holds her emotions back-

-he then goes to the only other person he can trust with not telling anyone else... jc and tells him-

Jc: That would explain quite a few things.

Chris: so yeah he has everything written down. he does know what is going on

Jc: Oh boy.

Jc; That's going to leave all of us with a guilty conscience.

Chris: he also knows more than some of us. like how whenever joey sees becca he gets horny -chris growls- and when lance looks at him lance gets a feeling of lust

Jc; Don't kill Joey.

Chris: he knows things about you too but he wouldn't let me

know

Chris: same with justin i don't know why

Jc; I don't think I care to know.

Jc; So these sessions are going to continue I assume?

Chris: duh

Jc; Good. You'll be able to break ground with him.

Chris:w ant to see if i can get some emotions out of him. and no i can't tell you any more

Jc; I understand. Doctor patient confidentiality.

-chris nods-

jc: Well I'd better be going now.

Chris: and he might kick my ass once he figures it out that i told you this but i needed to know what you thought i should do since you work with ebcca and lance

Jc: Well I think you should continue full speed ahead. As far as Becca and Lance go I think it's clear to all of us that Becca had

little patience for Levi and Lance obviously has feelings for him. I think Becca is still sore about Levi setting her up. I'm hoping they'll warm up to each other but at this point it might be too late.

-Chris shrugs and pats JC should waking out-

-Justin comes into the room after his run with Joey all sweaty and grinning-

Justin: ahh that was fun. hey JC

JC; yes?

Justin: not a question a statement

JC; Oh. Well hi Justin.

JC; How are you feeling?

Justin: refreshed

-remind you Justin is sweaty and only in sweat pants-

-took the wifebeater off when he came in the front door-

JC; I would hope so. -stares-

OJustin grins and walks over strattling jc's waist-

Justin: aloneness

Jc; So...Ummm...You want me to get you some water?

Justin: you know what i want

Jc; Uhhhh..-is now rendered speechless by the hotness of Justin-

Justin: kiss me.....

-Jc nods doe eyed and kisses him-

Inner Jc: humnah humnah humnah

-lets get it on'-

-there is a great deal of banging around and moaning coming from Jc's room a few minutes later-

inner levi: and it happens -writes it down-

-lance comes into levi's room with something behind his back-

Lance; Levi? I have something for you.

-levi looks up listening to music through his laptop and not through headphones-

Levi: oh...

Lance: Here. -takes it out from behind his back-

-its chocolate-

Lance; I bought it from a local shop. They make the best chocolate.

-levi nods slowly-

Lance; Here. -hands it to him- i'm sorry I was such an ass to you. I was hoping you and i could go out sometime?

-levi takes it and opens it looking at them all-

Levi: um...

Lance: Please?

Levi: i... uh... it is rome... er... okay

Lance; Thank you! -hugs- Oops. Sorry. -goes back a bit biteing his lip- So...Next Saturday at eight?

-levi nods and starts to eat the chocolate-

Lance; Okay. -smiles before getting up and leaveing. As soon as he's out of earshot he starts danceing around-

Joey: oh no not again!

Lance; I can't help it! i'm so happy!

-joey groans-

-next morning britney's dad shows-

Chris: levi we need you to do soemthing for us

Becca; Cut the crap and tell us why you made your daughter Sweets bride.

Dad: Why no?

CHris: you can listen to your music but we need you to just watch when we interigate her dad

-levi shurg snad sits in a chair in the room-

-chris sits next to becca-

Dad: he offered me power. I took the offer. Giveing up my daughter seemed like a small price to pay.

Becca; You're sick.

Dad: Am I?

inner levi: he's frightened

inner levi: from becca ro from Seets. i need to know which

Levi: get her out of here

Becca; Okay. Here's the deal. You're gonna take back the deal and get Sweet to give hre back. Then we can all go home.

Chris: huh?

Jc; Becca...Chill

Levi: get becca out soemone else talk to him soemone more calm and not being a total selfish bitch

Becca; Excuse me!

Becca; That's it. I'm leaving before someone gets hurt. -leaves angry-

-Lance takes over-

inner Levi: it was Becca. but I see something else now...

Lance; You need to understand sir. Sweet is going to double cross you. He's a demon. Chances are what's going to happen is He'll kill you and just take your daughter so he can be done with us all.

Dad: How can I believe you?

inner Levi: guilt

Lance; just try to understand.

inner Levi: he loves his daughter but us humans all have a natural greed and wanting of power

Levi: you didn't want to do it

Levi: but you did anyways and you wish you didn't

Dad: Alright. I'll take back the offer.

Levi: we all know tis not gonna work

Lance; We'll take you to where she is.

Jc; That's why we have slayers to kick their asses.

Levi: uh-huh sure i don't think fighting is what works unless it truly necessary

Levi: slayers suffer from anger

Jc: What you have us do then?

Levi: they get mad they kick ass that is why they are always used and relied on

Levi: trap him.

Levi: trick him

-Becca is listening in on the conversation-

Inner Becca: trap him. trick him. GOD THIS KID IS IRRITATING! WHAT DOES HE WANT US TO DO? TURN INTO LITTLE PEACEFUL HIPPIES!? AAARGH!

Inner Becca: SWEET IS A DEAMON! TRAPS DON'T WORK!
FIGHTING DOES!

Jc; It will have difficulties but it could potentially work.

Levi: keep becca locked up and on a chain until we need a dog to
rip him to shreds

Chris: hey!

Becca: I AM NOT A DOG! -goes outside and starts going through
the streets-

Levi: think up a plan that involves him being tricked and trapping
him. i'm staying behind so i might wet myself again

-levi leaves blasting his music-

Lance: Okay people. Lets get to work.

Jc; Right.

-levi takes a nap playing his music from his laptop so he doesn't
have his ears sore when we wakes-

-becca storms into the room protesting-

Jc; Okay. I think we may have something.

Becca; ARE YOU ALL STUPID!? THIS ISN'T GOING TO WORK!
ANY TRAP WE MAKE HE'LL ONLY ESCAPE FROM! NO SEAL
CAN HOLD A DEAMON FOREVER! WE NEED TO HAVE THAT
BASTARD BURNED TO A CRISP!

Becca: FIRST YOU ACT LIKE YOU'RE BETTER THAN
EVERYONE HERE! THEN YOU TURN EVERYONE AGAINST ME!
THEN YOU START ACTING LIKE YOU KLNOW EVERY DAMN
THING ABOUT ME! WELL HERE'S A NEW'S FLASH FOR YOU! I
AM NOT A DOG! I AM NOT A BITCH! I AM WORRIED FOR THE
PEOPLE OF THIS WORLD THAT I'M SUPPOSED TO PORTECT!
AND HERE YOU ARE ACCUSEING ME! -c0

Levi: i elarend the hard way that fighting doesn't work it leads
to mroe anger and more hatred and more suffering then before

Becca; Even my own husband won't listen. -turns to leave-

Levi: fighting is just soemthing they put in movies for some plot
details

-levi is lying in bed watching her-

Becca; Oh? So we should just only rely on traps? and on negotiateing? Did it ever occur to you that sometime you need to fight? That there are times when it's all you've got? DID THAT EVER CROSS YOUR NARROW MIND!

Becca; DON'T THINK YOU KNOW A DAMN THING ABOUT ME!

Levi: yes it has, but its only for a last resort. you think that to solve a p[roblem you kick someone ass. you wnat your way or else. you are selfish.

Levi: i cna read people smeotiosn ont heir face i know when someone lies, i can read lips and i can tell everything about a person from how they act. i know you i know w everyone int his palce

Becca; I don't care. -is hideing her tears- I'm supposed to protect the world. Instead I get shown up. Do you have any idea how that feels?

Levi: i know you are full of anger you regret soemthing you think you deserve to die for what you did in the past you think that being angry will push eople away so they don't get hrut but now you realize that hasn't worked. deeo down you want me tot run everyone against you, which isn't wha ti'm doing at all

Levi: your not accepting of people you wan to be in the spotlight your are, thereforem a selffish bitch

Becca; You've already turned everyone against me. Even the man I love. It's because I died and was deadfor thirty days that Lance had to drag me out of heaven. It's because of me that Brian got sshot and Lance nearly destroyed the world. and i'm the one who has also saved the world from being destroyed countless times. I hate myself. And you haven't helped matters at all. Maybe I should die.

Levi: we all have our Oprah stories i've ehard worse

-levi snuggles under the sheets-

Levi: and formw hat i've seen joey hates me chris thinks i'm nuts justin thinks i'm nuts you ahte me and alnce is lusting after me just cause i have a nice body

Levi: all teh guys care about you and chris is madly in love with you, a nd jealous that jeoy gets the hots for you sometimes

Becca; You call me slefish. but you know what? You're heartless. Lance loves you for who you are. -leaves and goes into her room before she breaks down crying-

Levi: well i'm austitic i don't ahve those emotions i just doa nd

tell the truth and respect people

-he goes back to sleep but instead just cries because he knows he is worthless and tearing everything apart-

-downstairs-

Jc: Okay I think we have a plan.

Chris: good. i think we should jsut do this without becca

Chris: for her own saftly

lance: Sadly yes. From what I was hearing upstairs she's in no state to be going out into the feild.

Chris: i'm gonna stay behind to make sure she doesn't murder levi

Justin:c an we go get this chick now?

Jc: Okay. if anything happens contact us.

Lance: Yes. Lets save our little pop princess.

Dad: please. Just bring back my little girl.

-they go-

-at the place where Sweet and Britney are-

Jc: Okay Lance. You and Joey get to work on the seal. Justin and i will lure him out and rescue Britney.

Dad: So should i go in there?

Jc: Yes. But be careful.

-The dad goes in-

Sweet: Well look who it is. Long time no see.

Dad: Sweet. The deal is off.

Sweet: Really? You're only a few hours away from world power.

Dad: I don't care. I want my little girl back.

Sweet: Well then come and get her.

Dad: No. Take me instead.

-outside-

Jc; Okay. He just needs to keep Sweet talking for a few more minutes and then we can take this bastard down.

-elsewhere-

inner Becca; He just can't understand. I do care about all the girls. I care about the people of the world. I've had to fight all my life. And then he starts telling me that i'm being selfish for stakeing vampires instead of jailing them. That I should fight as a last resort? If some vampire or deamon goes after me I'm going to punch them. And then he turns everyone against me and starts playing -c

Inner Becca: Playing psychologist and saying he knows everything about me. He's never been dragged out of heaven. He's never given his life to save the world. He's a heartless bastard who dosen't care about others.

-buries her face in her pillow sobbing-

-chris goes into their rooma nd sits on a chair watching her humming softly-

Becca: He thinks he knows everything. He's just an ass. He calls me a dog when he's the one who's the dog.

Chris: we're all dogs

Becca; He can't see that I truly care about them all. -wipes off her eyes- Lance truly does love him I know it. But he just won't recognise it.

Chris: but what Levi says is also true

Becca: What that we shouldn't fight if a creature attacks us?

Chris: he lives and tells the truth.

Chris: you do fight too much. because of that Brian's gone

Chris: because of that you died

Chris: because of that Lance nearly killed us all

Becca; But he doesn't know how to put it in a way that won't reduce people to tears. I died so that that bitch Glory wouldn't kill us all. I fought to save us all. I fought to keep Warren from taking over. I didn't know he was going to shoot at us. I didn't know Lance was going to go on a rampage. I had to fight when the first evil was planning on opening the hellmouth.

Becca: Everything is my fault because I did what I had to do to stop things from happening.

-they hear a sobbing from the other room-

Inner Becca; Did his ipod break?

Chris: Levi s hurting too ya know HE HAS A MENTAL
DISABILITY! -he says it in a loud harsh whisper-

Becca: I know that.

Chris: you respect no one becca. you do what you do for a good
cause, yes

Becca: I've respected you from day one.

Chris: but levi has apoint. it leads to more of what your trying to
sto. i was hurt and scared and lolonly when you died, lance
enarly killed everyone when brian died

Becca; Then what should I have done instead?

Chris: tis int eh apst now you can only think of the future

-he climbs into her bed and rubs her side-

Becca; There will always be fighting. Be it for a good cause or
bad.

-she closes her eyes trying to sleep-

inner Becca; So if a creature is trying to open a hellmouth and is trying to kill us all I should negotiagte? grr.

Chris: sometimes we just have to fight as a last resort, which could be the only option. read between the lines -he also goes to sleep-

-meanwhile elvi stops cringand turns off hsi music going into another room and writing music on the piano-

Lance; yes! It worked!

Sweet: DAMN YOU ALLLLLLLLL! -goes spiraling into hell-

Britney: Daddy! -runs to him-

Dad: It's okay Britney.

Jc; We need to get going now. You tow get home quickly.

-they leave-

-lance comes bounding into Levi's room-

Lance: It worked Levi! It worked! Your plan went perfectly!
Sweet isn't going to be coming back for a long time!

-he isn't in there. but lance stops as well as everyone else in the
room, hearing the music drifting from the library where the
piano is-

Justin: me likey

Joey: i'm so relaxed.....

Chris: nice lulabye -zzzzzzzzzzzzzzzz-

Lance; Everyone stay put. -goes to where the music is coming
from-

Lance; Levi?

-levi is playing staring at sheet music in front of him. once in a
while he stops and writes something-

Lance; That sounded really good.

Levi: congrats jc made a good plan

Lance; But it was all thanks to you. Levi that was brilliant!

Levi: not really

Lance; But still.

Levi: i made a person reduce down to suicidal thoughts and i'm only going on that date next week so you'll stop lusting after me

Lance; What?

Lance; Levi...I genuinely like you.

Levi: i see lust. you barely know me and you want to do everything for me

Levi: not love, lust

Levi: i've never seen love from anyone

Lance; Levi...When you like a person you do things for them. It's normal to feel lust for them when you like someone.

Lance: How should I show love then?

Lvi: lust is short term

Levi: you can't show love because you don't feel love

Lance; I do love you.

Levi: face it - your simply lusting for my body

Lance; what!

Lance; Alright. I won't lust after you then. -gets up and leaves.-

Levi: love is when i can't read it in your face. its sucha complex emotion i can't really tell what your feeling, therefore i know that your feeling love. your not its lust!

-levi keeps playing-

Inner Lance; I want to love him. I do love him. But he won't belive me. God I'm such a fool.

Jc: Lance. he's not like other people. Try to be patient.

Lance; i am. I'm just getting over being rejected.

Joey: ahh so relaxing -dancing the waltx by himself through the entry way-

Jc; The effects of sweets curse will have worn off by morning.

Justin: maybe elvi is the one making eople do this

Jc; No. Becca and I have delt with sweet before. that's what he does.

-Lance goes to his room and goes to sleep-

-next morning-

levi is sitting int he kitchen listen to ipod (MUSIC!) and staring at the wall-

becca; Chris I'm gonna be gone for a few weeks. You hold down the fort while I'm gone.

-Lance walks in-

Lance: Morning levi. -he knows Levi can't hear. But he's keeping a perfectly straight face-

CHris: whya re you gonna be gone?

Becca; I just need to get away from Rome for a while. Don't worry I'll call you every now and then.

Chris: okay baby -kisses her-

-in kitchen-

Levi: alnce can you take me abck to my home? i think i'll be able to stand the punishment my father will give me -gulps- i'm not welecome ehre and i'm no help

Lance: You'll always be a slayer. But yeah. If that's what you want.

Inner Lance; levi's town is built on a hellmouth too. He'll have to do his job as a slayer there as well.

Lance; But you'll always be welcome with me.

-levi si looing at him so ehd eosn'tsee that part-

Lance; Anyways. I'll get the transport spell ready.

-levi goes and gets his stuff together putting his music away-

-he coems downstairs-

Levi: i'm ready

-the others come in-

Lance; Remember. You are always welcome with me.

Jc; We will miss you Levi. Even if we did get off on the wrong foot.

-levi shuts his eyes taking a deep breath-

Becca: See ya later.

Levi: my fahter gives me elss apint hen you all did now jsut do it

Lance; Okay. This may tickle a bit.

Inner Becca; and he still acts like an ass.

-Lance casts the spell and Levi dissapears-

Lance; It's done. -turns- Can you al get out of my room now?

Becca; Yeah. sure.

Jc: Lance. You don't need to be so upset.

Joey: you gonna be oakly?

Lance; I thought I was in love again. For a moment I saw Brian again. But no. I was just luting after a man who I know won't love me. It's time i faced reality. I can't refill that empty space

again.

Joey: mkay. don't kill us all

Jc; I think you were in love. Just not in a way that he could recognise it.

Lance; Even if I wanted to I can't.

Joey: he's gone now. lets all forget baout him and to the people who ahte him right now he's being raped by his father while his mother is either drinking drunk or hungover -joey leaves the room-

Inner Becca; okay. That's harsh. Even for me.

Becca; I'll see ya'll later.

Inner Lance: I need to know he'll be okay.

Justin:w aht are you planning alcne?

Lance; I need to know he's safe. -starts gathering ingridients.-
I'm gonna cast a spel that will let me check in on him every now and then.

Justin:y uor gonna be sorry -leaves-

Lance; Maybe. But I want him to be safe.

-meanwhile Becca is heading out to the airport-

Inner Becca; I must be crazy doing this. Following that kid to his hometown. oh well. I don't think he'll ever forgive me. But I can at least do him a favor.

-soon she is in hsi hometown but has no clue where he lives-

Becca; Well. Only thing left to do is go undercover and start exploreing.

-exploring aorund scares her. this town is crap-

Inner Becca; Wow. And I thought downtown LA was freaky.

-she finds nick at a corner teasing some kid who ends up running off-

Inner Becca: There's that little snot.

-Becca walks up to Nick-

-she looks nothing like normal Becca-

Becca; I saw you beating that kid up. What'd he do? Look at you the wrong way?

Nick: he's a brat. i keep him in line

Becca: How's he a brat?

Nick: just is. what do you want?

Becca; I'm looking for someone. although my description for him probably fits that or pretty much every kid here.

Nick: give me the name

Becca: Leon...Levi something along those lines.

Nick: ahh levi Wood. that dude was gone for a few days then when he gets back shows up at school and limps like crazy. he coems to school like that sometimes

Becca; Why does that not suprise me.

-little did becca know was that nick knew the reason why because his dad did that to levi when he was little-

Nick: why dpo you want to find him?

Becca: Child protective services.

-nick believe it-

Nick: did he finally call? -nick face goes from not giving a crap to concerned and worried for a friend-

Nick: or did someone else finally find out what has been going on

Becca; the latter of the two. Now show me to where he is.

-nick nods and they walk-

-becca finds out about them being childhood friends and how when his problems showed he changed crowds and now he is his bully-

Becca: Ahh. You know he needs a friend more than anything right now.

Nick: he doesn't trust me. sometimes i want to apologize but instead he goes pale wet himself gets laughed at and i..... laugh too

Becca; I met the kid. He has a hard time believing people are telling the truth. I admit I haven't been the best person in the world to him. Is this is place?

-nick nods and they can hear screamaing inside and no one around gives a crap-

Nick: tis happening again

Becca: stand back. -gets ready to kick down the door- Call the police and tell them what's going on.

Nick: no stop -he holds her back-

Becca; What should I do then?

Nick: do you know who his dad is?

Becca; No.

Nick: the cheif of police

Becca; Ahh shit.

-they look in the front window-

Levi: dad please don't!

-his mom is drinking-

Becca: Okay. we need to come up with something smarter. Hang on. I'm calling a friend to help.

dad: you have a b in math you deserve to be punished

Levi: mommy help!

Mom: -burp-

-levi wets himself again-

Inner Becca; Revolting.

Dad: you are such a whimp! -hits him across the face smacking him tot ehg round-

-he gets to work taking off his jeans-

Nick: i can't watch

Becca; Come on Lance pick up already

-in rome-

Lance: Oh god. Levi. I need to help him. Huh? -picks up phone-
Hello?

Becca; Lance get a transport spell ready and try and get over here now. It's Levi.

Lance; I know. I was checking in on him via this spell but...Oh my god. Okay. I'll be there in ten minutes!

Becca; Hurry. -hangs up- Okay. We've got some help on the way. But I can't do this alone. Nick i need you to call child protective servies and tell them to get people here asap got it?

Nick: your not fromt hem?

Nick: who are you?

Becca; That's not important right now. What's important is that we help your friend and get those sorry excuses for human beings behind bars.

-nick nods and brekas open the front door-

-he pulls otu hsi cell-

Mom: eh?

-levi's mom looks up burps then keeps drinking-

-levi is struggling against his father who is trying to hold himd

own and get into his ass-

Levi: no no no!

Becca; leave him alone you son of a bitch! -runs over to him-

Dad: yes yes yes you will obey me you reatrd

-his dad grabs gun and aims it at becca-

Becca; Shit.

Dad: get out of here bitch or you will be next

-he slams into elvi who screams-

Levi: nononononononono

Becca; Hit me with your best shot ass hole! -charges tackling

Levi's dad-

-levi screams as his dick is ripped out of his ass-

Becca; Get off him!

-dick scrambles over-

Levi: don't touch me!

Nick: i'm here to help come on

Lance; Levi!

-levi is stunned and nick scrambles to get levi's pants back on-

Becca: Bout time you showed up Lance

lance; not now Becca. -turns glaring at levi's dad- You are going to pay for what you've done.

Dad: you all get out of here! -he stands pulling his pants back on and aims his gun at lance-

Nick: come on levi we have to get you out of here

-lance starts saying a bunch of latin mumbo jumbo and the air becomes electrically charged-

Lance; you will never touch him again!

-his dad fires and instead when lance jumps out the way it hits nick in the chest-

Nick: ouch -hits the ground levi's screaming-

Levi: nick?!

-gets next to him-

Nick: run elvi oakly?

Becca; Damn. Lance you can kill them later. Just get Levi and Nick out of here!

-levi shakes his head-

Lance; Levi come one. Help me get him out of here.

Levi: nickyou. you loved me as a friend hurt me as a bully and now what is it?

Nick: love..... for a lover. i've always had feelings for you. now just go!

-nick groans holding his chest-

-levi is stunned-

Levi: lance ehal him~!

lance; I'll try. -starts casting frantically- It's not working. Oh god

no!

-sirens are heard-

-Levi: nick?

-nick 's eyes are wide open and he isn't moving-

-levi checks his pulse-

Levi: NICK NO YOU WILL NOT DIE DAMN IT!

-levi does CPR-

Inner Lance; It's too late. He's too far gone.

-Lance sits there stunned. CPS comes and takes away Levi's mom and dad. The paramedics arrive shortly afterwards-

-levi is taken from nick who is pronounced dead-

-levi starts to get angry bubbling with anger-

Becca; That kid...He was brave.

Levi: my. dad. kill. nick.

Levi. lance. wouldn't. heal. him

Levi: now. he's. gone!

Lance; He's going behind bars where he belongs. he'll get a taste of his own medicine. I tried to heal him Levi. I wanted him to live as much as you did. But he was too far gone.

Levi: bring him back! you brought becca back bring back nick!

Lance; Levi....There's more to that story than what you know.

Levi: BRING NICK BACK! -the whole house shakes-

Lance; I can't bring Nick back for several reasons. For one thing. You can't bring back a person who died in a non magic way. You would need a urn of osiris to do that and there are no more left in existence. And it also breaks the laws of nature. It also depends on whether or not Nick wants to come back....And....

Lance; Even if I were able to bring him back....There would be a chance that something could go wrong. So wrong that we'd have to get rid of what we had brought back.

-levi throws a lamp hitting lance in the face-

lance: AAAARRGH!

Levi: nick is who i want and now my stupid rapest father shot him! lance you should ahve taken the damn bullet you worry about yourself and no one else!

-levi starts to trash the place-

lance; I know. I should have taken the bullet. If I could turn back time I would have. I was worried about you. that's why I came to you.

Inner Becca; It's useless. Levi won't belive a word lance says.

Leiv: none of you halped! if you jsut elft me alone i would ahve takeen the fuck and nick would still bully me! i'd rather ahve that then this~

lance; after all I've done for you. You still hate me. -he's holding back tears- Fine. See if I care. -gets up and leaves. Becca waiting outside-

-the hosue basically blows up as they leave and they scares the hwhole enighbor hood when its in flames-

Becca; he just won't listen.

Lance; I can't belive I still love him.

-Becca is silent.-

lance; I hate myself.

-levi is inside injured fromt he big boom-

-the fire is soon to engluf him-

Voice: Levi? Levi. Levi.

Levi: meh -cough-

Voice; It's me Levi. nick.

nick: Levi. Lance was telling the truth. He did everything he could to save me.

Levi: i know that i just don't wan to belive it. now i'm about to be flaming for real

Nick: Please don't die! Heaven is good but you don't want to go yet! the guys are going to need you soon!

Levi: bull crap i jsut wet myself again

Nick: No! Levi you will live! Please belive me!

Levi: i gonna burn up... -coughs and his feet are now on fire
going up his legs-

Nick: Not if I have anything to say about it. I'm sending you a
vision. It's gonna come all at once so brace yourself.

Levi: i just wnat love..... really unconditional love -passes out-

Nick: Okay here it comes. -zap- I didn't look at it but apparently
it has the person who you're destined to be with in it.

-levi gets it while he in 'burn baby burn'-

-fire peoples come and start trying to put the fire out and drag
Levi out-

-he's a burnt to a crsip, darth vaders tyle-

Nick: I have to go now. Stay safe Levi. -poof-

inner levi: OH DEAR GOD THIS HURTS... ahhh now me in feeling

Nurse; You're very lucky. you heal better than most people.

Levi: uh-huh. how many weeks ahs it been?

Nurse: Only a day.

-levi goes abck to sleep-

Nurse; He'll be fine.

Lance; thank god.

becca: He is one lucky son of a bitch.

-next day he is taken back tot he rome hosue palce-

-Lance leaves food for him every day but the others leave him alone not really knowing what to do-

-they eat-

-afterwards-

Levi: that was nice

lance; That was awesome. I don't think I'll be able to eat another

bit for at least three days.

-levi chuckles-

Levi: Rome is very romantic at night, with all these lights

Lance; yeah. It is. I can see why it's considered the city of love.

-levi stares at the moon and they sit down by that big fountain in
like this city center-

Levi: damn

Lance; It's beautiful.

-levi waits-

Lance; They say that if you throw a coin over your shoulder into
the fountain your wish will come true.

Lance; want to put that to the test?

Levi: do you have a coin?

Lance: Always. -holds it- On three?

-levi nods holding his-

Levi: one

Lance; Two.

Levi: three

-they flip it making their wishes-

-Lance kisses Levi-

inner levi: i wish alnce would kiss me and really show me how to
make love

inner levi: wow.....

-levi kisses him back-

Inner Lance; I wish Levi and I would be togeather forever.

Lance; lets head back to the house. My room or yours?

Levi: i guess yours

lance; lets go. -kisses him again

-levi nods-

Lance; You're an amazeing guy levi. -smiles at him-

Inner Lance; What does he see in my face?
