

-we start off our story in a small town on the lovely Route 66-

-a young woman is walking to work. following her usual routine on the wheel of monotony-

-meanwhile a young man is riding his motorcycle through town out of boredom-

-he passes the young woman and stops next to her in the street-

Levi: hey Becca

Becca; oh hey Levi.

Levi: i know i should be opening the shop but... we never have anyone come through here

Becca; I want to move so bad. Maybe New York. You know, pursue that modeling career.

Becca; I think I'm pretty enough don't you? Brian says so.

Levi: girl, you are pretty. never doubt that

Becca; Thanks... -sigh- But Brian is so boring.

Becca; He's the only guy in this town who doesn't drink though.

Levi: well be lucky you have someone. i can't even... ya know -looks around making sure no one is listening- be myself, if ya get my drift

Becca; You'll find someone. If I can I'll take you with me.

Levi: i love being in this town though. i like being in a small place where everyone knows everyone

Becca; One reason I want to be gone. Well I'll see you later Levi.

Levi: later -he drives to his shop. He was the town mechanic, since no one else knows how to fix up vehicles like he does. His side hobby was to play the piano and write music, but in that town no one can really live their dream-

Brian: Hey Levi. How are you doing?

Levi: well same old same old

-unlocks the main door to the shop-

Levi: not a lot of customers. only the people who need gas on their way through

-to keep his business, he had to sell gas as well-

Brian: Hey Levi? I need to ask a favor of you.

Levi: sure dude, anything -puts on his work clothes which was a loose zip up, white and

oil stained jump suit-

Brian: I'm gonna ask Becca to marry me. I'd like you to be playing something in the background when I do it

Levi: er kay. what exactly is your plan for blowing out thee knee for Miss. Becca?

Brian: the hotel at the end of the road. I'm going to ask her there and blow out the knee.

Levi: hey. just your luck. we are having a dance on Saturday and I've been ask to play. i actually think it is a given that i play at them dances. you should ask her then boy

-Levi could tell by Brian's face he was annoyed by how he was talking-

Brian: That could work?

Levi: I'll see ya then man -pats his back hard and slides under a truck getting to work-

-Brian leaves-

inner Levi: man i need some real action

-meanwhile-

Jc: its gonna blow!

Joey: will you be quiet?

Lance; Shut up all of you!

Justin: Yeah seriously guys!

Chris: seriously James how is the bus? its been making weird sounds all day

James; It's not looking good guys. This thing could blow at any second. I'm gonna pull over at the next town and see if I can get this piece of shit back on the road.

Chris: mokay dude -chuckles at Lance's face-

Jc: see? like i said. its gonna blow!

-a few minutes pass and a town comes into view. Lance crinkles his face up in disgust-

Lance: ew

-then the bus blows-

Justin; shit.

Levi: what the devil? -walks out of his shop thinking he heard a gun shot-

-the bus pulls over-

-people come out of their buildings and stand in the street to see what just happened-

Levi: ode to joy some action -gets on his bike-

Becca; Excitement! -runs out-

Brian; Becca come back! It's not safe!

-Levi comes driving out to the edge of town-

Levi: i heard a gun shot. was that your bus?

James; It was because of the stupid gears. I don't know what the hell is wrong with this thing. but I need you to fix it.

Levi: I'm guessing my clothes are what tipped you off? -he gets on his knees and goes under the bus- please tell me the brake is on!

Chris: -pulls the brake- now it is!

James; yeah. I don't want those kids messing with it.

Justin: -chuckles-

-Levi checks it out and fiddles around. another gun shot is heard and Levi coughs, crawling back out as Becca runs up. his face is totally black and his hair was messy-

Levi: well i -cough- know what -cough- happened

Becca; There's a serial killer under the bus! Or maybe the bus has a bomb on it! Or maybe-

Levi: quit reading books doll -pats her face with his black hand-

Brian: Becca darling you need to calm down. -pulls her back- Sorry guys. she's a little headstrong.

Levi: that's a good thing Brian -coughs a bit more- yeah i can fix your bus

James; thanks. How long you think it's gonna take?

Levi: two weeks.

Guys: what?!

Lance; Fan-fucking-tastic! A full two weeks away from civilization! I'm going to my bunk.

Levi: ya see we don't get buses around these parts all the time so i only have bike and car parts. besides your bus is crap and has a lot of stuff wrong with it

Levi: i have to order parts and then I'll do me best

Justin: just try.

Jc: well it's just one adventure after another -walks off the bus- got a hotel?

inner Becca; ohmygod ohmygod ohmygod!

Becca; uh huh. -points-

Levi: the finest piece of crap around! -is happy about it-

Jc: -sigh- oh boy

Justin: Oh... well at least its shelter.

Lance: it's filth!

Levi: you call me? -looks at Lance- what's your name city boy?

Lance: You don't know who I am? Oh good god this is the middle of nowhere!

Justin: I'm Justin and that fuss bucket is Lance.

Levi: nice to meet you -shakes all their hands and their hands all are now black-

-Lance looks ill-

inner Becca; oh my gosh... it really is them!

Becca; I know who you are!

Lance; Oh good. someone civilized.

-Levi squints at them closely-

Brian: Becca please control yourself!

Levi: Lance, she isn't civilized

Levi: doll... clue us in please

Becca; Only the biggest pop group in the world! *NSYNC!

Lance; Thank you, thank you!

Chris: yay! -looks at Becca-

Levi: oh that shitty music you sing all the time?

inner Brian: I don't understand. Why is he staring at Becca?

Becca; Hey! -slaps Levi hard-

-Levi rubs his face-

-Chris smiles at Becca-

inner Chris: she is pretty

Brian: Well, we'll help you get settled in.

Levi: i was just jokin'. anyways I'm gonna head into town, get a tow truck, and get this bus to my shop. in the mean time, Brian tuck them into your hotel -Levi drives off-

Lance; I hate my life!

Justin: Stop complaining.

-Brian helps them get their stuff together and gets them to the hotel-

-Lance freaks that they have no service-

Lance; -sob sob sob-

Brian: Becca I want you to get yourself home and rest. It has been too exciting of a day for you.

Becca; I'm fine seriously.

inner Chris: does she seriously let him talk to her like that?

Becca; Brian I'm a big girl. i can take care of myself.

inner Chris: wow she is really hot now

Brian; I just don't want you to get yourself hurt. You have no idea how much it would hurt me to see you hurt.

Becca; whatever -leaves-

-She smiles to Chris as she leaves-

-Chris smiles back-

Brian: well... make yourselves at home.

inner Brian: i want them gone.

-a while later Levi gets the bus to his shop and begins looking at it more fully to see what parts he needs to order-

Howie; So what are the damages?

Levi: a lot. but delivery is next week so city boys will be here for a while

Howie; They're gonna be in for the ride of their lives.

Howie: Have you seen how Brian's been acting lately?

Levi: he isn't happy that's for sure

Howie: Yeah. I saw him go into town to get something for Becca. He was walking with a spring in his step but now...

Howie; Ah well. he dug his own grave the day he hooked up with a girl like her.

Levi: he's gonna propose

Howie; And he thinks she's gonna accept? He should know by now she's like a kite.

Levi: yeah well someone's got to pull the strings

Levi: she's lucky she at least has someone who wants her

Howie; You can't keep her grounded forever though.

-Levi shrugs and gets back to work-

-the next day-

-Becca has the day off from work and is walking around town-

-Chris is walking around with a camera-

Becca; Oh hey city boy. -she has no accent-

Chris: hey -takes her picture-

Becca; what's with the camera? I understand Route 66 is historical but this is the middle of nowhere.

Chris: it's my life. i gonna get old aren't i? -takes another picture of her-

-Becca hams it up-

-Brian sees-

Becca: oh geeze. Clingy boyfriend alert.

Chris: huh?

Brian: Becca go home. It's too hot out!

Becca; Oh stuff it!

-Brian leaves and shoots Chris a look that Chris doesn't see-

-Chris takes another picture of Becca-

Becca: So tell me about the places you've gone! -looks really excited-

-Chris and her walk and talk-

Becca; oh my god! That's amazing! Take me with you!

Becca; Seriously. This town is so boring!

Chris: -chuckles-

Chris: i wish i could

Becca; please?! Come on! I'll sneak in the luggage if I have to!

-Chris shakes his head-

Chris: maybe after the tour I'll come back for ya

Becca; i hate this place. i can't even go anywhere without my boyfriend having to monitor my every move. I can't say anything that other people don't agree with cause I'll be shunned for six months.

Becca; It's so dead. I wanted to be a model so bad. But everyone wants me to stay here. Act like everyone here. Get married and have kids. But I want to see the world.

Chris: I'll see what i can do -takes another picture of her- pose for me model!

-Becca poses unbuttoning part of her shirt showing a part of her braless boobies-

-Chris grins and takes her picture-

-Levi sees from his shop and grins-

Levi: she's happy

Howie: who?

Levi: our model

Howie: ahh

Lance; So how's the bus coming along? -walks up-

Levi: well sir i figured out what needs to be ordered -pretends to chew gum and grabs the straps on the overalls he changed into because of the heat and doesn't have a shirt on under the overalls-

Lance; Whatever. I just want to get out of this hellhole ASAP

-turns and leaves-

Levi: have a mighty fine day sir!

-later that evening-

Justin: Hey dude. you're looking happy -standing in the hall at their hotel-

Chris: yes i am happy cause this girl is showing me around

Chris: at least Brian was kind enough to let us each have our own room -shows Becca his room-

Becca; Sleep well. -smiles unbuttoning her shirt a bit.- Maybe we'll see each other tomorrow?

Chris: yeah. totally for sure

Justin: WOO! GO GET SOME!

Becca; Keep it down!

-Chris hits Justin on the head-

Becca: Seriously. This is the kind of place where if you do something bad your momma finds out before you get home.

Chris: you didn't do anything bad

Chris: -smile- it was a good bad

Becca; You'd be surprised what is called bad around here -rolls her eyes-

-Chris pats her butt-

Chris: don't worry

Becca: Later -leaves walking like a model-

-Chris takes one last shot of her from behind with his camera-

Justin: Damn -after Becca's gone- She's hot

Chris: yeah i know

Justin: Well I'll see you in the morning.

Chris: night Juju -Chris heads to bed as Justin leaves to his room-

-the others had already gone to bed-

-Lance watches from his window as Levi closes up his shop-

inner Lance; He's so irritating. God I'll be glad to leave this place.

-Levi gets on his bike-

inner Levi: i feel like i am being watched

Howie; Night Levi! -starts walking home-

Levi: night Howie! -drives off up into the hills-

-the next morning-

-Levi comes riding into town-

-Lance is outside his shop-

Levi: well howdy city boy

Lance; whatever. listen, can you hurry it up with this bus? and stop talking like a hick
i know your voice doesn't really sound like that.

Levi: well I'm right sorry sir but this is how i talk for big city folk like yourself -takes
off his helmet shaking his still wet short hair- besides sir i can't do much until the
parts for it come in next week

Levi: if ya need anything off the bus sir i can let you get it rightly fast like

Lance; Grr... okay, at least tell me that there is a technological place at least within a days walk of here.

Levi: hmm. let me think -opens his shop and sets his bike off in the corner- see that room right there sir? -points to a room added on to the shop that has big windows. inside are very nice comfy couches, a large TV with game set and cable, and a bar that is set up for coffee-

Lance; Oh my god you people are actually civilized.

Levi: no i just have a lot of money and set that up for people whose cars break down when they come from civilization, as you call it -his voice is normal- go in their and you'll get WI-FI

-Lance rolls his eyes and flops down on a couch-

inner Lance; I want to get out of this hell hole.

-meanwhile-

-Chris was walking through town again and comes along a book store-

Chris: pretty lights -heads inside-

Becca; Hey city boy.

Chris: ahh the little model -walks over to her- you own this place?

Becca; Yeah. Family business.

Becca; It's all mine. the town would like that to change but since when do i listen to anyone?

Chris: never I'm guessing

Becca; I've always been a disobedient girl.

Becca; Come on. I want to show you something. -goes out from behind the counter leading him out the back door-

Chris: yay i get to be shown something! -follows her-

inner Becca; Oh yeah.

-she takes him to her car and drives them to an old abandoned town-

Becca: this is the place where all the teens hang out. There's hardly any around but it's still pretty fun.

Chris: cool -looks around-

Chris: i see some now -they are doing some dirty stuff-

-she takes him to an old building-

Becca: You can see the appeal -leans forward kissing him- No one here to tell you what to do.

-Chris smiles-

Chris: sounds like a lot of fun. um... how old are you?

Becca: 25

Chris: your lying

Becca; Okay. 23.

-Chris arches an eyebrow-

Becca; I'm an adult. Contrary to what everyone says.

Chris: good enough for me -kisses her-

Inner Becca; Come on fuck me. I'm sick of being a virgin!

-She's starts to lift off her shirt-

Nick: WHAT ARE YOU DOING!?! BECCA! BRIAN'S GONNA BE FURIOUS WHEN HE HEARS ABOUT THIS!

Becca; shit. Nick go home!

-Chris pulls away-

Chris: hi kid

Nick: Fine. I'll keep quiet. But you. -points at Chris- City boy. You'd best get yourself out of town as soon as your bus is done. I'll make sure you're gone.

Chris: okay

inner Chris: what the fuck is up with people here?

-Nick stares at Chris and then leaves-

Chris: you and Brian are dating aren't you?

Becca; Define dating.

Chris: this explains a lot

Becca: He's the only option i have really. All the other guys here either drink or are already married. Or engaged. Everyone expects us to be like everyone else. Get married. Have a litter. And die on our front porches in our rocking chairs. Grr! There's only a few people here i can stand. Levi's okay but he's not dating material if you get my drift. Leighanne is a nice girl but she's too nice. But at least she understands that there's more for me than this! This place is all I know. i know there's more out there! I need to see it!

Chris: what do you mean Levi isn't dating material? he's too young?

Becca; No... not in that sense. He's my age. But... are you okay with certain types of love? like the kinds that people go to court to destroy?

-Chris thinks for a second to figure out what she is saying-

-then the light bulb goes off-

Chris: oh so Levi is gay?

-some people here because he was kind of loud-

Becca; I'm the only person who he's told. You can't let a soul know. There are people in town who'd kill him if they found out. They'd forget all the good he's done around here.

Chris: oh now i get it. well some people like small towns and you aren't one of them

Becca; you're telling me.

Chris: I'll see if i can take you with me once our bus is fixed but no guarantees

Becca; Please! I've never begged before in my life but I'm begging you now!

Chris: no promises okay?

-Becca holds back a sigh-

Becca; okay.

-they get back to her store and she lets him out-

Chris: later -he kisses her for a while-

inner Becca; So much life in him. His lips... god I don't want him to leave.

-Chris pulls away and goes back into her store looking around-

-a woman walks into the store-

Woman: Oh hi.

Chris: hi

Woman; I hope you don't take this the wrong way. I saw what happened at the ghost town. I wanted to apologize on Nick's behalf.

Chris: its okay. What is your name?

Woman: Leighanne

Chris: Becca mentioned you. I'm Chris -he shakes her hand-

Leighanne; Nice to meet you. I just want you to understand. Brian is like an older brother to Nick. He'd do anything for him. And the men around here tend to get defensive if any male outsider comes to town. The same goes for the women if another girl comes in.

Chris: i seem to be the only one getting the heat -picks up a sex book-

Leighanne; It's cause you've been the most forward with your... -coughs- nether regions.

Chris: that so wrong?

Leighanne; It's human nature. but word travels fast around here.

Chris: so this town has issues with a person using their nether regions AND where it is put... if you get what I mean by that

Leighanne: Maybe. But it's all I know. I have every intention of staying here. Now Rebecca's my friend so I'll help you two out. If you need a bed I'll give you two one. There's a few places here where you can do the wild thing and not get caught. But you have to make sure that you don't 'plant yourself' if you know what I mean. It would

spell disaster for her. Especially if you couldn't run out with her.

Leighanne; There's decent people here don't get me wrong. But as she's probably already told you we've got our share of crazies.

Chris: i understand -he flips through the sex book and grins-

Leighanne: I'll give you a day or two to think about it -she leaves-

-Chris buys the book-

-elsewhere-

-Joey is hanging out with a girl. same with Justin. same with Jc. all in different places and on different bases-

Nick: Look at them. they're stealing our girls!

Howie; Calm down. The girls are only flirting cause they're famous. They'll lose interest after they leave.

Levi: Nick will ya chill -is fixing his truck-

Nick: How can I! I already saw one of them trying to seduce Brian's girl!

Kevin: ugh that guy is with my girl! -looks at Joey who is giving Kevin's girl flowers-

Howie; They'll be gone in a week. Relax.

Levi: you guys have your dicks in one heck of a place -shuts the lid to the truck-

Levi: you not gonna want to know where i saw AJ's girl and curly go -grins-

AJ: WHAT? I'M GONNA KILL THAT BASTARD! Damn pretty boy.

inner Levi: that guy is probably better for Britney then AJ is

Levi: i was gonna say movies twit

inner Levi: well it was near the movies

Levi: come on boys pay up. the truck is fixed, and it will be 40 bucks

-grumbling about the *NSYNC guys, Nick pays up-

Brian: Hey guys. what's wrong?

Nick: Nothing.

Levi: just pissed that their truck stalled

Howie; So we'll see you at the bar tonight?

Brian: i don't think so. I wanna keep an eye on Becca. She seemed upset about something today.

Kevin: Come on. You need to relax.

Levi: so are yal still gonna do what you want to do this Saturday? -washes his hands-

Brian: ...I'm gonna wait till the bad news leaves.

Levi: good. so i still have to play anyways

Brian: If you can.

Levi: guys sorry i can't get them out sooner but the parts... seriously i want them gone too. especially city boy who is living it up in my waiting room -points at Lance who is

on his cell and laptop-

Lance; Okay... look can you at least try to get another bus out here? What! Damn it.

Okay fine I'll see you later -hangs up- I'm outta here.

-he heads back to the hotel-

Brian: He makes the others look like decent humans.

Levi: bye bye bye -pretends to sing the song and dance-

-Lance holds back the urge to flip Levi off-

-Levi goes and grabs a cup of coffee-

Brian: Levi? You're too alone. You should get a girl.

Levi: all them are taken

Nick: yeah. You're always by yourself. Come on. there's still a couple of them still free.

Leighanne is a sweetheart.

Levi: too old

Brian: she's not that old. And what about Kelly? She's a cutie.

Levi: AJ's girl

Kevin: that Christina chick is a looker too.

Nick: I thought Britney was AJ's girl? Kelly is... whose girl?

Levi: ugh your all confusing me!

AJ; It doesn't really matter though. The point is Levi you need to find a girl.

-Levi rubs his forehead-

Levi: if you want to find me a girl then go ahead

AJ: I love a challenge.

Brian; I'll see you guys later.

-he leaves and is followed by the other guys-

-Levi groans-

Justin: Something wrong? -stops by- You seem stressed.

Levi: beyond belief -sips his coffee- ya know some of the guys in town are pretty pissed at ya guys for stealing their girls

Justin: Sorry. Really we are. I know Lance can be a handful but he's just an ass at times. If the guys want their girls back they can have them.

Justin; We've really made asses of ourselves here haven't we.

Levi: well you slept with Britney and your friend with the black hair was with Christina and I know that went past second base

Justin: Joey's a pimp like that. Besides. Contrary to what those guys may think those girls weren't virgins when we slept with them.

Levi: anyone could have told you that

Justin: So what do you want us to believe?

Levi: its not my problem just telling you your on the death list

Justin; one of the reasons why we came along this way was because Lance has been having 'issues' that he needs to resolve

Levi: whatever. want some coffee?

Justin: Sure.

Justin: I swear. Ever since Lance let slip that he was into men it's been insane for all of us. he's denied the whole thing but we all know the truth. Hell the whole world knows now.

-Levi nods his head slowly and gets his some coffee-

Justin; I think that's the reason he's become such a jerk. So he can hide from the world.

Levi: well don't let anyone know here. they'll kill him

-Justin sips his coffee-

Justin; can't say that surprises me.

Justin; You won't tell anyone right?

Levi: don't worry

Justin; thanks.

-Justin finishes his coffee-

Justin; Well thanks for the coffee. It's nice to see someone in this town doesn't want me dead.

Levi: not yet anyways -grins evilly and goes back to work-

-Justin groans and leaves-

-the next day-

Brian: Excuse me sir?

Chris: yeah? -looks at him-

Brian: I'd like to speak with you -looks around- In private

Chris: okay...

inner Chris: i wish I wrote my will

-Brian takes Chris around to the back of the hotel-

Brian: I want you to stay away from her. she was crying last night and when I asked her what was wrong she told me to leave.

Chris: i didn't do anything to her man

Brian; they why would she push me away? I was going to propose to her. And now she's running from me. I love her.

Chris: I'm sorry but from what I've heard she doesn't love you

Brian; You're lying!

Brian: We've been together for years! I've saved myself for her! Much to the humiliation of my friends

Chris: all i can say is talk to her! you aren't giving her what she wants obviously

Brian; I'd do anything for her. Just go. I don't want to see your face around here.

Chris: i can't go

Brian: You know damn well what I mean!

Chris: you want me to stay away from her?

Brian; Yes! i won't let you take her from me!

Chris: you have no right to control who she can and can't see buddy -he walks off-
maybe fucking her might actually boost your relationship

Brian: Shut up!

-Chris walks down the street and passes the book store not really knowing why he was
mad or where he was going-

-Becca walks out. She closes the door and locks it. She's holding a bag in her hands-

-Chris turns around-

Chris: Becca?

Becca; Oh hi. Listen. whatever people may ask you. You never saw me here. -shifts the bag to the other hand- I've had it with this place. I want out. And i can't wait.

Chris: oh... okay then

Chris: did you know that Brian is in love with you?

Becca; yeah right. More like I'm his slave to be. He does nothing but keep me boxed up like a doll.

Chris: he only wants the best for you. he wants to propose

Becca; We haven't even had sex yet because he 'wants to wait.' what?

Becca; if he really knew what was best for me he would have let me go.

Chris: ever talked to him about this stuff?

Becca: no. I figured it was pointless.

Chris: you should talk with him -he walks up to her- he thinks I'm stealing you away

but i barley know you. well i found out a lot about you two days ago

Becca; That I'm a slut and a caged bird who wants to be free?

Chris: no, we talked. don't you remember?

Becca; Yeah. I remember.

Chris: you should talk with Brian so he isn't plotting my murder

Becca; Fine. But I'm still leaving this shit hole. And if anyone asks. You never saw me today.

-Chris nods slowly-

-she kisses him on the cheek before she leaves-

-Chris puts his finger on his moist cheek and walks down the street-

-meanwhile-

Lance: Hey country bumpkin. -shows up- I need to use your WI-FI for a bit.

-Levi is under the bus taking it apart-

Levi: if you keep using it I'm gonna start to charge ya

Lance; Whatever. You could probably use the extra cash -pulls out his wallet- here, I'll leave a hundred on the counter if it'll keep you quiet for the day.

-Levi doesn't say anymore and keeps working with the bus-

-Lance leaves a hundred and goes into the waiting room to work-

-a while later a very loud crash is heard and Levi swearing-

Lance; what the hell just happened?

-he walks into the shop area. the bus feel off of its stand and Levi wasn't moving-

Lance: fuck. -he goes over- hey! Can you hear me! Are you alive!

Levi: just don't stand there put the bus back up so i can get out!

Lance: Got it. -starts working on it. He's not that strong but he gets the bus back up-

Lance; are you gonna be okay?

-Levi scrambles out from under the bus and stands up slowly. his head was cut but he didn't know-

Lance; Oh my god!

Levi: stupid stand. i need a new one

Howie: Oh hey Levi I've got another car that needs worked on and LORD ALMIGHTY WHAT DID YOU DO TO YOUR HEAD!

Lance; The bus fell on him and I had to get it off and now he is just...

-Levi looks at them funny and feels his head-

Levi: aww its nothing. I'll clean it up

Howie; Never mind that! Go call an ambulance and get the first aid kit out. Levi I don't care if it's a tiny scratch I want you to get yourself checked out.

-Levi mimics Howie in a nagging tone and goes to the bathroom-

-his forehead has a deep cut on it and his head was bruised-

-his head was partly crushed when the bus landed on him-

-Lance goes over to the first aid kit and gets it down and calls 911-

Howie; So you do have a decent bone in you city boy.

Lance: whatever.

-Levi collapses in the bathroom-

-Howie goes in and starts CPR to try and keep Levi alive-

Lance; is there something i can do?

Howie; Stay out of the way. that's what you can do!

-the ambulance arrives and takes Levi to the doctor's office that is on the far edge of the town opposite to the hotel-

Becca; Oh my god! Is he okay?

Brain: he's gonna be fine. the doc is a pro ya know -pats her back-

Becca; don't touch me.

-a lot of the girls in town all worry like heck. Levi was, to them, the most eligible man in town and everyone wanted him-

Becca; Brian. We need to talk.

Brian: is it that time of the month again Becca?

Becca; I wish. Brian, we've been dating for years. You should know by now that you can't tell me what to do. And yet you still try to act like I'm your property.

Brian: i only want the best for you!

Becca; You tell me what to wear. You tell me when i can go out. You tell me who I can and can't talk to! If you really wanted what was best for me you wouldn't boss me around and you'd let me do my own thing! You love me and you don't even know me!

Brian: i know what is best for you! i love you Becca!

Brian: i don't want you hurt, i don't want to loose you!

Becca; No! You want me to turn into a good little wife and baby maker! I've got so much more to live for! There's so much I want to do! And i know i might get hurt in the process but I'm not scared of that! I was told you were gonna propose. Well then this might save you some trouble! No! No, no, no, no, NO!!!

-Brian looks hurt-

Brian: this is because of Chris isn't it? he's changed you!

Becca; Stop acting like you know what's best for me! Stop being my slave driver!

Becca: I've always been like this! You're just to blind to notice!

Becca; I am a rebel! this is who I am! Chris had nothing to do with it!

Becca; Then again maybe with him I'd lose my virginity before I turn thirty!

-Brian slaps her hard across the mouth and she shuts up-

Brian: i saved myself for you... and you just want to get laid. is that it?

Brian: you can't wait till marriage?!

Becca; i wanted to do so much. But I'm stuck here. I don't want to wait! i want to know what's out there!

-she gets up and leaves holding back tears. She's not going to let him see her cry-

Becca; I NEVER WANTED MARRIGE IN THE FIRST PLACE!

Brian: Becca get back here!

Becca; NO!

-Brian goes after her-

Becca; leave me alone! get the hell out of my life!

Brian: Becca i will give you everything you want! just stay!

Becca; No. Not after you did this to me. -points to the mark that's appearing on her face- If there's one piece of good advice my mom gave me it was that if a man hits you once you don't give him a second chance. No matter what. -she keeps walking-

Brian: Becca I'm sorry i shouldn't have hit you! i never have! I'm just angry at the Chris guy! i should be taking this out on him and not you -he stops walking- if he didn't show i would have you in my arms -he turns around and heads towards the hotel-

Becca; -to herself- No... i still would have left. Eventually. Chris just told me what i needed to hear. -she heads to her car-

-in the hospital-

inner Lance: Okay. This is stupid. why the hell am i waiting for him here? I don't care about him. and this isn't my problem.

-the doc comes out saying Levi is fine and got stitches-

Doc; Take care of yourself Levi.

Levi: i will -walks out of the hospital with Howie following him-

Howie; Sorry I snapped at you city boy. You gotta understand Levi is an old friend. But I'm grateful for what you did.

Lance; whatever.

Levi: see? what did i tell ya. nothing bad at all

Howie; Never hurts to be sure.

Lance; Justin got a bad cut on stage one time... it was pretty scary... oh why the hell am i tell you this?

Howie; It's a good story.

-they hear a scream as Chris takes off out of the hotel with Brian fast on his heels-

Chris: i didn't do anything!

Levi: what the devil...?

Brian; SHE'S GONE! AND IT'S YOUR FALUT!

Brian: YOU'RE GOING TO DIE NOW!

Levi: who's gone?

Chris: dude chill PLEASE!

Christina; You should have seen it. Becca finally gave Brian a piece of her mind and she left him and this town for good.

Levi: what? i never got to say bye!

-Brian runs up to Chris and punches him several times in the gut before some of the other guys in town, including Chris's fellow band members and Brian's buddies, hold him back-

-Chris groans hitting the ground-

Brian: She was my everything! She'd still be here if it weren't for you, you son of a bitch!

Chris: i was beat up by my sisters so this is nothing

Doc; You okay son?

Chris: yeah I'll be fine -stands up- but i need to get the hell out of this town

Levi: sorry your bus is in pieces. and I want to burn it down for crushing me

Kevin: We'll make sure Brian doesn't give you trouble.

AJ; We saw what happened between him and Becca. It's not your fault man.

Chris: how can i trust you?

Kevin: We may not be fond of boy banders but we can't stand a man who'd hit a woman.

Levi: I've hit a woman before. but she hit me first

Kevin: That's a whole other story.

Chris: i can't trust you guys when Jc and Justin laid Britney and Christina

-AJ and Nick fume-

Jc: shit...

Kevin: You two calm down.

Jc: she has a boyfriend?

Christina; Make that ex boyfriend. I'm a single gal now.

Joey: thank god Kelly told me she was with Kevin

-Nick looks over at Christina-

Christina; Sorry Nick. This just isn't a good time for me.

Lance; wow... this is a strange place.

-Britney was off doing something so AJ just glared at Justin-

Justin; Please don't kill me.

-Brian breaks free from his hold and Chris hides behind Levi. Brian huffs and goes back to the hotel-

Chris: he'll kill me in my sleep

Kevin; I'll let you crash in my place. All of you. i don't want any of you staying at that hotel. Not with the mood Brian's in.

-they all nod-

-Levi heads back to work-

Lance; um... I need to go grab my laptop

-goes with Levi. the entire time he's trying not to look at Levi and act like he doesn't care-

-Levi doesn't have to act-

Levi: stupid bus not getting under you till we get a new stand

Lance; What do you need so you don't sue us?

Levi: just to get out of my way so i can clean this place up

Lance: fine -he grabs his laptop and leaves-

-that night-

-the guys are talking at Kevin's place alone-

Justin: We really are screwed aren't we?

Joey: i think so

Justin: we didn't mean for this to happen. It just did.

Jc: she didn't say anything about having a boyfriend. she doesn't now but...

Justin: It's stupid though. The entire town hates us now because of this.

Lance; What does it matter?

Chris: hey I'm a wanted man

Lance; but at least you still have a little respect from the town.

-Chris goes to sleep-

Lance; And it doesn't help matters that i can't seem to get a hard on from any girls here -goes to sleep-

Justin: Lets just hope we can get out of here soon.

-Jc passes out-

-Joey had already fallen asleep-

-Justin lies awake for at least an hour before falling asleep-

-the next morning-

-Lance heads to the shop and finds Levi isn't there. Howie says he is at home resting-

Lance; Tell him... tell him.. I'm... -he's having difficulty saying this- I'm sorry. Okay there I said it!

-Howie gives Lance a piece of paper and tells him to tell that to his face-

-Lance reluctantly goes to the address-

Lance: Hello? -he quietly knocks-

-the door opens a while later. Levi is standing there is only a pair of sweats-

Levi: how the hell did you find me?

Lance; Howie.

inner lance; Don't get hard, don't get hard, don't get hard.

-Levi walks into his house leaving the door open-

-Lance walks in-

Lance: I wanted to apologize. I was wrong.

Levi: shocked to hear that

Lance; It's true though. I lost a lot of sleep over that and I want to go to bed tonight with a clear conscience.

inner Lance: he's hot. DAMNIT I'M HARD!

Levi: want me to accept you apology? -turns around and looks at him- need a pillow?

Lance: both would be nice.

Lance; Please don't tell anyone

-Levi tosses him a pillow-

-Lance covers his dick-

Lance: I'm not gay. Really.

Levi: uh-huh...

Lance; Seriously I'm not!

-Levi runs his hand down his chest and then rubs his face, sighing-

inner Lance; must... touch...

Lance's dick; DUDE YOU GOTTA LET ME OUT!

Levi: dude you really didn't do anything to apologize for

Lance; I was an asshole to you.

Levi: i was the ass to you and i ain't saying sorry

Lance; I just felt like i owed you an apology.

-Levi pours himself a cup of coffee but it splashes on him-

Levi: holy fuck that burns!

Lance; Where do you keep the ice?

-Levi grabs a towel and wipes his chest off-

Levi: where do ya think?

inner Levi: he just wants to touch me doesn't he?

-Lance walks to the freezer and takes out a bag of frozen peas putting it on Levi's
burns-

inner Levi: i should bend over and shakes my butt at him or pour water down my body

Lance: Here. Hold this on the burn. -tries to look away from Levi's abs-

Levi: you enjoy holding the pees more then me

Lance; it'll help with the burn. Okay?

-Levi puts his hand on Lance's that is on his chest-

Levi: you need relief or something?

Lance; I need to know I'm not into men.

Levi: fine then -throws the peas on the counter top and pushes his hand down Lance's pants-

-Lance goes beet red-

Lance's dick: FINALLY! RUB ME! RUB ME DOWN AND MAKE ME SPRAY!

-Levi moves his hand-

Levi: your lips say one thing but your cock says another

Lance; Please stop. I... oh god damn this feels good.

-Levi moves his hand faster-

Levi: want me to stop? Do you know now who you like?

-Lance nods biting his lip-

-Levi stops and pulls his hand out-

Levi: okay. i stopped

Lance; I thought i was supposed to like girls. But i guess that's not my life.

Levi: then go think of some guy when you jerk off in my bathroom

-Lance nods and goes in. He tries to think of other men but Levi keeps invading-

Lance: GET OUT OF MY HEAD!

Levi: who needs to get out of your head? -knocks on the bathroom door- need a magazine?

Lance: No! Nobody is in my head!

Lance's dick: I want him to touch me again!

-Levi opens the door-

Lance: shit! -covers his very free dick and looks at Levi flushed-

-Levi doesn't say anything. he just blows Lance right then and there then leaves heading back to the kitchen-

-Lance sits there dumbfounded. then he leaves, after cleaning himself up, not knowing what he should do-

-meanwhile with Becca-

-she's driven a long ways but her car finally gave out. she's completely lost and has no idea where she is-

Becca: I'm not going to cry. I'm not going to cry. I'm not going to...

-she cries-

inner Becca; where the hell am I?

-Becca cries in the car for a couple of hours till she falls asleep. the next day she sits

in the car wondering what to do and starts to get hungry. she is about to start walking back when she sees a bike off in the distance-

-it is Levi-

Levi: i figured you'd break down. you barley had any gas in that thing

Becca; I need help. As much as I hate to say it.

Levi: i know you hate to hear this but you have to come back because going out into the world of unknown not knowing what to do is stupid as hell

Becca; but they'll all chain me down! As soon as I get out of my cage I'm being told I have to go back in?

Levi: fine I'll just leave you here -turns his bike around-

Becca; Wait! Fine. I'll go back.

-Levi sets her stuff on the back of his bike and they ride back-

Levi: don't worry Becca you will get out okay?

Becca; Things aren't looking too hopeful though.

Levi: you need to be optimistic

Levi: not pessimistic

Becca; It's so hard though. I've tried and tried and the moment things start to get better...

Levi: chillax, that's all i can say -Levi runs his tongue across his teeth and gags-

inner Levi: I thought the coffee got it all? man my first blow that i do and i swallow it why?

-they get back into town-

Howie: Hey. Look who's back.

-Brian comes out of the hotel and Levi instantly blocks her-

Levi: no. not after what you did to Chris!

Brian: Well well. Did the big bad world scare you already? i told you being with me was

better. And now you come crying back. You whore! -goes after her ignoring Levi-

-and Levi's knee nails him in the nuts-

Levi: i will kill you before you come ten feet in front of her

Brian: You asshole! Not you too! She's mine! She belongs to me!

Becca; Leave me alone!

Levi: she made her point okay? I'm on no one's side i just don't want bloodshed from any part of the body!

inner Levi: i don't want him raping her

Brian: This isn't over. Not by a long shot! -goes back in-

Howie: Becca I'm not gonna tell you what to do but I don't think you should be going anywhere alone for a while. just an opinion.

Becca; no Howie. You're right

inner Becca: But I don't want to have a bodyguard.

Becca; I'm going home.

-Chris comes walking up-

Chris: you came back?

Becca; I had to. My car broke down.

Becca; And i didn't have any money with me.

-Lance is behind him trying to explain what happened to him earlier but then stops-

inner Lance; It won't do any good.

Levi: see, you plan your escape Becca. Don't just run. come on, let us get food in you

-takes her to a diner-

Becca; Please stay with me tonight. I don't want to be alone.

Levi: you can move into my place for the time being

Levi: god knows i need company

Becca; is something wrong with Lance? -notices him looking at Levi funny-

Levi: nope. just the thing with the bus -points to his bandaged head-

inner Levi: it wasn't anything...

-Lance heads to go take a nap at Kevin's place, pushing off the whole ordeal as nothing and an act from Levi to piss him off-

-later that day Chris goes to see Becca at her store. Joey was in there to be her 'guard' in a sense but he was reading a sex book-

Chris: hey Becca

Becca; I need to make a restricted section. Oh hey Chris.

Becca; Something i can do for you? Anything you're looking for?

-Joey makes a coughing noise that sounds like 'doggy style' but they ignore him-

Chris: can we talk for a bit?

Becca: Sure. What about?

-Chris leans in and kisses her softly-

Chris: do you like me or something?

Becca; yeah...

Becca; How can i say this? You're everything I've wanted.

Chris: i hear that there is a dance on Saturday. want to go with me?

Becca; Yeah. I'd like that.

-Chris smiles-

-she kisses him-

-he kisses her back-

-again Joey coughs 'doggy style'-

-Chris throws something random at him-

inner Becca; that actually does sound like fun.

-Joey rubs the back of his head-

inner Chris: i like cowboy better

-meanwhile-

Lance; -kicks a rock-

Lance; -muttering to himself- it's stupid. it doesn't prove a damn thing. So what? girls can blow guys too. It doesn't mean a thing.

-he kicks another rock-

Levi: ouch!

Lance; Sorry. -keeps walking and muttering-

Lance; whatever. So I get hard. He looks like a girl so what difference does it make?

-Levi throws the rock back at him-

Levi: ya know the whole town is gonna hear ya!

Lance; SHUT UP!

-he goes to a bench on the sidewalk and sits down-

-Levi walks up to him crossing his arms-

Levi: your pathetic

inner Lance; It's nothing. It doesn't mean a thing.

Lance; Why are you still talking to me? Haven't you rubbed it in enough?

Levi: i know i rubbed something

Lance; it doesn't prove anything.

Levi: oh really?

Lance; yeah. Really.

Lance; If it does prove something then give me more evidence.

Levi: -arches eyebrow and goes back to his shop-

-Lance sits there on the bench for an hour before going into Levi's waiting room to work-

-Levi is sitting there drinking some coffee and watching a very gay porn movie. The windows are covered so no one sees-

inner Lance; Don't look at it. It's not interesting. Do not look at it!

Levi: damn i love blonds

inner Lance: Shit.

-Lance watches out of the corner of his eye-

-Levi moves his hand to his lap setting his coffee down-

Lance; Should I put in earplugs so I don't hear you jerking off?

Levi: then leave -undoes his pants-

-Lance ignores Levi and goes back to working. but he can't help but watch and get horny off of it-

-Levi strokes himself and puts his other hand behind his head-

inner Levi: what the hell am i doing?

-Lance covers his crotch with his laptop so Levi won't see-

Levi: i know -pant- your horny

Lance; no.....

-Levi gasps and moans, bucking his hips-

-Lance puts his laptop to the side and whips out his unit. He starts stroking it and holds back on moaning-

-Levi's mouth makes contact with it soon enough and he swallows everything he gives again-

inner Levi: it is a bit better this time

inner Lance; why does he always do that?

-Levi tucks his hand on back in and shuts the movie off heading back to work-

Lance: It still means nothing!

Levi: you keep telling yourself that

Lance; I will!

inner Levi: i need to kiss him... wait what the hell am i saying?

-Levi resists the urge to touch himself again-

-Lance goes back to Kevin's where he and the guys are still staying. Kevin is at work so he lets himself jerk off all over again-

-meanwhile it was getting dark and Chris and Becca had headed back to ghost town-

Becca: There aren't any kids here tonight.

Chris: that's a good thing right?

Becca; yeah. It means we can actually be alone together. It's warm out tonight.

-Chris pulls her outside and lays her on the hood kissing her-

Chris: car is warm too

Becca; yeah -wraps her arms around his neck kissing him-

-they make out-

inner Becca; come on. Take me! Fuck me like there's no tomorrow!

-Becca's legs are spread out underneath Chris and she 'accidentally' didn't wear underwear-

-Chris looks down and puts his hand there-

Chris: let me guess...

-Becca nods-

-Chris pulls out a condom and Becca works him free-

Chris: wow it is warm

Becca; Told you so. -kisses him- It's even warmer down here. -grins-

-Chris puts two fingers in her-

Chris: that's for sure. but i don't want to hurt you

Becca: Every woman's first time hurts. It's not a big deal.

Chris: still... -moves his fingers-

-Becca's back arches and she moans-

Chris: i care about you and yeah it might hurt but if it doesn't get any better I'm gonna make sure it does

inner Becca; eh?

-he puts the condom on and pushes in slowly-

Chris: tight and hot

-Becca bites her lip and squeaks but nods for him to keep going-

-he slowly begins to move-

-Becca digs her fingernails into his back leaving nail marks. She gasps every time he goes in-

-a while later Chris cums but Becca didn't-

Chris: did you...

Becca; No.

Becca; sorry.

Chris: that's okay. if anything it's my fault -he goes down and does the oral-

-Becca screams as she cums-

-Chris licks her clean and throws the condom on the side of the road with the rest of them-

Chris: that good?

Becca; Yeah.

-he kisses her-

Chris: good -tucks himself back in-

Becca; Lets stay the night out here.

Chris: okay. but in the car

Becca; Okay.

-they snuggle in the backseat-

-the next day-

-people in town oddly knew what they did and Brian wasn't happy-

-Levi was skipping around happy-

Levi: she lost it before i did!

Lance: Whopty fucking do!

Brian: Shut up!

Levi: oh shut up let me be happy without you ruining it!

Brian: I was supposed to be her first. She's mine damn it!

Levi: not anymore -dances even more-

Brian: -breaking beer glass in his hands- I'll get her back. And I'll get rid of that son of a bitch.

-Levi turns on the radio and *NSYNC's 'Tearing Up My Heart' comes on. He didn't know it was them, however-

Levi: i love this song! -dances-

-Lance starts humming his part-

Levi: guess someone else listens to good music

Lance: No. Jc wrote this. *NSYNC sings this. I can hear Chris in the background.

-Levi stops dancing-

Levi: god damn it now this song sucks -turns the radio off-

Lance: You're an asshole.

-Levi shakes his ass into Lance's face-

Levi: say it to the butt!

Lance; ew.

-Levi goes back to work-

Inner Lance; that was strangely arousing.

-Lance goes for a walk-

-Levi works on some random broken down bike-

-the day was getting hot so he changes into shorts and leaves his shirt off. girls come in to watch him work and talk with him-

-a lot of guys were pissed-

Girl 1; You're so cool Levi.

Levi: i just do what i love

Girl 2: are you going to the dance?

Levi: gonna be playing like always

-the girls sigh happily-

Girl 2: Save one dance for me?

Levi: I'll think on it -winks at her-

-she looks like she's gonna faint-

-the girls keep chatting away-

-Levi is sort of under the bike working on it when the bike stand goes out and the bike falls on top of him-

Levi: god fucking damn it not again!

Girls: SQUEEEEE!

Lance; Crap. -walks over- Hang on I'll get you out from under this.

Levi: the girls can do it so go away horny boy

-the girls all faint-

Lance; You were saying? -He gets the bike off of Levi-

-Levi rubs his chest that has a cut on it-

Lance; This proves nothing by the way. -leaves-

Levi: man these girls are making a mess

Lance; You're telling me.

Levi: now fairy go poof -shoos Lance off but winces-

Lance: I am not gay. And why are you hurting?

Levi: cause your in here -shoves him and yelps-

Lance; Fuck. Okay lay down. I'll go call a medic.

Levi: you know nothing -rubs his shoulder- its dislocated

Lance; I know how to use a phone now shut up! -calls 911-

-the girls wake up and run to Levi-

Girl 1: Oh Levi!

Levi: any of you girls know how to pop my should back into the joint?

-they shake their heads-

-Levi sighs and sits-

Lance; the ambulance will be here to check on your chest. I can get your shoulder back in.

Levi: then do -yelps as a pop is heard-

Lance: There. all better.

Levi: ya didn't have to call the ambulance. its a minor cut see? -pokes it-

-the girls all sigh and whimper trying to sooth Levi-

Lance; Doesn't hurt to check.

inner Levi: are any of these girls NOT real blonds?

Girl 1: You're gonna be okay Levi. the doctors are gonna make sure you're okay.

Girl 2: sit down okay? we don't want you to faint

inner Lance: dear lord I want to comfort him... no I don't!

-Levi sits cause he is shoved down. then the girls all grab wash clothes and wipe off his chest-

-he is not happy-

inner Levi: i would rather Lance did it... wait... no i don't

Lance; Give him some space girls -the medics arrive-

-the medics clean up Levi and take him to the hospital anyways to check for broken bones. he is dragged their-

Levi: I'M FINE!

Medic; we just need to be sure.

Levi: BECCA SAVE ME!

Becca; No. You need to be sure.

-Levi growls and Lance twitches at the low frequency-

inner Lance; He's hot when he's angry... NO HE'S NOT!

-Levi is checks out and stuff and he just has boo-boo's. doc says all they need are kisses and Levi throws a hissy fit-

-Levi walks back to the shop and the girls sigh and wave at him. he is grumbling and not paying attention. he is still only in shorts-

Levi: Lance you are just... -throws his hands in the air once he reaches his shop-

Lance: there. now your fans can sleep in peace. and if it makes you that upset I'll let you die next time something falls on you.

Levi: ever since you showed up I've been a lot more angrier!

Lance; You've made me angrier since I came here too!

Levi: thank you makes me feel ever so much better

Lance; meh!

-Levi rolls his eyes-

Levi: maybe killing you will make me feel better! -Lance stomps into the waiting room and Levi goes after him- don't you run away from me we are gonna end this once and for all!

Lance: Fine! Get yourself arrested for killing a man! God ,what are you trying to prove?

-Levi grabs Lance and kisses him hard, and for a long time doesn't let go of him-

-he soon pulls away slowly-

-Lance is stunned.-

Levi: i really don't know. trying to prove i don't think your the hottest guy on the planet maybe? getting rid of you might make it all better?

Lance; I am not gay. Why do i get hard every time i look at you!

Levi: yeah... happy moment went bye bye -sighs and goes back to the bike-

Lance; I don't think I have feeling for you. But... it's like I want to...

Levi: just go away -he mumbles not looking at Lance-

Lance: I'm sorry for hurting you. -kisses Levi before leaving-

-it was on the cheek but Levi barley felt it-

Levi: you won't accept yourself. i don't want you near this shop till your bus is done
got it?

Lance; Okay. I can do that. -leaves-

-Levi kicks the bike and winces, feeling tears burning his eyes-

Levi: stupid bike

-Lance leaves a note on the table at Kevin's house saying he's going to be gone for a
couple days. He needed to think... a lot-

-that Saturday-

-Levi is setting up the stage for the dance-

-Becca and Chris are helping out as well-

Jc: hey Levi?

Levi: yeah?

Jc: mind if NSYNC can perform tonight?

Levi: sure. I'll get the mics out

-Jc smiles and walks off-

inner Jc: Lance better come back

Becca; do you think Lance is going to be okay?

Chris: he will

Levi: alright everything is set. I'll be in my shop -he goes to his shop-

Chris: Levi has been there a lot

-that night-

Lance; You better have made me come back here for a good reason.

Joey: i did, i did. come on lets get all dressed up pretty like -they get into their nice semi-formal clothes-

Lance; I don't want to see this place again.

Justin: dude this is only for an hour or so. Now lets do this.

-they head into town. it was packed-

Chris: they have this much people?

Joey: well it is in all one place so...

Justin; It's strange.

Lance; Lets just get this over with.

-Becca is standing there near the stage-

Levi: uh, testing testing -taps on the mics. Lance does a 180 and Joey pulls him back-

Lance; No.

Levi: testing, one two three -starts singing ABC 123-

-girls laugh. The guys catch a glimpse of Levi moon walking across the stage-

Jc: wicked

Justin; We should have him join.

Lance: no.

-Levi is wearing a black button up that is short sleeve with black slacks and a piano tie.
his hair was very nicely styled-

Chris: Becca looks adorable -rushes to her-

Justin: Dude we have to be on stage soon!

Lance: Oh let him. Who knows if they'll see each other again.

-Chris swings Becca around and they start dancing to no music. that sends Levi to the piano and he starts to play-

-Brian is off in some lonely corner looking pissed.

-Leighanne asks for a dance from him-

Brian: fine.

Inner Brian; It's no use.

-Leighanne always had a crush on Brian-

Leighanne; It's okay. There's someone for you out there. Believe me.

-people group off and start to dance. Levi was kind of in a zone-

-Lance is a wallflower-

Justin: Go on. Ask Levi. We know you want to.

Lance; I won't. I'm fine with the fact I'm gay. After some thought I'm okay with it. But he's not into me so why should i care?

-Levi soon finishes his song and girls scream for him to sing. then guys groan as they swarm the stage. It is like a person trying to walk a puppy and the leash gave away-

Levi: me don't sing!

-Becca snorts-

Girls: SING SING SING SING SING SING SING!

Levi: no no no no no

Guys: just do it so we can have them back!

Becca; Oh shut up and sing already!

-Levi sighs and sits back down-

Lance; if you don't I will

Levi: okay fine i will!

-plays and sings-

Inner Lance; I know he's trying to get a point across to me. But what does he want me to say?

Inner Lance; It's like he says. It's too late for me to apologize to him. So what do I do?

-Joey nudges Lance and he looks at him-

Lance; yeah?

Joey: ya know Levi likes you a lot. i heard what happened a few days ago. he confessed that he liked you but you wouldn't accept the fact you like him

Lance: It was hard. That's why I left for those last couple of days. i needed to get some things straightened out in my mind.

Joey: you could have been a bit nicer about it then cause he has been, like, in this weird zone for the past few days

Lance; that's in the past now. What am i supposed to do now?

-Levi's song ends and he gets off stage. Jc drags them all up onto stage. the girls scream and rush to the stage again. the guys all groan and some pout and some cry out their girlfriend's name-

Jc: what song guys?

Lance; ...

Justin: God must have spent?

Jc: fits for lance's situation

-he sits at the piano and plays-

Random chick: eh?

-they sing-

-Levi was standing off in the middle of the street-

Levi: I've heard this before...

-they finish-

-the sound of screaming fades out as Levi walks down the street to his shop-

-Lance follows from a safe distance so Levi doesn't see-

-Levi goes into his dark shop and sits down in a corner. Lance hears his crying-

Levi: yeah... maybe i should go with Becca out of this place...

-Lance sighs. He goes over to where he left his bag at the dance and grabs a pad of paper and a pen. He writes down a note and makes a paper airplane and sends it to Levi-

-Levi feels something hit him. he picks it up and turns on a light opening it-

Dear Levi, I'd give you this letter myself but you said so yourself you didn't want me near your shop until the bus was fixed. Anyways... I took a couple days off to think. You're right. I did need to accept who I am. I realize that now. While i was gone i came out to my parents. They haven't called me back but they might. You never no. I know it's to late to say I'm sorry. But I am. I hope you forgive me. I know you like me. And the truth is i do too. I don't know how you're going to take this but oh well. Lance.

-Levi wipes his face and turns off the light. he goes outside his shop seeing Lance

across the street-

-Lance waits, not knowing if he should make the first move or not-

-Levi flips the note over and writes something down on it with the pen he had in his pocket. he throws it to Lance-

-Lance picks it up and reads it-

Lance, Please come and kiss me. I don't want it to mean nothing anymore. I want it to mean everything. Come and kiss me if you really mean it cause I know when I kissed you it meant the world to me. Guess Who

-Lance crumples the note up and jogs up to Levi kissing him hard-

-Levi kisses him back holding his face-

-Levi pulls away from Lance's lips-

Levi: damn

Lance; Yeah. My feelings exactly.

Levi: ya know I'm still a virgin but i highly doubt you are

Lance: other than those blow jobs you gave me I'm a virgin.

Levi: want to go into the shop and make us equal? -grins-

Lance; Gladly -yanks Levi in-

-meanwhile-

Jc: well they are happy. let's just hope no one finds out

Justin: yeah.

-Chris was spinning Becca around-

Justin: How long do you think those two will last?

Jc: lets hope a long time cause Chris is having a blast with her

Justin; yeah. after his breakup with Dani he really needs a girl.

Jc: we are leaving hopefully in a couple of more days. Becca might come along. but I'm more concerned for Lance and Levi cause Levi likes it here

Justin; Yeah. i mean they can exchange numbers but long distance relationships are hard.

Jc: lets just hope Lance isn't getting over his head -Christina and Britney walk up. Jc takes Christina out to the dance floor-

-meanwhile-

Becca; Hey. -leans in closer to Chris- Lets disappear for a bit. My place or ghost town?

Chris: yours -smiles-

-she leads him off-

-Joey sees them go off and chuckles as he dips Kelly-

Kelly; I've never really been into musicians. But you're different.

Kelly: uh oh. -looks at the other end of the room-

Joey: what?

Kelly; Leighanne's alone. She was dancing with Brian last I checked. And with how much he's been drinking tonight i don't know if it's a good idea for him to be left unattended.

Joey: Chris and Becca went off somewhere. hope he doesn't do anything stupid to them

Kelly: The entire town has been wary around him ever since he hit Becca. If we hear anything we'll know something happened.

Joey: mkay. are you and Kevin still an item?

Kelly; No. we talked about it. We decided it just wasn't going to work.

Joey: mkay -he kisses her-

-the stay that way for a while-

-a while later people start to head home and Levi and Lance show back up. but they have distance so no one thinks anything-

Justin; You guys have fun?

Levi: define fun

-Justin winks-

Justin; a certain unspeakable kind.

-Levi smiles and steps closer to Lance-

Justin: Thought so -leaves-

-Jc follows him after 'saying good night' to Christina-

-Joey walks Kelly home and things happen-

-next morning-

-a truck is outside of Levi's shop and Levi is helping load things into his shop-

Lance: So you got the parts?

Levi: yeah. your bus will be fixed in two days at the least

Lance; I wanna talk to you later... tonight where there won't be any prying eyes.

Levi: mkay

Lance; See ya. -leaves-

-elsewhere-

-Chris wakes up rubbing his face-

Chris: morning -looks at Becca-

Becca; hey -kisses him before looking out the window- Wow... looks like Levi got the parts.

Chris: guess we'll be laving soon

Becca; Am i gonna see you again after you go?

-Chris sighs and lays down on top of her-

Chris: i don't know. you still want to come with?

Becca; yes. More than anything.

Chris: then you'll come with me

Becca; thank you. I promise you won't regret it.

-Chris kisses her-

Chris: i don't think i will. my bed is big enough for two

-Becca grins-

-all of a sudden there's a loud pounding on the door-

Becca; I don't want to answer it. Do you?

Chris: no -kisses her again-

-They ignore the pounding and end up fucking a couple more times-

-the pounding eventually stops-

-Brian, the guy who was pounding, is starting to sober up and heads back home to drink-

-later that day-

-the guys are in a diner with their 'girls' and Lance is staring out the window watching as girls swarm Levi's shop as he goes nuts on their bus-

Inner Lance; i want to be with him. I want to stay with him.

Justin; Something wrong dude?

Lance; Nothing.

Jc: you are staring into space

Chris: I'm staring at a hot girl -is staring at Becca's chest-

Lance; It's nothing really.

Becca: My face is up here Chris.

Justin: don't try to fight it Becca he's never gonna grow up.

-Chris grins-

-suddenly a roaring engine is hear. people all cheer-

-the bus was fixed-

Jc: we are going home!

-Christina sighs-

Justin; We'll call you as much as possible.

Kelly: You guys better.

Becca; So i guess I'll get my stuff?

Chris: yes! -Chris and her scurry to her place-

-James comes down from his hotel room and pulls the bus up to the gas pump. Levi fills the tank up fully-

Levi: no charge on the gas man

James; Thanks.

-Levi nods-

Lance; Levi. We need to talk now.

Levi: hold on James -follows Lance into the waiting room in his shop-

Lance; Levi... do you want to come with us?

Lance; Chris is taking Becca and he's probably going to let her stay in his place in Orlando. if you want...

-Levi looks at his feet-

Lance; We could use a mechanic.

Levi: this is my home. yeah I can't be myself but I'm welcomed here

Lance; but I...

inner Levi: dud you are going to LOOSE LANCE!

Lance; I love you and I don't want to lose you.

Levi: I don't want to loose you but i don't think I want to loose this town. I grew up here

Lance; then at least call me often. I don't want to lose you. Long distance relationships are hard.

Levi: i know -Levi grabs Lance's hand and squeezes it- stay one more day and leave tomorrow will ya?

Lance; Okay. Say you want to keep the bus here overnight in case something else blows.

-Lance leans in and kisses Levi for several minutes-

-Levi kisses him back sliding his dirty hands up Lance's shirt-

Lance; I'll meet you in the ghost town tonight.

Levi: Mmm... okay -Lance pulls away and leaves-

-little did they know that some guys witnesses what they just did-

Guy 1: I don't believe it.

Guy 2: our mechanic is a fag

Guy 3: Lets beat him up now!

-Guy 4 holds him back-

Guy 4: no... we'll take care of them later. Come on

-they walk off-

-that night-

-Levi is late getting into ghost town. he looks around for Lance-

Levi: Lance!

Lance: Levi...

-Levi stops his bike and looks around-

Levi: Lance where are you!

Lance; here... help me...

-Lance lifts his arm so Levi can see-

-Levi gets off his bike and runs over-

Levi: oh dear god

Lance; Levi. Run. they'll hurt you too.

Levi: who? why would i run your bleeding to death!

-Levi pulls out his cell-

Lance: Some guys... from town... they must have found out about us. They followed me and beat me up.

-Levi kisses his bleeding lips-

Levi: your getting help -calls 911-

Lance: I'm so scared. I don't want them to hurt you.

Levi: they left didn't they? -holds Lance's hands and talks with 911-

Lance; I don't know. for all I know they could have driven to a different part of ghost town.

-Levi hangs up-

Levi: the ambulance is on its way. it in the mean time I'm grabbing the first aid kit i have on my bike -he goes and drabs it- don't ask why i have one -Levi starts to do his best to clean Lance up-

Lance; I don't want to leave you. They'll go after you next i just know it.

Levi: i can kick ass though

-Levi leans down and kisses Lance again-

Levi: please don't die on me

Lance; I won't.

-Levi kisses him again and holds his head in his lap waiting for the ambulance. he was worried the guys would show before the ambulance did-

-sirens approach-

Lance; Are they here yet?

Levi: almost

-Levi pets his head-

Lance; do you think my mom and dad still love me?

Levi: mine do -Levi kisses Lance's head-

-The ambulance shows up. Levi stands up to go over to them but a shot is heard. It isn't a vehicle this time. Levi falls to his knees gasping-

Levi: damn it!

Lance: No!

Levi: its my gut. I'll be fine -holds his gut- it is you who needs to be worried about

-they are both taken to the hospital, Lance wanting Levi the entire time-

Lance; Please tell me he's going to be okay! I don't want to lose him!

Doc: he should be fine. He's in surgery now but he should live.

-they take Lance into surgery too-

-when he wakes-

Chris: wow, your smart

Lance: Levi. Where is he? Is he alive?

Justin: We don't know, we just got here.

Chris: dude will ya rest? ya just got out of surgery

Lance; i need to know he's okay! they shot at him. i didn't see their faces but they shot at him.

Justin: calm down Lance. It's bad enough Becca's crying in the waiting room scared out of her wits for Levi.

Joey: dude you need to sleep okay? police are already trying to figure out who did this

Lance; Please. I just want to know he's safe. -lays down closing his eyes-

Jc: we'll find out man

-a few minutes later Becca comes running into the room-

Chris: Becca?

Becca; he's alive! Thank god he's alive!

Chris: good now Lance can sleep! -Lance is smiling in his sleep-

-Levi is wheeled into the room and he's snoring-

Jc: that's what our bus sounded like before it died

-Becca rolls her eyes-

Joey: i didn't know Levi snored

Becca: He doesn't. we had enough sleepovers as kids and teens that i would know.
Come on Levi we know you're faking it.

Levi: -obnoxious snore that makes him cough-

Levi: I'll cut it out now -opens his eyes- so Lance no dead?

Justin: No. Just scared that he was going to lose you.

Becca; I'm so happy you're alive. -hugs Levi her face still soaked from crying-

-Levi hugs her back-

Levi: I'm one tough cookie

Becca: You're still getting a bullet proof vest for Christmas though.

Levi: meh

-Levi is put next to Lance and Levi stares at him-

Levi: i want to know who did this

Becca; the police are looking into it. That's the good news.

-the next day-

-Lance and Levi are released. they all head to Kevin's house to get all of their stuff together-

-Kevin isn't really in the mood of talking-

-Lance won't say anything either-

Levi: Lance you haven't said a word

Lance; there's nothing to say... at least not for now.

Levi: what? come on tell me!

Lance; no. It's not important.

-Levi pouts-

Levi: pwease?

Lance: No. By the way. are you gonna be coming with us?

Levi: i already told you... I'm gonna stay

Lance: Okay... but are you sure it's safe?

Levi: the police will find who did this to us. I'm not worried

Levi: besides, my best friends are here. AJ, Nick, Howie, Kevin... possibly Brian...

-Kevin storms out-

-Levi arches an eyebrow-

Levi: Joey i don't think he's happy about you taking Kelly from him

Joey: probably not very much, but she said they ended on good terms so...

Lance: it isn't... never mind

Levi: Lance what's wrong? tell me will ya!

Lance; I'm just being paranoid. I'll give you a call when we get to our next stop on the tour.

Levi: mkay -kisses him-

-Kevin is watching-

inner Kevin; One of the best men in town... one of those kinds on people! Ugh.

-Levi pats Lance's back and heads down to Kevin's kitchen to get something to drink-

-the guys finish packing and Lance reluctantly leaves Levi. Becca goes with Chris and they wouldn't stop jumping-

-they head into the town and load up their bus. Levi shows up and make sure everything is still running. Howie seems to be distance with Levi-

Levi: Howie, what's up man? seriously

Howie; nothing. What's your problem?

Levi: nothing. why would i have a problem? -smiles and gets out from under the bus- your all set James! -he walks around tot eh guys- I'm gonna miss yal

Becca; We'll be sure to call you -hugs Levi- Don't worry. In a year or so you'll see my face on every fashion magazine out there.

Levi: yay!

-hugs all the guys and looks at Lance-

Lance; I'll miss you so much.

Levi: i would come but... you have to understand

-Levi hugs Lance gently-

Lance; -whispering in Levi's ear- I'll always love you.

-Lance looks at Kevin, Howie, and AJ who are watching. the look on their faces scares him. he remembers AJ's words clearly... 'if say anything about this to anyone he's dead ya hear? we don't want you messing him up anymore. leave and never come back. never touch him again...!'-

-they wanted Lance to stay away from Levi forever-

inner Lance; I'll stay with him. But i can't tell him what happened that night.

Levi: i don't care if anyone sees -he kisses Lance-

-Howie is held back by Kevin-

Howie; They won't see each other again. After today that boy isn't our problem...

-Levi pulls away and looks at Lance's face-

Levi: your scared out of your wits! why?

Lance; I'm scared something might happen to you.

Levi: Lance i told you the police will find those guys okay?

Joey: even i don't believe that

Lance; Just be careful for me okay? -kisses Levi one last time before getting on the bus-

-Levi waves and feels Howie's hand on his back-

Levi: them coming here might have not been bad after all

Howie; It's in the past now. They shouldn't have made an impact here. But they took one of our own. All that's left to do is move on. Now let's get back to work.

-Levi nods and the head back in-

-over the next couple of days Lance keeps trying to call Levi but Howie kept answering it and wouldn't let him talk to him. Levi starts to wonder if Lance forgot about him-

-later that week-

-the crazy kid of the town, that rarely came into town, walks past Levi's store mumbling to himself-

Levi: hey Joel! -runs out to him, about to hug him tightly-

Joel; don't say a word boy. or little friend goes boom. no no. mustn't say a word.

Levi: what's wrong Joel?

Joel: no, no. Levi's not here. He's too busy to talk to you. No, no. Can't take messages. He doesn't care. No. Must make Levi forget green eyed kitty.

Levi: Joel? -walks up next to him- what are you muttering?

-Joel keeps muttering about the 'green eyed kitty' and about someone not being allowed to speak with Levi and about Howie and the other guys-

Joel: Hurt the kitty bad they did.

-Levi keeps walking next to him listening-

Levi: who hurt the kitty?

Joel: Told the kitty not to say a word. Levi's friend... the one who answers the phone.

He said he'd hurt the kitty more and kill Levi. then the older one with the long hair... the son of Richard... he agreed. then the Lean of Mc. They said they'd kill the Levi if kitty said a word. I was there. They didn't see me no. I was a quiet boy. Yes Joel was a good boy and kept quiet.

Levi: my friends...

Joel: I stayed nice a quiet when they left. But then Levi came back. Kitty mewed for Levi. Wanted to have his ears scratched? Then they hurt Levi. Hurt him bad. Joel was a good boy... but he had to run away. he doesn't like guns. No, no he doesn't at all.

Levi: thanks Joel -kisses his cheek and runs down to the station-

-AJ heard Joel say something to Levi and goes after him after calling Howie and Kevin-

-Levi turns around and sees Kevin and AJ and Howie walking behind him-

Levi: you're all screwed

AJ; But we're men of our word. You're gonna die now. -grabs Levi- Any last words?

-Levi slams his knee into AJ's crotch and takes off running to go find Nick, who happens to be one of the officers-

Nick: Levi? calm down man. what's going on?

Levi: it was them! AJ, Kevin, and Howie were the ones who hurt Lance! the ones who

shot me wanted to kill me! MY FRIENDS!

-Levi is crying-

Nick; Okay. Stay in my office. I'll handle them. While you're there keep an eye on Brian. He's been boozing again and he's not pleasant when drunk.

-Levi nods and goes in and sits next to Brian-

Levi: dude how many drinks did you have?

Brian; Eight? Ten? Lost count.

Levi: you got to stop man

Brian: i want to be drunk when i do it though.

Levi: i know you feel bad for hitting Becca and you want her back. i respect ya still

Levi: i know someone who loves you a lot, who is crazy for ya

Brian; No one. That's who.

-Levi dabs at his eyes-

Levi: no. Leighanne. she's always loved you

Levi: she's just shy and you were always looking at Becca

-Brian tries but fails to hold back tears.-

-Levi hands him a tissue-

Levi: stop drinking man

Brian; My house... -hiccup- there's a gun. i was gonna use it on him... get rid of it for me
-hiccup-

Levi: okay. but not right now. i might use it on some people myself

-sirens are heard outside and it sounds like there's a fight going on in the streets-

-Levi heads outside and looks-

-Kevin is in handcuffs and is being wrestled into a police car. AJ is fighting with Nick
and it looks like Howie is on the ground knocked out-

Levi: serves you bastards right!

Nick: I'm sorry they did that to you Levi.

Levi: well i guess the good always suffer

Levi: that's what makes us good

Nick: Yeah...You're not the only one. Your boyfriend is probably worried sick... and then poor Joel...

Levi: I'll go find him -goes to find Joel-

-Joel in in an alleyway bleeding. one of the guys shot him to keep him quiet-

Levi: oh god Joel! -rushes to him-

Joel; No. Joel doesn't wanna go see momma yet. Momma said I had to wait to go to heaven. She said i had to be an old man.

Levi: and you will be okay? who ever did this to you will go to hell. You are so innocent
-picks up Joel and carries him out to the street. an ambulance comes down it-

Joel: Joel's a good boy?

Levi: a very very good boy, older brother

-Levi was his half brother. They had the same father. Levi hasn't seen Joel in a long time is because he lived with his father far outside of the town. Joel's mother died when he was five, then his father remarried and had Levi-

-Joel gets taken to the hospital. he's going to be fine but he's just really shook up-

-Levi is sitting in his room playing go fish with him when his cell phone rings-

Levi: only Becca has my number -he tells Joel to wait and he goes out in the hall answering it- hello?

Becca; Hey Levi. Just wanted to make sure you were alive. Lance has been worried about you. He thinks Howie has something against him.

Levi: Howie's in jail

Becca; what happened?

Levi: Howie, Kevin, and AJ were the ones who attacked Lance and shot me. and one of them trying to kill Joel!

Becca; Oh my god! How could they? Joel would never hurt anyone! he doesn't deserve that!

Levi: i know! he's okay though. god i can't believe my own friends want me dead

Becca: That's terrible. Here. I'll give the phone to Lance. You two haven't spoken to each other in days.

-she hands the phone to Lance-

Lance: Hey.

Levi: its great to hear your voice

Lance: My feelings on you exactly. I heard about Howie. I'm sorry i didn't tell you sooner.

Levi: i wish you did...

Lance; I was so scared. i knew they wouldn't hesitate to kill the both of us.

Levi: they didn't hesitate on my brother -Lance didn't know he had siblings-

Lance; Brother?

Levi: i have a half brother. he was born five years before me and his mom died when he was five. then his dad remarried and i came along

Levi: he rarely comes into town because my dad wants him to stay at home with him and my mom, but he sometimes goes into Ghost Town because he liked that place since we were kids. He is very special to me.

Lance; that's terrible. Is he gonna be okay?

Levi: yeah. we were playing go fish before Becca called

-he looks into the room and sees Joel looking at his cards-

Joel: Levi talking to kitty?

Levi: yeah I'm talking kitty. quit looking at my cards -smiles-

-Joel goes back to his cards, smiling-

Lance; Kitty?

Levi: that's what he calls you. He has some... brain issues. He can't name things very well so he uses what his brain has gathered in information and describes things in unique ways. He has social problems, why my dad doesn't want him out of his house, but when you get to know him he is so sweet and gentle with you. He can act like my older brother when he wants to. Your green eyes makes him think of you was a kitty

Lance; Well i guess it works -smiles-

Levi: so where are you guys now?

Lance; we're on our way to Phoenix, Arizona.

Levi: cool

inner Levi: we could get there... me and Joel

Lance; So I'll see you soon?

-Joel meanwhile is drawing on some paper he found. what he lacks in the brain he makes up in really good artwork-

Levi: i don't know. I'll talk to you later

Lance; Okay... see ya. bye.

-Levi kisses through the phone and hangs up heading back to Joel-

Joel: See Levi? -shows him the drawing- Pretty.

Levi: yeah it is -he rubs his scruff he started to grow- you want to leave this town
Joel?

Joel: leave mommy and daddy?

Levi: you'll stay with me

Joel: people don't like us here. Leave yes.

Levi: yeah people are

Joel: can we go now?

Levi: when you get out of the hospital yes

Joel: Okay. Wanna play fishy? -holds up cards-

-Levi nods and they play another round-

-later that week in Phoenix-

-they guys were at a show and Becca was backstage-

Becca; Ahh, backstage sex is awesome.

Chris: oh yeah. got to go back on now

Becca; Go get em tiger. -pecks him on the cheek before he goes-

-meanwhile at their hotel-

Levi: come on Joel.

Joel: Ooh! Pretty! Ooh! Shiny!

-Joel follows Levi but is still looking at all the stuff in the hotel-

-they head upstairs and Levi gets Joel into their room-

Levi: sleep okay? don't go running off

Joel; Okay. Joel go night night.

-Joel goes to bed-

-Levi heads to Lance's room and goes and takes a shower-

-Becca left a key for him at the front desk since she was the only one who knew-

-late that night-

-the guys get back into the hotel-

-Lance's room is dark and Levi is in the bed... naked of course. but he fell asleep-

-Lance turns on a lamp and sees Levi, slightly jumping and nearly screamed-

Lance; Um... either I've died and gone to heaven or Levi really is naked on my bed -he strips and sits next to Levi, turning the lamp off-

-Levi rolls onto his side-

Lance; Hey Levi. sleepy?

-Levi mumbles a bit in his sleep-

-Lance kisses Levi and gets under the covers, closing his eyes-

-Levi wakes up an hour later, finding Lance asleep next to him-

Levi: should i wake him?

Lance; -in his sleep- bunnies. everywhere. get away from me! Mommy! Levi!

Levi: I'm here, I'm here -kisses down his chest-

Lance; Too many bunnies...to many... uh? -opens his eyes finding Levi kissing his chest- Levi -sits up and hugs him-

-Levi hugs him back chuckling, pushing him back on the bed-

Levi: what is with people and bunnies?

Lance; They're creepy.

Lance: You came. I'm so happy.

Levi: i needed to get out of that town. i brought my brother with me

Lance; Good. From what i hear it's not a good idea for either of you to stay there.

Lance; So what are you going to do now?

Levi: make love with you for one thing -places his hand on Lance's cock- and after that i have no clue

Lance: Stay with me. There's always room for two more. Joel might like the adventure.

-Lance kisses Levi-

-Levi kisses him back-

Levi: i don't really have much choice

Lance; less talking more fucking.

-Levi grins-

Levi: whose gonna be top?

Lance; You take it.

Levi: you sure?

Lance; Positive.

-and you know what happens now-

-the next day-

-Levi introduces Joel to everyone-

Becca: Hey Joel.

Joel: Hi Becky

Chris: Becky?

Becca; he's the only one who is allowed to call me that

-Joel is drawing again-

Chris: i have other names for you -grins-

Levi: what are you drawing now Joel?

Joel; Kitties. -he shows them-

Levi: damn that's good bro!

Justin: wow...

Lance; Has he always been this good?

Levi: yeah. he is the drawing and I'm the writing. that's what dad always said

Lance; wow...,you guys should try writing kids books

Levi: heh and the stories we could tell

Becca; it's a three million dollar industry. You guys could make some serious cash of that.

Levi: nah

Joel: I wanna make books. Please brother?

-Levi looks at Joel and smiles-

Joel: fine. for you i will write to your pictures

-Joel grins-

Becca; You just can't say no to that face.

Levi: i never have -hugs him- i need to pee -goes to toilet-

-Joel keeps drawing-

-that night on the bus-

-Joel is sort of freaking out-

-Levi was out cold asleep-

Jc: someone wake up Levi!

Joel: dark. too dark. too dark. Momma went into the dark. She didn't come out.

-Jc was trying calm him down but like he would listen to him-

Becca; Joel sweetie it's gonna be okay.

Jc: someone wake Levi! Please!

Lance; Levi wake up!

Levi: huh? -slowly wakes up-

-Lance shakes Levi-

Lance; Joel's scared of the dark.

Levi: and you just figured that out? Why are the lights out?

Joey: because the lights on the bus need to be off or James will crash us, and the lights from the street lamps we pass come through the blinds and make the rooms look psychedelic

Becca; Okay. Next town we stop in we're getting Joel a nightlight for his bunk. That should work.

-Levi stumbles out of bed-

Levi: do you have a guitar on this bus?

Becca; Chris is it okay if Levi borrows yours?

Chris: sure -grabs it and hands it over-

-Levi goes over to Joel-

Levi: hey bro look what i have

-shows it to him-

Joel ; Oooo...

Levi: ya know how I've been teaching you to play it? come on, show the guys what you know

-still shaking a bit, Joel starts to play-

-Joel smiles a bit-

-Levi sings along and makes the words goofy-

Levi: then little old Joel when skipping through the daisy's and came upon a field of bunnies! they were pink and purple and black and white. then he saw pretty green eyed kitty fleeing from sight

-Lance groans-

Levi: he screams high, at the top of his lungs, saying 'save me Joel from these monstrous beings' and nearly fainting in horror. so Joel grabs his laser beam and

zapped them all to bits. but it was too late for kitty. he had fainted when a bunny came up and licked his toe

-Joel is giggling now-

Lance; thanks Levi, thanks

Levi: the moral of this story is to never let Lance into a field of bunnies that are pink and purple and black and white. but if you wish to buy him one, get a rainbow colored and Lance will scream at a frequency no one has ever heard -Levi holds out the last word-

-Jc has a giggle fit-

Lance; You guys are mean -fake pouts and Joel hugs him-

Joel: it's okay kitty.

-Levi smiles-

Chris: here lets see if Levi can make up a story about me. play something again Joel

-Joel starts playing again-

Levi: once upon a fairy bliss lived a grumpy old troll named Chris

-Becca starts giggling-

inner Becca: With a huge package.

Levi: he lived under a bridge and was surrounded by bunnies that were pink and purple and black and white

-Lance rolls his eyes again-

Levi: one day a little devil by the name of Becca strolled along through the town. all the guys named Joey, Jc, Justin, and Lance fainted in delight for her ass was as huge as a kite!

-Becca grins-

Levi: she came upon the bridge and the troll jumped out blocking her path. their eyes sparkle and crotches twitch and they dive under the bridge for some merriment. the bunnies all screamed and flee the horror and 9 months later a baby was born with red wings and a green face and an ass as big as a kite

Joel: no bad words brother.

Levi: sorry it fits the rhyme

Chris: thanks a lot

Becca; it was fun. thanks. -she's grinning-

Jc: do one for me! do one for me!

inner Becca; why... why does everyone mention infants?!

-Levi groans-

Levi: Joel? if you please

-Joel starts playing again, forgetting about the dark bus-

Levi: once upon a time of darkness and war, came along a very gay fairy with the name of Jc

Justin: Wait? Jc's gay?

Levi: his wings were sparkled and his face was pink with joy, and his shorts were on a little too tight

Jc: i don't think i am

Levi: I'm just making something up

Levi: he flew over the city farting magical pixie dust that destroyed the war and brought back peace

Lance; Wonderful.

Levi: he um... then met a strapping young lad named Sir Timberlake and they skipped off into the sunset riding a donkey named Lance. The end!

-Levi hurries to bed as Lance realizes what he just called him-

Lance; what!? Get over here!

-Joel goes to bed and is able to sleep very peacefully now

Jc: I'm going to bed! -heads to his bunk-

Justin; i like pussy and that's that -goes to bed-

Joey: this is why you don't ask for Levi to sing to you

Levi: it was just a story! -Lance tackles him-

Lance; make up time -tickles him-

-and they all have a happy night-

-the next morning-

Lance; okay. we've got some time to kill. Let us find a nightlight.

-Levi follows Lance into the store-

Lance; last night was pretty fun. And that story about Becca and Chris got those two to cut back on the loud sex for once.

Levi: yeah well i make up stuff all the time for Joel. he's drawn pictures to them. i want to see a farting Jc fairy

Lance; it's going to be insane.

-they find it and take it back to the bus-

-Levi sets it up in Joel's bunk when they get back-

Joel: Pretty -he's drawing the Jc fairy-

Levi: heh, you should show that to Jc

-Joel goes to Jc and shows it-

Jc: holy crap! i look sexy

Joel: huh?

Lance; It's good Joel. -slaps Jc's head-

-Becca comes in-

Becca; Hey guys.

Levi: Joel, didn't you draw the devil and troll too?

-Joel nods-

Joel; They were doing the baby dance -shows them-

Becca; Oh my goodness

-it's very accurate-

Chris: holy crap that's a big butt

-Joel smiles-

Levi: okay i am definitely writing a book to this stuff. it its gonna be rated for adults

Levi: and make a kid version that is extremely cleaned

Becca; it had better be.

-Joel and Levi get started on it-

-meanwhile-

-Chris and Becca are at it again-

-Jc is watching Joel-

inner Jc: Joel is a one of a kind...

-and Justin is screaming cause he just walked in on Chris and Becca-

Justin: AARGH MY EYES!

Chris: SHUT THE DOOR!

Joel; Becky does have a big butt. Why is she doing the baby making dance with Chris? i thought that they only did that in the story

Levi: they are dating. that's what couples do -Lance slides in next to Levi-

Lance; yeah. that's what couples do.

-Levi holds onto Lance's hand-

-Lance nuzzles Levi's neck-

Becca; hey Chris. you get a lot of fan mail.

-Levi rests his head on Lance's shoulder shutting his eyes-

Chris: we all do

-Joel pulls out another piece of paper and start to draw. Lance rests his head on Levi's, holding his head-

Becca; a lot of them seem to be from the same person though.

Jc: we've all gotten some that are from one person

Becca: -flips through a set of letters, finding one name- who is this Mandy chick?

Joey: beats me

Chris: Becca calm down okay?

Becca; She's sent you sixty letters each in the past two days.

Becca; How can I not be worried. And look at this one!

Chris: why are you freaking out!

-looks at the letter-

Chris: we get a lot like this Becca okay? its harmless

Becca; okay. I'm gonna get some sleep.

Chris: can you fit your butt through the door? -grins-

-Becca walks right through-

Becca; No butt for you tonight.

Chris: damn it

-Becca grins-

-meanwhile Joel finished up his drawing-

Joel: Pretty!

Justin: Yes Joel, very pretty... -stares at it-

-Joel shows it to Lance and Levi. It was of them in the position they are in-

Levi: oh wow. I'm framing that

Lance: Oh please do.

-Levi takes it from Joel and looks at it-

-Lance grins-

Lance: it's beautiful Joel. Thank you

-Levi snuggles back into Lance and sleeps-

Joel: your welcome kitty

-Joel goes and takes a nap with his new light-

-two hours later at the next concert site-

Security Dude: one of your fans is here to see you.

Justin: Okay. Send her in.

-Levi gets off of Lance's lap and sits with Joel, working on their book-

-it was turning into a comic-

-a girl walks in. she has dark blond hair that's in pigtails-

Girl: Hi. i'm Mandy.

Jc: hi

Lance; Hi Mandy

Levi: should i put a farting sound behind Jc's cloud of dust?

Mandy: huh? what could of dust?

Levi: it is a story me and my brother are making -Levi writes it down-

Joel: Yeah!

Mandy: Who are they?

Jc: friends

Lance: Mandy, this is my boyfriend Levi and his brother Joel

Joel: Hi.

Levi: howdy girl -dips his invisible hat-

Mandy: eh hi... -waves awkwardly-

Becca; hey Chris... can you tell me where the ketchup is?

Chris: in the mini fridge probably

Becca: Thanks baby.

Mandy: so... are you Chris's sister?

Becca: No.

Chris: she is my girlfriend

-grabs the ketchup-

Mandy: Oh...

Justin; Is everything okay?

-Levi and Joel chuckle about something-

Mandy: Yeah.

-they sign the autographs for Mandy and get her to leave without much trouble-

Becca; this may sound awful of me but i got a bad feeling from her.

Levi: i thought you were gonna spray the ketchup all over her

Lance: what do you mean?

Becca; I felt like she was giving me the evil eye the entire time.

Joey: well she has sent us a lot of letters. but fans sometimes don't like our dates

Becca; Oh.

Justin: Don't worry about it. They're harmless.

Levi: she took me being Lance's boyfriend pretty well -sits back down on his lap-

-then Joel sits down in Levi's lap-

Joel; cuddles!

-Levi chuckles-

Lance; We love you too Joel.

Levi: Becca why do you want the ketchup?

Becca; Hot dogs. Why?

Joel: Silly Levi.

Joel; You know Becky like's hotdogs.

Levi: i hate hot dogs

-Becca shrugs and puts the ketchup back-

-the guys are called onto stage-

-Levi and Joel get off of Lance-

Becca; Have fun baby. -kisses Chris.

Lance; see you two later. Have fun. -kisses Levi before going-

-Levi kisses him back and he and Joel go back to their comic-

-a half an hour later-

-Becca is taking a nap. a bottle of ketchup in hand. cause she damn well felt like it-

-there is a knock-

Joel: should i get it brother?

Levi: mkay. I'll finish this writing up and we can move onto the next page

Joel: Okay -he goes to the door-

Joel: AAAGH! NO! NO GUN! NO LIKE GUNS!

-Levi shoots up and rushes to Joel-

Levi: don't shoot!

-Levi pulls Joel back-

-a masked human is standing there in front of them.-

Person; give this note to the members of *NSYNC. My demands must be met by midnight.

Levi: okay -takes the note- just don't hurt my brother

-the person leaves. Becca wakes up-

-Levi shuts the door-

Becca; What's wrong? Why is Joel shaking?

Levi: you okay bro?

-holds him-

Joel: Mean person. No like guns. Don't wanna be near the gun. Wanna stay here. Don't wanna go to heaven.

Becca; it's okay Joel. they're gone now.

Levi: it isn't any of our times yet to go to heaven -holds him tightly handing Becca the note- the person left this to give to the guys

Becca; Okay... I'm gonna go ahead and read this -opens it-

Becca; get rid of your dates or they die? You have one week to comply? I knew that girl was up to no good.

Levi: do worry Joel we won't get hurt -sits him down- just go to sleep

Joel: Okay

-he goes to sleep with his head in Levi's lap-

-Levi chews on his nails-

Levi: i need something mechanical to mess with

Becca: Here -hands him one of her barrettes-

-Levi takes it and starts to take it apart-

-the guys soon finish up their show and run back to the game room they are in-

Becca: Thank god you're back! -runs to Chris- She's out to kill us!

Levi: she isn't crazy this time!

Chris: what happened what do you mean?

Becca; Look -hands him the note- Someone with a gun came to our bus and pointed it at Joel, scaring him half to death. They gave us that note and left. I know it was her.

-Levi was petting Joel's head who was still sleeping-

Lance; Is Joel okay?

Levi: he's sleeping. he's scared of death of guns...

Becca; Ever since his mom died.

Levi: he had childhood trauma. my dad told me that while he was out of town getting stuff for the shop, robbers broke into their house and shot his mom and injured Joel

Becca; The wound got infected and well...

Levi: he's always been so innocent

Joel: Zzzzz...

Justin; he doesn't deserve to be scared like that.

Levi: I've always been told to watch over my brother. even when I was in 1st grade and I saw my brother being picked on, i ran up and picked on them

-Levi holds Joel-

Becca; I don't want to be alone tonight -holds Chris-

-Chris holds her-

Chris: we have a show somewhere else, so don't worry we will make sure she doesn't come near us

Becca; Okay.

-they hurry and get on the bus, Levi carrying sleeping Joel and lays him on the couch-

-Levi won't leave Joel. He watches him sleep from a chair-

Lance; - he walks in and stands next to Levi- do you think that Mandy chick really is the one responsible?

Levi: i saw boobs that much i know

Levi: the same pig tails too

Lance; She doesn't sound all that smart.

Levi: she had a gun that can get what a lot of people want

Lance; wow.

Levi: if she even lays a finger on Joel i will... -Levi makes fists and his knuckles turn white-

Lance; she won't. it's you and Becca she's after. i know that probably doesn't make you feel any better but... -Lance puts his hands on Levi's fists, kneeling in front of him-

-Levi releases his grip, lacing his fingers with Lance-

Levi: but I'm stubborn and won't let you go. and she can use Joel as her advantage to get me away from you

Lance; we'll do everything it takes to keep him safe.

Levi: if i had to choose between you and Joel, I...

Lance; I know, Joel is your brother

Levi: but you are the only shot of love i have -looks him in the eyes-

Levi: i don't want her to make me choose

Lance; I won't let her

-Levi holds Lance's hand tightly-

Lance; Everything is going to be okay.

Levi: you can't promise me that can you?

Lance; No... but I can try.

Levi: all i ask -pulls Lance into his lap and kisses him-

-they make out for about ten minutes-

-meanwhile-

Chris: Becca go to sleep

Becca; I'm not keeping you awake am I?

Chris: can't help it when your talking

Becca; oh. Sorry...

-Chris pets her head-

Chris: your going to be okay

Becca; I'm just so scared. i knew your fans were really into you guys... that's what makes them fans... but I can't help but be scared.

Chris: i know honey -holds her- not gonna let you go and not gonna let you get hurt

Becca; Thank you -snuggles into him-

-they go to sleep-

-next day-

-Joel and Levi are working on the comic again-

Becca; Chris? Can I go backstage with you? I just don't want to be on the bus or in the room again

Chris: of course baby. come on -takes her hand-

Levi: want to head backstage Joel or stay on the bus?

Joel: Wanna stay with brother.

Levi: okay. but do you want to stay with me backstage or on the bus?

Joel; Stage.

-Levi nods and gathers their supplies-

Becca; Okay. It's settled then.

-they head backstage-

-Becca begins munching on Skittles-

-Levi and Joel go back to work-

-a few minutes after the show starts Becca heads down to the bathroom-

-Joel follows her out of curiosity while Levi is passed out on the couch-

-Becca goes into the employees bathroom and uses it. As she looks in the mirror to wash her hands she sees Mandy standing behind her. As she screams a wet cloth is placed over her face and she goes unconscious-

-Joel was outside waiting and screams as Becca is dragged out-

Mandy: Don't say anything you hear you idiot? not a word.

Joel: Becky! no! no no no no no!

-Joel runs-

-he gets back into the backstage area and sits down staring at his comic-

-at the break in the middle of the show-

-Levi wakes up-

Levi: hey Joel. where did Becca go?

Lance; that was awesome!

Joel: Becca gone. Becca gone. No. Can't say anything. Mean lady won't let me say. Not a word you idiot she said. Not a word.

Chris: what?!

-Levi goes over to Joel kneeling in front of him-

Levi: your thinking out loud again. who took Becca?

Lance; Oh god.

Joel: Pigtails and mask. She took Becca. She had a bad smell. She smelled like the doctors office. Mandy. Yes. Mandy's her name. Took Becca. Don't know where.

-Levi hugs Joel-

Levi: did she hurt you?

Joel: No. No hurt. But she wanted to. Saw her eyes. Wanted to hurt Joel.

Levi: she won't, she will never ever hurt you -hugs Joel tightly-

Chris: call security. we have to look for her!

Lance; they can't have gone far.

Justin; You guys saw how skinny that girl is. There's no way she's gonna be able to drag Becca around.

-Chris gets the security to start looking-

Justin: I hope Becca is okay.

Chris: are you the one dating her?!

-Chris rubs his face sitting down-

Justin; Chris calm down.

-the guys are called back on stage-

Levi: you guys go on okay? -sits Joel down- come on Joel lets get working on the comic again

Joel: Comic. Okay.

-they get to work-

Joey: come on Chris -takes him back on stage-

-meanwhile-

Mandy: Okay you whore. This will keep you from taking my boys away from me.

Becca: Uh...?

-Mandy has placed her on the stairway where people enter and exit. It's one of the non-main routes but plenty of people go through anyways-

Mandy: You'll get trampled once the show is over. Don't bother to scream. no one will hear you.

-Duh duh DUH!-

Mandy: even if you live, you'll be so ugly that Chris won't be able to even look at you.

-she walks off-

-meanwhile-

-Levi takes Joel to the bathroom-

Joel: she'll be there waiting!

Levi: trust me. she won't go into the boys bathroom -takes him in- now go pee

Joel: Okay. -goes in and pees-

-Levi waits outside-

Joel: la la la

-after Joel is finished-

Levi: you done bro?

Joel: Yep

Levi: wash your hands then

-Joel goes over to wash his hands-

-Levi picks at his teeth-

Joel: Okay. all done -walks out-

Levi: good boy -they walk back-

Joel; Joel's a good boy.

Levi yep!

-Levi starts to sing something random-

Levi: they march down hall going -fart noise, fart noise, fart noise-

-Joel giggles-

-they hear someone walking behind them-

Joel: Someone's following us

-Levi turns around-

Mandy: keep walking if you want your idiot brother to live.

-Levi reaches out for Joel-

Joel; Pigtails! Pigtails took away Becca!

-Levi grabs at Joel-

Levi: he isn't an idiot, unlike you

-he pulls Joel to him-

Joel: she's mean.

Levi: run back to the room Joel, quickly!

-Joel runs-

Levi: now you -points at Mandy- where the hell did you put Becca?

Mandy: You might want to watch the news tomorrow morning. something about 'young woman trampled by crazy fans'

Levi: you are an idiot

Mandy; How so? Is it so wrong that I'm trying to get exactly what I want?

Levi: in the way you are doing it

Mandy: Well it's your fault. If you hadn't taken my Lance away from me you'd still be taking care of your stupid brother.

Levi: Lance would have figured out he was gay any other way. he likes cock better than pussy

Mandy: WHAT!

Levi: and he likes my cock better than anyone man's

Mandy: It's not true! -grabs Levi- IT'S NOT TRUE!

Levi: its very true!

Mandy: You LIAR! -throws Levi to the ground and runs-

-Levi stands back up and goes after her-

Levi: get back here and tell me where Becca is!

Mandy: That slut is going to die!

Levi: tell me before you die!

Mandy: No!

-Levi grabs her and she points a gun at his chest-

Levi: tell me!

Mandy: Let go of me!

Levi: tell me and i will!

-Mandy pulls the trigger and there is a resounding... click. it was a dud-

Levi: no bullets?

Mandy: DAMN IT!

Levi: tell me!

Mandy: Over my dead body!

-Levi chuckles and drags her to the edge of a staircase-

Levi: gonna push you for threatening my brother

Levi: tell me and i won't

Mandy: Fine! She's on one of the staircases. As soon as the show ends everyone is going to leave and she'll be trampled.

-Levi lets her go and she loses her balance-

Levi: holy shit! -he tries to reach for her before she falls-

Mandy: AAAAAAAHHHHHHH!

-she falls down the stairs-

-she falls over and lands at the bottom of the stairs-

-she's fine but she's gonna hurt in the morning.-

Levi: oh good your not dead

-Levi runs down the set of stairs to look for her. it might be this one-

Levi: Becca!

-not there-

-Levi runs back up them and goes to find another set-

-Mandy gets back up and chuckles. he left Joel alone-

Levi: Becca? -runs down another set-

-he finds her still kinda out of it-

-Levi shakes her gently-

Levi: Becca you okay?

Becca; ugh... they're stepping on me...

-Levi picks her up and takes her up the stairs-

Levi: no, I'm carrying you. how could Mandy drag you around?

Becca: She's stronger than she looks.

-Levi gets to the top and drops her, panting-

Levi: holy crap -unties her-

Becca; Where's Joel?

-Levi goes white-

Levi: oh shit I left him alone! -runs-

-Becca tries to follow but she's still pretty wobbly on her legs-

-Levi gets close to the backstage area-

Levi: Joel?!

Joel: Brother!

-the door to the backstage area is open-

-Levi runs in-

Joel: Brother! -Mandy is standing there with a knife to Joel's throat-

Levi: oh god Mandy don't do it! -he is nearly crying-

-all of a sudden-

Lance; What the hell?

Mandy: Oh hi Lance. don't worry. we'll be together soon.

Lance; Mandy get away from him!

Mandy: but Lance... this was how it was supposed to be.

Lance: Mandy for gods sake you're making a terrible mistake.

-Levi was shaking and crying. Joel was trembling and Levi could see a little red on his throat-

Levi: please don't hurt my brother

Joel: Not an old man yet. I can't go see momma yet.

Levi: I'll do anything Mandy just LET HIM GO!

Levi: kill me i don't care just not him!

Lance; Mandy, just put down the knife.

Mandy: Get out of this stadium. I'd better not see you anywhere near my Lance ever again

-Levi nods-

Levi: let him go...

-she lets Joel go and he runs out of the room-

Levi: Joel! -Levi goes after him-

-Security by this time is there and is able to grab Mandy and drag her away kicking

and screaming-

Levi: Joel stop running please!

Joel: don't wanna get hurt again!

Levi: you won't! she has been arrested!

-Joel stops, panting-

-Levi hugs him tightly-

Levi: I can't loose you... you're the only one who understands me...

Joel: She's scary.

Levi: I've seen worse Joel. come on lets clean you up -takes him back-

Becca; ugh... -she's still dragging herself down the hall-

-Levi chuckles and sits Joel down, grabbing the first aid kit. there was a small but long cut on his throat that wasn't deep, but still bleeding-

Levi: no more bad person -cleans his throat and Joel cries from the alcohol. then Levi wraps his neck up and holds Joel in his arms-

Lance; Why is Becca in the hallway looking like she's just done a mixture of pot and

acid?

Levi: i think she was drugged by Mandy. she was left on the stairs to be trampled after the show

Justin: ouch

Becca; Chris... help...

-Chris runs to her, holding her tightly-

Becca; Get me to a couch please. My legs are numb.

-Chris picks her up and lays her down on the couch-

Chris: holy crap i was so scared for you

Becca; i thought I was going to die -holds onto him-

-he holds her back. all that is heard is girls screaming in the arena and Levi's sniffing-

Joel: Joel's alright brother. Don't cry -wipes Levi's eyes- go hug Lance

Lance; He didn't call me kitty.

-Levi chuckles-

Levi: you gonna start acting your age now?

Jc: how old is he?

Levi: 24

Jc: and you?

Levi: 19

Jc: dang

Becca; Be nice to him.

Levi: Joel is my big brother -hugs him once more and then goes to Lance- hold me very tightly

-Lance does so-

-one year later-

Becca; ketchup! KETCHUP!

-Levi is bouncing Emily in his arms-

Levi: your momma is weird

-its Christmas time-

Lance: Um... Chris... Becca isn't you know....-makes a motion with his hand making it look like a baby bump- again?

Chris: no, trust me. not yet anyways -takes back his kid from Levi-

-Levi sighs. he wanted a kid now-

Emily: -burp-

-Joel was snuggled into Jc-

-Jc settled on being bi-

-Joel got the help he needed for his mental health. He was functioning very well-

Joey: ready to go get that thing Lance? -winks-

-Levi looks at Lance funny-

Lance; Yup. Hang on Levi. We're gonna go grab your X-Mas present.

Levi: okay then -goes and gets some hot cocoa-

-Joey and Lance leave-

Becca; What could it be Emmie? -bounces Emily- What could it be?

-Emily giggles-

Chris: lets hope it isn't anything sugary, god knows we have enough of that in Levi

Levi: -evil laugh-

Joel: Levi respelled is evil.

Jc: oh god that's true! EVERYONE RUN!

-Levi laughs evilly again, coming back in the room-

-Emily starts crying-

Becca; guys keep it down -bounces Emily a bit to calm her down-

-Chris takes her and makes funny faces-

-soon she's laughing again-

Chris: there daddy's little buttercup -bounces her-

Levi: buttercup?

Lance; We're back!

Levi: do i close my eyes?

Lance; Yup.

-Levi covers his eyes-

-he hears gasps-

Levi: what is it, a car?!

Joel: aww...

Levi: okay not a car

-Lance walks closer-

Lance; Okay. You can open your eyes now.

-Levi opens them-

-the first thing he sees is two small children being held by Lance, one in each of
Lance's arms-

Lance; Meet your kids.

Levi: what? -looks at Lance then back at the twins in his arms- oh my god i love you so

much right now!

Lance; Here ya go. -gives him the twins-

-Levi looks at them, smiling as they stare at him-

Lance; Merry Christmas

Levi: come here -Lance leans down and Levi kisses him long and passionately-

Boy: -burp-

Lance: way to kill the mood kid.

Girl: -yawn-

Levi: aww! -bounces them, looking at them- they are so cute

Lance: And all ours.

Levi: i love you

Lance; love you too.

-Levi hands the kids to Joey-

Levi: hold on -runs from the room then comes back- okay found it

Justin: You guys sure that's such a good idea giving the kids to them?

Becca; It's better than giving them to you.

-Levi gets on one knee in front of Lance, holding a ring-

Becca: oh my god!

Lance; um...

Levi: this is why men have knee problems. marry me?

-without hesitation, Lance hugs Levi, pinning him to the ground, saying yes while kissing him-

-Levi hugs him back and puts the ring on his finger-

-they stand back up and get the kids back from Joey, who was making funny faces for them-

-Levi holds the boy and Lance holds the girl-

Levi: where did they come from?

Lance; Adoption agency. Their mom apparently died during childbirth and the dad had been long gone.

Levi: oh wow. don't worry guys we'll be good daddy's

inner Twins: You'd damn well better.

Joel: what are their names?

Lance: Tyler and Angelica. Their mom wanted those names.

Levi: perfect -sits next to Lance on the couch, snuggling against him while they both stared at their children-

-three years later-

Becca; I want cake.

Levi: okay my wedding is done... after so long of being engaged... but now my big brother is getting married!

Joel: is that bad?

-Levi wipes away a tear-

Levi: no. but I've been basically watching you all my life so now i know how parents feel

Joel: Yeah... I guess.

-they run a comic book agency together which has been working for about six months-

Emily; mommy! cake!

-Lance pokes his head in saying Jc was ready-

Levi: good luck bro -hugs Joel-

Joel: thanks

Tyler: daddy i want to see Uncle Joel

Angelica; me too!

Lance; Later on kids

Tyler: but i want to see him now!

Angelica; yeah!

Lance; Okay, okay

-he lets the kids in-

Tyler: okay i saw him -walks back out-

Levi: they take after you Lance. that ain't me

-Angelica comes out a few minutes later-

-Levi pats Joel's back and they walk out-

-Levi picks up Tyler who started to walk down the aisle-

Tyler: dada!

Lance; heh

Levi: wedding time! i have to play the organ -gives Tyler to Lance and hurries off-

Lance; Okay you two. Let's go.

Chris: good luck Joel. take good care of Jc will ya?

Joel: Thanks. I will.

-music plays and you know what happens

-at the reception afterward-

-Levi is dancing with Angelica who is standing on his shoes-

Becca; i wonder if there's chocolate mayonnaise cake here

Emily; Daddy? why is mommy always eating?

Chris: are you pregnant?

-Becca glares at him-

Becca: Are you calling me fat!

Chris: Becca no! dear God no!

-She grabs his hand and places it on her gut-

Becca; yeah. You have no control over your tadpole army.

Chris: -smile- mommy eats so much cause your gonna be a big sister -kisses Becca then her bump-

Emily; uh? but... -looks sad.- you'll forget about me. everyone at daycare says that their parents have babies and forget about them.

Becca; It's gonna be okay. We won't forget you.

Chris: honey we would never forget about you! -picks her up and hugs her tightly- it's going to be hard cause babies take a lot of attention. trust me i know -looks her in the face- we love you a lot. you are our first baby. you will always be special to us

-Emily nods-

Chris: lets dance -takes her out to the floor and puts her on his feet and dances next to Levi-

Levi: find out about the kid?

Chris: you knew?

Levi: everyone did!

Chris: ugh, figured. but yeah

Levi: now you'll ave the same amount of kids i have. have a boy and then our kids will marry in the future

Chris: sure...

Emily: ew!

Levi: you say that now honey

Becca; Keep thinking like that for a few more years honey.

-Tyler comes walking out to the dance floor. Levi looks at him-

Levi: what is it Tyler?

Tyler : Emily? May I have this dance? Pwease?

Chris: go on sweetie -picks her up and puts her in front of Tyler, fixing her dress-

inner Emily; I'm going to get you for this dad.

-awkwardly Emily starts dancing with Tyler-

-Angelica wanders off to go ask a boy-

Levi: i feel old and I'm only 23

Lance; might as well get used to it

-Levi takes Lance's hand and they start to dance-

-Chris takes Becca and they dance-

-Jc and Joel come out and dance, Joel resting his head against Jc's chest-

Jc: i love you

Joel: I love you too. Don't ever leave me.

Jc: i don't ever want to -kisses him-

Levi: now someone else to finally show him the love i can't show him. Jc will be good for him right?

Lance: yeah. He's perfect for Joel. they complete each other.

Levi: i love you so much Lance -kisses him-

-they begin kissing a lot-

Tyler/Emily: ew!

Angelica/Boy: gross!

Lance; Come back in twelve years.

-Levi grins and keeps kissing him-

Chris: poor Emily. god i hope i don't become a grandpa too soon

Becca; I wouldn't worry about that anytime soon.

-Chris nods-

Chris: is their a way to prevent a period?

Becca; No.

Chris: ugh

Becca: Even if there were I wouldn't allow you to use it on our daughter.

Chris: i wouldn't but still. I'm just joking -kisses her- I'm glad i have a family with you

Becca; Me too -nuzzles his neck-

Justin: And you two haven't even considered marriage?

Becca; no

Chris: i heard that Brian and Leighanne are expecting their second child. and they got married two months after we left

Becca; He needed her.

Chris: she needed him. you needed me. i needed you -he gets on his knee- please marry me

-Becca looks like she's about to cry-

Justin: -singing- love is in the air!

-he opens a box with a giant rock in it-

Chris: come on its a big rock!

-Becca nods and starts crying. Emily, not really understanding what's going on, starts crying too-

-Chris puts the ring on her and calls Emily over. he picks her up and hugs Becca and Emily while dancing-

-it takes Emily a while to calm down-

-Tyler and Angelica go over to Levi and Lance. they pick them up and dance together-

Joey: aww man I'm single here!

Tyler: why was Emily crying? I tried to give her some of my cake but she kept crying.

Levi: don't worry honey. her daddy is making her feel better

Kelly: I'll dance with you.

-Joey looks at her-

Joey: i remember you... a lot

Kelly: Wanna dance?

Joey: totally -takes her to the floor-

Justin: meh.

-Britney walks up-

Britney: me and Kelly came together. Joel invited us to the wedding

Justin: cool! -grabs her and takes her out on the dance floor-

-epilogue-

-Chris and Becca had a boy... after they were married-

-Emily and Tyler did eventually hook up-

-Joey and Kelly married and had a girl and are now expecting another-

-Justin and Britney married and are thinking about having kids-

-by some random act of god, Joel knocked up Jc-

Jc: I HAVE BOOBS! but I'm bi so masturbation will be a blast!

Joel: um... sorry

Jc: I'm happy. we are having our own kids. are you not happy?

Joel: yeah... it's just that... I'm not used to seeing you with boobs.

Jc: yeah they aren't too fun for me either. they hurt

Becca; You're going to lose yours eventually though. Mine are gonna start sagging.

Jc: true

-they have a baby girl-

-Tyler and Emily get pregnant... but she was 16-

-Tyler nearly was killed by Chris-

Becca; WE TOLD YOU TWO TO WAIT TILL YOU WERE EIGHTEEN!

Levi: oh god I'm gonna be a grandpa

Becca; At least then we wouldn't be able to be pissed.

Emily; sorry mom.

Tyler: i love her sir. don't kill me

-Levi blocks Chris from Tyler-

Levi: my kid, i punish him

-Tyler whimpers-

Becca: Don't kill him Chris. let Emily do that when she goes into labor.

-Tyler goes over and Emily and holds her-

Tyler: I'm sorry

Emily; we can keep it right?

Becca; That's not for me to decide.

Tyler: i won't leave if we do. and i won't leave if we don't

Levi: i am not going to cry. i am strong

Emily: I don't want to give our baby up.

Tyler: and i don't want to give you up

-Levi chokes a sob-

Levi: i am the girl in the relationship aren't i?

Lance: yes. Now get the tears out so we can start working on getting this situation handled properly.

-Levi sobs-

-nine months later-

-Tyler is holding Emily's hand-

-Emily's brother Conner is still at school-

-Angelica is too-

Tyler: i love you Emily

Becca; You two are gonna be staying with us until you're old enough to get your own place.

Chris: yes!

-Chris was still sketchy about Tyler-

Becca; Chris be nice to your son in law.

Chris: they aren't married so he isn't my son in law

Tyler: what would you say if i wanted to marry her?

Becca; Be nice.

-Chris clenches his fist-

Becca; Go ahead you two.

Tyler: marry me Emily? I want to take care of you and the babies

-Levi hides his tears-

-Emily nods-

-Tyler kisses her and Levi hands them their kid-

Levi: Heather looks like her daddy

Lance; They're beautiful.

Chris: I REFUSE TO BE A GREAT GRANDFATHER ANY TIME SOON!

Becca; Chris calm down!

-Chris groans and clutches his chest-

Chris: you guys are gonna give me a stroke

Becca; Sweetie you need to calm down. all this stress is giving you blood pressure problems. You know what the doctor said about getting yourself worked up like this.

-Chris sits down and Tyler brings over heather-

Tyler: there's your grandpa

-Maddox is still sucking on Emily's tits-

Chris: she does look like her dad

Becca; that is a good thing.

-Chris brushes a finger across her forehead and she grabs his finger and sucks on it-

Chris: i know what that means. she wants num-num

Becca; here you go mommy

Tyler: okay. but will she let go of your finger?

Chris: let us see -long battle of getting his finger back-

Becca; As soon as she sees a nipple she will

-Tyler gets her to see momma then she lets go-

Chris: they will make anyone do that

-Tyler takes Heather over-

Heather: num num num num num num num num

Tyler: i love you Emily. i love you Heather. i love you Maddox

Levi: -sob-

Levi: I'm old!

-Joel and Jc show up-

Lance; that's it Levi. Let it all out.

Joel; You're younger than me so stop complaining.

Chris: your a great uncle Joel

Joel: Yeah. I don't feel any different though.

Tyler: ya know dad you cry a lot and say your a girl but you kick better butt then father there

Levi: ahh that makes me feel better

-Emily and Tyler were able to raise the twins on their own. it wasn't easy but they managed. They had to go to school online but in the end they were able to get decent jobs-

-Levi was happy for that and glad Angelica was a little better about it. but she and Conner... well...-

Levi: NO!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

-hits the floor dramatically-

Becca; OH FOR THE LOVE OF GOD!

-Chris just had a heart attack-

Conner; Please don't kill me mommy!

Becca; CHRIS!

-starts CPR-

-Lance calls 911-

-Angelica is holding Levi back from killing Conner-

Tyler: we have a crazy family don't we?

Becca; You and I are going to have a serious talk later -glares at Conner-

Heather: am i gonna have a cousin?

-thankfully Chris survives. but he's not allowed to drink anything with caffeine for a long time-

Becca; Grr. yes sweetie.

Maddox: yay! -bounces in Emile's arms-

Levi: Angelica you can let go of me. i am calm

-takes a few deep breaths-

Becca; I am going to castrate you Conner!

Conner; dad help me!

Chris: -nothing-

-Conner hides behind angelica-

Levi: Becca seriously. Conner is almost 18 and Angelica is 19. they are both responsible. but if Conner takes off, his ass is mine!

Angelica: you won't leave me right Conner?

-she looks worried-

Conner: Even if I wanted to my parents and yours would be after my blood.

Angelica: i love you Conner. i want to raise this kid with you

Levi: aww... you better say that back boy!

Angelica: dad!

Conner: I'm not leaving you. I don't want the baby to grow up not knowing it's father.

Becca; lets just hope these little kids wait till their adults.

Angelica: i love you -kisses Conner-

Levi: aww

-then Lance hits the floor-

Levi: crap!

-does CPR-

-Lance lives-

Angelica: daddy!

Lance; meh...

Levi: and i thought I'd have a heart attack first

Chris: am i in heaven?

Angelica: no

Becca; No sweetie.

Chris: what happened?

Angelica: me and Conner love each other and are going to have a baby

Becca; But your son is going to need a lot of talking to after dinner tonight.

Conner; Please don't kill me dad.

-flat line on heart monitor-

-no one dies because of the actions these second generation *NSYNC children-

-third generation though...-

THE END or EL FIN!
