-Lance just yawns and goes into his room-

-they hear some noises going on in another room-

Jordan: they are getting horny

Becca: Who?

Becca: I thought it was just us and bsb on this floor?

Jordan: whoever is in this room

Becca: Thank god for soundproof walls.

Becca; i guess we're shareing rooms. -looks at Jordan.-

Jodan: probably smarter then me sharing it with some primate

Chris: I HEARD THAT YOU TWIT!

Chirs: ooh ooh. -makes monkey noises-

Becca; Well anyways we should get some sleep. -flops on bed and covers her face with a pillow-

-jordan pulls out her own laptop-

Becca; What can you tell me about joey?

Jordan: he is a big teddy bear

Becca; He's not still sore about the break up is he? I haven't really talked to him in a while.

Jordan: he's fine! he still wants to be friends

Becca; i know. It's just hard you know.

Becca; and what do you think about bsb? They seem okay. But that one guy with the bleached hair seemed kinda weird.

Jordan: all of bsb is great.

Becca; yeah but that one guy. It just seemed odd. Oh well. -goes to sleep-

-meanwhile-

Levi: oh my god nick your always good at that

Howie: sadly.

Nick: i know i know -he gets out of the bed walking tot eh bathroom naked-

Howie: I'd like to remind you two we need to get up early tomorrow.

-the next day-

Kevin; Okay people lets go. We've got big show today.

Howie; aren't those nsync kids gonna be hanging out with us later today? Or is that at the charity event tonight after the show?

Kevin: Charity event.

Levi: hot dog -swings his finger into the air-

Kevin; You are so weird Levi. Can you get AJ up? I think he's tired from staying up late watching porn and jerking off.

Levi: fine -levi goes into his room and a while later shows up with a tired aj in tow- here he is

Howie; Come on dude. We gotta big day ahead of us.

Nick: don't ever say that again

Howie: What? Why? It's true.

Kevin: Just don't okay?

Howie; Alright.

AJ: meh

Kevin; But seriously dude you've been up late a lot lately. Is

everything okay?

AJ: meh meh

Kevin; Fine. Don't tell me. -they head out- but you've been watching a lot of movies. Not all of those are porn I know it. So what is it you're watching?

Howie: Don't bother Kev. Hey where's Brian?

Brian: Right here.

Brian: right here! -he was waiting by the elevator- couldn't sleep well. some neighbors were fucking like crazy last night

-levi and nick blush-

-brian looks at them both knowing-

Howie: So what do you guys think of those nsync kids?

Levi: meh

Nick: meh

Brian: they are very talented -gets glares- i mean... meh

Kevin; They seem like okay kids. that Jc guy is a flamer but he's nice enough. I have no problem with gays but he's a little weird. And i think thier opening act is pretty talented too.

inner levi: he is so hot as a flamer!

-they reach a floor below and now nsync walks in-

-except for becca nda jordan-

Jc: Hey guys! -waves- Beautiful day isn't it?

Howie: Yeah.

inner levi: i love his dorkiness

Kevin: Nice to see you too.

Levi: its raining

Joey; That's Jc for you. Rain is just an excuse for him to sleep.

Jc; Yup. Sleepy time for me.

Nick: same goes for baby hear -levi makes cooing noises-

Jc: Awwwww. Aren't you just precious.

Lance; Stuff it Jayce.

Joey: We're waiting for the girls. They're takeing forever.

Kevin: Women.

-if levi is the same age as jordan, just a few days younger then her,  
that means levi is a couple years younger then jc-

Jordan: REBECCA QUIT WITH THE DAMN MAKE UP OR I WILL  
LEAVE YOU!

Becca; Have fun with that.

Becca; aaaand...done. Okay lets go. -walks out-

-jordan goes intot eh hall. she is in a tight guy shirt and baggy pants  
with ehr ahir in a pony-

Jordan: i will leave you next time beck

-Becca is wearing a black tube top and a black leather jacket and  
black skinny jeans-

Becca; It's not that I don't know you wold Jordan. now ask me if I  
care.

Jordan: god waiting on the damn bed for hours on end waiting for you  
JUST because justin said i had to be nice. i am nice, but this bugs me

Becca; I know.

Kevin: Cat fights much?

Jc: You have no idea.

Jordan: shut up dude -jordan gets into the elevator- i'm a tomboy at  
heart

becca; Her and me are like day and night.

Joey; We know.c-presses button-

Jordan i am night

-Becca puts on black sunglasses. Her hair is slightly curled-

-aj looks at becca smiling a bit. howie offically got it and kept his  
mouth shut-

Inner Howie: Someone's got a crush.

-levia nd jc began to act like little school girls and Lance was staring

at jordan blankly-

Inner Lance; She;s hot. Strangely she's hot.

-jordan looks at Lance chewing ehr bottom lip-

Jordan: what?

Lance; Huh? Oh nothing. sorry. -looks away-

-jordan shakes her head with a smirk-

Becca; So what exactly is this be charity event we're all supposed to be at for exactly?

Levi: some thing to help us rise to fame as nice people?

Jordan: some way for us to gain fans because we give away the NO money we have?

Kevin; It's something to do with underprivilaged kids.

Becca; yeah. We're starveing as it is.

Jordan/Levi: yep the work of Lou.

-jordan and levi look at each other funny-

Becca; Can we not talk about him right now?

CHris: oaky you two are the same eprson only one is a girla nd one is a boy i swear

Kevin; You know what they say. Everyone has a twin.

Jordan: yeah and yours kevin is your -joey quickly covers her mouth-

Howie; But for all we know this could just be some weird story that a teenage girl or two are writeing as we speak.

-howie gets several weird looks-

Levi: if only i could kill you because of how much of a weird guy you are

Howie: What? It could happen.

Nick: levi shut it

Jc: well darlings I'd love to stay and chat but we gotta jet. Our car is here.

Jordan: latter b-boys -jordan goes and slugs them all int he shoulders and runs off after justin-

Levi: bye? -he is rubbing his arm-

Nick: she can punch. don't mess with her -is also rubbing his arm-

Becca; Bye bye. -waves flirtatiously before getting in the car-

Brain: she only rides with them because of jordan

Howie; Did you see the stilettos that girl was wearing!?

inner AJ: i wish she would ride with us some

Kevin: I'm suprised that girl can even walk.

-that night-

Jordan: uhg i don't want to wear this lou!

Jordan: i want a tux!

Becca; Don't complain. We get in we get seen we get out.

Jordan: I HATE LOU WITH A PASSION!

-levia nd nick show up-

Becca: We owe him our lives Jordan.

Nick: damn girl -looks at jordan who grabs his arm-

Jordan: stare or touch you die!

becca; She's serious.

Levi: come on nick. see ya chicks later

Becca; Bye!

-walks away with nick who was slightly shaking-

Jordan: god i hate this sooo much!

Becca; It's either this or we can go back to our old lives. Which would you rather have?

Jordan: i want to be myself, but lou says i need to be better then every girl int eh world so they can look up to me. yeah right look up my dress!

Becca: I feel your pain.

-rest of nsync shows-

Becca; Hey boys.

Joey; Hello ladies.

Jordan: i want a tux

Justin: you look nice sis

jc: Oh honey stop it. You look beautiful.

-Lance is staring-

Jordan: yes okay i look nice but I DON'T feel okay

Becca; Keep it in you pants boys.

Jc: Anyways we need to get going now. Come on.

Becca: Okay. -heads out-

-jordan walks next to Lance-

Jordan: i hate this dress. i feel so funerable

Becca; Same here. And these heels don't help in hte least bit.

Jordan: you wear skin tight anything you freaking out cause its baggy

Becca: i know i have no room to talk but still. Is it so wrong to want to look nice?

-jordan can barley run in her outfit so it takes her a while to get up with Lance-

-Becca slowly walks up and sits down at the nearby table-

Jordan: god it feels everyone is looking up my dress, if this is even called a dress

-she sits down covering her legs with ehr arms-

-SHE IS TALKING WITH LANCE IF YOU MUST KNOW-

Lance; You do look nice. You know that.

Jordan: its not the fact about looking nice, i look okay, but i don't feel comfortable at all in this!

Lance; You're not bad looking. Why don't you show your legs more. Crap I shouldn't have said that.

Jordan: bass you really don't get me do you?

Lance: You're not easy to figure out thats for sure.

Jordan: its simple - i hate wearing girl clothes and if i show my legs at all it will be with guy shorts

Jordan: i show my legs plenty

Lance; Well whatever works I guess.

Jordan: uhg i hate lou. always making me wear these skanky outfits and i swear he just loves staring at me

Lance; Lonley old guy. It's weird isn't it. I'm starting to wonder if he didn't just hire Becca for eye candy

Jordan: do you want to see me in more clothes that revealing almost everything bass, after the little comment you made? cause from the soudns of it you hate seeing me wear guy clothes - you think i'm gay huh

Jordan: my mom thinks i'm gay just because i'm a tomboy

Lance; No. I don't care what you like. If you're into girls so what? It would be interesting to see you in girl clothes but I know better than to try to get you to wear them more often cause I know you'll rip my head off.

Jordan: uhg you piss me off ya know that?

Lance; i kinda figured.

Jordan: your a pushover and i hate pushovers. just try to state my opinion and i always get my way with people, seems they have something to say but won't say it! it just pisses me off how wimpy people get -she stans upa nd leaves trying to find something better to wear. Lance just flips off ehr back getting pissed off at her too-

-Justin and Kevin stand and give some speaches and people clap-

Becca; \*sigh\* thier at it again.

Levi: of course

Inner Lance; God why can't she just try to be nicer?

Becca: I dont see why she has to get angry at Lance. He just dosen't want to hurt her feelings. But when he tries not to he does. It's sad.

inner jordan: i hate lou so much, changing me and making me like i am. UHG!

Becca; But lou told us we had to change some things about ourselves. i had to practically scream at him when he mentioned plastic surgury. Thankfully that didn't happen.

Levi: Jordan just wants to be her metrosexual tomboy self, but Lou wants her to be a snout-nosed prep

-songs begin to be played and a slow song pops on. people begin to go slow dance and AJ goes up to Becca calmly-

Becca; Yeah. I don't know who or what I am and Lou is trying to mold me into something I'm not sure what is. Oh Hi AJ

AJ: um Becca? could I, uh, I have this. well ya know, could we like dance to this song. I like this song and don't want to waste it just sitting here ya know? -smile-

-Levi and Nick snicker-

Becca; Um sure. As a reward for talking to my face I'll let you have this dance. -stands up and takes his hand-

-AJ smiles and glares at Levi and Nick and they go to the floor. Levi whispers something to Nick and they walk to the dance floor dancing together literally in each other's arms-

Levi: this is nice and relaxing

Nick: yeah it is. nice to dance with a guy for once and not always girls. everyone's freaking out by this

Levi: i'm happy so i don't care

Brian: what are they doing?! lou is going to ahve their heads!

Chris: man once this hits news and stuff oh boy.....

howie; Let them. They're the weird guys of the group. They can get away with it.

Kevin; i hope for all out sakes you're right Howie.

-meanwhile lou is turning red in anger-

-jc is wishing he was nick-

Becca; This does not look good.

Levi: no one knows whats going on between us

Nick: i think they will now -nick leans down and kisses levi softly- we really aren't dating, but we have something

Levi: yeah. we do thats for sure

Becca; AJ...Can we leave the room? If Lou blows up? I don't want to be in the same room when it happens.

aj: yeah lets go

-they go-

Joey; I think Becca and AJ have the right idea.

-jordan comes back into the room wearing a nice actual female type  
tux and lou gets even madder. jordan smiles and goes to talk with  
random people-

Chris: lets hurry and get. god damn it jordan! uhg she choose the  
perfect timing -sarcasm-

Justin; Hey Jordan. Dayum girl. Looking shap.

Jordan: i know i know

-she smiles-

Joey; Not the right time Justin. -slaps him upside the head-

Justin: Hey!

-afterwards back at hotel-

Lou: Rebeca. You can leave the room.

-nick and levi are lean against each other-

-Becca leaves-

-jordan is still in her tux-

Lou: You three. I'm very dissapointed in you. Jordan you need to set a good example to the young girls of the world. They need to look up to you. And Levi and Nick. You two are straight you hear me!?! You're to be flirting with the girls in the crowd! Not thier brothers!

Levi: fuck you lou. we can do what we want to do. let the world know we are gay and let them learn to love us now instead of in the future

Nick: let them know we started in this business gay and not had to hide it because of some dickhead man like you!

Jordan: you know girls will look up to me, knowing i am being myself! no matter what the hell everyone else says i am doing what i want to do, thats something to look up to not being a huge prep telling everyone to be the person i ahte the most!

Lou: i will not take that from either of you! I'm goingto be keeping you in seperate rooms and I will be haveing you on close observation. And you Jordan I want you to start being more of a lady! Now go to bed all of you! -storms out-

-nicka nd levi go into a room TOGETHER locking the door. jordan runs out going onto a staircase and sitting now having tears run down her face in anger and sadness-

Jordan: god no one lets me be myself. even my parents would agree with lou.i am lady-like. just in my own special way

-Becca heard all of the fight and is hideing in a hall closet crying. She hates it when things like this happen-

-Justin comes up on the stairs-

Justin: So Lou lost it?

-aj goes down the hall hearing the crying coming from becca. he goes in and talks with her. meanwhile Lance goes to get some ice for his room, acting calm though he is extremly pissed off at lou for yelling at jordan,a nd finds her on the staircase-

Justin: Hey Lance.

Lance; Hey.

Lance: You gonna be okay Jordan?

-jordan is staring at ehr feet-

Jordan: i've been fine every other fucking time

Lance; Justin. We need your vote. And yours Jordan.

Justin: What for?

Lance; Me and the other guys had a talk. We're gonna leave lou. We'll find another group to manage us. Besides that guy is swindling us out of a huge fortune.

justin: I'm in.

Jordan: ya think?!

Lance; You in Jordan?

Jordan o whatever i don't care any more what happens.

Jordan: do whateve i don't care anymore what happens

Lance: Alright. We haven't talked to Becca yet but we know she'll have problems with it. and besides she'd be outvoted.

-jordan stands up and goes to the roof. justin and Lance head back to their room they are sharing-

-meanwhile-

AJ: its gonna be okay becca

Becca; No it won't Lou has us all under his thumb but thiers nothing we can do. I hate it when people yell. i thought this would be an escape but it's turned into another prison. I'm a caged bird. I always have and always will.

AJ: we wil get out i am very sure of it becca. extremly sure. you have to elarn to never be so negative -he leans overa nd kisses her lips softly- look on the bright side of things, even if there is nothingbright about it

Becca; Why did you do that?

AJ: do what?tell you those things? becasue i hate it when people are so negative

Becca: no. Why did you kiss me. It's not like i havne't kissed before but why did you do that?

AJ: oh. well..... i've always been fond of you since lou hired you as an openning act

Becca; Wow...Okay. I guess that would explain why you've been acting weird everytime you and i are in the same room.

-aj rubs the back of his neck blushing a bit-

AJ: i have been trying to get better

Becca; You're one of the few people I think I can trust right now. I can tell.

AJ: thats good -he smiles and scoots closer to her-

Becca; Can you keep a scret?

Becca: Actually I need to ask you something regarding it.

AJ: you can trust me

Becca; Lou is makeing me look like a virgin sex kitten. But in reality I'm not a virgin. I haven't been for years. When i was sixteen I had sex with my then boyfriend and ended up getting pregnant. I gave the baby up for adoption. Do you think it's okay that I still celebrate his birthday?

AJ: wait your a mom? -aj is stunned- thats..... well it happens alot. so your kids birthday?

Becca; Connor. It was supposed to be an open adoption but the family made sure I never saw him. He was born today three years ago. Is it right for me to celebrate his birthday?

aj: it think its fine. just a little surprised, but i don't think any less of you. i actually think your better because you want the best for your boy.

AJ: he is your kid biologically. and you were meant to see him. its perfectly alright becca

Becca: I loved him. I still do. I wanted to keep him but i just couldn't. You can't tell anyone. Not even the other guys. I know they're like your brothers but if word gets out then I'll be right back where I started. In the slums.

AJ: i swear i won't! i care about you and if you don't want them to know they won't. nesides i don't think they need to know its not that important at all. just shows your human i guess

Becca; I think the others are wondering where I am.-wipes her eyes off- I'll see you tomorrow then? Lou's got photoshoots planned for both of us.

-aj reaches over and holds onto becca's hand-

AJ: yeah i'll see ya then

-he kisses her again standing up and walking to the door-

-Becca nods and goes to her room and curls up on the bed crying herself to sleep-

-the next day-

joey: You okay Becca? You look tired.

Becca; Yeah i just didn't sleep well.

Jordan: I AM NOT GOING TOPLESS LOU! YOU PIG SNOTTED ASS HOLE!

-levi chuckles-

Nik: we never heard that one before

Lou; I will not have you talking like that to me missy! If you're not going topless then fine. But at least wear this. -throws top at her and storms out-

Kevin: The man did have it coming.

Jordan: this is almost as bad as that you dick head!

Levi: poor chick

Joey: It's better than nothing.

Lance; Yeah. I hate these shoots.

Jordan: i'll pose topless later on in my career when I FEEL LIKE IT

Becca; Me too. I'm freezeing my butt off right now.

-aj tires hard not to stare-

-soon jordan comes out in tight jeans and a top that tied around the next and back and thats it. it was very thin too and white-

Jordan: fuckin ass hole is gonna jer off to these damn pics

Becca; Stateing the obvious much.

-jordan shutters and they begin to shots-

Kevin; Damn as much as those two hate the outfits I have to admit those girls look good.

Lance; Yeah.

-lou then started to tell her she ahd tot ake off her top. if she didn't, he would fire her and send her back to the states-

-jordan sigs-

Inner Becca; We need to do as he says.

Lou; You can stay like that for now Becca. I'll have you going topless later.

Jordan: god i hope you rot in prison bitch you i sue you someday for sexual harrasment -jordan unties her top and lets it fall off-

Lou; I'd like to see you try sweetheart.

-jordan hums some random tune she wrote while they take random different sexual positions-

-when she let go justin is fuming but chris is holding him back-

Justin: I'm gonna get that bastard.

Joey; Soon man soon.

-jordan runs into a dressing room and sits down curling into a ball-

-lou makes becca do similar stuff and when he's done she dresses quickly and hides off in a corner-

Lou; Okay. Backstreet! Hurry up and get on that set!

-aj stays near her making sure lou doesn't pull anything-

Levi: here i go going comando

Nick: sexy -he slaps his ass-

-Lou looks furious but says nothing-

-after the shoot-

Lou: Knock it off both of you!

Levi: hey lou if you think your mad now! -levi grabs nick and kisses him. the photographers begin shooting as levi moves down sucking on nick's adams apple and moaning-

-nick grabs levi's ass graoning-

Chris: damn look at them go

Lou: STOP! BOTH OF YOU! KEEP THIS UP AND YOU WILL END UP ON YOUR WORTHLESS ASSES BACK TO BEING NOTHING!

-levi and nick pull away and go on other sides of the set-

Brian: i'm sorry levi

Lou: that's better.

Howie: We'll get away soon.

Levi: whatever

Kevin; We're getting the legal papers together. The lawyers think we may have a case.

Lou; What was that?

Kevin; oh nothing.

-NOW after the case-

thr shoot or whatever-

-the thinggy majiggy-

Levi: that was fun i must admit

Becca; I'm gonna go grab a taxi and leave ahead of you guys.

Nick: we kissing and groping each other was the only fun part

Howie; It was pretty funny seeing Lou's face though.

Kevin: Yeah.

Jordan: i'll go with you

-becca and jordan head off tot eh hotel. once they get there lou ask to speak with jordan ALONE-

Jordan: fine.

-they go into a room where lou locks the door and grabs at jordan's ass-

Jordan: what the hell?! -she jumps away from hsi hand-

Lou: Jordan. I want you to be a lady. You understand right? Maybe a little 'breaking in' might tame your wild attitude a bit. -grabs her-

-jordan yelps but he covers her mouth threatening to send her home. jordan knew he could do that without question-

Lou; Now you're gonna do exactly what I say and you're not gonna argue. Are we clear?

-jordan slowly nods squeezing ehr eyes shut-

-you can put two and two together to find out what happens next-

inner jordan: but i've never been with anyone before.

-after he's done-

-lou leaves the room grinning. the guys are out in the hall talking.

jordan is on the bed shaking the spot between her leg bleeding a little,  
under the sheets she is lying-

Lance;Something's not right...I wonder what.

inner jordan: that damn ass hole went too far. too far.....

Chris: jordan? you in there? -he knocks on the door-

Levi: go in.

-chris opens the door turning on the light covering his mouth and  
stumbling back-

Chris: dear god

Justin; Jordan? What happened? -walks past Chris into the room- Oh  
god...JORDAN! OH MY GOD I'M GONNA KILL HIM!

-jordan was staring blankly at the wall shaking-

Levi: that sick bastard

Nick: god he is just SO FUCKING DISTURBED!

Joey: That's it. We're breaking it off with him tonight! Now!

Howie: Same with bsb. This can't go on. he's gonna move on to Becca eventually. We need to make sure this never happens again.

AJ: god becca! -he runs down the hal to check on her-

-nick goes to the bed and he looks at her to check ehr out. he winces when he sees blood-

Kevin; That son of a bitch.

Nick: i need a washcloth.

Levi: god he did it to her in the ass and that other place that guys don't have

Joey; I think there's some in that cabinet next to Brian.

Brian: here -he grabs one getting it wet. he hands it to nick-

Nick: hey guys why don't you leave? she knows i'm gay so.....

Jordan: god he is so fat

Justin; Yeah. He's right. Lets go guys. -they leave-

Nick: jordan? mind if i clean you up?

Jordan: your gay so.....

Nick: i don't want to hurt you -he slowly cleans off hte blood and puts some cream on her 'area' giving ehr some clothes. he takes her down to her room where justin comforts her as she cries tears of ange-

anger

-meanwhile-

AJ: are you okay becca?!

Becca; He knows. -she's curled up on her bed in her nightgown- He knows. I lost my job AJ. I'm being sent home.

aj: we are getting away from him, god damn it that fuck fucked jordan in both places -he sits dwn next to her- who cares if he knows

Becca; He saw that I had no hymen. that it was already torn. Then he managed to see my marks. They're faint but ther there. And if he knows the world will know in a matter of days. Hours even. I can't go back home AJ. I have no place to go home to.

AJ: oh my god he didn't..... he..... he raped you too?

AJ: you know some women break there hymen from other things too, not just sex. i know that from high school health

Becca; He did. -breaks down sobbing- Thankfully there's little to no chance of me ever being able to have children ever again.

Becca; Please just get me far away from here. I can't stay here nymore.

-aj grabs her holding her to his chest- AJ: i will never ever let him touch you again i promise you that! that fuck will rot away in prison for this i swear it -he kisses her head rubbing her back- and you have a home with me i promise you that

-Becca clings onto him sobbing. Howie shows up- Howie: We called a cab and the local hospital. Grab what you can and meet us in the lobby in ten minutes. How's Becca?

AJ: he raped her too

Howie: Damn bastard. Okay. Ten minutes lobby with stuff. Hurry!

-howie leaves-

-aj gets becca together and when he has her ready he leans over kissing her for a long time then he pulls away-

AJ: come on lets make sure you won't have his kid

Becca; there's hardly a chance. When I had my son they said it took a huge toll on my reproductive system and that having children was near impossible for me. but it's not a chance I'm willing to take. We need to leave. He'll be here any second.

-they hurry and get to the hospital. aj can tell Lance is focusing more on jordan then breathing-

-lou come barging in fuming-

inner Lance; That jerk is going to pay!

Nick: you fucking jack ass -he storms over punching him in the face-

Lou; What's this I hear about all of you leaving?!

Levi: nice shot nick

-Lou staggers back holding his nose-

Brian: and this one is for becca -he swings punching him again in the face-

Chris: damn brain! you have an arm!

Lou: AAAARRRGH! YOU LITTLE BRATS! Levi, Jordan and Nick I could have guessed but Brian!? And Chris? Traitors. These girls needed to learn a lesson! And I taught them. Becca turned out to be a waste. And now you're leaving after all I've done!?

Chris: get out of this damn hospital before aj Lance and Justin hit you too -Chris grabs his collar jerking him back. Lou stumbles and falls on his ass-

Lou: You haven't seen the last of me. Mark my words. -leaves-

Chris: if Justin got to you you'd be dead. I should have hit him

-Chris sits down and a doctor comes out-

Doc: hi there.

Justin; No. I'll get the revenge I want soon enough.

Kevin: So how are they?

Joey: Are they gonna be okay?

Doc: Becca will be fine. since she wasn't a virgin before she didn't have

any serious ingeries. jordan however we had to give her some pain killers and give her what we call a 'plan b' pill

DOc: she was torn up bad from what happened

Joey; I'm gonna kill that bastard.

Joey: Wait...Becca wasn't a virgin before?

Doc: do you want to see them? they are awake and talking

Kevin: I don't know about us but I think AJ and Lance and Justin will want to.

Doc: no she wasn't. from what i saw on her body she's can't have any more children either

Howie: Yeah. But we didn't know about this.

Brian: any more?

Joey; What?

Doc: she had a child before, three years ago. says so in ehr records

AJ: damn it -he slaps his face- wonderful

Lance: Oh god.

Kevin; You knew about this aj?

Doc: i thought you all knew about that. guess we doctors have to quit jumping to conclusions

-he smiles and tells them where theya re then leaves-

AJ: we were talking about it last night

AJ: i want to go see becca

Kevin: Okay man.

-aj justin and Lance head intot eh room-

-jordan is lying down and becca is sitting-

Lance: Jordan?

Justin; You feeling okay?

Jordan: my ass and vagina are burning and i lost tow of three of my virginities. i'm glad he didn't force he to suck him. BLECK!

AJ: you've never had oral before?

Jordan: never had a date in my entire life. no one likes a tomboy

Becca; that and lou practically kept chastity belts on us.

AJ: i don't get it he keeps it on you but not us guys. its horrible how us guys can fuck any girl and be fine but girls are trash if they do that. guys are heroes when they aren't virgins

Becca: He tried to come in here didn't he

Justin: It's one of those things in life.

Lance: Yeah. but he left with a broken nose.

AJ: briana and nick punched him and chris threw him out

Jordan: good

Becca: Serves him right.

Lance: Now we just need to schedule trial dates.

-jordan snuggles more into her pillow-

Jordan: i hate my life

Jordan: i can't be myself in this world so why even try

Lance: It will get better. We'll find someone who'll want us to work for them and we'll find someone who likes your tomboy image.

Justin: Yeah. No more sluttyness.

Jordan: i hope so. and i don't want those pic of me topless getting released

Lance: Already got lawyers working on that.

-jordan shuts her eyes getting some sleep. justin pets her head kissing her cheek-

-Lance stands there looking mad as hell and Becca is curled up in the fetal position crying softly-

-aj climbs into bed next to her holding her to his chest once more-

-the next day they all head back to the states-

-jordan stares out the window the entire time and Lance watches her the entire time-

Joey: We're broke and we can't afford our homes and we need to find new managers.

-aj sits with becca holding her hand-

Jordan: my mom found some guy she said heard about the comotion happening in germany and he wants to help

Jordan: his name is Johnny Wright

Lance: My parents have a place. Some of us can stay there.

Becca: I think i'll take a year off from singing.

Brian: johnny wright. he sounds nice enough

Howie: More trustworthy anyways.

AJ: if you want to take a year off go ahead becca. you can start to write your own songs you like singing, you told me on the plane about it

Becca: Yeah. The reason I didn't do that earlier is because Lou thought alot of my stuff was to dark.

Joey; Lets hear some of it sometime kay?

Becca; sure.

Jordan: lou told me girls don't write there own music

Becca; He was wrong there.

Jordan: thats for fucking sure. me and justina re gonna stay at our moms

Joey: I'm staying with Kelly in Orlando.

Lance: Like i said. My parents have a place in mississippi. chris you mentioned something about staying with your mom for a while? what about you guys? -looks at backstreet boys-

kevin: I've got a place. I'll be okay.

Levi: um... did i tell you guys my parents are filthy stinkin rich?

Jc; No you didn't

Levi: they live in a huge mantion that we all plus some could live in. down in orlando, next to the beach

Howie: That's right.

Jc; Can I?

Levi: actually to be more exact they basically live in scotland now

with all my other family and they gave me this place

Jc: I don't think my parents will want me to come back home. They love me but they want me supporting myself now.

Levi: you can't tell i'm scotish cause i can tan and i dyed my hair

Howie: Yeah.

Kevin; Is it okay if some of us crash at your place then?

Nick: you would look weird with pale skin and red hair. i like you tan with freckles

Levi: oh dear god please. i feel alone in that place

Jc; thankyouthankyouthankyou! -hugs-

-levi hugs him back-

becca; I'll probably end up back in downtown seattle. I know my music would be appreciated there.

Levi: stay with me becca!

Becca; Um...Okay i guess.

-levi hugs her-

Levi: i have a recording stupid somewhere in the house you can use and play with

Howie: Brian? AJ? What are you gonna do?

Brian/AJ: stay with levi

Joey; So i guess it's settled then. We're staying with Levi till whis whole mess gets cleaned up.

Justin; Looks like it.

Jordan: sweet

-they get to levi's hosue and are surprised at how big the yard and house is-

Becca; Wow...This is amazeing.

Levi: it also has a big pool hot tuba nd follow the trail in the back forest you'll hit the private beach

-levi goes up and unlocks the door-

Levi: and thats it

-they all have their jaws dragging on the floor-

Nick: MAN I NEVER KNEW YOU WERE RICH!

Levi: i'm not rich my parents are. i'm trying to make my own money here

Justin: Didn't you hang out here before nick?

Howie: Nope. We hung out in other places when bsb was starting.

Nick: actually we never came to his house. he said it was crap -glares at levi-

Levi: hey i didn't want to make friends off of my parnets wealth here!

Kevin; Well good.

Howie; So how many guest rooms do you have? Or are we sleeping in your living room?

Levi: i think in this hosue there are all together ten room. i moved out of my room and into my parents

Levi: meaning nine rooms are open

Becca: Okay. There's ten of us counting us so we'll have to make it two or three to a room

Jordan: maky so that means i'm gonna be sharing with beck right?

-aj and Lance whimper a bit-

Becca: Sure.

Jc: Keep it in you pants guys

-jordan looks at Lance funny-

Lance; What?

AJ: its probably smarter that i don't schare a room witha girl. hey nick want to share a room?

Nick: deal man. heh-heh

Jc: Lance?

Brian: i guess it wouldn't kill me if i shared a room. who wants to share with me?

Joey; I will.

Howie: Me and Kev will take a room.

Levi: chris and justina re together i'm sure

Chris: hell yeah!

Justin: race ya! -runs to the room-

Becca: We're never gonna get any sleep.

Jordan: ahh well

-she goes up the stairs with ehr bag and levi gives them a room-

Levi: there tv two beds couch chair and everything else nice

Jordan: i get he window bed!

Becca; fine by me.

-she throws herself onto the bed under the window-

-Becca goes to the other bed and curls up.-

Jordan: yeah cause beck doesn't like light. levi can we just sleep?

Levi: yeah

-he leaves the room shutting the door-

-becca goes under the covers and curls up trying to sleep-

Jordan: are you gonna be okay beck?

Becca; It looks like you're handleing what happened alot better than me. But I should be okay.

Jordan: actually i'm not -she pulls up her shirt sleeve showing cuts on her arm- i'm not one to look depressed

Becca: Ow.

Jordan: he took two things that i hoped Lance would have done better with -she covers her motuh- i said to much

Becca; I wasn't a virgin when it happened. I haven't been since I was fifteen. But now he knows the truth about me. The public will find out and I can kiss my career goodbye. It'll be back to downtown seattle on the streets.

Inner Becca: My secret is out and the best part that it isn't even a good one.

Jordan: no you won't! people are probably going to look up to you,

think you're a hero because you did what was best for your baby

Becca; I wonder what he looks like. And how he's doing. I miss him so much.

Jordan: i think he's doing fine and probably deserves his real mom from what aj told us -she climbs under the sheets and rolls onto her stomach staring out the window-

Jordan: the doctor told us first, he just clarified

-meanwhile everyone else is settled into their rooms-

-Becca nods and goes to sleep-

-jordan lies there for a while, then goes downstairs into the back yard where Lance was sitting down by the pool-

Lance: Hey.

Jordan: if you're going to sit by a pool at least put your feet in -she stands next to his side-

Lance: Yeah. I did that earlier. But it's cold.

-jordan sticks her toes in and nods-

Lance: So how are you and Becca holding up?

Jordan: well she is depressed thinking her career is over and i told ehr she'll probably bigger then ever thinking someone as great as her did something like that and made the best choice for her baby

Lance; yeah.

Jordan: i on the other hand haven't stoped cutting

Lance: What?

Jordan: you heard me. i don't do being mopyy arounf everyone. i'm there to cheer them up and i deal with my problems behind doors without anyone bugging me

Lance; Jordan it's not going to do you any good to hurt yourself. You could get killed.

Jordan: i guess that sort of is the point, somehwere in my head, but i'm trying to stop but whenever i do it just comes all back to where i started

-jordan is wearing shorts. she sits down and shoves her feet intot eh pool-

Jordan: yeah it is cold.....

Lance; I don't know what to say.

Jordan: i figure you wouldn't. beck just said ouch. -she sighs- well epeople are going to find out sooner or later cause i'll wear t-shirts with badages on my arm

Jordan: we aren't doing anything public till lou is out of the picture.

Lance: yeah. Jordan I really care about you. I don't want you to get hurt.

Jordan: yeah yeah, everyone says that. its hard to quit ya know

Lance: I wouldn't know. I've never tried.

Jordan:g ood that means you never got fucked in the ass. be glad you only have one hole i have two

Lance; I'm so sorry that happend to you.

Jordan: man if a man gets rapped he'd enjoy it but the fact i was a virgin and i hate lou and he hurt the hell out of me its just different. guys and girls have different opinions of sex thats for sure..... no matter how hard i try to be a tomboy

Lance: I'd hate being raped. I think most men would.

Jordan: are there any ugly women out there? seriously all the women who rape are like, thin and have big boobs

Lance: I'm talking if a guy rapes a guy.

Jordan: i was talking about a girl raping a guy. if a girl rapes a girl i think its more of a porn video

Lance: um....creepy

Jordan: how would a girl rape a girl anyways?

Lance: That I have no idea

Jordan: probably would suck on her pussy then use a vibrator for a while on their clit then would shove some fake cocks into her ass and pussy

Lance: wow...Probably

Lance: I'm gonna head to bed now. I'll see you in the morning?

-he is about to stand up but stops- Lance: I probably shouldn't ask you this but can I kiss you?

Jordan: kiss me?

Lance: Yeah. Just on the cheek.

Lance: I'll understand if you say no.

Jordan: i guess you can kiss me on the lips. lou didn't touch me there -  
she turns her head-

-Lance leans in and kisses her-

-she kisses him back-

Lance: Thanks. I like the way your lips feel.

Jordan: yours are nice too

-she leans in and kisses him again-

-Lance kisses her back and stays like that for a couple minutes-

-he finally pulls away when someone yells from inside the house food-

Lance; Huh? It's too late for dinner and too early for breakfast.

Jordan: desert dimwit

-they stand up and Lance hugs her putting his face into her neck-

Justin: HURRY UP! IT'S LIKE A FREAKIN BUFFETT HERE!

Lance: Quiet curly.

-Jordan pulls away from Lance and jogs inside-

-Lance follows. Sure enough it's like a desert buffet there-

Lance; Wow.

Levi: i spoil my friends

Joey: AJ have you seen becca? She's not here.

AJ: she's in bed

Jordan: go wake her up

Jc: We can bring her some later.

Chris: mmm this is good food

AJ: i'll check on her

-he goes upstairs into her room-

AJ: becca?

Becca: meh. -rolls over in bed-

AJ: becca there is sice cream and brownies and tons of other good stuff downstairs

Becca; cool.

AJ: come and join us -he sits on her bed-

Becca: Not hungry.

-right then her stomach gives a huge rumble-

Becca; betrayed by my own body.

AJ: coem on -he leans downa nd kisses her cheek-

AJ: i'll let you shove ice cream into my face

Becca: Fine. But you have to turn around. I sleep naked.

-aj is stunned-

Aj: um.... uh.....

-he stands up and turns around-

Becca; You heard me right. -walks over to her suitcase and puts on someunderware and a tank top and shorts-

-aj saw her bare back and held in a moan-

Becca: Okay. lets go. -braless bobbies go bounce bounce-

-aj rubs his eyes-

AJ: oh boy your making this hard here

Becca; What's so hard about walking to a room and back. -leaves room and goes downstairs to the food.-

Jc: Chris you do realize that you're gonna need to do at least a million sit ups just to burn all those empty calories off?

Joey: It's not that he doesn't understand now ask him if he cares.

Lance: This is Chris we're talking about.

Chris: shut up -with a mouth full of cake- i have a high metabolism

Jc: It's gonna wear off by the time you're thirty.

-chris keeps eating. hwoie was also scarfing down food-

Becca: Save some for me. -she comes down-

Howie: Plenty for all.

-aj comes down and eats but is trying not to stare at becca-

-Becca scarfs down a ton of food-

inner ja: i care about her and she goes arounf braless. thats is her choice but god i want to fuck ehr so abd but i know it shouldn't

Kevin: little girl big appetite.

Becca; Stuff it.

-jordan was eating slowly rubbing her wrist-

Howie: you okay Jordan?

Jordan: yeah. -she looks at him smiling- just a little sore thats all

Howie: Okay.

Levi: from what? -he has ice cream in his mouth-

Jordan: oh just.....

Joey; carpal tunnel?

Jordan: i guess. i don't know its just sore

Joey: Take it easy for a bit. Often times when your wrist is sore it's because it needs a break.

-jordan nods and pushes away her favorite ice cream-

Jordan: i'm not hungry

Chris: JORDAN GLENN NOT HUNGRY?!

Joey; Okay something's up. You never refuse dessert.

Justin: you sure your alright?

Jordan: i need sleep -she goes up the stairs rubbing her wrist still.

Lance looks at her back as she leaves-

Inner Lance: They're gonna find out sooner or later.

Levi: someone should follow her -he rubs his chin looking at Lance-  
you guys were kissing earlier you go up there

Justin: wiat kissing?

Lance: Harmless.

Brian: ahh some romance within the group

Lance: We're not the first and we're not the last.

Chris: well Lance go up there and make sure she's okay

Lance: She is. She's just got alot on her mind.

Chris: bass go. -he finally wasn't tlaking with food in his mouth- or  
beck

Becca: Lance. I know too. They're gonna find out sooner or later.

Lance: Becca we can't tell them.

Becca; If you won't I will. Jordan's been cutting. She looks fine but  
she's not.

CHirs:w ait WHAT?

Joey: Wha?

Je: Oh god.

Justin: oh myg od mys siter has been cutting ehrself? god when were you planning on tell me this?!

Howie: this ain't good.

Becca; She said everyone would find out sooner or later but I can't keep a secret like this.

-justin puts hsi food downa nd runs up the stairs-

Justin: jordan?!

-he goes into ehr room. she isn't in there. he goes down the hall to the bathroom-

Justin: jordana re you in here?

-he pounds on the door and jiggles the knob-

Becca: She's going to hate me for telling. I'm gonna get out of here for a while.

Jordan: meh.....

AJ: lets jsut go for a walk

-suddenly a door is heard breaking and justin screaming-

-Becca grabs her jacket and looks up when she hears Justin-

Kevin; That ain't good.

Justin: someone call 911 like NOW!

Chris: oh my god

-he rushes tot he phone-

Howie: I'm on it!

Howie: Or chris.

Chris: no i've got it howie

-justin wraps up jordan's wrist tightly and carries her dwonstairs-

-the ambulance arrives four minutes later-

-Lance is rubbing his face alot and his neck. justin stayed with jordan-

Chris: well i think now she'll stop

-meanwhile-

AJ: there it goes

-they watch and it goes down the street from levi's house-

becca: yeah. I don't know how much good it will do though.

AJ: well she could either lie on the bathroom floor bleeding or she could be saved

Becca; That's true. But how do we know she won't start cutting again once she gets out?

-aj shrugs and puts his arma round becca's waist-

Becca; Where should we go then?

AJ: the parks right over there

Becca; Okay.

-they walk over to the park. Becca sits on one of the swings-

-aj goes behind ehr and pushes her a bit-

Becca; When I was a kid I used to play on these things all the time.  
Just to avoid home.

AJ: they are fun

Becca: And being there ment no haveing to deal with angry parents during the day. when I was in school I'd do my homework at the liberary and sometimes would hide out away from home for days.

AJ: that sucks. my dad left me and my mom when i was two

-he sits down in a swing next to her-

Becca: That's not good.

AJ: its been hard

Becca; For all of us. I just wonder if our lives are gonna get any better. It just seems like we get to this highpoint where things look like thier gonna get better and then it all comes crashing down. For a while it looked like my parents we're gonna stop fighting and then my dad dies in an accident. I get a boyfriend who I think I'm going to be with foreve and then I get pregnant and he skips out on me. you already know the ending to that story. And then I hichhike to florida where I can sing and then when things look up not just for me but all of us this happens. Someone up there has it in for us.

-aj reaches out for becca's hand. he grabs it and pulls her over under a tree. he sits down and set her between his legs. he puts his arms around her waist-

AJ: but if you think about it if none of that happened you wouldn't be ehre in my arms right now

Becca; Maybe.

AJ: would you rather have a eprfect life and get everything you want, or be able to tell the world you struggled all your life but you made it though. no one has a perfect life as a celebrity

-aj kisses her neck and rests his chin on her shoulder-

Becca; True.-she reaches behind her and rubs aj's cheeks with the back of her hand- How long have we been gone?

AJ: not too long. maybe 20 minutes

Becca; Lets stay out here for the night. I don't want to go back there just yet. Besides I can hear frogs.

AJ: yeah i like it right ehre -he kisses her cheek. becca moves her head more tot eh side and aj kisses her lips-

AJ: can i tell you a secret?

Becca: Well I guess it's only fair since I've told you mine.

AJ: i love you

Becca: You can tell this early?

AJ: pretty sure. we both had ruff lives, both went into music, and your hot so... -he grins a bit- i'm head over heels in love with you!

Becca; strange. I think I'm srating to fall for you too. -kisses him-

-he kisses her back rubbing her stomach-

-the next day-

kevin: Moring all.

Justin: uhg ic an't beleive she's in a phsyciatric hospital

-he was at the table eating abowl of cerel-

Jc: neither can I.

Joey: It's hard on all of us.

Justin: while she is there we are going tot ry to get the hell away from

lou. she told me the guys who wants to help us. he is good

CHris: isn't he coming over today to meet with us? -Lance stumbles  
downt he stairs in baggy shirt and sweats. his eyes are red and he  
looks horrible-

Howie: well he'd better be. I just want to be away from him. We all fo.

Brian: thats what you look like when you cry all night man

Lance; yeah. Where's the coffe.

-levi points in the kitchen-

-Lance walks like a zombie over to the coffee and chugs it down-

Levi: poor guy. well we better clena ourselves up and get ready for  
this guy. he's bring a lawyer too right?

Justin: eyah

Jc: Want me to go find AJ and Becca?

Levi: nah. i'll just give him a text

-meanwhile-

Becca: morning.

-aj is asleep with his head on becca's chest-

-his phone goes off-

AJ: meh

-he sits up and kisses becca's neck while he digs out his phone-

Becca: I love sleepinf outside.

AJ: morning -he looks at his phone-

AJ: we need to come abck to the house. says we are meeting with that manager and lawyer today

Becca: That johnny guy?

AJ: yeah i guess -aj leans downa nd kisses becca's lips- come on

-thye get up and head back to the house-

-once they get there eveyrone shower snad cleans up. aj is wondering where jordan is-

AJ: hey where is jordan?

-justin's face falls-

Joey: hospital.

Justin: phyc ward.

Becca: Oh dear.

Justin: bottling up ehr emotions as he said

Justin: i don't want to loose my baby sister

-Lance was depressed himself. he sits down in a chair dressed nicly  
but he stares off into space his eyes a little red still and baggy-

Lance: He'll be here in half an hour. -he says it blankly-

-joey rubs his shoulder-

-half and hour later-

Howie: Thanks for coming here mr. wright.

Johnny: its nice to meet with you all.

Johnny: and this is Mrs. Johnston

lawyer: yes. Now tell me about your case.

Justin: we want to get away from trans con but the fat guy running it has us bound legally

Chris: we were young when we signed the contract. we want to get away because we are not getting the money we deserve and losing more than gaining

Lawyer; Okay. And I also hear there have been sexual assault and sexual harassment charges from female members of this party?

Justin: also our manager now, lou the fat guy, raped two of our girls

AJ: becca is one, and jordan is the other

Lawyer: That will help your case a bit. we have plenty of evidence for that.

AJ: jordan is in a psych ward because of that fat bastard

Brian: i'm sure that the doctor would say the same thing as aj

Lawyer: That will definitely add some years to his sentence. Now as far as the money issues and the contract goes I think we have enough evidence to win this case without too much difficulty. His lawyers will

put up a fight but with all the evidence against him he's looking at fifty years minimum.

Nick: sweet! -levi and nikk high five-

Johnny: and if you do get away from him i'm from jive record company

Lawyer: And another fifty for the rapes.

Justin: so you want to be our manager?

Johnny: i have plenty of experiences and i can manage both groups and becc'as solo career

Becca; Thank you.

Justin: i like this guy. he's way better than lou

Lawyer: Now all that's left to do is win the court cases. I'm going to need all of you includeing Jordan to testify.

Justin: um..... - he rubs the back of his neck- when is the court date going to be set?

Mrs. Johnston: sometime in the next few months. probably summer.

Justin: she should be realised by then -Lance groans and covers his face-

Lance: She's such a mess since all of this has happened.

Chris: she'll get through it -he rubs his back-

Lance: I hope you're right.

Chris: i do too

-Mrs. Johnston and Johnny stay for dinner and then leave-

-over the next couple of months they start to write songs for albums they want to have realised with jive. levi is working late with his songs and meanwhile jordan is also writing songs at the hospital. no one can see her-

-Lance gets no sleep and Justin feels like shit while he rights-

-Becca is working on a solo album with a little help from AJ. Brian and Nick and the other backstreet boys are writing a new album too-

-they end up recording in levi's studio with their songs. backstreet makes sure nsync stays away and the same goes for nsync with the backstreet boys-

-soon the court date arrives and they all dress up for the date. fans are gathered outside-

AJ: here we go

Chris: justin went to get jordan. man i hope she's okay

Becca: yeah. -holds AJ's hand-the public soen't know they're an item yet-. I just hope we win this. Maybe we we will have some good luck for once.

Johnny: come on inside

Jc: Okay.

-they go in-

-the trial starts and justin ahsn't arrived with jordna yet. Lance is worried-

Lance: Jordan needs to be here to testify.

joey; They'll show up Lance. Don't worry.

Chris: so does justin they will be - suddenly the doors open-

Justin;s rroy we are late!

Judge: take a seat. -she looks annoyed-

-he comes in and Jordan is behind him. she shuts the door and screws up to sit next to him. she is wearing guy slacks with a black belt. a white button up long sleeve is tucked into it and has one or two buttons open on the top. her tie is loose on her. also her hair is now short and spiky in the back with long bangs that sort of cover her eyes. her hair is black-

Jordan: please continue

-the trial continues. the prosecution continues for an hour or so and then one by one calls up the guys and Jordan and Becca who all testify-

-Jordan told her story in great detail-

-and it sickened Lance-

-Becca explains what happened to her as well. When both of them are done the Jury looks disgusted. and then they talk about the money they were cheated out of-

-Jordan sits silently leaning forward and holding her hands in her lap. she is glad she isn't wearing a dress anymore. she also told that when she was up there about what Lou forced her to do-

Lance is sitting next to ehr and rubs her back gently-

Inner Lance: That bastard is going to pay.

-the defence puts up a few week arguments and Lou's testament is terrible. the jury is sent out to deliberate.-

-that is when they can walks around and move-

Mrs. Johnston: This could take a while. Everyone hang tight.

-jordan lenas backa nd looks at Lance-

Jordan: nice to see you again

Lance; You too. How're you feeling?

-she brushes her bangs out of her eyes sos he can see him better-

Jordan: ten times better. i'm just glad i'm being me with my clothes

Jordan: and my hair

Lance; Me too. You look better this way. And you're hair is nice.

Jordan:y our jsut saying that so i'll kiss you

Lance: I'm saying it because it's true. but you kissing me wouldn't be that bad either.

-jordan smiles and leans forward. before they can kiss though the court is called into order again-

Jordan: poppy -she sits back-

Mrs. Johnston: That was quick. This could be good or bad.

-the jury sits down and the judge looks at them-

Judge: Has the jury reached a decision?

Jury: your honor, we find that lou pearlman is guilty in all charges

-jordan laughs evilly-

Judge: That will be all out of you young lady. Court is dismissed. sentencing will be tomorrow.

-gavel goes down-

-jordan stand sup and hgus justin tightly who hugs her back-

Levi: yes the basterd will get his! -he end up hugging jc and kissing

him then he realizes what he did- hi jc

-Becca is crying out of joy-

Jc: Hi.

-aj is hugging her-

Levi: i'm just.... happy..... so um..... -he lets go of jc and rubs the abck of his neck-

Jc: It's okay. -smiles blushing-

-levi hurries over to nick and hugs him to and talks with bsb-

-afterwards they allw ent out to dinner a fansy restruant with johnny and their lawyer-

Levi: a toast! to our lawyer who helped us kick that fat basterd's ass

Becca; Cheers.

Jordan: oh yeah

-the glasses clink-

-under the table aj and becca are holding hands, Lance has his hand

on jordan's knee, and jc has his fingers brushing levi's knee-

joey: -singing- love is in the air! love is in the air!

-chris hits his head and eats-

CHris: finally we will get all the moeny we deserve!

lawyer: Taht and several million dollars in pain and suffering.

-jordan grins evilly and eats too-

-levi leans over and whispers into jc's ear- Levi: you can put your hand on my knee if you want

Mrs. Johnston: Basically if Lou ever did get out of prison he won't have a penny to his name.

Jc: You're sure?

-levi nods smiling-

-Jc grins and places his hand on Levi's knee-

-levi puts his hand on jc and laces his fingers through his-

-later that night in the hotel-

Becca; Okay. someone must have screwed up our reservations.this is a single bed room

AJ: no they didn't

Becca: You asked for this didn't you.

-aj nods putting his hands on ehr hips from behind-

AJ: if your not oaky with it i'll sleep ont he couch

Becca: I'm fine with it. At least its you and not one of the other guys.

-aj smiles and kisses her cheek going intot eh bathroom starting a shower-

Lance: So what are you planning on doing when you get the money?

Jordan: buy a house and motorcycle

Lance: House for me definately. And i'm thinking about getting a ferret.

Lance: So are we still on for that date tonight?

Jordan: you should name it dirk

Lance: I might just do that.

Jordan: yeah since we had to move it over a few days

Lance: Ten o clock showing sound good to you?

-jordan smiles-

Jordan: it works

-four months later-

AJ: i love your stomach becca

-he is rubbing her buldge-

-they had their own house now-

Becca; I'm as huge as a house.

AJ: no you aren't! you just have a buldge okay? you only have one kid  
in there

-Connor is running around outside-

Becca: Thankfully.

-meanwhile at jordan's house see just bought Lance comes over and  
finds her in ehr recording studio-

Lance; hey Jordan!

Jordan: hey Lance

-she was just playing at her keyboard-

Lance: Meet Dirk. -holds up a baby ferret-

Jordan: he's so cute!

-Jordan takes him and puts him on her chest. he scurries down and sniffs her shirt-

Jordan: yep just like a cat

Lance: Isn't he? He's kind of a perv though.

-suddenly Dirk squeaks and jumps off of Jordan's lap-

Jordan: dork

-Lance picks up Dirk- Lance: You should have seen him with the lady at the pet store. He made himself right at home in her boobies.

-Jordan stands up and opens the window into the studio. Lance puts Dirk on the chair and goes around putting his hands on her sides running his hands up and down. Jordan smiles then Lance feels something kick against his hand-

-Jordan stops-

Lance: Jordan....Is there something you're not telling me?

Jordan: just that i've four monthes pregnate like becca

-she says it softly-

Lance: Why didn't you tell me?

Jordan: um..... that i don't really know

Jordan: i jsut know the firs ttime we fucked was when you fertalized me. me and becca are due around the same time.....

Jordan: i was surprised you did know! i've gotten bigger here

Lance: It's hard to see. That bump is barely there.

-jordan plays the keybaord a bit-

Jordan: Lance i've gained a few pounds

Lance; Still that bumo is little.

Jordan: wella t least you didn't coment on me gaining weight

Lance's sperm: mission accomplished

jordan's egg: i hate you dick

Lance's Dick: You're welcome sweetheart.

-Lance's Dick is evil-

-ya think?!-

-I know-

Jordan: so you aren't mad?

Lance; Nope. Now what do we do now?

Jordan: well figure out girl names -jordan sits down and holds her stomach- she kicks alot

Lance: Angela?

-jordan shakes her head-

Lance: Angel?

-jordan gives Lance a funny look-

Lance: Hey it's a start.

Jordan: why not just name her sparkle! -she says sarcastically- hey wants the name of that girl, tommies cousin, off of the rugrats?

Lance; Angelica?

Jordan: yeah. thats a good name. what about you?

Lance; Yeah. I like it.

Jordan: mkay. angelica bass. she needs a middle name

Lance: leighanne? that's the name of Brian's grlfriend but it sounds nice.

Jordan: um..... no i was thinking mroe of the lines of somethig in my family. she gets your last name!

Lance: Beatrice/

-jordan shakes her head-

Jordan: this is weird for sure

Lance; what do you think?

Jordan: Angelica Glenn Bass. Glenn isn't my last name if your wondering i just don't go by my last name so my family can have

some peace

Lance: That's a good idea. I like it. Angelica Glenn Bass.

Lance: Now we just need to tell the others.

Jordan: do we have to? can't i jsut go into labor and ahve them look at me funny?

Lance; You know that sounds like a good idea. It'd be funny as hell that's for sure.

Jordan: i'm havce room in me for a baby and this baby rprobably won't be that big

Lance: So after the baby is born should we move in together?

Jordan: but you can tell your parnets that the first time you had sex with your girlfriend your sperm excaped fromt eh rubber and you fertalized me despite my egg's protests

Jordan: you want us to move in together?

Lance: Well the kid is going to need both parents there 24/7

Jordan: okay. it would probably be msarter if we moved in sooner then that. whose house do you want to mvoe into?

Lance: Well I can sell mine. It's barely got any of my stuff in it.

Jordan: thats right your still moving in. are you sure your not mad at me?

Lance; Why?

Lance: Should I?

Jordan: you seem too mellow

Jordan: like 'whatever' about everything i'm saying

Lance: Don't get me wrong Jordan I'm upset that you didn't tell me but I know there's no point getting annoyed and crying over spilt milk.

Jordan: technically its spilt baby gravuy but yeah

-Lance laughs-

Jordan: i was scared to tell you

Lance; I don't blame you.

Jordan: yeah i trust you and stuff but we just got together right after i

got out of the hospital and had sex and boom. i didn't know what would happen since we didn't have much of a relationship yet

Jordan: i wanted to start falling in love with me before i told you 'oh and i've been alrge with child for the past few months-

Lance: I can understand that. So wanna go get a smoothie?

Jordan: i don't want you to 'have' to date me and 'have' to move in. i wanted you to, and no i want to record some more. almost done i just need your voice some more on that's when i'lls top loving you

Lance: Okay. And just so we're clear I'm dateing you because I'm in love with you and I've been meaing to ask you to move in with me for a while now.

Jordan: okay Lance

Jordan: just one thing?

Lance: What?

Jordan: quit being a pushover!

Jordan: a dn don't use the excuse ' but i lvoe you so much'

Lance: Okay. We're gonna go get smoothies no complaints.

Jordan: i said i want to record some more -she smiles at him- i dare you to use force

-Lance takes her arm and lifts her out of her chair-Lance: You need a smoothie. So we're getting one.

-jordan growls and Lance pushes her out of the studio-

Lance: Better?

Jordan: i hate being in the relationship where the woman makes all the decisions. much better

Jordan: you can get your hand off my ass now

Lance: Do I have to?

Jordan: what did i say about the pushover thing? be more assertive don't make me give you man lessons. something bug me that your too mellow

Lance: My hand is staying on your ass.

Jordan: just the sight of me makes your maness turn to goo huh?

Lance; Pretty much.

-jordan smiles putting her hand on Lance's ass-

Jordan: i ahve to admit you have a firmer ass then me

Lance; You make it sound like that's a bad thing.

Jordan: you like my iggly ass i liek your frim one. now whose paying?

Lance: I am. I've got my wallet.

-jordan smiles-

Jordan: my hero -they finally get int eh car-

inner jordan: i wonder hwo he's gonna act when my water breaks

-they drive to a nearby resturant where they sell smoothies-

Joey; So Becca's at the hospital and you're dropping Connor off cause they don't want kids there?

Jordan: yep

Jc; AJ looked like he was gonna have a heart attack.

Jordan: yeah that was funny

-jordan puts connor into the car and drives off. Lance is at a meeting-

Connor: Mommy's gonna have a baby now?

Jordan: yep. you'll see the baby -suddenly jordan feels very wet and she looks down- shit!

Connor; You said a bad word like daddy did.

Jordan: okay second thought we are going back to the hospital connor

Connor: Are we gonna see Mommy?

Jordan: probably not -jordan does a u turn and drives to the hospital-

-she parks and walks connor in going to the reception desk-

Jordan: hi um... my water broke not too long ago? my doctor said i had to come to the hospital when that happened

inner jordan: amn and no one knows i'm prego

Nurse: Okay. just get into this wheelchair and we'll get you into a labor room. Is there anyone you want us to call?

Jordan: um..... my boyfriend if you please. and i need this kid to stay

Nurse: Okay.

-Jordan walks Connor over and she sits down in the wheelchair-

-Connor walks next to her-

Connor: You're gonna have a baby? I thought you were just getting big.

Jordan: I wish -Jordan mumbles-

Jordan: everyone else thought that.

-ten minutes later Lance arrives. The docs have already got Jordan in a hospital room. Connor is sitting a corner of the room finding all of this to be very exciting-

Jordan: gosh this is all very interesting. where were you when they called you darling?

Lance; Meeting. I'll have to thank that kid for wanting to come out today. That meeting was going nowhere. So how's everything going?

Jordan: fine. they say I'm like a half an hour away. this kid is ready to

come out.

-jordan's cell phone rings and she picks it up-

Jordan: hello?

-it is becca-

Becca; Hey. -she sounds exhausted-

Jordan: hey kid how are you doing?

Becca: Almost all the way dilated. but they need to speed up the contractions or else things could get ugly. How's everything on your end.

Jordan: oh me and connor are out to eat

Connor; No we're not!

-Lance looks at jordan chuckling-

Connor: I wanna talk to mommy!

-Lance goes over and takes connor outside-

Jordan: okay technically going through the drive though

Becca; If he starts getting fussy just tell him that he'll get an early bedtime.

Jordan: he doing okay. hey i've got to go my turnr bye beck

Becca; later. -hangs up-

Jordan:t ell the baby i said hi, and i meant he grown man

-a couple minutes later-

-Lance asks the nurse to watch connor so he can be inside-

Doc; Okay. you're ready. Now push.

-jordan does as he asks. Lance was holding one of her legs-

Doc: Good now another one.

inner jordan: i probably look really pathetic at this momen

t-jordan breaths and pushes again-

-Lance is staring between ehr legs-

Doc: I can see the head. Another oush. Now.

-jordan pushes and Lance smiles-

Doc; Okay. One last push. She's almost out.

-jordan takes a deep breath and pushes hard wanting that DMAN KID

Doc; okay. Just hang on a bit.....Now look down. -holds up baby-

-jordan looks and smiles-

Jordan: ahh you look so gross angelica - she chuckles-

Baby: scream

Jordan: eyah i want to do that too

Doc: would you like to cut the cord Mr. Bass?

-jordan drops onto the bed exsausted-

Lance; of course. -takes the scissors handed to him and cuts it.

Angelica is cleaned and then handed to Jordan-

Jordan: hi angelica -she looks at her face. angelica looks back up at her- she looks like ehr daddy

Lance: She's got you're ears though.

Jordan: thank god its not the nose. gosh she is so cute. that would be scary if becca's kid was born at the same time and conceived at the same time

-the nurse brings connor back in-

Connor; I gots a baby sister!

Jordan: yeah with becca. want to say hi to my baby? you'll be friend someday probably

Connor: Hi baby! -waves-

Lance; yeah. Girlfriends. kids. Good jobs. Good homes. It looks like our lives are going our way.

AJ: despite what becca told me so long ago. we finally are where we need to be so its working for us and we love it. but why did god have to throw in two kids?

Lance: well maybe he sensed that Becca was ready to take care of connor and a baby? Besides she has you now. And Connor loves you.

AJ: yeah they botha re great. and now you have a meterosexual tomboy and a baby girl.

Lance; yeah.

AJ: how does your mississippi mother and father thinka bout this?

Lance; They wish I had gotten married before she had the baby but they love her and they'll love haveing another grandchild to spoil.

AJ; doesn't every grandparent? -aj goes ove rna dpicks up connor-coem on lets head bakc and lets the girls all sleep. i have to elarn up on how to use a rbeast pump

Lance; Have fun with that.

-he didn't know jordan was going to use one too cause she refused to wake up every night for the baby when Lance got all his sleep. his sperm went after her egg, not the other way around-

-well Lance and Jordan ended up marrying and having another kid a few years later, a boy named Tyler. Heather and Angelica became great friends. Connor got a crush on Angelica when he figured out his hormones and finally asked her out when he was 16. They dated then got engaged. Jordan felt old though she was in her late thirties. Becca and AJ got married a year after Heather was born. They didn't have anymore kids. Becca's solo career was a success. JC finally gave in and on Christmas, after being married for a year, he was able to get the new baby girl he adopted and surprised Levi with it. They named her Jordyn. Jordyn was two years younger than Angelica AND Heather. Everyone else lived their lives. Everyone here was rich and successful. AND LOU BECAME SOME GUYS PRISON BITCH!-

THE END!

EL FIN!
